Panty and Stocking Anarchy punched Icky Vicky hard in the mouth and knocked out all of her teeth, and to finish them off, Lincoln and Ranamon prepared their grand finale by firing massive jets of rose-scented water at the jerks and they got a bath, and when Flip saw he was squeaky clean, he freaked out, and so did NO MA'AM.

Peggy Bundy: This is all your fault, Al. If your antics hadn't gotten the attention of…

Peggy got silenced by Lincoln who fired ice at her mouth and shut her up.

Lincoln: Actually, all of you were to blame for that one. See you all next time!

Lincoln, Kei, Yuri, Kyoko, Misako, Bayonetta, Litchi Faye Ling, Makoto Nanaya, Rachel Alucard, Noel Vermillion, Hsien-Ko, Felicia (Darkstalkers), Morrigan Aensland, Princess Allura (Voltron: Legendary Defender), Chronoa, Team RWBY, Emerald Sustrai, Dew Gayl, Panty and Stocking Anarchy, Asuka Kazama, Lili De Rochefort, Ajna, Blaze Fielding, Tyris Flare, Ranamon, Jolyne Kujo, and Cassandra Alexandra then had some lunch and we came into Lynn's Table, and we saw the humiliation Lincoln and the girls put the jerks through, and we laughed hysterically.

Me: Oh man, now that was really, really brutal.

Nico: Too brutal and way too hilarious!

Lincoln: Thanks, guys, and we had a lot of fun on this session. But, let me humiliate them with this one last trick before we head home.

Lincoln then made clones of himself, and he and the clones went up to Kei, Yuri, Kyoko, Misako, Bayonetta, Litchi Faye Ling, Makoto Nanaya, Rachel Alucard, Noel Vermillion, Hsien-Ko, Felicia (Darkstalkers), Morrigan Aensland, Princess Allura (Voltron: Legendary Defender), Chronoa, Team RWBY, Emerald Sustrai, Dew Gayl, Panty and Stocking Anarchy, Asuka Kazama, Lili De Rochefort, Ajna, Blaze Fielding, Tyris Flare, Ranamon, Jolyne Kujo, and Cassandra Alexandra and they hug the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and that made the jerks sick.

Flip: Yuck, gross!

Lincoln: Ah, go bathe your feet in nacho cheese, you mutant cheapskate!

We cheered for Lincoln, and we came back home to The World Tree Estate and when Lincoln and the girls told everyone of what they did on their first harem bonding session, they laughed hysterically.

Maria: Serves those jerks right.

Eli: And that was really really painful and hilarious.

Lincoln: I'm glad you guys liked that. And Nika, take a look.

Nika Zaborg saw everything that Lincoln and the girls did to Flip, and when she saw what Lincoln did in firing that massive ball of Rainbow Super Lightning which electrocuted Flip with an infinite level of volts, she wrapped her arms around Lincoln's thick muscular neck and hugged him, and he hugged her back.

Nico: Lincoln vowed he wasn't going to let Flip get away with what he did, and he not only lived up to his word, but he also provided proof of what he did, Nika.

Nika Zaborg: That's more than enough to make my parents proud.

Lincoln: That's right.

Nico: Yeah. Oh, Cornelia, today's your second Ambassador mission.

Cornelia: Awesome.

Rayman: And as you know, I'm also coming. Not only to help keep the Rabbids under control, but I also can't wait to kick some Sporix butt.

Me: Nice.

Nico: That's right, those Sporix are going to be in even more big trouble when they see The Guardian of the Glade of Dreams here.

---

We were then watching TV at the estate and it was a really awesome show about cavemen and how they lived thousands of years ago.

Me: Wow. It's amazing how much man has evolved over the years.

Qin: No kidding.

Poromon: Hey guys! Look what we have!

They had something under a tarp that was on a red wagon.

Sir George: May I ask what you just brought home?

Poromon: Check it out!

Poliwag: Meet my ancestor!

He unveiled a huge block of ice and inside it perfectly preserved and frozen was a prehistoric Poliwag!

We were in awe!

Nicole: Oh wow!

Me: Wow! A Prehistoric Poliwag!?

Nico: Whoa!

Nicole: Wow! Poliwag this is amazing! It was frozen here in ice. From the looks of things it is over 30,000 years old.

Nico: Yeah.

Varie: This is incredible!

Ash: Wow! We never saw a prehistoric Pokemon like this.

Me: Yeah! I've never seen this before. Usually we have prehistoric Pokemon like Omanyte, Omastar, Kabuto, Kabutops and Aerodactyl but never something like this.

Nico: Yeah this is amazing.

Pikachu: Pika.

Then he busted out of the ice!

Pepe Le Pew: (French Accent) Sacre Bleu! He's unfrozen!

Maria: And he has a caveman stick for a tail. Oh boy…

Me: Whoa! This is gonna be interesting.

Poliwag went over to him.

Poliwag: It's okay. We mean you no harm. I am your fellow

Pokemon. We are friends.

Caveman Poliwag yelled in fright and then hit Eli and Lincoln with his tail!

BLAM SMASH!

Cybertron Ransack: He's gone wild! Everyone run for your lives!

Caveman Poliwag them grabbed Horsea.

Lincoln: (Stupid dazed talk) Mommy read me the story about the bunny.

Eli: (Dazed) Mommy I don't want to go to school today.

Laney used her vines and restrained it and Poliwag calmed down the caveman Poliwag and made it better.

Poliwag: It's okay. It's okay. We're friends.

Caveman Poliwag: (Coos)

Poliwag: Yes we are friends.

Poliwag gave it an apple and he loved it.

Varie got some ice for Lincoln and Eli and they had really nasty bumps on their heads. Ouch.

Freeway: It's okay. All of us are friendly. And we can teach you about the modern world.

We got to work and taught him everything like how Mordecai and Rigby did and it produced amazing and great results. He was well adapted to the 21st Century and it was cool.

Caveman Poliwag: Poliwag happy to be with new friends.

Me: We're glad to help you out.

Poliwag: It sure is awesome too.

Nico: Yeah.

Mordecai: Looks like Gregg and Diane have an awesome friend too.

Nico: They sure do.

Disk Wars Silver Samurai: I believe Caveman Poliwag grabbed Horsea is because he was attracted to her.

Horsea: It was strange but crazy.

May: Yeah it was.

Maria: But at least we helped Caveman Poliwag out.

Nico: We sure did. Now it's time for us to get ready for our next mission.

Then 10,000 Volt Ghost, Ryugu Tamatebacco, Fireor, Whirlin, Seadramon, Count Nocturne, Oculous, Whiteout, The Rowdyruff Boys, Technus, Evil Elec Man, Evil Splash Woman, Evil Flame Man, MMPR Eye Guy, Copper Cranium, Evil Skull Man, Stormy, Lexaeus, Blackbird, and Evil Magma Man appeared.

10,000 Volt Ghost: Can me, Ryugu Tamatebacco, Fireor, Whirlin, Seadramon, Count Nocturne, Oculous, Whiteout, The Rowdyruff Boys, and Technus go with you guys?

Evil Elec Man: Me, Evil Splash Woman, Evil Flame Man, MMPR Eye Guy, Copper Cranium, Evil Skull Man, Stormy, Lexaeus, Blackbird, and Evil Magma Man will come too.

Nico: Yes you all can go with us.

Evil Elec Man: Whoa is that a prehistoric Poliwag!?

Poliwag: It sure is. We found him frozen in a block of ice.

Nicole: He was in there for 30,000 years.

Caveman Poliwag: Poliwag honored to meet you.

Copper Cranium: Pleasure is ours.

They saw Lincoln and Eli with nasty bumps on their heads.

MMPR Eye Guy: Geez! You hit them hard.

Caveman Poliwag: Poliwag sorry. Poliwag was scared.

Nico: It's all right.

King Kai then called.

King Kai: (Telepathically to Nico) Nico, everyone can you hear me?

Nico: King Kai what's wrong?

King Kai: I'm afraid you aren't going to like this one. On the planet Valmorg the version of Venom that you guys hate some much from the 2007 movie is reeking havoc with evil volcanic tarantulas called Lavalanchulas! They are Spiders made of pure lava and breathe fire and lava.

We gasped in shock and horror!

Me: The 2007 Version of Venom! I hate that one!

Venom: That version of us is a disgrace!

Nico: We'll gladly stop him King Kai!

Camie: What is a Lavalantula?

Me: It's a spider made of coal and lava.

I showed her a picture of one.

---

It is a coal black spider. Its eyes are reddish orange. Their mouths drip lava. Their queen was as tall as a house. Their bites look like burns. When bitten, eventually what appear to be juvenile Lavalantula swarm out of the victim's mouth and proceed to burn them alive. Despite their immense size, even the queen was able to crawl up walls. They don't spin webs. Everything about them was super-heated. Mixing their blood with gasoline caused an explosion.

Florida Lavalantulas are larger, hotter and nastier. Their queen was the size of a large building. They were capable of shooting spines from their abdomen.

---

Camie: Whoa! That is scary!

Tsuyu: Ugly too!

Nico: Yeah no kidding.

Camie: But why does Nico hate that version of Venom so much?

Me: Well first I better tell you about his history. He's the same Venom, Same Real Name, same background, same powers, but a whole different personality.

I went over his history.

---

Edward "Eddie" Brock Jr., later known as Venom, is the final antagonist of Sam Raimi's Spider Man trilogy, being briefly mentioned in Spider-Man before serving as the main antagonist of Spider-Man 3.

He was a former freelance photographer and Peter Parker/Spider-Man's rival at the Daily Bugle who, after bonding with the symbiote, turned into an unhinged and monstrous mutant equipped with the same suit and powers of Spider-Man. This, alongside his personality, makes him Spider-Man's evil counterpart. He is an adaptation of Venom from the original comics. He is Spider-Man's third archenemy.

He was portrayed and voiced by Topher Grace, who also played Edwin in Predators, Adrian Yates in American Ultra and David Duke in BlacKKKlansman.

Spider-Man

At the time of Spider-Man's first appearance in New York, Eddie

Brock is already an active freelance photographer. While mulling over what to make of Spider-Man, The Daily Bugle editor Robbie Robertson is heard remarking "Eddie's been trying to get a picture of him for weeks".

## As a Photographer on Daily Bugle

At first glance, Eddie is an exact opposite to Peter Parker in almost every way imaginable; he dresses in spiffy designer clothes, uses enormous hair product, rides a motorcycle, and seems to have a progressively tanned complexion.

## As a boyfriend for Gwen Stacy

Eddie is louder, more flamboyant, more able to schmooze and socialize, and overly arrogant and obnoxious, but certainly a lot more polished. However, Eddie lacks elsewhere, he apparently has no real friends or close family possibly due to his arrogant personality. Eddie considers himself a ladies' man, but the ladies themselves don't concur. He is known to have once dated Gwen Stacy who's a model and a physicist.

## Losing his Job and Transformation

After one coffee date, she has no interest in pursuing things further. Eddie flirts with J. Jonah Jameson's secretary Miss Betty Brant. She's amused at the gesture, but brushes him off. And his cologne seems to disgust more than it attracts. After the alien symbiote took him over, Peter began to act more like Eddie.

After losing his job and his reputation for forging a photo of Spider-Man robbing a bank, Eddie saw Peter with Gwen Stacy and was as depressed as ever. Angry at Peter for ruining his life and refusing to accept that him losing his job was his fault, he went into a church and prayed for Peter's death. Almost like a divine hand granted his wish, he heard a scream from above.

Peter was at the top of the bell tower attempting to tear the symbiote suit from his body and with the help of the bell's thunderous chimes, the suit seemed to be shrieking in pain. Peter ripped off the symbiote, and as it fell, it landed on Eddie, transforming him into

Venom.

## The Black

In the one-shot comic tie-in for the film The Black, Eddie slowly gets used to the symbiote. At first driven mad by the alien's attempts to communicate with him, he attacks several teenagers in his lunacy and attracts the attention of some police officers. After fighting them off, he finally allows the symbiote to communicate with him, and it sends images of Parker's life and role as Spider-Man to Eddie, confirming his suspicions that Parker was Spider-Man. By tapping into the symbiote's memories of Spider-Man, Venom is able to replicate his abilities of web production, wall-crawling, and super strength. He sneaks over to the Stacy apartment and watches Gwen through a window. After she leaves the room, he breaks in to look at Captain Stacy's files, and finds Flint Marko's file, inspiring him to choose him as a potential ally.

## Making Flint Marko his ally

Brock, now re-born as Venom, traveled around the city web-slinging and swinging in Spider-Man's own style, looking for the real Spider-Man himself. While doing so, he happened to run into the Sandman in an alley. The Sandman attacked Venom, believing him to be Spider-Man, but Venom proposed that the two of them form a partnership to kill the web-slinger, which the Sandman agreed on.

## The Final Battle and Killing Harry

Brock later captured Mary Jane Watson through use of a taxi. Peter put on his old traditional blue and red Spider-Man costume when he heard of her disappearance. Upon arriving at Venom's trap, Peter attempted to plead with Eddie and warned of the dangers of the symbiote, and the unholy being it made its wearer. The cautions didn't faze Eddie as he preferred being evil. But then Peter's friend Harry Osborn came blazing onto the scene to save Peter, in his New Goblin gear.

Harry tried to keep The Sandman at bay while Peter tried to take care of Venom. Then, Harry sacrificed himself to save Peter and Mary Jane during the ensuing fight, Venom fatally stabbing him with his own glider, similar to how Norman Osborn died.

Recalling the symbiote's weakness to sonic vibrations, Peter gets into a fit of furious rage for what Venom did to Harry, as he took 2 pipes and banged them together, temporarily weakening Venom. Then Peter trapped venom in a wall of steel pipes and banged one against the row of other pipes, making a thundering chiming to make Venom writhe in pain, revealing Brock as he screams in pain too, and Peter finally rips Brock from the symbiote, separating both Brock and the suit.

However, the symbiote, now completely independent, and full of rage makes an attempt to desperately kill Peter, but Peter was still more filled with more rage than suit was as he banged a pipe again as it still weakens the symbiote to back away.

Death

Peter grabbed one of Harry's pumpkin bombs and hurled it right at the alien matter. In an unexpected surprise, Eddie became horrified as he knew what was about to happen and instead ran towards the symbiote in order to don it once more. Peter was shocked at what Eddie was doing and began rushing to save him, but was too late when the bomb detonated, destroying them both.

---

When I was finished everyone was shocked and horrified and more!

Qin: WHY THAT MOTHERFUCKING ASSHOLE!

Nico: YEAH! He is a disgrace to our Venom!

Camie: What a fuckwad!

Nico: YEAH!

Butch: That's not the Venom we know!

Boomer: He would never hurt innocents even when he still hated Spidey!

Me: No kidding and shit there!

Qin: Yeah!

Me: Ironically it was also Dark Danny that used his lines too.

Buddy Pine: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm gonna go for one for Number 83: Galaxy Queen.

Me: Ooh! A Stellar one next.

Qin: Yeah.

Camie: Yeah that will be awesome.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was Astrid Bathsheba of The Order of The Black Cross, and she's heading here to get revenge on The Knightmare Coven of Justice for not only killing them four years ago, but also on us for what happened to Elena Charna, Marianna Blakely, Pandora Marwood, Claudia Umbra, Nimue Badriyah, and Lilith Draconia. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is Astrid Bathsheba on the move?

Lincoln: You guessed it, Nico, and she's heading here to get revenge on The Knightmare Coven of Justice for not only killing them four years ago, but also on us for what happened to Elena Charna, Marianna Blakely, Pandora Marwood, Claudia Umbra, Nimue Badriyah, and Lilith Draconia. When we saw it, we knew it meant trouble.

Me: Morana's already losing both her patience and her sanity as the members of her Satanic coven were dropping like flies.

Nicholette Torrington: With the members of The Order of The Black

Cross falling one by one, Morana Desdemona and Astrid Bathsheba are getting really pissed off big time, and they're already falling into rage and anger. But, that witch Astrid's going to pay for what she's done, especially when you and Lincoln teach her a lesson, Adara.

Adara Dunstan: Yeah, and I still owe her for what she tried to do in trying to cause the deaths of my parents by using black magic, and I can never forgive her for what she tried to do.

Clara St. Clarice: Yeah, but watch it with her, you know she may still have those dark powers of hers.

Nico: Uh oh, this is going to get really crazy. Alright, gang, let's go, we've got a spider made of pure lava to destroy.

Lincoln: An infernal eight-legged spider made of pure lava?! Oh, Dad's going to have nightmares for weeks if he sees that thing, and once we get through with those Lavalantulas, you're next, Astrid Bathsheba!

Ryugu Tamatebacco: Let's get the ship ready.

Evil Splash Woman: With pleasure.

We went to the shop and we were off to the planet Valmorg.

---

The U.S.S. Valorous Phoenix is flying through space.

Nico: Captain's Log, Stardate 7048.3: The U.S.S. Valorous Phoenix is en route to the volcanic planet Valmorg located 214 million lightyears away from Earth in the galaxy NGC 3987. Our mission is to destroy a bunch of volcanic spiders called Lavalantulas and the 2007 version of Venom and make that monster pay for his crimes.

Me: This will be justice of the highest order brought to Eddie Brock. (To our Eddie) No offense.

Eddie Brock: None taken. But yeah this version of me is awful.

Nico: He sure is.

Qin: Yeah no kidding. I saw what he was like on Spiderman 3 and that was a rotten to the core badass Son of a Bitch version of Venom.

Me: He sure was.

Venom: We agree there too.

Donna Diego: I remember seeing that one and he was a monster.

Scream: He sure was.

Leslie Gesneria: He sure was pure evil.

Agony: I can't argue with that.

Gemini Man: That version of you was rotten even before bonding with his Venom symbiote.

Venom: Boy no kidding!

Me: He also wanted Mary Jane all to himself too.

Mary Jane: That is awful!

Me: I got a few choice words to say to him when we face him.

Nico: Uh oh. He is going to the see the old Knudson Reprimanding of Love.

Me: Even though Mary Jane and Peter are already spoken for yes. I'm going to give him that.

Camie: You go get him tiger.

We laughed at that name.

Me: (LAUGHS) Thanks Camie. But yeah.

Spiderman patted me on my back.

Spiderman: You show no mercy on that son of a bitch.

Me: With pleasure Peter.

Fireor: He also made his own fake photos

Evil Flame Man: Really? How?

Me: I remember seeing those. He framed Spiderman and turned the black suited version of him into a criminal!

Eddie Brock: Yeah it's true.

He showed me the magazines from the Daily Bugle.

Eddie Brock: Found this on the internet.

Me: Well I'll be! Just like on the movie.

Nico: Oh yeah! I remember those.

Me: Yeah no kidding. Eddie Brock in that world tried to sabotage Peter's hero life.

Eli: No kidding. Ow.

Me: You all right bro?

Eli: My head will be really sore.

Me: You're lucky it didn't smash your skull in.

Eli: Yeah.

Me: And these photos were all altered. Black Suit over the original and Spiderman having a big bag of money in his hands to make him look like a criminal. These were all forged.

Qin: Yeah they sure were.

Lisa Loud: We have arrived at our destination.

Lugnutz: We're coming up to the planet.

Nico: On screen.

We saw that we were at the planet Valmorg and it was a reddish orange version of Venus and it was hotter too.

Me: Whoa! We never saw the planet Valmorg from space. It really DOES look like a red version of Venus.

Xenia: It sure does. Wow.

Laney: This is amazing. Scary seeing it from up here.

Me: Yeah no kidding.

Nico: Lets engage the heat shields and land.

We engaged the heat shields and landed and we got out and the planet was just as hot and scary as ever.

Me: Wow.

Varie: Hot and brutal.

Whirlin: Damn, it's hot!

Me: It's over 2,500 degrees Fahrenheit here.

MMPR Eye Guy: Eye think I'm sweating!

We laughed at that pun.

Me: (LAUGHS) Good one!

Nico: But yeah I'm really sweating.

Eli: Me too.

Laney: Yeah. We're going to be dripping sweat.

Me: Good thing we can live in the most inhospitable of all conditions.

Commando Man: By the way, Soji, Lisa made a new super form for you.

Souji: Really? I can't wait to see it.

Qin: You'll love it.

Nokama: Guess that means it's time for us to shine next.

Nico: Yep.

Souji: Sweet!

Seadramon: By the way, Nico, have you decided on any 6 member teams yet.

Nico: Luan will have Tony Jones, Black Vulcan, Dazzler, Luz from the X Men, and Lightning Lass on her team. Eddy will have Daughter, Princess Bubblegum, Ahsoka Tano, Rey Skywalker, and Firestorm on his team.

Copper Cranium: Good choices.

Me: Those are cool!

Rey: (British Accent) It'll be an honor to be part of Eddy's team.

Luan: This is gonna be awesome!

Eddy: Yeah it sure is! I'm honored.

Tony Jones: Same here too.

Ahsoka Tano: I have a feeling this will be fun.

Bugly: I hope we have a sub zero blast to cool that beast off.

Me: Oh we will.

Nico: We have plenty of ice and water.

Me: Yep.

Maria: Good.

Nico: We're going to kill the Symbiote and throw 2007's Eddie Brock in jail for his crimes.

Qin: Good idea Nico.

Xenia: He deserves to be locked up for his crimes.

Zhuqiaomon: Yes he sure does.

Count Nocturne: First, we need to deal with the Lavalantula.

Evil Skull Man: Shouldn't be that hard.

Me: Well don't look now because here comes one right now!

We saw a small Lavalantula! It was a small spider made of coal and lava!

Nico: Whoa! So that's a Lavalantula!

Lynn Sr. jumped into Nico's arms in fright!

Nico: OOF!

Lynn Sr.: SPIDERS!

Nico: YOU'RE GIVING ME A HERNIA MR. LYNN!

Mushi: (laughs) That's it? We can take this down easily!

It shrieked and then fired waves of lava and we saw that it was yellow hot lava that it fired from its mouth!

Me: WHOA That is hot!

Nico: Lethal!

Numbuh 1 then smelled something.

Numbuh 1: Hey who's cooking hamburgers?

Numbuh 5: It's not hamburgers Numbuh 1! YOUR BUNS ARE BURNING!

HIS BUTT WAS ON FIRE!

Numbuh 1: WOOHOHHOHOHOHOHHOHOHOHHO! PUT IT OUT!

Lexaeus: Anyone got a bucket?

Oculous: I got one!

He pulled out one and Maria filled it up and Numbuh 1 put his butt in it and steam came out of it.

Numbuh 1: (SIGHS IN RELIEF)

Nico: Whoa.

Maria: Now for this spider.

She fired waves of water and extinguished it and turned it into a rock statue.

Nico: Wow! It turns into a rock statue.

Me: It's made of pure lava.

Maria: Yeah.

Yondu: That wasn't too bad!

Me: Don't speak so soon Yondu. Where there is one there is bound to be many more.

Qin: Yep. Still this one would make an awesome garden ornament.

Volcana: It sure would. Perfect for me.

Nico: Yeah it would.

Volcana picked it up and teleported it back to the ship.

Eli: I sense that there are many more of them 200 klicks ahead.

Nico: Oh boy.

Whiteout: Let's get a move on.

Stormy: There are probably some big ones ahead.

Nico: My thoughts exactly.

We got to walking and along the way we blasted and cooled numerous small ones and some big ones as big as cars and even ones as big as houses.

Me: Wow those are huge!

Qin: Yeah! I hate to imagine what the biggest one of them all is like.

Camie: Same here.

Cicadacon: Let's not find out.

Nico: Oh boy.

We got close to a crater.

Eli: The biggest signal is coming from in that crater.

Nico: Oh boy.

We got to climbing the hill and we got to the top and then in the middle of the crater we saw THE BIGGEST SPIDER OF THEM ALL! IT WAS AS BIG AS A 3000 FOOT HIGH SKYSCRAPER AND IT WAS AS BIG AS 35 CITY BLOCKS! HOLY CRAP!

Me: That is one BIG ASS SPIDER!

Qin: Whoa! It's massive!

It roared ferociously!

Xenia: Whoa!

Eli: Look on its head!

We saw 2007 VENOM ON ITS HEAD!

Brick: There's the asshole Venom!

Blackbird: Let's do an entrance on him!

Nico: YEAH!

We went at them and then Venom was roaring ferociously and then the spirits of all the Spiderman Heroes and Villains appeared and swirled around him and then converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and fireballs rained down and smashed the Gargantuan Lavalantua all over and then a phoenix cry was heard and we came out. I flew over to 2007 Venom.

Me: Hello Eddie!

2007 Venom: Team Loud Phoenix Storm!

Me: Oh look my Spidey Sense is Tingling.

I teleported and kicked him and smashed him into the ground.

Arixam: You're a piece of shit, do you know that?!

2007 Venom: (laughs) Like I care. Who gives a fuck about responsiblity and all that crap? When I can do whatever the Hell I want to come out on top!

Me: I don't think so!

I teleported and kicked him in the face and smashed him down.

Me: You are a low down dirty motherfucking piece of fuckshit crap!

2007 Venom got up and I picked up and rock and threw it and it hit him square in the back of his head and he roared extremely ferociously at me!

Me: Oh roar yourself!

2007 Venom: Parker stole everything from me.

Me: Because YOU Made him look like a criminal!

Spiderman: Now lets talk about this! It doesn't have to be this way.

2007 Venom: You're so right. I'm thinking… humiliation. Kind of like how you humiliated me. Do you remember? Do you remember what you did to me? You made me lose my girl, now I'm gonna make you lose yours. How's that sound, tiger?

Me: You brought all that on yourself you piece of fuckshit! Mary Jane is not an object! She is a human being! You make me sick!

Nico: You call yourself Venom? You don't deserve that title! Even Bully Maguire, who gave Peter a bad name, is more entertaining than you!

2007 Venom: YOU SHUT YOUR MOUTH! WHAT DOES PARKER EVEN HAVE THAT I DON'T!? I HAVE THE SYMBIOTE! AND WITH IT, ALL ITS' POWER!

Spiderman: For starters, no version of me would make fake photos.

Venom: And even when we still hated Spider Man, we would never put innocent people in danger!

2007 Venom: (laughs) I guess that makes you the weak one who won't do what it takes to win.

Technus: Weak one? Have you seen yourself? You're skinny compared to the Venom we know.

Evil Magma Man: We may have thrown our version of Jameson in jail. And the Yost Version saw the error of his ways. But we actually do approve of your version of Jameson firing you for making fake photos!

Me: That's right you shitsucking motherfucking trashheap! Our version of Venom is a much better version of you than YOU EVER WILL BE! You know why? Because he has something THAT YOU NEVER WILL HAVE! A HEART!

Nico: And you only have HATRED! AND FOR THAT FUCK YOU, YOU FUCKSHITTING PIECE OF MOTHERFUCKING MEAT!

Eli: (FLIPS THE BIRD AT HIM)

Then Zavok, Red Ghost, Abomination, LaGrange, Stonedozer, Firebrand, Touch & Go, Whiger, Griffin, Chillyfish, Kuroto Dan, Cheese Monster, Evil Drill Man, Secret Snake Club, Stinkor, Reverse Flash, Space Kook, Pericles, Ozzie Ostritch, and Roman Torchwick appeared.

Nico: Zavok, Red Ghost, Abomination, LaGrange, Stonedozer, Firebrand, Touch & Go, Whiger, Griffin, Chillyfish, Kuroto Dan, Cheese Monster, Evil Drill Man, Secret Snake Club, Stinkor, Reverse Flash, Space Kook, Pericles, Ozzie Ostritch, and Roman Torchwick.

Stinkor: We heard you guys yelling! Wow! You really laid down the law on this sick version of Venom!

Wendy Sapphira: Boy they sure did!

Me: Nice and colorful too.

Zavok: You know it's saying something when any version of Jameson is sick of this Venom's shit.

Red Ghost: I guess the Jameson that fired this asshole has honor.

Abomination: And standards.

Me: Yes he sure does.

Qin: I agree.

LaGrange: (to Nico) We heard you fought Amity's mom.

Nico: We sure did.

Stonedozer: I hope you hurt her good!

Me: Oh we did and Luz and Amity gave her the Black Gates.

Stonedozer: Wow! Good riddance.

Qin: Yep.

Me: She deserved it too.

Epoxar appeared again.

Me: Back for another round I see.

Epoxar: Yep I sure am.

Qin: Awesome.

Epoxar: So, no hard feelins about last time?

Lori: As long as you don't try that again on us.

Epoxar: Noted. I don't think it'll work on you guys now anyway.

Lynn: But you can try that on asshole Venom here.

Epoxar: Okay then.

Epoxar stuck some of his glue to 2007 Venom and then…

RIIIIIPPP!

HE ROARED FEROCIOUSLY IN EXCRUCIATING PAIN AS HIS SKIN RIPPED! OUCH!

Me: YIKES! That must've really hurt!

Nico: Ouch! But it was fitting.

Laney: Yep.

We got the usual battles underway.

---

## Ace Bunny, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Disk Wars Silver Samurai and Disk Wars Mandarin VS Zavok - Nico's rescue and battling Amity's so-called mom

---

Zavok was first.

# Vert, Rainbow Dash, Scootaloo, Air Skylanders, Thunderblast and Lugnutz VS LaGrange - Meeting gene-slammers for Kamion the Timelord and Zaborg the Thunder Monarch

---

LaGrange was next.

LaGrange: (to Vert) I heard you guys met gene-slammers for Kamion the Timelord and Zaborg the Thunder Monarch. What are their names?

Vert: Their names are Camie Emperyous and Nika Zaborg and they are amazing guardian angels for Lincoln.

Rainbow Dash: They sure are.

Scootaloo: But we found out something after from Nika that Flip did.

---

Camie Emperyous: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Nika Zaborg: He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Camie Emperyous: That's incredible.

Nico: It sure is. So, Camie, Nika, what are these two horrible revelations you have on Luan and Flip?

Camie Emperyous: Allow me to go first. Luan did a bunch of really horrible pranks on Lincoln in a maniacal bout of rage over a comedy act gone wrong when someone said that her act was not funny, which were the words no comedian ever wants to hear that. Luan snapped and went ballistic and she hurt her brother Lincoln so bad that he was in the hospital for days, and because of that, Luan earned both my wrath and vengeance and I want nothing more than to mount her head on a pike for what she did.

We gasped in shock.

Nico: Why, that psychotic, ballistic, good-for-nothing… !

Lincoln: Yeah, and Camie took me to the hospital where I was put into a full-body cast, and I was really scared of Luan for what she did.

Selene Emperyous: After she told us about what happened, we were all really pissed off at what that psychopathic prankster to Linky, and we wanted to rip her to shreds. But, Camie really wanted to do more than that, she wanted her head mounted on a pike!

Nika Zaborg: I always knew Luan would one day snap and go on a psychotic pranking spree, but to do what she did due to a comedy act going wrong and someone opening their big fat mouth telling her those words and to her own brother, Luan was literally asking for it. Okay, now it's my turn, the reason I hated Flip with a vengeance and wanted to make him pay for his crimes, it wasn't just all the other crimes he committed… he… (Voice Breaking) he conned my family out of all our money and made us dirt poor and homeless, and I vowed to kill him to get revenge.

We gasped in horrifying shock, except for me and the Louds, and Lincoln put up the 9,500-lb barbell and he went up to Nika Zaborg and hugged her, while she hugged him and cried onto his bare chest.

Nico: (Gasps) Why, that ugly, hairy, no-good, greedy, stupid mutant asshole!

Me: I remembered that day, and when Lincoln and the Louds found out, including me, we all swore to make Flip pay for what he did to Nika.

Nico: Flip went way too far that day. Nika, are your parents still around here?

Lincoln: No, Nico, two weeks after Nika and her parents lost all of their money thanks to Flip conning them out of everything, Nika's parents committed suicide and she was left all alone.

Nico was horrified.

Nico: (Horrified) My God.

Nika Zaborg felt Lincoln's massive and muscular body shake with undeniable fury, and his muscles bulged even more and she saw veins in his biceps and abnormally massive and muscular arms, and she saw his rainbow energy aura with elemental forces and mythological animals flare up.

Lincoln: Flip crossed a serious line that day, he not only conned Nika and her family out of all their money and made them dirt poor and homeless, but Nika's parents committed suicide and left her all alone. Forget about Nika killing him, he'll be begging for death by the time I get through with him!

We gasped at the sheer extent of Lincoln's fury: Flip had signed his own death warrant for what he did six years ago.

Me: Oh crap.

Lori: Flip's going to be begging for death after Lincoln literally gets through with him.

FLASHBACK ENDS

LaGrange: That motherfucking cheapskate! I can't believe he would cause Nika's parents to die like that! It's times like these I wish we could just kill him and get it over with.

Whirlwind: Yeah that monster mutant! Flip has no conscience! NONE! He doesn't care about anyone other than money!

LaGrange: Yeah what a jerk! He makes Mr. Krabs look like a saint! Lets do it!

?: I will make you and your entire coven pay for killing us four years ago, Morgana DeRose!

Adara Dunstan has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS MAGIC WINDSTORM KNIGHTMARE GOBLIN ANGEL OF DIVINE DARK OCCULT MAGIC JUSTICE AND DIVINE WINDSTORM DARK MAGIC WITCHCRAFT LOVE!

We were amazed by Adara Dunstan's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Astrid Bathsheba saw it, the dark Satanic witch fell into a rage and fired a blast of darkness at her to kill her, but Adara Dunstan dodged it and she fired a powerful black and light green energy blast with darkness, winds, dark magic, and goblins at Astrid Bathsheba and it exploded with incredible power as it hit her and sent the dark Satanic witch flying into a wall, but she's not out yet, and now, she's pissed off.

Nico: Whoa, Adara Dunstan's now the next of The Knightmare Coven of Justice to transform, so awesome.

Me: This is going to be a good fight: The Maelstrom Dark Magic Goblin of Justice VS. Satanic Black Magic of Evil.

Lincoln: This is going to piss Morana Desdemona off even more, and Adara, you look beautiful, how do you feel?

Adara Dunstan: (Divine Echoing Cosmic Voice of The Windstorm Dark Knightmare Goblin and Divine Dark Magic Wind Occult Justice) I feel incredible, Linky, now shall we deal with that Satanic witch, Astrid Bathsheba, once and for all?

Lincoln: (Smiles) With pleasure, Adara.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Adara Dunstan.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time for you to pay for everything you and the rest of The Order of The Black Cross have done, Astrid Bathsheba, and this time, you're never coming back from the dead again!

Adara Dunstan and Lincoln went after Astrid Bathsheba, who continued firing blasts of darkness and black magic at them, but they dodged them all, and they fired extremely powerful blasts of rainbow energy, black and light green energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Mermaids, and Goblins at Astrid Bathsheba and they exploded with incredible power as they hit her. Then, they attacked Astrid Bathsheba with their massive greatswords and they left some really nasty scars on her and they also drew blood, and they also punched and kicked her hard all over the place, and this really pissed off Astrid Bathsheba.

Astrid Bathsheba: You! (Voice suddenly turning demonic) You! I'LL KILL YOU!

Astrid Bathsheba let out a demonic scream, and we saw a tail sprout out, her skin turned pale, her ears turned pointed, her nails grew into claws, her pupils turned into slits, and horn stubs grew on her head, she'd turned into her Demon form.

Nico: So, that's her Demon form, ugly!

Me: Really ugly, we still remembered seeing what happened when we faced that thug, Tony Reno and his friends long ago.

Astrid Bathsheba tried to attack again, but Adara Dunstan and Lincoln dodged her claws and they also absorbed the blasts of fire she threw at them, and then, Lincoln chopped off her tail and wings as she screamed in agonizing pain, and he trapped Astrid Bathsheba by forming a magic circle below her feet. Then, Adara Dunstan used her Spellbook of The Knightmare World and found the spell she and the others used on Tony Reno and his friends and she chanted the incantation and it fired a powerful blast of dark magic at Astrid Bathsheba, and it stripped the dark Satanic witch of all of her demonic powers and her Demon form and it turned her back to normal. The magic circle disappeared and Lincoln grabbed her by her neck and he tossed her into the air with his infinite and really immense brute superhuman strength, and that allowed Adara Dunstan and Lincoln to fire powerful black energy blasts at Astrid Bathsheba, and they exploded with incredible power as they hit her, and she was killed.

Then, Astrid Bathsheba's spirit appeared, and as soon as it did, Adara Dunstan and Lincoln drew the Judgement Kanji on her forehead, and she was found guilty by the spirits of those she'd killed, and she was fading away.

Astrid Bathsheba: NO! NO! DAMN YOU, ADARA DUNSTAN! DAMN YOU ALL, TEAM LOUD PHOENIX STORM!

Astrid Bathsheba was erased by The Black Gates and never to return again. We cheered wildly for what Adara Dunstan and Lincoln did to Astrid Bathsheba as they holster their massive greatswords on their backs and powered down, and Adara Dunstan's new body, clothes, weapons, jewelry, and massive dark blue angel wings are permanent.

Adara Dunstan: That's another dark witch who'll never rise from the dead again, thank you for helping me destroy Astrid Bathsheba, Linky.

Lincoln: (Smiles Warmly) You're welcome, Adara.

Suddenly, Adara Dunstan wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Adara Dunstan's face, they kissed passionately as Adara Dunstan's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Knightmare Goblin flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and dark magic behind them and we cheered wildly. Lincoln and Adara Dunstan came back, as the display and Knightmare Goblin vanished.

Nico: Alright, Adara Dunstan and Lincoln, you two did an awesome job in getting rid of that dark Satanic witch, Astrid Bathsheba.

Lincoln: And made sure she'd never come back again, and now, we've completely pissed off Morana Desdemona.

Morgana DeRose: Morana's already seething with even more pure rage and hatred now that Astrid Bathsheba has been defeated and killed again.

Lincoln: Yep, which means the last one we're going to face tomorrow is the leader of The Order of The Black Cross, Morana Desdemona, and you and I are going to destroy her for good, Morgana.

Morgana DeRose: You said it, Linky, and soon, we'll finally be rid of The Order of The Black Cross for eternity.

Selene Emperyous: You got that right, and tomorrow, on your rescue, Linky, we're going to meet the next of my sisters, Valentine Emperyous, the Halion the Timelord Gene-Slammer and the second of the two Earth Masters, and she's got a really nasty revelation about Lola tomorrow.

Nico: We'd already heard a ton of nasty and bloody revelations from the other Guardian Angels about Lola, but I can guess there's another one heading our way.

Lincoln: We'll brace ourselves for that revelation tomorrow, Nico, but some of us might've known about what Lola did that day as well, and we'll meet the last of the Monarch Gene-Slammers, and my guess is Leina Mobius, the Mobius the Frost Monarch.

Eli: Now, that's going to be an icy one.

2007 Venom got up.

Me: NOW FOR THIS! THUNDERCLAP SONIC CLAP!

I clapped my hands and released a powerful sonic thunderclap boom and 2007 Brock screamed and Spiderman pulled him out and the 2007 Venom Symbiote Roared!

Venom ate the symbiote!

Firebrand: How does the 2007 Symbiote taste?

Venom: (disgusted while grabbing 2007 Brock by the throat) Bland and undeveloped.

2007 Brock: NO! MY POWER! IT WAS MINE! GIVE IT BACK TO ME!

Eddie Brock: You know, we were going to kill you. But now, you're not worth it anymore.

Venom: Fuck this guy!

Venom ate 2007 Brock's left hand and punched him, knocking him out.

Mr. Touch: Now, how did his hand taste?

Venom: Much better!

Whiger: Good to know.

Griffin: And the Lavalantulas are defeated.

Chillyfish: Which is an extra bonus.

Me: Yep.

Nico: And he's looking at spending the rest of his fucking life in prison.

Qin: Yep.

Nico: But great job everyone.

Spiderman: (to the viewers) This was an awesome and volcanically hot adventure and it was really awesome bringing down 2007 Eddie Brock.

Me: It sure was Peter.

Nico: Yep. Lets head home.

We went back to the ship and went back home. We enjoyed the rest of the day and went to sleep. 2007 Eddie Brock was found guilty of his crimes and sentenced to eternal life in prison with no possibility of parole.

THE END

Nico: Wow so this is the school that you and your friends went to Luz?

Luz: Yep. It's a really cool place to learn all about magic.

Felicia Wittebane: You guys will love seeing this place. When I went here I learned everything all about the powers of dark and light magic as well as elemental magic.

Amity: Felicia is one of the best students that went here and she is treated like royalty here.

Felicia Wittebane: I got used to it over time. But Yeah.

Willow Park: It was a cool place to learn too.

Takanuva: Boy I can tell.

Nico: Me too. Thanks for coming with me, Takanuva.

Takanuva: No problem Nico. It's gonna be awesome helping you guys out for this one.

Nico: Do you miss being a Matoran?

Takanuva: I do most of the time. But being a member of the Toa Nuva is really amazing.

Me: And you possess the most powerful mask of all: The Mask of Light.

Qin: It's true.

Takanuva: That is true. But being the Toa of Light is amazing.

Laney: It sure is.

Camie: Yeah it sure is cool.

Takanuva: Glad you guys think so.

Nico: I'm sorry, Takanuva. But even J.D. couldn't find a way to make you a Matoran again.

Me: I tried everything. The Mask of Light is incredibly powerful.

Takanuva: That's okay. But I don't mind being a Toa Nuva. It's awesome.

Qin: Well whatever works.

Camie: It's still cool too.

Laney: Yeah.

Nico: I really expected only one Lavantula.

Me: Yeah. But Lynn Sr. was scared too. Also we did not expect 2007 Venom to be there too.

Qin: Yeah. But Nico and J.D. really showed him who was boss by smashing his brains out.

Felicia Wittebane: Boy they sure did! That was awesome.

Me: Yeah it sure was.

Nico: He was a disgrace to the name Venom!

Eli: Yeah he sure was!

Qin: What he did was absolutely heartless and evil!

Xenia: No kidding!

Laney: But he's now in prison.

Lana: Yeah he sure is!

Lola: He had it coming.

Lily: He sure did.

Camie: He deserves to be thrown into prison.

Luz: You got that right.

We went into Hexside and it was a really cool building.

Felicia Wittebane: Welcome to Hexside School of Magic and Demonics.

Luz: Man this is a really awesome place. I missed it.

Amity: Me too.

Me: Boy this school is nice.

Nico: It sure is. Look at everyone learning all sorts of arts of magic.

Sunny Starscout: This is amazing that all this is here too.

Felicia Wittebane: Yeah it's awesome. And here I helped Luz learn so much about magic while helping her under the tutelage of Eda the Owl Witch.

Nico: Awesome!

Nico: And our Venom is less skinny

Me: Yeah no kidding there.

Qin: But it's awesome that we stopped 2007 Venom.

Lana: Yeah.

We went into Hexside and it was a really cool building.

Felicia Wittebane: Welcome to Hexside School of Magic and Demonics.

Luz: Man this is a really awesome place. I missed it.

Amity: Me too.

Me: Boy this school is nice.

Nico: It sure is. Look at everyone learning all sorts of arts of magic.

Sunny Starscout: This is amazing that all this is here too.

Felicia Wittebane: Yeah it's awesome. And here I helped Luz learn so much about magic while helping her under the tutelage of Eda the Owl Witch.

Nico: Awesome!

Me: Nice school. Reminds me so much about Hogwarts.

Qin: It sure does.

Nico: What will we see first?

Felicia Wittebane: First let me show you where I learned all about the magic I know.

We went to the library and then Twilight gasped seeing all the books.

Princess Twilight Sparkle: [prolonged gasp] Oh-my-gosh-oh-my-gosh-oh-my-gosh-oh-my-gosh-oh-my-gosh! So many books all unread! Ancient historical artifacts! [gasps] I just… I thought… ! I can't… ! [wheezes]

She was in her reading heaven.

Nico: Looks like Twilight is in Heaven.

Me: Yep.

Felicia Wittebane: This is the schools library. I learned so many magic spells of elemental magic here.

Nico: Lets see what they got.

We got to reading so many awesome books and more we saw fire, lightning, wind, water, earth, darkness, light, twilight magic and more and it was awesome.

Willow Park: Good memories here.

Gus Porter: It sure is awesome.

Amity: Yeah so much to do here.

We later went to the cafeteria.

Felicia Wittebane: This is the school cafeteria.

Nico: Wow.

Maria: Any good food here?

Felicia Wittebane: Lots of good food. Try the Fairy Pies.

Lana: Sure.

She went and got a fairy pie and it looked gross.

Lana: Cool.

She ate it and man did she love it. It was tasty to her but not to us.

Lana: (BURPS) Ahh!

Amity: Boy Lana sure likes that.

Me: Oh that's Lana for you. She eats EVERYTHING gross. When you have known her for over 6 and a half years you tend to get used to what she does.

Lana: It's true.

Luz: Yeah that's true.

Nico: Lets get to talking and learning more about Felicia and how she met Luz and friends.

Felicia Wittebane: Sure.

We got to a table.

Nico: Also, Sonic, Yost She Hulk, Quake Woman, Hannah Whitehouse, Raspberry Torte, Pirolilly, Allura the Star Dragon Maiden, Diamond Tiara, Jeanne Xennoxia, and Carl Carlson will be backup core members.

Me: Awesome!

Qin: Yeah it sure is!

Me: Yep. We haven't recruited some of them. But yeah.

Camie: Yeah. So Felicia how did you meet Luz and friends?

Felicia Wittebane: That is a big adventure I would never forget.

---

Felicia Wittebane: (Voiceover) 2 years ago I met Luz when she first met Eda and she was learning so much under me.

Past Luz: It's amazing that you know magic and that you are willing to teach me Felicia.

Past Felicia: You will love it Luz.

Felicia: Yes I taught her everything that I knew in the arts.

They were learning so much and it was awesome. Luz was becoming quite a witch.

FLASHBACK PAUSES

Felicia Wittebane: Luz and I became really close during that time too.

Me: Wow so that's how you met.

Amity: Wait till you hear how she met me.

Nico: How DID she meet you?

Felicia Wittebane: Amity was more like a queen bee. But thanks to me and Luz we helped her out.

FLASHBACK RESUMES

Felicia Wittebane: (Voiceover) Amity was a girl that had a major attitude and we all know where it stemmed from.

Past Amity: I'm going to make you wish you were never born

human.

Amity walked away.

Past Luz: Jeez what's her problem?

Felicia Wittebane: Oh that's Amity Blight. She was born into a really rich demon family. But she is having problems with her so-called mother. She is taking it out on others.

Past Luz: Really? Like what?

Felicia Wittebane: Well her mother is a control freak.

She told her how her own mother made her life a living nightmare and more.

Past Luz: Oh man I feel bad for her.

Felicia Wittebane: Me too. I saw the pain in her eyes and I know she is having some really bad problems. But Amity is not a bad girl once you get to know her Luz. Think about it. She would be perfect for you. (Winks at her)

Luz blushed at the thought of it.

FLASHBACK PAUSES

Me: Wow!

Nico: That is cool.

Me: It sure is. Odalia was a nightmare.

Felicia Wittebane: She sure was.

Nico: Back then, only you realized how bad her mom really was.

Felicia Wittebane: Yes that's right. Now here is where I help her.

FLASHBACK RESUMES

Felicia Wittebane: (Voiceover) In the cafeteria me and Luz were eating our lunch when Amity walked in.

Past Amity: Luz you need to stop helping people!

Felicia Wittebane: Amity I know why you are lashing out like this. You are in pain because of what your mother is doing to you.

Past Amity: (Gasp) How did you know that?

Felicia Wittebane: Because I can see it in your eyes and the pain you are experiencing is from her. Also I had a raven see what was going on and the abuse was terrible. You did not want to join the Emperor's Coven. You wanted to do other things. But you don't have to join the Emperor's Coven anymore.

Past Amity: What I do is not a concern.

Felicia Wittebane: Amity, everything you heard about the Emperor is a total lie.

Felicia used her magic and put up a silencing wall so no one else but she, Luz, Willow, Gus and Felicia can hear.

Felicia Wittebane: Emperor Belos is really my ancestor Phillip Wittebane.

She told them everything about how evil Emperor Belos is and how he doesn't want to unite all the demons, he wants to DESTROY EVERYTHING! He wants to destroy and kill every demon there is and more.

Past Amity was horrified and shocked! The very organization she was going to work for was all a sham, a lie, a terrorist organization and all that.

Past Amity: I had no idea!

Felicia Wittebane: Amity what you are doing to Luz and Willow and everyone was all out of anger because of your mother. You are hurting inside.

Past Amity: Because my mother wants me to do things the way she wants and I don't want to. I tried to stand up to her but I don't have the courage to do so.

Past Luz: We can help you with that Amity. You don't deserve a mother like that.

Past Gus Porter: That's right. We'll gladly be your friends.

Past Willow Park: That's right. You deserve better.

Past Amity: Oh thank you. Luz, Felicia, everyone, I'm sorry. You're right. My mother is a monster.

Felicia Wittebane: It's not your fault Amity. But you we're welcome to join my group.

Past Amity: Thank you Felicia.

FLASHBACK ENDS

Me: Whoa!

Nico: You did really awesome Felicia.

Camie: You sure did.

Nico: Belos got what he deserved.

Felicia Wittebane: He sure did.

Eli: Has Amity and Luz's love gotten stronger ever since you helped them?

Felicia Wittebane: It sure has. Luz and Amity's love is really powerful.

Amity and Luz blushed.

Felicia Wittebane: And I was telling Luz's mother her progress while she was here in the Demon Realm. I would tell her every day so she wouldn't be worried.

Xenia: That's good you didn't want her to worry.

Nico: It sure is.

Felicia Wittebane: It sure is. Luz and Amity, Willow, Ronnie Anne, Eda, Gus and Hunter are like my siblings. They are a much better family for me than my ancestor ever was.

Laney: That's awesome.

Lana: It sure is.

Eli: Yeah. (Senses Something) I sense something on the sports yard.

Felicia Wittebane: Another Omnitrix Alien. Lets go.

We went down there.

We saw that the sports yard looked very similar to a Quidditch Arena.

Albedo turned into Negative Ultimate Heatblast.

Negative Ultimate Heatblast: A Quidditch arena?

Felicia Wittebane: It looks like it. But this is actually their Grudgby Arena. Same rules apply minus the brooms. But you can use magic here.

Nico: Awesome! Just like Quidditch.

Felicia Wittebane: It sure is. I helped Luz and her team win Grudgby for Hexside 10 times. And since then we were undefeated.

Luz: That's right.

Eli: That is so cool!

Me: Yep.

Lincoln: This is so awesome that Felicia and all our friends from The Boiling Isles learned a lot about the arts of magic right here, it's just like Hogwarts.

Felicia Wittebane: It sure is. Hogwarts does not have demons in it though. But it's really cool.

Nico: That's just what I was about to say. Plus, not only were you helping everyone get ready for the battle with Emperor Belos, but I got word earlier that Boscha is back.

Felicia Wittebane: Oh no, not that egotistical witch again!

Amity: She just doesn't even know when to take a hint, sheesh.

Lincoln: Sounds like she's bad news. Can you tell us about her?

Luz: Sure, Lincoln, but it's not a pretty picture.

Felicia Wittebane: She is an egotistical witch bully here and she is like Chandler.

Amity and the others told us about Boscha

---

Boscha is a recurring antagonist in the 2020 Disney Channel series The Owl House. She is the former friend of Amity Blight and served as the main antagonist of the Season 1 episode "Wing It Like Witches".

She is voiced by Eden Riegel, who also voices Maggie from Amphibia.

and when they were done, we were shocked.

Past

Initially, Boscha becomes Amity's friend due in part to Amity's parents threatening to make her friend Willow's life worse. Because of this, Boscha became largely responsible for Amity becoming a bully herself.

Boscha bullies Willow and her friends Luz and Gus when they enroll at the Hexside School of Magic and Demonics. Because of her status as being the captain of the grugby team, Boscha is able to get away with most of her actions, with the teachers even stating that it could even apply to murder.

Wing It Like Witches

When Grugby season arrives, Boscha arrives to the school expecting to be greeted by a large crowd of admirers. However, the attention is instead directed at Willow who had reconciled with Amity. Envious, Boscha tries to bully her again, but Amity, keeping her promise, defends Willow and tells Boscha that she used to be like her but she grew up.

The bullying escalates to Boscha dumping garbage on Willow and harassing her and her friends. Eventually, Luz opts to challenge her to a Grudgby game. If Luz and her friends won, Boscha would be forced to cease her bullying. Boscha agrees stating that if she won, she would use Willow as target practice demonstrating it on tossing a ball at full speed at a tree which not only drills a hole into it, but the tree also explodes into flames.

During the game, Luz decides to call for a "forfeit" in Willow's defense. This causes Boscha to subject Luz to borderline horrific target practice.

Amity takes part in the game but ends up getting injured by Boscha who informs her that she had just ruined her social life to which she retorts that she believed that she made hers better. Unfortunately, Boscha's team won the game despite Luz and her friends' efforts because she caught the Rusty Smidge, thus also invalidating the entire game.

However, because of how well she played, Willow earns the respect of Boscha's team and is offered a spot but Willow declines it knowing that it would provoke Boscha's wrath. Despite losing her friends, she still isn't shown to be punished at the end.

It is unknown what happened to Boscha after the Day of Unity.

---

And when they were done, we were shocked.

Me: So, we got a witch version of Chandler to deal with, minus the homicidal tendencies.

Lincoln: But, she's still as bad as ever. However, she could be a good Masters of Evil candidate.

Nico: Good idea, Lincoln. But, someone needs to bring her down a huge number of pegs before we send her straight to The Masters of Evil.

Felicia Wittebane: And that's going to be me, I've had quite enough of that egotistical witch.

Luz: Me too.

?: I will have my revenge on you and your friends for humiliating me, Amity!

Amity: Looks like the fun's about to begin.

Amity fired a blast of energy and forced out a figure, it was Boscha, the egotistical witch and former friend of Amity.

She was a witch that had pink skin and 3 Eyes.

Felicia Wittebane: I should've known you'd show your face again, Boscha.

Boscha: You can forget about going after Emperor Belos, because I'm going to kill you all and have my revenge!

Me: Sorry to rain on your parade on that but Belos is dead and you're looking at his killer. ME!

Felicia Wittebane: That's right.

Lincoln: And there's the homicidal tendency of Chandler.

Nico: And you were the one who called it.

Nico handed Lincoln five bucks.

CHA CHING!

Felicia Wittebane: You're not laying a single hand on anyone, Boscha.

Carol: Also I can't believe I'm about to say this but you remind me so much of me back when I was a jerk! I knew this horrible human being that made me into a Queen Bee girl.

Me: Yeah no kidding!

Laney: She was a total jerk like you!

Boscha: You pigs!

Suddenly, Felicia Wittebane's blue eyes turned neon blue and she was surrounded by a black energy aura with dark magic, palismen, mythological creatures, and dark forces, and as she approached Boscha, she left black energy, dark magic, palismen, mythological creatures, and dark forces with every step.

Felicia Wittebane: We're not going to let you stop us from getting rid of Emperor Belos's malevolent influence from this world once and for all, Boscha, your petty desire for revenge is not worth seeing everyone and everything in The Demon Realm die at the hands of that mad lunatic. But, if you refuse to listen to reason, then you leave me no choice but to beat you down until you do! Also like J.D. said, Belos is dead. He is gone for good.

Suddenly, Felicia Wittebane was surrounded by a massive vortex of black energy with dark forces and dark magic surrounding the vortex, there are palismen and mythological creatures flying around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Felicia Wittebane emerged, but she was changed forever.

We were amazed by Felicia Wittebane's Super Angel Xelnaga Eternity Infinity transformation, but when Boscha saw it, she went mad with rage and got out her Palismen staff to attack her, but Felicia summoned a black raven Palismen Staff and fired a blast of dark magic at Boscha, which hits her but she's not out yet.

PLAYS)

Me: (SINGING DIVINELY AS EARTH AND ROCK SWIRLS AROUND ME)

Every time we have to say goodbye

I'm counting down until we say hello

Every touch is like the strongest drug

I don't know how much longer I can go

I never had something that I can't walk away from

Well, girl, my self control's so paralyzed

When it comes to you, no, I ain't got no patience

There's something 'bout you, girl, I just can't fight

You're like that cigarette

That shot of hundred proof

No matter how much I get

I'm always craving

That feeling when we kiss

The way your body moves

No matter how much I get

I'm always craving you

Craving you

All the in between is killing me

You know I come unglued from missing you

Sunset eyes, no, I don't have to try

Because you know exactly what to do

I never had something that I can't walk away from (walk away from)

But, girl, my self control's so paralyzed

When it comes to you, no, I ain't got no patience (I ain't got no patience)

Craving you

Craving you, babe

I danced and fired waves of earth and rock and smashed down Another Ultimate Heatblast!

Qin: Oh yeah! Love Thomas Rhett!

Nico: Yeah! He rocks!

Brittney: Time to unleash your worst nightmare! (ACTIVATES FRANKENSTEIN'S RIDEWATCH)

(TRICKED BY LUNA LOUD PLAYS)

Brittney: (IMITATING LUNA LOUD AND SINGING DIVINELY AS AN ILLUSION FORMS OF THE MONTAGE FROM CHAPTER 15)

"When darkness falls on the house of Loud

Around every corner, new terror abounds

You don't want to lose your head! Ha ha ha!"

You can run, but you can't hide

They know that you taste better alive

I don't think that they've been fed

In a long, long time

Every corner, every floor

Watch out, they ain't herbivores

Ghastly ghouls out for blood

Sorry, bud

You got tricked

You got tricked

You got punked and pranked with a spooky twist

Before you wet your pants, better get out quick

Tricked, tricked, tricked

You got… tricked

Beware of fangs and bloody fur

A Loud House chainsaw massacre

There's no chance that you'll get out

Ghosts writing your eulogy

Heads are rolling literally

So, who needs their mommy now?

Spilling guts on the floor

Clean up on aisle four

Why you running off so soon?

Sorry dude

You got tricked

You got tricked

You got punked and pranked with a spooky twist

Before you wet your pants, better get out quick

Tricked, tricked, tricked

You got… tricked

[During the montage, the Loud Sisters scare the stinkers with everything they throw at them. Luan brings Mr. Coconuts to life, Lisa and Lily act rabid, Lori acts like she's been feasting on Rita, Lynn turns on her chainsaw, Lola appears like a corpse, Lana acts as her ghost, Leni walks around blindly under her dress with Geo rolling in his ball with the fake head still on, Laney was stirring a monster filled pot and cackled like a real witch,

Varie was in her dark side mermaid form and she terrified the stinkers by snarling and hissing and spraying the stinkers with water that smelled really horrible,

I unveiled my surprise. I had my eyes covered by my hair and I start to change. I become a hideously gruesome and horrific monstrosity loaded with blood, guts, body parts, tentacles and more. I was a fusion of every single horrific monster from the movie THE THING! The monsters were from the 1982 and 2011 movies and the 2002 Video Game. Lightning flashed behind the monstrosity and flames from the Netherworld flickered around it and it scared the stinkers so bad that it made them soil their pants 3 times,

and everything else in the maze terrifies them to the point where the sounds of their screams catches the attention of the other kids on the block and their screams also catch the attention of a nearby police car, and the stinkers run into Lucy who is blocking the exit]

Lucy: "The crimes you have committed this night shan't go unpunished. You reap what you sow."

[She slashes a rope with her scythe, dumping a bucket of fake blood on them, making them scream]

Hank: "Blood!"

Hawk: "I'm gonna puke!"

Hank: "If you're gonna puke, I'm gonna puke!"

A tentacle with a scary flesh flower covered in blood and slime appears in front of their faces and tentacles come out and slap their faces and the stinkers vomited all over the ground.

[As they run out screaming, Lucy gives a small smile of satisfaction]

Hank: [nauseous] "We're not… coming back here… again…"

[He and Hawk run off and a police car drives up and the officers come out]

Luna: [finishing her song] " You got… tricked. "

Officer Stacy: You two are under arrest.

She danced and fired waves of darkness and energgy and smashed Another Ultimate Heatblast down!

Qin: OH YEAH!

Laney: ROCK ON!

Lucy Loud: Wicked!

Camie: That is still is so awesome!

Lana: Yeah it was!

Nico: (takes out Dark Phoenix's Ridewatch) We can turn up the heat

too!

He activated it.

(SAFETY DANCE BY MEN WITHOUT HATS PLAYS)

Nico: (SINGING DIVINELY AS FIRE SWIRLS AROUND HIM)

We can dance if we want to

We can leave your friends behind

'Cause your friends don't dance

And if they don't dance

Well, they're no friends of mine

Say, we can go where we want to

A place where they will never find

And we can act like we come

From out of this world

Leave the real one far behind

And we can dance

Or sing

We can go when we want to

Night is young and so am I

And we can dress real neat

From our hats to our feet

And surprise 'em with the victory cry

Say, we can act if we want to

If we don't, nobody will

And you can act real rude and totally removed

And I can act like an imbecile

And say, we can dance, we can dance

Everything's out of control

We can dance, we can dance

They're doing it from pole to pole

We can dance, we can dance

Everybody look at your hands

We can dance, we can dance

Everybody's taking the chance

Safety dance

Oh well, the safety dance

Ah yes, the safety dance

We can dance if we want to

We've got all your life and mine

As long as we abuse it, never gonna lose it

Everything'll work out right

I say, we can dance if we want to

We can leave your friends behind

Because your friends don't dance

And if they don't dance

Well, they're no friends of mine

I say, we can dance, we can dance

Everything's out of control

We can dance, we can dance

We're doing it from pole to pole

We can dance, we can dance

Everybody look at your hands

We can dance, we can dance

Everybody's taking the chance

Oh well, the safety dance

Ah yes, the safety dance

Oh well, the safety dance

Oh well, the safety dance

Oh yes, the safety dance

Oh, the safety dance, yeah

Well, it's the safety dance

It's the safety dance

Well, it's the safety dance

Well, it's the safety dance

Oh, it's the safety dance

Oh, it's the safety dance

Nico danced and fired waves of fire and smashed her down.

Nico: OH YEAH!

Me: Love that song by Men Without Hats.

Maria: Let's put you out! (ACTIVATES NEW WAVE'S RIDEWATCH) This one is for Luz and Amity.

(KISS FROM A ROSE BY SEAL PLAYS)

Maria: (SINGING DIVINELY AS WATER SWIRLS AROUND HER)

Ba-ya-ya, ba-da-da-da-da-da, ba-ya-ya

Ba-ya-ya, ba-da-da-da-da-da, ba-ya-ya

Ba-ya-ya, ba-da-da-da-da-da, ba-ya-ya

Ba-ya-ya, ba-da-da-da-da-da, ba-ya-ya

There used to be a greying tower alone on the sea

And you became the light on the dark side of me

Love remained a drug that's the high and not the pill

But did you know that when it snows

My eyes become large and

The light that you shine can't be seen?

Baby, I compare you to a kiss from a rose on the grey

Ooh, the more I get of you, stranger it feels, yeah

And now that your rose is in bloom

A light hits the gloom on the grey

Ba-ya-ya, ba-da-da-da-da-da, ba-ya-ya

Ba-ya-ya, ba-da-da-da-da-da, ba-ya-ya

There is so much a man can tell you

So much he can say

You remain my power, my pleasure, my pain, baby

To me, you're like a growing addiction that I can't deny

Won't you tell me, is that healthy, baby?

But did you know that when it snows

My eyes become large and

The light that you shine can't be seen?

Baby, I compare you to a kiss from a rose on the grey

Ooh, the more I get of you, stranger it feels, yeah

Now that your rose is in bloom

A light hits the gloom on the grey

I've been kissed by a rose on the grey

I, I've been kissed by a rose on the grey

I've (And if I should fall, will it all go away?) been kissed by a rose on the grey

I, I've been kissed by a rose on the grey

There is so much a man can tell you

So much he can say

You remain my power, my pleasure, my pain

To me you're like a growing addiction that I can't deny, yeah

Won't you tell me, is that healthy, baby?

But did you know that when it snows

My eyes become large and

The light that you shine can't be seen?

Baby, I compare you to a kiss from a rose on the grey

Ooh, the more I get of you, the stranger it feels, yeah

Now that your rose is in bloom

A light hits the gloom on the grey

Yes, I compare you to a kiss from a rose on the grey

Ooh, the more I get of you, the stranger it feels, yeah

And now that your rose is in bloom

A light hits the gloom on the grey

Ba-ya-ya, ba-da-da-da-da-da, ba-ya-ya

Now that your rose is in bloom

A light hits the gloom on the grey

Luz, Maria and Amity danced and they fired waves of magic and water and they smashed down Another Ultimate Heatblast!

Nico: That was great girls!

Qin: YEAH!

Lily: Love Seal! Awesome!

Takanuva: My turn! Now you see me, now you don't. (Activate's Kyd Wykkyd's Ridewatch)

(ONE NIGHT IN BANGKOK BY MURRAY HEAD PLAYS)

Takanuva: (Singing Divinely as lightning and fire and light swirls around him)

Bangkok, Oriental setting

And the city don't know that the city is getting

The creme de la creme of the chess world

In a show with everything but Yul Brynner

Time flies doesn't seem a minute

Since the Tirolean spa had the chess boys in it

All change don't you know that when you

Play at this level there's no ordinary venue

It's Iceland or the Philippines or Hastings or

Or this place!

One night in Bangkok and the world's your oyster

The bars are temples but the pearls ain't free

You'll find a god in every golden cloister

And if you're lucky then the god's a she

I can feel an angel sliding up to me

One town's very like another

When your head's down over your pieces, brother

It's a drag, it's a bore, it's really such a pity

To be looking at the board, not looking at the city

Whaddya mean?

Ya seen one crowded, polluted, stinking town

Tea, girls, warm, sweet

Some are set up in the Somerset Maugham suite

Get thai'd, you're talking to a tourist

Whose every move's among the purest

I get my kicks above the waistline, sunshine

One night in Bangkok makes a hard man humble

Not much between despair and ecstasy

One night in Bangkok and the tough guys tumble

Can't be too careful with your company

I can feel the devil walking next to me

Siam's gonna be the witness

To the ultimate test of cerebral fitness

This grips me more than would a

Muddy old river or reclining Buddha

And thank God I'm only watching the game controlling it

I don't see you guys rating

The kind of mate I'm contemplating

I'd let you watch, I would invite you

But the queens we use would not excite you

So you better go back to your bars, your temples

Your massage parlours

One night in Bangkok and the world's your oyster

The bars are temples but the pearls ain't free

You'll find a god in every golden cloister

A little flesh, a little history

I can feel an angel sliding up to me

One night in Bangkok makes a hard man humble

Not much between despair and ecstasy

One night in Bangkok and the tough guys tumble

Can't be too careful with your company

I can feel the devil walking next to me

He danced and fired waves of light, fire and lightning and smashed her down.

Qin: OH YEAH! Love that song!

Me: Me too! The 80's Rocked! Now here's one of my favorites. (ACTIVATES MAN RAY'S RIDEWATCH)

(NEVER LET ME DOWN AGAIN BY DEPECHE MODE PLAYS)

Me: (SINGING DIVINELY AS WATER SWIRLS AROUND ME)

I'm taking a ride with my best friend

I hope he never lets me down again

He knows where he's taking me

Taking me where I want to be

I'm taking a ride with my best friend

We're flying high

We're watching the world pass us by

Never want to come down

Never want to put my feet back down on the ground

I'm taking a ride with my best friend

I hope he never lets me down again

Promises me I'm safe as houses

As long as I remember who's wearing the trousers

I hope he never lets me down again

We're flying high

We're watching the world pass us by

Never want to come down

Never want to put my feet back down on the ground

We're flying high

We're watching the world pass us by

Never want to come down

Never want to put my feet back down on the ground

Never let me down

Never let me down

I danced and fired waves of water and smashed her down and steam came off Another Ultimate Heatblast!

Qin: OH YEAH!

Xenia: ROCK ON!

Maria: I hope the next Gene slammer is near!

?: Someone call!?

Then out came NUMBER 83: GALAXY QUEEN!

Me: WHOA! Number 83: Galaxy Queen!

Nico: Nelson Andrew loves this one.

Number 83: Galaxy Queen: (Kosovo Accent) Good thing I have a fan.

Nico: Haliya Yastrzhembsky? Whoa!

She reverted back and Haliya was a girl that had purple hair, a purple necklace, purple angel wings and a purple dress and a starblade sword and she had the number 83 emblazoned in the middle of her forehead.

Haliya Yastrzhembsky: Great to see you again Nico. I got this.

She fired a star blast and it hit Another Ultimate Heatblast and she reverted back and I caught the ridewatch and purified it.

Me: Ruby Salazar will definitely be getting this one.

I went over to Bianca and she was a girl with blue hair and had a blue bikini and blue swim skirt and she had blue sandals on and I picked her up.

Bianca Karringtonia: (GROANS) What a terrible headache.

Me: But you're back to normal.

Bianca Karringtonia: Those songs you all sang were awesome.

Me: We had lots of practice.

Felicia Wittebane went after Boscha, and she fired powerful blasts of midnight black energy, dark magic, palismen, elemental forces, and mythological animals at Boscha, and they exploded with incredible power as they hit her, and Felicia Wittebane attacked Boscha with her new Mage's Staff and also blasted her. Then, Felicia Wittebane fired a black energy blast which bound Boscha in a black energy straitjacket which neutralized her magic and sent her to The Masters of Evil's HQ. Felicia powered down, and her new body, clothes, weapons, jewelry, and massive midnight black angel wings are permanent.

She came back.

Felicia Wittebane: That was awesome!

Me: Yeah it sure was!

Nico: Awesome!

Haliya Yastrzhembsky: It sure was.

Me: Awesome to meet you Haliya.

Haliya Yastrzhembsky: Same to you J.D.

Qin: Haliya!

Haliya Yastrzhembsky: Qin!

They hugged.

Qin: Awesome to see you sister.

Haliya Yastrzhembsky: Same here sister.

Takanuva: What's your favorite memory of Nico?

Haliya Yastrzhembsky: I have a lot of them but my favorites are from when me and Nico did reports on my home country Kosovo.

Me: We haven't met any gene-slammers from Kosovo before.

Haliya Yastrzhembsky: I can tell. We did a bunch of reports on how it went from Yugoslavia to Kosovo and we got A+'s on them all.

Me: Wow!

Qin: Those were awesome. Yugoslavia went through a horrible war back over 23 years ago.

Me: Yeah and also Yugoslavia doesn't even exist anymore. Kosovo is still a brand new country in a way.

Haliya Yastrzhembsky: It sure is.

Nico: Yep.

Nico and Haliya hugged.

Nico: I've really missed you Haliya.

Haliya Yastrzhembsky: Me too Nico. Me too.

Felicia Wittebane: This was awesome though. So what did you guys think of Hexside?

Me: Really awesome school Felicia.

Luz: It sure is good to see this place again.

Amity: It sure is.

Nico: Let's go home. It's time for Cornelia's second mission anyway.

Me: But this was awesome though.

Bianca Karringtonia: It sure was.

Me: But we start Cornelia's missions after Lincoln's rescue.

Nico: Right I forgot about that.

We went back home.

---

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, The Dynasty Warriors, The Samurai Warriors, TLPS Ms. Tarantula, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, Timmy Turner, Cosmo, Wanda, Poof, Trixie Tang, and Sora (Kingdom Hearts) are heading to Hunedoara Castle in Transylvania, Romania, one of the largest castles in Europe and one of The Seven Wonders of Romania, and not only is Lincoln going to rescue the two girls here, but we're going to exorcise the castle of the dark spirits and strigoi that've haunted Hunedoara Castle for centuries and help the trapped spirits rest in peace.

Lincoln: Whoa, we're here in Hunedoara Castle in Transylvania, Romania, and I know what we're going to do here, not only am I rescue the two girls here, but we're going to exorcise the castle of the dark spirits and strigoi that've haunted Hunedoara Castle for centuries and help the trapped spirits rest in peace.

Adriana Ardelean Dracula: (Romanian Accent) Of all the places in Transylvania, Hunedoara Castle is a place that I've never wanted to head to, because of its dark history.

Nico: But, there's another connection to this place, right Adriana?

Adriana Ardelean Dracula: (Romanian Accent) Yes, you're right, Nico, Hunedoara Castle has a deep connection with my ancestor, Vlad Dracula, because he was imprisoned by John Hunyadi, Hungary's military leader and regent during the King's minority. Later, Vlad entered into a political alliance with John Hunyadi, although Hunyadi was responsible for the execution of his father, Vlad Dracul.

Lincoln: And the ties with your ancestor are still here in Hunedoara Castle, Adriana, along with other dark secrets here in the castle, but like before, we're going to exorcise the castle and free the spirits trapped here, and thanks for joining us, Sora.

Sora (Kingdom Hearts): You're welcome, Lincoln. So, what's the history behind this castle?

Adriana Ardelean Dracula: (Romanian Accent) I'm afraid this castle isn't as beautiful as they say it is: despite that Hunedoara Castle is known as one of the largest castles in Europe and one of The Seven Wonders of Romania, Hunedoara Castle harbors a very dark side, because throughout its long history, Hunedoara Castle has seen centuries of torture, bloodshed, and murder. Many exorcists and psychics were called in to exorcise Hunedoara Castle, but the negative forces here were too powerful, and one manifestation of how strong the negative forces are was the appearance of blood on the walls of the castle, and many believe it's the blood of the thousands of torture victims who met their ends here at Hunedoara Castle, and it's also infested with the strigoi.

Me: Strigoi?

Lincoln: The Romanian word for the restless spirits of the dead, the Romanian people believed in the strigoi, and these spirits can take on the form of vampires and werewolves, and the stories about the strigoi are all too real.

Nico: Whoa, now that's really dark and scary.

We then arrived at Hunedoara Castle, and we felt all the dark spirits here, along with the cries of the trapped good spirits crying for help and Lincoln's ghost sense went off. Suddenly, our rainbow energy auras had flared up as we were sucking in all of the negative energy and we were gaining a massive power and energy boost and we were getting stronger and stronger and stronger still.

Lincoln: Whoa, this is a really heavy presence here, I can feel it, and all of the dark spirits and strigoi aren't going to leave Hunedoara Castle that easily, but we sucked in and absorbed all of the negative energy that's festered in Hunedoara Castle for over 500 years.

Morgana DeRose: And it's made the dark forces of Hunedoara Castle even angrier than ever, but it's weakened them, and now, it's time to use our exorcism method.

We went outside and Lincoln took to the air, and we followed him. Then, he made a massive green magic circle with Celtic knots and Celtic symbols and runes on the ground which then surrounded Hunedoara. But, we also felt the presence of the dark spirits trying to resist, but Lincoln was ready. He took out his Flute of Ogma, and he began to play a beautiful melody, and the dark forces of Poveglia were roaring in anger as they were eventually forced out of Hunedoara Castle and are put into a Celtic knot magic circle to keep them from escaping, and Lincoln's melody continued to calm and soothe the angry spirits, and they were freed from the dark forces, and Hunedoara Castle has been exorcised for good and the magic circles disappeared.

Me: Wow, that was one awesome exorcism.

Laney: And thanks to the exorcism, Hunedoara Castle is now finally calm.

Lucy Loud: And all the trapped good spirits and the tormented spirits have finally been freed, and the suffering they've endured for over 500 years has been lifted.

Adriana Ardelean Dracula: (Romanian Accent) At long last, all the souls of those trapped here can now rest in peace.

Lincoln: That's right, Adriana, but we're not done here yet. I also got word from the warden at ADX Florence that Stern Fern has escaped and she wants revenge.

We gasped.

Nico: That angry, bad-tempered, sadistic fat cow!

Darcy Erebus: So, she's escaped, hasn't she. Well, you know what this means, right, Lincoln?

Lincoln: Yeah, I'm going to do what I promised you, Darcy: end Stern Fern's miserable life and send her butt to The Black Gates for good, and she should be on the attack right… now!

?: HEEEEELLLLLP!

Suddenly, Lincoln heard the sound of two girls calling for help, along with the familiar sound of sadistic laughing in the air. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the two girls, but they've been cornered by Stern Fern, who's now gone completely crazy, and she's going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the two girls, but they've been cornered by Stern Fern, who's now gone completely crazy, and she's going to kill them.

?: (Girl's voice) Why, that bad tempered fat cow!

?: (Girl's voice) Let's get her!

Suddenly, we saw Halion the Timelord and Mobius the Frost Monarch appear before us.

Nico: Whoa, that's Halion the Timelord and Mobius the Frost Monarch, awesome.

Lincoln: And I'd recognize those two voices from anywhere, I knew it was you, Valentine Emperyous and Reina Mobius, but we'll talk later, time to rip Stern Fern to shreds for what she's done.

We rushed on over, and right before Stern Fern could claim her next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Stern Fern, and that allows the two girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Stern Fern, and when the fat cow saw us, she roared in insane anger.

Stern Fern: YOU! YOU! I'LL KILL EVERY LAST ONE OF YOU FOR HUMILIATING ME! YOU WILL ALL DIE!

Lincoln: I should've known you'd still be pissed at us for what we did to you, but you brought this all on yourself, Fern. But, now it's time we got rid of you, and I'm going to make you pay for what you did in murdering Darcy's parents and for breaking Lynn's hockey equipment and legs, you bad-tempered cow!

This made Stern Fern even more angry as she roared and charged at us like a rampaging bull, but Darcy Erebus slashed Stern Fern's eyes out with her scythe and she screamed in agony, and then, Lincoln did as he promised: he slashed open Stern Fern's stomach and her guts spilled out, and he grabbed Stern Fern's head and ripped it clean off her shoulders and mounted it on a stake. We cheered wildly as we holster our weapons and powered down.

Then, Stern Fern's spirit appeared and she was still pissed off.

Stern Fern: I don't even care that I'm dead, I won't stop until I kill every last one of you!

Lincoln: No, this is the end for you, Stern Fern.

Lincoln chained Stern Fern with spirit chains and he drew the Judgement Kanji on her forehead, and she was then erased by The Black Gates for her crimes. Darcy Erebus ran up to Lincoln and she then cried hard onto his bare chest and she had her hands on his pecs, while he hugged her. She stayed like this for a while until she'd finally stopped crying, and Lincoln leaned down and kissed her on the lips and she also returned it.

Lincoln: That's another haunted location exorcised and we're finally rid of Stern Fern for good. (To Valentine Emperyous and Leina Mobius) And it's good to see you again, Valentine Emperyous and Leina Mobius.

Valentine Emperyous reverted back to normal, and she was a beautiful girl with long flowing black hair, yellow eyes, she was tall at 6'5" in height, she had the body of a goddess, she has the symbol of Earth on her forehead and massive and beautiful yellow angel wings with stars in them, and she was dressed in a sleeveless yellow midriff top, long yellow skirt with the Sephiroth Tree of Life on it, yellow pants, yellow legwarmers, yellow knee-high high-heeled boots, and long white sleeveless trenchcoat with earth and angels on the coattails and Halion the Timelord on the back and holstered on her back is a large Halion the Timelord-themed greatsword with Halion the Timelord etched on the 7'0" massive, wide, double-edged yellow blade, large yellow angel wings for the crossguard, large yellow gem embedded in the rainguard, longer midnight black handle, four large yellow angel wings and a large yellow gem below the angel wings for the pommel.

And Leina Mobius reverted back to normal, and she was a beautiful girl with long flowing ice blue hair, ice blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has the Ice Kanji on her forehead and massive and beautiful ice blue angel wings and she reigned in the power of Mobius the Frost Monarch, and she was dressed in a sleeveless open dark blue blouse, sleeveless dark blue dress top, long marine blue skirt, navy blue bellbottom pants, marine blue heeled sneakers, and long white sleeveless trenchcoat with snowflakes, ice crystals, and angels on the coattails and Mobius the Frost Monarch on the back, and holstered on her back is a large Mobius the Frost Monarch-themed greatsword with Mobius the Frost Monarch etched on the 7'0" massive, wide, double-edged marine blue blade, large marine blue angel wings for the crossguard, large marine blue blue gem embedded in the rainguard, longer midnight black handle, four large marine blue angel wings and a large marine blue gem on the bottom of the angel wings for the pommel.

Valentine Emperyous: You too, Lincoln, it's been a long time, and it's good to see you, Selene, Zaina, Vorya, Sandra, Sadie, Rachel, Michelle, Melanie, Laney, and Camie.

Leina Mobius: Same with you, Charlene, Varie, Alina, Raven, Luna, Dawn, Darcy, Gina, and Nika as well, Hilary.

Hilary Thestalos: You too, Leina.

Selene Emperyous: Same here, Valentine.

Lincoln went up to Valentine Emperyous and Leina Mobius and he hugged them both and they hugged him back, and Valentine Emperyous and Leina Mobius were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Valentine Emperyous: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new.

Leina Mobius: Yeah, you can land an airplane on that more wider and more muscular back, squash a melon with those quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Linc, you know these two girls?

Lincoln: Indeed I do, Nico, the first girl is Valentine Emperyous, she's my Guardian Angel from Michigan and the fifth youngest child and the second of the two Earth Masters of the Emperyous Sisters, she's a master of the Earth and she has an awesome love for fashion and jewels. She and I helped Leni make awesome dresses and she even used her magic to make the dresses indestructible.

Nico: Whoa, now that's really awesome!

Selene Emperyous: You got that right.

Lisa Loud: Her love for fashion and jewels is just like Rarity's, and what she did in using her magic to make the dresses indestructible was really amazing. But, she also incredible hatred for Lola and she wants nothing more than to kill her for something horrible she did to me.

We gasped.

Lincoln: Yeah, I still remembered what Valentine did to Lola long ago, but, we'll hear that later on, and the rest of you are going to like it. And the second girl is Leina Mobius, she's my Guardian Angel from Michigan and my friend from Science Class, Leina's one of the most powerful ice users of all and she has a deadly touch that can freeze people on contract.

Nico: Whoa, an icy touch of death.

Lincoln: Yep, but, it didn't affect me since I had ice powers thanks to Aurora's blood, and Leina really hates Hawk and Hank with a merciless vengeance and they did something so horrible to me and she nearly killed them. She vowed that if she saw those jerks again that she would finish the job.

Nico: Uh oh, so we got two revelations coming up: one's about Lola and the other is about those two buttfaces, Hawk and Hank.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appear around Valentine Emperyous' neck and Leina Mobius' neck with colored gems on the gold thunderbolt links and colored crystal links from her brand-new Crystal Necklaces of the Buddha which merged with their Elemental Thunderbird Necklaces of Eternal Love, and their new Elemental Thunderbird Chokers of Eternal Love appeared on their necks.

Valentine Emperyous and Leina Mobius: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of harem and my many future wives, Valentine and Leina.

Valentine Emperyous and Leina Mobius had a smile on their faces and tears in their eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around the girls' waists and they wrapped their left and right arms around Lincoln's thick muscular neck, and he leaned down to their faces and kissed them each passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the two girls, and when Lincoln saw them, he recognized them immediately. The two girls are Qiao Ling and Xu Shanshan from Link Click.

Lincoln: Oh wow, it's Qiao Ling and Xu Shanshan from Link Click.

Nicole: Awesome.

Lincoln: Are you girls okay?

Qiao Ling: Yes, we're okay, thanks to you.

Then, when Qiao Ling and Xu Shanshan saw who it was that saved them from Stern Fern, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous

Qiao Ling: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made a clone of himself, and he and the clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Qiao Ling: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, two Thunderbird Necklaces of Eternal Love appeared on the necks of Qiao Ling and Xu Shanshan with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, We returned home to the World Tree Estate, and the rest of the team heard of what we did in exorcising Hunedoara Castle and helped all the spirits who were trapped here cross over to the afterlife, and they were shocked when they found out the villain we went after was Stern Fern, who'd broken out of ADA Florence to get revenge on us again.

But, when Lincoln showed what we did to her and what he and Darcy Erebus personally did to her, along with sending her to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Valentine Emperyous, and Leina Mobius have a lot of catching up to do, now that they're back in town, and now, we were finally rid of Stern Fern forever, and she's never ever coming back.

Maria: I can't believe that stupid, anger-mismanagement, bad tempered fat cow broke out of ADA Florence, which is said to be one of the most secure prisons in Colorado.

Lincoln: Given the fact she likes to get violent when she gets into a fit of rage and that she'd killed Darcy's parents long ago along with breaking Lynn's legs, it's no surprise, but there's no way Stern Fern broke out on her own, unless someone helped her escape.

Morgana DeRose: You think Morana Desdemona had a hand in this?

Lincoln: That's likely the case, remember when Astrid Bathsheba broke Odalia Blight out of prison yesterday?

Nico: (Gasps) Looks like you guys have permanently sent Morana Desdemona straight into insanity and madness.

Me: But, she'll pay for her crimes later on today.

Lincoln: You bet we will, J.D. That black-hearted Satanic Witch will die once and for all, and she's never going to rise from the dead ever again!

---

After we exorcised the dark spirits from Hunedoara Castle and finally got rid of Stern Fern for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Valentine Emperyous and Leina Mobius saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Valentine Emperyous: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Leina Mobius: He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Valentine Emperyous: That's incredible.

Nico: It sure is. So, Valentine, Leina, what are these two horrible revelations you have on Lola and Hawk and Hank?

Valentine Emperyous: Allow me to go first. Lola hit Leni so hard that she gave her a black eye and even knocked out some of her teeth and it really set off Valentine and she mangled her up, and ever since then, I've hated Lola with a vengeance.

We gasped in shock.

Nico: Why, that psychopathic, murderous, evil, insane… !

Lincoln: Yeah, and Valentine and I took Leni to the hospital after we called Mom and Dad, and we also told them everything that Lola did.

Selene Emperyous: After Valentine told us about what happened, we were all really pissed off at what that psychotic pink-wearing she-demon did to Leni, and we wanted to rip her to shreds. But, Valentine really wanted to do more than that, she wanted her head mounted on a pike!

Leina Mobius: I always knew Lola's anger issues were nothing but big trouble not just for the Louds, but for all of Royal Woods. Okay, now it's my turn, the reason I hate Hawk and Hank with a merciless vengeance and wanted to finish the job and kill them is because they,… they… (Voice Breaking) they brutally beat up Lincoln so badly and he was almost close to the point of death!

We gasped in horrifying shock, except for me and the Louds, and Lincoln put up the 9,500-lb barbell and he went up to Leina Mobius and hugged her, while she hugged him and cried onto his bare chest.

Nico: (Gasps) Why, those big, fat, ugly, sons of… !

Lincoln: I know, and that's why they're never ever getting out of prison again, and after Leina sent them running, she let me feed on her blood as well, and I recovered. But, we still told everyone of what Hawk and Hank did, and we wanted to press charges, but they hid themselves well.

Me: Yeah, and no one would ever go after them, because of how vicious they really are.

We got a shower afterwards, and then, Clyde and his harem were heading to Blooper Beach.

Clyde snapped his fingers, and the 17-year-old 7'5" and extremely muscular man was dressed in large dark blue swim shorts with a clock and phoenix on it and silver flames coming off the swim shorts, dark blue sandals, his jewelry, and he had his weapons holstered in case of trouble, and his harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Syd Chang: Wow, so this is Blooper Beach, so awesome!

Clyde: Yep, and it's perfect for our date. Plus, Lincoln and his harem have been here before on their date. Shall we?

Clyde and his harem dived right into the waters and they also saw the marine life there. They also had a swimming race, and they also had a lot of fun, and they had a game of volleyball and the girls in Lincoln's harem got a massive and extreme deep atomic red blush when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Clyde made clones of himself, and he and the clones went up to the girls in his harem, and he wrapped the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Clyde and his clones, and they placed their right hands on the massive wide and muscular left pecs of Clyde and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes.

Nico: Hey, Clyde, how was your date?

Clyde: It was awesome, Nico, we went to Blooper Beach.

Me: Wow, you guys sure had a blast.

Clyde: We sure did.

Lincoln: We've been there before on one of our dates, and was it everything I told you, buddy?

Clyde: You guessed it.

Nico: And we can tell you guys had a ton of fun there. Oh, Cornelia, today's your second Ambassador mission.

Cornelia: Awesome.

Rayman: And as you know, I'm also coming. Not only to help keep the Rabbids under control, but I also can't wait to kick some Sporix butt.

Me: Nice.

Nico: That's right, those Sporix are going to be in even more big trouble when they see The Guardian of the Glade of Dreams here.

* * *

Later we were getting ready for Cornelia's second mission.

Me: I'm really excited for this one.

William: Anyone else want to go with Cornelia? Besides Jason and 4 Rabbids?

Twilight Sparkle: Me and my friends all will go.

Sunset Shimmer: We're really excited for this one.

Nico: I am too.

Me: I have a feeling we'll face the Void Knight in this one.

Cornelia: Same here.

Qin: Yeah.

Nico: Lets head out.

We were off to Pine Ridge.

* * *

PINE RIDGE, WASHINGTON

* * *

We arrived.

Me: Here we are guys. Welcome to Pine Ridge, Washington.

Twilight Sparkle: Wow and it's in Washington State this time.

Me: Yep.

Eli: It's an awesome place.

We saw the Dino Fury Rangers:

Zayto: Hey guys!

Me: Hey Zayto. Hey guys.

Amelia Jones: What's up guys?

Cornelia: Guys, meet the Red Mighty Morphin Ranger, Jason Lee Scott.

Jason Lee Scott: Sorry we weren't properly introduced the last time. Jason Lee Scott the first Red Ranger for the Mighty Morphin Power Rangers.

Zayto: Awesome to meet a legend.

Amelia Jones: It's an honor.

Izzy: Same here.

Me: Jason is the red ranger that started it all for America. For over 29 years he has been an awesome legend for the legacy of the Power Rangers.

Ollie: That is cool.

Me: And meet Twilight Sparkle and her friends.

Twilight Sparkle: It's an honor to meet you all.

They introduced themselves.

Izzy: It's an honor to meet you all.

Moondancer: Same here.

Me: Moondancer starts her Ambassador Missions later next month. She gets ready to take down some ghosts.

Moondancer: It's true.

Solon then came out.

Solon: The famous Team Loud Phoenix Storm. Welcome.

Cornelia: It's an honor to meet you, Solon.

Me: Same here. It's an honor.

Solon: It's an honor to meet you all too. I love all your adventures. And J.D. it's great that you got Cornelia prepared for these missions against some of the Sporix and thank you for looking out for Zayto.

Me: It was our pleasure Solon. You really have been a huge help for the Dino Fury Rangers.

Zayto: She sure has.

Tarrick came out.

Cornelia: Tarrick. How are you?

Tarrick: Good Cornelia. It's awesome to see you again.

Cornelia: Same here to you.

Me: How are you liking being in our frenemies in the Masters of Evil?

Tarrick: It's a good deal and the pay is good.

Me: Awesome.

Nico: Yeah.

Tarrick: And Zayto it's awesome you're back. We all thought you were dead.

Zayto: I would have been if it weren't for the Morphin Masters.

Jason: Listen, I'm sorry about everything you and your family went through. (Tarrick laughs hysterically) Something funny?

Tarrick: (laughs sarcastically) Well, where do I begin?! It all started 20 year agos when we were on a scavenging mission for the Rafkonian descendants. But then, we were locked up the fucking governemnt in area 62. And appropriately 62 years later, a failed experiment happened and we were able to escape. I ended up giving Amelia to Ed Jones before that goddamn explosion knocked Santara into a coma! And after that, I forced myself to command an army of Sporix and become an asshole just so they wouldn't think I was weak. And I managed to get command of the Hengemen!

Javi: And so many months of fighting the Sporix, we thought Tarrick was destroyed.

Tarrick: But I didn't! I got better! And eventually, I got Santara out of her coma thanks to the Sporix Energy. But it gets better! The Sporix Energy poisoned her mind to wanting revenge on the humans! So not only did she end up turning into fucking Void Queen but she also destroyed my spaceship before I could make any escape plans. So, after laying low for a while, I manged to give Zayto the Dino Knight Morpher.

Zayto: Which enable me to access my Battilizer.

Tarrick: Thank you! Anyway, that's when Void Queen caught me and turned me into fucking Void King! I was stuck like that for god knows how long! But I was able to break free! But shortly after that, Zayto had to fucking sacrifice himself to save my wife! Oh, and did I mention, LORD FUCKING ZEDD IS ON THE LOOSE?!

He panted hard.

Cornelia: Feel better?

Tarrick: (pants) Yes. Just had to get that out of my system.

Me: We saw it all unfold on TV and it was EPIC. But you went through absolute hell Tarrick. Your situation was very similar to Mr. Freeze and his wife Nora.

Nico: Yeah that was crazy.

Cornelia: But it wasn't all bad though. Amelia still reunited with you and Santara after so long.

Me: Yeah. And Zayto is back with you guys and the team can fight Sporix again.

Eli: Even though the Sporix are now in the M.O.E. they still put up a really awesome fight.

Twilight Sparkle: They sure do.

Tarrick: That's true.

Tarrick: (sighs) Can I have a glass of water? All of that ranting made me thirsty.

Me: Certainly.

I gave him some in a glass.

Tarrick: Thanks.

Me: But yes we know that Lord Zedd is back and after 24 years too. We all thought we were rid of him forever after Andros helped Zordon sacrifice himself too.

Fluttershy: Yes that was crazy.

Nico: Yeah no kidding.

Jason Lee Scott: Me and my team have had many problems with Lord Zedd.

Me: It's true. Jason and the Mighty Morphin Rangers dealt with him constantly over the years. And he can give you guys some pointers on how to defeat him.

Zayto: We would like that.

Tarrick: It would be very helpful.

Me: Awesome.

Amelia: Mom's actually pregnant with another baby. But she'll meet you guys on the third mission.

Me: We saw and we're really happy for her Amelia.

Nico: Yeah we can't wait to meet your new brother or sister.

Eli: Yeah.

Cornelia: It's gonna be really awesome too.

Twilight Sparkle: It sure is.

Solon: Cornelia, how would you like to be a Yellow Dino Fury Ranger?

Cornelia: I would be honored!

Me: Awesome! They don't have a yellow one this time. What a ripoff. Usually all the ranger teams have a yellow ranger.

Nico: I know. Over the last 46+ Years there have always been a yellow ranger.

Eli: But Ryusoulger, Kyoryuger, Dino Charge and Dino Fury don't have Yellow Rangers.

Me: Yeah no kidding. But Cornelia being a Yellow Ranger will fill that void.

Solon: It sure will.

She was given her own Dino Fury Key and Morpher.

Me: What dinosaur will she represent?

Solon: Brachiosaurus.

Me: Awesome! 155 million years of power.

Jason: I think you guys might want to see this.

We saw on the monitors Tombtress flipping over cars.

Javi: First Boomtower and now, Tombtress?!

Me: I remember Tombtress! She was the Mummy Sporix! And she is also Hunter Bradley the Crimson Ninja Storm Ranger's archenemy.

Nico: Yeah!

Eli: That was a creepy one.

Me: It sure was. Ready to test your new ranger form Cornelia?

Cornelia: You bet I am.

Me: Lets Roll!

Tarrick: You guys go. I have to check up on Santara.

Nico: Okay.

We were off.

Tombtress was running amok and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and fireballs rained down and smashed down Tombtress and a phoenix cry was heard. We came out.

Me: Tombtress. I can't remember the last time that Hunter Bradley fought you.

Tombtress: It has been a while guys and Rangers. Just the team I've been looking for!

Tombtress fired a blue energy beam from the orb in her chest at Javi but he dodged it and Fluttershy got hit instead.

Rainbow Dash: Fluttershy! You okay?!

Fluttershy: (smiles happily) Isn't it a wonderful day to be alive?!

Me: I remember this power! It amplifies an emotion chosen by her.

Eli: That was cool.

Me: Yeah!

Nico: Crazy power!

Me: (GULP) I hate to imagine what would happen if one of us got hit by that power and it amplified our rage.

Tombtress: Did you expect her to be like Fluttercruel? I just thought it was time for a chance of pace!

Me: Well that's a big sigh of relief. Last thing we want is for me to get into a pissing contest with Fluttercruel.

Tombtress: Yeah a foulmouth contest. No one wants that.

Me: And the rangers have a new ranger with them.

Cornelia: Well, there's one thing that's going to stay the same! IT'S MORPHIN TIME! DINO FURY KEY ACTIVATE! LINK TO MORPHIN GRID!

She transformed into DINO FURY YELLOW!

Cornelia: BRACHIO FURY! DINO FURY YELLOW! (ECHOING)

Tombtress: WOW! That is cool!

Me: Yeah Cornelia is awesome now as a Yellow Ranger! That is amazing Cornelia!

Eli: It sure is! Megan is gonna love hearing about this!

Nico: She sure is!

Dino Fury Rangers: IT'S MORPHIN TIME! DINO KEY ACTIVATE! LINK TO MORPHIN GRID!

They transformed!

Zayto: "T-Rex Fury, Red Ranger!"

Ollie: "Tricera Fury, Blue Ranger!"

Amelia: "Ankylo Fury, Pink Ranger!"

Izzy: "Tiger Fury, Green Ranger!"

Javi: "Stego Fury, Black Ranger!"

Aiyon: "Mosa Fury, Gold Ranger!"

All: "Dino Fury Power!"

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

Me: YEAH!

Jason: It's Morphin Time!

THUNDERCLAP!

Jason: TYRANNOSAURUS!

He was ready!

Tombtress: Wow! The First Power Ranger!

Me: First for America but not Japan.

Tombtress: That does make sense.

Nico: Yep.

Me: IT'S BUTTKICKING TIME! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: YEAH!

Nico: Fluttershy, if we're gonna have the Megazord battle here, you and your animal friends need to make sure the people get somewhere safe.

Fluttershy: Okie dokie Lokie!

Pinkie Pie: HEY! THAT'S MY THING!

We laughed.

Me: (LAUGHS) First time I've ever heard her say that.

Fluttershy: (Laughs) Sorry Pinkie. But it's cute.

Pinkie Pie: It sure is.

Fluttershy: But leave it to me.

She flew and got all the people and animals somewhere safe.

Me: Lincoln is gonna LOVE this side of Fluttershy.

Applejack: She is more happier than a June bug in a porchlight sale.

Me: Yep.

Tombtress: Watch this one then.

She fired a blast of energy and it hit me and then I saw that I was still whole.

Me: What the!? (Pats myself) I'm still whole.

Nico: Uhh not quite! Look!

I saw another version of me but with Aqua Blue Clothes!

Me: What the!? (Rubs Eyes) Who are you?!

Hope me: Isn't it obvious? I'm your hope.

Me: Wow! So you are an Emoticlone of me. Been a long time since I saw this.

Nico: Wow! It sure has been a while.

Me: Yeah!

Hope Me: Don't worry I'll help Fluttershy. All will be well.

Me: Wow! I like this clone of me.

Nico: Me too.

Me: Lets do it!

Hope me went to help Fluttershy.

I fired waves of blue fire and burned Tombtress all over.

Cornelia: Time for a test run!

She fired beams of yellow energy and blasted Tombtress all over.

Me: WHOA!

Cornelia: STINK BOOST!

Me: Uh oh! Plug your noses guys!

We plugged our noses as she activated the Stink Boost.

Cornelia: Stink Out!

She fired a ball of energy and then…

LOUD FART!

Me: OH GOOD GOD! THAT SMELLS HORRIBLE!

Nico: YUCK!

Eli: NO SHIT!

Tombtress: NO KIDDING! THAT STINKS!

I jumped and slashed her all over and burned her bandages.

She jumped and summoned HENGEMEN!

Me: Hengemen.

Tombtress fired a blue energy beam at Cornelia that hit her.

Zayto: You okay, Cornelia?

Cornelia: Do not worry, dear Zayto. I am fine.

Zayto: Um… okay?

Cornelia: Curious. It seems that my powers rerouted the effects of the attack to my brain, increasing my intelligence.

Javi: Um… in English, please?

Amelia: Cornelia's powers made it so that the attack would make her more smart.

Me: Okay OW! That really hurt my head! But Lisa would love this version of Cornelia.

Nico: She sure would.

Me: Lets put it to the test. Cornelia what is the square root of 452,124,235?

Cornelia: 21263.2131862.

My head was sparking.

Eli kicked me in my butt.

Me: (BLUBBERS) Ouch! Wow! That is amazingly smart!

Qin: It sure is.

Twilight Sparkle: Wow! I'm impressed.

Nico: Me too.

I fired waves of blue fire and blasted the Hengemen away.

Cornelia: Now, I can use more efficient ways to get rid of these Hengemen.

Me: Boy Lisa would DEFINITELY love this version of you Cornelia.

Nico: She sure would.

Rarity: Oh I most agree darlings.

Me: You're not going to turn Rarity into a mudlover are you?

Tombtress: No way. Fluttershy is more than enough.

Me: Good. You know how Rarity is when it comes to being filthy.

Rarity: Oh thank you darlings.

Me: You're welcome.

Cornelia: Sprint Key!

She donned the Sprint Boost and zoomed fast.

Me: Rainbow Dash lets get some speed in! (ACTIVATES SPEED DEMON'S RIDEWATCH)

Rainbow Dash: You got it! (ACTIVATES REVERSE FLASH'S RIDEWATCH)

Me, Rainbow Dash and Cornelia ran fast and blasted all the Hengemen into rubble.

Zayto: Wow! Rainbow Dash is fast!

Nico: Super Speed is one of her strongest fortes.

Eli: Yep.

Zayto: Now, for the finishers!

Me: Allow me to start. SPECIAL BEAM CANNON!

I fired an energy blast from my fingers.

Zayto: TYRANNO BITE!

The blast hit Tombtress first and then the bite of the Tyrannosaurus.

Me: Jason I know we don't have the whole team with us but we can improvise! (ACTIVATES THE MUTANT RANGERS RIDEWATCH)

I formed clones of the Mighty Morphin Rangers Power Weapons with the Mutant Rangers Ridewatch!

Jason: Now you're talking! Smart thinking there.

Me: Thanks. Lets bring them together!

We did so!

Me: POWER AXE!

I formed the Cannon!

Me: POWER BOW!

I put it on the cannon.

Me: POWER DAGGERS!

I put them on the cannon.

Me: POWER LANCE!

I put it on the cannon!

Jason: POWER SWORD!

Jason had the sword put on and it was ready!

Me: YEAH!

Nico: And this too!

He activated the Zenkai Cannon!

Nico: Taste 45+ Years of Rangers!

Me: Ready guys?

Nico: Ready!

Me: FIRE!

We fired energy blasts and Nico was blown back by the recoil and the blasts all hit Tombtress and she exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was back to a Sporix Cell!

Nico: YEAH! Tombtress you have failed this city!

Dino Fury Rangers: DINO FURY VICTORY!

Me: Wait guys! We're not done yet!

She then went GIANT!

Me: Uh oh!

Zayto: It's Zord Time!

Solon called.

Solon: I got some good news for you all. Here comes some special help.

We then saw a HUGE YELLOW BRACHIOSAURUS ZORD COME!

Me: WHOA! That is amazing!

Cornelia: Wow! The Brachiosaurus Zord!

Solon: And look what's in it.

It roared and opened up and in it was the Dino Fury Zords!

Me: Whoa! That's like Tommy's Brachiosaurus Carrier Zord in Dino Thunder!

Nico: Awesome!

Eli: That is cool!

Zayto: I'll say! Lets do it guys!

They got into their zords and they combined and formed into an awesome new zord! It was called the DINO FURY OMEGA ULTRAZORD!

Dino Fury Rangers: LINKED!

Zayto: WHOA! This is awesome!

Me: Wow! Guys that is really cool!

Nico: I'll say!

Me: Jason lets give them a hand!

Jason: You read my mind!

Me and Jason: WE NEED DINOSAUR POWER NOW!

Jason summoned the Tyrannosaurus and I summoned SERPENTERA!

We were ready!

Me: Lets rock and roll!

Tombtress: I'm not going down that easily!

Me: We'll see about that!

I fired an energy beam and smashed down Tombtress.

Me: Fluttershy, Hope me, how goes the evacuation?

Fluttershy: It's done.

Hope Me: All is well. The people are safe.

Me: Awesome. Good work.

Jason fired energy blasts and smashed her down.

Me: Good thing I improvised for this too. (ACTIVATES MUTANT RANGERS RIDEWATCH AGAIN) WE NEED DINOSAUR POWER NOW!

Out came the Pterodactyl, Saber-Toothed Tiger, Triceratops and Mastodon Zords!

Nico: AWESOME!

Me: And for the grand finale! DRAGONZORD AND TITANUS!

I summoned the Dragonzord and Titanus!

Jason: Wow! That is amazing!

Nico: Let us help Jason.

Eli, Nico, Twilight Sparkle and Sunset Shimmer helped Jason.

Jason: Power up your crystals!

He inserted his crystal!

Eli, Nico, Twilight Sparkle and Sunset Shimmer: 2..1.. Ready!

The Zords combined and formed into the ULTRAZORD!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind it as it was ready!

Nico: YEAH!

Me: FIRE!

Jason: LOCK ON AND FIRE ALL WEAPONS!

We fired powerful energy blasts and weapons and the blasts all hit her!

Tombtress: NO! This isn't what I signed up for!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She exploded and was back to a Sporix Cell!

Me: NOW she has FAILED THIS CITY!

Dino Fury Rangers: DINO FURY VICTORY!

Me: YEAH!

Eli got the egg and put it in a pod!

Unknown to us, Slyther was watching from afar.

Slyther: They are stronger than ever now. Wow. You are putting up a good fight than ever.

He left.

Me: That was awesome guys!

Nico: It sure was! Smart thinking using the Mutant Rangers ridewatch to summon the rest of the zords for us.

Me: Thanks. That was cool.

Fluttershy: Oh I am so happy that all the animals are safe.

Hope Me: Me too. All is well.

Me: Sorry you guys have to go.

Hope Me: Don't worry. I'll still be with you. All will be well.

He then turned into a ball of energy and went back inside me.

Me: Wow! That was cool.

---

We later came back.

Lincoln: Hey Fluttershy. What are you so happy about?

Me: We have quite a story to tell you.

We told them everything and it was cool and awesome.

Lincoln: WHOA! So Tombtress made a Hope Clone of you J.D.?

Me: Yep.

Hunter Bradley: Wow! That is amazing!

Me: Yeah it sure was and she made Fluttershy the happiest ever and she made Cornelia smart.

Lisa Loud: I must say that is a very impressive feat for all 3 of you.

Lincoln: It sure is. I like this version of Fluttershy a lot.

Nico: We do too.

May: Next time, Dr. Nick should come with you next.

Nico: Good idea.

Cornelia: A most well deduced choice there.

Nicole: Dr. Nick will love that and they will love meeting Godzilla. I hope he destroys Eras.

Qin: That would be awesome.

---

Later we were watching TV.

Muriel was rocking with Courage on her lap.

Eustace was reading the paper.

Eustace: Stupid Dog! (Gets out his scary ugly mask) OOOGA BOOGA BOOGA!

Courage: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHH!

Eustace laughed at Courage.

Then..

BONK!

Muriel and Francesca hit Eustace on the head with a rolling pin.

Eustace: OW! WHAT DID I DO!?

We laughed.

Cornelia and Fluttershy gasped.

Grumblemon: What's wrong?

Cornelia: I think the effects of Tombtress' attack wore off.

Me: About time. But mine is permanent because I have an Emoticlone.

My Blue Lantern Ring showed a hologram of my Emoticlone of Hope.

Hope Me: That's right. That was awesome helping you all out during that mission.

Me: It sure was. We'll probably see more of you later on.

Hope Me: You sure will. All will be well.

Amity Blight: Felicia, how about telling everyone more about how you changed my life?

Felicia Wittebane: Certainly. One time during the Grom, that's Hexside's version of the Prom, I helped Luz and Amity put on the best dance ever and made them both Grom Queens.

Me: That's awesome and amazing.

Lori: Wow! Prom Queens at so young. That is literally amazing.

Carol: It sure is. And I think they both are so adorable as queens.

Luz: Thanks Carol.

Amity: It was fun.

Carrie White: Thank goodness it didn't end up like what happened in my prom.

Me: I think that's the last thing anyone would want.

Camie: What happened?

Me: Lets just say that it turned into a nightmare from hell.

I went over what happened during the events of chapter 156 and it was horrible.

Camie: (GASP) That's awful!

Tsuyu: Oh man! That is horrible!

Carrie White: It was.

Nico: Yeah.

Qin: That was a nightmare. But at least Amity and Luz had a great time.

Felicia Wittebane: They sure did.

Dreadwind: Tell us another!

Felicia Wittebane: Another time was when Amity dyed her hair purple.

Amity: My hair used to be green.

Fu: Wow. I have green hair and you would look awesome either way.

Amity: My so-called mom liked it green.

Me: Well either way Luz loves your hair a different color.

Luz: And purple looks much better on you.

Amity: (Blushes) Thanks Luz.

Luz: You're welcome Sweet Potato.

They both kissed.

All of us: Awww.

Emira Blight: Oh my sister is so adorable.

Ed Blight: So awesome.

Rollbar: Are there any more?

Felicia Wittebane: That's about all I got.

Qin: That's okay.

Felicia Wittebane: But it was awesome sharing my past with you all.

Nico: It sure was cool.

Me: I know you wanted to get some shots in on Emperor Belos. But to make up for it, we'll have Nico's next rescue be in the Simulator for facing him.

Nico: Good idea.

Felicia Wittebane: I would like that.

Nico: Also, Spiderman's team will consist of Carmen, Cyclops, Wolverine, Rogue, and Storm. Tara's group will be made up of Chiro, Lion-O, Tygra, Panthro, and Cheetara.

Terrence: About time the X Men get in some action!

Me: Yeah and the Thundercats too.

Qin: Yeah!

Laney: That is gonna be awesome.

Storm: It will be awesome to get in some action.

Nico: Yeah now it's time for our next mission and you guys will love this one. We're going to meet Coraline Jones from the movie Coraline.

Qin: Oh wow! I love Coraline!

Camie: That's a good one!

Lana: Awesome!

Luz: That's a great movie

Laney: It sure is.

Then Zavok, Red Ghost, Abomination, LaGrange, Stonedozer, Firebrand, Touch & Go, Whiger, Griffin, Chillyfish, Kuroto Dan, Cheese Monster, Evil Drill Man, Secret Snake Club, Stinkor, Reverse Flash, Space Kook, Pericles, Ozzie Ostrich, and Roman Torchwick appeared.

Zavok: Can me, Red Ghost, Abomination, LaGrange, Stonedozer, Firebrand, Touch & Go, Whiger, Griffin, and Chillyfish go with you guys?

Kuroto Dan: Me, Cheese Monster, Evil Drill Man, Secret Snake Club, Stinkor, Reverse Flash, Space Kook, Pericles, Ozzie Ostrich, and Roman Torchwick will come along too.

Nico: You all sure can come with. We're going to meet Coraline Jones.

Kuroto Dan: Oh wow! I love Coraline!

Viper: She is cool!

Qin: She sure is.

Nico: First we're going to watch the movie and then we'll get ready.

We then got to watching the movie and it was cool.

---

In the summer of 2007, Coraline Jones struggles to adapt to her new life after she and her workaholic parents move from Pontiac, Michigan, to the Pink Palace Apartments in Ashland, Oregon. She meets the landlady's grandson, Wyborne "Wybie" Lovat, and a stray black cat. Later, Wybie retrieves a button-eyed ragdoll that eerily resembles Coraline from his grandmother's trunk and gives it to her. The doll guides Coraline to a small door in the apartment's living room that has a bricked up wall behind it.

That night, a mouse wakes Coraline up and guides her to the door, which is now a portal leading to a parallel universe that resembles the real world. Coraline then meets her Other Mother and Father, button-eyed doppelgängers of her parents who appear more attentive and caring. She returns home the next morning, where Wybie recounts the disappearance of his great aunt. Coraline's neighbors, Sergei Alexander Bobinsky, an eccentric Chernobyl liquidator-turned-gymnast who owns a mouse circus, and retired burlesque actresses April Spink and Miriam Forcible, cryptically warn her about imminent danger.

Despite the warnings, Coraline visits the Other World twice more. There, she, accompanied by the mute Other Wybie, is entertained by the dimension's doppelgängers of her neighbors and meets the cat, who has the abilities to traverse between the real world and the Other World and speak in the latter. On the third visit, the Other Mother offers Coraline the opportunity to stay in the Other World permanently, in exchange for having buttons sewn over her eyes. Horrified, Coraline tries to escape back to her world, but the Other Mother prevents her from doing so and imprisons her in a room behind a mirror. There, she meets the ghosts of the Other Mother's victims, one of them being Wybie's great aunt, who all call her the Beldam. They recount how the Beldam used the ragdoll, each time designed after the victim in question, to spy on them and lure them into the Other World. After they accepted the Beldam's offer of having buttons sewn over their eyes, she robbed them of their souls. The ghosts tell Coraline that the only way they can be freed is by retrieving the essences of the souls, which the Beldam has hidden throughout the Other World. After Coraline promises to do so, she is rescued by the Other Wybie, who helps her return home.

Upon her return, Coraline discovers that the Beldam has kidnapped her parents, forcing her to return to the Other World. Accompanied by the cat, Coraline proposes a game to the Beldam: if she can find her parents and the essences of her past victims' souls, they will all go free; if not, she will finally accept the Beldam's offer. The Beldam agrees and Coraline searches for the souls' essences, during which she discovers that the Beldam murdered the Other Wybie for his defiance. As she finds each of the soul's essences, parts of the Other World turn lifeless, leading to the entire dimension, except for the living room, eventually disintegrating.

Coraline then encounters the Beldam in her true arachnid-like form. Wybie's great aunt ghost tells Coraline that the Beldam will not honor their bargain. Using this advice, Coraline tricks the Beldam into opening the door to the real world by claiming that her parents are behind it. After Coraline distracts the Beldam by throwing the cat at her, she rescues her parents, who are trapped in a snow globe. Coraline narrowly escapes through the door with the Beldam in pursuit and severs the Beldam's right hand in the process.

Back home, Coraline reunites with her parents, who have forgotten about their capture. That night, the ghosts appear in Coraline's dream and thank her for freeing them, but warn her that the Beldam is still after the key needed to unlock the door. Coraline decides to drop the key down an old well, but the Beldam's severed hand attacks her. Wybie soon arrives and, after a struggle, destroys the hand by dropping a large rock on it. The duo then toss the key and the hand's remnants into the well and seal it. The next day, Coraline and her parents host a party for their neighbors, including Wybie's grandmother, whom Coraline and Wybie prepare to tell about her missing sister's fate.

When the movie was done we were amazed and it was cool!

Me: Man that movie was so awesome!

Nico: Yeah it was!

Qin: Yep. So our target is Beldam the Witch.

Me: Yep. And we're going to make sure that monster pays.

Camie: What does it say about her?

Me: It's not pretty.

I went over her history.

---

The Beldam (also known as The Other Mother when disguised as her victims' mothers) is the main antagonist of Neil Gaiman's 2002 dark fantasy young adult novel Coraline, which was adapted into Laika's 1st full-length animated feature film of the same name.

The Beldam is a powerful and malevolent witch/fey creature and the ruler of the Other World, accessed through a small door in the Pink Palace. She lures children into her realm by disguising herself as their "Other Mother". Once lured, she sews buttons in their eyes, consumes their flesh for strength, and keeps their souls as her prisoners. She is the arch-enemy of Coraline Jones, whom she tries to lure in, consume for more strength, and imprison the soul of as her fourth victim.

She was voiced by Teri Hatcher, who also played Becky Foxx in 2 Days in the Valley, Ms. Gradenko in Spy Kids and Rhea in Supergirl.

Her origins are very vague and even what she really *is* is unknown. However, the novel canon hints that the Beldam was formerly human, as evidenced when she recounted her childhood experience of burying her mother alive. This is contradicted when she stated she had buried her mother alive and how she had taken 60 years to eventually die, suggesting whatever species the Beldam is, it reproduces as humans do and can go a longer time without air, water or food than humans can. Given the Beldam feeds on spiritual energy, their metabolic needs work differently, as the Beldam's victims were claimed several decades before she had targeted Coraline herself. The Beldam even appears to have normal human skin and body parts in her true form. In contrast, the film canon never mentions any of this and it's assumed that she's a demonic arachnoid being whose body is mostly composed of sewing needles, except for her face, which is made out of cracked porcelain.

The Beldam wields immense power over the Other World, a parallel dimension, which is, in reality, a gigantic spider web surrounded by a blank void. In the novel canon, the Other World in its true form resembles a drawing sketch created by a careless child. However, the Beldam can only twist and modify the Other World to her liking, implying that her powers have limitations or that she wasn't the true founder of the Other World. In relation to the real world, the Other World is located behind a small door in the living room of the Pink Palace Apartments in Ashland, Oregon. The only way to access it was by using a button key.

Around the 1850s, the Pink Palace Apartments was initially a mansion, inhabited by several different families. To sustain her existence, the Beldam seized the opportunity to lure in children to the Other World. In her sewing room, the Beldam created button-eyed ragdolls that resembled her chosen victim and sent them into the void outside. The doll would eventually reach the real world, where her victim would unwittingly collect it. Through this, the Beldam was able to spy on their lives to find out what was wrong with it.

Once she had an overall idea of what her victim lacked in the real world, the Beldam modified the Other World into becoming a whimsical copy of the victim's real world, including its inhabitants, who also have button eyes and are entirely composed of sawdust. Sending her rats into the real world at night, her victim would wake up and follow them downstairs to the door in the living room. Crawling through a colorful corridor, the victim would meet the Beldam, under the disguise of their real mother. Entertained by the Other World's glamour, her victims would be offered the chance to stay here forever, under the condition that a pair of buttons will be sewn over their eyes. Her victims tended to accept the offer, considering how miserable their real life was, and after they accepted, the Beldam painfully gouged out their eyes, sewed buttons over it and consumed their flesh. The doll element is not included in the novel canon and the Beldam lures her victims immediately by sending out her rats, indicating her impatient nature.

Afterwards, the Beldam imprisoned their souls in a dark chamber behind a mirror and relied upon their "soul energy" to survive, which she often drained. She also hid their real eyes in marbles, the only way for their souls to pass on to the afterlife. The Beldam successfully kidnapped and killed several children in the past, including the Tall Ghost Girl, the Ghost Boy and the Sweet Ghost Girl. According to them, they have forgotten their birth names due to their prolonged imprisonment and thus, they are distinguished by these nicknames. In the novel, the Ghost Boy mentions that he has even forgotten his gender since his imprisonment. Particularly, it's possible that the Tall Ghost Girl's twisted gaping mouth spiritually alludes to the pain she suffered at the Beldam's hands.

The film canon shows solely the Tall Ghost Girl, the Ghost Boy and the Sweet Ghost Girl as the Beldam's only victims, and given that the Pink Palace is stated to be 150 years old and the Other World is as old as the building itself, then these three are maybe her only victims after all, if we assume that the Beldam eats a kid's soul every fifty years. In contrast, the novel canon suggests at the possibility that they were just her three latest victims, as the Beldam is implied to have existed for centuries. Thus, it's possible that many other children preceded the Tall Ghost Girl, the Ghost Boy and the Sweet Ghost Girl until their souls faded away into nothingness, a fate which would have likely befall on the three Ghost Children as the years went by.

The Pink Palace Apartments were eventually converted into an apartment by Mrs. Lovat, the Sweet Ghost Girl's twin sister. Fearing that more children would suffer a similar fate like her twin sister, Mrs. Lovat enforced a no child policy, which forbids couples with children from renting the apartment. She especially forbids her grandson Wybie from entering the apartment's premises and whenever he explored near the premises, she would often yell his name and demand him to return home.

In 2009, Charlie and Mel Jones, who have a daughter named Coraline, move from Pontiac, Michigan to Oregon, where they decide to stay at the Pink Palace Apartments, despite the no child policy (although it's theorized that Charlie and Mel either lied or simply forgot to mention their daughter, considering how little they pay attention to her). Coraline frequently explores the apartment alone, especially the garden, due to her parents busily working on their gardening catalogue. During her stay, Coraline encounters Wybie and a mysterious black cat, simply known as the Cat, and is annoyed at both of their presences. In reality, the Cat was trying to protect both Wybie and Coraline from the Beldam, due to his detailed knowledge of the Other World, which he can freely enter through various portals. It's also revealed that the Cat can speak, although this ability is restricted to the Other World. Because of this, the Beldam harbors immense hatred towards the Cat and desires to rid all cats, which she refers to as "vermin", from the Other World.

Despite the Cat's attempts, the Beldam retrieves the button-eyed ragdoll, she used to lure the Sweet Ghost Girl and modifies it to resemble Coraline (it's unknown why she didn't do the same for Wybie). The doll later ends up in Mrs. Lovat's trunk and discovering its eerie resemblance to Coraline, Wybie decides to give it to Coraline as a "gift". Initially creeped out, Coraline nevertheless plays with the doll whilst exploring the apartment. As Coraline explores the living room, she discovers that the doll is lying in front of the small door by itself. Requesting her mother to unlock the door with the button key, Coraline is disappointed to discover that the door has been bricked up, most likely by Mrs. Lovat.

At night, Coraline is awakened by a group of rats, who lead her to the door downstairs. She discovers that the bricks have been replaced by a colorful corridor, which she curiously crawls through. In the Other World, Coraline meets the Beldam, currently under the disguise of Mel Jones. She finds her more warm and attentive than her real mother and eventually meets the rest of the button-eyed duplicates of her neighbours, including the Other Wybie, who is mute. Afterwards, the Beldam offers her a chance to stay in the Other World forever by giving her a present.

Coraline opens the present and discovers a pair of buttons, a spool of thread and a sewing needle. Realizing what this would gruesomely entail, Coraline refuses the offer and plans to return to home. She tries to leave the Other World in a non-suspicious manner, but the Beldam already knows this and blocks all the exits to the real world. Eventually, Coraline confronts the Beldam in the living room to let her go home. However, the Beldam "disciplines" her by throwing her into the dark chamber behind the mirror. Inside, Coraline meets the ghosts of the Beldam's previous victims, who recount their stories and plead with her to find their real eyes.

Coraline tearfully promises to find their real eyes moments before the Other Wybie drags her out of the chamber, whose mouth is stitched into a horrific grin by the Beldam for failing to smile. She relieves his injuries and despite being aware of what would happen to him, the Other Wybie sacrifices himself to assist Coraline in escaping, which is ultimately successful. The Beldam, however, overhears them downstairs and finds the Other Wybie, kills him and hangs his clothing on the flagpole on the apartment's rooftop.

Coraline enters the real world in time, but finding out that her parents have been missing for the night, the Cat eventually reveals to her that they have been kidnapped by the Beldam after Coraline discovers two button-eyed rag dolls that resemble her parents, stitched together to possibly taunt her over her loss. Coraline burns the doll furiously and arms herself with an adder stone that was given by her neighbors Ms. Spink and Forcible and follows the Cat's advice on challenging the Beldam to a game, even if she didn't play fair.

Coraline promises her that if she wins, she would have to free her parents and the Ghost Children whilst if she loses, then she would have to sew buttons over her eyes and imprison her in the Other World forever. The Beldam reluctantly accepts this deal and gives her clues of where the real eyes of the Ghost Children are located in the Other World moments before vanishing into thin air.

Coraline successfully manages to grab all the three eyes of the Ghost Children with the aid of the adder stone from the inhabitants of the Other World who appear in their true, twisted and demonic forms. As she plays the game, Coraline notices that the moon in the sky is gradually being covered by a shadow of a button to show much time she has left in the game. The inhabitants are killed after she grabs each eye from them as the surroundings around them turn into gray stone. During the game, Coraline notices that the Other Wybie's clothing is hung on the flagpole of one of the Others' apartments, hinting that the Beldam had killed him for helping Coraline previously escape into the real world.

The Cat ultimately helps her in finding the real eye as the moon is completely covered by the shadow of the button as the Other World disintegrates into a blank void. Coraline and the Cat quickly enter the Other Pink Palace Apartments and shut the door behind her in time as she sees the Beldam, in her true arachnoid form, waiting for her in the living room.

The Beldam then tells her that she must find her own parents in order to escape, and burns the adder stone which Coraline used during the game in the fireplace. Realizing that the Beldam has actually refused to acknowledge her victory and that she would be trapped in the Other World either way, even if she had won, Coraline distracts her by telling her that her parents are located behind the door. Whilst the Beldam vomits out the black button key that she swallowed previously, Coraline finds her parents trapped inside a snow globe sitting on the mantelpiece and grabs it. Proudly declaring that Coraline is wrong and will, therefore, stay in the Other World forever, Coraline throws the Cat onto her face and in a swift act of karma, her button eyes are promptly ripped out.

Blinded, the Beldam furiously accuses her of being "a horrible, cheating girl" and transforms the floor of the living room into the gigantic spider web, which consists of what is left entirely of the Other World. As the Cat escapes back to the real world, the Beldam tries to hunt down Coraline like prey in the spiderweb, but fails as Coraline quickly enters the door and into the passageway inside that leads to the real world. The Beldam screams at her for "disobeying" her, but Coraline kicks her in the face, briefly splitting her face in half. Coraline tried to shut the door on Beldam as the struggle ensues.

With the assistance of the Ghost Children, Coraline manages to slam the door shut onto the Beldam's hand after she tries to grab her, severing it. Locking the door with the black button key, the Beldam realizes her own doom and screams horrendously at Coraline to not leave her and that she would die without Coraline as she tries to break down the door. Her powerful actions of attempting to break down the door cause the door and the passageway itself to be shaken and pushed forwards towards the real world, but Coraline locks the door from the side of the real world in time, which causes various furniture to be knocked down and the snow globe to break, freeing her parents.

Relieved that her parents returned home safely, even though they seemed to have no memory of what happened to them, Coraline dreams of the Ghost Children, who are finally freed and have their normal eyes back in the afterlife. They tell her that the Beldam is angry at her and is looking for the black button key, the only way she could have access to her and possibly other victims in the future. Coraline plans to throw the key in a well in the garden of the Pink Palace Apartments as she believes it is a place where the Beldam would never find it, but as she walks to the well, the Beldam's severed hand emerges from the door and follows Coraline.

Moments before she could throw the key down the well, the Beldam's hand latches onto her neck and briefly strangles her as it tries to drag her back into the Other World. Wybie arrives in his motorbike and blares the horn, stopping the hand in its track. He grabs the hand off her neck, but the hand attacks his face, causing him to stumble off his motorbike and nearly fall down into the well where the hand climbs on him and stabs his right hand, causing Wybie to scream in pain. Coraline manages to smother the hand with her towel but the hand rips it apart as Wybie crawls out of the well and smashes it into pieces with a rock just in time.

Soon, Coraline covers the hand and a rock with her towel and wraps the key around. They throw it together into the depths of the well and cover the well with a lid, therefore ultimately sealing the Beldam's fate for good. Both the film and novel do not specify her fate, although, without the ghost children and Coraline to keep her alive, the Beldam is presumed to have starved to death alone in the Other World in torment, karmically just like what she has done with her victims, ending her threat once and for all.

We were shocked and horrified.

Eli: She is pure evil!

Nico: No one kills kids on OUR WATCH!

Camie: Yeah! She is a monster!

Quick Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do one next for Number 68: Sanaphond the Sky Prison.

Me: Whoa! A Big one this time.

Qin: Yeah! That's a perfect battle spot for the showdown with Belos.

Xenia: Yep.

Felicia Wittebane: There's more. I want to strip Belos of all his powers and throw him in prison forever. He may have done terrible atrocities. But he is still family.

Me: I understand Felicia.

Nico: Okay.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was Morana Desdemona, the main dark Satanic witch and the leader and founder of The Order of The Black Cross, and she's heading here to get revenge on The Knightmare Coven of Justice for not only killing them four years ago, but also on us for what happened to Elena Charna, Marianna Blakely, Pandora Marwood, Claudia Umbra, Nimue Badriyah, Lilith Draconia, and Astrid Bathsheba. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln,

Lynn, is Morana Desdemona on the move?

Lincoln: You guessed it, Nico, and she's heading here to get revenge on The Knightmare Coven of Justice for not only killing them four years ago, but also on us for what happened to Elena Charna, Marianna Blakely, Pandora Marwood, Claudia Umbra, Nimue Badriyah, Lilith Draconia, and Astrid Bathsheba.

Me: Morana's finally lost both her patience and her sanity as the members of her Satanic coven were dropping like flies.

Nicholette Torrington: With the members of The Order of The Black Cross now dead, along with her last attempt at revenge on us through Stern Fern foiled, Morana Desdemona is now really pissed off big time, and she's fallen into rage, anger, and madness. But, that witch is going to pay for what she's done, especially when you and Lincoln teach her a lesson, Morgana.

Morgana DeRose: Yes, her days of trying to destroy us, along with trying to summon Satan into the world in order to bring about the end of days, are about to be brought to an end here and now, and we will see to it that she never returns again from the dead.

Clara St. Clarice: Yeah, but she, like Damian Alaister and the rest of his fucked-up minions, is still very dangerous.

Nico: Oh man, a final battle with the head of the Satanic Order of The Black Cross, this is something that's going to shake Heaven and Hell. Alright, gang, let's got, it's time to destroy the evil Beldam for good.

Lincoln: That evil monster's going to pay for what it's done to so many victims, and once we get done with destroying Beldam for good, you're next, Morana Desdemona!

Morgana DeRose: We'll make sure that you never rise from the dead again. You and your coven have had this coming for four years, all of you had made deals with The Devil and sold your souls for dark power and forbidden knowledge, something that all of you are unable to comprehend, and for that, the punishment for your evil crimes in Michigan is death!

Lincoln: Your days of trying to bring The Devil to Earth and destroy mankind are about to end here and now, Morana Desdemona.

Nico: Lets head out.

We were off to Oregon.

---

We arrived at Coraline's house.

Me: Nice place.

Qin: Yeah.

We saw her on the porch in thought.

Red Ghost: Hi there!

Cheese Monster: Are you Coraline Jones?

Coraline: Wow! Team Loud Phoenix Storm. It's an honor to meet you all.

Me: Same to you Coraline.

Qin: We're sorry to drop by like this but we are here to help you.

Barath Beyond: So, you must be pretty lonely around here.

Coraline: Yeah I miss all my friends.

Me: I know how you feel Coraline.

I went and sat by her.

Me: When I moved to Michigan, I was upset that I had to move away and I miss my friends every single day. I was really upset that I had to move. But all that changed when I met Lincoln and his family and they really made me feel better. And I also helped make them better too.

Lincoln: It's true Coraline. J.D. has helped us become a much better family. And he helped so many become better people.

Lori: He's right on that.

Coraline: Wow.

Abomination: But how about we give your parents a talking to?

Evil Drill Man: And give them black eyes if they say anything bad!

Nico: Stand down you two. We will not inflict violence upon Coraline's parents. Lets just tell them how she feels.

Evil Drill Man: Fine.

We had Coraline's mother and father come out and we talked to them.

Mel Jones: So Coraline didn't want to move because she was lonely?

Me: That's right Mrs. Jones.

Charlie Jones: Oh honey is that true?

Coraline: Yeah. I was upset because we had to move. I didn't want to move.

Mel Jone: Oh honey you know we're always busy.

Coraline: I know.

Me: I told Coraline that I know how she felt. It was not pleasant for me too.

Nico: Yeah.

Maria: But now, do you understand why Coraline's upset?

Charlie Jones: We do. Even though some of you guys really aren't the best people to lecture us about this. And we mean no offense.

Me: None taken.

Scrap Shooter: We're warning you, see! If you say anything bad-

Mel Jones: (sighs) Let's get this over with. J.D.'s so obsessed with making scumbags suffer, Girl Jordan is so obsessed with destroying any version of Carnage except for a few others that she sometimes rebels against Nico, and Nico always whined about J.D. being leader in the past that he probably would've made Aligned Starscream proud. Need I say more?

Me: You're right on that.

May: That… was a lot shorter then I thought it would be.

Mel Jones: Well, if this "Other Mother" of Coraline does exist, which I seriously doubt, she'll probably find a way to twist my words. (sheepishly) And G1 Starscream is in the Masters of Evil now, so I couldn't use him as an example.

Me: And yes the "Other Mother" does exist. Her name is Beldam and she is a malevolent witch.

Coraline: It's true.

Mel Jones: Oh man.

Coraline: I'm sorry I didn't tell you about her. It's just that you two were so busy that I really wanted to not be lonely anymore.

LaGrange: They also wouldn't have believed you anyway.

Charlie Jones: We're sorry too. Sorry we ever moved here to begin with.

Wiggly: (raises eyebrow) Really now?

Mel Jones: Yes. (to Coraline) But it's too late to undo our actions now, Coraline. Too late for any of us.

Me: Not necessarily. We can destroy Beldam for you guys and then give her the Black Gates. Then we can move you all back to Michigan and place you guys into our protection.

Qin: That's right.

Nico: Yeah you'll have lots of friends with us.

Twilight Sparkle: It's true.

Nico: Lets go bring down that witch.

We went to the door in her room.

Coraline: Just a warning. When we go to that world, she'll try to entice by showing you guys the things that you desire.

Me: We'll know she is lying.

RD Sam Sharp: And the people there will have the same button eyes as the doll you found before?

Coraline: That's right.

Homer: Sounds like something I saw. (Season 29 Episode 4B)

Me: Really?

Homer: Yeah it's crazy.

Coraline opened the door and we went in and crawled through a hall and then we got to the world Coraline went to.

Me: This it?

Coraline: Yep.

Me: Feels like we haven't even left.

Eli: Defeating Beldam is going to be easy.

Coraline: But to defeat her, you guys will need to challenge her to a game.

Stinkor: Stinkor like the sound of that!

Lincoln: We don't negotiate with-

Stonedozer: Lincoln, that was how Coraline defeated her before. We don't have a choice.

Lincoln: Oh right. I forgot.

Me: Sounds like my kind of challenge.

Nico: Yeah. What kind of game do we need to face her at?

Coraline: Any kind.

We then saw another mother and it was BELDAM! But in Mother form! She had ugly buttons for eyes!

Beldam: (in her Other Mother form) Coraline. How nice of you to drop by. And you brought Team Loud Phoenix Storm.

Tae Kwon Crow: We know what you really are. And we challenge to you a game!

Beldam: (chuckles) Getting straight to the point, aren't we?

Nico: It's a finding game. The objects to find? The eyes of the ghost children that you've killed. If we win, they come back to life and we send you to the Black Gates. If we lose, we'll stay here forever and you can sew buttons onto our eyes.

Me: That is gross.

Beldam: Coraline said the same thing. But why not? Here's a free clue. In each of 3 wonders I've made for three of you, a ghost eye is lost in plain sight.

Me: Very cryptic. I like it.

Qin: Yeah.

Twilight Sparkle: Ooh! A Scavenger Hunt. I love this.

Nico: I had a feeling you would Twilight.

Me: Me too.

Beldam: Oh and Homer you might like this.

We saw a doll version of Bart.

Doll Bart: Just what Homer needs, an excuse to get fatter and lazier.

Homer: WHY YOU LITTLE!?

He strangled the Doll Bart and ripped its head off!

We laughed at that one!

Nico: That one was funny!

Lily: Yeah!

Bart: At least it wasn't me.

Me: We'll keep that one with us. Stress relief doll for Homer.

Homer: Thanks J.D.

We got to searching.

Reverse Flash: You know I can just use my speed to look for them.

Nico: She's probably prepared for that.

Me: Yeah.

Nico then saw a ghost eye. Holding it was Another Me! But with Button eyes.

Nico: You're the other J.D., aren't you?

Me: I look UGLY! With button eyes!

Other me: That's right. The Other Mother sent me to guard this ghost eye.

Nico: Is it too much to ask for you to hand it over?

Other Me: If you want.

Firebrand: Say what now?

Other Me: I was made to be obedient. So, if Nico wants me to do something, I'll do it. Don't you want to stay with me, Nico? Where I'll do anything you want, no questions asked?

Nico: (growls) You fucking disgust me.

Other me: Huh?

Me: YEAH!

Nico then punched the Other me to the ground and took the Ghost Eye from him.

Me: YUCK!

Other Me: Why are you so mean?!

Nico: Why are you so blindly obedient?! The real J.D. would never blindly do whatever people tell him to do! He would always act based on his heart tells him is right! That's how he said no to Luthor's offer to erase all evil with the Black Gates! You make me sick just looking at you!

Me: That's right!

Nico spat on him and walked away.

Me: I can't believe I looked like that! What a freak!

Eli: Yeah!

Alister: Maxxine, ignoring what we just witnessed, you and Sougo get a time to shine today. After all, for all we know, the Bedlam can probably make Button Eyed versions of the Another Riders.

Maxxine: Awesome!

Sougo: Looking forward to this one.

Nico: We all are. Sorry you had to see that J.D.

Me: No worries. I hope no one has any doll versions of me.

We saw versions of Crocker and Burns with buttons eyes as well. They were dressed as butlers and had friendly expressions.

Mr. Touch: You two are the other Crocker and Burns, are you?

Other Burns: That's right. The Bedlam made us as opposites of the Primce Versions to guard this ghost eye as well as butlers to J.D. But truthfully, we really like you guys already. So, we don't really want to hurt you.

Me: Okay this is pathetic.

Mr. Go: Then why are you trying to stop us?

Other Crocker: Because we know how much power the Bedlam has over us. (to Coraline) You know what happened to the Other Father.

Other Burns: (to Nico) Don't you want to stay in a world where there's no evil and where me and Other Crocker over here will serve as your butlers for an eternity?

Space Kook: How are you planning to stop us from getting that ghost eye if J.D. says no?

Other Crocker: Well, instead of fairies, I've had a habit for using technology.

Other Crocker pressed a button and robots appeared.

Me: Still not impressed.

Nico: Yeah.

Other Burns: (gives Darkwing the Ghost Eye) Here! Take it! You defeated our robots fair and square!

Darkwing: You really are the opposite of the real Crocker and Burns. They would NEVER help us like this. But you know the Bedlam will kill you two for this.

Other Crocker: (smiles sadly at us) We know. But unlike the Crocker and Burns you know, we refuse to die as monsters.!

Me: Very interesting.

Qin: Yeah. No kidding.

Me: Yeah.

Whiger: J.D., you realize that the Bedlam will kill the Other Crocker and Burns for helping us.

Pericles: (German Accent) You're seriously just paying that fact no mind?

Me: Well as much as I don't like it, And the fact that Crocker and Burns hurt us in the past.

Eli: Bro, these versions of them are telling the truth. They are not like them.

Me: Well… Okay I'll let them come with. But to be sure.

I had them jump into a scroll to hide them.

Nico: Good.

We later saw a version of Nico with button eyes as well.

Girl Jordan: You're the other Nico, aren't you?

Other Nico: That's right. The Other Mom made me as your boyfriend. Now come on. It's time for the humiliation of Cletus Kasady.

Me: What the!?

May: I did not see this coming!

Girl Jordan: Cletus Kasady gets humiliated here?

Other Nico: That's right. Don't you want to stay here, babe? Where I won't be holding you back, unlike my Prime self. And where Kasady gets humiliated forever?

Dive Man: Hey, buddy! Only one person gets to kill her "Babe"! That's Lincoln!

Me: YEAH!

I fired a wave of energy and obliterated the Other Nico.

We got the Ghost Eye.

Nico: That version of me made me look disgusting.

Ozzie Ostrich: Girl Jordan, you know Nico would NEVER steal you away from Lincoln!

Griffin: Besides, as much as you want to stay here, you don't believe that imposter, do you?

Girl Jordan: Absolutely not! I knew that version of Nico was a fake.

Lincoln: Good.

Qin: Yeah. There's only one Nico.

Nico: And that's me.

Pounce: Entrance time! And it's also time to collect our prize.

Nico: You read my mind Pounce.

We went to face Beldam.

Beldam was pissed that we conquered her game and then turned the other Crocker and Burns against her! Then the spirits of the flames of Friendship appeared and circled around her and then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and then a phoenix cry was heard and we came out.

Me: Game over Beldam!

Coraline: YEAH! We win!

Chillyfish: No wonder the Cat didn't appear. You have it locked in a cage!

Bedlam: (laughs) Oh, please. You can't seriously be thinking of going back to a world where you guys constantly get stressed out! (to me) J.D., don't you want to live in a world where there's no evil at all? (to Girl Jordan) Girl Jordan, don't you want to have a Nico that's your loyal boyfriend and will never hold you back against Kasady? (to Nico) And Nico. Don't you want a version of J.D. who always listens to what you have to say?

Roman Torchwick: I think you know the answer to that, toots!

Nico: And it's that we say No to your offer. Sure, this is very enticing. But we're fine with what we have.

Me: So you can take your offers and shove them up your butt!

Qin: YEAH!

Me: We are not people that take the easy way out!

Xenia: Yeah!

Bedlam: Well, in that case…

She snapped her fingers, and Other Versions of the Another Riders appeared. Another Agito, Another Dragon Knight, Another Faiz, Another Blade, Another Hibiki, Another Kabuto, Another Den O, Another Kiva, Another Decade, Another W, Another OOO, Another Fourze, Another Wizard, Another Gaim, Another Drive, Another Ghost, Another Ex Aid, Another Build, Another Zi O, and Another Zero One. All with Button eyes.

Nico: This isn't all the Another Riders.

Bedlam: I just thought this was enough.

Sougo: You guys have the usual battles. Me and Maxxine will keep them busy!

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Me: Show no mercy on those freaks!

Sougo: With pleasure!

Laney: Make those impostors pay!

Then Manta Bayarsh, Hank Scorpio, Gator Ghoul, Billy Numerous, Ice Demon, Trumbipular, Merman, DC Enchantress, King Shark, Black Spider, Rishu, Katz, Lord Stratosfear, Mr. Fibb & Mr. Wink, Evil Winter Man, Katty Kattswell, Luna Ghost, Glue Man, Neopolitan Man, and Nightshade appeared.

Nico: Manta Bayarsh, Hank Scorpio, Gator Ghoul, Billy Numerous, Ice Demon, Trumbipular, Merman, DC Enchantress, King Shark, Black Spider, Rishu, Katz, Lord Stratosfear, Mr. Fibb & Mr. Wink, Evil Winter Man, Katty Kattswell, Luna Ghost, Glue Man, Neopolitan Man, and Nightshade.

Manta Bayarsh: How was 2ndCornelia's mission?

Nico: It was very good.

Me: One of the best ever.

Hank Scorpio: We Heard she became smart.

Gator Ghoul: And that Fluttershy became constantly happy.

Me: Yeah and she was awesome. And I got an awesome Hope Emoticlone too.

Gator Ghoul: Wow!

Billy Numerous: (to Nico) We heard you fought Boscha.

Nico: Yep we sure did.

Ice Demon: We'll make sure she doesn't try anything.

Me: Good.

?: That you can count on.

A figure came out and it was ADOBORUTE-G OF THE VITAL from episode 37 of Goseiger!

* * *

Adoborute-G of the Vital is a coral-theme member of the Machine Onslaught Empire Matrintis and is the main antagonist in episode 37 of the 2010 TV series called Tensou Sentai Goseiger.

He is voiced by Mitsuaki Hoshino who previously voiced Houretsudou from Gingaman and Sasamatage from Shinkenger.

History

Adoborute-G sets himself up to test a Matrintis plot to use special "Vital Meters" as part of a means to begin a fad which in actuality allow for them to petrify anyone wearing the brace, thus either forcing humanity to either become petrified or to calmly submit themselves to Matrintis out of fear of becoming petrified. Moune ends up putting on one of the Vital Meters during a giveaway (where Adoborute-G was dressed in a pink rabbit suit) and soon discovers the means of which the Matroid works, thus forcing her to likewise stay calm or suffer the consequences. The other Goseiger have a hard time defeating Adoborute-G while Moune is away, with only Gosei Knight not affected by the Vital Meter due to having no emotions to manipulate. Ultimately, Moune returns having discovered inner peace through a bad joke of Professor Amachi, calmly doing away with the Matroid in combat. When Adoborute-G tries to use a human shield, Gosei Yellow remembers him as someone who butt in front of a girl in line to get the meter and uses a furious Rockrush combo to move him while blowing away the Matroid with Super Land Dynamic, freeing everyone petrified.

After being grown by the BB Nails, a combination of Gosei Ultimate and Gosei Ground easily do away with Adoborute-G.

---

Eli: Adoborute-G of the Vital! I remember you! You made Vital Meters as part of a fad and petrified people to force themselves to submit themselves to Matrintis!

Adoborute-G: Awesome memory. Yes that's right.

Me: Wow!

William: Thank God you don't have button eyes!

Adoborute-G of the Vital: Of course I don't. It's a shame I wasn't adapted in America.

Me: I know. What a ripoff. You would have made a great episode too.

Qin: Yep.

We got the battles underway.

Billy Numerous: Ooh! Ultimate Heatblast! Good choice.

Ultimate Heatblast: Thanks. And yes they sure did. Their names are Valentine Emperyous and Leina Mobius.

Naruto: They are really awesome guardian angels.

Rainbow Dash: Boy they sure are guys.

Scootaloo: Wait till you hear their stories.

---

Valentine Emperyous: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Leina Mobius: He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Valentine Emperyous: That's incredible.

Nico: It sure is. So, Valentine, Leina, what are these two horrible revelations you have on Lola and Hawk and Hank?

Valentine Emperyous: Allow me to go first. Lola hit Leni so hard that she gave her a black eye and even knocked out some of her teeth and it really set off Valentine and she mangled her up, and ever since then, I've hated Lola with a vengeance.

We gasped in shock.

Nico: Why, that psychopathic, murderous, evil, insane… !

Lincoln: Yeah, and Valentine and I took Leni to the hospital after we called Mom and Dad, and we also told them everything that Lola did.

Selene Emperyous: After Valentine told us about what happened, we were all really pissed off at what that psychotic pink-wearing she-demon did to Leni, and we wanted to rip her to shreds. But, Valentine really wanted to do more than that, she wanted her head mounted on a pike!

Leina Mobius: I always knew Lola's anger issues were nothing but big trouble not just for the Louds, but for all of Royal Woods. Okay, now it's my turn, the reason I hate Hawk and Hank with a merciless vengeance and wanted to finish the job and kill them is because they,… they… (Voice Breaking) they brutally beat up Lincoln so badly and he was almost close to the point of death!

We gasped in horrifying shock, except for me and the Louds, and Lincoln put up the 9,500-lb barbell and he went up to Leina Mobius and hugged her, while she hugged him and cried onto his bare chest.

Nico: (Gasps) Why, those big, fat, ugly, sons of… !

Lincoln: I know, and that's why they're never ever getting out of prison again, and after Leina sent them running, she let me feed on her blood as well, and I recovered. But, we still told everyone of what Hawk and Hank did, and we wanted to press charges, but they hid themselves well.

Me: Yeah, and no one would ever go after them, because of how vicious they really are.

?: I will make you and your entire coven pay for killing us four years ago, Morgana DeRose!

Suddenly, the eight large planets and stars orbiting around my legs,

Morgana DeRose: I should've known there's no mistaking that voice from anywhere. You can come out now, Morana Desdemona, and face your punishment.

An inverted Black Cross with an inverted pentagram appeared in the skies, and a tornado of darkness appeared from the ground and demonic screaming echoed in the air, and when it disappeared, what stands in its place is a girl with long black hair, red eyes, black clothes, and an inverted black cross with an inverted pentagram on her right arm, it was Morana Desdemona, a dark witch and the leader and founder of The Order of The Black Cross.

Morgana DeRose: Morana Desdemona, I should've known you'd show up here, you dark witch!

Morana Desdemona: And now, I will have my revenge on you for what you did to us four years ago! You ruined our ritual to prove our loyalty to Satan, and all of you have ruined our last attempts at revenge!

Morgana DeRose: I have no remorse in what we did four years ago, and you're about to suffer the same fate as your master, and Odalia Blight and Stern Fern, you couldn't trust them that much, since Odalia was only loyal to Emperor Belos and Stern Fern is a psychopathic, bad-tempered fat cow with a 40-foot stick up her butt and with rage issues.

Suddenly, Morgana DeRose's red eyes turned neon red and she was surrounded by a black and orange energy aura with darkness, earth, dark magic, and Cerberus, she unholstered her massive Knightmare Cerberus-themed greatsword from her back, and as she approached Morana Desdemona, she left black and orange energy, darkness, dark magic, earth, and Cerberus with every step.

Morgana DeRose: I will never forgive you for what you've done in the past, Morana Desdemona, you and the rest of The Order of The Black Cross have caused far too much trouble to all of Michigan for the final time to prove your loyalty to Satan, and now, I'm going to make sure that you die here and now, and this time, you're never coming back!

Suddenly, Morgana DeRose was surrounded by a massive vortex of black and orange energy with darkness, earth, Cerberus, and dark magic surrounding it, there's Knightmare Cerberus flying around the vortex, and in the vortex is a black phoenix with blood red eyes glaring at Morana Desdemona: the blood red eyes of death. Then, as the vortex faded, Morgana DeRose emerged, but she was changed forever.

Morgana DeRose has on a Ring of The Phoenix with orange gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Morgana DeRose has transformed into SUPER ANGEL XELNAGA

ETERNITY INFINITY DARKNESS MAGIC EARTHSTORM KNIGHTMARE CERBERUS ANGEL OF DIVINE DARK OCCULT MAGIC JUSTICE AND DIVINE EARTHSTORM DARK MAGIC WITCHCRAFT LOVE!

We were amazed by Morgana DeRose's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Morana Desdemona saw it, the dark Satanic witch fell into a rage and fired a blast of darkness at her to kill her, but Morgana DeRose dodged it and she fired a powerful black and orange energy blast with darkness, earth, dark magic, and Cerberus at Morana Desdemona and it exploded with incredible power as it hit her and sent the dark Satanic witch flying into a wall, but she's not out yet, and now, she's pissed off.

Nico: Whoa, Morgana DeRose's now the last of The Knightmare Coven of Justice to transform, so awesome.

Me: This is going to be a good fight: The Earthstorm Dark Magic Cerberus of Justice VS. Satanic Black Magic of Evil.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Morgana DeRose.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time for you to pay for everything you and your order have done, Morana Desdemona, and this time, you're never coming back from the dead again!

Morgana DeRose and Lincoln went after Morana Desdemona, who continued firing blasts of darkness and black magic at them, but they dodged them all, and they fired extremely powerful blasts of rainbow energy, black and orange energy, dark magic, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Mermaids, and Cerberus at Morana Desdemona and they exploded with incredible power as they hit her. Then, they attacked Morana Desdemona with their massive greatswords and they left some really nasty scars on her and they also drew blood, and they also punched and kicked her hard all over the place, and this really pissed off Morana Desdemona.

Morana Desdemona: You! (Voice suddenly turning demonic) You! I'LL KILL YOU!

Morana Desdemona let out a demonic scream, and we saw a tail sprout out, her skin turned pale, her ears turned pointed, her nails grew into claws, her pupils turned into slits, and horn stubs grew on her head, she'd turned into her Demon form.

Nico: So, that's her Demon form, ugly!

Me: Really ugly, we still remembered seeing what happened when we faced that thug, Tony Reno and his friends long ago.

Morana Desdemona tried to attack again, but Morgana DeRose and Lincoln dodged her claws and they also absorbed the blasts of fire she threw at them, and then, Lincoln chopped off her tail as she screamed in agonizing pain, and he trapped Morana Desdemona by forming a magic circle below her feet. Then, Morgana DeRose used her Spellbook of The Knightmare World and found the spell she and the others used on Tony Reno and his friends and she chanted the incantation and it fired a powerful blast of dark magic at Morana Desdemona, and it stripped the dark Satanic witch of all her demonic powers and her Demon form and it turned her back to normal. The magic circle disappeared and Lincoln grabbed her by her neck and he tossed her into the air with his infinite and really immense brute superhuman strength, and that allowed Morgana DeRose and Lincoln to fire powerful black energy blasts at Morana Desdemona, and they exploded with incredible power as they hit her, and she was killed.

Then, Morana Desdemona's spirit appeared, and as soon as it did, Morgana DeRose and Lincoln drew the Judgement Kanji on her forehead, and she was found guilty by the spirits of those she'd killed, and she was fading away.

Morana Desdemona: NO! NO! DAMN YOU, ADARA DUNSTAN! DAMN YOU ALL, TEAM LOUD PHOENIX STORM!

Morana Desdemona was erased by The Black Gates never to return again and The Order of The Black Cross are finally no more. We cheered wildly for what Morgana DeRose and Lincoln did to Morana Desdemona as they holster their massive greatswords on their backs and powered down, and Morgana DeRose's new body, clothes, weapons, jewelry, and massive orange angel wings are permanent.

Morgana DeRose: At last, now we're finally rid of The Order of The Black Cross for good, thank you for helping me destroy Morana Desdemona, Linky.

Lincoln: (Smiles Warmly) You're welcome, Morgana.

Suddenly, Morgana DeRose wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Morgana DeRose's face, they kissed passionately as Morgana DeRose's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Knightmare Cerberus flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and dark magic behind them and we cheered wildly. Lincoln and Morgana DeRose came back, as the display and Knightmare Cerberus vanished.

Nico: Alright, you guys did it, Morgana DeRose and Lincoln, you two did an awesome job in getting rid of that dark Satanic witch, Morana Desdemona.

Lincoln: And made sure she'd never come back again, and now, we're finally rid of The Order of The Black Cross.

Morgana DeRose: Morana and her coven have caused enough trouble for the last time, I thought we were finished with them four years ago when we killed them by dropping that electric wire into that pool of blood in their hideout.

Lincoln: That's true, Morgana, but just like The Church of Necrom, they weren't going to give up that easily, and they waited four years to come back from the dead, and when they found out that not only were you guys back, but to find out their master was killed by us, that really ruined their plan to bring about the end of the world. Now, to make sure not a single trace of them is left.

Lincoln spread his massive white angel wings and fired a powerful rainbow energy wave and it hits The Order of The Black Cross' hideout: the abandoned mine cave in the north of Gotham Royal York, and when it hit, every trace of The Order of The Black Cross was wiped out of existence for good.

Lincoln: There we go, now not a trace of those Satanic witches is left, and it also ruined any of their plans to get us back.

Selene Emperyous: After what happened with Damian Alaister and

The Church of Necrom, you were really prepared for that one, and tomorrow, on your rescue, Linky, we're going to meet the last of my sisters, Laniya Emperyous, the Gabrion the Timelord Gene-Slammer and the second of the two Water Masters, and she's got a really nasty revelation about Lori tomorrow.

Nico: We'd already heard a ton of nasty and bloody revelations from the other Guardian Angels about Lori, but I can guess there's another one heading our way.

Lincoln: We'll brace ourselves for that revelation tomorrow, Nico, but some of us might've known about what Lori did that day as well, and how Laniya thrashed her.

Trumbipular: Now, the Beldam can't kill anymore kids.

Me: Thank goodness.

Merman: And her victims are back to life.

DC Enchantress: Also, the Other Crocker and Burns will be serving as SHIELD Agents.

Me: Nice! I like that.

Other Crocker: Fine by me. Teaching's not my thing.

King Shark: Good to know.

Black Spider: What do you guys say we get the Hell out of here?

Nico: Good idea. I've had enough buttons to last an eternity. (To Ragdoll and Baby Buttoneyes) No offense.

Ragdoll: None taken.

Coraline: Thank you guys. All of you.

Me: It was our pleasure.

Nico: Yeah. Good job today everyone.

Coraline: (To the viewers) Now Beldam is gone for good. She will never terrorize kids again.

Qin: Yeah.

We got out of that world and had it all sealed up and then we had Coraline and her family moved back to Michigan and then as promised placed under our protection. We had them in a really awesome nice house too. We went back to our home and enjoyed the rest of the day and went to sleep.

We were on a mysterious floating prison and it was a really creepy one.

Me: Wow! Look at this prison.

Xenia: It seems eerily familiar though.

Camie: Yeah it feels familiar.

Eli: I sense it too. It's crazy.

Laney: Yeah.

Onewa: Boy it's cool though.

Nico: Thanks for coming with me, Onewa.

Onewa: Anytime Nico. It's gonna be really fun helping you out.

Varie: It sure is awesome.

Nico: Onewa: I personally think your Mind Control Mask Power is cool.

Onewa: Yes it sure is. The power it has is amazing.

Qin: I thought so too.

Laney: All the Mask's powers are incredible.

Luz: They sure are. They have all sorts of cool powers.

Felicia Wittebane: They sure do.

Onewa: Observe.

Onewa's mask began glowing. And so did Girl Jordan.

Onewa: Girl Jordan, can you tell me if you were REALLY considering on staying in the Beldam's world?

Girl Jordan: I was not considering it at all. I would never leave Lincoln because I love him.

Onewa: Good.

It stopped.

Camie: WHOA!

Felicia Wittebane: That is amazing and awesome.

Girl Jordan: (Dizzy) Whoa what hit me? I feel like I got hit by a train.

Me: Onewa was demonstrating his Mask's power.

Onewa: Sorry about that.

Girl Jordan: Oh.

Nico: (growls) J.D., what I saw was NOT you. AT ALL!

Me: I know! That button-eyed version of me was a freak!

Laney: Ugly too!

Me: There is only one me and that is me.

Qin: You got that right.

Camie: Yeah no kidding.

Me: Yeah. But Nico that doll version of you was uglier. There is only one you.

Nico: DARN TOOTIN!

May: That was a cheap imitation of you.

Nico: Yeah! But it was funny how Homer strangled that button-eyed version of Bart. That we can handle.

Lily: Yeah that was funny. I gave that to Homer as a strangling dummy to vent his anger.

Camie: Good idea.

Nico: Girl Jordan, I swear to you. I would NEVER think of stealing you from Lincoln. Even after how many times you've gone against my leadership, I still see you as a friend!

Girl Jordan: I know you wouldn't Nico. You are a true friend with a good heart.

Lincoln: He sure is and it was true that version of Nico had everything all wrong about him but we saw right through it.

Me: I agree there.

Luz: Yeah no kidding.

Qin: Yeah no kidding! The Nico we all know would NEVER be like that.

May: And thank goodness for that Qin.

Xenia: You said it.

Himiko: Yeah that was a really creepy and strange adventure.

Nico: Also, Amu, Misao, Tusk, Leo, Sela, Aayla Secura, Water Angel, Haliya Yastrzhembsky, Jane Mothra, and Plo Koon will be backup core members.

Me: Cool! About time the rest of the Zyuohgers got picked for the backup part.

Eli: And some of the Jedi.

Xenia: Yeah.

Me: Yeah I think it's so awesome.

Felicia Wittebane: I think it's amazing myself. Belos is inside the prison. I feel it.

Nico: Then lets go.

Onewa: Should I use my Kamen Rider form or Hordika form?

Nico: Either one is good.

Onewa: Okay.

We went inside and standing in the middle of the prison was EMPEROR BELOS!

Emperor Belos: Ahh I knew you would one day return Felicia.

Felicia Wittebane: Skip the pleasantries ancestor. You and I have some catching up to do. And by that I mean making sure you get your just desserts!

Onewa went Hordika.

Felicia Wittebane: You have 375 years of justice coming to you!

Suddenly, Felicia Wittebane's blue eyes turned neon blue and she was surrounded by a black energy aura with dark magic, palismen, mythological creatures, and dark forces, and as she approached Boscha, she left black energy, dark magic, palismen, mythological creatures, and dark forces with every step.

Felicia Wittebane: We're not going to let you get away with everything you did over the centuries and we're going to make sure that your malevolent influence is gone from both Earth and from the world of the Boiling Isles once and for all, Phillip and your genocidal trickery and heartless crimes of seeing everyone and everything in The Demon Realm die at your hands is nothing short of madness. Justice is coming to you!

Suddenly, Felicia Wittebane was surrounded by a massive vortex of black energy with dark forces and dark magic surrounding the vortex, there are palismen and mythological creatures flying around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Felicia Wittebane emerged, but she was changed forever.

Emperor Belos: WHAT TRICKERY IS THIS!?

Felicia Wittebane: (Divine Echoing Cosmic Voice of The Dark Magic Supernatural Demon Raven and Divine Supernatural Dark Magic Hope) **Something that I learned from all my friends! Now you will feel its power!**

Albedo turned into Negative Ultimate Alien X.

Negative Ultimate Alien X: This is fitting against you!

Nico: Nice!

Me: Yeah! I've had it with this monster!

I transformed and went Super Angel Celestial Eternity Xelnaga.

Me: (Divine Cosmic Echoing Elemental Celestial Voice of Friendship, Virtue, Justice, Love and Hope) **Time for justice to prevail like always!**

Kaito and Zocks: Zenkaiju gear!

They donned their Zenkaiju gear.

Nico: Awesome! (GOES SUPER SAIYAN 7!)

May: YEAH!

Emperor Belos: You learned some new forms!

Qin: We all have!

Nico: Now prepare for some buttwhooping.

We went at him.

Felicia kicked him in the face and teleported as he was flying and then kicked him in the back of the head and smashed him into the floor.

Sougo: (gets out Zi O II Ridewatch) You may be powerful!

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz: (gets out Ixa Ridewatch) But so are we!

Armor Time! (Ixa Knuckle beeping, followed by rock music) Ready! Ixa!

Sougo became Zi O II while Geiz got IxaArmor.

Nico: We're just more powerful than you.

We brutally blasted and smashed and pulverized him and Felicia fired waves of dark magic and they hit Belos and extracted all the Titan's Blood and the dark magic and all the Palisman Spirits and freed them. Then she fired a wave of light magic and removed the curse he was afflicted with and then got rid of his powers.

EMPEROR BELOS WAS DEFEATED! He was now just PHILLIP WITTEBANE!

Phillip Wittebane: What the? This isn't over!

He tried to use his magic but NOTHING HAPPENED!

Phillip Wittebane: What happened!? What did you do to me!?

Felicia Wittebane: **I stripped you of your magic and your powers and freed the Palisman Spirits from you and also I used my magic to remove the curse you had on you. And I made you normal again. Consider this a final act of mercy from me. You're going where you truly belong.**

Luz: And that is prison!

Onewa: (laughs) Don't worry. You'll get to eat good prison food!

Me: **It'll be better than the garbage you ate.**

I slapped the cuffs on him and then beamed him to a cell in the Neptune Prison where it was lined with magic that will prevent dark magic, Number Cards, Dark Orbs or any form of otherworldly or Satanic Magic from getting him out.

Nico: Awesome!

Felicia Wittebane: He may have done bad but he is still family.

Xenia: He is.

Eli: And the Another Alien is going to appear right about… now.

A figure came out and it was a black and purple version of ULTIMATE ALIEN X! It was ANOTHER ULTIMATE ALIEN X!

Me: **WHOA! This one is more powerful! Another Ultimate Alien X!**

Laney: Oh man! This one is Omnipotent.

Nico: Yep.

Another Ultimate Alien X: (In a girls voice) Yeah it's cool.

Me: (Gasp) **Elaine Summerston!**

Another Ultimate Alien X: Yeah and it's awesome to see you again J.D.

Me: **Same here.**

Nico: You know her?

Me: **Yep. Elaine is a Superhero named Bikiniella and she is a voluptuous and sexy superhero and she is also a stripper.**

Nicole: Oh boy.

Qin: Yeah.

Maria: Did Swartz promise you anything?

Another Ultimate Alien X: No.

Me: **Let me guess, you seduced him and he fell over from a love nosebleed launch.**

Another Ultimate Alien X: Yes! How did you know?

Me: **Same thing happened to him with a couple others.**

Nico: It's true.

Laney: Yeah he had one heck of a pervy side to him though.

Nicole: Now I'm REALLY glad we destroyed him.

Lana: So is the world.

Laney: Yeah no kidding.

Me: **Sorry we have to fight like this Elaine.**

Another Ultimate Alien X: No worries. Hit me with your best shot!

Nico: (takes out Yost Kang's Ridewatch) This is the one good for this fight!

Nico fired laser blasts and smashed Another Ultimate Alien X down.

Another Ultimate Alien X: Awesome one. But watch this.

She fired an energy blast and it hit Seya, Shizuka, Rei, Saeko, Miku, May and Camie and they were all in smoking hot bikinis of different colors and it was really awesome.

Another Ultimate Alien X: There. Now those are smoking hot.

Miku Yuuki: Wow! I look awesome in this one!

Camie: Me too!

May: Same here. (Strikes a pose) Like what you see Nico?

Miku Yuuki: How do we look J.D.?

Me: **Hubba hubba!**

Camie: (Laughs) It's awesome.

Nico: (Steam Toots) WHOA!

We laughed!

Onewa: My turn!

He activated his Ridewatch for KGBeast and he fired laser and stone blasts and smashed her down!

Nico: YEAH!

Another Ultimate Alien X snapped her fingers and Nico was knocked into me!

CRASH!

We were on the ground and I saw that MY HEAD WAS ON NICO'S BODY AND NICO'S HEAD WAS ON MY BODY!

Nico: What the!? HEY!

I laughed at this.

Nico: Okay this is funny!

I twisted my head and popped it off and Nico did the same and we put our heads back on our bodies.

Me: **Okay that was funny!**

Nico: To be fair, our heads are still intact!

Me: **But they were on the wrong bodies.**

Another Ultimate Alien X: But that was funny. I saw that on TV and thought it would be funny.

Me: **You got to admit it was silly.**

Maria: Yeah!

May: (LAUGHS) It sure was funny.

Another Ultimate Alien X snapped her fingers again and Nico started floating helplessly in the air.

Nico: HEY! GET ME DOWN FROM HERE!

Me: **I have a feeling this one is gonna be funny. Elaine also has a mischievous side to her.**

Qin: Oh boy.

Xenia: Yeah. What are you gonna do?

Another Ultimate Alien X then made Nico land on top of Onewa.

SMASH!

Onewa: OW!

Me: **OOH! That has to hurt.**

Qin: Ouch.

Another Ultimate Alien X: Not done yet.

She snapped her fingers and made Nico float again and then she snapped her fingers and flew right into the valley of May's chest and knocked her down.

May: Whoa!

Nico saw where he was and looked up and saw May.

May: (Seductively) I didn't know you wanted to have sex again Nico.

Then Nico got blasted back with a powerful nosebleed that sent him flying and he crashed into Another Ultimate Alien X and smashed her down!

Me: **Okay that was funny!**

Nico got up and he was dizzy!

Nico: Please let the next Gene Slammer appear before I'm humiliated any further!

?: Actually you are all right here inside me Nico!

Nico: Wait that voice! Celine Kirlian!? Where are you?

Celine Kirlian: That's a very difficult question to answer. You might say that I'm everywhere around you. I'm the prison you are in.

Me: **WHOA! You are this whole prison?**

Celine Kirlian: Yeah I'm Number 68: Sanaphond the Sky Prison.

Nico: WHOA!

The whole prison glowed and we were back on the surface of the planet and we saw a girl with pink hair and magenta and purple clothes and also she had the number 68 emblazoned on her forehead.

Celine Kirlian: That was cool though. I got this.

She fired waves of energy and smashed down Another Ultimate Alien X and she was back to normal and I caught the ridewatch and purified it and then I went over to Elaine and she was a girl with purple hair and a black voluptuous bikini and had a voluptuous physique.

I picked her up.

Elaine Summerston: (Groans) What a horrible headache.

Me: **But you're back to normal.**

Celine Kirlian: Sorry you were embarrassed like that.

Nico: No worries. It's very fitting that you were Sanaphond the Sky Prison.

Celine Kirlian: It sure is.

Onewa: What's your favorite memory of Nico?

Celine Kirlian: My favorite was where me and Nico busted a notorious drug gang and it was the biggest drug ring ever.

Nico: I remember that. It was a huge ring where we took down 500 Heroin Producers.

Qin: Whoa! I remember seeing that on the news. They got sentenced to 500 years in federal prison.

Varie: Wow!

Camie: Yeah!

Nico and Celine hugged.

Nico: I've missed you Celine.

Celine Kirlian: Me too Nico. Me too.

Onewa: Eli, did you know we were inside her the whole time?

Eli: To be honest no I didn't.

Qin: Wow that is unusual.

Me: Yeah.

Eli: It looked like a prison.

Nico: Strange. But lets head home.

We left the simulator and powered down.

Me: Feel better Felicia?

Felicia Wittebane: I sure do feel better.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, The Dynasty Warriors, The Samurai Warriors, TLPS Ms. Tarantula, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, Timmy Turner, Cosmo, Wanda, Poof, Trixie Tang, and Pohatu are heading to Greyfriars Kirkyard in Edinburgh, Scotland, and not only is Lincoln going to rescue the nine girls here, but we're going to exorcise the cemetery of the spirits that've haunted Greyfriars Kirkyard since they were accidentally released in 1998 and help the trapped spirits rest in peace.

Lincoln: Whoa, we're here in Greyfriars Kirkyard in Edinburgh, Scotland, and I know what we're going to do here, not only am I going to rescue the nine girls here, but we're going to exorcise the cemetery of the spirits that've haunted Greyfriars Kirkyard since they were accidentally released in 1998 and help the trapped spirits rest in peace.

Duke Lincoln: (Scottish Accent) I never thought that one of your rescues would be right here at the most haunted spot in Scotland.

Lucille: (Scottish Accent) Greyfriars Cemetery, the haunted abyss of tortured spirits.

Me: Cemeteries have always been hotspots for paranormal activity and many sightings of spirits for decades.

Nico: But, Greyfriars has a dark history going back to the 17th Century.

Lincoln: And since my family's ancestors lived in the 17th Century, they knew what happened here over 400 years ago, and thanks for joining us, Pohatu.

Pohatu: You're welcome, Lincoln. So, what's the story behind Greyfriars Cemetery?

Duke Lincoln: (Scottish Accent) It's not a good one, lad. In 1649, The Black Plague held Edinburgh in a terrifying grip, and 2% of the population of the population were buried alive. They were so scared of getting the plague, they'd faint and they'd wake up inside a coffin, and some of the coffins here in Greyfriars don't have bells to alert anyone that you're alive, and that was a stupid move since they're a few feet under the ground. But, The Black Plague of 1649 was just the beginning of Greyfriars' grisly history.

We arrived at Greyfriars Cemetery, and we felt all the dark spirits here, along with the cries of the trapped good spirits crying for help and Lincoln's ghost sense went off. Suddenly, our rainbow energy auras had flared up as we were sucking in all of the negative energy and we were gaining a massive power and energy boost and we were getting stronger and stronger and stronger still.

Lincoln: Whoa, this is a really heavy presence here, I can feel it, and all of the dark spirits aren't going to leave Greyfriars Cemetery that easily, but we sucked in and absorbed all of the negative energy that's festered here for over 400 years.

Me: Yeah.

We then head for a locked section in the back of the graveyard.

Duke Lincoln: (Scottish Accent) This here is The Covenanters' Prison, and ironically enough, this very prison was made to imprison The Covenanters, Scottish Protestants who defied King Charles I, and so many Covenanters died here for defying King Charles I. After they were executed, they were buried right back here in Greyfriars Cemetery.

Nicole: And this was during the time of The Protestant Reformation and of course, the long rivalry that Scotland had with England, so yeah, it was going to be bloody.

Lincoln: And in 1998, the tormented spirits of Greyfriars were unleashed by a vagrant who took cover here to avoid the rain, but he accidentally cracked open the tomb of George MacKenzie releasing the dark spirit that was trapped here for 400 years.

The Louds' Scottish Ancestors and Lincoln's Guardian Angels from Scotland growled in anger.

Melanie McPherson: (Scottish Accent) Bloody George MacKenzie, that bloodstained man turned this entire churchyard into a death camp for the Covenanters, and he was responsible for the deaths of 18,000 Covenanters, thus earning him that evil nickname.

Lucille: (Scottish Accent) Aye, what a monster, and the stories about him were so horrific! And ever since the disturbance of the crypt, 63 visitors were mysteriously attacked near his tomb.

Lincoln: George MacKenzie was the one behind the attacks, and there were two exorcisms performed here to cleanse the cemetery of the spirits, but after the first exorcism, the minister who performed it died, and some believed that the dark forces were too powerful for him, and the second exorcism did not work. Now, The Covenanters' Prison is off limits to tourists, and I don't blame them. Well, now it's our turn.

We went outside and Lincoln took to the air, and we followed him. Then, he made a massive green magic circle with Celtic knots and Celtic symbols and runes on the ground which then surrounded Greyfriars Cemetery. But, we also felt the presence of the dark spirits trying to resist, but Lincoln was ready. He took out his Flute of

Ogma, and he began to play a beautiful melody, and the dark forces of Greyfriars Cemetery were roaring in anger as they were eventually forced out of Greyfriars Cemetery and put into a Celtic knot magic circle to keep them from escaping, and Lincoln's melody continued to calm and soothe the angry spirits, and they were freed from the dark forces, and Greyfriars Cemetery has been exorcised for good and the magic circles disappeared, and the spirit of George MacKenzie is sent to Hell forever for what he did.

Me: Wow, that was one awesome exorcism.

Laney: And thanks to the exorcism, Greyfriars Cemetery is now finally calm.

Lucy Loud: And all the trapped good spirits and the tormented spirits have finally been freed, and the suffering they've endured for over 400 years has been lifted.

Duke Lincoln: (Scottish Accent) At long last, all the souls of those trapped here can now rest in peace.

Lincoln: That's right, Duke Lincoln, but we're not done here yet. I also got word that Dark Kat has come back from the dead and he wants revenge on us.

We gasped. Then, Aylene Carter, T-Bone, Razor, and Kira arrived here, along with their new member, Apex, and Commander Feral, Felina Feral, and Callie Brigs.

T-Bone: Lincoln's right, and when we found out, we had to get here as fast as possible.

Razor: And we're going to tear him to shreds.

Lincoln: You said it, Razor, we're sending his butt to The Black Gates for good, and he should be on the attack right… now!

?: HEEEEELLLLLP!

Suddenly, Lincoln heard the sound of nine girls calling for help, along with the sound of sadistic and maniacal laughing in the air. With his deep sapphire blue cyborg eyes, rainbow colored iris of his

Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the nine girls, but they've been cornered by Dark Kat, and he's going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the nine girls, but they've been cornered by Dark Kat, and he's going to kill them.

?: (Girl's voice) Why, that evil sadistic monster! Let's send him to Hell for good!

Suddenly, we saw Gabrion the Timelord appear before us.

Nico: Whoa, that's Gabrion the Timelord, awesome.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Laniya Emperyous, but we'll talk later, time to rip Dark Kat to shreds for what he's done.

We rushed on over, and right before Dark Kat could claim his next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Dark Kat, and that allows the nine girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Dark Kat, and when Dark Kat saw us, he roared in insane anger.

Dark Kat: Team Loud Phoenix Storm, I will kill every last one of you for ruining my plans to destroy all of Megakat City! YOU WILL ALL DIE!

Lincoln: I should've known you'd still be pissed at us for what we did to you, but you brought this all on yourself, Dark Kat. But, now it's time we got rid of you once and for all!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel

This made Dark Kat even more angry as he roared and charged at us like a rampaging bull, but The Swat Kats fired Matchstick Missiles at him and he was burned badly, and then, Lincoln slashed open Dark Kat's stomach and his guts spilled out, and he slashed Dark Kat's head clean off his shoulders and mounted it on a stake. We cheered wildly as we holster our weapons and powered down.

Then, Dark Kat's spirit appeared and he was still pissed off.

Dark Kat: I don't even care that I'm dead, I won't stop until I kill every last one of you!

Lincoln: No, this is the end for you, Dark Kat.

Lincoln chained Dark Kat with spirit chains and he drew the Judgement Kanji on his forehead, and he was then erased by The Black Gates for his crimes.

Lincoln: That's another haunted location exorcised and we're finally rid of Dark Kat for good. (To Laniya Emperyous and Leina Mobius) And it's good to see you again, Laniya Emperyous.

Laniya Emperyous reverted back to normal, and she was a beautiful girl with long flowing black hair, aqua blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has the symbol of Water on her forehead and massive and beautiful white angel wings with stars in them, and she was dressed in a sleeveless aqua blue midriff top, long aqua yellow skirt with the Sephiroth Tree of Life on it, aqua blue pants, aqua blue legwarmers, aqua blue sneakers, and long white sleeveless trenchcoat with water and angels on the coattails and Gabrion the Timelord on the back and holstered on her back is a large Gabrion the Timelord-themed greatsword with Gabrion the Timelord etched on the 7'0" massive, wide, double-edged aqua blue blade, large aqua angel wings for the crossguard, large aqua blue gem embedded in the rainguard, longer midnight black handle, four large aqua blue angel wings and a large aqua blue gem below the angel wings for the pommel.

Laniya Emperyous: You too, Lincoln, it's been a long time, and it's good to see you, Selene, Zaina, Vorya, Sandra, Sadie, Rachel, Michelle, Melanie, Laney, Camie, and Valentine.

Selene Emperyous: You too, Laniya.

Lincoln went up to Laniya Emperyous and he hugged her, and Laniya Emperyous was very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Laniya Emperyous: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new, you can land an airplane on that more wider and more muscular back, squash a melon with those quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Linc, you know her?

Lincoln: Indeed I do, Nico, this is Laniya Emperyous, she's my Guardian Angel from Michigan and the sixth youngest child and the second of the two Water Masters of the Emperyous Sisters, Laniya has powerful water powers as well as the powers of the Archangel Gabriel and she also has a powerful fighting style that earned Lynn's respect.

Nico: Whoa, now that's really awesome!

Selene Emperyous: You got that right, she's the martial artist and the champion of Gabriel, the Archangel.

Lynn: Yeah, her powerful fighting style is something to be respected and feared, and she took on Lori at her absolute worst and she hates Lori with a brutal vengeance and wants nothing more than to kill her.

We gasped.

Lincoln: Yeah, I still remembered what Laniya did to Lori long ago, but, we'll hear that later on, and the rest of you are going to like it.

Nico: Uh oh, so we got a revelation coming up: and it's one about Lori

Suddenly, an Elemental Thunderbird Necklaces of Eternal Love appear around Laniya Emperyous' neck with aqua blue gems on the gold thunderbolt links and aqua blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Laniya Emperyous: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of harem and my many future wives, Laniya.

Laniya Emperyous had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Laniya's waist and Laniya Emperyous wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the nine girls, and when Lincoln saw them, he recognized them immediately. The nine girls are Kousetsu, Kirei Kisegawa, Shione Kouzuki, Kominami Mitsuhashi, Ryouko Suzunone, Satomi Tsubaki, Reiha

Tsuge, Midori the Green Samuragouchi Mandara, and Pinku the Pink Samuragouchi Mandara from Ittoki the Ninja.

Nicole: Awesome.

Lincoln: Are you girls okay?

Kousetsu: Yes, we're okay, thanks to you.

Then, when Kousetsu and the eight other girls saw who it was that saved them from Dark Kat, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future

Kousetsu: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made eight clones of himself, and he and the eight clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Kousetsu: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Thunderbird Necklaces of Eternal Love appeared on the necks of Kousetsu, Kirei Kisegawa, Shione Kouzuki, Kominami Mitsuhashi, Ryouko Suzunone, Satomi Tsubaki, Reiha Tsuge, Midori the Green Samuragouchi Mandara, and Pinku the Pink Samuragouchi Mandara with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, We returned home to the World Tree Estate, and the rest of the team heard of what we did in exorcising Greyfriars Kirkyard and helped all the spirits who were trapped here cross over to the afterlife, and they were shocked when they found out the villain we went after was Dark Kat, who'd returned from the dead to get revenge on us for killing him long ago.

But, when Lincoln showed what we did to him and what he personally did to him, along with sending her to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Laniya Emperyous have a lot of catching up to do, now that she's back in town, and now, we were finally rid of Dark Kat forever, and he's never ever coming back.

Maria: I can't believe Dark Kat came back from the dead.

Lincoln: That furball just doesn't know when to quit, but we made sure he'd never return ever again.

T-Bone: You said it, Lincoln, and Nico wasn't kidding of what we saw: it was almost the same thing you did to Stern Fern yesterday after you guys exorcised Hunedoara Castle.

Girl Jordan: Yeah, and now, we're finally rid of Dark Kat for good.

Nico: You got that right, Girl Jordan.

Commander Feral: Dark Kat has terrorized all of Megakat City for years, and no one has been able to stop him. But, years ago, he met his end and he was sent to The River of Fire, but knowing him, he just doesn't know when to quit.

Lincoln: But, now it's over, Commander.

Felina Feral: That's right, Dark Kat's gone for good, but we still got a lot more of our enemies to deal with, and those we killed long ago could come back from the dead.

Lincoln: That's true, but they could be candidates for The Masters of Evil, look at what happened with Rex Shard, he's now the archenemy of Jesse Anderson, Cholan the Carbuncle, and The Crystal Beast Gene-Slammers.

Nico: You got that right, Lincoln. But, we got to be careful with our choices for them, what if they still hold a grudge against us?

Me: Then, that'll be left to Lincoln to give them the Hinon's Vengeance Curse.

Lincoln: That's right.

---

After we exorcised the dark spirits from Greyfriars Kirkyard and finally got rid of Dark Kat for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Laniya Emperyous saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Laniya Emperyous: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever. He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Laniya, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Laniya Emperyous: That's incredible.

Nico: It sure is. So, Laniya, what is this horrible revelation you have on Lori? We've already heard the other revelations from your other sisters.

Laniya Emperyous: Oh, you aren't going to like this one bit. I was going for a walk through Franklin Avenue, but then, I felt something very dark coming from The Loud House, and I know that Lincoln was in trouble, so I ran to The Loud House and I ran upstairs and I saw that Lincoln's room was all boarded up, and then, I felt a moan of pain and anguish coming from Lincoln's room. I took down all the boards and got inside, and what I saw would haunt me for the rest of my life: it was Lincoln, and he was not only in his underwear, but he was all chained up and he had slash marks all over his body and there was a pool of blood on his bedroom floor and he was left starving for more than five weeks. I screamed extremely loud and the other Louds came in and when they saw Lincoln in this condition, they also screamed in horror. Leni picked all of the locks and Lincoln was freed. I then used my water powers to heal Lincoln's wounds, and then, I'd allowed him to feed on my blood and he recovered. He then told me of who did the dirty deed: Lori.

We gasped in horror.

Laniya Emperyous: I knew it would get you guys, but this hadn't been the first time she tried to have Lincoln die by locking him up in his room and starving him to death. Eventually, I became extremely pissed off at Lori, and when Lori and her parents came back home and we told the parents what Lori did, they were horrified and when Lori saw Lincoln freed of his shackles and healed and recovered, Lori became extremely pissed and she punched her parents away and tried to kill Lincoln again, but I pounced on Lori and I began beating her up badly, and when I was done, I told Lori that I now hate her with a brutal vengeance and if I ever saw her again, I was going to kill her.

We were really really horrified, and Nico was extremely furious.

Nico: You've done some really low things before to kill your own brother, Lori, but this really takes the cake!

Lincoln ran up to Nico and hugged him by the waist, and Nico then returned the hug, and Lincoln who was still hugging Nico was calming him down.

Lincoln: It's okay, Nico, it's okay. I admit what Lori did was the most lowest thing she could ever do, but I'm still alive, thanks to Laniya for saving me.

Me: Lincoln's right, Nico, he's still alive and well, and I was also there that day, and when Lincoln told me of what Lori did, Varie marched up to Lori and punched her hard in the face and gave her a black eye.

I showed the photo of what Varie did to Lori to Nico, and he cooled down, and Lincoln let go of Nico.

Nico: Okay, now I'm better. But, still what that bitch Dark Lori has done, she deserved The Black Gates, she's even worse than Icky Vicky.

Lincoln: I said the same thing to Lori that day after Mom and Dad grounded her for fifteen weeks and they were dragging her to Vanzilla to stay at Aunt Ruth's for four months, and that got her riled up.

Me: Yeah, she hated being compared to Icky Vicky.

Nico: Yeesh.

We got a shower afterwards, and then, my harem and I were heading to Aquatic Mine

I snapped his fingers, and I was dressed in large red swim shorts with a phoenix surrounded by elemental forces and stars on it and white flames coming off the swim shorts, red sandals, my jewelry, gold metal bands on my massive biceps and thighs, and I had my weapons holstered in case of trouble, and my harem were were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Varie: Wow, so this is Aquatic Mine, awesome.

Me: Yep, and it's perfect for our date, Varie. Shall we?

My harem and I dived in and we explored the place, and we also had a swimming race, and we also had a lot of fun, and we went to the shore and we had a game of volleyball and my harem got a massive and extreme deep atomic red blush on their faces when they saw me lift up a 900,000,000,000,000-lb barbell I summoned. Then, we had some lunch, and then, I made clones of myself, and the clones and I went up to the girls in my harem and we hugged the girls in our abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of my clones and I, and they placed their right hands on the massive wide and muscular left pecs of my clones and I, and we shared a passionate and romantic kiss, and then, we came back home to The World Tree Estate and they were back in their original clothes, and Nico and Lincoln also saw I had lipstick marks all over my face, massive and muscular upper body, and eight-pack abs.

Nico: Hey, J.D., how was your date?

Me: It was so awesome, Nico. We went to Aquatic Mine for an exploration.

Lincoln: Wow, you guys sure had fun there.

Varie: We sure did.

Rayman: Awesome, and now, we got to get ready for Cornelia's third Ambassador mission with Zayto and his team.

Me: Not till tomorrow.

Rayman: Oh.

---

At the beach we were relaxing and having a good time.

Me: Ahh. This is the life.

Qin: Boy it sure is.

Xenia: Yep.

Poromon: Hey guys look at the new toy Horsea got!

Mercurymon: What's the new toy you guys got?

Horsea: Check it out.

She showed us a Cow In A Can Toy.

Me: A Cow in A Can Toy. I haven't played with one of those in years.

Qin: Been a long time since I saw one of those.

Horsea tipped it and then…

MOOOOOOOOOOOOOOO!

Qin: Whoa.

Rolf: Rolf thinks a cow got stuck in the can.

Luz: This is actually a pretty funny toy.

Nico: It sure is.

Rolf: Rolf thinks this toy is amusing Seahorse Water Mascot Girl.

Horsea: Thanks Rolf.

But then the seagull that Horsea faced earlier came.

Me: Oh boy. Not that seagull again.

The seagull tried to grab the toy but Horsea hit its eyes with ink.

SQUIRT! SPLAT!

Horsea: My toy!

The seagull tried charging at her but Horsea tackled it through a car and into a building. That's when they started beating each other up.

Skalor: Looks like it's Horsea vs Seagull part 2. Place your bets!

Me: Horsea.

I put $500 on Horsea.

It was a brutal and powerful fight.

HORSEA LATER WON! But she was brutally mangled up and hurt.

Searchlight: Well, Horsea. I hope you're proud of yourself. It's not moving!

Horsea: (smugly) Serves it right for trying to touch my stuff.

With that, we went back home. But unknown to us, the seagull's eyes opened, indicating that it will fight Horsea another day!

UH OH! CHICKEN FIGHT ROUND 3 COMING!

---

We later arrived back at the estate.

Nico: Now it's time for our next mission.

Nico: J.D.'s team will include Riley Anderson, Yuna, Stella Nox Fleuret, Rikku, and Yuffie. Ed's team will include Lori Jimenez, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, and Pipp Petals.

Nico: Yes you all can come with.

Mr. Fibb: (to Horsea) You still want to come despite the fight you just into?

Horsea: Why not? Peter Griffin was able to continue his regular life despite the injuries he sustained against Ernie!

Mr. Fibb: That is a good point would you agree Mr. Wink?

Mr. Wink: Indeed Mr. Fibb.

Rishu: So what's our mission?

Nico: We're going to the world of Frankenweenie.

Billy Numerous: I love that movie!

Rishu: Me too.

Nico: We're going to watch the movie before we head out.

Me: Okay.

We got to watching it.

Victor Frankenstein, a young scientist and amateur filmmaker, lives with his parents and his beloved bull terrier dog, Sparky, in the quiet town of New Holland. His intelligence is recognized by his classmates at school, who include his somber next-door neighbor, Elsa Van Helsing, the mischievous Edgar "E" Gore, the obese and gullible Bob, the overconfident Toshiaki, the creepy Nassor, and an eccentric girl nicknamed "Weird Girl", but he does not interact much with them due to his relationship with his dog. Concerned with his son's isolation, Victor's father encourages the boy to take up baseball. When Victor hits a home run at his first game, Sparky chases the ball and is struck and killed by a car, leaving Victor despondent.

Inspired by his new science teacher Mr. Rzykruski's demonstration of the effect of electricity on dead frogs, Victor digs up Sparky, brings the dog to a makeshift laboratory in his attic, and successfully reanimates his old friend with a bolt of lightning. While Victor is at school the next day, Sparky escapes from the attic to chase Weird Girl's cat, Mr. Whiskers, and subsequently explores the neighborhood. He is recognized by Edgar, who blackmails Victor into teaching him how to raise the dead. Together, the two resurrect a dead goldfish, which turns invisible due to an error with the experiment. Edgar brags about the fish to his classmates, but when he tries to show it to a skeptical Nassor, it is gone, leading him to speculate that the revived creatures only last for a short time.

Fearful of losing the upcoming science fair, Toshiaki and Bob make a rocket out of soda bottles, and Bob breaks his arm when they test it. Mr. Rzykruski is blamed for the accident and fired by the adults, who are confused by and jealous of his intelligence. The Gym Teacher replaces him, but, before Mr. Rzykruski leaves town, he is able to talk with Victor and advise the boy to use science wisely. Edgar accidentally reveals to Toshiaki, Nassor, and Bob that he and Victor had brought the invisible fish back from the dead, and that Victor had done the same with Sparky, which inspires them to try reanimation themselves.

Victor's parents discover Sparky in the attic and are frightened, causing the dog to flee. His father starts to talk to him about the seriousness of what he has done, but Victor tearfully tells them that he just wanted his dog back, so his parents decide to help him find Sparky and continue the conversation later. When the family leaves, Victor's classmates invade the lab and discover the reanimation instructions. They perform their experiments separately, but each of their dead animals is turned into a monster: Mr. Whiskers holds a dead bat while he is electrocuted, resulting in him becoming a grotesque vampiric feline; the dead rat Edgar found in the garbage turns into a wererat; Nassor's mummified hamster, Colossus, comes back to life; Toshiaki's turtle, Shelley, is covered in Miracle Gro and becomes a huge Gamera-like monster; and Bob's Sea-Monkeys grow into Gremlin-like amphibious humanoids. The monsters converge on the town fair, where they wreak havoc.

After Victor finds Sparky at the town's pet cemetery, Bob and Toshiaki find him and ask for his help dealing with the monsters. They go to the fair, where the Sea-Monkeys explode after eating salted popcorn, Colossus is stepped on by Shelley, and the wererat and Shelley both return to their original, deceased forms after getting electrocuted. During the chaos, Persephone, Elsa's pet poodle, is grabbed by Mr. Whiskers and carried to the town windmill, with Elsa and Victor giving pursuit. The townsfolk blame Sparky for Elsa's disappearance and chase him to the windmill, which Elsa's uncle accidentally ignites with his torch. Victor and Sparky enter the burning windmill and rescue Elsa and Persephone, but Victor is trapped inside. Sparky rescues Victor, only to be dragged back inside by Mr. Whiskers, who is fatally impaled by a flaming piece of wood just before the windmill collapses, killing Sparky again. To reward him for his bravery, the townsfolk gather and revive Sparky with their car batteries. Persephone runs to Sparky and they touch noses, producing a spark.

---

When it was done we were amazed and then cheered wildly!

Qin: Wow! That was awesome!

Nico: It sure was!

Laney: Yeah!

Lana: So our target is that cat Mr. Whiskers.

Nico: Yep.

Rishu: Yeah every time Mr. Mittens watches this movie with us he always freaks out at the sight of Mr. Whiskers. He hates how he looks.

Me: Who can blame him?

Camie: What does it say about Mr. Whiskers?

Me: It's not pretty.

I pulled up his info.

---

**Mr. Whiskers** is the climax's and therefore main antagonist of Disney/Tim Burton's 2012 stop-motion animated film *Frankenweenie* . Mr. Whiskers is Weird Girl's pet and she thinks Mr. Whiskers can see the future.

His vocal sound effects were provided by Michael Welch, who also played Larry in *Fillmore!* .

Although he is the main antagonist, he shows no signs of villainy before his mutation with a dead bat. Mr. Whiskers appears in the beginning as a white fluffy Persian cat while Weird Girl carries him where Victor and Weird Girl met after school and his poop tells the sign of the future. At Frankenstein Family Home, Mr. Whiskers spotted out the Attic, he went to taunt Sparky and he chases Mr. Whiskers and went on top of the flamingo statue and causes Sparky to mess up Mr. Burgermeister's garden. Next scene, he found out Sparky was alive when he explore around town.

When the other Kids find out Victor's Secrets, They reanimate the dead animals come back to life but worse, Mr. Whiskers had the dead vampire bat Weird Girl was using as an experiment to make the bat come back to life, but she mistakenly shocked Mr. Whiskers with the bat in his mouth. When the Weird Girl's experiment was complete, she saw Mr. Whiskers beginning to change, the vampire bat began taking over his personality. He grow fangs that become bigger and sharp, his neck became long and his fur became black and spiky and his arms and legs stretched big and scrawny, eyes changing into ugliest big eyes and his big bat wings sticks out of his back and becomes a hideous Vampire Cat. Showing no traces of the what once was Mr. Whiskers, the vampire cat flies menacingly and went out of the house and terrorizes people with other monster pets.

When The Monsters are defeated and change back into dead animals, the Vampire Cat swooped down and kidnapped Persephone and brought her to The Windmill. When Elsa reach to the mill to save Persephone, The Vampire Cat is about to scare and attack Elsa and Persephone but Victor and Sparky came to rescue from him. Sparky fought the Vampire Cat. During the fight, Mr. Burgermeister accidentally held his torch to the mill and set it on fire. Elsa and Persephone escapes out of the mill but the Vampire Cat attacked Victor and the two of them fell deeper into the windmill. Sparky dragged Victor out of the windmill and to safety, but the Vampire Cat grabbed Sparky and dragged him back into the windmill. Sparky and the mutated bat-cat begin to fight each other and the Vampire Cat was winning until a stake fell down towards the Vampire Cat, who was unaware of this as he was too busy attacking Sparky. The Vampire Cat was impaled by the stake and gave a screech of pain and hung his head, dead, just as the windmill collapsed on him and Sparky.

---

When it was done, we were shocked!

Qin: GEEZ! He's a vampire cat!

Nightshade: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to meet one for Number 56: Gold Rat next..

Me: Ooh! A golden one.

Qin: Yeah and we encountered a bad guy that had that one and he was using a banana to rob a bank while under its influence.

Me: How stupid can you get? And that was when we helped Ren and Stimpy with getting wealth in wieners and we found out that wieners are worth their weight in gold.

Nico: Yep.

Camie: Yeah no kidding. But that one will be cool.

Katz: Whiskers is a disgrace to cats like myself.

Hank Scorpio: And it's only fitting that we help a dog and his owner kill him.

Me: Agreed!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow

colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, and they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was Gotham mad scientist Jason Woodrue, and a foe that Poison Ivy and Batman know all too well, and he's come back from the dead to get revenge. When we saw that, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us today?

Lincoln: You guessed it, Nico, and Pamela, Bruce, you two aren't going to like it: the dark energy signal I sensed belongs to Gotham mad scientist Jason Woodrue, a foe you both know all too well, and he's come back from the dead to get revenge.

We gasped in shock.

Poison Ivy: (Gasps) I never thought that lunatic would ever return, but I knew it was going to happen eventually.

Nico: Same here, Pamela.

Batman: Either way, he needs to be put down for good.

Poison Ivy: Yeah, but the question is, who's going to face him?

Selene Rosesanglante: (French Accent) That'll be up to me and Linky, Pamela, if that lunatic wants to mess with nature, he's going to learn a very harsh lesson.

Lincoln: You got that right, Selene.

Nico: Mess with Mother Nature and there's going to be bloody consequences. Alright, gang, let's go, we're going to meet Victor Frankenstein and his dog, Sparky.

Lincoln: Not to mention, we're going to kill that undead cat, Mr. Whiskers, and once we get through with that undead evil kitty, you're next, Jason Woodrue.

Nico: Same here. He lives in New Holland, Pennsylvania. Lets head

out!

We were off to New Holland.

---

Victor Frankenstein: I know. But I'm glad you all are here. We got trouble.

Me: Don't tell me, Mr. Whiskers is back and he is out to destroy us.

Victor Frankenstein: Yes! That's right!

Alice Gehabach: If the mascots died, Nico, Maria, and May would be devastated.

Hydranoid: They sure would.

Manaphy: They would.

Qin: Yeah they would.

Eli: I don't even want to imagine what that would be like.

Xenia: Me neither.

Gali: Awesome! Looking forward to this.

Hitoshi: Me too! This will be awesome.

Nico: Mr. Whiskers has used up all of his 9 lives already.

Qin: You got that right.

Merman: But he's not very big compared to the scumbags we usually fight.

Luna Ghost: He could be anywhere.

Me: But we have a way to find him.

Eli used the Force to find Mr. Whiskers.

Eli: He's over by the lake 35 klicks to the southeast.

Qin: Then that's where we need to go.

Me: Yep.

Victor Frankenstein: He will pay for his crimes.

Sheep Creep baaed.

Cheetor: I agree there Sheep Creep! He is a bad cat that needs to be stopped! Just because I'm a cheetah doesn't mean I have honor.

Qin: I agree there Cheetor.

Xenia: Same here.

Glue Man: How do we lure him out?

DC Enchantress: I got cat food.

Victor Frankenstein: He's a vampire now. He needs blood.

Me: Good thing I thought ahead.

I pulled out some blood from the blood bank.

Qin: Nice.

Cassandra: But keep the cat food just in case.

DC Enchantress: Okay.

Nico: Now lets head out.

We were off to the lake.

We got to the lake and waited.

Neopolitan Man: Anyone want me to make ice cream while we're waiting?

King Shark: I want some!

Me: Me too.

We got some ice cream.

RD Lisa: I believe it's entrance time.

We saw a figure drinking the blood and it was MR. WHISKERS!

Qin: There he is.

Nico: Lets get him.

We went at him.

Mr. Whiskers was drinking the blood and then the spirits of dogs appeared and then swirled around him and then converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and a phoenix cry was heard and we came out.

Me: Okay you bad kitty! Your 9 lives are history!

Qin: Yeah!

Black Spider: This is far as you go, bad cat!

Nightshade: Your 9 lives are up!

Mr. Whiskers hissed ferociously at us.

Princess Luna: Think of it as a form of retribution.

Chris Taylor, Rarity, Sweetie Belle, Water Skylanders, Anne Boonchuy, Sasha, Marcy Wu, Skalor and Tentakil VS Skalamander - Meeting a Gene-slammer for Gabrion the Timelord

---

Skalamander was next.

Skalamander: (to Chris) I heard you guys met a Gene-slammer for Gabrion the Timelord. What's her name?

Chris Taylor: Her name is Laniya Emperyous and she is a water master.

Rarity: She sure is and she is a great guardian angel for Lincoln too.

Sweetie Belle: She sure is and her story is amazing.

---

Laniya Emperyous: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever. He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Laniya, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Laniya Emperyous: That's incredible.

Nico: It sure is. So, Laniya, what is this horrible revelation you have on Lori? We've already heard the other revelations from your other sisters.

Laniya Emperyous: Oh, you aren't going to like this one bit. I was going for a walk through Franklin Avenue, but then, I felt something very dark coming from The Loud House, and I know that Lincoln was in trouble, so I ran to The Loud House and I ran upstairs and I saw that Lincoln's room was all boarded up, and then, I felt a moan of pain and anguish coming from Lincoln's room. I took down all the boards and got inside, and what I saw would haunt me for the rest of my life: it was Lincoln, and he was not only in his underwear, but he was all chained up and he had slash marks all over his body and there was a pool of blood on his bedroom floor and he was left starving for more than five weeks. I screamed extremely loud and the other Louds came in and when they saw Lincoln in this condition, they also screamed in horror. Leni picked all of the locks and Lincoln was freed. I then used my water powers to heal Lincoln's wounds, and then, I'd allowed him to feed on my blood and he recovered. He then told me of who did the dirty deed: Lori.

We gasped in horror.

Laniya Emperyous: I knew it would get you guys, but this hadn't been the first time she tried to have Lincoln die by locking him up in his room and starving him to death. Eventually, I became extremely pissed off at Lori, and when Lori and her parents came back home and we told the parents what Lori did, they were horrified and when Lori saw Lincoln freed of his shackles and healed and recovered, Lori became extremely pissed and she punched her parents away and tried to kill Lincoln again, but I pounced on Lori and I began beating her up badly, and when I was done, I told Lori that I now hate her with a brutal vengeance and if I ever saw her again, I was going to kill her.

We were really really horrified, and Nico was extremely furious.

Nico: You've done some really low things before to kill your own brother, Lori, but this really takes the cake!

Lincoln ran up to Nico and hugged him by the waist, and Nico then returned the hug, and Lincoln who was still hugging Nico was calming him down.

Lincoln: It's okay, Nico, it's okay. I admit what Lori did was the most lowest thing she could ever do, but I'm still alive, thanks to Laniya for saving me.

Me: Lincoln's right, Nico, he's still alive and well, and I was also there that day, and when Lincoln told me of what Lori did, Varie marched up to Lori and punched her hard in the face and gave her a black eye.

I showed the photo of what Varie did to Lori to Nico, and he cooled down, and Lincoln let go of Nico.

Nico: Okay, now I'm better. But, still what that bitch Dark Lori has done, she deserved The Black Gates, she's even worse than Icky Vicky.

Lincoln: I said the same thing to Lori that day after Mom and Dad grounded her for fifteen weeks and they were dragging her to Vanzilla to stay at Aunt Ruth's for four months, and that got her riled up.

Me: Yeah, she hated being compared to Icky Vicky.

Nico: Yeesh.

FLASHBACK ENDS

Skalamander: Oh my goodness! That is crazy that Lori did that!

Gill Grunt: You're not kidding there.

Anne Boonchuy: What happened with Laniya is crazy.

Sasha: No kidding there.

Marcy Wu: Yeah that was awful.

Skalamander: Boy no kidding. Lets do it!

Chris Taylor: Protect our way of life! FOREST QUEEN DIANA!

In a vortex of leaves came the Forest Queen Diana!

Chris Taylor: And here is this one. I summon Hermos and merge him with RAINBOW DRAGON!

He summoned Hermos and then merged him with Rainbow Dragon and they formed into an awesome new Sword. It was a whip sword with the 7 jewels of the rainbow on it and it had a powerful rainbow light around it. It was called the RAINBOW DRAGON REFRACTION SWORD!

Chris Taylor: This is the Rainbow Dragon Refraction Sword!

Skalamander: Wow! That is awesome!

They fired waves of light, rainbows, jewels, ice and water and smashed him down.

Jason Woodrue: I don't care, you ruined all of my plans, and now, I will have my revenge on you and all of Gotham!

Suddenly, Jason Woodrue transformed into his true form, The Floronic Man.

Nico: What the?

Selene Rosesanglante: (French Accent) He's a disgrace to all those with powers over nature and plants, and I'm going to enjoy plucking that overgrown weed for good.

Suddenly, Selene Rosesanglante's rose red eyes turned neon rose red and she was surrounded by a rose red energy aura with roses, rose petals, rose red fire, and dragons, she unholstered her massive Ruddy Rose Dragon-themed greatsword from her back, and as she approached Jason Woodrue, she left rose red energy, roses, rose petals, rose red fire, and dragons with every step.

Selene Rosesanglante: (French Accent) Jason Woodrue A.K.A. Floronic Man, I will never forgive you for the crimes that you've committed against nature and all of Gotham City, you were the one who'd caused Pamela Isley to change into Poison Ivy and you don't even care about the consequences, and for that, you shall pay the ultimate price with your life.

Suddenly, Selene Rosesanglante was surrounded by a massive vortex of rose red energy with roses, rose petals, and rose red fire surrounding the vortex, there's Ruddy Rose Dragon flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Selene Rosesanglante emerged, but she was changed forever.

Suddenly, Selene Rosesanglante felt a sharp pain on her back, and then, her massive rose red angel wings with black tips on the feathers grew much bigger for her new body, and the coverts have roses on them, and they still give off the sweet scent of roses. Selene Rosesanglante has on a Ring of The Phoenix with rose red gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Selene Rosesanglante's massive Ruddy Rose Dragon-themed large greatsword and all of the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of rose red energy with rose red fire, roses, rose petals, and dragons, and when it emerged, it transformed into Ruddy Rose Dragon's Rose Red Firestorm Greatsword of Rose Red Flame Justice and Rose Red Nature Love, it's a brand-new large greatsword with Ruddy Rose Dragon etched on the 7'0" massive, wide, double-edged rose red blade, large rose red dragon heads for the crossguard, large rose red gem embedded in the rainguard, longer midnight black handle, four large rose red dragon heads and a large rose red gem below the rose red dragon heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with rose red gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of one of Ruddy Rose Dragon's head with rose red gems for eyes and a rose red gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Selene Rosesanglante has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY BLOODY ROSE RED FIRESTORM DRAGON ANGEL OF DIVINE RUDDY ROSE NATURE JUSTICE AND DIVINE RUDDY ROSE FIRESTORM LOVE!

We were amazed by Selene Rosesanglante's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Jason Woodrue saw it, the mad lunatic fell into a rage and summoned some vines to strangle her to death, but Selene's plant powers were more powerful than his, and the vines responded to her and they lashed out at Jason Woodrue, and she also fired a powerful rose red energy blast with rose red fire, roses, rose petals, and dragons, and it exploded with incredible power as it hit him and sent him flying into a wall, but he's not out yet and he's even more enraged.

Perfuma: Incredible, Selene's transformed.

Nico: That's so awesome. (Sniffs) And there's still the sweet scent of roses coming from her angel wings.

Me: Just like when Alexis Nikolai, Gene-Slammer of Black Rose Dragon, transformed when she and Lincoln fought Abraxas.

Lincoln: You said it, J.D., and Selene, you look beautiful, how do you feel?

Selene Rosesanglante: (Divine Echoing Cosmic Voice of The Rose Red Firestorm Ruddy Rose Dragon and Divine Rose Red Firestorm Nature Love) (French Accent) **I feel incredibly, Linky. Now, shall we deal with this absolute disgrace of nature, mon cher?**

Lincoln: (Smiles) With pleasure, mon cher.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Selene Rosesanglante.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Your days of causing terror to every living thing on Earth are about to come to an end here and now, Jason Woodrue.**

Selene Rosesanglante and Lincoln went after Jason Woodrue, and they fired extremely powerful blasts of rainbow energy, rose red energy, roses, rose petals, rose red fire, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Mermaids at Jason Woodrue, and they exploded with incredible power as they hit him. Then, they attacked Jason Woodrue with powerful slashes from their massive greatswords, and they left nasty scars on him, and they also drew green chlorophyll.

Then, Selene Rosesanglante summoned a rose, which then transformed into Kurama's Rose Whip.

Selene Rosesanglante: (Divine Echoing Cosmic Voice of The Rose Red Firestorm Ruddy Rose Dragon and Divine Rose Red Firestorm Nature Love) (French Accent) **Take this. ROSE WHIPLASH! 華厳裂斬肢**

Selene Rosesanglante attacked Jason Woodrue with swift and powerful slashes in multiple directions with the Rose Whip, and he was really getting hurt badly, and more chlorophyll was being drawn.

Eli: Whoa, now that's really painful, and I had to guess you taught her everything you know, Kurama.

Kurama (Yu Yu Hakusho): Yes, that's correct, and indeed, Selene learned pretty quick.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Nice one, Selene. Now, let's end this.**

Lincoln and Selene Rosesanglante took out a seed and they suddenly glowed with red energy and the seeds then transformed and red roots grew around their left arms with huge mouths at the end of each root. Jason Woodrue tried to control the plants, but nothing happened.

Kurama (Yu Yu Hakusho): The Death Tree is no ordinary plant, it's a plant from The Demon World, and it only responds to its real masters.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Each branch on this tree has a mouth, and each mouth on the branches has acid saliva that'll melt your flesh and bones in under a minute.** (Smiles Sinisterly) **Though the pain will make every second seem like an eternity to you, Woodrue.**

This really frightened Jason Woodrue, but it's too late for regret as The Death Trees around the right arms of Lincoln and Selene Rosesanglante went after Jason Woodrue, and their razor-sharp teeth bit into Jason Woodrue's body and the acidic saliva melted his body completely into nothing, and it then devoured him, and the Death Trees around their arms vanished. Then, as Jason Woodrue's spirit had appeared, Lincoln and Selene Rosesanglante drew the Judgement Kanji on his forehead, and Jason Woodrue was found guilty for his crimes, and he was erased by The Black Gates. We cheered wildly for what Selene Rosesanglante and Lincoln did to Jason Woodrue as they holstered their massive greatswords and powered down, and Selene Rosesanglante's new body, clothes, weapons, jewelry, and massive rose red angel wings are permanent.

Selene Rosesanglante: (French Accent) That was for messing with Mother Nature, you monster. Thank you for helping me destroy Jason Woodrue, Linky.

Lincoln: (Smiles Warmly) You're welcome, Selene.

Suddenly, Selene Rosesanglante wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Selene Rosesanglante's face, they kissed passionately as Selene Rosesanglante's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Ruddy Rose Dragon flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and roses growing around them and we cheered wildly. Lincoln and Selene Rosesanglante came back, as the display and Ruddy Rose Dragon vanished.

Kurama: That was quite an interesting performance you and Selene put on, Lincoln.

Lincoln: Thanks, Kurama.

Nico: Oh man, I knew Selene learned a lot from Kurama, but I never knew that she'd use one of his attacks on Jason Woodrue.

Lincoln: She learned a lot from him, and we also used his Death Tree to finish Jason Woodrue off.

Me: Kurama used it as a form of intimidation against his opponent in The Dark Tournament long ago, but we saw it in action from you two, that was so awesome.

Kurama: Indeed. And Lincoln, which Gene-Slammer are you hoping to see tomorrow?

Lincoln: I've got a good one, how about a Gene-Slammer for Soul Absorbing Bone Tower.

Nico: Ooh, now that's a really really scary one, and perfect for Halloween.

Steam Smythe: That's the end of that bad cat.

Black Adam: Good riddance.

Me: Yeah no kidding.

Shendu: He won't terrorize anyone ever again.

Me: Thank goodness.

Selene: (to Victor) Is there an ice cream place we can go to celebrate.

Amora: It'll go good with Neopolitan Man's ice cream.

Victor Frankenstein: Actually yes. There is one.

Nico: Awesome. You show us where it is. Great job today everyone!

Victor Frankenstein: Thanks. (To the viewers) Don't play with fire or it will come back to hurt you big time.

Nico: Yes it sure will.

We went to the ice cream shop and then enjoyed the rest of the day and went back home and went to sleep;

And everyone is also going to meet Grim's old baseball buddies too.

Nico: I can't wait to see what Grim's old baseball buddies are like.

Lincoln: Me too and it's awesome that J.D. is showing his support to Billy's team against Mindy's team.

Qin: It sure is.

Rhinox: I hope Billy's team wins. And Mandy will make an awesome addition to the team.

Xenia :Yeah it sure will be awesome. She has more awesome power in sports than anyone gives her credit for.

Himiko: She sure does. I think it's awesome.

Onua: It sure will be awesome.

Nico: Yep. Thanks for coming with me, Onua.

Onua: No problem Nico. I think it's awesome that you do these rescues with everyone too.

Vinyl Scratch: They are always fun.

Nico: Onua, I'll never forget the missions you had with Takeru.

Onua: Boy me neither! Those were some of the best ever.

Qin: They sure were and we also reunited Emma with her deceased friend too.

Onua: We sure did and that was cool.

Lana: It sure was. And we also used the Eyecons and learned so much about the history of many figures from the past.

Rhinox: We sure did and that was a really fun adventure for all of us.

Xenia: It sure was.

Takeru: I'm glad the Eyecons were the first Legend items you guys used in the usual battles.

Nico: Me too Takeru.

Qin: Boy it was so awesome.

Camie: The Eyecons are a really awesome tool for us.

Vinyl Scratch: They sure are.

Onua: We all thought so too.

Laney: Yeah.

Lola: I hope Billy isn't doing anything stupid like he always is.

Lily: Chances are he is.

Onua: Yeah.

Eli: Yeah. But yesterday's mission was awesome though.

Nico: (sadly) It was sad how Sparky died.

Eli: Yeah it was.

Qin: Poor dog. But it was amazing how Victor was able to bring him back.

Laney: Yeah it sure was awesome.

Lana: He looks so awesome that way too.

Tsuyu: I agree too.

Nico: Can you imagine if that happened to the mascots?

May: Don't even talk about that.

Maria: Yeah no kidding. I don't want to even think about it.

Rhinox: Nico I think it's best if we move on from that topic.

Nico: Yeah you're right Rhinox. Misty I've been thinking.

Misty Tredwell: What is it Nico?

Nico: I was thinking that one day you should do your own series of Ambassador Missions.

Misty Tredwell: Wow! I would be honored.

May: Got anything in mind for her?

Nico: I'll think of something. But whatever it is it will be awesome.

Misty Tredwell: Mr. Mittens was VERY happy to hear that we killed Whiskers.

Nico: So was Katty, Kitty, CatDog and many of the cat lovers and members of the team.

Eli: Yeah they sure were.

Laney: Yeah.

Aylene C.: The SWAT Kats especially.

Himiko: Yeah. Catwoman too.

Lana: No kidding there.

But then…

Billy: (OFFSCREEN) GIRLS ARE NOT ALLOWED TO PLAY BASEBALL!

Me: (OFFSCREEN) THEY CAN PLAY BASEBALL YOU IDIOT!

Billy: I'LL KILL YOU!

He jumped on me and we got into a brutal fight cloud!

POW BLAM SMASH WHAM BLAM SMASH! BIFF!

Nico: OH NO!

They went over to us as we were fighting in a fight cloud and Nico pulled me and Billy apart!

Nico: ALL RIGHT YOU TWO BREAK IT UP!

Eli: What's going on!?

Nico: Actually, for good measure… (bonks mine and Billy's heads together)

BONK!

Me and Billy: OUCH!

Me: OW!

Eli: HEY! I was going to do that!

Nico: Now why are you guys fighting!?

Me: Billy is forbidding Mandy from playing Baseball because she is a girl!

Billy: GIRLS ARE NEVER ALLOWED TO PLAY SPORTS!

Me: YOU SHUT UP YOU MALIGNANT MALODOROUS SNOTCHEWING FREAK!

Billy got even more enraged! He farted and then I turned and put my butt in his face and then…

LOUD FART!

I farted in his face and melted his face off!

Nico: Nice one. Be right back.

Nico seemingly left without a fight.

Billy: (laughs) I knew Nico would agree with me. And that's why Old Lady Munson is pushing up daisies.

Irwin: Yeah. And me and Billy aren't!

Nico: (calls Jumba) Jumba, is Amnesio available?

Jumba: I'll send him over.

Me: I don't think Nico is siding with you.

Mandy: Thanks for trying to stick up for me J.D.

Me: Anytime Mandy.

Eli: Billy of all the things you did this is by far one of the stupidest things ever!

Grim: (Jamaican Accent): I agree with Eli mon.

Nico came back and with him was Amnesio.

Nico: Guys, meet Amnesio aka Experiment 303. Jumba designed him to erase his victims' memories with a red laser vision from his eyes.

Me: Aw he's a cute little fella.

Nico: (Chuckles) He sure is.

Laney: Its been a while we saw one of Stitch's friends.

Qin: It sure has been a while.

Me: But that's cool he can erase memories.

Nico: It sure is.

Billy: Yeah yeah yeah! BUT GIRLS ARE NEVER GOING TO PLAY BASEBALL!

Grim: Nico, I hope Amnesio won't erase ALL of Billy's memories.

Nico: He won't. Jumba made some adjustments. Now Amnesio can erase selected memories of people.

Grim: Oh.

Me: Cool.

Nico: Yep.

Amnesio used his red laser vision to erase Billy's memories on not wanting girls to play sports.

Billy: What was I doing?

Nico: You were letting Mandy play the baseball game?

Billy: Oh right! Thanks.

Mandy: Thanks Nico. Thanks guys.

Qin: No problem.

Grim: And you guys are going to love meeting my baseball buddies.

Nico: Cool.

Albedo: And me, Boxcars, Evil Shade Man, Evil Xion, Axel, Evil Drill Man, Evil Aqua Man, UA Carnage, Professor Monkey for a Head, and Big Cheese will be in the game as well.

Me: Nice!

Qin: Good call there.

Nico: Yep.

They got to playing and we saw Grim's baseball buddies. We saw Manny Flyball, Swattin Sammy Slug, Big Babyhead Bambino and Footless Joe Jackson and they were awesome.

Me: Wow! Grim's baseball buddies are cool!

Qin: They sure are!

Nico: Lookin good, Sammy!

Swattin Sammy Slug: Thanks Nico!

KRACK!

Sperg hit the ball and they got a home run!

Qin: WHOA!

Nico: NICE ONE SPERG! I can't believe I said that.

Me: He's redeemed now Nico.

Nico: I know.

Later it was the M.O.E.'s turn.

Me: Wow! Never saw the M.O.E. play baseball.

Qin: Yeah! This is a first for them.

Evil Xion swung the bat at the ball.

KRACK!

She smashed the ball and then it hit Pud'n SQUARE IN THE FACE!

KRASMASH!

Nico: (WINCES) OOOH! That's gonna leave a mark!

Me: OUCH! MEDIC!

They came out and took him to the dugout and Pud'n had a nasty black eye!

Evil Xion: Sorry, Pud'n!

Pud'n: I'm okay! Thanks!

Nico: Xion Pud'n is ALWAYS getting hurt. Same with Irwin.

Irwin: He's right Yo.

Nico: Yeah.

Later the game was done and Mandy and her team won!

Nico: WOOHOO! That was awesome!

Qin: Mandy ALWAYS wins.

Camie: She sure does.

Irwin: IN YOUR FACE MINDY!

Laney: YEAH!

Mandy: Something on your mind, Nico?

Nico: You guys think my Other Doppelganger might come for revenge?

Me: It's possible. I didn't give your Other Self the Black Gates. But it's possible you will face him on the next rescue.

Nico: I'm ready for him.

Laney: Yeah!

Girl Jordan: Me too!

Qin: We all are.

We saw MINDY! BACK FROM THE DEAD!

Me: MINDY! I thought we buried you!

Mindy: (ENRAGED) YOU LOSERS WILL PAY FOR WHAT YOU DID TO ME!

Nico: You brought it all on yourself you ugly loser!

Mindy: I WILL KILL YOU!

Nico: Bring it on!

Sperg: YEAH! You are no president either!

Mindy: You're gonna pay for betraying me, Sperg! I bet your mom's a real whore!

We gasped at what she said.

Me: Uh oh.

Nico: Sperg, for your Mom's sake, you can beat her up first!

Sperg: GLADLY! NO ONE TALKS ABOUT MY MOTHER THAT WAY!

He went over to her and smashed and pulverized her all over the place!

Maria: As much as we had some differences with Sperg in the past, saying that about his Mom is completely messed up!

Me: I agree there too.

Qin: Yeah no kidding.

Nico: Yep.

Mindy was brutally pulverized all over.

Me: Okay Sperg that's enough.

He came back.

Me: Mindy you are no longer welcome here in Endsville! You have no love for anyone but yourself! You think you are so much better than everyone so you pick on them.!

Qin: Yeah! You're a heartless bully!

Albedo turned into Negative Ultimate Bloxx.

Negative Ultimate Bloxx: Just as a safety precaution.

Me: Okay. And Mindy, you are a LOSER!

Nico: Loser, loser, loser loser loser!

Mindy: I am not a loser!

Eli: Loooooser!

Everyone in Endsville came.

Everyone: LOOOOOSSSEEEERR!

Then MINDY WENT BALLISTIC!

Nico walked up to Mindy and knocked her down.

Nico: Stay fucking down. I mean it.

Me: You should have stayed dead when we buried you.

Qin: YEAH!

Mindy: I HATE YOU ALL SO MUCH!

Our auras flared up with explosive force!

Me: Thanks for the power boost.

Nico: But we're not going to lift a finger against you.

The PatRangers came and grabbed Mindy!

Tsukasa: We're taking you in by force Mindy!

Sakuya: You know what's funny?

Tsukasa: What's that?

Sakuya: Mindy got buried on the day we first met Team Loud Phoenix Storm.

Me: That's right. The LupinRangers helped out with us on that day. Now it's your turn.

Keiichiro: Yep. Lets go Mindy. You're going to the slammer!

Nico: Enjoy having Mandy as your cellmate!

Mindy screamed and they put a gag in her and took her away.

Me: Ha. (Dusts hands off) Good riddance.

Qin: Yeah.

Nico: We're not done yet.

Me: Yep.

Then a stream of blocks came and it formed into a black version of Ultimate Bloxx! It was ANOTHER ULTIMATE BLOXX!

Me: Whoa! Another Ultimate Bloxx!

Qin: Another Evolved Alien! Whoa!

Camie: Wow!

Another Ultimate Bloxx: (In a girls voice) That's right.

Me: (GASP) Nikki Edmonton! Whoa!

Another Ultimate Bloxx: Good to see you again J.D.

Nico: You know her J.D.?

Me: I sure do. Me and Zarya met her when we were in Dubai and we helped her build the Dubai City Tower.

Zarya: It's true. But man we did not expect you to become like this!

Another Ultimate Bloxx: I know!

Me: You became what's called an Evolved Segmentasapien. They are building block aliens.

Another Ultimate Bloxx: Wow! So that's what I am. Very fitting for me since I am a construction worker.

May: I agree there.

Kaito: (Gets out Den O gear) Did Swartz promise you anything?

Zocks: (Gets out Kiva gear) Because we can grant it instead?

Another Ultimate Bloxx: Just to be the greatest construction worker of all and make the greatest building ever.

Maria: What building do you want to make next?

Another Ultimate Bloxx: Make one even bigger. The Tokyo Tower of Babel.

Me: Whoa!

Nico: Wow! I remember seeing that tower! That is over 33,000 feet tall!

Qin: That's massive!

Another Ultimate Bloxx: It sure is.

Nico: Yep.

Me: Sorry we have to fight like this Nikki. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Kaito got an awesome Den-O Sword and Zocks got a Kiva Blade.

Sougo: (gets out Zi O II Ridewatch) Time to get started!

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz: (gets out Geiz Revive Ridewatch) Let's play ball!

Re-vi-i-ve Goretsu~! Goretsu!

Sougo became Zi O II while Geiz became Geiz Revive Goretsu.

Me: YEAH! First this. (ACTIVATES EVIL TANIA'S RIDEWATCH)

I played The Legend of El Dorado by The Fiechters on a flute and waves of leaves, grass, flowers and energy swirled around me and I fired waves of energy and smashed her down.

Nico: AWESOME!

Lincoln: Now here's an awesome one.

Lincoln glowed in an orange aura and the symbols and animals of the awesome show Legends of The Hidden Temple swirled around him and then he fired waves of energy and smashed her down.

Qin: WOW! That was awesome Lincoln!

Lincoln: Thanks.

Another Ultimate Bloxx: Wait! You know that show Legends of The Hidden Temple!?

Lincoln: I sure do!

Another Ultimate Bloxx: I'm one of their biggest fans! I competed with my sister on it and we beat the Stankco's!

Nico: Hey wow! That's very cool!

Me: And very coincidental too! Me, Lincoln and some of the team beat them! Lincoln was the Orange Iguanas. What team were you?

Another Ultimate Bloxx: The Red Jaguars. We were tasked with getting The Medal of Sir Edmund Hillary.

Nicole: Ah one of the first 2 men ever to climb Mount Everest.

Another Ultimate Bloxx: Yep. And it was located in the Room of The Three Torches.

Qin: Wow! That is cool!

Another Ultimate Bloxx: It sure is. How did you know that Nicole?

Nicole: I'm an archaeologist and a treasure hunter myself and Legends of The Hidden Temple was one of my favorite shows growing up. It was cool.

Another Ultimate Bloxx: Awesome!

Nico: (gets out Lego Joker's Ridewatch) Truthfully, ANY Lego villain Ridewatch is perfect here.

Me: All the Lego World villains are cool.

Nico: (Activates it) Laugh it up!

He fired waves of lightning and it tickled Another Ultimate Bloxx.

Another Ultimate Bloxx: (LAUGHING HYSTERICALLY) STOP IT! THAT TICKLES!

Qin: She sure is ticklish.

Onua: My turn!

Onua activated Tar Pit's Ridewatch.

Onua: Things are gonna get sticky!

He fired waves of tar and glued her feet to the ground.

Qin: Sticky huh?

Luz and her team fired waves of magic and smashed her down.

Another Ultimate Bloxx (to Speeg): Fighting a little hard, aren't you?

Sperg: (growls) Getting your mom insulted will do that to you!

Me: Believe me, NO ONE wants to have their own mother insulted.

Qin: Yeah that is for sure!

Xenia: Yeah!

Laney: No kidding.

Another Ultimate Bloxx: I know that feeling myself.

Me: Really?

Another Ultimate Bloxx: Yeah. A bully called my mother a motherfucking whore and I ripped the guys throat open. Literally.

Me: Whoa! Nice!

Another Ultimate Bloxx: Yeah. He lived and his parents sent him to another country.

Me: Good riddance.

Onua: Is it time for the next Gene a slammer to appear?

Nico's money sniffing nose from Mr. Krabs picked up the scent of gold.

Nico: I smell gold.

Maria: I thought Mr. Krabs can do that?

Nico: I can now too.

?: Someone call!?

Then a figure came out and it was NUMBER 56: GOLD RAT!

Nico: WHOA! Number 56: Gold Rat!

Me: A Golden One!

Laney: (LAUGHS) That was a good one.

Me: Thanks.

Number 56: Gold Rat: (In a girls voice) It sure was.

Nico: Abigail Midas!? Wow!

She reverted back and Abigail was a girl with golden hair, golden clothes and golden eyes and had ethereal golden wings and a golden sword.

Abigail Midas: Awesome to see you again Nico.

Nico: You too Abby.

Abigail Midas: I got this.

She fired a wave of energy from her sword and knocked down Another Ultimate Bloxx and I caught the ridewatch and purified it and I went over to Nikki. She was a girl with black hair and blue clothes and had a construction hat on and I picked her up.

Nikki Edmonton: (GROANS) What a headache.

Me: But you're back to normal Nikki.

I went over to her.

Me: The funny thing is Abigail we met a bad guy that had Number 56: Gold Rat and he was holding up a bank with a banana.

Nico: Yeah.

Abigail Midas: That is really stupid. But then again people will do anything for money. Even stupid things.

Qin: Tell me about it.

Onua: What's your favorite memory of Nico?

Abigail Midas: I have a lot of them. One time me and Nico were walking home and I saw this abandoned building that looked like it was about ready to collapse and I showed Nico my power. It was to turn things into gold by touching them. And chanting an incantation.

Nico: Yep. Show them.

We saw her touch the field.

Abigail concentrated and then in seconds the entire field turned into 24K Solid Gold!

We were amazed and in absolute awe!

Qin: OH WOW!

Me: WHOA! That is the true Midas Touch!

Eli tapped it.

Eli: It's all 24K Gold!

Varie: Incredible!

Laney: Enough gold here to make Endsville filthy rich.

Xenia: Yeah!

Nico: Yep.

Abigail Midas: Yeah. I turned that building to solid gold and made lots of homeless people filthy rich.

Nico: Yep.

Laney: That's amazing.

Lola: It sure is.

Me: But aren't you worried that..

Abigail Midas: I'll touch other things like food and people and turn them into gold too? Nope. I only use the power by will. I am free to touch anything.

Me: Good.

Nico and Abigail hugged.

Nico: I've missed you Abigail.

Abigail Midas: Me too Nico. Me too.

Maria: Now, let's take a picture with the entire baseball team!

Me: Good idea.

I got out my phone and made a shadow clone and it took a picture of all of us with the team and it was awesome!

Me: Awesome!

Eli: That is a keeper photo.

Qin: Yep.

We later went back home.

Lincoln: Whoa, we're here in Magnolia Lane Plantation in New Orleans, Louisiana, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but we're going to exorcise the plantation house and land of the spirits that've haunted this place for over 200 years.

Me: Oh man, of all the places in New Orleans, this is one of the most haunted places ever and this place has numerous dangerous hauntings reported here for over two centuries.

Nico: Yeesh, that's really dark.

Lincoln: And the history behind this place is even darker, Nico, and thanks for joining us, Whenua.

Whenua: You're welcome, Lincoln. So, what's the darker history behind this plantation?

Lincoln: Simone and Lena told us about this place, and even this place is even scarier than Moonscar Island. According to Simone and Lena, this place was once used by the Choctaw Indians who lived here to bury their dead in the trees, and when the settlers arrived, they killed the Choctaw Indians and chopped down the trees and that's known as desecrating the dead. Then, we move onto to the plantation, and they brought in a lot of people from Haiti and Africa, but they also included voodoo priestesses, queens, and witches, and so many were forced to work on the plantation, and they died in many numbers from starvation or execution. Then, The Civil War arrived, and there was a massive amount of killing and deaths, and then, it got even darker, because a Union Major made this place a prisoner of war camp, and more people died at his hand. Then, the Confederate soldiers went to the voodoo priestesses and they started to curse The Major with voodoo dolls and talismans in an attempt to drive him mad, and when he found out, he had them hanged, but thanks to all of the dark actions he committed, he went into his room and hanged himself.

We were extremely horrified.

Nico: Damn, now that's extremely dark.

Eli: Big time.

Lincoln: Yep, and now, Magnolia Lane Plantation is now a Pandora's Box, and if anyone dares to come into this place, what'll await them is pure evil, and evil is everywhere here on Magnolia Lane, and for over 200 years, the families here lived and died here.

We arrived at Magnolia Lane Plantation, and we felt all the dark spirits here, along with the cries of the trapped good spirits crying for help and Lincoln's ghost sense went off. Suddenly, our rainbow energy auras had flared up as we were sucking in all of the negative energy and we were gaining a massive power and energy boost and we were getting stronger and stronger and stronger still.

Lincoln: Whoa, this is a really heavy presence here, I can feel it, and all of the dark spirits aren't going to leave Magnolia Lane Plantation that easily, but we sucked in and absorbed all of the negative energy that's festered here for over 200 years.

Me: Yeah. Hey, what's with the bottles?

We saw that bottles were hanging on trees.

Lincoln: These bottles are said to keep evil spirits away, and inside them are salt and rainwater. But, the evil is still festering here in Magnolia Lane, and now, we need to get rid of it.

We went outside and Lincoln took to the air, and we followed him. Then, he made a massive green magic circle with Celtic knots and Celtic symbols and runes on the ground which then surrounded Magnolia Lane Plantation. But, we also felt the presence of the dark spirits trying to resist, but Lincoln was ready. He took out his Flute of Ogma, and he began to play a beautiful melody, and the dark forces of Greyfriars Cemetery were roaring in anger as they were eventually forced out of Magnolia Lane Plantation and put into a Celtic knot magic circle to keep them from escaping, and Lincoln's melody continued to calm and soothe the angry spirits, and they were freed from the dark forces, and Magnolia Lane Plantation has been exorcised for good and the magic circles disappeared, and the spirit of the Union Major is sent to Hell forever for what he did.

Me: Wow, that was one awesome exorcism.

Laney: And thanks to the exorcism, Magnolia Lane Plantation is now finally calm.

Lucy Loud: And all the trapped good spirits and the tormented spirits have finally been freed, and the suffering they've endured for over 200 years has been lifted.

Lincoln: You said it, Lucy, but we're not done yet. I got word that Celine "CeCe" Evans' superstitious and completely insane ex-mother has broken out of the specialized institution she was sent to years ago and she wants revenge on CeCe for destroying her life and locking her up.

We gasped in horror. Suddenly, we saw the Duel Monster, Soul Absorbing Tower, appear before us, along with the nine girls that were here.

Nico: Whoa, that's the Duel Monster, Soul Absorbing Tower, and it's got the nine girls.

Lincoln: That was close, and I knew we'd run into you, Celine "CeCe" Evans, and it's good to see you again.

Celine "CeCe" Evans reverted back to normal, and she was a beautiful girl with long flowing purple hair tied in pigtails, a purple right eye and green left eye, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful purple angel wings with stars in them, and she was dressed in purple Chinese clothes, and long white sleeveless trenchcoat with stars, moons, and souls on the coattails and Soul-Absorbing Tower on the back and in her right hand is The Moon Scythe of Chang'e.

Celine "CeCe" Evans: You too, Lincoln. But, we'll have to talk later, we've still got my superstitious and insane ex-mother to deal with, and she should be arriving… right now!

Suddenly, a figure went charging right at Celine "CeCe" Evans and tried to kill her, but Lincoln kicked the figure away, and we saw who it was that tried to kill Celine Evans: it was her insane superstitious ex-mother, and she had a knife in her hand and she has murder in her eyes, along with insanity.

Mrs. Evans: You miserable little monster! You're going to pay for everything you did to me, you ruined my life!

Lincoln: Don't you even dare blame Celine for that, you superstitious and insane pathetic excuse for a mother. You abused Celine all her life because she was born with Heterochromia, and you were also a superstitious lunatic, you're worse than Lynn before we removed her Dark Side, and when Celine and I get married in the future, you're never going to be in my family. Instead, you're going back to the insane asylum for the rest of your life.

Mrs. Evans: DIIIIIE!

Mrs. Evans tried to stab Celine again, but Lincoln grabbed her arm and kicked her in the stomach and she fell to the ground in pain, and she glared angrily with rage, but Lincoln didn't care one bit: what Mrs. Evans did in abusing Celine reminded him of what that religious fanatic, Mrs. Florrence, did to Mesa and her sister, and by breaking the sacred bond of mother and daughter, Mrs. Evans committed an act of betrayal, and it didn't help that she was insane and a completely superstitious bitch, and Lincoln had no mercy for someone like her.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **For what you did in breaking the sacred bond between you and your daughter, Mrs. Evans, you don't deserve a single ounce of mercy. You're going to be cursed for all eternity for everything you did to Celine.**

Lincoln spread his massive white angel wings, and they fired rainbow energy blasts which hits Mrs. Evans and she was given The Epiales' Eternal Sleepless Nightmare Vengeance Curse, as she's now trapped in a state of eternal sleep and tormented by the memories of her foul misdeeds, and because she refused to repent for her crimes, that sealed her fate and she'll be trapped by this curse forever. We cheered wildly as we holster our weapons and powered down.

Nico: Oh man, I knew you were going to use the Epiales' Eternal Sleepless Nightmare Vengeance Curse on her, it's been a while since you last used that curse.

Lincoln: I know, the last person was Mesa's former mother who became a religious fanatic and broke the sacred bond of motherhood, now I used that same curse on Mrs. Evans, and just like with Mrs. Florrence, Mrs. Evans refused to repent for the abuse she inflicted on Celine, and now, she's trapped in eternal sleep and plagued by the nightmares of her foul misdeeds.

Me: She deserves it.

Mesa Florrence: Yeah, what a monster.

Colleen Gallagher: If my spiteful bully of a so-called mother so much as breaks out, she's also going to get the same curse.

Lincoln: You said it, Colleen, and not only was that another haunted location exorcised, but now we're rid of that heartless superstitious witch, Mrs. Evans.

Celine CeCe Evans: And that old hag isn't going to hurt me or anyone else ever again.

Lincoln: You said it, Celine, and it's so good to see you again.

Celine CeCe Evans: You too, Lincoln, it's been a long time.

Lincoln went up to Celine CeCe Evans and he hugged her, and Celine CeCe Evans was very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Celine CeCe Evans: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new, you can land an airplane on that more wider and more muscular back, squash a melon with those quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Eli: Whoa, Linc, you know her?

Lincoln: Indeed I do, Eli, this is Celine CeCe Evans, she's my Guardian Angel who was born in Hong Kong, but was raised in America, and as you guys just saw and heard, her Mom really hates her guts completely because Mrs. Evans comes from a superstitious background, and it's also because CeCe was born with Heterochromia, she has one eye that's a different color and her mom hates her guts. Celine's a master of the Moon Scythe of Chang'e, and she has amazing powers over the stars, moon and the night. She hates her mother with a vengeance, as well as a girl named Tiffany Edwards who's a heartless bully that hates her. CeCe got her expelled and she wants revenge on her for ruining her life. After her dad tolerated her mother's abuse towards her for the last time, he told her to leave and never come back. But, she refused and he called the cops on her and she was arrested and sent to a maximum security insane asylum for Life Without Parole and was diagnosed with Schizophrenia. She was declared insane and it was determined she was a danger to society and herself, and therefore she was placed in a specialized institution without possibility of parole or release. She vowed to get revenge on CeCe for destroying her life and locking her up in a cage. CeCe also hates Pablo and Anderson with a merciless vengeance.

Nico: Jeez, and you really meant every word you said to her, she's a superstitious monster even more worse than Lynn before we removed that animalistic Dark Side.

Lincoln: Yeah, and Celine was the one who contacted me and told me that her mom had broken out of the institution wanting to get revenge, and she also told me that psycho was here in Magnolia Lane Plantation.

Celine CeCe Evans: That's right, and I wasn't going to let that psychopath hurt me or anyone else ever again.

Suddenly, an Elemental Thunderbird Necklaces of Eternal Love appear around Celine CeCe Evans' neck with purple gems on the gold thunderbolt links and purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Celine CeCe Evans: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of harem and my many future wives, Celine.

Celine CeCe Evans had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Celine CeCe Evans' waist and Celine CeCe Evans wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the twelve girls, and when Lincoln saw them, he recognized them immediately. The twelve girls are Mimori Amamiya, Alice Kurobane, Alisa, Erika, Iris, Isabel, Luna, Marguerite Valois, Asagi Ryuugasaki, Vanessa Justine, Vivian Justine, and Miyabi Zaizenji from Shadowverse.

Lincoln: Oh wow, it's Mimori Amamiya, Alice Kurobane, Alisa, Erika, Iris, Isabel, Luna, Marguerite Valois, Asagi Ryuugasaki, Vanessa Justine, Vivian Justine, and Miyabi Zaizenji from Shadowverse.

Nicole: Oh, that's awesome.

Lincoln: Are you girls okay?

Mimori Amamiya: Yes, we're okay, thanks to you.

Then, when Mimori Amamiya and the eleven other girls saw who it was that saved them from Celine's superstitious and insane ex-mother, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Mimori Amamiya: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made ten clones of himself, and he and the ten clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Mimori Amamiya: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eleven Thunderbird Necklaces of Eternal Love appeared on the necks of Mimori Amamiya, Alice Kurobane, Alisa, Erika, Iris, Isabel, Luna, Marguerite Valois, Asagi Ryuugasaki, Vanessa Justine, Vivian Justine, and Miyabi Zaizenji with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, We returned home to the World Tree Estate, and the rest of the team heard of what we did in exorcising Magnolia Lane Plantation and helped all of the spirits who were trapped here cross over to the afterlife, and they were shocked when they found out the villain we went after was Celine CeCe Evans' superstitious and insane mother who'd broken out of the institution to get revenge on Celine CeCe Evans for destroying her life and locking her up there.

But, when Lincoln showed what we did in pulverizing her, and what Lincoln did to her by putting the Epiales' Eternal Sleepless Nightmare Vengeance Curse on her, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Celine CeCe Evans have a lot of catching up to do, now that she's back in town, and as for Mrs. Evans, she was sent straight to The Saturn Insane Asylum and she was thrown into the Maximum Security Solitary Confinement, because she was declared extremely dangerous and insane, and with the Epiales' Eternal Sleepless Nightmare Vengeance Curse on her, she'll be trapped in that state of eternal sleep for her crimes.

Maria: I can't believe that awful woman broke out to get revenge and she was there in New Orleans, Louisiana.

Lincoln: It was thanks to Celine telling me this before we left for Endsville to give Billy a stern talking to and deal with Mindy for good.

Nico: And how did she react to being part of the backup core members?

Lincoln: She was proud of that.

Me: And you were right that one day we'd run into Celine here, Lincoln. But, it had to happen, thanks to her so-called mother breaking out to get revenge on her for throwing her in the institution.

Lincoln: Mrs. Evans was a superstitious insane lunatic, and she had to be put there, because she's a danger to everyone around her, including her own daughter. But, this also means Tiffany Edwards will one day come to get revenge on CeCe.

Celine CeCe Evans: If she does, she's going to get turned to a gold statue for good.

Lincoln: Yeah, she's nothing but a bully, and she doesn't deserve to be out in society or out in public ever again.

* * *

After we exorcised Magnolia Lane Plantation and put a stop to Celine CeCe Evans' superstitious and insane so-called mother, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,-00-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Celine CeCe Evans saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Celine CeCe Evans: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever. He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Celine, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Celine CeCe Evans: That's incredible.

Nico: It sure is. So, Celine, can you tell us the whole story of your past?

Celine CeCe Evans: Of course, Nico, but I've got to warn you, it's not a pretty picture.

Celine CeCe Evans told us all the whole story about her past: she was born in Hong Kong, but she was raised in America, and her mom absolutely HATES HER GUTS COMPLETELY because she comes from a superstitious background and it's because CeCe was born with Heterochromia: she has one eye that is a different color, along with having amazing powers over the stars, moon, and the night, along with being a master of The Moon Scythe of Chang'e, and her mom absolutely hated her guts, and Celine also hated her mother with a vengeance as well, along with a girl named Tiffany Edwards who is a bully that hates her, and who bullied CeCe a lot. Eventually, CeCe got her expelled and she wants revenge on her for ruining her life. After her dad tolerated her mother's abuse towards her for the last time, he told her to leave and never come back. But, she refused and he called the cops on her and she was arrested and sent to a maximum security insane asylum for Life Without Parole and was diagnosed with Schizophrenia. She was also declared insane by the doctors, and it's determined she's a danger to society and herself, and therefore, she's placed in a specialized institution without any possibility of parole or release. She'd vowed to get revenge on CeCe for destroying her life and locking her up in a cage.

When Celine CeCe Evans was finished, we were horrified, except for Lincoln, his family, and friends who knew about Celine's constant abuse at the hands of her mother at home and that bully, Tiffany Edwards, at school.

Nico: Celine, I hate to say this, but your Mom's a total superstitious and insane bitch with a Capital B.

Celine CeCe Evans: No, I agree with you, Nico, and I hate her so much for what she's done in abusing me. She doesn't deserve to be out in society ever again.

Lincoln: I made sure of that with one of my curses, and if that bitch, Tiffany Edwards, dares to come after you for revenge, she's going to get turned into a gold statue for all eternity.

Me: Yeah, she's a monster.

Celine CeCe Evans: And so are Pablo and Anderson who I also hate with a merciless vengeance, but they're getting their just desserts with you guys humiliating them badly.

We got a shower afterwards, and then, Lincoln and his harem were heading to Gelato Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And his harem were were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble, and when Laniya Emperyous and Celine CeCe Evans who recently joined Lincoln's harem saw him in his large orange speedo, their faces had an atomic red blush, hearts in their eyes, and their noses were bleeding.

Laniya Emperyous: (Thinking) Oh man, Selene and the others were right, Lincoln looks even more of a hunk in that speedo, I guess it's true that time's really changed him a lot.

Celine CeCe Evans: (Thinking) Yowzers, oh man, Lincoln's even more of an attractive hunk in that speedo.

Laniya Emperyous and Celine CeCe Evans snapped out of it.

Celine CeCe Evans: Wow, so this is Gelato Beach.

Lincoln: Yep, and it's perfect for our date, CeCe, shall we?

Lincoln and his harem dived in and they also had a swimming race and had a lot of fun, and they went back to the shore and they had a game of volleyball and his harem got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to the girls in his harem and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: Hey, Linc, how was your date?

Lincoln: It was so awesome, Nico. We went to Gelato Beach.

Laniya Emperyous: For our first beach date with him.

We also saw Laniya Emperyous and Celine CeCe Evans who recently joined Lincoln's harem still had a deep atomic red blush on their faces when they saw him in his large orange speedo.

Me: You went with your speedo, didn't you?

Lincoln: Yeah, I did.

Laniya Emperyous: It's hard to imagine how much Lincoln's grown in both height and muscle when we last saw him, and he's gotten even more handsome.

Celine CeCe Evans: And anyone who tried to attack him or any of us, he'll break their heads open with those hands of his, and those abnormally massive and powerful upper and lower body muscles were more than just for show. But, he's still the same person we knew from long ago.

Rayman: You all definitely had a lot of fun on the beach. Now, we got to get ready for Cornelia's third Ambassador mission with Zayto and his team. Get ready, you Sporix creeps, you're about to get one serious butt-kicking!

Lincoln: Someone's eager to kick some Sporix butt.

Nico: Aren't we all, Linc? Besides, Rayman wants to get a turn to have some fun.

Later it was time for Cornelia's 3rd Ambassador Mission and this time Dai Gui the Demon Sorcerer of Earth was going with her.

Dai Gui: Cornelia, I'm coming with you this time.

Cornelia: Awesome! This is gonna be great!

Then I came into the estate and hugging me and crying hard was Sailor Moon who was really crying.

Me: Lets get you to the sofa Serena.

Nico: What happened?

Me: (Sighs) Her teacher flunked her.

Sailor Mercury: That teacher of ours has always had some grudge against Sailor Moon.

Me: I don't know why.

Sailor Moon was crying hard and Naruto sat with her.

Me: We'll worry about that later.

Nico: Yeah. Lets head out.

Luz: We'll come with too.

Me: Okay.

We were off to Pine Ridge.

---

PINE RIDGE, WASHINGTON

---

In Pine Ridge we were walking through the city.

Me: Poor Sailor Moon. I can't believe that her teacher has it out for her.

Nico: Yeah no kidding there.

Me: Sailor Mercury said that Sailor Moon is lazy most of the time. And that her teacher Patricia Haruna berates her for it.

Nico: We're going to have to have a very seriously stern talk with her later on.

Eli: Yeah no kidding.

Dr. Nick: Poor Sailor Moon.

Nico: Yeah.

We saw the Dino Fury Rangers.

Zayto: Hey guys!

Me: What's shaking guys?

Cornelia: Guys, this is my archenemy.

Dai Gui: Awesome to meet you all. Dai Gui, Demon Sorcerer of Earth.

Amelia Jone: Awesome to meet you too.

Me: And this is my daughter Nicole's colleague.

Dr. Nick: Awesome to meet you guys. Dr. Niko Tatopoulos.

Me: You might recognize him as The Worm Guy. He was known for studying how Gamma Radiation affects Earthworms over in Chernobyl, Ukraine.

Izzy: Wow! That is cool!

Eli: It sure is.

Nico: And he has Godzilla as a best friend.

Me: Yep. You'll see him shortly.

Eli: And I have all the Kaiju helping us too.

Me: Long story. But it is cool too.

Izzy: Wow!

Ollie: That is awesome!

Me: How's your mom and dad doing Amelia?

Amelia Jones: They are doing awesome.

Out came a woman and she had a big belly.

Amelia: Guys, this is my said Mom.

Me: Santaura it's awesome to meet you.

Santaura: Same to you J.D. and it's an honor to meet the famous Team Loud Phoenix Storm.

Nico: Pleasure is ours.

Eli: We're glad you're okay.

Santaura: Thanks to Amelia. She saved me from myself.

Me: And she saved Tarrick too. She is a true hero.

Nico: We heard you're pregnant again.

Me: And for that you have our congratulations.

Santaura: Thank you very much.

Amelia Jones: I'm expecting a little sister.

Eli: Awesome!

Me: Do you have a projected due date?

Santaura: On November 10th.

Me: That's right on Cornelia's big day when we all come here to help all of you.

Eli: Yeah.

Nico: Listen, if you guys had a bad teacher, how would you get him or her fired?

Izzy: Hmm. Good question. The best thing we can do is to expose them by getting them to rant over the P.A. System.

Me: That's just what I was thinking.

Eli: Luan and me are great at doing that.

Me: Yeah.

Amity: That's an awesome idea. We have a friend in trouble back home.

Me: Sailor Moon's teacher Patricia Haruna doesn't like her for being lazy.

Javi: Have you also tried getting her deported?

Me: No no. That's a little too extreme. Besides even though Sailor Moon lives with us she still goes to her school over in Tokyo. We have teleporters that help our friends get to the schools that they go to.

Javi: Wow. Very interesting.

Eli: It sure is.

Dai Gui: I think it's cool too.

Me: Yeah.

Javi: You know I was talking about the teacher, right?

Me: Yes I do.

Javi: Just checking.

Me: Sorry for the mixup.

Javi: No worries.

Me: Good.

Solon then called.

Solon: There's a situation downtown!

We saw on the monitors Draknarok flipping over cars.

Draknarok: Someone bring me the Rangers!

Me: Whoa! That's Draknarok! I remember him!

Eli: Me too! He is a Kaiju Sporix.

Me: I was gonna say. He's the Sporix lookalike version of Godzilla.

Nico: (to Tarrick) This time, you can come.

Tarrick: Awesome!

Santaura: Be careful out there.

Tarrick: I will.

Me: Lets roll!

We were off.

We arrived and saw no one there.

Nico: No Draknarok?

We then saw a man approaching us.

Man: Are you Team Loud Phoenix Storm?

Nico: That's us. Who are you?

Man: Only your biggest fan who wants an autograph!

Nico: (shrugs) I don't see why not.

As we were giving him our autographs, we were unaware of Draknarok charging at us from behind.

Eli sensed him and used the force an grabbed him and smashed him in front of us.

Nico: Oh there he is.

Me: And you can drop the act now Slyther!

Slyther: Oh drat! (Changes back)

He was really SLYTHER - THE SPORIX MASTER OF DISGUISE!

Slyther: How did you know it was me?

Me: Because I knew you wanted to lull us into a false sense of security and use Draknarok to ram us down. Nice try though.

Eli: Yeah.

Me: But regardless I remember you all too well Slyther. You and Mucus have been putting on an awesome magic show.

Slyther: Yeah it's good money.

Me: It sure is.

Draknarok: I told you it wouldn't work!

Me: Not when you have someone that knows where everything is with the power of the Force with you.

Nico: He's got you there!

Eli: Time to kick some butt!

Me: Big time! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON!

Me: It's BUTTKICKING TIME!

Dino Fury Rangers: IT'S MORPHIN TIME! DINO FURY KEY! LINK TO MORPHIN GRID!

They transformed!

Zayto: "T-Rex Fury, Red Ranger!"

Ollie: "Tricera Fury, Blue Ranger!"

Amelia: "Ankylo Fury, Pink Ranger!"

Izzy: "Tiger Fury, Green Ranger!"

Javi: "Stego Fury, Black Ranger!"

Aiyon: "Mosa Fury, Gold Ranger!"

Cornelia: Brachio Fury, Yellow Ranger!

All: "Dino Fury Power!"

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

Nico: Time for action!

Draknarok charged at Dai Gui.

Dai Gui: Come get some!

He dove into the ground and he was looking around for him.

Draknarok: Where did he go!?

Then Dai Gui smashed him in his stomach with a powerful punch that sent him flying into the air!

I flew at him.

Me: BASILISK POWER!

I flared up a green aura in the shape of the Basilisk with the power of Professor Quirrell and I glared at Draknarok and he turned into a stone statue!

He fell to the ground and his stone shell shattered and shards of stone slashed Slyther all over the place!

Nico: WHOA! Nice one J.D.!

Slyther: OUCH! THAT HURT!

Eli: Not as much as this will! ACKLAY POWER!

He flared up a sea foam green aura in the shape of a Vendaxa Acklay with the power of the Daughters of Aku and Eli fired waves of energy and smashed down Slyther all over!

Slyther: See how you deal with this!

In a cloud of smoke, a crowd of cows appeared.

Nico: Slyther has to be one of these!

Me: Clever blend in with a herd of cows.

I then concentrated and then held out my hand and then a wind blast hit a cow and it revealed itself to be SLYTHER!

Nico: Nice try!

Slyther: Very clever!

Me: This battle is only getting started.

Draknarok: (to Tarrick) Explain to me why we're on opposite sides now?

Tarrick: We're still working with each other but we're all now in the Masters of Evil.

Draknarok: Oh right I forgot that we were in that group now.

Me: Time for this one. FIREBIRD POWER!

I flared up a red Firebird aura in the shape of the Phoenix for Eclair's archenemy the Firebird of Hanna Barbera's Godzilla and I fired waves of fire and blasted down Slyther all over the place.

Amelia: Take that!

Cornelia: Besides, Tarrick only wanted his wife back.

Draknarok: Oh I see.

Nico: That's right.

Me: Now top this. (ACTIVATES LEGO LOKI'S RIDEWATCH)

I formed a hammer and danced and then crushed Slyther's foot with it and then..

BLANG!

I bashed him in his face and smashed him down.

Slyther: (Dizzy stupid talk) Mommy read me the story about the bunny in the haybale.

Javi: Oh, you'll get more then a story!

Nico: That was funny.

Me: It was. Now watch this one. (ACTIVATES PREDACON RHINOX'S RIDEWATCH)

I got his blasters and fired them and hit Slyther all over the place.

I was blasting him all over the place.

Nico: Yeah take that!

Izzy: Have some of this!

She blasted Slyther and Draknarok with her sword by firing blades of energy at them.

Nico: YEAH!

Dai Gui knocked Draknarok down.

SMASH!

Draknarok: Ouch! But I'm not finished!

HE GREW GIANT!

Dai Gui: Uh oh.

But then a roar was heard and out came GODZILLA!

Godzilla 1998: (ROARS)

Eli: Top this! PREDACON CYBER KEY POWER!

Eli donned Evil Blackarachnia's Spider Leg guns, Megatron's right arm head, Terrorsaur's shoulder cannons, Scorponok's Left Arm Missile launcher, and Tarantulas's arm leg blasters.

Eli: EAT SLAG!

He fired waves of energy and missiles and blasted Slyther all over the place with incredible fury!

Nico: OH YEAH! TAKE THAT!

Zayto: Let's summon our Megazords and give Godzilla a hand!

Me: Good idea! Lets do it!

Cornelia summoned her Brachiosaurus carrier and it unloaded the Dino Fury Zords and they combined and formed the Dino Fury Ultrazord!

Zayto: OH YEAH!

They went into the Ultrazord.

Rangers: LINKED!

Nico: This is gonna be awesome!

Draknarok: OOH I'm so scared!

Me: You should be!

Godzilla 1998 fired a wave of Emerald Energy and blasted down Draknarok!

Draknarok tail whipped Godzilla 1998.

But Godzilla 1998 jumped and blasted him some more.

Zayto: Lets do it!

All: ULTRAZORD DINO BURST!

They fired a wave of energy from the Ultrazord and it hit Draknarok!

Draknarok: NO! I WAS KING OF THE MONSTERS!

He fell and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was back to a Sporix Cell and Eli caught it and put it in a pod.

Nico: YEAH! Draknarok you have failed this city!

Dino Fury Rangers: DINO FURY VICTORY!

Slyther: Well, that's all for me, folks!

He teleported back to the M.O.E. Base.

Me: That is it for that.

Dai Gui: That was awesome!

Nico: Yeah it was!

Me: It sure was. Boy we really let Slyther have it.

Nico: We sure did. And Draknarok is back in the M.O.E.

Me: Yep.

Zayto: Awesome.

---

We later went back home and Sailor Moon was still crying as Naruto comforted her.

Naruto: It'll be alright Serena. It'll be alright.

Nico: Has Sailor Moon been crying this whole time?

Varie: Yeah she sure has.

Sailor Uranus: She is a big time crybaby.

CRUNCH!

Varie stomped on Sailor Uranus's foot!

Sailor Uranus: OW!

Varie: That's enough Amara!

William: How did the mission go?

Nico: Really awesome.

We told them everything and it was cool.

May: Awesome! Wow!

Laney: Yeah that was awesome!

William: Next time, Caleb and Shu should come.

Caleb: It'll be an honor.

Me: And all of the Power Rangers should come with too.

Xenia: Good idea.

---

Later at Lynn's Table we were having a good lunch and with us was Widowmaker who was given a second chance by us.

Maria: How do you like it here with us, Widowmaker?

Widowmaker: (French Accent) I actually like it.

Me: Great.

Widowmaker: I'm sorry I did all that to you guys 2 years ago.

Me: It's all right Amélie.

Nico: But at least Talon is dead.

Lizabeth: Time to put ants in Flip's pants.

Lizabeth did so and they bit him all over.

Me: Yeah!

More coins and jewels came out of him.

Me: Now for this one. (Pulls out a grenade) Flip, chew on this! (Pulls the pin) FIRE IN THE HOLE!

I threw it and Flip opened his mouth and then he swallowed it and then he knew he was going to die and then…

MASSIVE EXPLOSION!

It exploded inside him and he then farted out a massive stream of jewels and rubies. And then he also peed out all his blood too! YUCK!

Me: (Italian accent) THAT'S A SPICY MEAT-A-BALL!

Undermine: Me next!

He went over and slashed Flip all over the place.

Qin fired waves of energy and smashed and blasted him all over.

Twilight Sparkle: Yeah! Take that!

Me: And this.

I pulled out my bowling ball bazooka.

Me: Fire!

I fired it and it smashed Flip in his face and jewels and gold poured out of him all over.

Widowmaker: Cest magnifique!

Qin: Oui!

Wideload: We got time for one more!

Eli: I'll do it.

Eli fired waves of Force Lightning and electrocuted Flip and burned him all over.

Qin: YEAH! Take that!

Nico: Yep!

Laney: Awesome!

Buzzsaw: Any new teams today?

Nico: Lisa will have Rika Noralenshikov, Pharah, Winston, Mercy, and Mei. Double D will have Rei the Ghost, Bastion, Zenyatta, Soldier 76, and Widowmaker.

Lisa Loud: Ah splendid. It'll be an honor.

Edd; It'll be most intriguing.

Soldier 76: Bout time some of us got into it.

Mei: I agree there.

We later went back home.

Nico: Now we have to get prepared for our mission. Whatever it will be.

Then Red Ghost, Webstor, Angel, Skalamander, Rich Texan, Steam Smythe, Black Adam, Shendu, Selene, Amora, Cheese Monster, Ayatoriko, Angel (Fairy Tail), Proper Patrol, Eustace, Suzaku, Cajun Fox, Techicolor Phantoms, Sellon, and Dahlia Hawthorne appeared.

Red Ghost: Can me, Webstor, Angel, Skalamander, Rich Texan, Steam Smythe, Black Adam, Shendu, Selene, and Amora go with you guys?

Cheese Monster: Me, Ayatoriko, Angel (Fairy Tail), Proper Patrol, Eustace, Suzaku, Cajun Fox, Techicolor Phantoms, Sellon, and Dahlia Hawthorne will come as well.

Nico: Yes you all can go with us.

Then the alarm went off.

Nico: Uh oh.

Computer: Warning. Warning. Nico, massive unruly mob heading towards Addams Family. Their goal is to kill them for everything they are.

We gasped!

Qin: Oh no!

Nico: We are in for a huge fight. Looks like we're getting into the fight right away.

Eli: Yep!

Cybertron Ransack: Boss, which Gene Slammer do you think you'll meet next?

Nico: I'm thinking of meeting one for Number 57: Tri-Head Dust Dragon.

Qin: Neat! That's a cool one.

Nico: Yep. It sure is.

Xenia: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was General Fang, a tyrannical warlady and the tyrannical leader of The Black Scorpions, and she's come back looking for revenge. When we saw that, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us today?

Lincoln: You guessed it, Nico, and none of us are going to like this one bit: the dark energy signal we sensed belongs to General Fang, a tyrannical warlady and tyrannical leader of The Black Scorpions, and she's come back looking for revenge.

I gasped in shock.

Me: Oh shit, not that nasty piece of work, I thought I'd never see her again.

Nico: I remembered seeing her in Around The World in 80 Days, but you also know her, J.D.?

Me: I do, Nico, she's the tyrannical leader of The Black Scorpions and their big goal was to invade the legendary village of Lanzhou, and even worse, she was in league with Lord Kelvin. I went after her a few years ago before I moved to Michigan, and I put a stop to their vile plans to invade Lanzhou, but General Fang swore revenge on me, and let me tell you: she's a real nasty piece of work.

I proceeded to tell everyone about General Fang, and they weren't going to like her one bit.

---

## General Fang

General Fang (also simply known as Fang) is one of the two main antagonists (alongside Lord Kelvin) of the 2004 Disney adaptation of Jules Verne's Around the World in 80 Days. She is the tyrannical leader of a Chinese military organization known as the Black Scorpions, being in league with Lord Kelvin to invade the legendary village of Lanzhou.

She was portrayed by Karen Joy Morris.

### Personality

Known for her relentless attempts to conquer Lanzhou, Fang is shown to be very intelligent, manipulative, ruthless, and evil in nature. She is proven to be quite resourceful and creative, as she was able to send several of her agents to stop Lau Xing from retrieving the Jade Buddha back to Lanzhou; even providing Lord Kelvin the routes to untapped jade reserves buried beneath Lanzhou in case they would fail.

Despite her alliance with Lord Kelvin, Fang secretly despises him for his misogynistic and abusive nature; this was shown when she berated Kelvin for letting the Jade Buddha slip from his grasp, and Kelvin furiously attempts to throw a quill on her for this, only for an annoyed Fang to catch the quill with her fan and throw it back along with a dagger at Lord Kelvin's portrait in retaliation. She even calls off the deal after realizing that Kelvin has sent her and her posse to New York on a fool's errand to delay Fogg and Lau Xing from winning their wager.

### Role in the film

General Fang is first seen mysteriously entering the Royal Academy of Science after hearing Lord Kelvin is informed that the Jade Buddha (which she stole from from Lanzhou) has been stolen by

Lau Xing, who attempts to retrieve it back to the village for good. It is also revealed that General Fang actually smuggled the jade statue to Lord Kelvin in exchange for British arsenal from Kelvin to conquer Lanzhou. Lord Kelvin angrily declares to General Fang that the deal is off if the jade statue isn't returned to the Bank of England. General Fang assures that her spies will retrieve the Jade Buddha once again, angrily warning Lord Kelvin not to let slip from his grasp again. This causes an angry Kelvin to throw a quill at Fang, only for her to catch it swiftly with her fan and throw it back at his portrait with a dagger as well.

As Lau Xing and his new friends Phileas Fogg and Monique La Roche travel all around the world in 80 days, Fang sends in her agents to follow the trio, having caught of Lau's identity. Around the same time, Kelvin learns of Lau's identity from Inspector Fix, so he attempts to have the trio arrested to steal the Buddha and win his wager against them. Starting with the cities of Paris, France and Agra, India, the trio cross paths with the Black Scorpions and manage to fend them off before heading for Lanzhou.

In Lanzhou, China, General Fang sends her second-in-command to capture the trio and kill them to steal the jade statue again. However, they are defeated when Lau Xing brought in his old friend Wong Fei Hung and the Ten Tigers of Canton, forcing the Black Scorpions to retreat and never return to Lanzhou again, right before the Buddha is returned to its rightful place.

Despite the failures of her agents to steal the Jade Buddha, General Fang offers Lord Kelvin untapped jade reserves that are buried beneath Lanzhou if he gives her the arsenal to invade Lanzhou. Though Lord Kelvin accepts the offer, he states that he will lose his job if Fogg wins the bet, so Fang agrees to personally deal with the problem herself.

To that end, General Fang and her remaining minions travel to New York, where they ambush the trio in a warehouse where the Americans have started building the Statue of Liberty. Though the trio were able to defeat her minions, Fang is left to fight Lau Xing alone. As the book of the Statue is about to fall on them, Fogg returns to help, but it is too late. By a miracle, Lau Xing emerges out unharmed and just as he and Fogg are making amends, Fang emerges as well and attempts to kill them with a sword, only to be knocked out cold by Monique. The trio then escapes to the next ship heading for London, leaving an unconscious Fang and her associates behind.

Finally seeing that she has lost and have been used by Kelvin, a humiliated Fang sends a telegram to Kelvin at the Royal Academy, angrily telling him that their deal is off and that she and the Black Scorpions are conceding defeat, much to Kelvin's fury. It is unknown what happened to her and the Black Scorpions after Kelvin was exposed and arrested for his crimes.

---

When I was done, everyone really hated that bitch.

Nico: What a bitch, and you're right, J.D., she's a really nasty piece of work.

Rosie Davis: And that'll be left to me and Lincoln to destroy her for good, and make sure The Black Scorpions never return to invade Lanzhou ever again.

Lincoln: Yeah, she'll pay for her crimes in blood.

Nico: Yeah, you two show that nasty piece of work absolutely no mercy. Alright, gang, let's go, we've got numerous angry mobs from over the centuries to stop and make them pay for trying to kill The Addams Family.

Lincoln: Those Angry Mobs are going to pay for trying to hurt The Addams Family, and once we get done with those angry mobs, you're next, General Fang.

Black Adam: I think we should scare the angry mob off first. May I volunteer to do so?

Nico: Sure. As long as you bring Cajun Fox.

Cajun Fox: (salutes) You can count on us, boss!

Nico: Love that spirit. But knowing an Angry Mob they will come back. Lets do it!

With that we were off to the Addams Family home.

---

We arrived at the Addams Family home and landed. Luckily the Addams Family is located right by the World Tree Estate so we didn't have to go far.

Cree Lincoln: Guess the computer was faulty. Everything looks fine to me.

Me: Uhh. The what do you call that!?

We saw a HUGE MASSIVE ANGRY MOB and they all were armed with pitchforks, torches, weapons and more! They were all OUT FOR BLOOD! And they were poised to kill the Addams Family.

Mob: ADDAMS FAMILY DIE! ADDAMS FAMILY DIE! ADDAMS FAMILY DIE!

Nico: Oh boy.

Qin: Oh boy is right.

Me: Yeah.

Nico: Entrance time.

We hid and got ready.

The Addams Family came out and saw them surrounded.

Mob man: KILL THEM!

Then the spirits of the Animals of the Jungle appeared and swirled around them and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above the mob and a phoenix cry was heard and we came out!

Nico: NO ONE kills our friends the Addams Family on our watch!

Eustace: Stupid angry mob! You make the Addams family look bad!

Rich Texan: Adam, Cajun Fox, scare them off!

Black Adam: With pleasure!

They fired waves of lightning an spicy peppers and blasted the Mob all over and burned them.

BUT THE MOB WOULD NOT GO DOWN WITHOUT A FIGHT!

Mob man: NO ONE WILL STOP US! NOT EVEN YOU!

Eli: Then we will MAKE SURE You all are stopped!

Me: Nico I strongly suggest that we get the fight started. I warned you this would happen.

Nico: Agreed. Change of plans! TIME TO FIGHT! ATTACK!

We went at the mob and kicked and pulverized them all over.

---

Meanwhile, back near the woods of the entrance of the Other World, a figure that looked like Nico was walking around.

Other Nico: (growls) Those assholes! Especially Girl Jordan. All I wanted to be was her boyfriend and I get blasted for it! They want a monster, huh. (smirks) Happy to play the part!

With that, the Other me started laughing maniaclly as his arm was covered in symbiote goo.

UH OH! UH OH!

---

Nico was about to punch another mob person when suddenly, Nico screamed in pain as he held his head.

Me: Nico what's wrong!?

Snaptrap: Nico! Guys, we need to scare the angry mob off temporarily. NOW!

Me: Right! Eustace!

Eustace: I'm on it! (Pulls out ugly mask) OOOGA BOOGA BOOGA!

THE MOB SCREAMED IN FRIGHT AND THEY RAN AWAY!

Me: YEAH YOU BETTER RUN!

I formed a force field over the house.

Me: That will hold them. Nico are you alright?

Nico: I don't know! I felt this immense pain in my hand!

Venom: We sense it's Symbiote Pain!

Eli: I sense it too! Something linked to you got a hold of Symbiote goo.

Angel (Fairy Tail): What was it, Nico?

Nico: Well, I couldn't sense what it was. But my guess? The Other Mother must've used Symbiote residue as a backup plan to cause me distress should we defeat her.

We gasped!

Angel: That bitch!

Maria and May knew there was more to it. But decided to leave this alone.

Me: Oh man! I should have given that version of you the Black Gates when I had the chance!

Eli: Oh boy.

Wednesday Addams: Thanks for coming to the rescue, guys. I thought we were goners for a second.

Nico: No problem Wednesday.

Hard Man: Like Hell we were gonna let them do anything to you guys!

Nico: Yeah no kidding.

Maria and May were having a discussion with me and Eli while this was going on.

Maria: Look, guys. Whatever caused that, it's best if we deal with it when the time is right.

Me: Agreed.

May: Besides, look on the bright side. It bought us some more time. And we can plan our move when the angry mob comes back.

Eli: Right.

Me: But I already know what it is Maria, May. It's that doll version of Nico that I failed to give the black gates.

May: I knew it would come back.

Me: Oh boy.

Wednesday Addams: Anyway, while we're waiting, you guys can explore our humble home. I can tell that this is your first time here.

Sellon: You're right about that.

Selene: I personally like this house.

Nico: Sure. Thanks.

We went into the home of the Addams Family.

Me: Wow!

Brittney: This is my kind of place. We goths have always loved the skills and horrors of good from the Addams Family. They are amazing.

Morticia: Thank you Brittney. That means a lot.

Me: I can't believe those people are all after you Morticia. I know the Addams Family has been unwanted in many places over the centuries but this takes the cake.

Kitten: If anything, the mob should be going after monsters like the Myling!

Nico: No argument there.

Me: I agree.

May: Nico let me see your hand.

May looked at it and it looked okay.

May: Hmm.

Me: Nothing physically wrong with it. But I definitely know this situation. Sorry to do this man.

POW!

I punched Nico in the face and then Other Nico felt the pain from that punch and Eli felt it in the Force.

Eli: I felt that. Nico and his Other Doll self are linked. Whatever pain one of them feels, the other will feel the same.

Me: As I suspected.

Dahlia Hawthorne: From what Lucy told us, Wednesday, you meet JD and the others during the start of their hero careers.

Amora: You remember that, don't you?

Me: I definitely do. That was back in the teams old days.

Camie: Really? What happened?

Me: It was back when the Addams Family house exploded. Freak accident from Fester's explosives.

I went over what happened in Chapter 90.

---

It starts out in the Knudson-Loud-Anderson Super Estate. I was looking up stuff on my computer when I heard a huge explosion in the distance.

Me: Whoa! That was not one of Lisa's explosions. That was something else.

I look out my window in the tower and I see smoke in the distance.

Me: Something happened over there and we'd better check it out.

20 Minutes Later, me, Varie, Laney, Lily and Lana arrived at a burning mansion and put it out.

Me: I know this house. It's the Addams Family house.

Lily: The Addams Family, the creepiest family in the world?

Me: Yep.

Varie: This is sad. Lets take a look around.

We searched through the rubble of the destroyed house and found out that this was all an accident.

Varie: Boy Uncle Fester really blew this whole house up and took the whole family with it.

Laney: I know the Addams Family and Uncle Fester loved working on explosives. He must've been testing a new explosive and it backfired.

Lana: What a mess.

Me: Yeah.

Lily was walking around the destroyed house and saw someone under a plank.

Lily: We have a survivor here!

She lifted it and we ran over and it was Wednesday Addams.

Lily: Wednesday! Thank goodness.

Wednesday: Lily. I'm glad you found me.

Lily: What happened here?

Wednesday: Uncle Fester was testing out a new explosive but it went wrong and destroyed everything.

Lily: No kidding.

Laney: Looks like my suspicions were confirmed.

Wednesday: Yes Laney. They were. I am now the last of the Addams family.

Me: That's terrible. We heard the explosion all the way from our house. We're just glad you're okay.

Wednesday: Yes. I'm glad too. But I have nowhere to go.

Varie: You can live in our house now Wednesday. Lucy would love that.

Wednesday: Yes. She would.

Me: Lets see what else we can find here that's salvageable.

We search throughout the rubble and found that the bookshelf is still intact.

Me: I remember all these books. These are some cool ones. This one is my favorite.

I pull out a book called "Gone With the Wind" and open it and a huge blast of wind blows in my face. I close it and blubber.

Me: Wow. I remember that. Let me see here.

I find a book called Greed and pull it and it was a secret passage. We all go in it and down a set of stairs.

Me: I remember this. It leads to the vault.

Wednesday: Yes. It's my family's fortune.

We saw a slide and go down it and it lead into a huge tomb.

Varie: Wow. This must lead to the vault.

We fly over the water and Lily was carrying Wednesday.

We arrive at a huge safe.

Laney: This must be the vault.

Wednesday: Yes it is. I usually am not allowed down here.

Me: I believe it. From what I remember the Addams Family fortune has literally been the most coveted and most sought after fortune in the country over the decades.

Wednesday: Yes. And our family is also the most darkest and most hated family in the world.

Varie: Why's that?

Wednesday: Because we've always been persecuted for so many things we did not do and they killed us in many ways.

Lily: That is sick.

Laney: Yeah. That is evil and stupid.

Wednesday: You're telling me.

Me: Lets see here. From what I remember the combination is [turns the dial] Right 2, [Turns the dial] Left 10, [Turns the dial one last time] and Right 11.

The Vault door clicked and I opened it. We went into a room and saw lots of old stuff.

Varie: Wow. Look at all this stuff.

Wednesday: This is dads private section. He showed it to me once.

Me: Amazing. Let me see if I can find where the fortune is.

Laney: From what I remember its behind that wall over there. [Points to a bar]

Me: That's very clever.

I use my psychic powers to move the wall and we see a massive vault full of gold.

Me: Whoa! Look at all that gold!

Varie: Holy mother of all water!

Lily: Geez! That is a lot of gold.

Laney: That is a kings ransom.

Wednesday: Yes it is. I've only seen it once.

Me: It is true what they say: "The Love of Money is the Root of All Evil"

Varie: Indubitably. Let's beam all of this over to our vault.

Me: Yeah. Wednesday is now the last Addams and there's no need for it to be here anymore.

Laney: Let's also build a memorial for the Addams Family too.

Lily: Good idea Laney.

I beam all the gold into our vault and empty it all out.

Me: Never again bad people. Lets see if we can find anything else that's salvagable.

Laney: Okay.

We searched the remains of the house and found a bunch of Wednesday's possessions and many more of her family's stuff.

After we searched, we packed up all of the stuff and went back to the Knudson-Loud-Anderson house and Laney was helping Wednesday get comfortable.

Laney: Wednesday I'm so sorry about your family. But you can't keep your sadness buried.

Wednesday: I know. I miss everyone. This is the worst day ever!

Wednesday broke down crying and Laney comforted her. Lily had built a special memorial site for the Addams Family.

Wednesday was adopted into the Loud House.

It was a good time for her.

FLASHBACK ENDS

Lincoln: I remember that! That was amazing too.

Qin: Wow! I always wondered what happened back then.

Xenia: Me too.

Nico: That's cool that you guys took Wednesday in.

Laney: Yeah it was awesome.

Commander Mars: I'm sorry you were without a family during that time.

Wednesday: I'm all right. J.D. and everyone brought my family back later on.

Nico: I was there for that. I remember that.

Qin: Me too. I remember that.

Varie: Me too.

Nico: Yeah. That was awesome.

Eli: What happened in that one?

Me: That was a crazy one. That was also the day where we first met the Aquitar Rangers.

I went over what happened during the events of chapter 860 and it was crazy.

---

FLASHBACK 2 - Chapter 860

---

We were at Peach Creek in Atlanta, Georgia. We were at Peach Creek Junior High School. Home of the Peach Creek Cobblers.

Eddy: Here we are at Peach Creek Junior High!

Me: Wow. So this is your old school you went to.

Eddy: Yep. It was not a bad place.

Luan: Your school looks awesome Eddy. It sure looks Peachy. (Laughs) Get it?

We laughed.

Laney: (Laughs) That was a good one.

Me: That was a good one. And the Peach Creek Cobblers are their team name.

Edd: Yeah they are.

James: Cacnea, don't get lost, okay?

Cacnea agreed.

Eddy: But look at this.

We went to another hallway and we saw that the trophy case for the Peach Creek Cobblers Teams in sports was totally empty. It was filled with nothing but cobwebs and dust and spiders.

Me: It's totally empty.

Laney: Not one trophy for your team?

Eddy: Yeah the Lemon Brook Lumpers always beat us at everything. They hate us with a merciless vengeance and they beat us at everything.

Nico: Boy that sucks!

Me: No kidding. I think those Lemon Brook Lumpheads are cheating numbskulls.

Lori: That is literally too awful.

Me: Eddy, you guys tried out for the football team right?

Eddy: Yeah we did, but we lost big time.

Me: Boy that stinks.

Lynn: I may be a sports star, but I would not want players from the Lemon Brook Lumpers to be on our school teams.

Me: You got that right. Those guys are terrible.

Luan: I heard you guys got mercilessly thrashed by all of them.

Edd: We certainly did Luan. It was awful.

Me: Well I know sports aren't your forte Double D, but now that you have your Iron Boy suit, you can easily win.

Edd: That's true J.D.

Linka: Yeah.

Kevin: But it's great being part of the football team.

Nazz: It sure is.

Me: Nazz, you were on the cheerleading squad right?

Nazz: I sure was J.D. Now I'm on the cheerleading squad for the Gotham Royal York Roosters.

Me: Sweet! Marie, you hated school right?

Marie K.L.: Ugh! I hated school! I wanted nothing more than to cause trouble because of my stupid former sisters.

Me: Boy they left a mean streak on you huh?

Marie K.L.: They sure did. And they are the reason why I was taking part in the True Vengeance Express.

Syd: That was awful.

Qin: What's the Vengeance Express?

Nico: That was a terrible event Qin.

Me: Here's a newspaper of what happened back then.

I handed Qin a newspaper of what happened 5 years ago back in 2014 and Qin read it. What she saw was terrifying.

Qin: (Gasp) That's awful! I can't believe that you and your sisters would do all that and cause so much destruction to the whole city of Atlanta!

Marie K.L.: Yeah. Blame my sisters for that too.

Kevin: The Vengeance Express is a term J.D. invented where we went after the Ed's in a hunt for their blood. We wanted to kill them and mount their heads on pikes for revenge.

Qin: That's terrible! What did they do?

Me: Ed has a sleepwalking problem and he accidentally took the

Kanker's Ship-In-A-Bottle the 2nd time. The Ed's had to run after the Kanker's completely destroyed the whole neighborhood. But in doing so, the Kanker's completely destroyed all of Atlanta. Thousands died, many injured and billions of dollars, maybe trillions of dollars in damages. The whole city looked like it was hit by a nuclear bomb.

Qin: That's terrible! I can't believe all that happened.

Ed: It's because of my sleepwalking that caused the city to be destroyed.

Me: It's not your fault Ed. Sleepwalking causes a lot of people to do crazy things against their will in their sleep. You had no idea that all that would happen.

Lincoln: That's right Ed.

Leni: It's all right Ed.

Ed: Aw. Thanks guys.

We then were walking around the school and showing the classrooms and some of the teachers were happy to see the Ed's and their former classmates.

In the cafeteria, we saw the good food.

Me: Boy the food looks good.

Nico: It sure does.

We had a little snack with some of the food and we were in luck. Today was Whopper Weiner Wednesday and it had lots of big hot dogs and really good fries. They also had all kinds of fruit, vegetables, meats and desserts. But they also had a big pot full of Butterscotch Pudding. Mary got some desserts, Jared got the fruits and vegetables, Nicole and Rolf got the meats and Laney got a bunch of hot dogs.

Nico: Boy these are big hot dogs.

Me: They sure are.

We ate them.

Nico: Wow! These are great hot dogs.

Me: They are delicious. Ketchup Kevin?

Kevin: After you amigo.

He took the ketchup bottle and squirted it on mine in the shape of Kev.

Me: Nice!

?: (Alien Voice) **Excuse me, are you all Team Loud Phoenix Storm?**

We turned and we saw the Aquitar Power Rangers!

Me: No way! The Aquitar Power Rangers.

Nico: It's truly an honor.

Cornelia: (to the Alien Rangers) It's really nice to meet you guys.

Aurico: **You too Cornelia. I'm Aurico, the Red ranger.**

Delphine: **I'm Delphine, the White Ranger.**

Cestro: **I'm Cestro, the Blue Ranger.**

Tideus: **I'm Tideus, the Yellow Ranger.**

Corcus: **And I'm Corcus, the Black Ranger.**

Me: It's truly a pleasure. We welcome you all to Earth.

Tommy Oliver: It's great to see you all again.

Kimberly: It's a pleasure to meet you all.

Aisha: We missed you guys.

Billy: Same here.

?: And the Power Rangers know me.

We saw a blue robot man appear. It was Ninjor!

Me: Wow! Ninjor!

Ninjor: It's an honor to meet you J.D. Knudson. And you too Team Loud Phoenix Storm.

Hot Spot: (to Ninjor) It's nice to meet you, Ninjor.

Ninjor: Same to you Hot Spot.

Shanan: Planet Aquitar is half a light-year away from here. I guess Zordon called the Aquitar Rangers to help you guys.

Adam: That's right Shanan.

Rocky: We were turned into kids when Rita Repulsa and Lord Zedd used a spell that sent Earth back in time and we had to find a way to reverse it.

Me: I remember seeing that. That was intense. Master Vile destroyed the whole command center at the end.

Tommy: Yeah. We thought that was the end of the Power Rangers.

Me: There will never be an end to the Power Rangers, Tommy. Once a ranger, always a ranger. In heart and spirit.

Nico: That's right. We've watched all of the Power Rangers from over the course of 26 years and it's so awesome!

Laney: Yep.

Delphine: **That's interesting.**

Aurico: **Might we trouble for some water please?**

Maria: I got you covered.

Maria fired a blast of water and got them wet and rehydrated.

Delphine: **Ahh. That's better.**

Me: Like fish out of water, they need to stay wet and hydrated.

Nico: I know.

Aurico: **Thank you.**

Maria: No problem.

Me: So you've decide to live here on Earth?

Aurico: **Yes we have.**

Me: I'm glad you've decided to give Earth a chance.

Onslaught: Now that you guys are with us, you can always go to one of us with water powers whenever you need to hydrate.

Delphine: **Thank you all.**

We made a brand new water base for the Aquitar Rangers in Lake Huron and we were given special devices that would call the Aquitar Rangers whenever needed.

---

At the estate, Wednesday Addams was looking through a photo album we recovered from her house that was blown up in an accidental explosion caused by Uncle Fester.

Qin: What are all those photos Wednesday?

Wednesday: These are all the times I've had with my family.

Me: Wednesday lost her whole family 2 years ago when her Uncle Fester accidentally blew up the house.

Qin: Oh no! Wednesday, I'm so sorry.

Wednesday: Thank you Qin.

Me: Maybe we can bring them back. Everyone, lets head to the Simulator to bring back the Addams Family. Everyone may find the Addams Family to be spooky, but we don't!

Nico: Lets do it!

We went to the simulator.

---

We were in the Simulator and we were ready for a chance to bring the whole Addams Family back together.

Nico: No one should ever be without their family. Accidental or otherwise.

Me: I agree. But I have a strong feeling that it was because of those landlords that the Addams Family died.

Laney: We'll find out when we face them.

Me: Lets do it.

The Simulator activated and we found ourselves near a hotel on the other side of the city.

Me: Feels like we didn't go anywhere.

Nico: It sure feels like it.

Pugsley: We're Addams's!

Wednesday: I never thought I would hear that voice again!

Me: That's Pugsley.

We went to a hotel room and the door opened and Morticia Addams answered.

Wednesday: Mom!

Wednesday hugged her for the first time in two years.

Morticia: I never thought I would be hugged like this.

Me: Morticia Addams. It's an honor to meet you. We are Team Loud Phoenix Storm.

Morticia: It's a pleasure to meet you all.

Me: We have a lot to tell you.

We went in and told the Addams Family minus Fester everything that went down.

Gomez: So we've been killed in the future?

Me: I'm afraid so Gomez and it left Wednesday an orphan. It devastated her.

Morticia Addams: What exactly happens to us in the future?

Horsea: An explosion kills you off.

William: Did you have to be so blunt, Horsea?

Me: Uncle Fester made a new explosive that blew the whole mansion to flaming rubble, leaving Wednesday as the only survivor.

Lori: So we came here through time to help deal with your landlords and that fake doctor working with Fester.

Pugsley: Wait. Dr. Pinder-Schloss is a fake doctor?

Me: She is a fraud Pugsley. Her real name is Mrs. Abigail Craven. She's a ruthless loanshark that Tully owes a huge amount of money to. She and Tully are after the whole Addams Family Fortune.

Gomez: That monster!

Me: Gomez, let us handle this. We can make sure that they pay for it.

Wednesday: That's right father. My friends on Team Loud Phoenix Storm have taken down a lot of powerful bad guys over the course of three years and they are the strongest force anywhere.

Me: We don't like to brag but yes. Also Gomez, that "Fake Fester" as you called him is really your brother Fester. He has amnesia and Mrs. Craven found him and twisted him. Poisoning his mind with lies.

Gomez: He is?

Me: Yes. We can help you guys get your house and everything you lost today and in the future back together.

Grandmama: How can you do that?

Maria: Don't worry. As soon as your landlord's… dealt with, we'll bring you to the future so Wednesday can have her family back.

Me: We are also the most powerful force in the entire universe and we can do anything.

Wednesday: It's true everyone. Team Loud Phoenix Storm will take care of everything.

Me: Now here's what we do.

I went over the plan and I told them that I was gonna face Tully in a sword fight and kill Mrs. Craven with my gun. Mrs. Craven is actually wanted by the FBI and she was one of the top 10 most wanted fugitives. But they don't know where she is. But they declared her to be extremely dangerous and they had orders to shoot her on sight.

We went to the Addams Family estate and we saw a sign that said "Addams Family, Keep Out." And another sign that said "No Trespassing."

Me: The Addams Family estate.

Gomez: Our old home.

But then we got an unexpected surprise when we saw 3 familiar ghosts flying around.

Pugsley Addams: What are those things?!

Double D (activating his Iron Boy suit): Heartless of deceased enemies.

Me: It's the Chocolate, Vanilla and Strawberry Technicolor Phantoms. Old enemies that we know. Okay. Change of plans. I'm going to face Tully and Mrs. Craven alone, you all can face the Technicolor Phantoms.

Nico: Right. Be careful J.D.

Me: Will do.

We flew over the gate and everyone went to face the Technicolor Phantoms and I went around the back and flew to the back of the house and I was outside of Gomez's study.

Nico and the others went to face the Technicolor Phantoms.

The Technicolor Phantom Heartless came at them and Nico kicked them in their faces and Lori fired a massive blast of wind and blew them around in a powerful tornado. Leni lifted a huge rock and crushed the Chocolate Phantom Heartless and splattered it all over the place as chocolate ice cream.

Eddy: (sees the remains of the Heartless) Well, can't let good ice cream go to waste.

After the heart of the Chocolate Phantom Heartless disappeared, it was purified and he ate all the ice cream.

Nico used Naturon Shenron's Aftershock blast and blew the Vanilla Phantom Heartless apart and splattered Vanilla Ice Cream all over May and himself. The heart disappeared and they licked themselves clean.

Nico: You taste delicious May.

May: So do you Nico.

They laughed.

Lincoln: Now it's time for you Strawberry Phantom Heartless.

Lincoln punched it in the face and fired a massive blast of lightning and electrocuted it.

Lana fired a massive blast of ice lightning and froze is and Lola fired a massive blast of fire and burned it.

Nico: Lets show this freak some teamwork!

Onslaught: You got it boss! CYBER KEY POWER!

The Earth Cyber Planet Key went into his missile and it enhanced its explosive power 100-fold.

James: Lets show this monster no mercy Cacnea! ANIMATRON CYBER KEY POWER!

The Animatron Cyber Planet Key went into James's right arm device and it enhanced his Cacnea's abilities 100 fold.

James: Cacnea, use Energy Ball!

Onslaught and James: SUPERBLAST MISSILEBOMB!

Cacnea fired a powerful energy ball and Onslaught fired a powerful missile and they both slammed into the Strawberry Phantom Heartless and exploded with incredible power!

KRABBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion was so powerful that it shook much of the town with 30,000 tons of TNT.

Nico: WHOA! What power!

Luna: That was explosive power dudes!

Nico: Lets keep fighting!

Hot Spot: Time for you to melt! CYBER KEY POWER!

The Earth Cyber Planet Key went into his back and it enhanced his fireball cannon 100-fold.

Cornelia: It's time for some earth power! EARTH CYBER KEY POWER!

The Earth Cyber Planet Key went into Cornelia's right arm device and it enhanced her Earth Powers 100-fold.

G1 Hot Spot and Cornelia: VOLCANIC FIREBALL METEOR FLARE!

Cornelia threw a bunch of rocks and Hot Spot fired a barrage of fireballs and they turned the rocks into red hot globs of lava. They rained onto the Strawberry Phantom Heartless and burned him all over.

Superman: Lets burn him Thor!

Thor: We'll smite thee.

Superman fired his laser vision and Thor fired a massive blast of lightning from his hammer.

Superman and Thor: LASER LIGHTNING FIRESTORM!

The blasts combined and they hit the Strawberry Phantom Heartless.

Nico: Lets finish this clod for good!

Wednesday: I'll start! BLACK LEAF DEATH TORNADO!

Wednesday fired a massive vortex of black leaves and they cut the Strawberry Phantom Heartless all over.

Pugsley: My turn! CHEMICAL ACID BURN!

Pugsley fired a powerful blast of sulfuric acid and burned the phantom.

Lucy Loud: You reap what you sow. BLACK LIGHTNING FEAR STRIKE!

Lucy fired a powerful blast of black lightning and electrocuted the

Strawberry Phantom Heartless.

Haiku: Time for you to melt. BLACK FIRE HELLFIRE SPEAR!

Haiku formed a massive black spear of black fire and it skewered the Strawberry Phantom Heartless and it exploded all over the place as strawberry ice cream. It's heart vanished and purified it. They ate it.

Nico: Lets go help J.D. out now.

Lincoln: Right.

They went to help me.

---

Mrs. Craven and Tally were thinking.

Mrs. Craven: Someone is here to stop us!

I then smashed through the window and landed on the floor.

Me: Surprise you fuckers!

I shot Mrs. Craven in the head with my 25 Caliber pistol and blew her head off. (Garry's gun)

Tully then appeared with a sword and I clashed my sword with his.

Me: Dirty Pool old man! Never again!

I slashed him and cut him across his stomach and disemboweled him.

Fester came. I fired a powerful blast of lightning and it hit him in the head and electrocuted him and it also restored his memories.

Me: Now you are a dead man.

I slashed Tully and cut his head off.

Everyone else came in.

Me: You guys missed a short fight.

Nico: Looks like you got everything under control.

Me: Yep. They didn't put up that much of a fight. Now we can bring the Addams Family back.

Nico: Mrs. Abigail Craven and Tully Alford, you both have failed this world.

I snapped my fingers and the Addams Family was now in our dimension next to our estate on the island we use for the awesome obstacle course. The fortune was put in the vault for safety.

Wednesday: Thank you for reuniting me with my family J.D.

Me: Anytime Wednesday.

Wednesday: (To the viewers) Never mess with our friends or families or you will regret it from Team Loud Phoenix Storm.

Me: You said it Wednesday.

Nico caught a Naganadel and a Stakataka when we got back.

---

FLASHBACK 2 ENDS

---

Nico: I remember that one.

Eli: That is cool!

Camie: Wow!

Shendu: I promise you won't lose your family ever again.

Strawberry Technicolor Phantom: Now, does anyone want some ice cream? Me and my brothers can make for you guys!

Nico: Sure.

We got some ice cream and it was good.

Me: (SLURPS) Ahh. Refreshing.

Nico: Yep.

Camie: I heard that the Addams Family has a massive fortune too.

Me: That's right. Their fortune is a huge Kings Ransom. It's one of the most widely coveted fortunes all over. Many thieves, criminals, burglars and more have been trying to steal it for years.

Gomez: He's right on that.

Fester: That's right brother.

Me: Yeah. We saw the fortune ourselves when we adopted Wednesday. It was massive!

Gomez: That is right.

Gomez got a cigar.

Me: Light you Gomez?

Gomez: Oh thank you.

I flicked my finger and formed a flame on it and lit his cigar.

Nico: I heard that Gomez is quite the swordmaster.

Me: He sure is. He has a massive collection of swords.

Raythor: Not to brag. But I know plenty of swordsmen from Meridian as well.

Nico: That's right. They are cool too.

Caleb: Yes they are.

Thing then crawled on my shoulder.

Me: Hey Thing.

Thing: That's not me. But wow.

Me: Yeah Thing is cool. Wait! Shaggy, Scooby, guys I remember you guys met the Addams family ages ago when the Mystery Machine broke down and you had to spend the night with them.

Shaggy: Like yeah we sure did.

Scooby Doo: Reah.

Velma: I remember that.

Me: Yeah.

Steam Smythe: I'm surprised that you guys aren't scared right now?

Shaggy: Oh, me and Scoob are scared. But over what the mob might do to the Addams Family!

Suzaku: That's perfectly reasonable.

Nico: That makes sense.

Me: Yeah.

Fester: J.D. I can't thank you guys enough for helping me get my memory back and helping me get back to what I love best.

Me: That was three years ago Fester. But you're welcome.

But then we heard a crash!

Gomez: Bravo Pugsley!

Me: Caused a car crash by pulling out a stop sign?

Pugsley: Yep.

Me: Cool cool.

Camie: How do the Addams Family tolerate so much?

Wednesday: We like it.

Pugsley: That's right. We are Addams's.

Me: And they can tolerate pain of all kinds. Watch.

I went over to Pugsley and slashed his arm off and then blood gushed and floored out of his stub like a waterfall.

Pugsley: Doesn't hurt me at all.

Nico: That is awesome!

Zhuqiaomon: These guys are tough.

Laney: That's what makes the Addams Family awesome.

Brittney: Yep. They are an icon in the world of the Gothic Subculture.

Me: One time Wednesday and Pugsley did a play and they dismembered each other and sprayed everyone with blood.

Nico: Nice.

Eli: Wow.

I put Pugsley's arm back on and healed him.

Razorclaw: Well, it's only a matter of time before that mob shows up again.

Me: Don't worry we're ready for them.

Nico: One last thing, I heard that you guys did an awesome Russian dance called the Mamushka. What's that like?

Gomez: It's a dance that was taught to us by our Cossack Cousins, and has been an Addams Family tradition since God knows when.

Me: That's cool.

Nico was washing his face in the bathroom when Sunset approached him.

Sunset Shimmer: Nico, I know it wasn't just Symbiote residue that gave you a headache earlier. What's wrong?

Nico: (sighs) If I let you use your powers to sense what's wrong, can you please not tell anyone except May, Eli, Maria, and J.D.?

Sunset Shimmer: I can try. But I think they already know because of Venom and how Eli sensed it.

Nico: Okay.

Sunset touched Nico's head and she saw that the Other Nico had come into contact with Symbiote Goop and turned into a deadly Symbiote named POISON!

Sunset Shimmer: Oh man. It's bad. He turned into a symbiote named Poison.

Nico: (to King Kai) King Kai, I know you heard all of that. But can you please not tell anyone aside from May, Eli, Maria, and J.D.? I don't want any of them to worry!

King Kai: Yes I saw everything Nico and I'll try my best. But knowing how everyone reacted I'm sure they already know.

Nico: I understand. Thank you.

Nico came back.

Me: You all right Nico?

Nico: Yeah.

Skalamander: You done washing your face?

Nico: Yep. I sure am.

Major Ms. Manners: Good. Because we got a serious problem!

Me: Uh oh! The Mob is back!

Nico: Battlestations everyone!

We got ready!

Nico: We already did the entrance so lets give them hell!

Qin: Big time!

Bright Man: Entrance time!

While everyone was getting ready to do the entrance, me and you had to do one last thing.

Nico: J.D. I need you to beat me up a few times. And then, terminate the link my Other Self has with me.

Me: But what about a threatening message?

Nico: You're gonna give him some pain right now. I think that's a pretty good threatening message.

Me: Oh I get it! But just so you know this it going to hurt me more than it's going to hurt you.

Nico: Okay. But hit me with your best shot.

Me: I don't want to kill you but here goes.

Nico: Don't hold back.

Me: (Cracks Knuckles) Okay. God forgive me.

I punched and pulverized Nico brutally.

POW SMASH WHAM SMASH WHOMP BIFF WHAM ZONK BIFF CRACK WHOMP CHOMP SMACK!

The Other Nico was feeling all the blows I was dealing him! OUCH!

I then used my magic to terminate the link.

Me: There.

Nico: Alright. Link terminated. And Sabretooth's healing factor is healing my injuries. Time to do the entrance!

Maria: By the way, Irma, you and Snake are getting a chance to shine today.

Irma: Awesome! Ready to kick some butt?

Snake: You bet I am!

They high five!

The Mob came at the Addams Family.

Then the spirits of the Animals of Magic and Texas Pride came and swirled around the mob and then converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above the crowd again and a phoenix cry was heard and we came out and Nico was fully healed thanks to Majin Buu and Sabretooth's powers and I used my magic to terminate the link that the Other Nico had with Nico.

Me: Time for this mob to be disbanded!

Qin: YEAH!

Ayatoriko: Hope you had a good breather.

Webstor: Because now, it's time to pay!

Me: With a merciless BUTTKICKING!

Mob Man: GET THEM!

We went at them and pulverized and smashed and pulverized them some more!

We were really letting them have it!

When they were down we rested and then Gizmo, Duskmon, Blizzard, Scorcher, Abomination, Dark Laser, Demyx, Roman Goodwin, Ssserpent, Roquefort, Boxcars, Evil Shade Man, Evil Xion, Axel, Evil Drill Man, Albedo, Evil Aqua Man, UA Carnage, Professor Monkey for a Head, and Big Cheese appeared.

Nico: Gizmo, Duskmon, Blizzard, Scorcher, Abomination, Dark Laser, Demyx, Roman Goodwin, Ssserpent, Roquefort, Boxcars, Evil Shade Man, Evil Xion, Axel, Evil Drill Man, Albedo, Evil Aqua Man, UA Carnage, Professor Monkey for a Head, and Big Cheese.

Gizmo: So, how was Cornelia's third mission?

Nico: It was great. We got to fight Draknarok and Slyther.

Duskmon: You guys sure did.

Me: Yep.

Blizzard: And Slyther too?

Me: We sure did. That was awesome. And I saw through his disguise too.

Blizzard: Boy you are sharp.

Scorcher: We also heard you had a baseball game.

Me: We sure did.

Abomination: Did you guys bring home a trophy?

Nico: We brought a really awesome photo too.

Eli showed a printed photo of it.

Abomination: Cool!

?: Awesome photo.

A figure came out and it was TIARATRON from episode 8 of Beast Morphers Season 2!

---

Tiaratron was first created when Robo-Roxy took a plastic tiara from a little girl and Blaze infected it with Evox's Virus. Tiaratron was tasked with attacking the Rangers so Robo-Blaze and Robo-Roxy could snatch up Mayor Daniels/Evox and give him the Morph-X he needs to retain his human form. She attacked Ravi and Zoey who was guarding Mayor Daniels and they morphed to fight her. Tiaradrone was deployed at a similar time that the Grid Battleforce scanners detected the attack so Devon was forced to deploy in his Racer Zord riding the Beast-X King Zord whilst the others confronted Tiaratron. Ravi fought Tiaratron whilst Zoey guarded the Mayor but he was knocked down and nearly overheated but Nate and Steel luckily arrived to take her on. Ravi hung back to cool off whilst they fought and eventually overpowered her. Tiaratron starts attacking Ravi and Zoey, then Nate and Steel arrive but she manages to throw them on the floor. Ravi soon rejoined the fight and morphed into Beast-X Mode whilst Nate and Steel fought her off. Tiaratron was held in place by Nate and Steel and then destroyed by Ravi's Gorilla Slam, a massive punch to the torso from his now massive right arm powerful enough to send her flying back and fatally injure her. The villains' scheme ultimately failed and Evox is exposed.

---

Devon: Tiaratron!

Me: I remember you! You were sent to get Morph X so Evox can retain his human form!

Tiaratron: That's right J.D. Good memory.

Me: Thanks.

Lola: (squeals) I'm so glad Robo Roxy and Robo Blaze made you from a tiara!

Tiaratron: So, you're not pissed at them.

Lola: I'm a little annoyed at them. But I'm more happy that they made you!

Me: (LAUGHS) I had a feeling Lola would love Tiaratron.

Abigail Midas: And she will make an awesome archenemy for me too. My name is Abigail Midas and I'm the gene-slammer for Number 56: Gold Rat. I think it would be awesome to see if Gold has more value than Diamonds.

Tiaratron: It would be an honor to face you Abigail.

We got the battles underway.

## Lie Ren, Pinkie Pie, Featherweight, Tech Skylanders, Zi-O Kamen Riders, Laserbeak and Buzzsaw VS Gizmo - Nico's rescue and mine and Billy's horrible argument

---

Gizmo was next.

Gizmo: (to Ren) Nico's rescue involved a baseball game. And J.D. and Billy having a horrible argument.

Lie Ren: Yeah it was awful. J.D. and Billy got into a really nasty fight because Billy was saying that girls are not allowed to play baseball!

Gizmo: That is preposterous! What is Billy thinking!?

Pinkie Pie: Man Billy I swear is such a moronic big nosed mule!

Featherweight: The guy gets in more trouble than anyone we know.

Sprocket: Yeah no kidding there.

Sougo: He is a true glutton for punishment.

Gizmo: Boy he sure is. What a barfbrain! Lets do it!

Lie Ren: AWAKEN! LEGENDARY TITAN OF CHAMPIONS, PENDRAGON!

In a swirl of energy came out PENDRAGON!

Lie Ren summoned Hermos and merged him with Samsara Lotus and they formed into a powerful scythe of flowers! It was called The Flower Scythe of The Samsara.

Celine CeCe Evans: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever. He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, Celine, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Celine CeCe Evans: That's incredible.

Nico: It sure is. So, Celine, can you tell us the whole story of your past?

Celine CeCe Evans: Of course, Nico, but I've got to warn you, it's not a pretty picture.

Celine CeCe Evans told us all the whole story about her past: she was born in Hong Kong, but she was raised in America, and her mom absolutely HATES HER GUTS COMPLETELY because she comes from a superstitious background and it's because CeCe was born with Heterochromia: she has one eye that is a different color, along with having amazing powers over the stars, moon, and the night, along with being a master of The Moon Scythe of Chang'e, and her mom absolutely hated her guts, and Celine also hated her mother with a vengeance as well, along with a girl named Tiffany Edwards who is a bully that hates her, and who bullied CeCe a lot. Eventually, CeCe got her expelled and she wants revenge on her for ruining her life. After her dad tolerated her mother's abuse towards her for the last time, he told her to leave and never come back. But, she refused and he called the cops on her and she was arrested and sent to a maximum security insane asylum for Life Without Parole and was diagnosed with Schizophrenia. She was also declared insane by the doctors, and it's determined she's a danger to society and herself, and therefore, she's placed in a specialized institution without any possibility of parole or release. She'd vowed to get revenge on CeCe for destroying her life and locking her up in a cage.

When Celine CeCe Evans was finished, we were horrified, except for Lincoln, his family, and friends who knew about Celine's constant abuse at the hands of her mother at home and that bully, Tiffany Edwards, at school.

Nico: Celine, I hate to say this, but your Mom's a total superstitious and insane bitch with a Capital B.

Celine CeCe Evans: No, I agree with you, Nico, and I hate her so much for what she's done in abusing me. She doesn't deserve to be out in society ever again.

Lincoln: I made sure of that with one of my curses, and if that bitch, Tiffany Edwards, dares to come after you for revenge, she's going to get turned into a gold statue for all eternity.

Me: Yeah, she's a monster.

Celine CeCe Evans: And so are Pablo and Anderson who I also hate with a merciless vengeance, but they're getting their just desserts with you guys humiliating them badly.

Me: (Growls) I knew there was no mistaking that voice from anywhere. You can come out now, General Fang, there's no use trying to hide in the shadows.

A figure came out, and it was none other than General Fang, the tyrannical leader of The Black Scorpions.

Me: I should've known you'd show up here, Fang. Looks like you're still pissed I ruined all of your big plans to conquer Lanzhou.

General Fang: You humiliated us for the last time, you miserable bastard, and I don't care just how powerful you are, you will die for ruining my plans to conquer Lanzhou. Kill them!

Suddenly, General Fang's Black Scorpion agents came out from the shadows to kill us, but Lincoln entered into his Full Bloodlust Mode as his nails grew into sharp claws, his deep sapphire blue eyes turned blood red, and his vampire fangs grew a little longer. He then spread his massive angel wings and took off and he brutally massacred the Black Scorpion agents by slashing off their arms, biting them on their necks and sucking out every last drop of blood from their bodies, and even absorbing their bodies into his body, and when he was done, energy cards appeared with the souls of the Black Scorpion agents imprisoned in them appeared, and when the Judgement Kanji appeared on each of their foreheads, they were sent to The Black Gates and right in front of General Fang, and this really pissed her off.

Rosie Davis: Nice work, Lincoln. Now, all that's left is to take care of that nasty piece of work.

Suddenly, Rosie Davis' crimson red eyes turn neon crimson red and she was surrounded by a crimson red energy aura with crimson red fire, crimson red roses, rose petals, and knights, she unholstered her massive Knight of The Red Lotus-themed greatsword from her back, and as she approached General Fang, she left crimson red energy, crimson red roses, crimson red fire, rose petals, and knights with every step.

Rosie Davis: General Fang, I will never forgive you for the crimes that you've committed against the world and against Lanzhou, and you don't even care about the consequences, and for that, you shall pay the ultimate price with your life.

Suddenly, Rosie Davis was surrounded by a massive vortex of crimson red energy with crimson red roses, rose petals, and crimson red fire surrounding the vortex, there's Knight of The Red Lotus flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Rosie Davis emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Rosie Davis grew from 6'5" to 7'1" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing crimson red hair, she has neon crimson red eyes, and a crimson red energy aura with crimson red roses, crimson red fire, rose petals, and knights surrounding her, she has Knight of The Red Lotus emblazoned on her forehead, she has on knight earrings with crimson crystals for eyes and holding the Fire, Nature, and Eternity Kanjis in its hands, she also has Knight of The Red Lotus with crimson red crystals for eyes and holding the Fire, Nature, and Eternity Kanjis in its hands for for the second pendant on the bottom of her crimson red knight-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and crimson red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Rosie Davis has on a short-sleeved crimson red and black blouse, sleeveless red midriff top, crimson red skirt, crimson red pants, crimson red sneakers, and long sleeveless white trenchcoat with crimson red roses, crimson red rose petals, crimson red flames, and knights on the coattails, and on the back is Knight of the Red Lotus with crimson red flames surrounding it. Suddenly, Rosie Davis felt a sharp pain on her back, and then, her massive crimson red angel wings with black tips on the feathers grew much bigger for her new body, and the coverts on the wings have roses on them, and they still give off the sweet scent of roses. Rosie Davis has on a Ring of The Phoenix with crimson red gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Rosie Davis' massive Knight of The Red Lotus-themed large greatsword, Knight of The Red Lotus' sword, and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of crimson red energy with crimson red fire, crimson red roses, crimson red rose petals, and knights, and when it emerged, it transformed into Knight of the Red Lotus' Crimson Red Firestorm Greatsword of Crimson Red Flame Justice and Rose Red Fiery Love, it's a brand-new large greatsword with Knight of the Red Lotus etched on the 7'0" massive, wide, double-edged crimson red blade, large crimson red knight helmets for the crossguard, large crimson red gem embedded in the rainguard, longer midnight black handle, four large crimson red knight helmets and a large crimson red gem below the crimson red knight helmets for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with crimson red gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Knight of The Red Lotus' head with crimson red gems for eyes and a crimson red gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a crimson red kanji below Knight of The Red Lotus that said, "Rosie Davis, Gene-Slammer of Knight of The Red Lotus, Skilled Master of Swordfighting, Skilled Expert in The Wilderness, Skilled Expert Survivalist, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lynn, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Crimson Red Fire, Knights, The Wilderness, and Survival"

ロージー・デイビス、ナイト・オブ・ザ・レッド・ロータスのジーン・スラマー、熟練した剣術の達人、熟練した荒野のエキスパート、熟練したサバイバリスト、愛する守護天使、リンカーン・ラウドの未来の妻、ダーク・リンのスマッシャー、悪のスレイヤー、錯乱した殺人者、冷酷でサディスティックなろくでなし、驚くべき強力な教師の驚くべき強力な学生、そして真紅の赤い火、騎士、荒野、そしてサバイバルの達人

Rosie Davis has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY CRIMSON RED KNIGHT FIRESTORM PHOENIX ANGEL OF DIVINE CRIMSON RED FIRESTORM NATURE JUSTICE AND DIVINE CRIMSON RED KNIGHT FIRESTORM LOVE!

We were amazed by Rosie Davis' Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when General Fang saw it, she fell into a rage and went after her to kill her, but Rosie used her skills to outfight her, and she also fired a powerful crimson red energy blast with crimson red fire, crimson red roses, crimson red rose petals, and knights, and it exploded with incredible power as it hit her and sent her flying into a wall, but she's not out yet and she's even more enraged.

Nico: That's so awesome, Rosie's transformed. (Sniffs) And there's the sweet scent of roses coming from her angel wings.

Me: Just like when Alexis Nikolai, Gene-Slammer of Black Rose Dragon, transformed when she and Lincoln fought Abraxas, along with Selene when she transformed yesterday, and she really outfought General Fang and sent her flying into a wall.

Lincoln: But, the fight's just getting started, but at least I got rid of her agents, and Rosie, you look beautiful, how do you feel?

Rosie Davis: (Divine Echoing Cosmic Voice of The Crimson Red Firestorm Knight and Divine Crimson Red Firestorm Nature Love) I feel incredibly, Linky. Now, shall we deal with that nasty piece of work once and for all?

Lincoln: (Smiles) With pleasure, Rosie.

Me: Tear that fucking bitch to shreds, guys!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Rosie Davis.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to conquer Lanzhou are about to end once and for all, Fang, and you're never coming back to hurt anyone again.

Rosie Davis and Lincoln went after General Fang, and they fired extremely powerful blasts of rainbow energy, crimson red energy, crimson red roses, crimson red rose petals, crimson red fire, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Mermaids, and Knights at General Fang, and they exploded with incredible power as they hit her. Then, they attacked General Fang with powerful slashes from their massive greatswords, and they left nasty scars on her, and they also drew blood.

This was really making General Fang beyond furious, and she tried to attack them yet again, but Rosie and Lincoln outfought her and she was losing steam very easily.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) She's losing steam, Rosie. Let's end her once and for all.

Lincoln and Rosie Davis covered their massive greatswords in crimson red energy and crimson red fire for their big attack.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is the end for you and The Black Scorpions, General Fang.

Rosie Davis: (Divine Echoing Cosmic Voice of The Crimson Red Firestorm Knight and Divine Crimson Red Firestorm Nature Love) And this time, you're never coming back.

This really frightened General Fang, as she saw that death was now coming for her, but it's too late for regret.

Lincoln and Rosie Davis: CRIMSON RED FIRESTORM SLASH STORM!

Lincoln and Rosie Davis unleash a powerful storm of crimson red energy and crimson red fire slashes on General Fang with swings of their massive greatswords, and she was brutally ripped into shreds and she was burned to ashes. Then, as General Fang's spirit appeared, Lincoln and Rosie Davis drew the Judgement Kanji on her forehead, and General Fang was found guilty for her crimes by all those she'd killed, and she, like the rest of her Black Scorpion agents, was erased by The Black Gates. We cheered wildly for what Rosie Davis and Lincoln did to General Fang as they holstered their massive greatswords and powered down, and Rosie Davis' new body, clothes, weapons, jewelry, and massive crimson red angel wings are permanent.

Rosie Davis: That's for all those you've killed in your constant attempts to conquer Lanzhou, you evil bitch. Thank you for helping me destroy General Fang, Linky.

Lincoln: (Smiles Warmly) You're welcome, Rosie.

Suddenly, Rosie Davis wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Rosie Davis' face, they kissed passionately as Rosie Davis' left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Knight of The Red Lotus flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and roses growing around them and crimson red fire raging behind them and we cheered wildly. Lincoln and Rosie Davis absorbed the crimson red flames and they came back, as the display and Knight of the Red Lotus vanished.

Me: Lincoln, Rosie, you guys did an awesome job in destroying General Fang. I never thought that I'd have to deal with that bitch ever again, but she just doesn't know when to give up.

Lincoln: She wasn't going to give up in her plans.

Nico: Yeah, she wasn't going to stop until she'd conquered Lanzhou and gotten her revenge on you for ruining her plans years ago.

Me: You're right about that, but thanks to you guys, The Black Scorpions are no more, and Lanzhou is finally safe from General Fang, and I made sure to tell the FBI of what you guys did in getting rid of General Fang and The Black Scorpions, and there's also a big reward for their deaths.

Lincoln: Whoa!

Nico: Awesome. Say, Lincoln, which Gene-Slammer are you planning to meet tomorrow?

Lincoln: That's a good question, Nico. Ooh, here's a good one, how about a Gene-Slammer for a Red Arremer.

Nicole: The Gargoyles from Ghosts 'N Goblins?! Now, that's a good and scary one.

All of the mob was being loaded up.

Dark Laser: There. The Addams Family is safe.

Me: That's for sure. Holy SHIT this is the largest ever mass arrest we've seen since the 1971 May Day Protests. We counted 500,219 people arrested in one fell swoop.

Qin: At least we didn't kill them.

Demyx: I thought they were under our protection before.

Roman Goodwin: Apparently, we didn't make that clear.

Me: No we didn't.

Ssserpent: It's clear now.

Me: Yep.

Roquefort: Now, let's celebrate at their house with how they usually do it!

Nico: Yeah! Great job today everyone!

Me: Thanks.

Morticia: (To the viewers) Just because someone is creepy doesn't mean they have the power to help people.

Brittney: That's for sure.

We later went to the Addams Family home and had a great party and then went back to the estate and enjoyed the rest of the day and went to sleep.

Selene is Nico's friend from Treasure hunting and exploration and together they went all over the planet and found all sorts of awesome treasures and more and they became a famous duo. The match-up scene is for Amber Mahigan, Gene-

Slammer of Zombie Werewolf, and she and Lincoln are going to destroy the Worgen, Alpha Prime, who was formerly the night elf, Ralaar Fangfire, and is directly responsible for the Worgen curse and all of its' consequences, both good and bad. Though his intentions start out good, he later becomes corrupted by the Worgens' feral rage. For Lincoln's rescue tomorrow, Lincoln and his group are heading to Eastern State Penitentiary in Philadelphia, Pennsylvania, once the most famous and expensive prison in the United States in the 1800s and held many of America's most notorious lawbreakers, including "Slick Willie" Sutton and "Scarface" Al Capone, but now it stands in ruin: a haunting world of crumbling cellblocks and empty guard towers, and it's said a dangerous entity haunts the cellblocks, and Lincoln and his group are going to exorcise the empty prison of the dark forces that've haunted the prison for over 200 years and rid it of the malevolent dark forces. And we're going to meet a Gene-Slammer for Red Arremer named Azula Firebrand, she's Lincoln's Guardian Angel from Japan and his classmate in Math, but she's also a powerful bender that bends both Fire and Air and she's also a goth and a vampire. She and Lincoln would often shop at the Mall and even literally dance in the moonlight during the dance they kissed each other on the lips, and she also knew Lincoln's a vampire-werewolf hybrid, thanks to the blood of Adriana Ardelean Dracula and Rudina Adalwulf, and that he also has many powers of the elements, thanks to the donation and feeding of blood of his many Guardian Angels, and that he also has massive white angel wings. She's also the cousin of Rachel Alucard from BlazeBlue, and she really hates The Wet Bandits with a burning passion, why? Because, before they tried to rob Kevin McCallister's house in Home Alone, they actually tried to rob Azula's house. Luckily, Lincoln was with her at the time, and they managed to fend them off using various illusions that looked like monsters. Get ready for a mission that is gonna be one that sees the heat of your fear as we go into the jungles of Guatemala and we're going to meet Major Dutch Schaefer and help him battle the Predator that is stalking him and we're going to help cure him of his radiation poisoning that was afflicting him for over 35 years.

See you all tomorrow.

Me: So the next rescue is in Griffin Rock.

Lincoln: Love coming here.

Qin: Me too:

Laney: Same here because it's where we met the Rescue Bots.

Camie: That was a cool aventure.

Georgina: Yeah it was.

Nico: Thanks for coming with me, Georgina.

Georgina: Anytime Nico. It's gonna be awesome helping you out.

Nico: Yep.

Qin: Boy I'll never forget the mission we had here. That was awesome.

Nico: Georgina, I bet you'll never regret meeting Cody.

Georgina: Me neither. That was so awesome.

Nico: And it was amazing that you met the Rescue Bots too.

Me: Yeah it sure was.

Georgina: And those are some of the most amazing rescues ever. They all are just as adventurous as this one too.

Eli: They sure are.

Me: Cody is so lucky to have you as a sister Georgina.

Georgina: He sure is. Just like I am happy to have an awesome boyfriend like Peyton.

Nico: And Quickshadow's your Guardian.

Georgina: She sure is and she is an awesome partner.

Me: Yeah she sure is. And she is great at spying and espionage too.

Laney: Boy she sure is. Quickshadow is really amazing at what she can do.

Xenia: I agree there too.

Lola: I'll say.

Georgina: Yeah. Thank goodness the Rescue Bots weren't in the war with the Decepticons or who knows what would have happened.

Danica Metrois: Yeah no kidding there.

Nico: I'm glad we saved the Addams family from that mob.

Me: Boy no kidding. That was awesome though. The Addams Family has been persecuted for many things before and they were run out of towns many times too.

Qin: GEEZ! Yeah I've seen that happen to them many times too.

Camie: Me too. In the comics, movies, and literature. It's crazy.

Varie: I can't believe that happens to them.

Laney: No kidding. Just because they are the iconic creepy family doesn't mean they should be ousted for everything they do.

Girl Jordan: I agree there.

Nico: That mob is no better then the people who used to hate mutants.

Me: No shit there.

Xenia: Yeah no kidding!

May: Yeah those dirtbags! They wanted to make sure they paid for everything they are!

Camie: Asshole fuckers!

Varie: No kidding.

Nico: (sighs) Guys, I think it's time I told you the truth. You know that headache from yesterday?

Camie: What's wrong?

Eli: Well it's hard to explain.

Me: We found out that Nico's Other self that we met Earlier during the mission with Coraline is back.

Nico: And he bonded with Symbiote Matter and somehow I was able to feel the pain of it from him.

All of us: WHAT!?

Camie: Nico are you serious!?

May: Me, Maria, Eli and J.D. actually knew about it.

Maria: We didn't want you guys to worry.

Me: And Nico told me to beat the living shit out of him to send a threatening message to the Other Nico and to terminate the link with him. I was just following his orders and did what he told me.

May: I understand. But I actually knew about it.

Lincoln: Me too. I figured it out and knew it was coming.

Me: I knew you would Lincoln. This is all my fault guys. And all because I failed to give Nico's other self the Black Gates.

Sunset Shimmer: I actually knew about it as well.

Me: Well I figured you would Sunset because of your psychic powers.

Sunset Shimmer: That's true.

Me: Venom also knew about it too.

Eli: Yeah he sure did.

Qin: Yeah.

Me: But now I'm going to correct that mistake and make sure that Other Nico gets the Black Gates.

Nico: And King Kai knew as well.

Vroon: Say what now?

Nico: I sent a message to King Kai and told him to keep this a secret.

King Kai: It's true guys. Nico told me what happened.

Me: The reason for this is he didn't want me to explode and rush over to destroy him while you are still linked. You know I have a tendency to rush out and do that.

Nico: That's true. Very perceptive.

Qin: It sure is. But Nico we'll do everything we can to help you out. Are you with me guys!?

All of us: YEAH!

Nico: Thank you guys!

King Kai: And the Other Nico managed to kidnap Seifer, Rai, and Fuu from Twilight Town. Fortunately, Vivi managed to get away.

Juran: Oh well. Tough luck for Seifer.

Maria: Vroon!

Juran: What? The guy's a jerk. I don't know about his two friends.

Nico: No argument there. They may be jerks but they're innocent. The worst they've done is be bullies, not trying to actively hurt us. They don't deserve to be slaughtered by an evil clone of me!

Me: It's like the 20 Days of Darkness all over again minus the

Digimon Emperor! Also I agree with Nico, Seifer and his friends might be jerks but they are still humans regardless and they don't deserve this kind of painful end.

Qin: Well said.

Eli: At least Vivi is okay.

Nico: Yeah.

Albedo: Let's stop by the hideout where me and my former team operated from.

Me: Good idea. We can find some supplies.

Brittney: Yeah. We'll call this a raid.

Nico: Yep.

We went to the hideout for Team Bukto and it was in an abandoned bowling alley.

Me: And abandoned bowling alley.

Georgina: Cody told me all about this. It was a bowling alley that was abandoned because of a fire that broke out here.

Me: Whoa.

We went in.

Nico: I remember this place all too well.

Me: Wow. So this is your old hideout.

Albedo: Yeah it was a good place.

Qin: No kidding.

We got to searching.

Me: Wow look at these.

We saw blueprints for more elemental heartless robots.

Me: Blueprints for more Elemental Darksides.

Albedo: Oh, those were metal and light.

Me: Metal and light. Wow.

Eli: Mysterio would love to add these.

Qin: He sure would.

We rolled them up and I put them in a tube.

Me: Lets see what else is… (CLICK) Huh?

I stepped on a button and then a huge vault door opened and in it was a massive stash of weapons and files!

Qin: WHOA!

Nico: Wow! Look at all this!

Albedo: Those were for Scott since he didn't have any personal weapons.

Nico: Wow! I didn't know this was all here.

Me: Boy it's like you guys were going into battle against all of us.

Albedo: That was all of our true intentions.

Nico: I know.

Me: Man look at all this. Sonic Bazookas, Rainbow Refraction lasers, Firestorm Cannons, Maelstrom water Cannons and more.

Eli: Yeah. Even elemental bombs.

Laney: Boy no kidding.

Qin: Yeah. This could all be very useful.

Albedo: I actually was never fully onboard the whole thing.

Nico: That's all right.

We got to searching some more and we found Evil Sasuke's room and all over the wall were pictures of the Hidden Leaf Village, The world, all the ninjas and even the symbol of the Uchiha Clan and even pictures of me! He plastered on them J.D. Knudson is a Motherfucking Cur and a FUCKSACK SHITLICKER!

Me: WHY THAT SLANDEROUS ASSSUCKING FUCKWIPE!

Albedo: I honestly never went into this room.

Me: I think for obvious reasons. Evil Sasuke has always hated my guts ever since I totally humiliated him and robbed him of all his rights and destroyed all his power.

Nico: Yep and it's awesome.

Eli: He totally had it coming.

Xenia: He sure did.

We looked in his room and he had it REALLY OUT for me! And his hateful pictures of me flared up my power intensely!

Qin: WHOA!

We then went into Scott's room and saw newspaper articles of all of our incredible adventures.

Me: Wow look at these.

Albedo: I never went into this room either.

Nico: Scott must've used this room to keep track of all of our adventures to analyze our weaknesses and all that.

We got to searching it and we found all sorts of photos and more. Under Scott's was lots and lots of bags of money.

Nico: Whoa look at all the sacks of money.

Georgina: It's money that was stolen from banks all over the country.

Xenia: Scott sure has been busy.

Camie: Yeah.

Nico: Well we got more than enough evidence here against the surviving members of Team Buktu.

Eli: We sure do.

Qin: Yeah. Scott and Evil Sasuke were given the Black Gates.

Camie: Good riddance.

Albedo: You guys should bring along the sonic and fire weapons. Those are what Symbiotes are weak too.

Me: Good idea.

We did so.

Eli: The Symbiote Other Nico is 10 klicks to the north of us.

Qin: Okay.

We got outside and we were ready.

Nico: He's probably in a building. He has to have some place to store Seifer and his friends.

Eli: You're right. I sense them in a storehouse down by the docks.

Nico: Lets go.

Me: Right. I put an anti-spidey sensing field around us so we can't be detected.

Nico: Good.

We were off.

Me: By the way Nico which backup members have you decided on next?

Nico: J.D., these days, a rescue is too soon for me to say who the backup members are.

Me: Oh. Right. Sorry I was getting used to a certain routine.

Nico: Oh I see. No worries.

We got to the warehouse.

Nico: This it?

Eli: Yep. That Other you is inside. Along with Seifer and friends.

Xenia: Oh boy.

Nico: Lets do it.

We went at the warehouse.

Other Nico: (LAUGHS) I will have fun with you guys.

Then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the wall of the warehouse and a phoenix cry was heard and we came out.

Nico: This ends now!

Me: You button eyed freak! Let them go!

Other Nico: NEVER!

I used my super speed and freed Seifer and his friends.

Seifer: Oh thanks.

Me: Run quick! This is gonna get ugly fast.

They ran.

We were facing the Other Nico!

Other Nico: (to Fuu) After I'm done with my original, I'm gonna have some fun with you!

Maria: That's it! He's going down!

Me: With interest! I have some unfinished business with you!

I went Super Angel Celestial Xelnaga Eternity!

Nico went Super Saiyan 7!

Fu: You are not getting to me that easily!

Nico: (to Girl Jordan) Why couldn't you have accepted me as your boyfriend! Then this all could've been prevented!

Girl Jordan: Because I already have a boyfriend and it's NOT YOU! I would rather eat toxic waste smoothies than have you as my boyfriend!

Lincoln: YEAH! You are disgusting!

Me: (Divine Echoing Cosmic Elemental Voice of Hope and Love and Friendship) **Yeah! You are just an ugly freak!**

Other Nico: Well then… WE WILL DESTROY YOU!

Then he had a dark blue mass come out of him and then it enveloped him and covered him and it formed into a dark blue version of 2007 Venom! It was POISON!

Poison: Other Nico is gone, there is only POISON!

Cheetor: What in the slagging!?

Zocks: (gets out Kakuranger gear) What did you do to yourself?!

Poison: You guys insist on calling me a monster! So, I'm happy to play the part!

Me: **Well you'll regret it big time!**

Qin: Yeah!

Laney: You make me sick!

Zocks activated his gear and got an Aquitar Saber!

Nico: YEAH!

Seifer and his friends were watching from their safe spot.

Seifer: (to Kaito) I didn't see you and your friends before. You guys must be what the fuss is all about.

Kaito: (laughs and gets out Dairanger) I could say the same about you.

Kaito got a Dairanger Sword!

Qin: Yeah!

Nico: Time for some buttkicking!

Me: **And it's going to hurt! Bad!**

Sougo: (gets out Zi O II Ridewatch) You're not Nico!

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz: (gets out Geiz Revive Ridewatch) You're just a deranged copy!

Re-vi-i-ve Goretsu~! Goretsu!

Sougo became Zi O II while Geiz became Geiz Revive Goretsu.

Me: **And you will never be the TRUE Nico we know and love!**

Qin: That's right!

Me: **YEAH!**

Cheetor: And it will not end well for you1 Cheetor, MAXIMIZE!

He transformed and was ready!

Nico: HIT HIM HARD!

We fired waves of energy and elements and blasted him all over the place.

Nico: (takes U.A. Carnage's Ridewatch) Time to fight Symbiote with Symbiote!

He activated it morphed his hands into scythe blades and slashed Poison all over!

Nico grabbed Poison! His Ridewatch for U.A. Carnage made him immune to Poison's Symbiote.

Nico: You come in here again… In fact, you go anywhere in this city, preying on innocent people, and we will find you and we will eat both of your arms and then both of your legs. And then we will eat your face right off your head. Do you understand? Yes. So, you will be this armless, legless, faceless thing, won't you, going down the street like a turd in the wind? Do you feel me?

Poison: We're not scared of you.

Nico: You should be!

Nico threw him into a wall and smashed him into it.

Georgina: My turn! Time to go Stonebiter!

She turned into STONEBITER!

She went and smashed him all over the place!

Nico: I was expecting a ridewatch but that works.

Stonebiter: Thanks.

She reverted back. Then she activated her Ridewatch for Hsi Wu and fired waves of energy and blasted Poison all over.

Poison tackled Nico to the floor and tried to slash at him but he avoided the slash and started punching him a few times before throwing him off!

He got up.

Nico: You are no match for a Saiyan you worthless copycat.

Poison roared ferociously!

Nico: Back at ya!

Girl Jordan: I will NEVER be your girlfriend!

She fired a wave of solar fire and burned him!

Poison: I AM THE ONLY NICO CHAN!

Nico: No, you're not! I would never become as deranged as you!

Me: **You're just a deranged copycat! And I can't believe I'm about to say this but Nicolas Chan you have failed this Universe!**

Nico: You got that right!

Poison: YOU MOTHERFUCKING CUR!

Me: **Hey! Only Evil Sasuke is allowed to call me that!**

I fired waves of energy and blasted him all over the place.

Nico: Now it's time for you to feel TRUE PAIN!

Nico used magic and then clenched his fist and then tortured him all over. Poison was feeling intense pain all over the place.

Albedo turned into Negative Ultimate Echo Echo.

Negative Ultimate Echo Echo: Sonic Doom!

He fired sonic blasts and Poison screamed in excruciating agony.

I fired waves of sonic energy and so did Nico and Laney and Eli.

Nico: DON'T STOP GUYS!

Poison was REALLY feeling the pain from that one!

Then Number 57: Tri-Head Dust Dragon appeared!

Number 57: Tri-Head Dust Dragon: (In a girls voice) Time to finish him!

Nico: Selene Wenvolva!

She reverted back and Selene was a girl with aqua blue hair and aqua blue clothes.

Selene Wenvolva: Time to finish this Nico impostor!

She fired a massive blast of fire and it was infused with Black Gate energy and it hit the Other Nico and obliterated it and then he was obliterated in an instant!

Qin: YEAH! Selene awesome job!

Selene Wenvolva: Indeed. Awesome to see you again Qin and you too Nico.

Nico: That's it for that freak!

Seifer: Good riddance.

We powered down.

Me: You guys all right?

Seifer: Yeah we're okay. I can't believe I'm saying this but thanks for saving us.

Me: I guess that's 3 times you owe us.

Seifer: Three?

Me: I'll explain some other time.

Rai: Those button eyes were creepy, you know?

Fuu: Not the Digimon Emperor?

Geiz: Oh, he was much more worse.

Maria: Now, where exactly does this leave us?

Nico: But regardless that version of me is gone forevet.

Selene Wenvolva: Thank goodness. I remember watching the movie Coraline and it creeped me out with those button eyes.

Qin: Me too. But at least that version of Nico is gone.

Eli: Good riddance.

Georgina: What's your favorite memory of Nico?

Selene Wenvolva: I have a lot of them but my favorite is when me and Nico went to the Himalayas and we found the treasure of Mount Everest, the Treasure of Shangri-La.

Nicole: Whoa! That is incredible!

Qin: I remember that too.

Laney: That is cool.

Nico and Selene hugged.

Nico: I've missed you Selene.

Selene Wenvolva: Me too Nico. Me too.

May: So, what now?

Nico: Lets head home.

Seifer: Yeah.

Me: I hope you guys are not still steamed about went down during the 20 Days of Darkness and all that.

Rai: No. It's all water under the bridge.

Seifer: We actually knew it was not Nico in control.

Me: The Digimon Emperor is now in our prison. But if you guys have any questions for him we'll give you special clearance to visit him when you get the chance.

Seifer: Thanks. Also tell Roxas that he is a great Struggle Champion.

Me: He sure is.

Eli: One day I should challenge you.

Seifer: I would like that little Eli.

* * *

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, The Dynasty Warriors, The Samurai Warriors, TLPS Ms. Tarantula, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, and Kendra are heading to Eastern State Penitentiary in Philadelphia, Pennsylvania, and not only is Lincoln going to rescue the two girls here, but we're going to exorcise the empty prison of the dark forces that've haunted the prison for over 200 years and rid it of the malevolent dark forces.

Lincoln: Oh man, we're here in Eastern State Penitentiary in Philadelphia, Pennsylvania, and I know what we're going to do here, not only am I going to rescue the two girls here, but we're going to exorcise the empty prison of the dark forces that've haunted the prison for over 200 years and rid it of the malevolent dark forces.

Me: Of all the places here in Philadelphia, Pennsylvania, Eastern State Penitentiary is a prison with a very dark history.

Nico: Even darker than the history of Alcatraz, yikes.

Lincoln: You're right about that one, Nico, this prison's history is very dark here, and thanks for joining us, Kendra.

Kendra: You're welcome, Lincoln, so what's the history behind this creepy prison.

Lincoln: You're not going to like it one bit. Eastern State Penitentiary was built in the 1800s and this place also held many of America's most notorious lawbreakers, including "Slick Willie" Sutton and "Scarface" Al Capone. This prison has been in operation for 141 years until the prison closed in 1970, and now, Eastern State Penitentiary stands in ruin: a haunting world of crumbling cellblocks and empty guard towers.

Nicole: And it's said that a dangerous entity haunts the cellblocks, and this entity was born from the dark negative forces that occurred in the prison because of the prison's harsh system towards the prisoners.

Eli: Gruesome.

Lincoln: And now, this dangerous entity is roaming free in the prison, and it's up to us to exorcise the prison of the dark forces that've haunted the prison for over 200 years and rid it of the malevolent dark forces.

We arrived at Eastern State Penitentiary, and we felt all of the dark spirits and malevolent forces here and Lincoln's ghost sense went off. Suddenly, our rainbow energy auras had flared up as we were sucking in all of the negative energy and we were gaining a massive power and energy boost and we were getting stronger and stronger and stronger still.

Lincoln: Whoa, this is a really heavy presence here, I can feel it, and all of the dark spirits aren't going to leave Eastern State Penitentiary that easily, but we've sucked in and absorbed all of the negative energy that's festered here for over 200 years.

Me: Let's send those dark spirits packing.

Nico: Their days of haunting Eastern State Penitentiary are ending here and now.

We went outside and Lincoln took to the air, and we followed him. Then, he made a massive green magic circle with Celtic knots and Celtic symbols and runes on the ground which then surrounded Eastern State Penitentiary. But, we also felt the presence of the dark spirits trying to resist, but Lincoln was ready. He took out his Flute of Ogma, and he began to play a beautiful melody, and the dark forces were roaring in anger as they were eventually forced out of Eastern State Penitentiary and put into a Celtic knot magic circle to keep them from escaping, and Lincoln's melody continued to calm and soothe the angry spirits, and they were all freed from the dark forces, and Eastern State Penitentiary has been exorcised for good and the magic circles disappeared, and the dangerous entity is sent to Hell forever.

Me: We did it, Eastern State Penitentiary has finally been exorcised.

Nico: And the entity responsible for the haunting has been sent to Hell forever, along with the dark forces.

Laney: Yeah, and the land is finally calm. Now, Eastern State Penitentiary is at peace.

Lucy Loud: And it can forever rest in peace.

Lincoln: You said it, Lucy. But, we're not done yet, before we went to Griffin Rock to deal with Other Nico, we got word that Tiffany Edwards has been sighted here, and she's now coming to kill CeCe for revenge for getting her expelled.

We gasped in shock.

Nico: That miserable bully! But, it's no surprise though, many of your Guardian Angels' bullies have also shown up to get revenge, and same went many of our bullies from long ago.

Lincoln: And like I said, Tiffany's not going to lay a single hand on CeCe, she's going to be cursed and turned into a gold statue for eternity, but not before I leave a few scars on her face and rip every last strand of her hair off her head!

Me: Now, you're talking, Lincoln!

Nico: We'd done that sort of thing to Layla Wendoll when that bitch showed up to get revenge on me, and the same went with that psychopath, Sally Witchford.

Suddenly, we saw a Red Arremer appear before us, and heading for us was the two girls who were in panic.

Nicole: No way, that's a Red Arremer, and the two girls came to us and it looks like they're panicking.

Lincoln: But, it looks like the girls got away from Tiffany Edwards before she could attack them, and I knew we'd run into you, Azula Firebrand, it's good to see you again.

Azula Firebrand reverted back to normal, and she was a beautiful girl with long flowing dark red hair, crimson red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful crimson red angel wings, and she was dressed in a sleeveless dark red midriff top, and long white sleeveless trenchcoat with darkness, winds, flames, bats, and gargoyles on the coattails and a Red Arremer on the back and holstered on her back is a Red Arremer-themed large greatsword with a Red Arremer etched on the 7'0" massive, wide, double-edged red blade, large Red Arremer heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large Red Arremer heads and a large red gem on the bottom of the heads for the pommel.

Azula Firebrand: You too, Lincoln. But, we'll have to talk later, we've still got Tiffany Edwards to deal with, and that bitch should be arriving… right now!

Suddenly, a figure went charging right at Celine CeCe Evans and tried to kill her, but Lincoln kicked the figure away, and we saw who it was that just tried to kill Celine Evans: it was Tiffany Edwards, Celine's and she had a knife in her hand and she has murder in her eyes, along with insanity.

Tiffany Edwards: You miserable little bitch! You're going to pay for getting me expelled, and all of you will die for even siding with her, YOU WILL ALL DIE!

Lincoln: Don't you even dare blame Celine for that, Tiffany. You bullied Celine all her life because she was born with Heterochromia, and you don't even give a damn about anyone except for yourself and you took delight in making her suffer, you're worse than Lynn before we removed her Dark Side, and I'm not letting you lay one fucking hand on her!

Me and Nico: You're through, you bitch!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Kendra, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Xelnaga Eternity Infinity Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered their massive swords and we transformed, and we went after Tiffany Edwards, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, and mythological animals, and they exploded with incredible power as they hit her.

Tiffany Edwards: ZIGGIES, DESTROY THEM!

Suddenly, we saw the Ziggies appear, and they were ready to attack us.

Rayman: (Divine Echoing Cosmic Voice of The Celtic Dream Glade Fairy Dragon and Divine Celtic Dream Moonlight Hope) Ziggies, I should've known. Lincoln, this is your chance to use your new Universal Elemental Thunderbird hand-cannon Blaster.

Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster, and he fired blasts of purple energy, and the blasts hit the Ziggies, and we all saw purple orbs of energy fly out of the Ziggies and went into Lincoln, and the Ziggies disappear, and this pissed Tiffany Edwards off even more.

Tiffany Edwards: DIIIIIE!

Tiffany Edwards tried to stab Celine again, but Lincoln slashed her right eye and he kicked her in the stomach and she fell to the ground in pain, and she glared angrily with rage, but Lincoln didn't care one bit: Tiffany Edwards was a bully and a nightmare to everyone who crossed her path, and she had to be put in her place.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You don't deserve to be out in public ever again, Tiffany Edwards.

Lincoln glowed with rose red energy and he spread his massive white angel wings, and they fired rose red energy blasts and Tiffany Edwards was imprisoned in a rose red orb, and she was then sentenced to the Charon Reform School, but if she hasn't improved and she comes back to get revenge, she was going to be given the King Midas' Golden Touch Vengeance Curse and she's going to be turned into a golden statue for eternity. We cheered wildly as we holster our weapons and powered down.

Nico: Whoa, that was so awesome that you used your new hand-cannon Blaster on the Ziggies, Lincoln.

Lincoln: Thanks, Nico, and what were those purple orbs of energy that came out of them?

Rayman: What you just saw was the Vampire Lifesteal Effect, any villain afflicted with this effect and who gets hit will have their energy transferred to the one who hit them, and since you're a vampire-werewolf hybrid and you also have energy absorbing powers, along with the ability to feed on blood, and having the absorption methods of The Pillar Men, Majin Buu, and Cell, this also increased the Vampire Lifesteal Effect by infinite-fold.

We were amazed.

Lucy Loud: Gasp, that's incredible.

Rayman: There's also other effects that were also included in your hand-cannon Blasters: Bounce: which sends your enemies flying into the air and they'll be bounced backwards from the direction they're facing, Burn: which literally sends the enemies running when you set them on fire, Freeze: which freezes the enemies and won't let them use their techniques, Honey: which prevents the enemy from moving, Ink: which blinds the enemy and they won't be able to use their weapons, Push: which pushes the enemy backwards in the direction they're facing, Sleep: which puts the enemy to sleep, and Stone: turns the enemy into stone.

Nico: Awesome.

Lincoln: That's really awesome, oh, we're going to have some fun using our hand-cannon Blasters on enemy Rabbids. And now, we're rid of that psychopathic bitch, Tiffany Edwards.

Azula Firebrand: Hope she has a miserable time in reform school.

Lincoln: Oh, she'll have a very miserable time there, and it's so good to see you again, Azula.

Azula Firebrand: You too, Lincoln, it's been a long time.

Lincoln went up to Azula Firebrand and he hugged her, and Azula Firebrand was very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Azula Firebrand: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new, you can land an airplane on that more wider and more muscular back, squash a melon with those quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Azula Firebrand, she's my Guardian Angel from Japan and my classmate in Math, but she's also a powerful bender that bends both Fire and Air and she's also a goth and a vampire. We would often shop at the Mall and we'd even literally dance in the moonlight, and during the dance, we kissed each other on the lips, and she also knew I'm a vampire-werewolf hybrid, thanks to the blood of Adriana Ardelean Dracula and Rudina Adalwulf, and that I also have many powers, thanks to the donation and feeding of blood of my many Guardian Angels, and that I also have massive white angel wings.

Me: Awesome.

Lincoln: And it's gets even more awesome: Azula Firebrand's also the cousin of Rachel Alucard.

Rachel Alucard: That's right, and it's so good to see you again, Azula.

Azula Firebrand: You too, Rachel, and there's also something you guys should know: I really hate The Wet Bandits with a burning passion.

Nico: Oh, we're going to hear what those idiots did to earn your wrath.

Suddenly, an Elemental Thunderbird Necklaces of Eternal Love appear around Azula Firebrand's neck with red gems on the gold thunderbolt links and red crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Azula Firebrand: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means just like your cousin, you're part of harem and my many future wives, Azula.

Azula Firebrand had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Azula Firebrand's waist and Azula Firebrand wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the two girls, and when Lincoln saw them, he recognized them immediately. The two girls are Lucy and Rebecca from Cyberpunk: Edgerunners.

Lincoln: Oh wow, it's Lucy and Rebecca from Cyberpunk: Edgerunners.

Nicole: Awesome.

Lincoln: Are you girls okay?

Lucy (Cyberpunk: Edgerunners): Yes, we're okay, thanks to you.

Then, when Lucy and Rebecca saw who it was that saved them from Tiffany Edwards, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Lucy (Cyberpunk: Edgerunners): Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you both.

Then, Lincoln made a clone of himself, and he and his clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Lucy (Cyberpunk: Edgerunners) (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, two Thunderbird Necklaces of Eternal Love appeared on the necks of Lucy and Rebecca with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, We returned home to the World Tree Estate, and the rest of the team heard of what we did in exorcising Eastern State Penitentiary and sent the malevolent spirits to Hell for good, and they were shocked when they found out the villain we went after was Celine CeCe Evans' old bully, Tiffany Edwards, who was there to get revenge on CeCe for getting her expelled.

But, when Lincoln showed what we did in pulverizing her, and what Lincoln did to her by imprisoning her in a rose red energy orb and sending her away to reform school, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Azula Firebrand have a lot of catching up to do, now that she's back in town. As for Tiffany Edwards, she was sentenced to 10 years in the Charon Reform School, but if she breaks out to try to get revenge again, Lincoln was going to give her The King Midas' Golden Touch Vengeance Curse and turn her into a golden statue for all eternity and throw her in prison for the rest of her life.

Maria: I can't believe that bitch, Tiffany Edwards, was there in Pennsylvania to get revenge on Celine.

Lincoln: I knew we were going to run into her one day, it was just after we took down her insane and superstitious so-called mother yesterday.

Nico: Yep, and we saw Lincoln use his new hand-cannon Blaster on the Ziggies, and it's so awesome.

Nicole: And Rayman explained the effects that the new hand-cannon Blasters Dad, Nico, Eli, Lincoln, his sisters, and parents had gotten yesterday, and it was awesome.

Lincoln: And who knows, there might be more hand-cannon Blasters for the rest of the team, and it'll be in the treasure battles.

William: Now, that would be really awesome!

Maria: Same here.

After we exorcised Eastern State Penitentiary and putting a stop to Celine CeCe Evans' bully, Tiffany Edwards, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Azula Firebrand saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Azula Firebrand: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever. He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Azula, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Azula Firebrand: That's incredible.

Nico: It sure is. So, Azula, what's the story on why you hate The Wet Bandits with a burning passion?

Azula Firebrand: Oh, you're not going to like this. Before they tried to rob Kevin McAllister's house, those incompetent boobs actually tried to rob my house.

We gasped.

Lincoln: Yeah, it was crazy. But, I was there with her at the time, and we managed to fend those morons off by using various illusions that looked like monsters, and Marv was screaming like a little girl. Take a look.

Lincoln put up the video of what happened that day, and when we saw the video of Marv seeing the illusions that looked like monsters, he screamed like a little girl, and we laughed hysterically, including Eleanor McAllister, Megan McAllister, and Kevin McAllister.

Eleanor McAllister: (LAUGHS HYSTERICALLY) Oh man, oh now that was a really good one!

Megan McAllister: (LAUGHS HYSTERICALLY) You said it, Eleanor. Oh man, Lincoln, Azula, that prank you set up on those two boobs, that was really hilarious!

Nico: (LAUGHS HYSTERICALLY) You said it, oh man, that's way too hilarious!

Luna: When we saw what they did to those two boobs, we also laughed hysterically as well.

Luan: (Gasps) Now, I know why those two looked familiar, I never thought we'd ever run into those two boobs again when we first met Kevin and Megan. The cops in Royal Woods tried to arrest them, but Harry and Marv got away, and that's how they wound up trying to rob Kevin. But, they didn't even remember Lincoln or Azula, mainly because they're too stupid to remember anything.

Azula Firebrand: And Lincoln told me you guys have those two boobs being humiliated in public, right?

Lincoln: Yep, and they're taking Scoots' place, since my Gessius Flores Vengeance Curse sent her to Hell forever months ago.

Azula Firebrand: Oh man, that's awesome! Not only do you also know tons of magic, but Scoots has finally bitten the dust! That old goat's been nothing but trouble with a capital T, yeesh.

Me: Yeah she deserved the darkness of hell too.

We got a shower afterwards, and then, Lincoln, Frankie Stein, Draculaura, Clawdeen Wolf, Lagoona Blue, Cleo de Nile, Abbey Bominable, Ghoulia Yelps, Twyla, Jinafire Long, Pan, and Bulla are heading to Sirena Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with a Thunderbird and lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Frankie Stein, Draculaura, Clawdeen Wolf, Lagoona Blue, Cleo de Nile, Abbey Bominable, Ghoulia Yelps, Twyla, Jinafire Long, Pan, and Bulla were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble. Plus, we'd also found out that Frankie Stein, Draculaura, Clawdeen Wolf, Lagoona Blue, Cleo de Nile, Abbey Bominable, Ghoulia Yelps, Twyla, Jinafire Long, Pan, and Bulla each had feelings for Lincoln, because he'd saved them from a group of bounty hunter Flip had hired to kidnap and kill them, because he still wanted revenge on us for what we did in ruining his scams. Well, after Lincoln rescued them and the girls told us that Flip hired those thugs to kidnap and kill them to get revenge, Lincoln went down and kicked Flip hard in the crotch and he sent an anvil down on that cheapskate's head.

Frankie Stein: Wow, so this is Sirena Beach.

Lincoln: Yep, and it's the perfect place for our date. Shall we?

Lincoln, Frankie Stein, Draculaura, Clawdeen Wolf, Lagoona Blue, Cleo de Nile, Abbey Bominable, Ghoulia Yelps, Twyla, Jinafire Long, Pan, and Bulla dived in and they also had a swimming race and had a lot of fun, and they went back to the shore and they had a game of volleyball and Frankie Stein, Draculaura, Clawdeen Wolf, Lagoona Blue, Cleo de Nile, Abbey Bominable, Ghoulia Yelps, Twyla, Jinafire Long, Pan, and Bulla got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to Frankie Stein, Draculaura, Clawdeen Wolf, Lagoona Blue, Cleo de Nile, Abbey Bominable, Ghoulia Yelps, Twyla, Jinafire Long, Pan, and Bulla and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Goten: Hey, Linc, how was your date?

Lincoln: It was so awesome, Goten, we went to Sirena Beach.

Pan: And for our first beach date, might we add.

We also saw they had Elemental Thunderbird Necklaces of Eternal Love with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha.

Bulla: And this was due to us harboring feelings for Lincoln, and they came into light when he saved us from those bounty hunters Flip hired to kidnap and kill us. What a moron!

Goten: One of these days, Flip's going to go too far with trying to get revenge on us, and if he hurts one hair on my niece, I'm gonna… !

Lincoln: Easy, Goten. Besides, what I did in kicking that mutant cheapskate hard in the crotch and dropping an anvil on his head was more than enough, and we'll be keeping a closer eye on him if he tries anything like that again.

Nico: We're already on that one, Lincoln. If Flip tries a dumb stunt like that one more time, he's going to get dropped into a pool of electric eels and electrocuted.

Lincoln: Awesome. Hey, where's Gohan and Master Vegeta?

Me: They decided to head down to Lynn's Table, and they proceeded to punish Flip for what he did in trying to kill their daughters for revenge.

We suddenly heard Flip screaming in agonizing pain as he was brutally being pummeled badly for his bad deeds again. Then, Gohan and Vegeta came back to the Estate.

Gohan: I'm going to guess you told Lincoln where we went, right?

Goten: Had to, since he wasn't the only one who was pissed at Flip for that dumb stunt he pulled.

Lincoln: But, like Nico said, if Flip pulls another dumb stunt like that one more time, he's going to get dropped into a pool of electric eels and electrocuted.

Rayman: And those eels were some of Fester Addams' pets, and he decided to let them have fun.

* * *

Later we were advertising at an awesome apartment building for Lord Tetherby and it was proving to be a big hit.

Notacon: (to Venom) So, you knew about Other Nico the whole time?

Venom: When it comes to Symbiotes, we know everything.

Notacon: Yeah it's true.

Me: Venom does have the power to tell that.

Xenia: Yep.

Spike: Where are the mascots?

Me: Oh they are right there.

We saw in an apartment the mascots playing. Poromon was bouncing on the sofa, Horsea was doing cartwheels, Manaphy was flying around and Poliwag was bouncing on the chair.

Nico: Aww.

The people found it amusing and cute too.

Xenia: So adorable.

Qin: Yeah.

Misfire: You guys sure you should be doing that?

Nico: Oh they are just having fun. Besides it's helping out big time.

Laney: It sure is.

The whole apartment building was bought by many people and the money came pouring in for Lord Tetherby.

Lord Tetherby: Ah great job everyone.

Sureshot: I seriously don't think you 4 should be doing that.

Nico:: Sureshot we're done here.

Poromon: Besides we're done anyway.

Sureshot: Oh right.

Qin: Lets head home.

Nico: Okay.

We went back home.

We arrived back at the estate.

Me: Now it's time for our next mission.

Shocker: Nico, which teams have you made today?

Nico: Sam's team will include Autumn Blaze, Garnet, Amethyst, Pearl and Lapis Lazuli. Becky's ream will include Clyde, Peridot, Ruby, Sapphire and Bismuth.

Me: Awesome!

Laney: Bout time the Crystal Gems got included in all this.

Sam S.L.: This is gonna rock!

Luna: Yeah it sure is!

Amethyst: WOOHOO! YEAH!

Garnet: This will be fun and cool.

Bismuth: Looking forward to all this.

Then Gizmo, Duskmon, Blizzard, Scorcher, Abomination, Dark Laser, Demyx, Roman Goodwin, Ssserpent, Roquefort, Boxcars, Evil Shade Man, Evil Xion, Axel, Evil Drill Man, Albedo, Evil Aqua Man, UA Carnage, Professor Monkey for a Head, and Big Cheese appeared.

Duskmon: Can me, Gizmo, Blizzard, Scorcher, Abomination, Dark Laser, Demyx, Roman Goodwin, Ssserpent, and Roquefort go with you guys?

Evil Shade Man: Me, Boxcars, Evil Xion, Axel, Evil Drill Man, Albedo, Evil Aqua Man, UA Carnage, Professor Monkey for a Head, and Big Cheese will come as well.

Nico: Yes you all can. And you won't like this but our next mission is over in Guatemala. There has been reports of numerous people being butchered by a mysterious invisible force.

We gasped!

Cody (OC): A Yautja attack!

Qin: Oh man! Another sighting of one of the galaxy's most lethal hunters.

Xenia: Yeah!

Me: Oh man!

Nico: Yep. So we got a Yautja here causing trouble.

Eli: Then we'll probably run into Major Dutch Schaefer.

Qin: It's possible. We'll have to keep our eyes out for him.

Evil Aqua Man: Oh man. I heard what happened to him and how he went through hell with the Yautja back over 35 years ago. That was awful.

Laney: Yeah it was.

Cody (OC): We listened to what he went through with his log on audio cassette tapes and it was crazy.

Evil Aqua Man: Yeah it sure was.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was the Worgen, Alpha Prime, who was formerly the night elf, Ralaar Fangfire, and is directly responsible for the Worgen curse and all of its' consequences, both good and bad, and he's on a bloody rampage again. When we saw that, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us today?

Lincoln: You guessed it, Nico, and none of us are going to like this one bit: the dark energy signal we sensed belongs to the Worgen, Alpha Prime, who was formerly the night elf, Ralaar Fangfire, and is directly responsible for the Worgen curse and all of its' consequences, both good and bad, and he's on a bloody rampage again.

Lola gasped in shock.

Lola: Oh man, this isn't good, guys. Alpha Prime is one of the most dangerous Worgen of the Worgen race, because unlike the other Worgens who were able to get control of their wilder instincts, Alpha Prime became corrupted by the Worgens' feral rage, and like you said, Linky, he was formerly the night elf, Ralaar Fangfire, and he's directly responsible for the Worgen Curse and all its consequences.

We gasped.

Nico: Oh man.

Me: This isn't good, he needs to be stopped once and for all. But, who'll be the one to stop him?

Amber Mahigan: That'll be left to me and Linky.

Lincoln: Awesome, and to make sure we have an equal playing field.

Lincoln let out a growl as lighter brown fur began growing on his abnormally massive and powerful muscular body with tan fur growing on his massive and wide muscular pecs and eight pack abs and wolf muzzle, large brown pointed wolf ears grew on top of his head, his nails grew into claws, his deep sapphire blue eyes turned yellow with slit pupils, and the tips of his eleven massive, long, and powerful white werewolf tails turned into large black wolf heads, and he let out a powerful howl as he transforms into Lincoln the Nocturnal.

Lincoln: (Beastly Voice) There we go, now I'm more than ready for Alpha Prime.

Nico: Nice one. Alright, gang, let's go, we're heading to the jungles of Guatemala, and we're going to meet Dutch Schaefer.

Lincoln: (Beastly Voice) And help him battle the Predator and cure him of the radiation poisoning that was afflicting him for over 35 years, and once our mission is done, you're next, Alpha Prime.

Amber Mahigan: I heard from Nico that you took on the Predator on your rescue last year, Lincoln.

Lincoln: (Beastly Voice) That's right, I did, Amber, and look what I also got as proof of my triumph.

Lincoln took out the Combi-Stick that he got last year on his rescue after he defeated the Predator.

Me: That was his proof of his triumph and he became the first of the Loud Family to have defeated a Yautja last year.

Amber Mahigan: He's indeed proven himself to be a brave and strong warrior, that's so incredible.

Nico: And you saw for yourself that he's brave and strong and a great fighter and warrior, Amber. Alright, gang, let's get going.

Youngblood: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do one for Number 76: Harmonizer Gradielle next.

Qin: Ooh a melodious one.

Eli: Yeah.

Xenia: This will be awesome.

Camie: What are the Yautja?

Me: The most lethal hunters in the galaxy. We fought them several times before. I fought one on the island of Sumatra during our worldwide adventure. It's how I got this scar on my face.

Nico: It's true.

Eli: I fought one in Montana when we were going to meet Celebi.

Cody (OC): I actually fought one a long time ago.

Me: I remember that.

Camie: Wow! What can you tell us about the Yautja?

Me: They are aliens that hunt. All for pure sport and honor.

I went over what and who they were and where they come from.

---

The **Yautja**, more popularly known as the **Predators**, are the titular main antagonists of the *Predator* film series. They also appear as protagonists/anti-heroes in the *Aliens vs. Predator* franchise.

The Yautja species consists of mostly male Predators - Predator Females are a rare occurrence, and there are only a few known ones.

The Predators, as a dangerous race, are great hunters, with trophies from many species across the galaxy. They are attracted to war zones, as those hunted there would make for the more difficult trophies to acquire, as well as the ones with the most honor attached. Trophies can consist of skins or skulls with the spinal column still attached. They often wear masks, and their faces resemble large crustaceans. Their equipment includes invisibility technology, as well as an array of weapons, including powerful shoulder cannons. They also wear small but powerful bombs on their wrists in case of defeat.

Despite the Predators' ruthless and aggressive behavior when they hunt their prey down, they all have a great sense of honor and fight with it. They never kill innocent, sick, pregnant, or unarmed people, and they show great respect towards those who have defeated their own kind. However, there are Predators who will not follow any code and are considered villains even by their own kind.

Predator culture revolves around the hunting and stalking of dangerous lifeforms. After making a kill, Predators typically skin or decapitate the carcass, converting it into a trophy. Failure in a hunt result in the Predator involved committing an honorable suicide. It often alludes to that the reason each Predator's hunt is not for sustenance or elimination of threats, but as entertainment or rite of passage, as they will only attack lifeforms that have the ability to provide them with a challenge. For that, they will travel huge distances - even across entire galaxies - in order to find and face opponents they consider a worthy challenge that would be hunted on the spot or transport them to a hunting ground of their choice in which preys from different corners of the galaxy gathered to see how well they adapt with each other to further rise the stakes (ex. Game Preserve Planet). Not surprisingly, this led to them making contact with various lifeforms such as humans and River Ghosts. The crossover media *Aliens vs. Predator* saw them added Xenomorphs and Engineers aka. Space Jockeys (a race of white-skinned extraterrestrial humanoid who allegedly created Xenomorph race) into their list also, the latter which confirmed in the *Aliens vs. Predator: Requiem* movie's DVD commentary.

Predators possess a level of technological advancement far in excess of anything available to humans. For either combat or hunting, they are armed with an array of weaponry, ranging from highly advanced plasma cannons and stealth camouflage to more ancient weapons such as blades, spears, and nets. When hunting, they would switch to more traditional weapons for more honorable fights.

Despite being a social race, most Yautjas hunt alone. Should they deployed in a group, the said group would always be comprised of three members at minimum. The small numbers in a hunt are deliberate to hone its participants' individual to skills on the field. Aside from hi-tech weaponry, Predators also possess a pack of spined, quadrupedal beasts called Hell-Hounds used as flushing dogs, as shown in the case of "Super Predators" clan. Creature designer Gregory Nicotero used hyenas as a basis for the creature's physique, while the spines were added later by Chris Olivia. Similarly, Upgrade Predator's Clan utilizes another type of quadrupedal beast called Predator Hounds that seemingly better suited in retrieving targets of interest owing to the lack of spines, which make sense as Hell-Hounds had the tendency to excessively tear intended preys apart.

While technologically advanced, the Yautja race proved to be resourceful when it comes to crafting armor and other hunting equipment out of anything they can find on the field. This was hinted in *Predator* film where Jungle Hunter noticed a trap set up by Dutch as the human soldier attempted to provoke him to get close only to be struck by another, unseen trap. In five-issue limited comic book series *Predator: Hunters*, when a Yautja ship crashed and left its occupants stranded on an island, the survivors quickly fashioned weapons and armor from the resources around them, making makeshift, primitive hunting tools. In Paul W.S. Anderson's *Alien vs. Predator*, Scar fashioned a spear and shield for Lex out of a nearby old shaft and some body parts of xenomorph Lex just killed.

The Predator society comprised of multiple Clans with Council of Ancients as the prime ruling authority of their race, comprised of the most skillful and exalted of the Clans. *Predators* movie introduces two different clans that are engaged in a long-lasting blood feud, which are "Jungle Hunter Clan" and "Super Predator Clan," where the latter arguably marked as Bad Blood as whole judging from their dirty hunting style compared to their more honorable rival. *The Predator* introduced an unnamed Clan who implied to be less reputable than Jungle Hunter Clan yet not as infamous as Super Predator Clan at the same time for its records of performing genetic modifications to create hybrid super-soldiers out of its members by utilizing DNA taken from most formidable lifeforms in the galaxy (humans included). One such super-soldiers was Ultimate Predator aka. Assassin Predator or Upgrade Predator who dispatched to kill Fugitive Predator, a treacherous member of their clan who stole a piece of technology called Predator Killer which the latter intended to deliver to humanity. He managed to kill the traitor and intended to retrieve the precious cargo only to perish in the ensuing confrontation with McKenna and The Loonies. In the prequel film

*Prey*, a new Clan, which serves as its overarching antagonist faction, deployed one of its own in his first hunt on Earth and according to Dan Trachtenberg, hailed from different hemisphere of their home planet which explained their slightly different physiology (notably reddish skin tone and fiercer-looking visage with flattened face) and choosing to hunt the late fall/early winter.

When hunting humans, Predators normally avoid certain individuals such as children and some adults if they are unarmed, though they will spare armed ones if they happen to be pregnant or sickly. A human who has managed to kill a Predator in single combat or has fought alongside one is usually spared by the deceased hunter's comrades of his kind and given a gift (often a rare or exotic weapon) as a sign of respect. An example of the latter case is seen in the comic *Predator: 1718*, where a predator called Greyback aka. Golden Angel join forces with pirate captain Raphael Adolini after his hunt on the captain's crew went wrong with Adolini's crew turned against their leader. In the ensuing fight, the dying Adolini gave his flintlock gun to the Predator before succumbing to his wounds. Out of respect on his human ally, Greyback buried the captain and left him a gift in the form of his sword on his grave. Similarly, in Paul W.S. Anderson's *Alien vs. Predator*, the main protagonist named Alexa Woods was given an ornate combi stick spear by the leader of the hunting party after impressed by her and Scarface's teamwork in stopping another Xenomorph outbreak at Antarctica.

Predators feature prominently in the folklore of certain cultures as well as leaving a significant impact on human civilization through their space travels; some Latin American people refer to the species as, *"El Demonio Que hace trofeos de los hombres"* (Spanish for "The Demon who makes trophies of men"), while Jamaican superstition identifies Predators as demons from the spirit world. In Paul W.S. Anderson's *Alien vs. Predator* continuity, on the other hand, they made contact with early human civilizations such as the ancient Egyptians, the Khmer Empire of Cambodia, and the Aztecs of Mesoamerica, as well as a fictitious culture inhabiting what is now modern-day Bouvetøya. Upon arriving on Earth, the Predators were worshiped as gods by humans, and they taught many of the civilizations how to build pyramids (an explanation as to why many of these different ancient societies had distinctly similar cultures and architecture), but in return, expected sacrifices of humans for use as hosts for huntable Aliens. The Predators returned to Bouvetøya every century to consummate the bargain, until, at one point in the ritual, the Aliens spread out of control, resulting in the Predators detonating a bomb that obliterated the entire civilization overnight. Relations with humans and the Predators deteriorated from that time on; the Predators then viewed humans as little more than another quarry to hunt.

Out of formidable preys that Predators have encountered, Xenomorphs are regarded as ultimate prey due to the formidable challenge they pose to their kind. As such, the Predators apparently kept at least one Xenomorph Queen in captivity within their motherships in order to maintain a supply of eggs. In fact, these creatures were used for ritualistic hunt, as Predators had designed multiple pyramids specifically design as a controlled environment for xenomorphs to grow during the hunt. The pyramid also contains plasma casters as the ultimate prize for those who survive in participating in ritualistic Xenomorph Hunt. A learner's first successful Alien hunt is completed with the marking of his helmet and forehead with the blood of his kill.

## Language

The script of the Predators is expressed in the films and other media through written patterns of dashes. These written symbols appear on the creatures' gauntlet displays, their helmets, architecture, and many other surfaces. The most common vocalizations of the Predators consists of a series of clicks, roars, snarls, and growls. Predators will mimic human language on occasion and have been stated or shown to be able to understand and speak human languages. Author Steve Perry designed a constructed language set for the *Aliens vs. Predator* novel series.

## Technology

Predator technology is distinctive in many respects, not the least of which is its ornate, tribal appearance masking deadly, sophisticated weaponry. It is shown in *Predator 2* that at least one Predator weapon uses a metal that does not correspond to any element on the periodic table, and some weapons are utterly resistant to the effects of acidic blood belonging to Xenomorphs. Also, several of these tools make use of thermal imaging to track prey.

The Predator's mask also houses a viewing system that fine-tunes the creature's infrared vision by filtering out ambient heat, and also allows it to view in different Spectrum completely. The Predator's technology is advanced enough that the mask enables it to see in specific levels of X-ray and identify diseases and cancers, as well as picking up on pulse and heartbeat signals to track targets, as seen in *Alien vs. Predator* and *Predators*, respectively. The Predator also makes use of a light-bending cloaking device. A flashback sequence in *Alien vs. Predator* and upcoming film *Prey* indicates that some aspects of their technology have been in use for millennia.

Interestingly, majorities of Yautja's hi-tech equipment were in fact, reverse-engineered from those of Amengi at least schematics-wise as revealed in *Hunting Grounds* . The Amengi invaded Yautja Prime and enslaved Hish, Yautja's primitive ancestors. Amengi's occupation at Yautja Prime didn't last long however, as in their hubris, the invaders became too militarily soft from centuries of luxury that they were poorly prepared upon facing the inevitable Hish uprising led by Kaali. In the ensuing conflict, both opposing races' position switched and the surviving Amengi could only watched as Hish advanced into Yautja everyone know nowadays by absorbing both their former oppressors' technology and culture into their own. Even so, the Yautja's greater focus on tradition as per their venator-culture means they lacked true scientists/engineers among themselves who dedicated to fully understand the scientific principles behind how many of reverse-engineered Amengi technology operate, negatively affecting their capacity in maintenance them. Isabelle went so far mentioned the creatures' tendency to dispose their broken techs rather than repairing them. Considering their great lengths to ensure any of their techs won't fell into other races' hands along with further improvement these creatures made on them including development of experimental ones humanity can use such as Predator Killer, it would likely be a matter of time before they gained complete understanding on reverse-engineered Amengi technology in their disposal and with it, proper ways to maintenance them.

Honor Code:

*Worthy Hunting Game* : Make sure the prey fills the following criteria: Can defend itself and/or can kill the hunter himself, of age (killing children and the elderly is considered the height of bad manners), not linked to other lives (so that removing the prey will not doom another, e.g. pregnant women) and not weakened by diseases.

*Failing in the hunt* : Should you fail in your quest, take your own life instead of live in shame. However, some cowards prefer to live in obscurity rather than die. This is considered to be dishonorable, so suicide is then "assisted" by an Arbitrator.

*Claiming the kill of another hunter* : Stealing the trophy belonging to your fellow hunter, living or dead, is considered to be a great insult.

*Murder of another Yautja* : Killing another member of your kind intentionally (with an exception for self-defense or killing a foe in a wrestling match to settle a dispute) is the worst crime.

*Never harm the innocent* : Those who have done no harm should have no harm done to them. (It can be inferred that this rule must pertain only to harming other Yautja in their society, since they hunt and kill members of many species one could call "innocent." It can also be inferred that Bad Blood Predators would ignore this rule either in part or in whole.)

*Hunting for food* : When hunting for food, take only the weak. This is to purify the species' line. *Wounded Game* : When coming upon prey wounded by another hunter and the prey is dying without sport, show honor to another's kill. If the prey still shows sport, it is to be a joint trophy.

*Joining another hunt* : Do not join another's hunt or hunt in their territory without their permission. All trophies taken in this manner are stolen trophies and shall be dealt with by the rightful owner.

*Mercy:* Those who defeat you in a fair hunt or who are the victors in more dangerous hunts (such as a battle with the Alien Queen), and show you mercy are to be considered our equals. You must either kill them and yourself or bestow them with a reward.

*Code Violations* : Those who break the code are renegades and no longer considered to be a Yautja. They are to be destroyed when encountered.

*Never harm the ill or offspring* : Do not harm the ill or those who are pregnant with infants. Best spare either unless they pose a threat (only apply for the former).

*When in a duel with an enemy, you must reveal yourself* : In the novelization of first *Alien vs. Predator* film, Lex Woods was about to be killed by a cloaked predator, however before it prepared to deliver the final blow it deactivated its cloak. According to the book, it is "hunting ethic" to reveal yourself to your enemy at the climax of a fight.

When I was done everyone was shocked and amazed.

Camie: WOW! That is incredible!

Tsuyu: Yeah it sure is! I didn't know they were that dangerous!

Qin: No kidding!

Himiko: Wow! That is amazing!

Misty Tredwell: It sure is amazing.

Scorcher: Let's go burn this guy!

Axel: Oh, I'm right behind ya!

We were off to Guatemala.

* * *

We were flying over to Central America.

Bai Tza: So, Nico, who else gets Ambassador missions next year?

Nico: Halinor will go the Alien Racers world. And Erica will go to the Zixx world.

Halinor: Awesome! Looking forward to that one.

Erica Haddock: Same with me for Zixx!

Qin: Yeah!

Me: This is gonna be awesome.

We arrived in the jungles of Guatemala.

Nico: We're here.

Camie: Humid and pretty.

Xenia: Yeah.

We looked around and saw that it was a jungle of beauty and amazing life.

Nico: Stay alert everyone.

Me: And remember the Yautja is watching us too. He hunts by Infrared or Heat.

Xenia: Yeah.

Camie: (GULPS)

Albedo turned into Negative Bloxx.

Negative Bloxx: Let's see him try to hunt me when I can regenerate.

Dark Laser: Flipsy, you stay close to me. I am not letting him get you!

Nico: Don't worry I won't let him get to you.

(The Chopper Predator OST Plays)

I had my infrared vision on and a triangle target in my eyes.

Nico: See anything J.D.?

Me: Nothing.

Eli: He could be anywhere.

I looked high and low in the trees.

Nico: How is Sailor Moon?

Me: Still upset. But not as bad as she was yesterday.

Nico: Oh boy.

Junk Man: Maybe we SHOULD get her teacher deported.

Nico: Not gonna happen. Too extreme.

Junk Man: Yeah you're right.

Nico: Lets focus everyone.

We stayed on the alert and then…

SQUISH!

Me: Huh? EW! I hope this is animal droppings.

But I looked and saw that it was BLOOD!

Me: Blood!

I then saw a bunch of bodies that were all SKINNED ALIVE AND HANGING FROM TREES!

Me: Oh good god!

UA Carnage: Okay, this is too much bloodshed even for me!

Roman Goodwin: Did a smart disc do this?!

Me: This was not a Smart Disc that did this. Wristblades did this.

Xenia: YUCK!

Me: Like I said, Yautja hunt all for sport.

Varie: Spare bullets here on the ground. Looks like a firefight here.

Camie: Shooting in all directions.

Me: Hmm.

I looked at a body and analyzed it.

Me: These kills are still very fresh. The Yautja must've done this a little over 15 minutes ago.

Laney: Yeah.

Ri'Oha: I'd like to see it stand up to my mind control!

Nico: We'll find out if it can.

Then we heard something and then I heard a twig snap and then I pointed my gun and it was at a mans face! And the man was none other than Major Alan Dutch Schaefer!

Me: Whoa Major Alan Dutch Schaefer, I presume?

Dutch Schaefer: (Arnold Schwarzenegger Accent) That's right. Team Loud Phoenix Storm?

Me: Yeah that's right.

Dutch Schaefer: Thank god you're all here.

Nico: And thank goodness we found you too.

Big Cheese: Don't sneak up on us like that! We thought you were the Predator!

Roquefort: Cheese Ninjas, search for it!

They went and did so.

Me: We heard about everything that happened to you back 35 years ago. The Yautja butchered your entire team.

Dutch Schaefer: Yes it did.

Me: You aren't the only one though.

I showed my scar on my face.

Me: Battled one on the island of Sumatra.

Eli: I battled one in Montana.

Dutch Schaefer: You went through hell.

Me: No kidding. But we all lived. We survived.

Nico: Yeah.

Dutch Schaefer: Then you must know that I don't have long because of the poison.

Me: Yeah the Radiation from the explosion you survived from 35 years ago.

Burst Man: How much time do you have left?

Dutch Schaefer: I don't know. I've tried everything to stay alive for this long.

Me: Hmm. Ahh.

I got an idea and gave him a drop of my Rainbow Rose Elixir.

Me: This will help.

I gave him one drop and instantly he was cured and the radiation was destroyed and his body was healed and fixed!

Dutch Schaefer: That was amazing!

Qin: It's the Nectar of the Rainbow Rose. It healed you completely.

Me: Yeah it sure did.

Dutch then hugged me and it was a bonecrushing hug.

Dutch Schaefer: Thank you so much!

Me: (GROANS) YOU'RE WELCOME BUT YOU'RE CRUSHING ME!

Dutch Schaefer: (Lets go) Sorry.

Ssserpent: Too bad we can't do the same for your friends.

Professor Monkey For a Head: At least they can rest in peace.

Me: Yeah. No kidding. Or these people.

Dutch Schaefer: Yeah. May they rest in peace.

Me: Dutch, lets go find that Predator and kill that son of a bitch!

Dutch Schaefer: With pleasure.

We shook hands in an arm wrestling handshake.

Nico: Lets do it.

RD Clyde: But he's still hiding.

Me: Don't forget that we have what he hunts with. Infrared Vision.

RD Clyde: Right.

Dutch Schaefer: Lets get him.

I reactivated my Infrared Vision and we got to searching.

We got to a huge grove.

Eli: I sense something here. It's in those trees.

I looked and saw a figure looking at us in the trees. It was watching us. It was THE YAUTJA!

Me: Target sighted.

Nico: I see him. He's invisible but I can see him.

Demyx: We need to get some distance from him before we plan our next move!

Evil Aqua Man: You read my mind!

Me: I got an idea.

We teleported and we were at the sight where Dutch battled the Predator the first time 35 years ago.

Me: This should be good enough. But he'll find us later on.

Dutch Schaefer: This is where I faced the Predator 35 years ago.

Toph: And I got the perfect cover for us.

She formed a powerful Earth dome for all of us to hide in.

Me: Good thinking Toph.

Terrorsaur: Jak, you and Taranee get a chance to shine today.

Jak: Sweet!

Taranee: This is gonna be awesome.

Me: Yep.

Laney: Awesome.

Abomination: I can't wait to smash that guy!

Evil Drill Man: At least we're not dealing with Xenomorphs.

Me: Don't worry we made sure that all the Xenomorphs are completely destroyed.

Evil Drill Man: Good.

Laney: Yeah.

Eli: (Senses Something) I sense him. He's closing in on us at 15 klicks.

Nico: Then we better get ready.

Wind Man: This is gonna be one tough fight.

Me: It sure will be. But we'll be ready.

Nico: Yeah. Lets hide in the clouds and when he is at the right spot we'll be ready for him.

We nodded.

Toph got the dome down and we went into the sky and hid and then we waited. I had an illusion of us there with guns ready and I had my infrared vision on.

Nico: Now we wait.

Me: To hunt a Predator, you got to THINK like a Predator.

Nico: Yep.

Blizzard: He'll only be trying to kill thin air.

Evil Xion: I hope he doesn't figure it out.

Me: Don't worry. He won't. Here he comes.

Nico: Get ready.

I had an energy ball ready as he had wrist blades ready and then as he slashed the illusion me I fired the energy ball and it hit the ground by him.

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He screeched! Then he fired his plasmacaster all over!

BOOOM!

Sparks were flying everywhere as he was hitting the trees with each blast!

BOOM! BOOOM! BOOOOM! BOOOOM! BOOOOM!
KRABBBBBBOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOMMMM!

He was missing all over.

Camie: Wow! That Plasmacaster is powerful.

Eli: It sure is.

Nico: Lets go! Entrance time!

We went at him.

The Yautja was still firing at thin air and then the spirits of the Elements of Animals and Nature appeared and swirled around him and then they converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and a phoenix cry was heard and we came out!

Nico: Hunting Season is over!

Me: That's right!

Slugslinger: Have some REAL firepower!

He fired laser blasts and blasted his feet all over.

Qin: Take that.

He extended his wrist blades and I unsheathed my sword and we clashed and sparks flew everywhere and it was intense.

Laney: Whoa!

Dutch Schaefer: J.D. is fighting him well.

Nico: Yep. It's why he has the respect of the Yautjas.

I kicked the Yautja and knocked him down.

Gizmo: You're good, Barfbrain.

Boxcars: But we're better!

Jak threw a punch at the Yautja and knocked it down.

Nico: Nice!

Laney: Take that!

He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

The cops in Royal Woods tried to arrest them, but Harry and Marv got away, and that's how they wound up trying to rob Kevin. But, they didn't even remember Lincoln or Azula, mainly because they're too stupid to remember anything.

Azula Firebrand: And Lincoln told me you guys have those two boobs being humiliated in public, right?

Lincoln: Yep, and they're taking Scoots' place, since my Gessius Flores Vengeance Curse sent her to Hell forever months ago.

Lincoln: (Beastly Voice) I knew there's no mistaking that scent from anywhere, you can come out now, Alpha Prime.

A large and very muscular werewolf-like figure came out, and it was none other than Alpha Prime, who was formerly the night elf, Ralaar Fangfire, but was now forever corrupted by the Worgens' feral rage.

Eli: And it's also another villain that doesn't speak, figures.

Lincoln: (Beastly Voice) Mainly due to being corrupted forever by the Worgens' feral rage, Eli, and he needs to be put out of his misery.

Amber Mahigan: Before he continues to cause more havoc throughout the land.

Suddenly, Amber Mahigan's red eyes turned neon red and she was surrounded by a dark blue energy aura with darkness, full moons, wolves, and werewolves, she unholstered her massive Zombie Werewolf-themed greatsword from her back, and as she approached Alpha Prime, she left dark blue energy, darkness, full moons, wolves, and werewolves, with every step.

Suddenly, Amber Mahigan was surrounded by a massive vortex of dark blue energy with darkness surrounding the vortex and the full moon shining down on the vortex, there are packs of wolves and werewolves, along with Zombie Werewolf, running around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Amber Mahigan emerged, but she was changed forever.

Amber Mahigan has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS FULL MOON ZOMBIE WEREWOLF ANGEL OF DIVINE ZOMBIE MOON WEREWOLF JUSTICE AND DIVINE LUNAR WEREWOLF LOVE!

We were amazed by Amber Mahigan's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln in his Lincoln the Nocturnal form saw her, he had an atomic red blush on his muzzle and face, hearts in his eyes, and his werewolf nose was bleeding. But, when Alpha Prime saw it, he roared in rage and tried to kill her, but Amber did something really amazing: she let out a growl and light grey fur began growing on her body and wolf muzzle with tan fur growing on her chest and stomach, her nails grew into claws, her neon red eyes stayed the same but with slit pupils, and eleven massive, long, and powerful black werewolf tails sprouted out, and she let out a howl as she transforms into AMBER THE NOCTURNAL, and she fired a powerful dark blue energy aura with darkness, full moons, wolves, and werewolves at Alpha Prime and sent him flying into a wall, but he's not done yet, and he's beyond enraged.

Nico: Holy crap, not only did Amber Mahigan transform into her Super Angel Xelnaga Eternity Infinity form, but she also transformed into her new werewolf form, Amber the Nocturnal. That's really really awesome!

Me: I was thinking she would transform into Zombie Werewolf, but this was an awesome surprise.

Lincoln: You got that right, and Amber, you look beautiful, how do you feel?

Amber Mahigan: (Divine Echoing Cosmic Beastly Voice of The Darkness Full Moon Zombie Werewolf and Divine Lunar Darkness Werewolf Love) **I feel incredible, Linky, and I can already tell you love seeing me in my new Nocturnal Werewolf form. Now, shall we destroy Alpha Prime for good?**

Lincoln: (Smiles) (Beastly Voice) **With pleasure, Amber.**

Lincoln the Nocturnal unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Amber Mahigan.

Lincoln: (Divine Echoing Cosmic Beastly Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Your days of causing havoc are over, Ralaar Fangfire, and now, you will pay for every last one of your crimes in full.**

Amber the Nocturnal and Lincoln the Nocturnal went after Alpha Prime, and they fired extremely powerful blasts of rainbow energy, dark blue energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Mermaids, and Wolves at Alpha Prime and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, and they also drew blood.

This was making Alpha Prime extremely furious, and he was about to attack them again, but Amber punched Alpha Prime hard in the stomach and ripped out its heart and devoured it in front of the feral Worgen and Lincoln put the body into a bear hug and as he sank his long fangs into its neck, he was sucking out blood still remaining in the body and Lincoln was also absorbing the dead body into his body and he was also assimilating its raw physical strength and powers and Lincoln also purged the Worgen curse, and when Lincoln was done feeding in Alpha Prime's blood and absorbing its dead body into his body, an energy card with Alpha Prime's soul imprisoned inside it appeared in Lincoln's large left hand, and when the Judgement Kanji appeared on Alpha Prime's forehead, Alpha Prime was sent to The Black Gates forever. We cheered wildly for what Amber Mahigan the Nocturnal and Lincoln Loud the Nocturnal did to Alpha Prime as they holster their massive greatswords and powered down and Amber's new body, clothes, weapons, jewelry, massive midnight black angel wings and eleven massive and long midnight werewolf tails are permanent, and she and Lincoln were still in their Nocturnal Werewolf forms.

Amber Mahigan: (Beastly Voice) **That'll teach you, you wild animal. Thanks for helping me destroy Ralaar Fangfire A.K.A. Alpha Prime, Linky.**

Lincoln: (Beastly Voice) (Smiles Warmly) **You're welcome, Amber.**

Suddenly, Amber Mahigan wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Amber Mahigan's face, they kissed passionately as Amber Mahigan's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Zombie Werewolf flying in the air, and we saw a herd of Buffalo and a pack of wolves and werewolves running across the field, along with elemental forces and the full moon shining down behind them and Zombie Werewolf and the pack of wolves and werewolves howled at the full moon and we cheered wildly. Lincoln and Amber Mahigan changed back and came back to us, as the display and Zombie Werewolf vanished.

Nico: Whoa, now that's what I call one awesome full moon battle, you guys.

Lincoln: Thanks, Nico, and I admit I was surprised you now have a new Nocturnal Werewolf form, Amber, and I did love seeing that new Nocturnal Werewolf form of yours.

Amber Mahigan: Thanks, Linky.

Lincoln caught Amber Mahigan in a bridal style hold when he saw she was about to faint.

Me: Whoa, are you okay, Amber?

Amber Mahigan: Yeah, I'm alright. Whoa, but why did I feel so fatigued?

Lincoln: That's the changing back from werewolf to human, Rudina, myself, and the werewolves on the team know that feeling all too well. But, don't worry, Rudina and I are going to give you some training with your new werewolf form and powers, so that way, you won't feel fatigued when you change back to human form.

Me: Good idea, Lincoln, and what Gene-Slammer are you hoping to meet tomorrow?

Lincoln: That's a good question, J.D., hmm. Ooh, here's a good one, how about a Gene-Slammer for Brotherhood of the Fire Fist - Panda.

Nico: Now, that's an awesome one, and it's one of the Duel Monsters from the Fire Fist archetype.

Xiao Fung: There. Now the Predator is defeated.

Oculous: After a tough fight.

Me: You got that right.

Dark Leo: "Tough" is right.

Dark Don: He really was a formidable opponent.

Poromon: (to Lynn Sr.) Can I have that drunk juice too?

Lynn Sr: Sorry. I gave it all to Puff.

Puff: (Groans from Hangover) Not something I want to remember now.

Poromon: No! I want that juice! Gimme!

Lynn Sr: Guys, a little help?!

Piledriver: You're on your own, good buddy.

Bulldozer: We're gonna be heading back to the base.

Nico: Poromon down!

Poromon: Aw man.

Nico: Dutch I'm sorry about what happened to you and all that.

Dutch Schaefer: It's all right Nico. But thanks to you all you helped cure me and got me better.

Nico: No problem. How would you like to join the team?

Dutch Schaefer: As much as I want to I can't. I have to travel the world to help make sure no one suffers the same attack I went through.

Me: I understand. But maybe we'll run into each other again someday.

Dutch Schaefer: (Smiles) That's a promise.

Dutch and I shook hands and it was gonna be awesome.

He left.

Nico: There goes a really awesome man.

Me: Yep.

Nico: But great job today guys.

Me: This was a good battle though.

Qin: Yeah it sure was.

Eli: Yeah.

Twilight Sparkle: (To the viewers) This was a very awesome and amazing battle and it was an awesome and cool adventure. Hope you all liked it.

Me: I know I did.

Nico: Yeah. Lets head home.

We went back to the estate and enjoyed the rest of the day and went to sleep.

She has a voice that is as divine as an angel and she also has a lot of awesome songs. She also has amazing nature powers and more. The match-up scene is for Althea Aganad, Gene-Slammer of Holactie The Creator of Light, and she and Lincoln are going to destroy Diodora Astaroth from High School DxD. For Lincoln's rescue tomorrow, Lincoln and his group are heading down to Rose Hall Great House in Montego Bay, Jamaica, though this place is very beautiful on the outside, this place hides a dark history: in 1820, a beautiful but diabolical woman named Annie May Patterson, moved to Rose Hall from Haiti, where she'd been trained in the arts of witchcraft and voodoo, and she had a controlling and violent streak which led to the disappearance of her first husband, John Rose Palmer, and two other husbands, and her extremely cruel and sadistic nature towards the slaves had earned her the nickname "The White Witch of Rose Hall", but her reign of terror came to an end when she herself was killed by a voodoo sorcerer for what she did in killing his child, and she was supposedly buried in a tomb on the grounds, but according to local lore, her tomb was meant to be sealed with a Voodoo ritual that would have kept her spirit imprisoned forever, but, the ritual was never completed, and as a consequence, her evil spirit now roams free at Rose Hall, terrorizing all those who cross her. Now, Lincoln and his group are going to exorcise the house of the dark forces of The White Witch of Rose Hall that've haunted the house for over 200 years and not only are we going to rid Rose Hall of the malevolent dark forces, and send Annie May Patterson to The Black Gates forever, where she'll never terrorize anyone ever again. Her medical skills helped Lincoln recover his physical wounds as well as help Lincoln recover emotionally. To show thanks to Panda, Lincoln took her to an Italian restaurant where while they're sucking on spaghetti, both Lincoln and Panda kissed each other on the lips. She's also the younger sister of Litchi Faye Ling, and like Litchi, she loves pandas, in fact, her parents named her after the pandas, and she hates Lori, Lynn, Lola, Lisa, and Luan with a burning passion. Get ready for a journey that has justice that's 150 years overdue as we help Alice Liddell in her world in Alice: Madness Returns and we're going to battle Dr. Angus Bumby and make sure that monster pays for all his crimes.

Me: (Training Izuku) Good work Izuku!

He was learning many of my moves and more as his green lightning aura was flickering all over.

Nico was training Bakugo and massive fiery explosions were going off all over.

Nico: YEAH! You're doing great Bakugo!

We were really training them hard in everything.

25 minutes later we were sweating up a storm and it was awesome.

Me: WHEW! What a workout.

Izuku: It sure was.

Nico: All right lets take a break everyone.

We got to resting on the bleachers.

Nico: Man this was awesome.

Maxxine Stennson: Yea it sure was.

Ibara Shiozaki: It sure is awesome to have you guys all train us.

Himiko: I think it's cool too.

Me: Glad you all like it.

Nico: Thanks for coming with me, Maxxine.

Maxxine: Anytime Nico. It's gonna be so awesome helping you out on your rescue.

Nico: It sure is.

Sougo: Awesome having you help out sis.

Maxxine: Thanks. It's fun.

Nico: Maxxine, I'm sorry you were the last of the Core Underground Girls to get Ambassador missions.

Maxxine: Don't be Nico. It was awesome. Besides I thought it was cool that I got a mission and met Sougo and his team.

May: It sure is awesome.

Camie: Yeah that mission was awesome and epic.

Me: Boy it sure was. And battling all of the Another Riders and Another Rangers and Sentai were awesome.

Laney: It sure was. At least Swartz didn't make Another Morphin Master Red.

Nico: Boy I don't want to know what would have happened if that one was there.

Eli: Me neither.

Momo: Boy no kidding. That would not be a good thing.

Kaina Tsutsumi: Yeah. The Morphin Masters are practically omnipotent from what I heard.

Xenia: Yes they are.

Nico: But I promise you it was worth the wait.

Maxxine: Yes it was. One of the most awesome ever. And it was so epic.

Me: Yeah and Swartz is gone for good now. Given the Black Gates forever.

Xenia: That's for sure.

Woz: Thank goodness for that too.

Me: But the sad part is that Ohma Zi-O used Hakai on himself and banished himself to the Warp.

Nico: Well at least he redeemed himself in the end. And didn't use the Black Gates on himself.

Laney: That's true.

Me: Yeah. Yesterday's mission was awesome though.

Nico: Too bad Dutch didn't join us.

Me: Yeah but he has his reasons. But we'll meet him again one day.

Varie: He is always hunting Yautja's on Earth.

Me: Yeah no kidding.

Eli: Yeah.

Maxxine :And we already have one of the Yautja as our archenemies. Vypra told me that AncientGreymon is getting the Celtic Predator as his archenemy and also Nico your friend Evelyn Roarington is a Yautja Gene-slammer.

Nico: That's true. But that is awesome too.

Maria: Yeah.

Nico: The Yautja put up one Hell of a fight.

Me: They always do and they aren't called the Galaxy's most lethal hunters for nothing.

Qin: He's right on that.

Camie: Some of them even left their marks on many of us.

Laney: Yeah they sure did.

Xenia: Yeah no kidding there.

Nico: And the one we fought yesterday blew himself up.

Me: Yeah I knew he was going to do so.

Xenia: Yeah and the explosion was powerful.

Camie: Wow it sure was.

Lola: That was still epic though.

Himiko: It sure was.

Maxxine: No kidding there.

Nico: I have a feeling we're gonna meet a Dark Counterpart here.

Laney: What do you mean?

Eli: (Senses Something) Nico is right. I sense a dark self here. It's a dark and much more evil version of Himiko.

WE GASPED!

Lincoln: Oh man, I can't believe that an even darker and evil version of Himiko has been sighted here.

Me: Yeah, this isn't good.

Himiko: She needs to be stopped before she continues on the same kind of rampage for blood I went on before I was finally freed from that and my past.

Misty Tredwell: That's exactly what I'm going to do to her.

Suddenly, a figure came charging out and tried to attack me with a knife, but Misty Tredwell kicked the figure away, and we saw who it was: it was the darker and evil version of Himiko Toga, but her eyes were blood red with insanity and she was completely crazy and insane.

Himiko: So, this is what I was like before I was saved.

Me: Yep, to you, it's like looking in a twisted mirror, Himiko.

Evil Himiko: (Laughing Insanely) I will enjoy taking your blood!

Misty Tredwell: As if I'm ever going to let that happen. It's time someone put you down for good.

Himiko: Get her, Misty!

Suddenly, Misty Tredwell's blue eyes turned neon blue and she was surrounded by a black and green energy aura with green fire, lizards, and darkness, she unholstered her massive Earthbound Immortal Ccarayhua-themed sword from her back, and as she approached Evil Himiko, she left black and green energy, green fire, lizards, and darkness with every step.

Misty Tredwell: You really make me sick, you evil twisted version of Himiko, you've caused more than enough trouble to everyone in U.A. Academy for the last time, and now, I will see to it that you are put down like the animal that you are!

Suddenly, Misty Tredwell was surrounded by a massive vortex of black and green energy with green fire and darkness surrounding it, there's Earthbound Immortal Ccarayhua flying around the vortex, and in the vortex is a green phoenix. Then, as the vortex faded, Misty Tredwell emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Misty Tredwell grew from 6'0" to 7'4" in height, she has the body of a goddess, she has green highlights in the bangs of her long flowing black hair, she has neon blue eyes and a black and green energy aura with darkness, green fire, and lizards surrounding her, she has Earthbound Immortal Ccarayhua with the Dark Kanji in its hands emblazoned on her forehead, she has on lizard earrings with green gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Earthbound Immortal Ccarayhua with green gems for eyes and the Dark and Eternity Kanjis in its hands for the second pendant on the bottom of her green lizard-shaped Element of Harmony, along with the gold Phoenix pendant of her Elemental Phoenix Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and green gems on the golden flame links. Emma Langley has on a black sleeveless dress top with green designs, black frilly skirt with black frills and the Lizard Nazca Line on it, black knee-high high-heeled boots, and long sleeveless white trenchcoat with darkness, lizards, and green fire on the coattails, and on the back is Earthbound Immortal Ccarayhua with darkness surrounding it. Suddenly, Misty Tredwell felt a sharp pain on her back, and then, her massive midnight black angel wings with green tips grew much bigger for her new body, and the feathers had the same green markings on Ccarayhua. Misty Tredwell has on a Ring of The Phoenix with green gem and heart shaped gem embedded in it on her right ring finger and Star Sapphire ring on her left ring finger.

Suddenly, Misty Tredwell's massive Earthbound Immortal Ccarayhua-themed large sword and all the other swords she'd gotten began merging together and they were surrounded by a kaleidoscope of green energy with darkness, green fire, and lizards, and when it emerged, it was transformed into Earthbound Immortal Ccarayhua's Dark Lizard Greatsword of Green Fire and Darkness Justice, it's a brand-new large greatsword with Earthbound Immortal Ccarayhua and the Lizard Nazca Line etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight lizard heads for the crossguard, large green gem embedded in the rainguard, longer midnight black handle, four large midnight black lizard heads and a large green gem below the lizard heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Earthbound Immortal Ccarayhua's head with green gems for eyes and a large green gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a green kanji below Earthbound Immortal Ccarayhua that said, "Misty Tredwell, Dark Signer of The Lizard Earthbound Immortal Ccarayhua, Member of The Masters of Evil and The Redemption Squad, Loving Sister Figure of Carly Atlas, Loving Older Sister of Toby Tredwell, Archenemy of Haiku and

Gabby Gator, Loving Future Wife of James Dean Knudson, Loving and Caring Mother of Many Beautiful Daughters, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Lizards, and Green Fire"

Misty Tredwell has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA DARKNESS GREEN FIRE EARTHBOUND IMMORTAL LIZARD ANGEL OF DIVINE EARTHBOUND IMMORTAL DARK JUSTICE AND DIVINE GREEN FIRESTORM LOVE!

We were amazed by Misty Tredwell's Super Angel Celestial Eternal Xelnaga transformation and when I saw her, I had an atomic red blush on my face, hearts in my eyes, my nose was bleeding, and I also howled like a wolf and did the wild takes of Tex Avery McWolf and Tom and Jerry Kids McWolf. But, when Evil Himiko saw it, she was cackling like a mad lunatic and tried to attack Misty again, but Misty fired a powerful black and green energy blast with green fire, darkness, and lizards at Evil Himiko and it sent her flying into a wall, but she wasn't out yet, and she was still cackling like a mad lunatic.

Nico: Wow, Misty's transformed, so awesome!

Nicole: You said it, Nico, but of course, her transformation's got Dad really lovestruck.

Lincoln: Better snap him out of it.

Lincoln made a cloud above my head and a waterfall fell on top of my head, and I was shaken out of it.

Me: Thanks, Lincoln, I needed that.

Misty Tredwell: (Divine Echoing Cosmic Voice of The Dark Lizard Earthbound Immortal and Divine Green Fire Justice) Now that you've snapped out of it, shall we?

Me: (Smiles) Gladly.

Nico: Time for some buttkicking!

Qin: Yeah!

Albedo turned into Negative Rath.

Negative Rath: LEMME TELL YA SOMETHIN', DARK HIMIKO TOGA! YOU WANNA PIECE OF RATH?! YOU GOT A PIECE! BUT YOU JUST BIT OFF AN EYE BIGGER THAN YOUR STOMACH CAN CHEW!

Dark Himiko: That didn't even make any sense!

Negative Rath:… I KNOW!

Me: That's why we're going to kick your fucking ass! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: Okay you bloodsucking fiend!

I pulled out a dagger and cut my wrist.

Me: You want some blood? Come and get it!

Dark Himiko went at me and she slashed at me and I kicked her in her face and fired waves of blue fire and blasted her down.

Dark Himiko laughed maniacally and insanely!

Bakugo: She is INSANE AND CRAZY!

Dark Himiko: (LAUGHS INSANELY) I'm not crazy! (MALICIOUS GRIN) THIS IS NORMAL FOR ME!

Kaito: (gets out GoGoV gear) This may be normal for you.

Zocks: (gets out Timeranger gear) But not for the one we know and love!

Himiko: YEAH! I can't believe I was like you! I was nothing but a bloodsucking fucked up fiend!

Kaito got a V-Lancer Blaster and Zocks got a Vortex Blaster.

Fiona Hernandez: Taste this one!

She had Hermos and Uria merge together and they formed into a deadly firestorm sword! It was called THE HYPER FLAME SWORD OF URIA!

Fiona Hernandez: The Hyper Flame Sword of Uria!

She fired waves of fire and blasted down Dark Himiko! She was laughing maniacally as she was burned! She was enjoying it in a sadomasochistic and orgasmic fashion!

Rarity: This girl is REALLY Creepy!

Sougo: (gets out Zi O II Ridewatch) We took down one evil clone yesterday.

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz: (gets out Geiz Revive Ridewatch) We don't mind taking down another!

Sougo became Zi O II while Geiz became Geiz Revive Goretsu.

Maxxine: Time for some buttkicking!

Qin: Yeah!

Dark Himiko went at us and I kicked her in the face and Misty

Tredwell bashed her in the face with a kick and smashed her down.

Pinkie Pie: Feel this you party pooper! (Activates Flying Dutchman's Ridewatch)

(RIPPED PANTS BY SPONGEBOB SQUAREPANTS PLAYS)

Pinkie Pie: (SINGING DIVINELY AS WATER SWIRLED AROUND HER)

I thought I had everybody on my side

But I went and blew it all sky high

And now she won't even spare a passing glance

All just because I ripped my pants

When big Larry came 'round just to put him down

Spongebob turned into a clown

And no girl ever wants to dance

With a fool who went and ripped his pants

I know I shouldn't mope around, I shouldn't curse

But the pain feels so much worse

'Cause windin' up with no one is a lot less fun

Than a burn from the sun or sand in your buns!

Now I learned a lesson I won't soon forget

So listen, and you won't regret

Be true to yourself, don't miss your chance

And you won't end up like the fool

Who ripped his pants

She fired waves energy and they bashed down Dark Himiko!

Maxxine: My turn!

Maxxine activated her ridewatch for The Mummy.

(THE 10 PLAGUES BY THE PRINCE OF EGYPT PLAYS)

Maxxine floated into the air as the magic of the 10 Plagues of Egypt was unleashed onto Dark Himiko as the song played.

[CHOIR]

(Thus saith the Lord, thus saith the Lord

Thus saith the Lord, thus saith the Lord

Thus saith the Lord, thus saith the Lord

Thus saith the Lord, thus saith the Lord)

Since you refuse to free my people

(Since you refuse to free my people)

All through the land of Egypt

I send a pestilence and plague

Into your house, into your bed

Into your streams, into your streets

Into your drink, into your bread

Upon your cattle, on your sheep

Upon your oxen in your field

Into your dreams, into your sleep

Until you break, until you yield

I send the swarm, I send the horde

Thus saith the Lord

[MOSES]

Once I called you brother

Once I thought the chance to make you laugh

Was all I ever wanted

[CHOIR]

I send the thunder from the sky

I send the fire raining down

[MOSES]

And even now I wish that God had chose another

Serving as your foe on His behalf

Is the last thing that I wanted

[CHOIR]

I send a hail of burning ice

On ev'ry field, on ev'ry town

[MOSES]

This was my home

All this pain and devastation

How it tortures me inside

All the innocent who suffer

From your stubbornness and pride

[CHOIR]

I send the locusts on the wind

Such as the world has never seen

On ev'ry leaf, on ev'ry stalk

Until there's nothing left of green

I send my scourge, I send my sword

Thus saith the Lord

[MOSES]

You who I called brother

Why must you call down another blow?

[CHOIR]

I send my scourge, I send my sword

[MOSES]

Let my people go

[CHOIR]

Thus saith the Lord

[MOSES & CHOIR]

Thus saith the Lord

[RAMESES]

You who I called brother

How could you have come to hate me so?

Is this what you wanted?

[CHOIR]

I send the swarm, I send the horde

[RAMESES]

Then let my heart be hardened

And never mind how high the cost may grow

This will still be so:

I will never let your people go

[CHOIR]

Thus saith the Lord

[MOSES]

Thus saith the Lord

[RAMESES]

I will not…

[(MOSES & CHOIR) & RAMESES]

… let your (my) people go!

She fired waves of the 10 plagues and smashed her down!

Me: OH YEAH!

Qin: Awesome!

Fiona Hernandez: That was awesome!

Himiko: The Atrocities you made me do can NEVER be forgiven. (ACTIVATES LEFOU'S RIDEWATCH)

(FORGIVE AND FORGET BY BLONDIE PLAYS)

Himiko: (SINGING DIVINELY AS ELEMENTS SWIRLED AROUND HER)

In the beginning, in the days before time,

The light was alive with the essence of power.

And from that power were born beings who lived on the edge of eternity.

And they spread their wings and soared through the ancient air.

And the beating of their wings made the winds.

And from the winds came the seas.

And from the sea came the life of the earth.

Nature's cast upon the sea the winds of past, of promise be.

Waters deep uncover me.

A scheme of sleep as lovers three.

If you'll forgive me my ferocity, I won't forget your sweetness.

Pull down the night, lay it before me.

Gratify my head with curses.

Night recalls tranquility.

A curtain falls and sets it free.

Darkness calls eternity.

Down silent halls the shadows flee.

If you'll forgive me my ferocity, I won't forget your sweetness.

Pull down the night, lay it before me.

Satisfy my head with curses.

Forgive and forget.

Forgive and forget.

Forgive and forget.

Fates are cast upon the sea.

The winds of past of promise be.

Waters deep uncover me.

A scheme of sleep as lovers three.

Forgive and forget.

Forgive and forget.

She danced and fired waves of energy and elements and smashed her down.

Uh huh, life's like this

Uh huh, uh huh, that's the way it is

'Cause life's like this

Uh huh, uh huh, that's the way it is

Chill out, what ya yellin' for?

Lay back, it's all been done before

And if, you could only let it be, you will see

I like you the way you are

When we're driving in your car

And you're talking to me one on one, but you become

Somebody else

'Round everyone else

You're watching your back

Like you can't relax

You try to be cool

You look like a fool to me

Tell me

Why'd you have to go and make things so complicated?

I see the way you're acting like you're somebody else

Gets me frustrated

Life's like this, you

And you fall, and you crawl, and you break

And you take what you get, and you turn it into

Honesty and promise me I'm never gonna find you faking

No, no, no

You come over unannounced

Dressed up like you're somethin' else

Where you are and where it's at you see

You're making me

Laugh out when you strike your pose

Take off all your preppy clothes

You know you're not fooling anyone

When you become

Somebody else

'Round everyone else

You're watching your back

Like you can't relax

You try to be cool

You look like a fool to me

Tell me

Why'd you have to go and make things so complicated?

I see the way you're acting like you're somebody else

Gets me frustrated

And you fall, and you crawl, and you break

And you take what you get, and you turn it into

Honesty and promise me I'm never gonna find you faking

No, no, no

No, no, no

No, no, no

No, no, no

No, no, no (no, no)

Chill out, what ya yellin' for?

Lay back, it's all been done before

And if you could only let it be

You will see

Somebody else

'Round everyone else

You're watching your back

Like you can't relax

She danced and fired waves of energy and lightning and smashed her down!

Nico: (takes out Dabi's Ridewatch) And now for this! (ACTIVATES IT)

(DOWN WITH THE SICKNESS BY DISTURBED PLAYS)

Nico: (SINGING DIVINELY AS BLUE FIRE SWIRLED AROUND HIM)

Can you feel that?

Ah, shit

Oh, ah, ah, ah, ah

Oh, ah, ah, ah, ah

oh, oh, oh, oh, oh, oh

Drowning deep in my sea of loathing

Broken your servant I kneel

(Will you give in to me?)

It seems what's left of my human side

Is slowly changing in me

(Will you give in to me?)

Looking at my own reflection

When suddenly it changes

Violently it changes (oh no)

There is no turning back now

You've woken up the demon in me

Get up, come on get down with the sickness

Get up, come on get down with the sickness

Get up, come on get down with the sickness

Open up your hate, and let it flow into me

Get up, come on get down with the sickness

Don't try to deny what you feel

(Will you give in to me?)

It seems that all that was good has died

And is decaying in me

(Will you give in to me?)

It seems you're having some trouble

In dealing with these changes

Living with these changes (oh no)

The world is a scary place

Now that you've woken up the demon in me

Get up, come on get down with the sickness

Get up, come on get down with the sickness

Get up, come on get down with the sickness

Open up your hate, and let it flow into me

Why did you have to hit me like that, mommy?

Don't do it, you're hurting me

Why did you have to be such a bitch

Why don't you

Why don't you just fuck off and die

Why can't you just fuck off and die

Why can't you just leave here and die

Never stick your hand in my face again bitch

Fuck you

I don't need this shit

You stupid sadistic abusive fucking whore

How would you like to see how it feels mommy

Here it comes, get ready to die

Oh, ah, ah, ah, ah

Open up your hate, and let it flow into me

Get up, come on get down with the sickness

You mother get up come on get down with the sickness

You fucker get up come on get down with the sickness

Madness has now come over me

Nico danced and fired waves of blue fire and smashed down Dark Himiko.

Massive fiery explosions blasted Dark Himiko all over the place as Bakugo fired explosion blasts at her and blasted her all over.

Dark Himiko sent a syringe at me and I grabbed it.

Me: Top this! FIRE STYLE: DRAGON FLAME JUTSU!

I sent a stream of fire through it and it went at her and it hit her and

exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was knocked down!

Bakugo: Have a dose of your own medicine! (throws the syringe back at her)

It skewered her and hit her in her BLACK HEART!

Nico: Nice shot!

Me: Now for the grand finale.

I fired a tiny ball of energy with Frieza's power.

?: Let me add some zest to that.

A figure came out and it was NUMBER 76: HARMONIZER GRADIELLE!

Me: Whoa! Number 76: Harmonizer Gradielle!

Number 76: Harmonizer Gradielle: That's right.

Nico: Harmony Carrington!? Wow!

She reverted back and was a girl dressed in aqua blue and green clothes and had aqua blue hair and blue eyes and had rainbow ethereal angel wings and she had a Yautja Wrist Computer on her right arm and it was a really advanced one.

Harmony Carrington: Awesome to see you again Nico. Let me and Misty take care of this.

Misty Tredwell: With pleasure.

Me: You guys may want to duck and cover. This will be big.

Nico: Okay.

They went and did so.

Misty and Harmony fired powerful tiny energy balls and they too went into Dark Himiko. We lifted her up and then clenched our fists!

Dark Himiko: DAMN YOU TEAM LOUD PHOENIX STORM!

Then…

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

SHE EXPLODED INTO A FIERY CLOUD OF DUST!

Nico: WHOA!

Aylene C.: Oh yeah!

Xenia: That was awesome!

Everyone came out.

Nico: That was awesome!

Me: Yeah it was! Don't worry those energy balls were infused with Black Gates energy. Dark Himiko is gone for good.

Maria: That's one less Dark Side to deal with now.

Me: You got that right. Bakugo that was genius stabbing her with a syringe.

Bakugo: Thanks. It sure was.

Nico: Left her wide open for one of Frieza's attacks.

Me: Yep.

Xenia: It sure did.

Harmony Carrington: That was awesome though.

Misty Tredwell: Boy it sure was.

Maxxine: I'll say. Harmony what's your favorite memory of Nico?

Harmony Carrington: I have a lot of them. But one time me and Nico did a singing duet at a senior prom and we sang Beauty and The Beast and it was so divine. Everyone loved it.

Nico: That was awesome.

Me: Wow! That is amazing.

Misty Tredwell: Me and J.D. danced to that song.

Me: We sure did.

Himiko: So awesome.

Nico and Harmony hugged.

Nico: I've really missed you.

Harmony Carrington: Me too Nico. Me too.

We later went back home.

Lincoln: Wow, we're here in Rose Hall Great House in Montego Bay, Jamaica, and I know what we're going to do here, not only am I going to rescue the two girls here, but we're going to exorcise Rose Hall of the malevolent dark forces and of the evil spirit of Annie May Patterson who's terrorized Rose Hall for over 200 years.

Eli: This place doesn't look that bad.

Nico: But, appearances are indeed deceiving, Eli.

Lincoln: Nico's right, Eli, though this place is very beautiful on the outside, on the inside, this place hides a dark history, and thanks for joining us, Rice.

Rice: You're welcome, Lincoln. So, what can you tell us of how the dark history of Rose Hall began?

Lincoln: Gladly. In 1820, a beautiful but diabolical woman named Annie May Patterson, moved here to Rose Hall from Haiti, where she'd been trained in the arts of witchcraft and voodoo, and she had a controlling and violent streak which led to the disappearance of her first husband, John Rose Palmer, and two other husbands, and her extremely cruel and sadistic nature towards the slaves had earned her the nickname "The White Witch of Rose Hall", but her reign of terror came to an end when she herself was killed by a voodoo sorcerer for what she did in killing his child, and she was supposedly buried in a tomb on the grounds, but according to local lore, her tomb was meant to be sealed with a Voodoo ritual that would have kept her spirit imprisoned forever.

Me: But, the voodoo ritual was never completed, and as a consequence, her evil spirit now roams free at Rose Hall, terrorizing all those who cross her.

Nico: Yikes, that's not good.

Lori: That heartless witch!

Lincoln: Don't worry, Lori, we're going to use our exorcism method, and not only are we going to exorcise the malevolent dark forces from Rose Hall Great House, but we're going to finally deal with

Annie May Patterson and send her to The Black Gates forever.

Me: Awesome.

We entered Rose Hall Great House, and we felt the dark spirit of Annie May Patterson and the very dark malevolent forces here and Lincoln's ghost sense went off. Suddenly, our rainbow energy auras had flared up as we were sucking in all of the negative energy and we were gaining a massive power and energy boost and we were getting stronger and stronger and stronger still.

Lincoln: Whoa, this is a really heavy presence here, I can feel it, and the dark spirit of The White Witch of Rose Hall isn't going to leave Rose Hall that easily, but we've sucked in and absorbed all of the negative energy that's festered here for over 200 years.

Me: Let's send that witch packing.

We went outside and Lincoln took to the air, and we followed him. Then, he made a massive green magic circle with Celtic knots and Celtic symbols and runes on the ground which then surrounded Rose Hall Great House. But, we also felt the presence of the dark spirits trying to resist, but Lincoln was ready. He took out his Flute of Ogma, and he began to play a beautiful melody, and the dark forces were roaring in anger as they were eventually forced out of Rose Hall Great House and put into a Celtic knot magic circle to keep them from escaping, and Lincoln's melody continued to calm and soothe the land and weaken Annie May Patterson, and they were all freed from the dark forces, and Rose Hall Great House has been exorcised for good and the magic circles disappeared.

Nico: Awesome job, Lincoln.

Lincoln: Thanks, Nico, but we're not done yet: the exorcism not only removed the malevolent forces, but it also severely weakened Annie May Patterson, as it also removed his voodoo powers. Now, all that's left is to send her straight to The Black Gates for good, and we'll be rid of The White Witch of Rose Hall forever.

Laney: Yeah, that witch is going to pay for what she'd done two centuries ago.

?: HEEEEELLLLP!

Suddenly, Lincoln heard the sound of two girls screaming for help, along with the sound of malevolent and cruel laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the two girls, but they've been cornered by the ghost of Annie May Patterson, and she's going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the two girls, but they've been cornered by the ghost of Annie May Patterson, and she's going to kill them.

?: (Girl's voice) That heartless, sadistic, ugly witch, let's get her!

Suddenly, we saw the Duel Monster, Brotherhood of the Fire Fist - Panda, and a panda, appear before us.

Nico: Whoa, that's the Duel Monster, Brotherhood of the Fire Fist - Panda, awesome, and there's a panda with it.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Panda Faye Ling, along with you, Himchi, but we'll talk later, let's get rid of that malevolent witch once and for all.

We rushed on over, and before the ghost of Annie May Patterson could claim her next victims to slake her endless bloodlust and cruelty, Lincoln fired powerful rainbow energy balls and elemental forces at the sadistic and malevolent ghost, and that allows the two girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Annie May Patterson, and when the ghost saw us, she was enraged.

Lincoln: Your days of killing innocent people are all over, Annie May Patterson. You're going straight to Hell for good, and this time, you're never ever coming back.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Rice, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Xelnaga Eternity Infinity Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered their massive swords and we transformed, and we went after Annie May Patterson, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, and mythological animals, and they exploded with incredible power as they hit her.

Then, Lincoln formed a powerful seal, which not only severely weakened the evil ghost of Annie May Patterson even more, but it also freed all the tormented spirits of her victims, and then, Lincoln fired an energy blast with the Judgement Kanji inside it, and when it hits the spirit of Annie May Patterson, the Judgement Kanji forms on her forehead, and the tormented spirits of her victims found her guilty, and Annie May Patterson was eventually erased from existence, and her 200-year reign of terror was finally over, and the spirits of her victims could finally rest in peace. We cheered wildly as we holster our weapons and powered down.

Lincoln: We did it, Rose Hall is finally freed from Annie May Patterson's grasp, and all of her victims can finally rest in peace.

Me: And peace can finally return for the staff who work here.

Nico: You got that right, J.D. That heartless witch has caused enough trouble for the last time.

Lincoln: Now, Rose Hall Great House and the staff can finally be at peace. (To Panda Faye Ling and Himchi) And it's so good to see you and Himchi again, Panda Faye Ling.

Panda Faye Ling reverted back to normal, and she was a beautiful girl with long flowing dark crimson red hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful crimson red angel wings as she reigned in the power of Brotherhood of the Fire Fist - Panda, and she was dressed in a short-sleeved crimson red Chinese top, crimson red pants, red shoes, and long white sleeveless trenchcoat with flames and pandas on the coattails and Brotherhood of the Fire Fist - Panda on the back and holstered on her back is a Brotherhood of the Fire Fist - Panda-themed large greatsword with Brotherhood of the Fire Fist - Panda etched on the 7'0" massive, wide, double-edged red blade, large panda heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large panda heads and a large red gem on the bottom of the panda heads for the pommel, and by her side was her panda bear friend, Himchi.

Panda Faye Ling: You too, Lincoln, it's been a long time.

Lincoln went up to Panda Faye Ling and he hugged her, and Panda Faye Ling was very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails, and one of his tails petted Himchi on her head.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Panda Faye Ling: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new, you can land an airplane on that more wider and more muscular back, squash a melon with those quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Panda Faye Ling, she's my Guardian Angel from Japan and my classmate in English, but she also dreams of being one of the doctors and she has the skills to do it. Her medical skills helped me recover my physical wounds as well as help me recover emotionally. To show thanks to Panda, I took her to an Italian restaurant where while were sucking on spaghetti, we both kissed each other on the lips.

Me: Wow, that's awesome!

Lincoln: And it's gets even more awesome: Panda Faye Ling's the younger sister of Litchi Faye Ling, and like Litchi, she loves pandas, in fact, her parents named her after the pandas, and the panda bear that's with her is her friend Himchi and she's also a powerful Flame Fu Master Panda Bear, and she knows fire powers and more.

Litchi Faye Ling: That's right, and it's so good to see you again, Panda.

Panda Faye Ling: You too, Litchi.

We each petted and hugged Himchi.

Lincoln: And Panda hated Lori, Lynn, Lola, Lisa, and Luan with a burning passion, and she knew that the majority of my emotional and physical wounds were due to the five mean sisters in the family.

Nico: Oh boy.

Suddenly, an Elemental Thunderbird Necklaces of Eternal Love appear around Panda Faye Ling's neck with red gems on the gold thunderbolt links and red crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Panda Faye Ling: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means just like your sister, you're part of harem and my many future wives, Panda.

Panda Faye Ling had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Panda Faye Ling's waist and Panda Faye Ling wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the two girls, and when Lincoln saw them, he recognized them immediately. The two girls are Ryuu Jusetsu and Jiujiu from Raven of the Inner Palace.

Lincoln: Oh wow, it's Ryuu Jusetsu and Jiujiu from Raven of the Inner Palace.

Nicole: Awesome.

Lincoln: Are you girls okay?

Ryuu Jusetsu: Yes, we're okay, thanks to you.

Then, when Ryuu Jusetsu and Jiujiu saw who it was that saved them from the malevolent spirit of Annie May Patterson, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Ryuu Jusetsu: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you both.

Then, Lincoln made a clone of himself, and he and his clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Ryuu Jusetsu: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, two Thunderbird Necklaces of Eternal Love appeared on the necks of Ryuu Jusetsu and Jiujiu with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, We returned home to the World Tree Estate, and the rest of the team heard of what we did in exorcising Rose Hall Great House and cleansed it of the dark forces, and they were shocked when they found out the villain we went after was the evil spirit of Annie May Patterson.

But, when Lincoln showed what we did in beating down the evil ghost and Lincoln finally sending Annie May Patterson to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Panda Faye Ling have a lot of catching up to do, now that she's back in town.

Maria: I can't believe that evil witch, Annie May Patterson, caused so much terror to the people who work and live in Rose Hall Great House.

Lincoln: She'd caused enough trouble for two centuries, and she was long overdue with death and her rightful punishment.

Then, when Maria saw Himchi, she squealed with joy.

Maria: (Squeals) Oh, what a cute panda bear.

Panda Faye Ling: Lincoln…?

Lincoln: She always does that when she sees something that cute, but let her have her fun and hug Himchi, Panda.

Litchi Faye Ling: I hope the mascots don't try to get jealous.

Lincoln: Oh, I'll personally make sure they don't get consumed by jealousy.

Lincoln made clouds over the mascots' heads, and that meant he was watching them.

Poromon: Dang it.

---

After we exorcised Rose Hall Great House and sent the evil spirit of Annie May Patterson to The Black Gates for her evil cruel deeds over two centuries ago, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Panda Faye Ling saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Panda Faye Ling: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever. He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Panda, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Panda Faye Ling: That's incredible.

Nico: It sure is. So, Panda, what's the story on why you hate Lori, Lynn, Lola, Lisa, and Luan with a burning passion?

Panda Faye Ling: You're not going to like it one bit. As Lincoln said, the majority of the physical and emotional wounds he suffered was due to Lori, Lynn, Lola, Lisa, and Luan, but what they did long ago was something that I'd never forget to this day. I was walking through Franklin Avenue with Himchi at my side, but then, we suddenly heard the sound of screams of pain and cries of despair and sadness, which came from only one person: Lincoln, along with the cruel laughter of five familiar rats: Lori, Lynn, Lola, Lisa, and Luan, and it was coming from The Loud House. We ran to The Loud House and I kicked the door in, and we saw Lincoln, but he was bleeding horribly with nasty and horrible cuts on his body, and Lori, Lynn, Lola, Lisa, and Luan had knives in their hands and they were going to finish Lincoln off. But, Himchi and I fired powerful blasts of fire at them and Lori had her eyebrows burned off, Lynn and Luan had their ponytails burned off, Lisa was covered in ashes, and Lola's dress was burned, along with the knives that melted into liquid molten metal, and I also kicked Lori hard in the stomach and sent her flying into Lynn, Lola, Lisa, and Luan, and knocked them out. I went to Lincoln to tend to all his physical wounds, but I saw he also re-absorbed the blood spilled by them and that healed his physical wounds, then, he gently hugged me, and when I felt tears on my chest, I knew those five crossed it big time.

We gasped in horror.

Nico: I should've known those five had a hand in that again.

Panda Faye Ling: I wanted nothing more than to finish them off, but I didn't: I had to think of Lincoln and his mental state. Eventually, the punishments were handed down to them by the parents, Lori, Lynn, Lola, Lisa, and Luan were grounded for thirteen weeks, and they had to keep on the rings that Audrey Sauron gave to Lori, Lola, Lisa, and Luan, and I begged her to make a ring for Lynn to get that animal dark side under control, but Audrey refused, since she still hated Lynn for what she did to Lincoln, and wanted nothing more than to kill her. But, Audrey submitted and she gave Lynn a ring to control her animalistic dark side, and to make it more bad for them, they were ordered to do chores in the house and sleep in the basement again, because Leni, Lucy, Lana, Luna, and Lily kicked those five out of their rooms.

Me: Oh man, I remembered that day all too well, and those five had it coming yet again.

Lincoln: Lori, Lynn, Lola, Lisa, and Luan went too far that day, and Lynn went too far in taking off the rings Audrey made for Lori, Lola, Lisa, and Luan, since her desire for revenge consumed her. But, the pleas of Panda caused Audrey to relent, and she made a ring for Lynn to help her control that animal.

Audrey Sauron: I didn't want to at first and I wanted to kill her, but Panda made me relent, and I gave her a ring, and I didn't want to be like Sauron.

We got a shower afterwards, and then, Lincoln, his harem, and his kids were getting ready for some family time at the golf course.

Lincoln: This is going to be so awesome.

Rarity: Indeed, Linky, and it's perfect that we're having some family time.

Lincoln, his harem, and kids already had their golf clubs ready, along with setting up the tees and balls, and once Lincoln made the first hole in one, their family time began. Each member of Lincoln's harem and their kids had gotten their turn to make a hole in one, which they'd done successfully, and they all had a lot of fun there. Then, when they all made their eighteenth hole-in-one, they cheered wildly and they all came back home, but not before Lincoln and his harem shared a romantic kiss and the kids cheered for them.

Nico: Hey, Lincoln, how was your day?

Lincoln: It was awesome, Nico, we all had fun playing in the golf course.

Rarity: And we all had gotten perfect holes-in-one in the eighteen holes in the golf course.

Me: You guys sure had a lot of fun.

Lincoln: And we've had no trouble at all. Speaking of trouble, how's Flip's punishment?

We also had a punishment set up for Flip: we were having him tortured with getting dunked into a tank of water with electric eels and he was being electrocuted badly, and he was screaming in so much pain. He was pouring out jewels and coins all over the place.

Me: It's going quite well, Lincoln. Plus, I was quite impressed by your punishment that you chose for Flip.

Lincoln: This'll teach him a lesson, and if he keeps trying to send bounty hunters and hitmen to kill us again for revenge, he's going to get in even more trouble.

Nico: But, knowing how stupid Flip is, he's never going to learn.

Eli: The second he messes that up, we're increasing the voltage in the electric eel bath punishment.

Lincoln: Next time, we'll have more electric eel baths set up for the other jerks if they so much as get the same idea.

Nico: Good idea.

---

Later it was time for Cornelia's final Ambassador mission.

Me: Cornelia you must be really excited for this one.

Cornelia: I sure am!

Laney: Awesome!

William: Anyone else want to go with Cornelia? Besides Caleb, 4 Rabbids, and Shu.

Lincoln: Me and my sisters will go.

Jason: And all of the Rangers next.

Me: Awesome!

Lord Drakkon and Myotismon came too.

Lord Drakkon: We'll go too.

Myotismon: Yes it will be awesome to help out.

Nico: Sweet!

Me: Awesome!

Fiona Hernandez: Me and Pink Ranger Slayer will come along too.

Pink Ranger Slayer: Yeah it'll be awesome.

Me: Cool!

Nico: Lets head out.

We were all off.

PINE RIDGE, WASHINGTON

We arrived.

Tommy Oliver: It's gonna be awesome helping the Dino Fury Rangers.

Me: It sure will be Tommy. You all weren't properly introduced the last time you saw them.

Kimberly Ann Hart: Yeah but it'll be so awesome to help them out.

Lord Drakkon: It sure will be awesome.

Pink Ranger Slayer: It sure will.

We arrived and saw the Dino Fury Rangers.

Zayto: Hey guys!

Me: Hey Zayto. Hey guys.

Cornelia: Guys, this is my boyfriend, Caleb.

Caleb: Awesome to meet you all.

Amelia Jones: Same here.

Me: Caleb is the leader of a group of rebels that was made to take down and overthrow the evil Prince Phobos. He was a malevolent tyrant that we destroyed before. He got the black gates now.

Zayto: Good.

Me: And guys these are all your predecessor rangers.

They saw everyone!

Amelia Jones: Wow!

Ollie: Wow! It's truly an honor.

Me: 46+ Years of rangers.

Billy Cranston: That's right.

Leo Corbett: Sorry we weren't properly introduced earlier.

Zayto: It's all right.

Me: And these are 3 of our archenemies.

Lord Drakkon: Sorry we didn't properly introduce ourselves. I'm Lord Drakkon, J.D.'s archenemy.

Myotismon: I'm Myotismon, Nico's archenemy.

Pink Ranger Slayer: And I'm the Pink Ranger Slayer, Fiona Hernandez's archenemy.

Fiona Hernandez: That's me. I'm Fiona Hernandez, the gene-slammer of Uria, Lord of Searing Flames.

Izzy: Wow! Awesome to meet you all.

Me: You might recognize Lord Drakkon and Pink Ranger Slayer from the Power Rangers Comic Books.

Ollie: Wow! That is cool!

Me: Yep.

Shu: And I'm Shu.

Me: Shu is the little brother of Arkayna of the Mysticons and he is also from the world of Blue Dragon. He was the first ever Ambassador Mission of the year.

Izzy: That's amazing! What was that like?

Me: Really awesome and epic. Awesome way to kick off 2022.

Sakuya: (to Izzy) No offense. But the Green Ryusoulger I teamed up with was male. (to Javi) And the Black Ryusoulger was actually more serious.

Keiichiro: (sheepishly) And he packed a punch.

Izzy: None taken but that is interesting. Also I made the right call not wearing a skirt.

Me: You sure did Izzy.

Fiona: Yeah. Also Japan's Sentai Team for you guys is different than America. But that's cool.

Nico: It sure is.

Zayto: It's still awesome though.

Tommy Oliver: It sure is.

Andros: I just can't believe that Lord Zedd is back after all this time though. I thought we were rid of him.

Me: So did everyone else. After 24 years.

Tommy Oliver: I'm just sorry he caused trouble for you guys.

Zayto: I know. He was too strong for us all.

Me: Well in the future we'll all make sure he is destroyed forever.

Eli: We already destroyed some of the Power Rangers major enemies.

Me: Yeah. But we'll be ready for Lord Zedd.

Nico: We sure will.

Me: But in all honesty, I don't know what in the 9 fucking levels of hell Reaghoul was thinking bringing back Lord Zedd.

Nico: No kidding there.

Fiona Hernandez: Yeah he is dangerous as all get out.

Eli: Look on the bright side though. At least his magic didn't get rid of all the villains we sent to the Warp or the Black Gates.

Me: That's true. Thank goodness.

Cornelia: Any problems you guys have been having since the last visit?

Zayto: Well we were battling Boomtower off and on and he keeps coming back for more.

Me: He sure is a glutton for punishment I'll give him that.

---

We were watching TV and Fuzzy saw ice cream containers on the floor in the kitchen.

Fuzzy: Nico, we gots an ice cream casualty!

Nico: ARE YOU KIDDING ME?!

We went into the kitchen and saw all the Mint Chip Ice Cream eaten and gone.

Nico: Oh man!

Eli: Who ate all the ice cream?

Then we heard crying and it was coming from Rarity's room.

Me: Uh oh.

We went into Rarity's room and saw her on her fainting couch eating ice cream.

Rarity: (CRYING HARD) (Eating Ice Cream)

Me: Rarity? Are you all right?

Rarity: Leave me be! Can't you see I'm wallowing in sadness?

I sat by her.

Me: Rarity come on you can tell us.

Coraline: Rarity, whatever's wrong, you can't take it out on defenseless ice cream.

Twilight Sparkle: Rarity is always like this Coraline. She eats lots of buckets of ice cream whenever she is sad.

Nico: It's true.

Me: Yeah. But Rarity what is the problem?

Rarity: I can't think of a good idea for my new fashion line! I made 12 Chinese dresses and they don't have any ideas to them.

We saw 12 Chinese Outfits.

Me: Hmm.

I looked them over.

Me: Mm-hmm. (GASP) (SpongeBob Singing) IDEA!

I used my magic and powers and took some thread and needles and designs and I put the symbols of the Chinese Zodiac on them as well as the animals for them.

Me: And there! I think this will work. I call it The 12 Dresses of the Chinese Horoscope.

Nico: Hey! Those are awesome!

Rarity: (GASP) J.D. YOU ARE A GENIUS!

She hugged me and thanked me.

Rarity: Oh thank you thank you thank you!

Triggerhappy: You know you have to buy more ice cream now, right?

Levi: That won't be necessary Triggerhappy.

Levi pushed a button and a new fridge full of Mint Chip Ice Cream appeared into the kitchen.

Triggerhappy: Wow! That was awesome.

Levi: It's emergency ice cream for just such an emergency. I have many flavors all for this just to be on the safe side.

Nico: Nice thinking Levi.

Me: Yeah. Well done. Next time when we are in the Ridonculous Race we'll have this installed instead of having to go to the store in that part of the world.

Nico: Good idea.

Pointblank: We should have this guarded just in case.

Levi: That won't be necessary either.

He pressed some buttons and out came laser grids, fruit smoothie land mines fruit juice blasters, barbed wire, pitfalls and more.

Nico: WHOA!

Me: Whoa! This is overkill!

Xenia: Yeah!

Levi: Worry not.

He threw a peach and it landed on a land mine and it exploded and I got splattered in the face with strawberry smoothy!

Me: (SLURPS) Yummy! Strawberry Smoothies!

Levi: These are fruit smoothie land mines and fruit juice blasters.

Me: Oh. That's a relief.

Rage Mage: Nico, did you come up with any new teams?

Nico: Dana's group will include Abigail Davis, Aqua Spirit, Spirit of Flames, Garuda the Wind Spirit and The Rock Spirit. Whitney's group will include Anko, Gagaga Girl, Chocolate Magician Girl, Apple Magician Girl, and Lemon Magician Girl.

Me: COOL!

Dark Magician Girl: It's gonna be an honor to have my fellow magicians be in this.

Gagaga Girl: And it will be awesome helping out in this.

Me: It sure will.

Laney: Yeah!

Aqua Spirit: And I'm truly honored to be part of the fray.

Me: We all are.

Then we heard someone crying.

Me: Uh oh.

Nico: Is that Rarity again?

Me: No that's Alice.

We went into the living room and saw Alice crying hard.

Me: Alice? Are you okay?

I went and sat beside her.

Alice Liddell: (British Accent) No I'm not!

Me: Uh oh. You're haunted by you're own demons from the past.

Alice looked at me and then she hugged me and cried hard and I comforted her.

Me: It's okay Alice. It's okay.

Camie: Poor Alice.

Tsuyu: What happened to her?

Camie: I was just about to ask the same thing.

Then Electro, Deadwood, Hydro Man, Moonstone, Mysterio, Xiao Fung, Oculous, Dark Turtles, Puff, Wrecking Crew, Vathek, Chameleon, Ape Man, Major Mucus, Iron Maiden, Ludo, Stormy, Judge, Evil Rainbow Man, and Evil Vesper Woman appeared.

Dark Leo: Whatever's going on, me, my team, Electro, Deadwood, Hydro Man, Moonstone, Mysterio, Xiao Fung, Oculous, Puff, and Wrecking Crew will go with you guys.

Judge: Me, Vathek, Chameleon, Ape Man, Major Mucus, Iron Maiden, Ludo, Stormy, Evil Rainbow Man, and Evil Vesper Woman are coming too.

Nico: I was gonna have you all come with us anyway. Alice is having problems still with her demons.

Dark Leo: Uh oh.

Me: Yeah. Dr. Bumby still haunts her.

Camie: What was he like?

Me: A monster on steroids. And I hate this monster with every fiber of my being.

Laney: Same with me. He was beyond pure evil!

I told everyone that hadn't heard about it what he was like and more and it was shocking, horrifying and malevolent!

---

Dr. Angus Bumby was Alice Liddell's manipulative psychiatrist and the head of the Houndsditch Home for Wayward Youth in London. Bumby appeared to help Alice, along with the other orphans who lived there, to forget about traumatic events in their past using hypnotherapy. However, it was revealed that he had much darker motives, and a greater role in Alice's past than she first realized.

Alice saw his image as part of the tentacle creature known as the Leviathan, but he disappeared after a while.

In his younger years, Angus Bumby was an undergraduate at Oxford University and was tutored by Dean Arthur Liddell. Like other undergraduates, he was a frequent guest for tea to the Liddell household. There, he came into contact with the older of the two Liddell children, Lizzie. Lizzie had a poor opinion of all of the undergraduates, having referred to them as a "bunch of toadies", but over the course of his visits to the Liddell home Bumby grew inappropriately fond of her. This fondness eventually turned into a sexual obsession, fed by Bumby's own justification that the young Lizzie was not only open to his advances but eager for them, and that the discomfort she displayed in his company was meant as further enticement.

Bumby's obsession toward Lizzie continued to escalate with time, moving from unwanted questioning of the girl to inappropriate touching. As a result Lizzie grew avoidant and fearful of him, prompting her to ask her father not to invite Bumby over for tea anymore. This distancing prompted him to begin stalking Lizzie outside the home and attempting to force her into performing sexual acts, even following her into the ladies' restroom at the London Waterloo station. Bumby's harassment of Lizzie was met with increasing fear and she threatened to tell her parents of his behaviour.

On the night of November 5th, 1863, deep in his obsession and enraged by the now-18 year old Lizzie's supposed "teasing", Angus Bumby broke into the Liddell house. He made his way to Lizzie's bedroom, taking the key to her door as he did. Once he was inside the room Bumby raped Lizzie, though not without a struggle, before murdering her through unknown means.

Bumby's entry of the Liddell household was witnessed by the family's youngest child, Alice. However, too young to understand the gristly implications of what she had seen, Alice convinced herself that a centaur had broken into the family home and that the sounds coming from her sister's room had been Lizzie talking in her sleep rather than Bumby assaulting and killing her.

To cover up his crime, Bumby locked Lizzie's bedroom door and used an oil-lamp to set the house on fire, intending to kill everyone inside. Bumby kept Lizzie's bedroom key and later used it as his pendant when hypnotizing his patients.

Bumby fled to a nearby forest after setting fire to the Liddell house, but stayed for a few moments to watch the blaze consume the building. The youngest Liddell, Alice, survived the blaze by jumping out a window on the second floor and cushioning herself on a pile of snow.[6] Alice briefly saw Bumby in a nearby forest and saw him holding Lizzie's key before he disappeared into the night. The fire resulted in Alice's fall into insanity, and she was committed into Rutledge Asylum for ten years.

The official story regarding Lizzie's death was that she perished in her sleep due to smoke inhalation, as her body was found still in bed, wholly unharmed by the fire. This could not have been her true cause of death, however, as her bedroom was too far from the fire to have so quickly incapacitated her before she could have attempted to escape.

After Alice was deemed sane enough to leave Rutledge, her former nurse Pris Witless got her a place to stay in Houndsditch Home as a maid. Bumby also treated Alice to hypnotherapy in Houndsditch, promising to help her forget the memories of the fire so she could recover the remains of her sanity. However, this would also benefit him, as the last remnants of his crime would be completely erased with no evidence remaining.

His treatment seemed in vain, however, as Alice began descending into madness again, seeing Wonderlandconsumed by a strange black ooze and destroyed by a twisted train. Realizing that she had to face her problems her own way, she returned to her psyche to unravel the mystery of this new corruption. Along the way, she began recollecting her lost memories, including some of her therapy sessions with Bumby. Alice's collectable memories of Bumby are represented by a pearly image of his glasses.

Bumby also appeared to Alice during her hallucination of Rutledge, in which he asked for obedience and honor on the same level as the Queen of Hearts. He tells Alice he wanted what the Queen wanted. As the Queen wanted to control Wonderland and make its inhabits her slaves, Bumby is telling Alice his motives. He also told Alice to "trade the tentacles for the train, it's all together a better ride", and "it's that or back to Rutledge."

As Alice traveled deeper into Wonderland, she came to the realization that it was Bumby who killed her family and his hypnosis sessions were really an attempt to cover his tracks. She also came to terms with another terrible truth: Bumby had been using Houndsditch Home as a front for turning its vulnerable children into mindless sex slaves, stripping away their memories, leaving them divorced from reality and deep in their dissociation. At the end of the Dollhouse, Alice met the Dollmaker, Bumby's Wonderland incarnation. The Dollmaker viewed children solely as commodities to be used, manipulated, and exploited. He firmly believed that he was doing nothing wrong and that by turning traumatized children into "proud products" to be sold to pedophiles, he was providing a valuable service to the public.

After regaining her memories, Alice confronted Bumby at Moorgate Station for his crimes. Bumby said that he was waiting for Alice's "replacement", suggesting that he was planning on firing Alice for a new Houndsditch maid, which Bumby likely decided due to Alice's absence for the past few days. Alice called Bumby out on his actions, and for exploiting and abusing children and destroying their innocence, memories and identities for his own monetary gain. He casually confirmed her accusations, and admitted he was trying to break down Alice herself into a mindless sex slave too, but she proved too stubborn and too powerful, even in her insanity, to allow herself to forget. Bumby claimed Alice was "mad" like her sister, claiming Lizzie was a tease who pretended to despise him, and that she got what she wanted in the end, alluding to her rape.

As Alice's Wonderland self destroyed the Infernal Train and the Dollmaker, she threatened to tell the police and have Bumby hanged after being raped himself by "some halfwit bruiser" in gaol. In spite of this, Bumby laughed at Alice, pointing out that no one would believe a former lunatic accusing a well-respected man of such a hideous crime, and he implies that he already covered up his tracks by destroying all evidence and traces of his crimes. Bumby called Alice a "psychotic silly bitch", told her, her madness will be punished and ordered her to leave.

However, Alice snatched Lizzie's key from Bumby, stunning him. She appeared to transform into her Wonderland form (both dress and physical features) before him and he appeared shocked by her sudden change. It is unlikely that Alice literally manifested a dress. It is more likely that Bumby was shocked by her sudden confidence. Alice pushed him in front of an on-coming train, killing him instantly and avenging her family, as well as putting an end to his heinous crimes.

While underwater in the miniature version of the *Nautilus*, one of the Leviathan's tentacles were in front of the viewing window. Alice noticed the tentacle as it shifted into the image of Bumby and reflected on her relationship with the deceased doctor to Jules Verne, stating that she had come to learn not all men of science were driven by noble pursuits. She gripped her Vorpal Blade and almost drew it out, as if ready to attack, causing the tentacle's eyes to light up. The Bumby tentacle observed the Vorpal Blade for a short while before it returned to its normal appearance, and disappeared. Despite that Bumby was deceased, his memory still faintly haunted Alice.

---

When I was done EVERYONE was shocked beyond all words!

Eli: WHY THAT MOTHERFUCKING MONSTER!

Starlight Glimmer: THAT SPINELESS HEARTLESS COCKROACH!

Dark Raph: WHAT A FIEND!

Me: And I know what our next mission is.

Nico: Yep. To destroy Bumby for good and give him the black gates.

Me: Yep. And this time we're not going to let him die quickly. We'll make him suffer with capital punishment after we bring his crimes to light.

Dark Don: Didn't you guys already destroy him twice instantly?

Me: Yes we did. But we didn't banish him to the Black Gates.

Dark Don: Oh.

Me: Now we have a chance to do so. I will not let this evil monster hurt Alice anymore. What he did cannot go unpunished any longer!

Nico: This time it won't be swift. It'll be slow and excruciatingly painful.

Gluko: Nico, which Gene Slammer do you think you'll meet next?

Nico: Right mandatory question. Lets have it be for 7 Butterfly Duel Monsters next.

Me: Ooh interesting. What Butterflies?

Nico: Ones for Primitive Butterfly, Blazewing Butterfly, Poison Butterfly, Photon Alexandra Queen, Queen Butterfly Danaus, Lunalight Purple Butterfly and Benevolent Butterfly Sprite.

Me: Ooh! Beautiful choices.

Qin: Yeah those are beautiful.

Xenia: They sure will be beautiful.

Dextra: I agree there.

Nico: Yep. All right lets head out.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was Diodora Astaroth, a pure-blood devil, the younger brother of Ajuka Beelzebub, and the formerly supposed heir of the Astaroth Clan until he betrayed his family and kind when he sides with the Khaos Brigade, and the mastermind responsible for Asia Argento's excommunication from her church, and he was coming to kidnap the girls I rescued and killed Riser Phoenix. When we saw that, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us today?

Lincoln: You guessed it, Nico, and none of us are going to like this one bit: the dark energy signal we sensed belongs to Diodora Astaroth, a pure-blood devil, the younger brother of Ajuka Beelzebub, and the formerly supposed heir of the Astaroth Clan until he betrayed his family and kind when he sides with the Khaos Brigade, and the mastermind responsible for Asia Argento's excommunication from her church, and he was coming to kidnap the girls J.D. rescued and killed Riser Phoenix.

We gasped.

Me: Who does that fucker think he is?

Lincoln: Someone who thinks he's better than anyone, but you're not going to like this part: he has committed a ton of crimes, and this one crime is the worst part, and why he deserves to die a very horrible death: collecting and raping nuns and holy maidens.

We were extremely horrified, and Nicole was beyond pissed off.

Nicole: That… miserable… good-for-nothing… RAPIST!

Nico: Uh oh.

Lincoln: Nicole, I know you're angry, but let me and Althea to be the ones to kill that bastard, and I've also got just the punishment for that fucker.

Nicole cooled down and looked to Lincoln.

Nicole: Okay, Lincoln, that'll be left to you and Althea Aganad.

Althea Aganad: (Filipino Accent) Alright, I can't wait to rip his guts out and hang him by his intestines for what he's done.

Nico: Hanging him by his intestines, that's a good one, but Lincoln's got a ton worse for that fucker. Alright, gang, let's go, we're going to help Alice Liddell get justice on that monster, Dr. Bumby.

Lincoln: That monster's escaped from justice for 150 years, and now, judgement day has arrived, and once we get done with that bastard, you're next, Diodora Astaroth.

Deadwood: Where we're going isn't going to be the usual Wonderland, will it?

Chameleon: It's probably gonna be somewhere messed up.

Me: No it's in London, England back in 1875. But I must warn you guys, what you will see will make your blood boil.

We got our parkas on and we were off.

---

VICTORIAN ERA LONDON, ENGLAND - 1875

---

We arrived.

Me: Here we are guys. 19th Century London.

Nico: Nice place.

Qin: Yeah.

Caitlyn: By the Nico, good job killing the Other You yesterday.

Nico: Thanks Caitlyn. That monster deserved it.

Me: But we also collected tons of evidence from what Team Buktu was doing.

Qin: We sure did.

Deadwood: Boy its amazing you guys found all that stuff.

Laney: Yeah it sure was.

Pipp Petals: It sure was cool though and J.D. did a great plan with that too.

Me: It was all my idea to plant Nico into Team Buktu as a mole.

Qin: Yep.

Moonstone: But you realize that probably won't be the last Evil you that you fight, right?

Major Mucus: There are probably a lot more evil versions of you where that came from.

Me: Don't worry about that guys. I made sure that there will never be anymore versions of him like that. I used my magic and gave all those evil versions of Nico the Black Gates for good.

Nico: Thanks J.D.

Me: You're welcome. One evil version of you that we face is enough.

Qin: Yeah.

Nico: Good.

Camie: How did you guys first meet Alice and deal with him the first time?

Me: Nico wasn't with us when that happened and this was back when the team was still starting out with its new name.

I went over what happened in chapter 373.

---

It starts with me and Laney in the Living Room. Laney is playing one of my favorite video games: Alice, Madness Returns.

Laney: This is an interesting game J.D.

Me: It sure is. This game according to psychologists gives us a clear view of what a fractured mind looks like. So I figured that you could play it because you want to learn about Forensic and Criminal Psychology through this.

Laney: That's true.

Hours later as Laney was playing we got to the ending and we saw Alice push Dr. Bumby into the path of an oncoming train. Killing him instantly and she avenged the deaths of her family that was senselessly killed by him. Lincoln, Paige and Lily were with us.

Me: That's what gave me a sense of justice knowing that he will never hurt anyone ever again.

Laney: You said it J.D. I would rank Dr. Angus Bumby at Level 17 on the Scale of Evil.

Me: Same here. I can't believe that he would kill Alice's entire family in cold blood like that.

Lincoln: Me neither. That guy was a monster and he got what was coming to him.

Paige: You said it Linky.

Me: Not only that but he tried to destroy her mind and make her forget everything that happened to her.

Laney: Yeah. And this game takes place in the Victorian Era.

Lincoln: Yeah it does. What year J.D.?

Me: It said it takes place in the winter of 1875 in 19th Century England. 143 years ago.

Paige: That's a long time.

Laney: It sure is and Psychology was still in its infancy back then.

Me: Yeah. It wasn't made an official medical practice until 1879.

Paige: Poor Alice. How old is she?

Me: She's 19 in this game. If this happened today and he was arrested he would get an automatic sentence of life in prison with a minimum tariff of 20 years. But because of the severity of his crimes he would be given a whole life order.

Lincoln: What's that?

Me: It's England's version of Life In Prison Without Parole. There are 75 people serving Whole Life Orders in England and in Wales today.

Paige: That's not very many compared to the number of prisoners we have here.

Me: I know.

Laney: Maybe we can help Alice get justice for her family.

Me: That's a great idea. Lets head to the Simulator.

Me, Varie, Rachel, Vince, Lincoln, Paige and Laney were in the Simulator. Lori, Luna, Sam, Becky, Girl Jordan, Shannon, Penny L., Marie K.L., Lisa and Lily were in the control room.

The Simulator activated and we found ourselves in Victorian England in the year 1875. We had our coats on and we saw Alice head out after Doctor Bumby.

Me: There she goes. Come on.

We went after Alice and saw her go down into the subway and she confronted Dr. Angus Bumby.

Alice: (British Accent) You oozing sore of depravity! Children wearing their names around their necks as if they're breeding livestock!

Dr. Bumby: A declaration of their pedigree. You could use one. They're proud to display their prominence. (Cackles)

Alice: You brute! They can't remember who they are or where they're from. How many minds have you twisted into forgetfulness?

Dr. Bumby: Not enough. Yours would've been a triumph. Still, you're an insane wreck. My work is done.

Me: (Offscreen) Your work has been destroyed.

We arrived on the scene. We come down the stairs and stood ready with Alice.

Me: It's over Bumby. Your days of twisting minds to the point of insanity and forgetfulness are over forever.

Dr. Bumby: Who are you?

Me: We are Alice Liddell's angels of justice and we're here to make sure that you pay for the crimes you committed against Alice's family in full.

Lincoln: You're crimes are completely unforgivable!

Laney: You murdered everyone in her family but her in cold blood!

Alice: That's right. You've used me and abused me but you will not destroy me!

Rachel: You tried to destroy her mind and make her into a mindless husk!

Dr. Bumby: And I would do so again. People that are psychotic and delusional need to forget the past and the future.

Me: MONSTER!

Varie: You don't have any idea how wrong you are you madman!

Laney: Without memories of the past we can never learn from the past to move on towards the future.

Alice: That's right. You've corrupted my memories, but you failed to make me forget!

Me: You killed everyone in Alice's family but her in cold blood by burning them alive and that is something that will never be tolerated. You are the true madman and people like you deserve to be forever damned into the Darkness of Hell.

Dr. Bumby: I don't think so. Now leave. My train is coming.

Lincoln: You're not going anywhere.

Me: The only place you are going is the Darkness of Hell burning for all eternity.

Alice walked up to Bumby and swiped the key that belonged to her sister.

Me: It's over Bumby. You're finished!

We spread our wings and Dr. Bumby was shocked by what he saw.

Me: Your fate has been decided: Everlasting Damnation for your sins.

I take my sword and slash him in half right down the middle and killed him instantly.

Me: Go to Hell, Bumby. And stay there.

Alice: Thank you all so much for helping me.

Me: You're welcome Alice. What Bumby did to you was completely unforgivable and he should've never been a doctor to begin with.

Varie: That's right.

Alice: Yes.

Me: Oh I'm sorry Alice we never introduced ourselves. My name is J.D. Knudson.

Varie: I'm Varie Knudson, J.D.'s fiancé.

Rachel: I'm Rachel San Diego, another one of J.D.'s fiancé's.

Vince: I'm Vince Pusateri, J.D.'s partner.

Lincoln: I'm Lincoln Loud.

Paige: My name is Paige.

Laney: And I'm Laney Loud, Lincoln's little sister.

Alice: Pleasure to meet all of you.

Me: Same here. This may seem weird, but we're not from this time. We're actually from the 21st Century, 143 years into the future.

Alice: (Gasp) Oh my.

Me: It's shocking I know. But we're very sorry about what happened to your family.

Alice: I know.

Laney: What Dr. Bumby did makes him one of the worst ever scum of the earth.

Lincoln: He deserved to die for his crimes.

Alice: Yeah.

Me: Alice, Dr. Bumby may have stolen your childhood from you, but you can't keep your pain bottled up forever. It's not right. You have to let it out.

Alice began to realize that I was right and that she needs to let her sadness and guilt out.

Alice: (Voice breaking) I miss my family and he took them away from me! (Crying) That monster!

Alice broke down crying and I comforted her.

Me: It's all right Alice. Just let it all out. Let it all out.

Lincoln burned Dr. Bumby's body with his Firebending and it was reduced to ashes in an instant.

Lincoln: Never again Bumby.

The scars left by Dr. Bumby will never heal and his wounds will take time to heal.

Alice then decided to go with us to the 21st century to put her traumatic past behind her. Nicole sealed Bumby's evil spirit into the Book of Vile Darkness for all eternity.

We left the Simulator and she was sitting with us at the table. We revealed everything that happened to her and everyone was horrified at what she had to endure.

Luna: That's so awful Alice.

Sam: Yeah. It sure was.

Kate: I'm so sorry about everything you went through Alice. We'll do everything we can in our power to help you.

Alice: Thank you. All of you.

Me: You're welcome Alice.

FLASHBACK ENDS

It was shocking!

Nurzak: (growls): That fool is worse than we thought!

Sabator: Much worse!

Me: Big time. I was absolutely disgusted with everything he did.

Laney: Me too! What Bumby did is nothing short of pure evil.

Me: Yeah.

Nico: The first place to start is the orphanage Alice went to.

Xiao Fung: What should we expect when we go in?

Ludo: Any fucked up shit?

Me: We'll find out.

We went to the orphanage.

Octane: By the way, Sunset, you and Ratchet get a chance to shine next.

Sunset Shimmer: Right on!

Qin: Cool!

Ratchet: This is gonna be awesome!

We went into the orphanage and it was quiet.

Alice Liddell: Never thought I would be here again. Let me show you where his office is.

Me: Okay.

We went to his office.

Dark Raph: I can't wait to pound that jerk!

Dark Mikey: Me too!

Thunderball: But what if it's a trap?

Wrecker: He probably might have a bomb placed in his office!

Me: No he's smart but he's not THAT smart.

We went into his office and it still had all his stuff in it.

Nico: He must've been in a really big hurry. He left most of his stuff here.

Me: Yep.

We got to searching and we found all sorts of files and it showed all sorts of kids that he poisoned with lies. They were all manipulated and made into amnesiac kids.

Me: So that's it!

Qin: What is?

Me: He was manipulating kids into forgetting the past and future and using hypnosis to make them forget everything so he can sell them into prostitution!

We saw that these kids were sold for thousands of pounds. One kid sold for £500,000 and it was sick!

Piledriver: We have to send this to the police right away!

Bulldozer: Or, what counts as the police in this country.

Needlenose: Interpol, right?

Me: Interpol wasn't founded until 1923.

Needlenose: Oh. Scotland Yard then.

Me: That's right.

Nico: Lets search through all the files.

We got to searching.

We found out that over the last 10 years he abused his power as a doctor of psychology and hypnotized lots of kids and told them to forget everything about their pasts and futures and sold them all into prostitution. They were sold for £921,623,278,324.00 or $1,045,401,892,719.30!

Me: This guy is absolutely disgusting!

Laney: Wait here's a diary!

Laney looked through it and then found an entry from November 5th, 1863.

Alice Liddell: That's the day I lost my mum and dad and Lizzie.

Nico: What does it say?

Laney read it and it was EXACTLY the proof we needed to make the case a slam dunk! It was how he committed the crime that killed Alice's mom and dad and sister and burned her house down!

Dead End: Those kids were robbed of their childhood.

Me: They weren't just robbed of their childhoods, they were robbed of their lives. Alice is lucky to regain her memories and her will.

Qin: Yeah.

Me: But no way are we letting him get away with this.

Eli: Yeah no kidding!

Nico: Yeah.

Laney: But we got all the proof we need.

Me: Yes we do.

Puff: Even the Queen of Hearts isn't this fucked up!

Evil Rainbow Man: She probably isn't!

Nico: No she isn't.

Qin: Yeah.

Nico: Lets head over to Scotland Yard.

We nodded and we did so. We presented our findings to Scotland Yard and almost immediately the police were all out searching for Bumby. They put up wanted posters of him and even offered big rewards for his capture.

Fellbat: We're getting that reward, right?

Me: The reward is us bringing justice to Bumby so Alice's parents and sister can rest in peace.

Qin: That's right.

Nico: Yep. Spitfire, you and the Wonderbolts find Bumby and see where he is going.

Spitfire: Right!

They flew off to find him.

Stormy: Fellbat was talking about the reward money.

Oculous: The one that's on Bumby's head right now.

Me: I know.

Lana: How much is the reward?

Me: £50,000,000,000,000.00. Triple if brought in alive.

Nico: So that's £150,000,000,000,000.00.

Me: Which is equal to $170,536,499,999,999.97.

Qin: Wow.

Me: And all that money is going to Alice. She needs to rebuild her life.

Alice Liddell: Thank you guys. Thank you.

Iron Maiden: Only thing we can do now is wait.

Mysterio: Which Heartless robots should I summon?

Nico: Soldiers will work.

Mysterio: Good idea.

I pulled out some playing cards.

Me and Nico were playing Go Fish.

Deadpool: (to the viewers) Sorry if you wanted Bumby to die by being run over by a train, folks. But Astrotrain did that already.

Me: He sure did. I remember that one.

Astrotrain: I sure do.

Qin: Yep.

Me: Besides we killed him twice already. It's time for us to let the justice system handle it.

Hydro Man: I always wanted to see an England trial.

Ape Man: Me too.

Me: You'll find it very interesting.

Qin: Yep.

Laney: Yeah.

Spitfire and the Wonderbolts came back.

Spitfire: We found him! He's trying to get away on a train. We only have 25 minutes before it arrives.

Me: No way in hell are we letting him escape!

Flamewar: Entrance time, everyone!

Nico: Lets get him!

We went to face him.

We saw him at the station.

Me: Target sighted.

Nico: Lets go.

We went at him.

Angus Bumby: (British Accent) Alice you ruined everything.

But then the spirits of the Dragons of Elemental Mayhem appeared and swirled around him and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard and we came out!

Me: Dr. Angus Bumby you are under arrest!

Angus Bumby: On what charges!?

Me: Prostitution, Murder, Arson, Rape, Stalking, Breaking and entering, Brainwashing, Child abuse, Pedophilia, Sexual harassment, Slavery and Kidnapping!

Eli: Yeah!

Bumby: (laughs evilly) Don't you fools get it? I actually won in the end! I managed to have Alice's family destroyed! Killing me won't bring them back!

Vathek: You're right. It won't.

Electro: But at least it'll avenge them!

Ratchet: You're not gonna be catching the train. You're catching my Omniwrench with your face!

Ratchet then threw his Omniwrench at Bumby.

SMASH!

It hit him in his face.

Me: But we're not going to kill you. We're going to let the justice system take care of that. Also all of Scotland Yard is looking for you and there's a bounty on you and we're going to collect.

Sunset Shimmer: That's right you fiend!

Qin: Yeah!

Then Mumbo Jumbo, Skulker, Patty & Selma, Golden Glider, Professor XXXL, Grizzly, Zzzax, BlackWarGreymon, Toad, Machinedramon, Marina Del Ray, MOE Sinestro, Evil Fire Man, Evil Wing Man, Boil Man, Grizzaka, Pink Ranger Slayer, Cyborg Cat, Ticklepuss, and Quillfire appeared!

Nico: Mumbo Jumbo, Skulker, Patty & Selma, Golden Glider, Professor XXXL, Grizzly, Zzzax, BlackWarGreymon, Toad, Machinedramon, Marina Del Ray, MOE Sinestro, Evil Fire Man, Evil Wing Man, Boil Man, Grizzaka, Pink Ranger Slayer, Cyborg Cat, Ticklepuss, and Quillfire.

Mumbo Jumbo: Looks like the fun has started.

Bumby: What are you fools doing!? Kill them!

Mumbo Jumbo: We don't answer to monsters like you! We're here for fun!

Skulker: That's right!

Mumbo: So, how was Cornelia's final mission?

Maria: It was good.

Me: And fun.

Skulker: Glad to hear it.

Selma: Next up is the Ambassador missions for the 2023 big missions.

Nico: Yep.

Golden Glider: (to Nico) We heard you fought Evil Himiko.

Nico: We sure did.

Professor XXXL: How crazy was she?!

Me: Joker Level Crazy!

Professor XXXL: Whoa!

?: That is crazy!

Then a figure came out and it was KEEPER KNIGHT from episode 37 of ToQgers!

---

The Keeper of the Shadow Town of Achikochi-machi (あちこち町, lit. "Here and There Town"), which he keeps in check by making the people make impossible choices between two danger-filled pathways. Using his weapon's speed and Tokkati's indecisiveness to his advantage, he puts the ToQgers on the ropes. However, with Tokkati's new resolve to fight without thinking and after Akira manages to get Just A Way out of Knight's possession by throwing the weapon into orbit, the Keeper is defeated by Hyper ToQ 2gou and destroyed by Hyper Ressha Tei-Oh with Cho-Cho-ToQ-Dai-Oh's help.

---

Right Suzuki: Keeper Knight!

Me: I remember you! You were sent to make people do impossible choices with 2 danger-filled pathways.

Keeper Knight: Yep. That's right.

Nico: Crazy and awesome.

Keeper Knight: But knowing you guys, you guys can probably answer said impossible choices.

Starshine Sparkle: No kidding there! She was a monster!

Spyro: A true demonic freak!

Kim Possible: Yeah no kidding there!

Patty: (to Mandee) We heard Lincoln's rescue was in Rose Hall Great House. How was it?

Mandee: It was a scary place. In 1820, a beautiful but diabolical woman named Annie May Patterson, moved here to Rose Hall from Haiti, where she'd been trained in the arts of witchcraft and voodoo, and she had a controlling and violent streak which led to the disappearance of her first husband, John Rose Palmer, and two other husbands, and her extremely cruel and sadistic nature towards the slaves had earned her the nickname "The White Witch of Rose Hall", but her reign of terror came to an end when she herself was killed by a voodoo sorcerer for what she did in killing his child, and she was supposedly buried in a tomb on the grounds, but according to local lore, her tomb was meant to be sealed with a Voodoo ritual that would have kept her spirit imprisoned forever.

Sunset Shimmer: It was really creepy and scary.

Flash: Her name is Panda Faye Ling and she is a really amazing and skilled fighter and she taught everything she knows to Lincoln.

Rainbow Dash: She is really awesome and amazing too.

Scootaloo: But her story is really dark too.

---

Panda Faye Ling: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever. He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Panda, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Panda Faye Ling: That's incredible.

Nico: It sure is. So, Panda, what's the story on why you hate Lori, Lynn, Lola, Lisa, and Luan with a burning passion?

Panda Faye Ling: You're not going to like it one bit. As Lincoln said, the majority of the physical and emotional wounds he suffered was due to Lori, Lynn, Lola, Lisa, and Luan, but what they did long ago was something that I'd never forget to this day. I was walking through Franklin Avenue with Himchi at my side, but then, we suddenly heard the sound of screams of pain and cries of despair and sadness, which came from only one person: Lincoln, along with the cruel laughter of five familiar rats: Lori, Lynn, Lola, Lisa, and Luan, and it was coming from The Loud House. We ran to The Loud House and I kicked the door in, and we saw Lincoln, but he was bleeding horribly with nasty and horrible cuts on his body, and Lori, Lynn, Lola, Lisa, and Luan had knives in their hands and they were going to finish Lincoln off. But, Himchi and I fired powerful blasts of fire at them and Lori had her eyebrows burned off, Lynn and Luan had their ponytails burned off, Lisa was covered in ashes, and Lola's dress was burned, along with the knives that melted into liquid molten metal, and I also kicked Lori hard in the stomach and sent her flying into Lynn, Lola, Lisa, and Luan, and knocked them out. I went to Lincoln to tend to all his physical wounds, but I saw he also re-absorbed the blood spilled by them and that healed his physical wounds, then, he gently hugged me, and when I felt tears on my chest, I knew those five crossed it big time.

We gasped in horror.

Nico: I should've known those five had a hand in that again.

Panda Faye Ling: I wanted nothing more than to finish them off, but I didn't: I had to think of Lincoln and his mental state. Eventually, the punishments were handed down to them by the parents, Lori, Lynn, Lola, Lisa, and Luan were grounded for thirteen weeks, and they had to keep on the rings that Audrey Sauron gave to Lori, Lola, Lisa, and Luan, and I begged her to make a ring for Lynn to get that animal dark side under control, but Audrey refused, since she still hated Lynn for what she did to Lincoln, and wanted nothing more than to kill her. But, Audrey submitted and she gave Lynn a ring to control her animalistic dark side, and to make it more bad for them, they were ordered to do chores in the house and sleep in the basement again, because Leni, Lucy, Lana, Luna, and Lily kicked those five out of their rooms.

Me: Oh man, I remembered that day all too well, and those five had it coming yet again.

Lincoln: Lori, Lynn, Lola, Lisa, and Luan went too far that day, and Lynn went too far in taking off the rings Audrey made for Lori, Lola, Lisa, and Luan, since her desire for revenge consumed her. But, the pleas of Panda caused Audrey to relent, and she made a ring for Lynn to help her control that animal.

Audrey Sauron: I didn't want to at first and I wanted to kill her, but Panda made me relent, and I gave her a ring, and I didn't want to be like Sauron.

Shuriya: I knew there's no mistaking that voice from anywhere. You can come out now, Diodora Astaroth, or do you prefer to stay in the shadows like the coward that you are.

A figure came out, and it was none other than Diodora Astaroth, younger brother of Ajuka Beelzebub, the formerly supposed heir of the Astaroth Clan until he betrayed his family and kind when he sides with the Khaos Brigade, and the mastermind responsible for Asia Argento's excommunication from her church.

Marion: Diodora Astaroth, the hated devil who betrayed his own family and kind. You just don't know when to give up, and don't think you're going to have your way with any woman or with us. J.D. is a much better man than you'll ever be.

Diodora Astaroth: Then, I will kill him and all of Team Loud Phoenix Storm, and you women will all learn your place!

Lincoln and I fired a rainbow energy blast and slashed his eyes, and he screamed in agonizing pain, and I formed a wall of rainbow fire to protect us while Lincoln and Althea Aganad deal with that fucker.

Me: Lincoln, Althea, he's all yours.

Lincoln: Got it, J.D.

Althea Aganad: (Filipino Accent) Thanks, J.D., and I've had it up to hear with this bastard to last an eternity.

Suddenly, Althea Aganad's golden yellow eyes turned neon golden yellow and she was surrounded by a golden yellow energy aura with stars, light, light animals, and angels, she unholstered her massive Holactie The Creator of Light-themed greatsword from her back, and as she approached Diodora Astaroth, she left golden yellow energy, stars, light, light animals, and angels with every step.

Althea Aganad: (Filipino Accent) I will never forgive you for the crimes that you've committed against everyone around you, Diodora Astaroth, and for what you've done in kidnapping and raping nuns and holy maidens, you have desecrated the Holy Virgins of God, and for that, the punishment for such evil depravity is death.

Suddenly, Althea Aganad was surrounded by a massive vortex of golden yellow energy with stars and light surrounding the vortex, there are light animals and Holactie The Creator of Light flying around the vortex, and in the vortex is a white phoenix. Then, as the vortex faded, Althea Aganad emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:35 TO 2:14)

Althea Aganad grew from 6'5" to 7'1" in height, she has the body of a goddess, she has rainbow highlights in the bangs of her long flowing golden yellow hair, she has neon golden yellow eyes, and a golden yellow energy aura with stars, light, light animals, and angels surrounding her, she has the Light Kanji in the hands of Holactie The Creator of Light emblazoned on her forehead, she has on angel earrings with golden yellow crystals for eyes and holding the Light, Creation, and Eternity Kanjis in its hands, she also has Holactie The Creator of Light with golden yellow crystals for eyes and holding the Light, Creation, and Eternity Kanjis in its hands for for the second pendant on the bottom of her golden yellow angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with golden yellow crystal links from her merged Crystal Necklace of the Buddha and golden yellow gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love, and her heart-shaped necklace. Althea Aganad has on a sleeveless golden yellow open blouse, sleeveless golden yellow midriff top, long golden yellow skirt with black designs, golden yellow pants, golden yellow sneakers, and long sleeveless white trenchcoat with lights, stars, light animals, and angels on the coattails, and on the back is Holactie The Creator of Light with light surrounding it. Suddenly, Althea Aganad felt a sharp pain on her back, and then, her massive golden yellow angel wings with white tips on the feathers and stars in them grew much bigger for her new body. Althea Aganad has on a Ring of The Phoenix with golden yellow gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Althea Aganad's massive Holactie The Creator of Light-themed large greatsword and all of the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of golden yellow energy, lights, light animals, and angels, and when it emerged, it transformed into Holactie The Creator of Light's Creation of Light Greatsword of Celestial Light Creation Justice and Creation Angel Love, it's a brand-new large greatsword with Holactie The Creator of Light etched on the 7'0" massive, wide, double-edged golden yellow blade, large white angel heads for the crossguard, large golden yellow gem embedded in the rainguard, longer midnight black handle, four large white angel heads and a large golden yellow gem below the angel heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with golden yellow gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Holactie The Creator of Light's head with golden yellow gems for eyes and a golden yellow gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Althea Aganad has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY CELESTIAL STAR LIGHT CREATION ANGEL OF DIVINE CELESTIAL LIGHT CREATION JUSTICE AND DIVINE

# CELESTIAL CREATION ANGEL LOVE!

We were amazed by Althea Aganad's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but Diodora Astaroth was still blinded after what Lincoln and I did in firing energy blasts at him and slashed out his eyes, and Althea Aganad fired a powerful golden yellow energy blast with stars, lights, light animals, and angels at Diodora Astaroth and it exploded with incredible power and sent him flying into a wall, but he's not out yet, and he was now incredibly pissed off.

Nico: Holy crap, Althea Aganad's transformed, so awesome.

Lincoln: She now looks even more like an Angel of Light and Creation, awesome, and Althea, you look beautiful. How do you feel?

Althea Aganad: (Divine Echoing Cosmic Voice of The Celestial Creation Angel and Divine Celestial Star Creation Love) (Filipino Accent) **I feel incredible, Linky. Now, shall we administer unto this monster his rightful punishment?**

Lincoln: (Smiles) With pleasure, Althea.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Althea Aganad.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Your days of causing havoc are over, Diodora Astaroth, and now, you're going to pay for every last one of your crimes in full, and with your own blood, you miserable rapist!**

Althea Aganad and Lincoln went after Diodora Astaroth, and they fired extremely powerful blasts of rainbow energy, golden yellow energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Mermaids at Diodora Astaroth and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, and they also drew blood.

This was really pissing off Diodora Astaroth badly, but Althea Aganad and Lincoln were just getting started. Althea Aganad chained Diodora Astaroth by his arms and legs, and then, Lincoln slashed off Diodora Astaroth's crotch with his massive greatsword, and he screamed so much in excruciating pain and Althea Aganad slashed out his tongue, and they burned them in front of Diodora Astaroth. Then, Lincoln and Althea knelt down and said a prayer.

Suddenly, two white beams of light shined down from the Heavens, and they hit Diodora Astaroth and he was incinerated by the Heavenly Beams of Light. Then, as his spirit appeared, Lincoln and Althea drew the Judgement Kanji on his forehead, and he was found guilty by all those he'd killed, and he was finally erased by The Black Gates forever. We cheered wildly for what Lincoln and Althea Aganad did to Diodora Astaroth as they holstered their massive greatswords on their backs and power down, and Althea Aganad's new body, clothes, jewelry, weapons, and massive golden yellow angel wings are permanent.

Althea Aganad: (Filipino Accent) **Burn forever for your horrible sins, you monster. Thanks for helping me with destroying that filthy perverted rapist, Linky.**

Lincoln: (Smiles Warmly) You're welcome, Althea.

Suddenly, Althea Aganad wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Althea Aganad's face, they kissed passionately as Althea Aganad's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Holactie The Creator of Light flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and the full moon shining down behind them and Holactie The Creator of Light shining the lights of Heaven down on the two of them and we cheered wildly. Lincoln and Althea Aganad changed back and came back to us, as the display and Holactie The Creator of Light vanished.

Nicole: Lincoln, Althea, you both did one awesome job in bringing divine punishment down upon that miserable rapist, Diodora Astaroth.

Lincoln: Thanks, Nicole. That miserable rapist was asking for this for a very long time for what he's done, what a monster.

Me: He's just like Quagmire in every way, disgusting.

Nico: I was just about to point that out, J.D., but Lincoln and Althea brought down divine punishment on him, and they made sure he paid for his crimes in blood, and that was an awesome job you did in slashing off Diodora Astaroth's crotch and tongue and burning it in front of him, guys.

Lincoln: Thanks, Nico, and the burning of those items was a nice touch on our part.

Eli: And it's well-deserved. Lincoln, what Gene-Slammer are you hoping to meet on your next rescue tomorrow?

Lincoln: Good question, Eli. Hmm, ooh, how about a Gene-Slammer for Master of Oz.

Me: Ooh, now that's an awesome one: a boxing kangaroo-themed Duel Monster.

Kao: Now, that I'd like to meet for myself.

Grizzly: You're reign of terror ends here!

Zzzax: Everyone knows about what you did now!

BlackWarGreymon: And now, it's time to pay!

Alice Liddell: Wait! Don't kill him yet!

Toad: Seriously?! After everything he did to you?!

Nico: (sighs) We need to have him publicly executed, remember?

Machinedramon: Oh, that's right.

Me: We already killed him twice. Now it's time for the justice system to do its job.

Nico: Yep.

We tied him up and brought him before a judge.

He was tried and convicted of his crimes.

Judge: (British Accent) You are hereby sentenced to death by guillotine!

Bumby: NO!

We got him over to Tyburn and the people of England were really jeering and throwing fruit and vegetables and eggs at him and really letting him have it. He was lead to the Guillotine and they locked him into it.

Me: Any last words?

Bumby: Go to hell!

Me: Bite my big fat fucking ass!

I dropped the blade and then…

SLASH!

It slashed his head off and killed him instantly!

He was dead. Then his spirit appeared and I used the Black Gates on hum and erased him from existence forever!

Alice Liddell: At last. It's over.

She then broke down crying and hugged me and cried hard into my chest and I comforted her.

Me: It's over Alice. It's over.

Eli: (to the viewers) Alice went through a nightmare. But at least she never has to deal with it ever again.

Nico: Good riddance. But great job today everyone. Lets head home.

We did so and we enjoyed the rest of the day and went to sleep.

Alice stayed with me in my room because she was still crying and I had her with us to keep her company. We went to sleep.

THE END

Sailor Moon was with us and so was

Naruto for support.

Me: Serena I know you're upset about what your teacher did but we're with you all the way.

Sailor Moon: Thanks guys.

Naruto: And thanks for letting me go along with you guys for support bro.

Me: No problem bro. It's great that you show a lot of support for Serena and her friends too.

Camie: I agree there.

Nico: Thanks for coming with me, Shannon.

Shannon: Anytime Nico. Even though I am always with the group it's still so fun.

Brittney: It always is cool.

Rarity: I most agree darlings. It sure is amazing.

Sunset Shimmer: It sure is fun

Nico: Shannon, are you proud of your family heritage?

Shannon: I sure am. My ancestors are really awesome.

Camie: That is so awesome that you are a direct descendant of the Sanderson Sisters.

Me: It sure is. The Sanderson Sisters were known for being some of the most feared witches in all of Salem back in the 17th Century.

Xenia: Yeah that was a scary time back then.

Laney: It sure was. And like Shannon the Louds ALSO had ties to Salem too.

Lana: Our ancestor Loraine Loud was burned at the stake for Witchcraft.

Nico: GEEZ!

Me: I know.

Nico: The Sanderson Sisters are part of the Masters of Evil too.

Shannon: They sure are. And my ancestors being with our frenemies is so awesome and cool.

Me: And Ben Ravencroft is in the M.O.E. now. He too is descended from a witch. She was just as feared as the Sanderson Sisters were over 330 years ago. And I should know because my ancestors were wiccans.

Camie: Wow!

Eli: That is amazing bro!

Qin: Yeah we were amazed ourselves when we heard about it.

Camie: That's incredible! Also I heard that Thorn of the Hex Girls is a Wiccan.

Nico: She sure is and she is an amazing healer.

Laney: Yeah she has been teaching me a lot about healing magic and it's awesome.

Nico: That is so cool Laney.

Laney: Yeah.

Me: Ancestors are also responsible for sealing Sarah Ravencroft into her own spellbook.

Camie: Whoa!

Eli: That is amazing.

Lana: It sure is!

Me: Yep. Boy yesterdays mission was a dark one.

Nico: How's Alice doing?

Me: Still upset about what happened yesterday. She's been having really terrible nightmares from it.

Nico: Poor girl. Bumby really scarred her forever.

Sailor Moon: He sure did.

Qin: Yeah. Alice had EVERYTHING stolen from her.

Camie: She sure did.

Xenia: I feel really bad for her

Laney: Who wouldn't? She escaped what would have been a fate worse than death.

Aylene C.: What Bumby did was completely unforgivable.

Shannon: Yeah no kidding. J.D. did good by giving Bumby the black gates.

Nico: (growls) GOD FUCKING DAMMIT! The Alice from Disney never had to deal with this shit!

Me: (GROWLS) Tell me about it! What he did pisses me off!

Nico: Me too!

Laney: Yeah!

Camie: Even the Queen of Hearts wasn't that cruel to her!

Shannon: Yeah! No kidding!

Twilight Sparkle: I can't believe he would do all that to her!

Applejack: No kidding there! That Bumby was meaner than a rattlesnake with a toothache!

Lola: That's putting it mildly!

Nico: Can't Ino help her?

Me: Yes she can. I've arranged to have Ino help her out.

Shannon: Ino has been doing a really awesome job of helping many of us.

Naruto: The Yamanaka's techniques have all been a massively tremendous help to many of us that went through horrifying ordeals.

Sougo: They sure have Naruto.

Luz Noceda: Yeah. And the kids that were turned into feral flesh eaters by those chicken nuggets have been cured of their trauma too.

Lisa Loud: Indeed and they still are upset about what they did but at least they are getting help.

Maria: That's good.

Nico: Yeah. Oh we're here.

We arrived at Sailor Moon's school, Juban Public Middle School.

Me: Juban Public Middle School. Nice place.

Laney: Yeah.

We went in.

Nico: Now remember guys, no violence. We're only here to talk to her teacher. Not cause trouble.

Qin: Okay.

Me: It's time she understood why Sailor Moon is so tired and lazy and it's for a good reason.

Lana: But still Serena your school is really nice.

Sailor Moon: Thanks.

Patricia Haruna was working in her room when Nico kicked the door down.

Patricia: What the?

Nico: (smirks) My oh my, how the tables have turned.

Patricia Haruna: Team Loud Phoenix Storm! Wow! It's an honor.

Sailor Moon: Hello Mrs. Haruna.

Me: Sorry to drop in like this Mrs. Haruna and we're sorry about the door. It's a force of habit the boss does. We are only here to talk.

Eli: That's right.

Patricia Haruna: What is the matter?

Me: Well we want to talk about why Serena has been flunking here.

Nico: Okay, fairy godmother. It's time to grant us a wish. You're gonna stop treating Serena like shit!

Patricia Haruna: I'm not gonna give that lazy good for nothing special treatment!

Vroon: (points Geartlinger at her) I'm sorry. That wasn't the answer we were looking for!

Me: Serena does deserve special treatment! Because you don't know who she really is.

Patricia Haruna: What do you mean?

Me: Show her.

Sailor Moon: Because I am also Sailor Moon! MOON ETERNAL POWER!

She transformed and became ETERNAL SAILOR MOON!

SURPRISE!

Xenia: You didn't know did you?

Patricia Haruna: (SHOCKED AND SPEECHLESS) Serena! Was Sailor Moon!?

Me: Ironic isn't it?

Sailor Moon: That's right!

Patricia Haruna: I had Sailor Moon in my class this entire time!?

Me: And that "Lazy Good For Nothing" as you call her was one of Japan's iconic heroes too.

Nico: She's been crying for the last few days because of you!

Eli: Yeah! Because she couldn't help it.

Me: There's a reason. At night most of the time Serena is battling the forces of evil. She is constantly battling evil forces that threaten to destroy the entire universe.

Camie: That's right!

Nicole: Many of those forces of evil put everyone including you in terrible danger.

Varie: That's right. Serena is a true hero to all of the world just like us.

Me: Every day she risks her life to save people like you from ultimate doom. So by all accounts Ms. Haruna you should be thanking her. Without her people like you would be dead.

Nico: And another of our friends is crying too. You really want to test us?

Me: Nico lets not get Alice involved in this.

Nico: Oh right.

Me: Sailor Moon tries to maintain a good education, but at the same time she has to juggle not only schoolwork but also stop the forces of evil from destroying everything.

Qin: That's right.

Me: Sailor Moon is just as important to your life as she is to us and the whole of Japan.

?: That's right!

Galaxia, Molly, Rey, Ami, Lina, Mina, Amara, Hotaru, Michelle, Trista, Mika and all the the Sailors came in.

Me: Oh hey girls.

Patricia Haruna: You heard everything?

Sailor Earth: That's right! Because Sailor Moon is not the only one! EARTH ETERNAL POWER!

Sailor Mercury: MERCURY ETERNAL POWER!

Sailor Mars: MARS ETERNAL POWER!

Sailor Jupiter: JUPITER ETERNAL POWER!

Sailor Venus: VENUS ETERNAL POWER!

Sailor Saturn: SATURN ETERNAL POWER!

Sailor Uranus: URANUS ETERNAL POWER!

Sailor Neptune: NEPTUNE ETERNAL POWER!

Sailor Pluto: PLUTO ETERNAL POWER!

Sailor Sun: SUN ETERNAL POWER!

Sailor Wayangkulit: WAYANGKULIT ETERNAL POWER!

They transformed too and the WHOLE Solar System was with her.

Patricia Haruna was speechless!

Maria: And she might not be smart like Lisa. But she's still a good hero!

Sailor Moon: That's right! I'm trying my hardest with my studies. But there are more important things too.

Me: That's right. Sailor Moon's hero job is a MASSIVE Responsibility. Education may be important but it's NOT as important as keeping you safe from harm.

Eli: That's right.

Naruto: I was there for Serena. Just like all her friends are there for her. They are her family too.

Me: That's right. Sailor Moon and her friends all are important.

May: But of course, it's required for us to go to school.

Me: That's right. Even heroes have to learn. But we can always be in two places at once.

Naruto: Thanks to this. SHADOW CLONE!

He formed a clone.

Patricia Haruna: Shadow Clones!? Wow!

Me: We learned that secret a while back. Whenever crime is afoot we can make a Shadow Clone to fill in for us.

Nico: Yep.

Me: Yeah.

Nico: I'm surprised Serena never thought of that before.

Me: Well she wasn't strong enough to learn that technique.

Naruto: Yeah but now she knows.

Xenia: Yep.

Me: Look, Ms. Haruna we mean no insult or show any form of insubordination to you but we just want you to give Serena and her friends all a chance and have them not only be Sailor Soldiers but also good students.

Qin: That's right. There are new villains coming in every day and Sailor Moon's job is to help keep you all safe. Just like we do.

Nico: In fact, there's gonna be some new villains from the big missions next year.

Me: Yep.

Patricia Haruna: I had no idea and I had no idea that Serena was Sailor Moon.

She got up and hugged Serena and cried.

Patricia Haruna: (Crying) I'm so sorry Serena!

Sailor Moon: It's all right Ms. Haruna.

Vroon: But don't do it again. Or else.

Nico: Vroon that's not needed.

Vroon: Sorry.

Qin: Yeah.

We later went outside.

Me: That went rather well.

Nico: Yeah but we're not done yet.

Eli: Yeah.

Nico then ducked just in time to avoid diamond shards.

They stuck into the wall and we saw that they were black diamond shards.

Nico: Whoa!

Rarity: Ooh black diamonds. These are gorgeous.

?: They sure are huh?

We turned and we saw a black version of Ultimate Diamondhead! It was ANOTHER ULTIMATE DIAMONDHEAD!

Me: Whoa! Another Ultimate Diamondhead!

Nico: Wow!

Another Ultimate Diamondhead: (In a girls voice) (Icelandic Accent) I am dazzling aren't i?

Me: (Gasp) Veronica? Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn?

Another Ultimate Diamondhead: It's good to see you again J.D.

Me: Same here.

Nico: Wow! Another one of the Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn Sisters.

Me: Yep. Veronica is the youngest one of them. Also she is a fashion designer and makes really awesome clothes.

I showed a photo of Veronica using me as a manniquin and she had an awesome rainbow jeweled dress.

Rarity: Oh that dress is absolutely divine!

Leni: It's totes adorbs and amazing on you J.D.

Me: Yeah she is a really awesome prodigy in fashion. Also Veronica is the gene-slammer of a new Elemental HERO. It's called Elemental HERO Nimbus Neos.

Nico: Wow! What's that one?

Me: A Fusion of Elemental HERO Neos, and Air Hummingbird and Glow Moss.

Eli: Cool!

Me: Sorry we have to fight like this. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Kaito: (gets out Go Busters gear) Let's go!

Zocks: (gets out Gokaiger gear) Let's make this showy!

Kaito got a Beast X Blaster and Zocks got a Super Megaforce Sword!

Me: Awesome. They do say Diamonds are Forever. But lets put that theory to the test.

Sougo: (gets out Lupinranger Ridewatch) Your ass is about to be kicked!

Geiz: (gets out Geiz Revive Ridewatch) Big time!

Sougo got LupinRedArmor while Geiz became Geiz Revive Goretsu.

Me: It's BUTTKICKING TIME!

I fired waves of blue fire and smashed down Another Ultimate Diamondhead!

Nico: Oh yeah!

Laney: Awesome!

Nico: (Gets out Prince Diamond's Ridewatch) Time to fight diamonds with diamonds.

He activated it and fired waves of dark energy and smashed her down.

Qin: YEAH!

Me: Taste stars!

I fired waves of stars and smashed her down.

Shannon: My turn!

She activated Ben Ravencroft's ridewatch and chanted an incantation and fired waves of magic and smashed her down.

Qin: OH YEAH!

Xenia: Awesome!

I fired waves of lightning and electrocuted her and knocked her down.

Another Ultimate Diamondhead fired diamond shards at us.

Nico: INCOMING!

I spun my scythe and deflected the shards back and smashed her down.

Me: Nice try.

Eli: YEAH!

Another Ultimate Diamondhead grew huge crystal clusters and it formed a huge road of them at us and we jumped and fired waves of energy and smashed her down.

Shannon: What's taking the next Gene Slammer?

?: Someone call?

Then out came Primitive Butterfly, Blazewing Butterfly, Poison Butterfly, Photon Alexandra Queen, Queen Butterfly Danaus, Lunalight Purple Butterfly and Benevolent Butterfly Sprite.

Nico:: Wow!

Me: Primitive Butterfly, Blazewing Butterfly, Poison Butterfly, Photon Alexandra Queen, Queen Butterfly Danaus, Lunalight Purple Butterfly and Benevolent Butterfly Sprite.

Eli: Beautiful.

Primitive Butterfly: (In a girls voice) We got here just in time.

Nico: Nicole Goodall, Valeria Cenozoica, Lola Gia, Xenia Alexandra, Elaine Danaus, Melanie Galaxia and Yumi Arlington!

Qin: Wow! Awesome to see you girls again.

They reverted back and they were girls each with different colored hair and clothes and had butterfly wings of different colors.

Valeria Cenozoica: Awesome to see you too Qin.

Lola Gia: We got this.

Xenia Alexandra: Lets get her girls!

They fired waves of energy and smashed down Another Ultimate Diamondhead and knocked her down and I caught the Ridewatch and purified it. Then I went over to Veronica and she was a girl with green hair and green clothes and blue fire wings.

Me: You all right Veronica?

Veronica Vaðlaheiðarvegavinnuverkfærageymsluskúrslyklakippuhringurinn: (Groans) What a headache.

Me: You're back to normal now.

Shannon: What are your favorite memories of Nico?

Elaine Danaus: We have a lot of them. But our favorites are where we were in Ceramics class.

Yumi Arlington: We make fancy luxurious pots.

They showed us a catalog and in it was a bunch of really beautiful handmade pots and vases and urns made by them an they were gorgeous.

Eli: Wow! Those are beautiful!

Nico: They sure are.

Nicole Goodall: Yeah. One time we all helped Nico made the most amazing vase ever. The LeGrand Louis XVI Vase. It showed the entire history of the French Monarchy leading up to the French Revolution.

Nicole: Wow! That is cool!

Me: Boy I'll say.

Nico hugged them.

Nico: I missed you girls.

Lola Gia: We missed you too Nico.

Melanie Galaxia: Yeah. We heard you guys talking to Mrs. Haruna and it's not her fault. She actually hates her job.

Me: Really? She can get a new job with us.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, The Dynasty Warriors, The Samurai Warriors, TLPS Ms. Tarantula, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, and Brittney are heading to Montpelier Hill A.K.A. The Dublin Hellfire Club in Dublin, Ireland, and not only is Lincoln going to rescue the ten girls here, but we're also going to exorcise the empty building of the dark forces that've dwelled inside this empty place for over 300 years.

Lincoln: Oh man, we're here on Montpellier Hill, the location of The Dublin Hellfire Club in Dublin, Ireland, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we're also going to exorcise the empty building of the dark forces that've dwelled inside this empty place for over 300 years.

Meridia Draganuisce: (Irish Accent) I remember this place all too well, The Hellfire Club is one of the most powerful hotspots of paranormal activity in all of Ireland, and it's got a pretty dark history that goes back to the 18th Century.

Eli: I hate to find out what that is.

Lincoln: You're definitely not going to like hearing it, Eli, and thanks for joining us, Brittney.

Brittney: You're welcome, Lincoln, I've been wanting to come here to this very spot for a long time, and we also know about the dark history of the Dublin Hellfire Club, but why don't you tell everyone about it?

Lincoln: Thanks, Brittney. The Dublin Hellfire Club was founded in 1735 by Richard Parson, The Earl of Ross, but he's also a man who's known for dabbling in black magic. He and his members have met at locations across Dublin, and these men are known for their amoral behavior and debauchery involving alcohol and sex. But, these excesses have led to the stories of black magic, heathenistic perversity, Satanic dark rituals, and human sacrifice. But, there's one story in The Hellfire Club, and it's said to have involved The Devil. According to legend, a stranger joined the club members at a game of cards one night. Then, when one of the players dropped a card on the floor, he bent down to retrieve it and he was shocked to see that the stranger had cloven hooves instead of feet, and that's the sign that their club had drawn The Devil to this place.

Nico: My God, they were really playing with Hellfire, especially if it meant The Devil was with them.

Me: Big time.

Brittney: There's also another tale: a young farmer who was curious to find out what went on at the club's secretive meetings. Climbing up Montpelier Hill, he was invited in by the members and allowed to witness the night's activities. The young man was found the next morning trembling and terrified. Tradition says he spent the rest of his life unable to speak; unable to even remember his name.

Eli: Jeez, now that's dark.

Lincoln: Whatever he saw there, it traumatized him so badly. Those heathens have caused enough trouble for the last time, we're going to exorcise the place and send those dark spirits to The Black Gates.

We arrived at Montpellier Hill and went to the empty building, and we felt the very dark malevolent forces here and Lincoln's ghost sense went off. Suddenly, our rainbow energy auras had flared up as we were sucking in all of the negative energy and we were gaining a massive power and energy boost and we were getting stronger and stronger and stronger still.

Lincoln: Whoa, this is a really heavy and dark presence here, I can feel it, and the malevolent forces aren't going to leave that easily, but we've sucked in and absorbed all of the negative energy that's festered here for over 300 years.

Me: Let's send those Satanic heathens packing.

We went outside and Lincoln took to the air, and we followed him. Then, he made a massive green magic circle with Celtic knots and Celtic symbols and runes on the ground which then surrounded The Dublin Hellfire Club. But, we also felt the presence of the dark spirits trying to resist, but Lincoln was ready. He took out his Flute of Ogma, and he began to play a beautiful melody, and the dark forces were roaring in anger as they were eventually forced out of the building and put into a Celtic knot magic circle to keep them from escaping, and Lincoln's melody continued to calm and soothe the land, and the malevolent forces were sent to The Black Gates, and The Dublin Hellfire Club has been exorcised for good and the magic circles disappeared.

Nico: Awesome job, Lincoln.

Lincoln: Thanks, Nico, but we're not done yet. I also got word that Tanaka has come back from the dead and he still wants revenge on J.D. for killing him two years ago.

Gluko: Ugh, not again!

Batch: He's never going to grow up, is he?

Lincoln: Certainly not, girls. Well, I think it's time that we give him another painful lesson, but this time, he's never ever coming back.

Me: Now, you're talking, Lincoln.

Nico: Yeah, if he didn't learn his lesson the first time, looks like we'll have no choice but to make sure he does by hitting him even harder, and sending him straight to Hell for good.

Eli: Yeah!

Decapre: And I can't help but get the feeling that the ten girls here are familiar to me.

Lincoln: There's only one way to find out, Decapre.

?: HEEEEELLLLP!

Suddenly, Lincoln heard the sound of ten girls screaming for help, along with the sound of malevolent and cruel laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the ten girls, but they've been cornered by Tanaka, and he's going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the ten girls, but they've been cornered by Tanaka, and he's going to kill them.

?: (Girl's voice) (Australian Accent) That rotten old goat, let's get him.

Suddenly, we saw the Duel Monster, Master of Oz, appear before us.

Nico: Cool, that's the Duel Monster, Master of Oz.

Lincoln: And I'd recognize that Australian accent from anywhere, I knew it's you, Sheila Kangaboxer, but we'll talk later, let's get that old goat, Tanaka.

We rushed on over, and before Tanaka could claim his next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Tanaka, and that allows the ten girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Tanaka, and when he saw us, he was enraged, especially when he saw me.

Tanka: You, I'll kill you if it's the last thing I ever do! You've ruined everything!

Lincoln: Zip it, Tanaka, you've brought all of this on yourself, and now, we're going to see to it that you never ever come back.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Brittney, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Xelnaga Eternity Infinity Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered their massive swords and we transformed, and we went after Tanaka, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln summoned blades of Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic and with one swing of his massive greatsword, he sent the blades right at Tanaka, and he was skewered Tanaka, and they exploded with incredible power, and Tanaka's spirit was then sent to The Black Gates forever. We cheered wildly as we holster our weapons and powered down.

Lincoln: And this time, don't you dare come back, Tanaka.

Nico: He should've stayed dead two years ago, but he just refuses to take a single hint, sheesh.

Me: Well, at least we got rid of him for good.

Lincoln: And got rid of the dark malevolent forces haunting Montpelier Hill. (To Sheila Kangaboxer) And it's so good to see you again, Sheila Kangaboxer.

Sheila Kangaboxer reverted back to normal, and she was a beautiful girl with long flowing light purple hair, purple eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful purple angel wings as she reigned in the power of Master of Oz, and she was dressed in a sleeveless green jersey, green gym shorts, socks, purple heeled sneakers, and long white sleeveless trenchcoat with Earth, boxing gloves, and kangaroos on the coattails and Master of Oz on the back and holstered on her back is a Master of Oz-themed large greatsword with Master of Oz etched on the 7'0" massive, wide, double-edged purple blade, large green kangaroo heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large purple kangaroo heads and a large purple gem on the bottom of the kangaroo heads for the pommel, and we also saw she has squirrel ears and a long bushy squirrel tail.

Sheila Kangaboxer: (Australian Accent) You too, Lincoln, it's been a long time, and same with you, Lynn, you've grown into a beautiful young woman.

Lynn: Awesome to see you too, Sheila.

Lincoln went up to Sheila Kangaboxer and he hugged her, and Sheila Kangaboxer is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then, and same with Lynn.

Sheila Kangaboxer: (Australian Accent) Whoa, I was right that Lynn's grown into a young woman, and you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new, you can land an airplane on that more wider and more muscular back, squash a melon with those quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you and Lynn know her?

Lincoln: Indeed I do, Nico, this is Sheila Kangaboxer, she's my Guardian Angel from Australia and my classmate in Gym, but she's also a deadly boxer. Sheila, Lynn, and I would often train in boxing, and we would even take turns training.

Me: That's really impressive!

Lynn: She's one deadly boxer, alright, and to show thanks to Sheila, I arranged a date at a swimming pool where Lightning, Lincoln, Sheila, and I would swim in a race, and while we're swimming, Sheila and Lincoln kissed each other underwater.

Nico: Awesome.

Lincoln: And it's gets even more awesome: Sheila Kangaboxer's the cousin of Makoto Nanaya, and like Makoto, she's a squirrel girl, hence the squirrel ears and tail.

Makoto Nanaya: That's right, and it's so good to see you again, Sheila.

Sheila Kangaboxer: (Australian Accent) You too, Makoto.

Lincoln: And Sheila hated Icky Vicky with a burning passion.

Nico: Who doesn't? She's a mean, vicious, sadistic, cruel, evil kid-hating fire-breathing dragon with rage issues.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appear around Sheila Kangaboxer's neck with purple gems on the gold thunderbolt links and green crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Sheila Kangaboxer: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means just like your cousin, you're part of harem and my many future wives, Sheila.

Sheila Kangaboxer had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Sheila Kangaboxer's waist and Sheila Kangaboxer wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the ten girls, and when Lincoln saw them, he recognized them immediately, along with Decapre. The ten girls are Enero, Février, Aprile, Satsuki, Juni, Juli, Santamu, Xiayu, Jianyu, and Noembelu from Street Fighter.

Lincoln: (Gasps) It's… !

Decapre: Enero, Février, Aprile, Satsuki, Juni, Juli, Santamu, Xiayu, Jianyu, and Noembelu, they're the rest of the dolls of Bison. Lincoln, just like when you first met me, you have to heal them.

Lincoln: Right, and just like you, they also deserve a better life after everything they went through, due to Bison.

Lincoln created a wave of healing energy, and it enveloped Enero, Février, Aprile, Satsuki, Juni, Juli, Santamu, Xiayu, Jianyu, and Noembelu, and he healed them.

Lincoln: There we go, that should do it. Are you girls okay?

Enero: Yes, we're okay, thanks to you.

Then, when Enero and the other nine girls saw who it was that saved them from Tanaka, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Enero: (Gasps) You're… Lincoln Loud of Team Loud Phoenix Storm?!

Lincoln: That's right, and it's a pleasure to meet… !

But, before he could say anymore, Enero, Février, Aprile, Satsuki, Juni, Juli, Santamu, Xiayu, Jianyu, and Noembelu ran up to Lincoln and they all hugged and kissed him, leaving lipstick marks on his face, massive and extremely muscular body, and eight-pack abs, and they were also crying onto his bare chest, but he held onto the girls in his abnormally massive and powerful muscular arms and he's still comforting him.

Nico: Man, Bison really put them all through Hell.

Decapre: Indeed he did, but now that Lincoln's healed my comrades, they can also have a new life, but they'll also have to go through therapy, just like myself, after what Bison did.

Me: We'll tell Ino about this when we get back.

Suddenly, ten Thunderbird Necklaces of Eternal Love appeared on the necks of Enero, Février, Aprile, Satsuki, Juni, Juli, Santamu, Xiayu, Jianyu, and Noembelu with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, We returned home to the World Tree Estate, and the rest of the team heard of what we did in exorcising Montpellier Hill A.K.A. The Dublin Hellfire Club and cleansed it of the malevolent forces, and they were shocked when they found out the villain we went after was Tanaka, who'd come back from the dead to get revenge on us for killing him two years ago.

But, when Lincoln showed what we did in beating him up, along with Lincoln personally ending that old goat and sending him to The Black Gates, and healing Enero, Février, Aprile, Satsuki, Juni, Juli, Santamu, Xiayu, Jianyu, and Noembelu, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Sheila Kangaboxer have a lot of catching up to do, now that she's back in town.

Maria: I'm quite surprised that the ten girls that were at Montpellier Hill were Enero, Février, Aprile, Satsuki, Juni, Juli, Santamu, Xiayu, Jianyu, and Noembelu.

Lincoln: Decapre knew we'd run into them one day, and I've healed them physically, but the mental wounds they suffered due to Bison won't be easy though, but Ino's going to help me with this.

Me: That's right.

Nico: What Bison put them, Decapre, and Cammy through, that was really dark.

Mindy Chan: You said it, Nico, and you guys also got rid of Tanaka and this time for good.

Nico: You got that right, Mindy. That miserable man made the big mistake coming back from the dead to get revenge on us, and now, he's gone for good and never coming back.

---

After we exorcised Montpellier Hill of all the malevolent dark forces and finally getting rid of Tanaka and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Panda Faye Ling saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Sheila Kangaboxer: (Australian Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever. He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sheila, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sheila Kangaboxer: (Australian Accent) That's incredible.

Nico: You got that right. So, Sheila, what did Icky Vicky do to earn your wrath? Aside from what we already know about that demonic so-called babysitter.

Sheila Kangaboxer: (Australian Accent) Oh, you're so going to wish you had her killed when you hear this tale. I found out Icky Vicky started another prison riot, so she could escape and get revenge on all of you for the humiliations you put her through, this was three years ago. So, I went down to The Jupiter Prison and I brutally pulverized Icky Vicky and threw her back in her prison, but not before I'd broken her arms and legs badly, and then, I left the prison.

We gasped in shock.

Nico: Why, that evil, sadistic, bubble butt, fire-breathing, rageaholic… !

Me: I can't believe that stupid Icky Vicky would pull something like that!

Lincoln: Knowing her, she would do something like that. But, that was so awesome that you stopped her, Sheila.

Sheila Kangaboxer: (Australian Accent) Thanks, Lincoln.

Eli: But, you know what this means?

Lincoln: Yep.

Lincoln used his powers and formed a pool full of electric eels and dropped Icky Vicky in it, and she was electrocuted badly.

Timmy Turner: Serves you right, Bubble Butt!

Nico: (Snickers) Bubble Butt?

Wanda: That's an insult Timmy made for her, and rightfully so.

Lori: That good-for-nothing fire-breathing dragon! She's literally going to go too far, just like Flip.

Me: Second she does, she'll be on the bad end of receiving the same brutal punishment as Flip: getting dunked into another pool of electric eels.

We got a shower afterwards, and then, Clyde and his harem were heading out to do some shopping.

Clyde: Alright, we got the list, so let's get some carts and get shopping.

Syd Chang: On it.

Clyde and his harem got their carts in hand, and they went off: Clyde and his harem were grabbing food and drinks, and they were also grabbing pumpkins since Halloween was coming fast, along with costumes as well. Then, they paid for everything and they came back home.

Nico: Dang, you and your harem went on one big shopping spree, Clyde.

Clyde: We sure did, and of course, we also got stuff for Halloween as well.

Lincoln: Awesome.

Rayman: That's right, Halloween's coming soon, and no Horror Movie Slashers are going to wreck this year's Halloween.

Me: Yeah, we've had it with those fuckers for the last time.

Nico: They eventually met their doom when Drakus transformed and we sent them all to The Black Gates for good.

Lincoln: You got that right.

In the park we were with the Mascots and they were on their way to help Kim Possible.

Vegeta: Poromon, remind me again why you and the mascots are with Kim?

Poromon: There's a bomb and she needs us to help disarm it.

Nico: Oh man! A bomb!?

Me: Not good!

We got to the bomb and it was a huge one! It was a massive fertilizer bomb!

Me: Whoa! It's a fertilizer bomb!

Nico: And this one has the power of 6,000,000 pounds of fertilizer!

Me: If this thing blows it will destroy the entire city!

Nico: Oh man!

We saw the timer and there was only 20 minutes left!

Me: We can't evacuate the entire city in 20 minutes!

Pan: Should we write our wills right now?

Me: No one is dying on our watch Pan.

Kim Possible: 13 minutes left!

Poromon and the mascots found the panel and opened it and got the wires.

Me: The pressure is mounting.

Poromon: Okay cut the blue wire.

Poliwag: Right.

He cut it and then the timer stopped and it was disarmed!

Me: Disarmed!

Nico: WHEW!

Laney: That was a close one!

Kim Possible: Yeah no kidding! Great job guys!

Demolisher: Phew! For a minute, I thought we were goners!

Nico: No kidding! But who would set up a massive bomb like this?

Eli: Good question.

Nico: Yeah.

Crosshairs: I knew the mascots would be able to sit because of their small size.

Nico: You got that right.

Me: But the question is who would set up a bomb like this to destroy the entire city?

?: He's right here.

We looked and saw Agent Waco and with him in cuffs was THEODORE DYMER THE MAD BOMBER OF GOTHAM!

---

Theodore "Ted" Dymer, also known as the Mad Bomber, was a toy-shop clerk who emulated the bombing spree of a television villain. A toy collector obsessed with Simon Trent (aka the Gray Ghost), Ted Dymer went as far as to start destroying Gotham City by recreating events from old episodes of The Gray Ghost. He was stopped once Simon Trent and Batman joined forces to figure out the mystery behind this "mad bomber."

Ted Dymer was the innocent owner of Yester Toys, where he bought and sold classic toys and items. The business wasn't incredibly successful; at the very least, it did not adequately satiate Dymer's own toy addiction. The man was obsessed, and spent countless amounts of money on all different types of toys. Though his collection was vast, his funds were low, and he needed something to fill his pockets. As luck would have it, Simon Trent, the actor who played the Gray Ghost in the television show, had begun selling his old memorabilia to Dymer to make ends meet. Recalling an episode of The Gray Ghost, Dymer realized the other uses his toys could the style and tactics of The Mad Bomber, Dymer placed bombs within remote controlled cars, designed and modeled after the same cars used in The Gray Ghost. Some cars were even actual models from the show, acquired from Trent. Dymer first blew up a plastics laboratory in Gotham City. From there, he began a bombing spree, leaving threats at each site demanding $1 million or a new location would be destroyed. His tracks were mostly untraceable, leaving both bomb squads and the Gotham City Police Department stumped.

Batman, however, was a different story. Recalling the "Mad Bomber" episode of The Gray Ghost, he began to fit the pieces of the puzzle together, and tracked down Trent. Trent professed ignorance, but just before the Gotham was destroyed via arson, Trent recognized a sound - the sound that Dymer's cars made as they drove. From this, they were able to deduce Dymer's tactic, and his next bombing attempt was averted.

Though his attempt to destroy the Gotham Library had failed, Dymer wasn't through yet. He used the explosive toy cars to chase Batman into an alley, and a dead end. Things looked grim, but the Gray Ghost cast a rope down and pulled the Dark Knight to safety. When the two returned to the Batmobile, however, Dymer was ready. He had several of the cars in the area, and chased the two heroes. The cars were no match for the tools of the Batmobile, and Batman and the Gray Ghost eluded danger.

The two tracked Dymer to his toy shop, and discovered the control center Dymer operated from. Though he tried to defeat the Dark Knight with his remote-controlled toy collection, Dymer was stopped, and his toy shop and control center were destroyed as well. Dymer cried over the loss of his toy collection and was subsequently arrested.

---

Nico: Theodore Dymer!?

Me: Theodore Dymer? The toy shop owner of the destroyed Yester Toys Store?

Theodore Dymer: THAT'S RIGHT! I DID IT FOR MONEY TO BUY MORE TOYS!

Poromon: I found this on the bomb.

He gave me a note. It was a ransom note.

Me: (Reading) "Pay Up Or Pay the Consequences. $1,000,000.00 in cash or Gotham Royal York City Hall is next. Signed The Mad Bomber."

Nico: Whoa!

Me: So you were going to blow up half of the city for more toys!? YOU'RE INSANE!

Nico: What a fucking whacko!

Me: Wait a second.

I went over to Batman.

Me: Bruce doesn't this sound familiar to you?

Batman: Yes it does. This is the same mad bomber that me and the Grey Ghost took down.

Nico: Wow! That is amazing!

Eli: What are the odds of that?

Me: Now he is looking at eternity in the pokey. Get him outta here.

Agent Waco: With pleasure.

He took him away.

We went back to the estate after having the bomb dismantled.

Back home we were getting ready for our next mission.

Kickback: Nico, which teams have you made this time?

Nico: My team will actually consist of Lucy Dark, Luz Noceda, Amity Blight, Willow Park, and Gus Porter. Fiona's team will include Octavia Melody, Lyra Heartstrings, Sweetie Drops A.K.A. Bon Bon, Velvet Sky, and Flash Sentry.

Me: Cool!

Luz Noceda: Awesome!

Laney: Awesome setup too.

King Kai: (Telepathically) Nico, can you hear me?

Nico: I hear you, King Kai, what's wrong?

King Kai: (Telepathically) I've got some really bad news: The Flying Dutchman's escaped from The Ghost Zone and not only is he out for revenge, he's kidnapped SpongeBob's friends again.

We gasped.

Me: The Flying Dutchman is loose!?

Lincoln: Why, that scraggly bearded, barnacle-chewing, eel in the kelp salty sea dog ghost!

Me: My words exactly, Lincoln, I thought we taught The Flying Dutchman that painful lesson after we kicked his ghostly hide years ago.

Nico: And right on the eve of The Friday the 13th War against The Anti-Fairies. Well, if he refuses to learn his lesson the first time, then, we're going to make absolutely sure he does!

Lincoln: Yeah.

Nico: But he is going to be a good member of the M.O.E. Now we have to get ready to Save our friends.

Me: And I know where he took them. To the Flying Dutchman's Graveyard.

Then Mumbo Jumbo, Skulker, Patty & Selma, Golden Glider, Professor XXXL, Grizzly, Zzzax, BlackWarGreymon, Toad, Machinedramon, Marina Del Ray, MOE Sinestro, Evil Fire Man, Evil Wing Man, Boil Man, Grizzaka, Pink Ranger Slayer, Cyborg Cat, Ticklepuss, and Quillfire appeared!

Mumbo: Can me, Skulker, Patty & Selma, Golden Glider, Professor XXXL, Grizzly, Zzzax, BlackWarGreymon, Toad, and Machinedramon go with you guys?

Marina Del Ray: Me, MOE Sinestro, Evil Fire Man, Evil Wing Man, Boil Man, Grizzaka, Pink Ranger Slayer, Cyborg Cat, Ticklepuss, and Quillfire will come too.

Nico: Yes you all can come with.

Me: SpongeBob's friends are in trouble.

Cyborg Cat: We heard. The Flying Dutchman kidnapped them.

Me: Yeah.

SpongeBob: It's all my fault guys. I found him in a bottle and I thought he was a genie.

Me: SpongeBob you are not to blame for this.

Varie: Yeah it's not your fault.

Teresa: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do one for Tri-Horned Dragon next.

Me: Interesting.

Qin: Yeah.

Laney: That is a cool one.

Xenia: Yep.

Me: But the question is what would the Flying Dutchman want with SpongeBob's friends?

SpongeBob: To turn them into his crew.

Xenia: Oh man.

Varie: We better get down there.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than Lincoln's old enemy, Dr. Arliss Loveless, and he's returned from the dead to get revenge on us for killing him last year. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us today?

Lincoln: You guessed it, Nico, and none of us are going to like this one bit: the dark energy signal we sensed belongs to my old enemy, Dr. Arliss Loveless, and he's returned from the dead to get revenge on us for killing him last year.

We gasped.

Nico: Dang it, and you killed him last year on your rescue, Lincoln, but you Super Hakaied him and it was before The Black Gates.

Lincoln: Yep, so this means, he's getting The Black Gates.

Wendy Dorington: And we'll be the ones to send him to The Black Gates, Linky, but not after we kick his ass hard into next week for all the crap he's pulled.

Lincoln: Yeah, after everything he did long ago, that animal deserves to be put down for good.

Nico: Now, that's the kind of talk I like to hear. Alright, gang, let's head down to Bikini Bottom and not only are we going to rescue SpongeBob's friends, but we're giving that Flying Dutchman what for!

Lincoln: He doesn't deserve to be forgiven after all the terror he'd wrought upon Bikini Bottom and all of humanity, and once we get through trouncing him, you're next, Dr. Loveless.

Skulker: Maybe not ALL of Spongebob's friends were captured.

MOE Sinestro: There's still Mindy.

Nico: We haven't got a moment to lose. Lets go!

We were off to the ocean!

---

We arrived at Bikini Bottom.

Camie: Bikini Bottom.

Laney: Always a great place.

Mindy came.

Mindy (SpongeBob): Guys! Thank goodness you're all here. The Flying Dutchman came! He got Sandy, Squidward, Patrick, Mr. Krabs, Plankton, Mrs. Puff, Larry the Lobster, Pearl, Gary and Mermaidman and Barnacle Boy!

We gasped!

Qin: Oh man!

Camie: He sure has been busy!

Doofenshmirtz: You didn't mention Squilliam. So, I think he managed to avoid capture.

Mindy: Yes Squilliam is safe.

Nico: We better hurry though.

Xenia: Yeah!

Varie: Lets get to the Flying Dutchman Graveyard pronto.

Nico: Right. Lets go.

We were off.

Camie: So who is the Flying Dutchman?

Me: A legendary pirate ghost that terrorizes the Seven Seas for all

eternity.

SpongeBob: That's right.

I went over his history.

---

The Flying Dutchman is a major antagonist in Nickelodeon's SpongeBob SquarePants franchise. He serves as a major antagonist in the show, the main antagonist of the 2002 video game SpongeBob SquarePants: Revenge of the Flying Dutchman and 2007 video game Dutchman's Dash, and a supporting antagonist in the critically acclaimed 2003 video game SpongeBob Squarepants: Battle for Bikini Bottom and it's 2020 remaster.

He is a powerful ghost who haunts the ocean, named after the legendary ghost ship of the same name. He is of enormous size compared to the other characters and captains a floating ghost ship with a green glow similar to his own, of which he appears to be the sole permanent crew member. He appears to be mainly interested in "scaring" undersea creatures rather than actually causing serious harm.

He is voiced by Brian Doyle-Murray, who also played Ivo Shandor in Ghostbusters: The Video Game.

The Dutchman's exact nature and role are inconsistent between episodes. It can be inferred from his appearance that he is the undead spirit of a pirate, and one episode mentions that the reason he haunts the seven seas is because his corpse was used as a mannequin in a clothing store window and he was never put to rest. In another episode, he states that he has not worn laced shoes in 5,000 years, yet pirates did not exist that long ago. Other episodes suggest the Flying Dutchman is a Devil/Grim Reaper-like figure, primarily Born Again Krabs where he attempts to put Mr. Krabs in the undersea version of Hell, "Davy Jones's Locker", which turns out to literally be a locker cabinet belonging to a person named Davy Jones, and in a much later episode, it is revealed that the Davy Jones in question is in fact none other than the Monkees member of the same name.

The Flying Dutchman notably appears as an enemy in several if not most SpongeBob SquarePants video games, most notably "Revenge of the Flying Dutchman" where he is the titular main antagonist. He also appeared in the Nickelodeon short "The Legend of Boo-kini Bottom" as the main antagonist.

He debuts in the episode "Squidward the Unfriendly Ghost" as a cameo in a comic book detailing his origin. He later debuts physically in the episode "Scaredy Pants," near the end where he appears at the Krusty Krab to tell everyone there how offended he is by people dressing up as him for Halloween, and that SpongeBob's costume is the worst of all. Before he is about to steal the souls of everyone present, he first takes off SpongeBob's costume, revealing his brain being exposed as a result of Patrick shaving him. This scares the Flying Dutchman and he flees in terror.

He appears again in the episode "Arrgh!," towards the end where he is awoken by Mr. Krabs, SpongeBob, and Patrick fighting over a treasure chest. The chest is revealed to belong to the Flying Dutchman, and he questions who found his treasure chest. Afraid, Mr. Krabs blames it on SpongeBob and Patrick, and when they nervously confirm it, he takes his treasure and congratulates them and rewards them with one gold coin each. Jealous, Mr. Krabs asks for his reward, but he only receives a tiny plastic treasure chest, which the Flying Dutchman explains is "based on a *real* treasure chest" as he disappears, laughing maniacally.

In "Your Shoe's Untied," he is summoned by SpongeBob's cries of anguish about not finding someone who actually wears shoes. The Flying Dutchman says that he has been the Fancy Knotting Contest Champion for the last 3,000 years, and teaches him a thing or two about knots and shows him various knots. However, when SpongeBob asks for a knot for tying shoes, he is stumped when the Flying Dutchman says that he doesn't need to tie his shoes, due to him being a ghost and no longer having feet. He even stated that he hasn't worn shoes for over 5,000 years. But this fact doesn't impede his enjoyment of wearing a sock on his ghostly tail.

He has his first major role in the episode "Shanghaied," forcing SpongeBob, Patrick, and Squidward to be part of his crew forever when they board his ship. Squidward instead is sent through the Fly of Despair as punishment for his constant complaining and annoyance. However, when SpongeBob and Patrick damage his ship and fail to scare the people of Bikini Bottom, he decides to eat them. However, when they steal his dining sock to prevent him from eating them, he catches them and tries to get it back, until Patrick declares that they reached an impasse. To get his sock back, he makes a deal with them that if they give him back his sock, he will give them three wishes, and they accept the deal. Patrick wishes that he wished he would have known that earlier, and SpongeBob wishes for Squidward's return and the Flying Dutchman being a vegetarian so he would not be able to eat them. However, instead of going home, they are turned into fruit and are chased by the Flying Dutchman in his ship, which is now a hippie van with a sail.

In "Born Again Krabs," he appears in Mr. Krabs' hospital room to condemn him to "Davy Jones' locker." However, because Mr. Krabs keeps begging to be freed, the Flying Dutchman gives him another chance, as long as he will always be generous from now on, and Mr. Krabs promises (thinking he is only having a "bad dream"). Mr. Krabs returns to the Krusty Krab less cheap and more generous, but he becomes cheap once again after realizing that he is not in a bad dream and the whole thing is real. The Flying Dutchman returns to take him back to the locker. However, SpongeBob says he is not cheap bets that he would choose him over all the money in the Flying Dutchman's pocket. Mr. Krabs chooses the money and SpongeBob is instead condemned to the locker, but after Squidward scolds him for doing so, Mr. Krabs realizes what he just did and regrets it. Then, the Flying Dutchman brings SpongeBob back because of his constant annoyance, and SpongeBob later annoys him once again on the phone.

He then appears in the episode "Money Talks," where he appears to grant Mr. Krabs' wish of talking to money if he sells his soul, which Mr. Krabs accepts. Later, Mr. Krabs starts to regret his deal with the Flying Dutchman and demands it to be put off, and he appears and refuses to put off the deal. However, before he is about to take Mr. Krabs' soul, he says he already sold it. Then suddenly, a group of monster-like ghosts, including SpongeBob, are lined up and reveal that Mr. Krabs sold his soul to them too.

In "SpongeBob SquarePants vs. The Big One," he accidentally bumps into Mr. Krabs at the middle of the Dutchman's Triangle while on his way home from the grocery store and spills his groceries. To buy more groceries, he tries to get money from Mr. Krabs by stealing his cash register, and a fight starts. Later, the Flying Dutchman gets ahold of the register, but he accidentally releases the tray, which hits him and sends him to Davy Jones' locker, where he is tortured by Davy Jones himself.

In "The Curse of Bikini Bottom," he turns SpongeBob and Patrick into ghosts as punishment for accidentally shaving his beard off while playing with Squidward's lawnmower. Later, not wanting to be ghosts anymore, SpongeBob and Patrick visit the Flying Dutchman plead him to turn them back to normal, and he does, but the curse will not wear off until his beard grows back for his date. Because of this, they decide to replace it. At the end, SpongeBob himself replaces his beard for several months until it grew back. Later, the Flying Dutchman appears to SpongeBob and Patrick and reveals that his girlfriend wants to marry him, but he says he is "not the marrying-type." Then, when a giant monster, who is apparently his date, pops out from the horizon of the background, he runs away in fear.

In "Ghoul Fools," where he finds Lord Poltergeist's haunted house boat and plans to reclaim the treasure chest filled with doubloons Poltergeist stole from him. Poltergeist tries to escape, but the haunted house boat breaks down. Then, the Flying Dutchman turns into a bomb that creates a huge void that sucks everyone present (Poltergeist, SpongeBob, Patrick, Squidward, Mr. Krabs, and Sandy) inside.

In "Plankton Gets the Boot," he makes a cameo on a board game box.

In "The Legend of Boo-Kini Bottom," he enjoys himself on Halloween until he is halted by SpongeBob's laughter, who used to be scared until Patrick tells him that scary equals funny. He tries to scare SpongeBob numerous times, but he still thinks it is funny. The Flying Dutchman then steals the souls of SpongeBob's friends and locks them in cages as they call for help. SpongeBob then starts to become scared and runs away. Despite being scared, SpongeBob returns to save his friends with the help of Sandy's acorn monster puppet. However, he ends up destroying the puppet, and the Flying Dutchman laughs at him. Plankton mentions the "scary" things SpongeBob has inside his brain, and the Flying Dutchman decides to have a look inside his brain. However, he ends up becoming scared of the things in SpongeBob's brain and flees in fear.

In "Shopping List," Sandy and SpongeBob secretly steal some of his dandruff, one of the "ingredients" of the Krabby Patty. Plankton, however, fails to do so and is caught by the Flying Dutchman.

He also makes a cameo in the episode "Appointment TV."

In "The Ghost of Plankton," he teaches Plankton all the basics of being a ghost which are shapeshifting, scaring, haunting houses, and picking things up. He also jump scares the viewers at the end.

When I was finished everyone was shocked!

Qin: WHOA!

Xenia: Scary and horrifying!

Laney: Yeah he sure is!

Camie: Awful!

We walked around.

Patty: Squilliam, are you there?!

Squilliam: I am! The Dutchman didn't get me yet!

Selma: Where are you?

Squilliam: I'm at my house with Karen. Once you get here, we can work on a plan of attack!

Evil Fire Man: Sounds good to me!

We went to Squilliam's house and we went into it.

Me: Okay Squilliam we're here.

Squilliam: Great! Thank goodness.

Karen: Yeah.

Wendy Koopa: This is a nice house.

Nico: Man no wonder Squidward was jealous of you.

Squilliam: Yeah it's because I succeeded in everything he failed in.

Xenia: Wow.

Me: Thank goodness you and Squidward are friends now.

Camie: Why were they rivals?

Me: Squidward and Squilliam went to high school band class and Squilliam always outdid Squidward in everything and he made millions of dollars doing everything Squidward wishes he would do.

Camie: Whoa.

Eli: Yeah.

Sirius: Wow that is rough. No wonder Squidward became a gloomy person all the time.

Xenia: Yeah.

Golden Glider: (Squilliam laughs) Why are you laughing?

Squilliam: Sorry. It's just the adrenaline rush right now.

Evil Wing Man: I don't blame you.

Me: Me neither. You're excited to kick the Flying Dutchman's ghostly butt!

Qin: Yeah.

Squilliam: Yes that's right.

Me: He wants to see something scary, we'll give him a nightmare unlike any other.

Squilliam: And the fact that me and Karen actually managed to avoid getting captured by the Dutchman.

Commando Man: We don't blame you for that either.

Me: Me neither.

Karen: Yeah.

Camie: But this will be awesome taking on the Flying Dutchman.

Nico: Yeah it suer will be.

Lily: But the best way to get to The Flying Dutchman's Graveyard is through a covered bridge that leads through the Perfume Department.

(GULP) DUN DUN DUNNNN!

Squilliam: And Bubble Buddy is here too.

Boil Man: That's right! We almost forgot about him.

Professor XXXL: Does anyone want snow cones?

Nico: No thanks but thank you.

Bubble Buddy: It's good you guys are all safe.

Me: Thanks Bubble Buddy.

SpongeBob: Same to you too.

Don the Whale: Don't forget about me!

RD Carol: Hey there, Don!

Me: Glad you're okay Don.

Don the Whale: Same here.

Plankton's cousin Clem hopped onto my shoulder.

Clem: Thank goodness too.

Me: Clem. Then goodness you're safe too.

?: And don't forget me y'all.

We saw SpongeBob's friend from camp, Narlene Narwhal!

Narlene: Howdy there. My name is Narlene.

SpongeBob: Narlene! Glad you're safe too.

Nico: You know her SpongeBob?

SpongeBob: I sure do. We went to Kamp together.

Grizzly: This is everyone?

Grizzaka: Beggers can't be choosers! Our usual picks from Bikini Bottom are captured!

May: Except Man Ray and Dirty Bubble. They're in the Masters of Evil HQ.

Me: At least the Flying Dutchman didn't get them.

Qin: Yeah no kidding.

Laney: Yeah.

Me: What about Sinister Slug, Jumbo Shrimp, Atomic Flounder or Prawn or the Naked Krabs?

Grizzaka: No he didn't get them.

Me: Good.

Gru: If those perfume vultures try anything, it's freeze ray for them!

Maria: And a bubble rainbow from Spongebob!

Nico: You got that right. Lets go!

Moondancer: Wait! I have these for us.

She gave us Ghostbuster Weapons.

Me: Ghostbuster Rays and traps? Where did you get these Moondancer?

Moondancer: Egon got these for me to have us be prepared for this.

Me: Smart thinking there.

We were ready.

Then we were off.

We arrived at the covered bridge.

Me: This must be it and there is the Perfume Department. [I point to a live-action room full of perfume and customers]

Nico: Let's do it. [We try to run through the department but get sprayed with all sorts of perfume. Someone even goes as far as removing Nico's gas mask and spraying him in the face with perfume. We exit the department]

SpongeBob: [panting] I always hate going in there!

Me: Me too!

Zzzax: I'm sure the perfume thing won't be too bad.

Pink Ranger Slayer: Well, you're pure electricity.

Me: We just went through it.

Qin: Man that was so awful!

Lola: It wasn't that bad. I loved all the perfumes.

Me: Figures you would like it Lola.

Lola: Yeah I like to smell good.

RD Lucy: It was death incarnate.

Lana then hurled her guts out.

Same with RD Lana.

Qin: Yuck.

Me: But look. We're here.

We saw that we were in the creepiest place ever in Bikini Bottom: THE FLYING DUTCHMAN'S GRAVEYARD!

(EVIL LAUGHTER!)

Toad: I never wanna go through there again!

Lola: You guys are overreacting. I actually loved it.

Lana: Figures you would!

Me: I said that already Lana.

Lana: Oh sorry.

BlackWarGreymon: (to Eli) Don't bonk their heads together. What we went through is punishment enough,

Eli: Agreed.

Nico: Lets just capture the Flying Dutchman, save our friends and get the hell outta here.

Xenia: Good idea.

Rarity: Oh pity. I liked going through the perfume department.

Pipp Petals: Me too Rarity: It was beautiful.

Me: Lets put that behind us now.

We went into the graveyard and it was a scary as shit place.

Me: Boy this place give me the creeps.

Brittney: I like it.

Agitos: I thought Gothos Tower was creepy.

Lily: It sure is crazy scary though.

Qin: Yeah.

Lana: Where is the ship the Flying Dutchman is in?

Me: Well it's not that hard to spot. It's a floating green glowing ship.

Bubble Buddy: Then we'll find it no problem.

Cyborg Cat: (notices something) So, a green glowing ship, right?

Ticklepuss: Yes. Why?

Cyborg Cat pointed to something.

We saw THE FLYING DUTCHMAN'S SHIP!

Nico: That's it.

Qin: Wow! The Flying Dutchman's Ship!

Xenia: Scary!

Laney: Yeah.

Maria: By the way, Layla, you and Ness get a chance to shine today.

Layla: Right on!

Ness: Sweet!

Me: Nice!

Nico: How are we going to get the Flying Dutchman's attention?

Me: I got an idea. (ACTIVATES THE YOLKER'S RIDEWATCH)

We got rapid fire egg machine guns.

Nico: Oh we're going to Egg his ship!

Me: Yep.

Disk Wars Silver Samurai: Time for our entrance!

Me: After we draw him close. Watch.

Nico: Yep.

Me: Fire!

We went invisible and fired MILLIONS OF EGGS AT THE SHIP!

Flying Dutchman: NO ONE EGGS THE FLYING DUTCHMAN AND GETS AWAY WITH IT! ENSIGN STEER THE SHIP TO WHERE THOSE EGGS ARE COMING FROM!

Patrick: (Droning) Aye aye captain.

He had the ship come to us.

Me: Here he comes.

We hid.

When the ship got close enough…

Flying Dutchman: What the? Who was egging us!?

Then the spirits of Nature's divine ultimate power appeared and swirled around him and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and then beams of lightning hit our friends and freed them and then a phoenix cry was heard and we came out.

Me: Hello Dutchie!

Squidward: You guys arrived just in time!

Sandy: YEEHAW! Thank y'all!

Plankton: We owe you one.

Flying Dutchman: How did you find me?!

Machinedramon: None of your damn business!

Me: We just looked in the phone book.

Flying Dutchman: (deadpans) It was the perfume section, wasn't it? I thought I got rid of that.

Quillfire: OBVIOUSLY, YOU DIDN'T, TYRANT!

Flying Dutchman: Hey, I didn't ask you all to go through there to get to me. You could've just teleported here instead!

Me: Then what fun would that be? You know how much we love a challenge.

Nico: Yeah.

Flying Dutchman: Ah you got me there. BUT YE WILL NEVER SAVE YER FRIENDS!

Me: Too late! We did!

Pearl: Yeah!

Mr. Krabs: So ye are through!

Flying Dutchman: How did you get so many eggs anyway?

Me: Bought them all at the grocery store.

Nico: Yeah! Obviously.

Ness: PK Flash!

He fired a ball of energy and blasted down the Flying Dutchman!

Nico: YEAH!

Me: Try this! PK STARSTORM!

I rained down a powerful shower of comets and smashed him all over the place!

Flying Dutchman: THAT'S ENOUGH!

He fired laser blasts and I deflected them back and smashed him down.

We blasted him some more with eggs!

---

Sheila Kangaboxer: (Australian Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever. He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sheila, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sheila Kangaboxer: (Australian Accent) That's incredible.

Nico: You got that right. So, Sheila, what did Icky Vicky do to earn your wrath? Aside from what we already know about that demonic so-called babysitter.

Sheila Kangaboxer: (Australian Accent) Oh, you're so going to wish you had her killed when you hear this tale. I found out Icky Vicky started another prison riot, so she could escape and get revenge on all of you for the humiliations you put her through, this was three years ago. So, I went down to The Jupiter Prison and I brutally pulverized Icky Vicky and threw her back in her prison, but not before I'd broken her arms and legs badly, and then, I left the prison.

We gasped in shock.

Nico: Why, that evil, sadistic, bubble butt, fire-breathing, rageaholic… !

Me: I can't believe that stupid Icky Vicky would pull something like that!

Lincoln: Knowing her, she would do something like that. But, that was so awesome that you stopped her, Sheila.

Sheila Kangaboxer: (Australian Accent) Thanks, Lincoln.

Eli: But, you know what this means?

Lincoln: Yep.

Lincoln used his powers and formed a pool full of electric eels and dropped Icky Vicky in it, and she was electrocuted badly.

Timmy Turner: Serves you right, Bubble Butt!

Nico: (Snickers) Bubble Butt?

Wanda: That's an insult Timmy made for her, and rightfully so.

Lori: That good-for-nothing fire-breathing dragon! She's literally going to go too far, just like Flip.

Me: Second she does, she'll be on the bad end of receiving the same brutal punishment as Flip: getting dunked into another pool of electric eels.

Awesome job, guys, but we're not done yet, there's still the matter of Dr. Arliss Loveless to deal with, and that tech-crazed criminal mastermind should be arriving… right now!

?: I will have my revenge on you for ruining my plans to overthrow the United States Government, Team Loud Phoenix Storm!

Lincoln: And right on time is when we expect to hear that voice again. You can come out now, Dr. Loveless.

A figure came out, and it was none other than Lincoln's old enemy, Dr. Arliss Loveless, and he was really really mad now.

Nico: Damn, I think after what you did to him last year, you've really pissed him off, Lincoln.

Dr. Arliss Loveless: You fools have ruined all of my plans, if you hadn't gotten in my way, the entire government would've been destroyed and I would've finally divided the nation, now I will kill every last one of you.

Wendy Dorrington: As if any of us are going to let that happen, you miserable good-for-nothing loser.

Suddenly, Wendy Dorrington's purple eyes turned neon purple and she was surrounded by an orange energy aura with Fire, Water, Ice, Wind, Light, Darkness, Earth, Time, Space, Stars, Magic, Lightning, Wood, Crystals, angels, and phoenixes, she unholstered her massive Elemental Mistress Doriado-themed greatsword from her back, and as she approached Dr. Arliss Loveless, she left orange energy, Fire, Water, Ice, Wind, Light, Darkness, Earth, Time, Space, Stars, Magic, Lightning, Wood, Crystals, angels, and phoenixes with every step.

Wendy Dorrington: Dr. Arliss Loveless, the crimes that you have committed against the people of the United States and The U.S. government itself can never ever be forgiven, you are nothing more than a traitor to the entire nation, and for that, you are hereby sentenced to death for your vile crimes.

Suddenly, Wendy Dorrington was surrounded by a massive vortex of orange energy with Fire, Water, Ice, Wind, Light, Darkness, Earth, Time, Space, Stars, Magic, Lightning, Wood, and Crystals surrounding the vortex, there's Elemental Mistress Doriado flying around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Wendy Dorrington emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Wendy Dorrington grew from 6'5" to 7'4" in height, she has the body of a goddess, she has rainbow highlights in the bangs of her long flowing orange hair, she has neon purple eyes, and an orange energy aura with Fire, Water, Ice, Wind, Light, Darkness, Earth, Time, Space, Stars, Magic, Lightning, Wood, Crystals, angels, and phoenixes surrounding her, she has the Element Kanji in the hands of Elemental Mistress Doriado emblazoned on her forehead, she has on angel earrings with purple crystals for eyes and holding the Element and Eternity Kanjis in its hands, she also has Elemental Mistress Doriado with orange crystals for eyes and holding the Element and Eternity Kanjis in its hands for for the second pendant on the bottom of her orange angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love, and her heart-shaped necklace. Suddenly, Wendy Dorrington felt a sharp pain on her back, and then, her massive orange angel wings with purple tips on the feathers and stars in them grew much bigger for her new body. Wendy Dorrington has on a Ring of The Phoenix with orange gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Wendy Dorrington's massive Elemental Mistress Doriado-themed large greatsword and all of the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of orange energy, Fire, Water, Ice, Wind, Light, Darkness, Earth, Time, Space, Stars, Magic, Lightning, Wood, Crystals, angels, and phoenixes, and when it emerged, it transformed into Elemental Mistress Doriado's Elemental Firestorm Greatsword of Elemental Firestorm Justice and Elemental Angel Love, it's a brand-new large greatsword with Elemental Mistress Doriado etched on the 7'0" massive, wide, double-edged orange blade, large white angel heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large white angel heads and a large purple gem below the angel heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Elemental Mistress Doriado's head with purple gems for eyes and an orange gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Wendy Dorrington has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA ELEMENTAL FIRESTORM MISTRESS DORIADO ANGEL OF DIVINE CELESTIAL ELEMENTAL FIRESTORM JUSTICE AND DIVINE ELEMENTAL MISTRESS LOVE!

We were amazed by Wendy Dorrington's Super Angel Celestial

Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Dr. Loveless saw it, the bastard fell into a rage and was about to kill her when he got out a gun, but Wendy fired a powerful orange energy blast with Fire, Water, Ice, Wind, Light, Darkness, Earth, Time, Space, Stars, Magic, Lightning, Wood, Crystals, angels, and phoenixes, and it exploded with incredible power as it hit the bastard, and it pissed him off even more.

Nico: Holy crap, Wendy Dorrington's transformed, so awesome!

Lincoln: She now looks even more like an Angel of The Elements, and Wendy, you look beautiful, how do you feel?

Wendy Dorrington: (Divine Echoing Cosmic Voice of The Elemental Firestorm Mistress Doriado and Divine Celestial Elemental Firestorm Love) **I feel incredible, Linky. Now, shall we destroy that evil monster and traitor of the US once and for all?**

Lincoln: (Smiles) With pleasure, Wendy.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Wendy Dorrington.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Your days of trying to divide the United States for your own selfish purposes are finally over, Dr. Loveless, and now, it's time for you to die!**

Wendy Dorrington and Lincoln went after Dr. Arliss Loveless, and they fired extremely powerful blasts of rainbow energy, orange energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Mermaids at Dr. Arliss Loveless, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, and they also drew blood.

This was really pissing off Dr. Loveless off badly, but Wendy Dorrington and Lincoln were just getting started. Suddenly, a beam of light descended and a hand-cannon Blaster then appeared for Wendy Dorrington, it was known as Elemental Mistress Doriado's Elemental Firestorm and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's orange with elemental forces on the blaster with a Phoenix, Angel, and Elemental Mistress Doriado surrounded by elements etched on the sides, and a rainbow gem on the top of the blaster.

Lincoln also got out his Universal Elemental Thunderbird hand-cannon Blaster and he and Wendy fired blasts of rainbow energy and elemental forces, and when they hit Dr. Arliss Loveless, they exploded with incredible power as they hit him and he was killed. Then, as they holstered their hand-cannon Blasters, Dr. Arliss Loveless' spirit appeared and Wendy and Lincoln fired two black energy blasts with the Judgement Kanji and they hit Dr. Loveless and he was erased by The Black Gates after he was found guilty for his crimes by those he killed. We cheered wildly for what Wendy Dorrington and Lincoln did to Dr. Arliss Loveless as they holstered their massive greatswords on their backs and power down, and Wendy Dorrington's new body, clothes, jewelry, weapons, and massive orange angel wings are permanent.

Wendy Dorrington: That'll teach you, you heartless traitor. Thanks for helping me in destroying Dr. Arliss Loveless, Linky.

Lincoln: (Smiles Warmly) You're welcome, Wendy.

Suddenly, Wendy Dorrington wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Wendy Dorrington's face, they kissed passionately as Wendy Dorrington's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Elemental Mistress Doriado flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces behind them and we cheered wildly. Lincoln and Wendy Dorrington changed back and came back to us, as the display and Elemental Mistress Doriado vanished.

Nico: That was a really awesome elemental battle you guys put on against that bastard, Dr. Loveless.

Lincoln: Thanks, Nico, and we finally got rid of him for good.

Eli: He deserved to die for his crimes. Lincoln, what Gene-Slammer are you hoping to meet on your next rescue tomorrow?

Lincoln: Good question, Eli. Hmm, ooh, how about a Gene-Slammer for Vylon Omega?

Me: Now, that's an awesome one.

We had him defeated.

Flying Dutchman: Alright, do your worst?

Whirlin: Actually, we were actually thinking you could join our ranks.

Flying Dutchman: Really?

Iceage: Well, Spongebob has helped you at times.

Magma: And the offer extends to your crew.

Me: Yeah.

Bizarro: This was very bad day.

Me: It was a bad day.

Zavok: Now, let's go home through the perfume section.

All of us: NO!

Me: Yeah I've had enough perfume to last a fucking eternity!

Qin: Me too!

Me: Uh no offense Lola and RD Lola and to Rarity and Pipp and those that wear perfume.

Rarity: Oh none taken.

Nico: Yeah. This was one that really Breaks the Yolk! (LAUGHS) Get it?

We laughed hysterically!

Nico: (LAUGHS) That was funny.

Me: Yeah!

SpongeBob: (LAUGHS) Breaks the Yolk. But yeah. (To the viewers) This was an awesome and funny rescue though. Hope you liked it.

Nico: We all did. Great job today everyone.

Me: Boy this was an adventure that Cracks us up and Breaks the Yolks! (LAUGHS) Oh I can't get enough Egg puns.

Yolker: (LAUGHS) Good one!

We went back home and we enjoyed the rest of the day and went to sleep.

Me and Naruto are in the Simulator doing an exercise.

Varie, Aylene, Lori, Carol, Leni, Luna, Ember, Sam L., Jeri, Sam M., Danny, Eddy, Luan, Lynn, Shannon, Lincoln & Linka, Lucy, Wednesday, Haiku, Laney, Penny, Lana & Lola, Penny, Lisa, Lily, Liam, Tabby, Zach, Sakura, Ino, Fu, Hinata, Mikari, Tenten, Kushina, Tayuya, Rin, Isaribi, and Sasame were in the control room.

The simulator activated and Me and Naruto found ourselves in the Yokai Realm.

Me: We're in the world of Rosario + Vampire. Another one of my favorite animes.

Naruto: I believe it. This forest is really creepy.

Me: I know. Stay close to me.

Me and Naruto walk through the forest and we hear a bike bell coming.

Me: Jump!

Me and Naruto jumped and we see a girl with pink hair and a green school uniform on ride passed us and she fell to the ground.

We land and rush over to her.

Me: Miss. Are you okay?

?: Yeah. I'm a little dizzy.

Naruto saw her fangs and knew that she was a vampire.

Naruto: You're a vampire aren't you?

?: Yes.

Naruto cuts his hand with a kunai and blood comes out.

Naruto: Here. Have a drink.

?: Thank you.

The girls takes a big drink and was all better.

?: That's better. Sorry I'm Moka Akashiya.

Me: It's a pleasure to meet you Moka. I'm J.D. Knudson.

Naruto: And I'm his little brother Naruto Uzumaki Namikaze.

Moka: It's a pleasure. I was on my way to Yokai Academy.

Me: That's where we're headed.

Naruto: Yep. Can we walk with you?

Moka: I would like that.

As we all walked, I asked Moka a question about her past.

Moka: I don't like talking about my past very much. I come from a powerful Vampire family and I was ostracized because of my habits.

Naruto: I know how you feel Moka. Like you I have a dark past. My whole village minus a few have treated me like I was a plague. I'm the Jinchuriki of the 9-Tailed Fox. My parents were killed on the night I was born and I was made the Jinchuriki of the Fox. My village hated my guts and it was not pleasent.

Moka: That's horrible Naruto. I'm so sorry.

Naruto: It's no big deal Moka but thank you.

Me: I met Naruto during a battle and I made him my little brother.

Naruto: I now became a Kitsune Angel Hanyou. I'm half human-half kitsune. But I also have Angel abilities. I have enormous power as a result.

Moka: That's incredible Naruto. What about you J.D. do you have powers too?

Me: Yes I do Moka. But I was born a normal human. But I was given my powers because of Cosmic Radiation, Radiation from Outer Space. It gave me omnipotent powers and more.

Moka: That's incredible!

Me: It is. I have tremendous power and with Great Power comes Great Responsibility.

Moka: That's true.

Naruto: Moka, I think you're very beautiful as you are and I can even tell that you have great power deep down inside.

Moka: Thank you Naruto. But this is not my real self. My rosary cross I have around my neck holds my inner self. If I were to take this off I would turn into my true form, the truly terrifying vampire.

Me: That's incredible. That rosary must suppress your true power and keeps it from escaping.

Moka: That's right. I wish I could remove this seal permanently so that way my true self and my outer self could someday live as one instead of two separate beings.

Naruto: I'm sure you'll find a why to break the seal for good someday.

Me: Me too Moka.

Moka: You're not afraid of me? How come?

Naruto: Trust me Moka, we are no strangers to everything in the worlds of the paranormal and supernatural.

Me: Also Me and Naruto are not the kind of people to judge people like that. We would never do something like that.

Naruto: Especially to a pretty and beautiful girl.

Moka: (Blushes) Thank you guys.

We arrived at the school and it was an amazing place.

Me: So this is Yokai Academy. It looks like a Japanese Castle.

Naruto: It kinda does.

We find our homeroom and we saw numerous students.

Me: (In my head) They all look human but I'll bet that they are all monsters in disguise.

We met our teacher Shizuka Nekonome.

Ms. Nekonome: Welcome. You must be the new students. I'm your homeroom teacher Shizuka Nekonome.

Me: It's a pleasure to meet you. I'm J.D. Knudson.

Naruto: I'm Naruto Uzumaki Namikaze his little brother.

Me: We're not related by blood. It's something we like to keep hidden.

Moka: And I'm Moka Akashiya.

Ms. Nekonome: Please take your seats.

We took your seats and Me and Naruto scanned the students. One student caught our eye. It was a girl named Fenikkusu Megami. She was a Phoenix.

Me: (In my head) She's a Phoenix. One of my favorite creatures of myth. I'll have to ask her to join us.

Naruto saw a kid named Saizō Komiya and he looked like he could hurt Moka in any way, shape or form.

Naruto: (To me telepathically) That kid Saizō is a menace and he's planning on making Moka his own.

Me: (To Naruto Telepathically) Thanks for telling me bro. We'll deal with it when we can.

Naruto nodded.

At lunch we were talking and Fenikkusu came.

Fenikkusu: Hey. Can I sit here?

Me: Sure.

She sat by Naruto.

Me: My name is J.D. Knudson.

Fenikkusu: I know. My name is Fenikkusu Megami and I heard alot about you and how you defeated the notorious Black Daffodil Gang.

Me: It's a pleasure and news about that sure has traveled fast around the world hasn't it?

Fenikkusu: (Chuckles) It sure has.

Moka: You defeated a gang J.D.?

Me: We sure did. Me, my fiance Varie and my friends the Loud Siblings defeated them. The Black Daffodil Gang was terrorizing all of Michigan for 5 years and we ended their reign of terror.

Moka: That's amazing!

Naruto: Yeah. It was awesome.

Fenikkusu: You must be the famous Naruto Uzumaki Namikaze.

Naruto: I am.

Fenikkusu: It's a pleasure to meet you. I'm Fenikkusu.

Naruto: It's a pleasure.

Me: So Fenikkusu, are you a phoenix?

Fenikkusu: How did you know that?

Me: Your name means Phoenix and it's one of my favorite creatures. The legendary firebird that represents Fire, Immortality, Reincarnation, Resurrection and Renewal.

Fenikkusu: That's all correct. I'm impressed you know all that. Yes I am a phoenix and I have amazing fire powers and I can fly with wings.

Me: That's amazing. I'm an Angel.

Fenikkusu: That's cool. I can tell that you and Naruto have a lot of power.

Naruto: That's right.

Then Saizō came over.

Saizō: Hey Moka, how about you ditch these Losers and come with me?

Moka: No thank you.

Saizō: Maybe I didn't make myself clear.

Naruto grabbed his arm as he was about to grab her.

Naruto: You stay away from her pretty boy!

Saizō: Let go kid! Moka is mine!

Naruto: Moka is not a piece of property for your own amusement you Chauvinistic Numbskull!

Saizō: That's it!

Saizō punched Naruto but he dodged it and Naruto punched Saizō in the face and sent him crashing into the wall.

Me: Nice shot bro.

Moka: Way to go.

Fenikkusu: Your strength is truly impressive.

Naruto: Thanks guys.

Later at sunset we were heading to our dorm rooms when Saizō confronted us again.

Saizō: You will pay for that punch!

Me: You just will never learn will you?

Saizō: I will now kill you and Moka will be mine.

Saizō then transformed into an Orc.

Me: So you're an Orc. I've read alot about your kind in books and on computer games.

Saizō: **Yes and now you will die!**

Naruto punched him in the stomach and kicked him in the face and sent him crashing into a tree.

Naruto: You'll have to get through us first.

Naruto goes Kitsune Hanyou, I go Angel, and Fenikkusu went Phoenix.

Naruto: Wow. You look awesome Fenikkusu.

Fenikkusu: Thanks Naruto. But you can call me Kusu.

Naruto: All right. Lets get him together.

Saizō got up and he was mad.

Saizō: **You all will die!**

I punch him in the stomach and kicked him in the back of the head.

Naruto grabbed him with his tails and lifted him up and slammed him into the ground with incredible force.

When Saizō got up, Fenikkusu fired a stream of fire at him and burned him bad.

Fenikkusu: The Flames of justice shall cleanse the soul.

Naruto then charged at him and accidentally tripped and stumbled after Moka and he accidentally took off her rosary. A powerful transformation happened. Moka was enveloped in a bright pink light and the sky turned dark and bats covered Moka. She became like a goddess and her hair turned silver and her eyes turned red and slitted.

Saizō: **Hey, what's going on here? That's not the same Moka.**

The bats came off her and her true form was revealed.

Saizō: **Oh man! The tales, they're true! The Red eyes, the silver hair, the overwhelming energy! She's an S-Class Super Monster! A real Vampire!**

Naruto: Whoa! So that's Moka's true form!

Me: Unbelievable! Her power is completely unreal!

Fenikkusu: Incredible! So this is the legendary vampire.

Moka: So then I suppose the one that woke me up was you huh?

Naruto: That was me by accident.

Moka looked at Naruto.

Moka: So we meet at last Naruto Uzumaki Namikaze.

Naruto: Yes.

Moka: You 3 have done very well against this maniac. I'll handle the rest from here.

Me: He's all yours.

Fenikkusu: Show him what happens to those that hurt other women!

Moka: With pleasure.

Saizō: **Get it together man! You would be a legend if you beat a vampire.**

Moka: (Yawns) It's time for you to know your place.

Moka kicks Saizō in the face and sends him crashing into the cliff with devastating force.

Me: Holy Mackeral!

Naruto: What power!

Fenikkusu: He sure was asking for it.

Moka: That takes care of him. [To us] I must admit your power is all very impressive.

Me: Thanks Moka. Your power is impressive too. You want us to finish him off?

Moka: That won't be necessary. He's learned his lesson.

Naruto: I hope so. He gives boys everywhere a bad name.

Me: You said it bro.

Fenikkusu: I agree.

Moka: I couldn't agree more. Also, when you removed my seal Naruto your chakra merged my personalities together. We are now one thanks to you.

Naruto: You're welcome Moka.

Me: That's awesome Moka! Way to go bro!

Naruto: Thanks.

Me: We should get to our dorms and explain everything.

At their dorm room Fenikkusu revealed her background and it was not pleasent. She came from the Phoenix clan, a clan of Phoenix's that was known for fire control, immortality, and bringing the dead back to life. They were wiped out by an evil clan of fox demons called Yoko's. Fenikkusu is the last of her clan and she swore to get revenge on the Yoko's. She was adopted by a farmer in Japan.

Me: Kusu that's horrible!

Moka: I agree. The Vampires and the Yoko's had been at war with eachother for centuries.

Naruto: You're not the only one thats lost a clan Kusu. My best friend Sasuke Uchiha lost his clan too. The Uchiha Clan was killed by his older brother Itachi and Sasuke swore to kill him and avenge the entire clan.

Me: It was because of the Hidden Leaf Council's corruption that Itachi was forced to kill the entire clan.

Fenikkusu: That's horrible!

Me: Yeah. But after the truth was revealed he changed and is now trying to put the Uchiha on the right path.

Moka: That's good.

Me: Yeah. But we have a lot of work to do. I sense that this whole school is having lots of problems with it's students and staff.

Fenikkusu: I can sense it too.

Naruto: We've got our work cut out for us.

The Next day, as we were walking to class we heard someone gasp and we saw a girl with neon blue hair and a beautiful appearence.

?: Please help me.

Naruto ran over and helped her.

Naruto: Are you all right?

She looked at Naruto and she has purple eyes.

?: Yes I am.

Naruto: You're Kurumu Kurono aren't you?

Kurumu: Yes. How did you know that?

Naruto: I saw an empty desk in our homeroom and I figured it was yours.

Kurumu: That's right and you are my destined one.

I fired a Force blast at her and sent her into a true.

Me: Get away from my little brother!

Kurumu: You ruined everything!

Kurumu sprouted bat wings and a tail.

Me: She's a Succubus, the beautiful demons of Medieval Folklore.

Fenikkusu: The Phoenixes and the Succubi have had a nasty rivalry and it's been that way for centuries.

Kurumu: That's right and I'm here on an important mission. The fate of my race is at stake!

Me: Mission? What for?

Naruto: Fate of your race? What do you mean?

Kurumu: The reason we Succubi seduce men is so we can meet our destined one. My kind are few in number. So in order for our race to survive we must carefully choose our destined one from a large pool of men that we've bewitched with our love charm.

Me: I've read about that. It's called the Spell of the Succubus. It's a very powerful charm that works on the most weak-minded of men. It's been used by succubi for centuries.

Fenikkusu: It's a very dangerous weapon of the Succubi and we Phoenixs are immune to that charm.

Kurumu: That's correct. I had almost done it too! [Her nails become long claws and she slashes at us] But you got in the way of that J.D.! That's why I can't let you live!

I dodge all her attacks.

Moka: So that's it? That's why you picked a fight with us? Big mistake.

Moka grabbed her tail and spun her around and kicked her in the face and sent her crashing through 3 trees and she hit another one and slumped on the ground.

Kurumu: I'm sorry. I'll stop I promise.

Naruto: Moka that's it. She's had enough. She's in alot of pain like me. Lets try and help her out.

Moka: You're right Naruto. We have our own mission too.

Kurumu broke down crying and Naruto formed a Shadow Clone and comforted her.

Moka: How could you tell that she was in pain Naruto?

Naruto: Through her eyes.

Fenikkusu: That's right. They say the eyes are the window into the soul and I can tell that Kurumu has been through some tough times.

2 hours later, Me, Naruto, Moka, Fenikkusu and Kurumu were checking out our test scores and we saw that we are all tied for number one with someone called Yukari Sendo. We then see three boys picking on a little girl in witch attire.

Boy 1: That stupid witch costume is against the rules.

I walk up to them.

Me: Leave her alone you filthy parasites! Who the heck do you think you are picking on her?

Naruto: Yeah, she's a little girl you know!

Boy 2: Who are you two?

Me: Someone you don't want to get mad. Now get out here and if we catch you picking on this little girl again we will kill you!

Naruto: Yeah! Consider this your first and last warning!

Me, Naruto, Moka, Fenikkusu, and Kurumu met Yukari Sendo.

Me: It's a pleasure to meet you Yukari. I'm J.D. Knudson.

Naruto: I'm Naruto Uzumaki Namikaze.

Moka: I'm Moka Akishiya.

Fenikkusu: I'm Fenikkusu Megami.

Kurumu: And I'm Kurumu Kurono.

Yukari: It's a pleasure to meet you all.

Me: Yukari I can tell that you have amazing smarts and you have a great talent in the mystic arts like me.

Yukari: You can use magic too?

Me: Light and dark magic. Also I can sense that you are in pain too. I can tell that no one accepts you because of your gifts.

Kurumu: That's really sad.

Naruto: Trust me Yukari I know how you feel. I too was not liked and more.

Fenikkusu: That's right. You don't have to worry about that anymore. We'll be your friends.

Yukari was shocked by this and she broke down crying and Naruto comforted her.

?: Hey!

We saw the same three boys from before.

Me: Those jerks again!

Naruto: What do you three morons want!?

Boy 3: Making friends with a witch is against the rules and you will pay for that!

They transform into lizardmen.

Me: Lizardmen!? I thought they existed only in B-Movies!

Tadeshi: No we are real and we will kill you for befriending a witch.

Me: Bring it on. I could use a lizardskin wallet to give to my fiance. But not in here. Lets take this outside.

Tadeshi: Good thinking.

We all go outside to the forest and a savage fight began. We all overwhelm the Lizardmen and me and Naruto blasted them and killed them. I take my sword and slash the dead bodies and turn them into a wallet and purse.

Me: Perfect.

Yukari: You sure stayed true to your threat J.D.

Me: Yep. They were asking for trouble and they got it.

I sealed the wallet and purse into a scroll.

The Next day we were looking for a club to sign up for.

Me: Lets see. What sounds like a perfect club?

Naruto: How about the swimming club?

Me: That would be a perfect club for us but I don't think Moka and Kusu would like it.

Moka: Yes. You are correct.

Me: From what I remember Vampires can't get wet with water because the purities in it will weaken them and Kusu, Phoenixes can't get wet because it will extinguish them.

Fenikkusu: That's right. It won't kill us because we're immortal.

Moka: Yes. I can't get wet.

Me: So that's out.

We hear screaming coming from the pool.

Me: Sounds like trouble. (Senses Something) Whoa! My Mermaid Senses are going haywire!

Moka: You can sense Mermaids?

Me: Yeah. It's one of my childhood powers. There must be alot of them. I have a feeling that the swim club is full of mermaids. Moka, Kusu, you'd better sit this one out when we get there. Naruto, Kurumu, Yukari, you come with me. Lets go!

We ran to the pool and we saw mermaids sucking people dry of their blood.

Me: (Gasp) Mermaids! I was right. These must be mermaids from the dark side of the legend. Lets go!

Me and Naruto ran onto the water and Kurumu flew above it. We were fighting blood-thirsty mermaids.

Varie arrived at the pool and she saw us fighting.

Me: (Signal Whistle) Yo! Everyone out of the pool!

The club members got out of the pool.

We met a mermaid named Tamao Ichinose.

Me: You must be Tamao Ichinose.

Tamao: That's right. J.D. Knudson, I've heard alot about you.

Me: The feeling is mutual.

Varie: I have a question for you all.

We see Varie.

Me: Varie, I was just about to call for you but you beat me to it.

Varie: I know. [to the mermaids] My parents were killed 11 years ago by 2 mermaids from the dark side of the legend. Do any of you know who they are?

A Mermaid raised her hand. Her name was Mingyo. She had red fins and a red tail and a blue bikini and red hair and blue eyes.

Mingyo: Yes. I do. My name is Mingyo and they're my parents and they told me what they did. I never wanted to become a mermaid for the Dark Side of the Legend. I wanted to help people out. I'm so sorry my parents killed your parents.

Varie: I can tell you aren't lying. Thank you for telling me.

Mingyo: I will gladly have them brought here.

We all gasp.

Me: Mingyo you're gonna turn on your own parents?

Mingyo: Yes. Those monsters are not my parents anymore. They are cold-blooded murderers.

Naruto: That is harsh. But they deserve to face justice.

Kurumu: No kidding.

Mingyo created a whirlpool and out of it came a mermaid and a merman.

Me: So you two are the ones that killed Varie's parents.

?: Yes. I'm Nikora and this is my husband Taketa. Mingyo why have you called us?

Mingyo: Payback time!

Varie: You monsters killed my parents and I will have my revenge!

They saw Varie.

Nikora: What!? That little brat is alive!?

Varie: No! I escaped and survived.

Naruto: Tamao, you'd better get everyone out of here. This is gonna get brutal. We'll talk later.

Tamao: Right.

The swim club got out and ran.

Varie went Super Angel and pulverized Nikora and Taketa into oblivion. She then threw them up into the air.

Varie: This is for my mother and father! Now die! KA! ME! HA! ME! HAAAAAA!

She fired a Kamehameha Wave right at them and it engulfed them and vaporized them in an instant.

Varie powered down and landed by the pool. She pulled out a locket she had around her neck and opened it up and in it was a photo of her family.

Varie: You can now rest in peace Mom and Dad. I love you both. (Kisses the photo)

Varie broke down crying and grieved for her family and I comforted her.

Me: It's okay Varie. Just let it all out.

Varie was crying hard into my chest.

Me: It's okay. it's okay.

Tamao: She got revenge on the people that killed her parents?

Naruto: Yeah. Her past was very tragic.

Tamao: That's horrible.

Mingyo: I can't believe my own mother and father would do this to her. They are monsters.

Kurumu: No kidding. Varie has been through something no one should ever have to go through.

Varie cried for 2 hours and she calmed down.

Varie: Thank you J.D. I love you.

Me: I love you too Varie.

Me and Varie kissed and everyone cheered.

In the cafeteria, we were having lunch and Tamao and Mingyo were with us.

Tamao: I'm so sorry about your parents Varie.

Varie: It's all right Tamao.

Mingyo: I never wanted to become a mermaid for the Dark Side of the Legend. It's a horrific Lifestyle.

Me: I know. It's not pleasent.

Naruto: I can tell that you are lonely Tamao. Like I once was.

Tamao: Yes. I don't have any friends because I was treated like an outcast.

Naruto revealed his background and Mingyo and Tamao were shocked.

Tamao: Naruto that's awful.

Naruto: Yeah. But I now have my family back and it's thanks to my big brother here.

Me: I'm glad I could help bro.

Tamao: I'm so glad.

Varie: Tamao, you look very familiar to me.

Tamao: Same here. I once had a little sister named Varie. But she disappeared after my parents died.

Varie: Really?

Varie pulls out her locket and pulls out her photo and finds that the picture is folded. She sees that there was a young Tamao by her mother. This shocks her.

Varie: Tamao. You're my big sister.

She shows the photo to Tamao and she gasped.

Tamao: It is you! Varie!

Tamao and Varie hugged for the first time in 11 years.

Tamao: I thought I would never see you again!

Varie: I've missed you so much big sis!

We were shocked by this revelation. But we were also joyous that family has been reunited.

Kurumu: I'm so happy for them.

Fenikkusu: Me too.

Me: I'm so happy for both of you.

Naruto: Me too.

Tamao and Varie had a lot of catching up to do.

We decided to sign up for the Newspaper Club.

The next day we were handing out Newspapers to everyone in the school.

After they all were handed out we were talking.

Me: That's all of them.

Naruto: Yep.

Varie: You all did a great job.

Tamao: Yes. Great job.

Kurumu: Thanks Varie. Are you and Tamao fully caught up?

Varie: Almost Kurumu.

Tamao: We have a lot to talk about still.

Yukari: I'm so happy that you are reunited with your sister Varie.

Moka: Me too. I'm glad. I wish I was reunited with my sisters.

Me: Maybe someday.

A girl with lilac hair and blue eyes walks up to us.

?: You people are all buddy buddy aren't you? You newspaper clubers.

We see the girl and I look into her eyes.

Me: (In my head) She's got loneliness issues too. Poor girl. (Out loud) You've been through alot. I can tell. Sorry we should introduce ourselves. I'm J.D. Knudson.

Naruto: I'm Naruto Uzumaki Namikaze.

Varie: I'm Varie Knudson. J.D.'s fiance.

Tamao: I'm Tamao Ichinose. Varie's big sister.

Moka: I'm Moka Akashiya.

Fenikkusu: I'm Fenikkusu Megami.

Kurumu: I'm Kurumu Kuruno.

Yukari: And I'm Yukari Sendo.

Mizore: It's a pleasure. I'm Mizore Shirayuki.

Me: Shirayuki? Is your mother Tsurara Shirayuki?

Mizore: Yes. How did you know?

Me: My mom and your mom know eachother and are really good friends. You must be a snow woman.

Mizore: That's correct.

Naruto: You've probably had a very similar background like mine.

Me: You can tell us all about it if you want and maybe we can help you.

Mizore: Okay.

We go into our dorm room and Mizore tells us a horrifying background of her life.

Me: Mizore that's horrific.

Naruto: Living like that is a fate worse than death.

Varie: No kidding.

Kurumu: I agree.

Tamao: Mizore I'm so sorry.

Yukari: Me too.

Me: Boy everyone we've met here has had tragic or horrible backgrounds and when we arrived we've essentially became the light at the end of the tunnel for them to start a better life.

Moka: That's an interesting way to put it.

Mizore: I've heard about your achievements not just in the world but here as well.

Me: Our work here is not finished yet. I sense that an even greater evil is coming and we're gonna have to fight it with everything we have.

Naruto: Yeah.

Me: So I'm going to train you all in everything me and Varie know.

Moka: Okay.

Yukari: We have to be ready for the Public Safety Commitee.

Me: Who are they?

Yukari: They are very ruthless people and they have a nasty grip over the school. They instill order with fear and anyone that doesn't follow their rules will be killed.

Me: So they're a tyrannical organization. All right, we train and take the fight to them.

I open up a portal into the Hyperbolic Time Chamber and me and Varie trained them for 36 hours in everything we know and more. When it was done Moka, Fenikkusu, Kurumu, Yukari, Tamao, and Mizore were forever changed. They had numerous powers and have mastered Ki, Spirit Energy, Chakra and more. Moka had demon bat wings, Mizore had Ice Angel Wings, Tamao had wings made of pure water and Yukari had black angel wings. With us was a fairy named Lilith, a witch named Ruby Tojo and a former member of the Public Safety Committee named Deshiko Deshi and she's a Jiang Shi, a zombie from Chinese Myth.

Me: All right team. Lets go.

We go walk around the school and search for anything out of the ordinary. Until a voice stopped us.

?: You guys sure caused alot of trouble haven't you?

We saw a girl dressed in black and she had purple hair.

Me: And you are?

Keito: My name is Keito and you are in big trouble by the Public Safety Committee.

Me: (In my head) I sense an energy imbalance in her. It's like she's under someones control. (Out loud) If I may ask, who is in charge of the Public Safety Commitee?

Keito: That would be Kuyō. He's on his way here.

Me: He's going to pay for everything hes done here and we will destroy him.

Keito: You'll have to get passed me first and that won't be easy.

She grew spider legs from her stomach.

Me: (Gasp) You're a Jorōgumo! The Spider Women from Japanese Folklore.

Keito: That's right.

Me: If my friend Leni saw you like this she would freak out. She hates Spiders.

Keito: That's a shame. Now you will die!

She got on eight legs and jumped and I snapped my fingers and broke whoever was controlling her.

Keito's eyes returned to normal purple.

Keito: What happened?

Me: You were being controlled by someone.

Keito: Yes! I remember now. Kuyō, he was controling me and I did so many terrible things.

Naruto: It wasn't your fault. He made you do all that against your will.

Kurumu: He will pay for this!

?: Then come and get me.

We see Kuyō himself.

Me: So we meet at last Kuyō. You're gonna pay for everything you've done to this school.

Naruto: Your crimes are unforgivable!

Moka: It's scum like you that should never walk the world.

Fenikkusu: You're a Yōko and you're race killed my people and I will make sure you die.

Kurumu: Yeah.

Yukari: You rule with fear and we will never tolerate that.

Varie: We will never forgive you for everything you've done!

Deshiko: You will pay for everything you've done!

Kuyō was enraged and he transformed into his true form. He was a Yōko, a demon fox spirit from Japanese Myth. He had 4 blue flaming fox tails.

Kuyō: How dare you talk to me this way!?

Me: We can talk about you however we want. Your reign of terror ends right now!

Me and Varie go Super Angel 2 and Naruto goes Kitsune Hanyou, and the girls spread their wings.

Me: It's over Kuyō. You're finished!

We fly and punch him and kick him and ferociously attack him.

When we stop 20 minutes later, Kuyō was badly wounded and he was even more enraged.

Kuyo: All that you've done to me I'll pay you back 10 times. No… 10 million times! You wretched losers! YOU WILL PAY FOR THIS!

Me: GO TO HECK!

Kuyō was completely enraged and totally out of his mind. He charged up his Vortex of Fire to maximum power and I charge up a Kamehameha Wave.

Me: KAAA! MEEE! HAAA! MEEE!

Kuyō: Now you all die! Vortex of Fire!

Kuyō fired a tremendous blast of blue fire at us.

ME: You first Kuyō! HAAAAAAAAAAA!

I fired a powerful Kamehameha Wave and the blasts collided and the energy blast overpowered Kuyō's fire and hit him head on and engulfed him and vaporized him completely.

Kuyō: CURSE YOU J.D.!

Those were the last words he said before he was completely obliterated in an instant.

We powered down and it was over.

Me: Enjoy the Netherworld Kuyō.

After Kuyō was destroyed, his mind control was broken and everyone was free.

Naruto: It's over. We won.

Ruby: Yeah. Good riddence.

Lilith: You said it Ruby.

Deshiko: I'm finally free.

Me: Lets go home.

We all head through a vortex home.

The battle completely destroyed Yokai Academy.

The exercise ended and Moka, Kurumu, Yukari, Tamao, Mizore, Fenikkusu, Ruby, Lilith, Deshiko and Keito were made some of Naruto's Future Wives in his family. This was an epic adventure.

---

When I was done everyone was amazed.

Xenia: Wow!

Camie: That's incredible!

Eli: It sure is!

Laney: That was a fun adventure to hear about.

Kaoruko: I'll say. That is so cool that you helped everyone here.

Himiko: I agree there.

Nico: That was before I joined the team.

Me: Long before that dude. But yeah it was. Also Kuyo was pure evil incarnate. He used fear to control everyone and he deserved to be destroyed for his crimes.

Laney: Yeah I hated that guy. At least he is gone forever.

Lana: Thank goodness.

Me: Yeah.

Mizore Shirayuki: I know. What he did was unforgivable.

Me: Yeah. And we also brought your molester to justice too Mizore.

Mizore Shirayuki: That's true you did.

Me: Yeah. Also some of the staff are members of the school are now in the M.O.E.

Camie: They sure are. I think Aspara is awesome. She has been teaching me so much about cooking Indian Food.

Mizore: I'm glad the home ed teacher is helping you a lot Camie.

Nico: Yeah.

Me: But yesterday's mission was cool.

Nico: Yesterday was an awesome Bikini Bottom adventure.

Me: It sure was. Boy I don't think we've ever pelted anyone with that many eggs before.

Nico: No we sure haven't. That has to be an all time record.

Eli: I counted 812,472,323,232 eggs.

Nico: GEEZ!

Me: Wow! You have been keeping track Eli?

Eli: Yeah the Force told me how many eggs were used.

Aylene C.: That's amazing Eli.

Fiona Hernandez: No kidding! That's amazing we used so many eggs like that.

Leni: But it was totes funny how Ed was able to hug all the chicken members of the M.O.E like that too.

Me: You know how much Ed loves chickens.

Nico: I have to hand it to the Flying Dutchman. He was able to capture our usual picks from Bikini Bottom.

Me: Got to give him some form of credit for that. But SpongeBob did help him out many times in the past.

Qin: That's true. He sure did.

Camie: He sure is a great pirate though.

Lola: Yeah. And Squilliam's house was awesome.

Me: Boy it sure is. No wonder Squidward and Squilliam always had it out for each other.

Mizore Shirayuki: Yeah no kidding there. They were huge rivals.

Xenia: They sure were.

Me: Boy going to the Flying Dutchman's Graveyard was really creepy. Perfect for the Halloween Season.

Camie: Yep.

Me: Can't believe we had to go through the perfume department which was through a covered bridge to get to the graveyard.

Nico: (growls) Stupid perfume section!

Me: I always hate going through there!

Lily: Me too! That was bad! I'm gonna be having a hard time getting the smell of perfumes out of my nose for weeks!

Lola: I thought it was a fragrant place.

Rarity: Oh so did me and Pipp. It was beautiful.

Me: Oh speak for yourself.

Tsuyu: Yeah it was not pleasant.

Chloe: FYI, Lincoln, Juleka and Rose are attracted to girls and boys.

Lincoln: Really?

Chloe: Yep. It's okay to have them in your harem. Because while they still love each other, they also love you at the same time.

Lincoln: Awesome!

Me: Welcome to the Pride Pack.

Nico: Yep. How is Alice doing?

Me: Getting better slowly. Ino's therapy sessions are really helping her and making awesome progress.

Nico: That's good. She went through a nightmare.

Eli: No kidding there.

Mizore Shirayuki: Yeah no kidding. How is Serena too?

Me: She is much better now thanks for asking Mizore.

Mizore Shirayuki: You're welcome.

Nico: Glad that talk we had with her teacher really helped out.

Eli: I am too.

Nico: What about Zarya?

Chloe: She's attracted to girls and boys as well. (Sadly) But she told me she broke up with Kitty Boon before because it just wasn't working out.

Me: Oh that sucks. Sorry it didn't work out with Zarya.

Zarya: Yeah me and Zarya weren't fitting. Besides I'm happy with J.D.

Me: Thanks Zarya. Also Kitty Boon will be perfect for Lincoln too.

Nico: We'll have to go to Gemina to get her and talk to her.

Eli: Yeah.

Mizore Shirayuki: Yeah. Now that all the Mysticons major enemies are destroyed it's time we recruited more members of Gemina into the team.

Qin: Good idea Mizore.

Nico: Wanna grab some grub?

Me: Well. (Stomach Growls)

All our stomachs growled.

Varie: I guess we are a little hungry.

Mizore Shirayuki: Lets head to the Cafeteria.

We did so and made a great lunch. We had curry and sushi and even burgers, hotdogs and more for lunch.

Me: (Eating an Ultimeatum) Mmm! Aweosme and delicious.

Laney: (Eating hot dogs) Mmm!

Nico was having DIABLO CURRY! It's Carolina Reaper Curry enhanced with the Triple Punishment Curry that Rock Lee knows.

Me: But Nico that looks like lethal curry.

Nico: (Eating it) But it's delicious.

His fire aura was ablaze with extreme heat and fury.

May: WHEW! That is hot!

Me: Good thing I have Mizore protected in an ice field.

Camie: How come?

Me: She's what called a Yuki-Onna, the Snow Women of Japanese Folklore and they need extreme cold.

Mizore Shirayuki: He's right on that. Thanks.

Nico: And extreme heat hurts them.

Me: Yep. Every time she goes to the hot springs she always cools it down with ice.

Mizore Shirayuki: It's true.

Me: Yeah. But it's awesome.

We had a great lunch and we were full.

Me: Ahh. That was great.

Nico: It sure was.

Eli: Yeah.

Me: Oh guys I forgot to mention, Sailor Moon is very sick with a cold.

Nico: Oh no. That sucks.

Lincoln: Yeah.

Nico: Oh boy. Well she will get better.

Me: Yeah. Sailor Venus and Minimoon are helping out. But Sailors Mars, Mercury and Jupiter told me that Mina is an absolute klutz. It happened before when the Negamoon was up their dirty work.

Nico: Yikes.

Laney: Oh boy. I have a feeling that Serena is going to be in for a wild ride.

Nico: Yeah.

Eli: No kidding.

Nico: Nurse Mina is making a comeback.

Me: Cross your fingers. Artemis told me she is really accident prone. She even made soup that was awful. Ami's was like glue and Lida's was brutally cold and Rei's was insanely spicy.

Xenia: Yikes.

Lana: Yeah no kidding there.

Me: Yep.

Juran: I hope it doesn't end badly.

Me: Don't worry. It won't. I have a shadow clone staying back to provide supervision and if there are any mishaps then he will fix it up.

Nico: Good thinking.

Mizore Shirayuki: I'm glad you guys are with me. I need your help.

Me: What's the matter?

Varie: Oh no. Don't tell me. Your mother is still trying to get you to marry Tsukune?

Mizore Shirayuki: That's right.

Me: Your mother went to school here years ago didn't she?

Mizore Shirayuki: That's right. She wants me to be the ONLY one to marry him.

Lincoln: I can't believe that your mother wants you to only marry Tsukune, Mizore, that's an arranged marriage for her own benefit, and one that causes you misery.

Mizore Shirayuki: I know, besides, I want to choose who I want to be with, it's my choice and mine alone, and she has no right.

Nico: You got that right, but I'm afraid she's way too crazy, Mizore, so there's only one place where she is heading after the fight.

Me: The Saturn Insane Asylum.

Eli: Yeah.

Lincoln: But, unlike Mrs. Florrence and Mrs. Evans, she's not getting the Epiales' Eternal Sleepless Nightmare Vengeance Curse. She may not have broken the bond between mother and daughter, but she still needs psychological help.

Misty Tredwell: That's a good idea, Lincoln.

Carly Atlas: But, if she messes up once, it's lights out forever with that curse.

Lincoln: Now, now, Carly, this is going to end without me having to use that curse on Mizore's crazy mother.

Nico: Now, that's a really good idea, Lincoln. But, Tsurara is still going to be roughed up big time.

Lincoln: Oh yeah, that's a definite.

Me: That's right! Only you can decide who you want to be with. It's your choice and your choice alone.

Qin: That's for sure.

?: Mizore, you will marry Tsukune and that is final!

Mizore: Oh boy, she's here.

Mizore fired a blast of ice and it forced out a figure, it was her crazy mother, Tsurara Shirayuki.

Varie: Tsurara Shirayuki, its been a long time.

Tsurara: It has been a while Varie. You're looking good for someone over 10,000 years old.

Varie: Atlantis Genes are amazing. How has everyone been?

Tsurara: Doing really well.

Varie: Good.

Me: Varie and Tsurara are very good friends. They have known each other for years.

Xenia: That's very interesting.

Tsurara: So you are J.D. Knudson. I've heard so much about you. You are the one that destroyed Kuyo.

Me: Yeah that's right. Kuyo got what was coming to him.

Tsurara: I never liked that guy. He was pure evil.

Me: He was a monster. Metaphorically speaking of course.

Tsurara: No one ever liked that guy.

Me: No they didn't.

Tsurara: Indeed. But it's an honor to meet you in person.

Me: Same here.

Mizore: Mom, how many times do I have to tell you, I want to choose who I want to be with, it's my choice and mine alone.

Tsurara: I don't care what you want, what you want means nothing to me! When this is over and all your friends are dead, you will marry Tsukune or I will kill you!

Mizore: Okay, that's it, you just earned yourself the ass-kicking of a lifetime!

Suddenly, Mizore's light blue eyes turn neon light blue and she was surrounded by an ice blue energy aura with ice, snowflakes, ice crystals, snow dolls, and Yuki-Onna, and the air was now cold, and as she approached Tsurura, she left ice blue energy, ice, snowflakes, ice crystals, snow dolls, and Yuki-Onna with every step.

Mizore: You've always been completely crazy about making every single decision for me, Mom, I'm not a little kid anymore. But, what you did in trying to make me marry Tsukune, when he's with Moka, has crossed one line too many, and now, I'm going to show you what happens when you dare to meddle with love for your own selfish needs.

Suddenly, Mizore was surrounded by a massive vortex of ice blue energy with ice, snowflakes, ice crystals, and snow dolls surrounding the vortex, there's a Yuki-Onna flying around the vortex, and in the vortex is a light purple phoenix. Then, as the vortex faded, Mizore emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Mizore Shirayuki grew to 7'4" in height, she has the body of a goddess, she has light blue highlights in the bangs of her short light purple hair, she has neon light blue eyes and an ice blue energy aura with ice, snowflakes, ice crystals, snow dolls, and Yuki-Onna surrounding her, she has a Yuki-Onna with a snowflake in her hand emblazoned on her forehead, she has on Yuki-Onna earrings with light blue gems for eyes and holding the Ice and Eternity Kanjis in her hands, she has on her Crystal Necklace of The Buddha with light blue gems on the gold snowflake links and ice blue crystal links and a light blue Yuki-Onna shaped Element of Harmony and below the Element of Harmony is a Yuki-Onna with light blue gems for eyes and holding the Ice and Eternity Kanjis in her hands for the pendant, Mizore has on her light brown pleated checkered skirt, white sweatshirt with long dark blue sleeves with a black singlet underneath, yellow pendant, long dark & light purple striped stockings with white shoes and a belt tied to her left leg, and long white sleeveless trenchcoat with ice and snow on the coattails, and a Yuki-Onna on the back surrounded by snow. Suddenly, Mizore Shirayuki felt a sharp pain on her back, and then, her massive light purple angel wings grew much bigger for her new body, and the light purple feathers have light blue tips on them. Mizore Shirayuki has on her Ring of the Phoenix with large light blue gem and heart-shaped gem embedded in it on her right ring finger and Blue Lantern Corps ring on her left ring finger.

Suddenly, Mizore Shirayuki's sword, Frostmourne, and all the sword she'd gotten began merging together and they were surrounded by a kaleidoscope of light blue energy, ice, snow, ice crystals, snow dolls, and Yuki-Onna, and when it emerged, it was transformed into Frostmourne's Arctic Ice Greatsword of Arctic Icestorm Justice, it's a brand-new large greatsword with the ice blue runes of Frostmourne etched on the 7'0" massive, wide, double-edged silver blade, large horned demon skull in the hilt, large silver horned demon heads for the crossguard, large ice blue gem embedded in the rainguard, longer midnight black handle, four large silver horned demon skulls with ice blue gems in the eye sockets and large ice blue gem below the skulls for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with light blue gems on her wrists, her Belt of Elemental Bravery with a golden Yuki-Onna head with light blue gems for eyes and a large light blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Mizore Shirayuki's transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA ARCTIC ICE SNOW STORM YUKI-ONNA ANGEL OF DIVINE ARCTIC SNOWSTORM JUSTICE AND DIVINE SNOW SPIRIT LOVE!

We were amazed by Mizore's Super Angel Celestial Eternal Xelnaga transformation, but when her crazy mother saw it, she went insane and fired a blast of ice to freeze her, but that was a very big mistake as Mizore absorbed it and it made her even more stronger than ever, then, she fired a powerful light blue energy blast with ice, snow, ice crystals, snow dolls, and Yuki-Onna at her crazy mother and it exploded with incredible power as it hit her, and it really pissed her off.

Mizore: (Divine Echoing Cosmic Voice of The Arctic Icestorm Yuki-Onna and Divine Snow Spirit Love) **Now, you're really going to get it, Mom, for trying to meddle with my choice in love!**

Nico: Yeah, get her, Mizore!

Mizore went after Tsurara, and she fired powerful blasts of light blue energy, snow, ice crystals, ice, snow dolls, and Yuki-Onna at Tsurara and they exploded with incredible power as they hit her, and that pissed Tsurara off big time and she summoned her Ice Claws.

Tsurara: That's it, I'm going to gouge your eyes out and rip out your throat!

Mizore: **Come and try it!**

Me: YEAH! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: Ladies first.

Mizore: **Aw, thanks!** (ACTIVATES SKULLMERAMON'S RIDEWATCH) (Echoing) **METAL FIREBALL!**

She fired a powerful blast of blue hot fire from her hand and it hit Tsurara and knocked her down!

Varie: Tsurara I'm sorry we have to fight but you are not yourself!

Kaito: (gets out Den O Gear) You have to learn that people make their own decisions.

Zocks: (Gets out Kiva gear) I think this gear fits this situation.

Me: Who she decides to be with is up to her and not you!

Kaito got a Den-O Sword and Zocks got a Kiva Sword!

Me: Time to unleash the gothic darkness. (ACTIVATES EBON'S RIDEWATCH)

I danced and fired waves of darkness and smashed her down.

Mizore Shirayuki: **Mom I'm now happy with Naruto Uzumaki Namikaze the son of the 4th Hokage and great hero during the 4th Great War. He is an amazing force of good and you need to realize that you can't always get what you want in life. Besides, I love you and I love my people but sometimes people need to make their own choices!**

Nico: That's right!

Tsurara: We'll see about that!

Mizore knelt with her sword ready and then she sang Invincible from World of Warcraft: Wrath of The Lich King.

She fired waves of ice and smashed down Tsurara.

Albedo turned into Negative Ultimate Big Chill.

Negative Ultimate Big Chill: Time for you to take a chill pill!

He fired a wave of endothermic fire and Tsurara jumped out of the way and the fire turned into ice and she skied it.

Me: Time to fight ice with ice.

I summoned Hermos and merged him with White Night Dragon and I got THE STAFF OF THE WHITE NIGHT DRAGON!

Tsurara formed her Ice Claws and went at me and I jumped and formed skates on my shoes and skated towards her and we clashed powerfully as snow and sparks flew everywhere.

Nico: Wow!

Cornelia: Awesome J.D.!

Xenia: Wow!

Tsurara: You're really talented J.D. First time ice skating?

Me: Skated many times actually. I am very talented in many things.

I jumped back and fired waves of ice and froze her feet.

Nico: (takes out Evil Fire Man's Ridewatch) Albedo chose ice. I choose fire!

Me: Nico do you mind?

Nico: Go for it!

Me: NUOVA STAR!

I formed a ball of fire with Nuova Shenron's powers and threw it and Nico activated his Ridewatch and fired waves of fire and they hit Tsurara and exploded into a powerful pillar of intense fire! She was knocked down!

Me: OH YEAH!

Laney: That was a hot one!

Mizore: Mom, you know this is going to end when the next Gene Slammer shows up!

Tsurara: I'll take that bet!

Then a dragon roar was heard and in came TRI-HORNED DRAGON!

Me: Whoa a Tri-Horned Dragon!

Nico: Yeah!

Tri-Horned Dragon: (In a girls voice) Time for this mother to know her place.

Nico: Princess Rhonda Florence!? Wow!

She reverted back and Rhonda was a girl with blue hair and black clothes and had a blue bra on and had the kanji for the number 3 in the middle of her forehead and she had blue angel wings.

Princess Rhonda Florence: Good to see you again Nico. I got this.

She fired an energy blast and smashed down Tsurara.

Tsurara tried to attack Mizore with her Ice Claws, but Mizore blocked her attacks with her brand-new massive greatsword and she attacked her mother with her new massive greatsword and left tears on her outfit. Then, Mizore fired light blue energy blasts which transform into a straitjacket and energy chains and restrained Tsurara. Mizore powered down and her new body, clothes, weapons, jewelry, and massive light purple angel wings are permanent.

Tsurara: You miserable little… ! When I get out of this, I'm gonna… !

Mizore: No, Mom, you need help, and you're spending time in the Asylum until you've cooled it!

Mizore beamed her mom to The Saturn Insane Asylum for treatment, but Tsurara also got a strict warning: if she's not cured, she's going to get the Epiales' Eternal Sleepless Nightmare Vengeance Curse, and Lincoln's going to be the one to do just that.

Me: That's that.

Nico: But wow! That was amazing!

Princess Rhonda Florence: It sure was.

Me: Wait a second. You're the long lost princess of Germany. Wow!

Princess Rhonda Florence: I sure am.

Me: It's an honor to meet you your highness. (Bows)

Princess Rhonda Florence: No need for formalities. The German Monarchy ended years ago.

Mizore: What's your favorite memory of Nico?

Princess Rhonda Florence: I have a lot of them. But my favorite is when I showed Nico my dragon friend. You remember Ekirton right?

Nico: I sure do. I remember you showed him to me when he first hatched.

Qin: Yeah I wonder how he is.

Princess Rhonda Florence: He's outside.

We went and she showed him and Ekirton was a huge blue dragon with yellow eyes.

Ekirton: Wow Nico it's good to see you again and you too Qin.

Nico: Wow! You've gotten so big Ekirton!

Qin: You sure have! Last time I saw you was when you hatched.

Ekirton: I sure have grown.

Twilight Sparkle: Wow! Spike is gonna have an amazing friend too.

Hitch Trailblazer: Same with Sparky.

Nico: No kidding.

Nico and Princess Rhonda hugged.

Nico: I've missed you Rhonda.

Princess Rhonda Florence: Me too Nico. Me too.

Nico: Maybe your mom can be a good Masters of Evil member.

Mizore: Not a bad idea Nico. I would like that.

Me: If Yang's mother can be in their ranks so can she.

Nico: I agree. But this was awesome. Lets head back home.

Me: Hopefully Mina hasn't messed up anything.

We went back home.

---

We arrived and saw the estate intact.

Me: How did Mina do?

Me 2: Mina had a few hiccups along the way. She made Serena's soup too spicy. I helped make some of my own soup. Mina put too much soap in the laundry so I fixed that,

Me: Good.

We saw Mina asleep.

Me: Wore herself out.

I put a blanket on Mina.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, The Dynasty Warriors, The Samurai Warriors, TLPS Ms. Tarantula, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, and Anatankha are heading to Seul Choix Lighthouse in Schoolcraft County, Michigan, and not only is Lincoln going to rescue the three girls here, but we're going to exorcise the lighthouse of the spirits that've haunted the lighthouse for over a century.

Lincoln: Oh man, we're here in Schoolcraft County, Michigan, and I know what we're going to do here, not only am I going to rescue the three girls here, but we're going to exorcise the Seul Choix Lighthouse of the spirits that've haunted the lighthouse for over a century.

Lori: I never thought your rescue would be here in one of the biggest hotspots of ghost activity here in Michigan, Linky.

Me: Seul Choix, oh man, this is indeed one of the biggest hotspots of paranormal activity in Michigan.

Nico: Yeah, and there were a lot of stories of the supernatural here in Michigan, but Seul Choix is one of the most famous.

Lincoln: And one place where I wanted to visit, and thanks for joining us, May.

May: You're welcome, Lincoln. So, what's the story behind the hauntings of this lighthouse?

Lincoln: Oh, you're not going to like this one bit, Seul Choix Lighthouse is the only harbor of refuge along a treacherous stretch of coast. It's French name mean "only choice", suggesting that it was used as a refuge by the early French traders in this area, but over the years, many traders had lost their lives in the waters, and over the years, visitors have reported experiencing everything from creepy apparitions to disembodied voices in and around the lighthouse, and it's even said that the lighthouse is haunted by the spirit of the old lighthouse keeper, Joeseph William Townshed.

Some of us had chills running down our spines when Lincoln told us the story behind the hauntings of Seul Choix Lighthouse.

Nico: Damn, now that's really bone-chilling.

Lori: Many of us who were literally born in Michigan aren't immune to the stories of hauntings here in Seul Choix, and it's something that's been with us since the 19th Century.

Lucy Loud: And it's also one of our favorite haunted places here.

Lincoln: Now, we're going to exorcise the Seul Choix Lighthouse and give the spirits trapped there the eternal rest they were denied.

We arrived at Seul Choix, and when we entered the lighthouse, and we felt the forces of the ghosts here and Lincoln's ghost sense went off. Suddenly, our rainbow energy auras had flared up as we were sucking in all of the negative energy and we were gaining a massive power and energy boost and we were getting stronger and stronger and stronger and stronger still.

Lincoln: Whoa, this is a really heavy and dark presence here, I can feel it, and the powerful forces of Seul Choix aren't going to leave here that easily, but we've sucked in and absorbed all of the negative energy that's festered here for over 200 years.

We went outside and Lincoln took to the air, and we followed him. Then, he made a massive green magic circle with Celtic knots and Celtic symbols and runes on the ground which then surrounded The Seul Choix Lighthouse. But, we also felt the powerful forces trying to resist, but Lincoln was ready. He took out his Flute of Ogma, and he began to play a beautiful melody, and the spirits were eventually forced out of the building and put into a Celtic knot magic circle to keep them all from escaping, and Lincoln's melody continued to calm and soothe the land, and the spirits crossed over to The Afterlife, and Seul Choix Lighthouse has been exorcised for good and the magic circles disappeared.

Lincoln: We did it, Seul Choix Lighthouse has been exorcised, and the spirits can finally rest in peace.

Lucy Loud: That's right, along with the spirit of Joeseph William Townshed.

Lincoln: But, we're not done yet, I also got word Colleen's bully and rage crazy ex-mother has broken out of prison and she's here to get revenge and kill us all.

We gasped.

Nico: That rage-driven, angry, crazy, out-of-control bitch!

Me: Well, you know what that means.

Lincoln: Yep, she's getting the Epiales' Eternal Sleepless Nightmare Vengeance Curse, just like what'd happened with Mrs. Florrence and Mrs. Evans, and I'm also going to throw her in a special cell in The Jupiter Prison, one that's meant for angry, back-stabbing mothers who do anything to punish their children for something they never did and want nothing more than to see their own children suffer for their sick amusement.

Colleen Gallagher: If that bitch thinks she's going to get away with getting her revenge, I'm going to enjoy breaking her arms and legs, because she's no longer my mother and lost that right when she'd sought to punish me just for being born and a thorn at her fucked-up side.

Suddenly, we saw the three girls heading for us, along with seeing the Vylon Omega Duel Monster appear before us.

Nico: Whoa, that's the Vylon Omega Duel Monster, along with the three girls. That must mean that crazy psycho bitch isn't far behind.

Vylon Omega: (Girl's voice) She's also in big trouble because her name's also on the FBI Most Wanted List for what she did to Colleen and her dad.

Lincoln: (Gasps) That voice, I knew it was you, Hikari Viper, but we'll talk later. Let's go hunting for that rageaholic crazy psycho.

Me: And give that bitch the beating of a lifetime for everything she did to Colleen and her dad.

Nico: We should've gotten the rest of the team involved, especially Maria, you know she always hates it when a mother breaks the bond she has with her kids.

Lincoln: I know, but I asked May to bring her camera with her to photograph the injuries we're going to inflict on her.

May took out her camera.

Nico: (Smirks) Clever.

Suddenly, a figure went charging right at Colleen Gallagher and tried to kill her, but Lincoln kicked the figure away, and we saw who it was that tried to kill Colleen Gallagher: it was her fucked-up rage crazy psychotic ex-mother, and she had a knife in her hand and she has murder in her eyes, along with insanity.

Mrs. Gallagher: You stupid little bitch! I HATE YOU SO FUCKING MUCH, I SHOULD'VE KILLED YOU THE DAY YOU WERE FUCKING BORN!

Colleen Gallagher's pink and white energy aura flared up as she gained a massive power boost from her ex-mom's insane rage. Then, Lincoln fired an energy beam which slashed Mrs. Gallagher's hand and caused her to drop the knife.

Lincoln: It's no surprise to see you're still the same rageaholic crazy psychopath you have and always will be, but that's going to end here and now, and when Colleen and I get married in the future, you are never ever going to be in my family. Instead, you're going back to prison for the rest of your life, where you will die alone, bitter, cold, and angry.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Xelnaga Eternity Infinity Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered their massive swords and we transformed, and we went after Mrs. Gallagher, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super

Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit her.

Mrs. Gallagher: (ENRAGED CRAZY SCREAMING) DIE, YOU STUPID WORTHLESS BITCH!

Mrs. Gallagher tried to stab Colleen again, but Lincoln grabbed her arm and kicked her in the stomach and she fell to the ground in pain, and she glared angrily with rage, but Lincoln didn't care one bit: what Mrs. Gallagher did in abusing Colleen reminds him of what that religious fanatic, Mrs. Florrence, did to Mesa and her sister, and what Mrs. Evans did in abusing her own daughter because she was an insane and completely superstitious bitch, and by breaking the sacred bond of mother and daughter, Mrs. Gallagher committed an act of betrayal, and it didn't help that she was a bitter, rage-crazy bitch who abused and tried to punish Colleen for something she never did just for her sick amusement, and Lincoln had no mercy for someone like her.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **I've absolutely had it with you, for what you did so long ago in breaking the sacred bond between you and your daughter, Mrs. Gallagher, you don't deserve a single ounce of mercy. You're going to be cursed for all eternity for everything you did to Colleen.**

Lincoln spread his massive white angel wings, and they fired rainbow energy blasts which hits Mrs. Gallagher and she was given The Epiales' Eternal Sleepless Nightmare Vengeance Curse, as she's now trapped in a state of eternal sleep and tormented by the memories of her foul misdeeds, and because she refused to repent for her crimes, that sealed her fate and she'll be trapped by this curse forever. We cheered wildly as we holster our weapons and powered down.

Nico: Yeah, that'll teach you, you crazy psycho bitch!

Lincoln: Mrs. Gallagher was unfit to even call herself a mother and treated her own daughter and her husband like punching bags, and now, karma has finally gotten back at her and she's now cursed for all eternity: trapped in eternal sleep and with eternal nightmares due to her lack of remorse for all of the bad things she's done to her own daughter.

Me: And when she dies, she'll spend the rest of eternity in Hell for what she's done.

Lincoln: You got that right, J.D. (To Hikari Viper) And it's so good to see you again, Hikari Viper.

Hikari Viper reverted back to normal, and she was a beautiful girl with long flowing golden yellow hair, golden yellow eyes, she was tall at 6'5" in height, she had the body of a goddess, she has a golden yellow Omega sign emblazoned on her forehead massive and beautiful golden yellow angel wings as she reigned in the power of Vylon Omega, and she was dressed in a sleeveless open yellow blouse, sleeveless yellow midriff top, golden yellow and orange skirt, orange pants, orange legwarmers, orange sneakers, and long white sleeveless trenchcoat with lights and angels on the coattails and Vylon Omega on the back and holstered on her back is a Vylon Omega-themed large greatsword with Vylon Omega etched on the 7'0" massive, wide, double-edged golden yellow blade, large golden yellow angel heads for the crossguard, large orange gem embedded in the rainguard, longer midnight black handle, four large golden yellow angel heads and a large orange gem on the bottom of the angel heads for the pommel.

Hikari Viper: You too, Lincoln, it's been a long time.

Lincoln went up to Hikari Viper and he hugged her, and Hikari Viper is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Hikari Viper: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new, you can land an airplane on that more wider and more muscular back, squash a melon with those quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Hikari Viper, she's my Guardian Angel from Michigan and classmate in English, but she's also training to be part of The CIA.

Me: Whoa, now that's really impressive.

Nico: You got that right.

Lincoln: It gets even more impressive: it was Hikari that showed me the ropes of being a CIA agent as well as the gadgets. We even worked together to make new ones that can incapacitate enemies, that way, we would be able to stop the conflicts without weapons.

Nico: Like how CIA agents underwent training on how to stop conflicts without using weapons.

Lincoln: You got it, and one time, Hikari and I went swimming at the lake and we ended up kissing each other underwater.

Me: That's really sweet. (Realizes something) Wait a second, her last name is Viper. Then, that must mean… !

Crimson Viper: Yep, she's my younger sister and Lauren's aunt, and it's so good to see you again, Hikari.

Hikari Viper: You too, sis, and like most of Lincoln's Guardian Angels, I hate Scoots and Flip with a burning passion.

My jaw and Nico's dropped.

Nico: Whoa, so you're Crimson Viper's little sister?!

Me: That's why you were training to be part of The CIA like your sister. You sure do have the training and skills for that, and what surprised me is that you taught and showed Lincoln the ropes of being a CIA agent as well as the gadgets and making new gadgets to incapacitate enemies to stop conflicts without resorting to weapons.

Lincoln: Yep.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appear around Hikari Viper's neck with golden yellow gems on the gold thunderbolt links and golden yellow crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Hikari Viper: Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means just like your sister, you're part of harem and my many future wives, Hikari. Oh, and Lauren's also now my daughter.

Hikari Viper had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Hikari Viper's waist and Hikari Viper wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the three girls, and when Lincoln saw them, he recognized them immediately. The three girls are Kaori, Provie, and Noize from River City Girls.

Lincoln: Oh wow, it's Kaori, Provie, and Noize from River City Girls.

Kyoko and Misako: Wait, what?! Kaori, Provie, and Noize were the girls who were here and almost became victims of Colleen's ex-mother's wrath?!

Lincoln: I didn't know we were going to run into more of your old friends, girls, but it's a good thing we did, otherwise Mrs. Gallagher would've killed them. Are you girls okay?

Kaori: Yeah, we're okay, thanks to you for saving us from that crazy psycho bitch.

Then, when Kaori, Provie, and Noize saw who it was that saved them from that crazy psycho bitch, Mrs. Gallagher, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted

Kaori: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made two clone of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Kaori: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Thunderbird Necklaces of Eternal Love appeared on the necks of Kaori, Provie, and Noize with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, We returned home to the World Tree Estate, and the rest of the team heard of what we did in exorcising Seul Choix Lighthouse and helped the spirits cross over, and they were shocked when they found out the villain we went after was Mrs. Gallagher who'd broken out to get her revenge on Colleen Gallagher and kill everyone for getting in her way of making everyone suffer.

But, when Lincoln and May showed what we all did in pulverizing her, and what Lincoln did to her by putting the Epiales' Eternal Sleepless Nightmare Vengeance Curse on her, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Hikari Viper have a lot of catching up to do, now that she's back in town, and as for Mrs. Gallagher, she was sent straight to a special cell in The Uranus Prison's Maximum Security Solitary Confinement one for heartless bully mothers, and with the Epiales' Eternal Sleepless Nightmare Vengeance Curse on her, she'll be trapped in that state of eternal sleep for her crimes.

Maria: Wow, you guys really did an awesome job in putting that bitch in her place.

Lincoln: What she did in abusing and bullying Colleen and trying to punish her for no reason other than the fact that she hated her, that's something I can never forgive.

Nico: Same here.

Me: Well, now she's spending the rest of eternity in The Uranus Prison's Maximum Security Solitary Confinement.

Eli: Yeah.

---

After we exorcised Seul Choix Lighthouse and threw Mrs. Gallagher in The Uranus Prison after we stopped her from trying to get revenge on Colleen, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Hikari Viper saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Hikari Viper: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever. He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Hikari, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Hikari Viper: That's incredible.

Nico: You got that right. So, Hikari, what's the story on why you hate Scoots and Flip with a burning passion, other than the fact that Flip's a mutant ugly cheapskate and Scoots is a bitter old goat who's been trouble.

Hikari Viper: Oh man, this is something I've never forgotten. I found out from some CIA contacts my sister knows that Scoots and Flip were planning to purchase bombs from terrorists in The Middle East and detonate them all over Gotham Royal York and kill everyone, since Flip still wants revenge on you guys for ruining his scams in Michigan and Scoots because she hates everyone. So, I told Lincoln the news and he was furious at that ugly mutant cheapskate and rotten bitter old goat. We found them at Flip's hideout at the ruins of his convenience store and we used our shock gauntlets and knocked the two of them out, and I called the police, who then arrested Flip and hauled him back to jail since he'd escaped and Scoots was sent back to the nuthouse. We were awarded with medals from Mayor Davis and there was a $500,000,000 dollar cash reward for the arrests of Flip and Scoots, which were given to us.

We cheered wildly.

Nico: Wow, now that was some awesome CIA work!

Me: I remembered that day all too well, and I was so proud of what Lincoln and Hikari did to that cheapskate, Flip, and that bitter old goat, Scoots.

Lincoln: Flip was really furious at what we did in stopping his revenge, and Scoots was also furious at us for ruining her fun again.

Nico: If that bitter old goat shows up to get revenge again, she's definitely getting The Black Gates and she's never ever coming back.

Lincoln: I agree. Scoots doesn't deserve to be around in society ever again, not after all the crud she has put everyone through.

We got a shower afterwards, and then, Lincoln, Velvet Sky, Rose Lavillant, and Juleka Couffaine are heading to Seaside Hill.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in

case of trouble.

And Velvet Sky, Rose Lavillant, and Juleka Couffaine were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble. Plus, we'd also found out that Velvet Sky, Rose Lavillant, and Juleka Couffaine each had feelings for Lincoln, because he'd saved them from a group of bounty hunters Amy hired to kidnap and kill them, because she still wanted revenge on us for what we did in ruining her schemes. Well, after Lincoln rescued them and the girls told us Amy hired those thugs to kidnap and kill them to get revenge, Lincoln went down and fired an energy beam which slashed Amy's eyes again.

Velvet Sky: Wow, so this is Seaside Hill.

Lincoln: Yep, and it's perfect for our date, Velvet Sky. Shall we?

Lincoln, Velvet Sky, Rose Lavillant, and Juleka Couffaine dived in and they also had a swimming race and had a lot of fun, and they went back to the shore and they had a game of volleyball and Velvet Sky, Rose Lavillant, and Juleka Couffaine got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to Velvet Sky, Rose Lavillant, and Juleka Couffaine and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: Hey, Lincoln, how was your date?

Lincoln: It was awesome, Nico, we went to Seaside Hill.

Velvet Sky: And for our first beach date.

We also saw they had Elemental Thunderbird Necklaces of Eternal Love with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha.

Juleka: And this was due to us harboring feelings for Lincoln, and they came into light when he saved us from those bounty hunters Amy hired to kidnap and kill us. What a bitch!

Me: Yeah, she's always been a monster bitch, and we saw what Lincoln did to her after he found out.

Nico: Yep, you did the same thing to her after Ella broke the curse that was on her. I hope you left her screeching like the banshee she really is.

Lincoln: You bet I did.

---

We were watching TV and then the doorbell rang.

Gaara: I'll get it.

He answered it and saw a pizza man with TONS OF PIZZAS! 5,000 pizzas!

Pizza Guy: Here are the pizzas you ordered.

Gaara: We didn't order any- (realizes something) POROMON!

Poromon: PIZZAS!

Me: We'll take them. We're hungry.

Pizza Guy: Awesome. $75,000 please.

Nico: Wow!

I gave him the money.

Me: Keep the change my good man.

I gave him a $25,000 tip too.

We got all the pizzas in!

Me: WOW! Poromon how many pizzas did you order!?

Poromon: 5,000 Pizzas!

We saw that he got Hawaiian, 5 meat, sausage, cheese, garlic chicken, all sorts of flavors.

Me: Wow! All sorts of varieties.

Nico: Good job Poromon. Man I'm hungry.

Me: Me too. Lets eat.

We got to eatting.

Murray: I'll have some!

Me: Now now with 5,000 pizzas there's enough to feed an army.

We were eating them all over.

Me: (Eating 5 Meat Pizza) Mmm! Cheesy and tasty.

Mr. Mitten: Jumping hairballs! Who ordered all this.

We pointed to the mascots.

Me: But we are hungry.

Leonard: We could all use a snack though.

Nico: Plenty for everyone.

Crumplezone: Where'd you even find time to order?!

Poromon: We bought them over at Droopy and Dripple's pizzeria.

Me: Oh that place is really fast! They make pizzas in a heartbeat.

Xenia: Yeah they sure are.

Nico: And they make awesome pizza.

Me: Yep. Amazingly they sold a record setting 40,000,000,000,000 pizzas in one day!

Qin: WOW! That is amazing!

Laney: Business is booming.

Leonard: It sure is. (Eating a pizza)

Hardhead: I hope you're enjoying the pizzas you ordered.

Mascots: (EATING) (BELCH)

Poromon: Scuse me! We are.

Poliwag: They are tasty.

Me: Well we aren't gonna go hungry anytime soon.

Vambre: (British Accent) No we sure aren't. And we also have the Pizza Magisword which would have given us extra pizza too.

Laney: True.

Nico: Yeah.

Chef Pepperjack: And I can make pizza too.

Me: So can Lola.

Lola: It's true.

Me: Yeah.

Nico: You guys will love our next mission. We're going to see what Jack O Lantern was like in Endsville on Halloween when Billy unleashed him and his Pumpkin Army.

Me: Awesome!

Brittney: This is gonna be funny!

Nico: Yep.

Camie: What was Jack like?

Me: He was a very funny prankster.

I went over his history.

---

Jack O'Lantern is the main antagonist of The Grim Adventures and Billy & Mandy special "Billy & Mandy's Jacked-Up Halloween".

He was voiced by Wayne Knight, who also played Dennis Nedry in Jurassic Park, Al McWhiggin in Toy Story 2 and Emperor Zurg in Buzz Lightyear of Star Command while in the video game he is voiced by Maurice LaMarche who voiced Father in Codename: Kids Next Door.

Jack was the village fool who would pull pranks on the villagers. The problem with Jack was, while he was a pleasant guy, he didn't know when to stop and his pranks ranged from harmless and annoying to dangerous and painful. Rumor had it, he would devise new pranks every evening and laugh himself to sleep at night. One day, the townspeople couldn't take it anymore and devised a prank of their own: the classic snake in a candy jar prank, signed it from Jack and sent it to the queen (who had no sense of humor). When the queen opened the gift from "Jack", she sent a knight out to kill him. Immediately, the Grim Reaper went to reap his soul, but Jack refused to go. When Grim insisted, Jack tickled him and stole his scythe and stated he would only give it back if Grim had granted him immortality so Jack could prank forever. When the deal was done, Jack returned the scythe but as punishment for tricking him, Grim decapitated him, ensuring that Jack would never show his face around town again, ever.

Later on, Jack got himself a pumpkin and wore it as his new head. He still lived in his old house that was untouched by time. Due to his appearance, Jack could not leave without being seen as a freak and waited to blend in on Halloween Night, after which Jack emerged with a sack full of tricks and played terrible pranks on the people of Endsville.

While he was out Trick-or-Treating in Downtown Endsville, Billy ran up to Jack's old house and looked for candy. Jack tried to ignore him and go off with his pranks while calling the Scythe fake but Billy said it was the real deal. When Jack realized that Billy was carrying Grim's Scythe, he tricked Billy into giving it to him, brought demons from the Underworld to the surface world, and had them use pumpkins for bodies. Jack revealed that he made a spell that would make sure that the sun would never rise again and that it would be Halloween forever.

Jack later kidnapped Grim, planning on using his Scythe to "return the favor," though Billy showed Jack that Grim's head was removable. However Jack revealed that any head cut off by the Grim Reaper's Scythe stays off forever.

Before he could put his plan into action, Mandy tried to save Grim by devising pranks of her own only to be caught by Jack. Irwin instead was the victim of Mandy's pranks, which caused Jack to burst out laughing and all of the possessed pumpkins to laugh themselves to death. When Jack was confronted by Grim, the former reminded him of the bargain they made. Grim told him he never goes back on his word, but Jack had overstayed his welcome and tickled him with his own feather, sending him with the pumpkin's spirits to the Underworld.

Once there, Jack continued his old ways of pulling pranks, but it's implied at the end he got his pumpkin head squished by the demons living there, though he's still alive thanks to his eternal life.

---

When I was finished everyone was shocked.

Nico: Yeah.

Juvia Lockser: He is a really funny archenemy for me. His pranks are so funny.

Leonard: Yes they sure are.

Condiment King: We always get a good laugh out of them.

Mandy: And against a prankster like Jack you got to fight pranks with pranks.

Mr. Mittens: It's obvious me, Condiment King, Leonard, Gramma Stuffum, Stonedozer, Whirlin, Iceage, Magma, Bizarro, Zavok, Terror Dopant, Rambling Ghost, Tiki Tak Tribe, Evil Plug Man, Stinkor, MMPR Eye Guy, Mouth of Sauron, Fire Lord, Yost X 23, and Kuroto Dan are going with you guys.

The Tiki Tak leader nodded.

Nico: Yeah you sure are.

Me: But all those pumpkins that he used will make awesome pumpkin pie in the end.

Nico: Yes they sure will.

Gramma Stuffum: (German Accent) Oh ja und they will be good too.

Me: Yep.

Laney: This is gonna be one Pumpkinheaded Battle.

Nico: You got that right Laney.

Qin: Yep.

Dirge: Boss, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do one for Infernal Flame Vixen next.

Me: Ooh a hot one!

Qin: Nice.

Sly Cooper: Awesome.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than our old enemy, Antasma, and he's returned from the dead to get revenge on us for destroying him last year when we went after him and Hunter DeVil in Camden Town. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us today?

Lincoln: You guessed it, Nico, and none of us are going to like this one bit: the dark energy signal we sensed belongs to our old enemy, Antasma, and he's returned from the dead to get revenge on us for destroying him last year when we went after him and Hunter DeVil in Camden Town.

We gasped in shock, including Delgado Dalmatian since he was the one who destroyed Antasma while Lincoln, Dylan Dalmatian, and The Phantom Thieves were dealing with Hunter's Dark Side.

Delgado Dalmatian: What?! Antasma's returned?!

Dylan Dalmatian: It's true you destroyed Antasma last year, Delgado, but from what we've seen, the old enemies of Team Loud Phoenix Storm will not stay dead that easily. So, that means, Antasma is going to get The Black Gates and this time for good.

Hikari Raindom: And that'll be left to me and Linky.

Lincoln: Yeah.

Delgado Dalmatian: Wait, Lincoln, Hikari, let me join you guys as well. Antasma's also going to want revenge on me since I was the one who destroyed him.

Lincoln: Of course, Delgado.

Nico: That's right, Delgado was the one who destroyed that bastard, Antasma, last year when we went after him and Hunter DeVil, so he really wants payback mainly on Delgado, but he's in for a nasty surprise. Alright, gang, let's go, we're going to Endsville to battle an evil version of Jack O Lantern.

Lincoln: And we're going to smash all his pumpkin friends into dust, and once we get done with him and his friends, you're next, Antasma.

Condiment King: What time is it right now?

Terror Dopant: It's best to go at night:

We looked at the clock and it was 7:00 PM.

Me: 7:00 PM.

Nico: Yep. Lets head out.

We were off to Endsville.

---

We arrived in Endsville and it was busy even at night.

Me: Wow! Endsville sure is busy.

Laney: Yep.

Shadow Man: By the way, Nico, which teams have you made?

Nico: Lola's team will include Slab, Numbuh 362, Numbuh 86, Numbuh 274, and The Kid. Lana's team will include Rip, Green Heart, White Heart, Purple Heart, and Compa.

Me: Cool! So the girls of Hyperdimension Neptunia get a shot too.

Numbuh 2: And it'll be awesome for The Kid to get a chance too. He was the best ace pilot I remember.

Numbuh 274: Yeah he sure is.

Laney: Neat!

We were examining a house and it was home to a grouchy old lady that doesn't give any candy on Halloween.

Me: Time to give this old bat a lesson in Halloween Spirit.

We put glue on the welcome mat and Rang the doorbell and then she came out yelling and then we swiped her candy when she wasn't looking.

Me: Sucker.

Grim: (Jamaican Accent) That was a great trick, Mandy.

Mandy: All in a night's work. [eat a piece of candy]

Me: That was awesome though.

Camie: Why do people do tricks on Halloween?

Grim: I suppose that's partly my fault. [eats a chocolate] And it has to do with Jack. You see, it all started a long time ago, here in Endsville, when it's just a tiny village. Now, every village has its problems, and Jack was Endsville's problem. Now, Jack was just a pleasant guy; it's just that he had this one weakness… he loved pulling pranks… Now everyone enjoys a good laugh every now and then, but the problem with Jack was that he just didn't know when to stop… Rumor had it he'd stay up through the night inventing new tricks, then he'd laugh himself to sleep… 'Til the townspeople couldn't take it no more, so they devised a prank of their own that would teach Jack a lesson once and for all! They sent a prank gift to the queen and signed it from Jack.

Mandy: [skeptically] Endsville had a queen?

Grim: Hey! Who's telling this story?! Now, everyone knew the queen had no sense of humor, but she did receive gifts… especially candy. But when she opened her gift from Jack, well… the rest is history. Jack had to be taught a lesson… That's when I made the scene. Well, it was his time, but the guy refused to go… I underestimated his power…

Camie: And then…?

Grim: He took me scythe! Well, he wanted to strike a bargain so he could keep playing pranks for all eternity. If I granted him eternal life, he give me back my scythe.

Camie: Did you give it to him?

Grim: Well, I had no choice. I granted him eternal life. But the Grim Reaper does not like being tricked, so I decided that Jack would not be showing his face around town again… ever!

Camie: Y-you cut his head off?!

Grim: Yep. [casually eats more candy]

Mandy: Wow, Grim. Impressive. Didn't think you had it in you.

Me: Nice one.

Camie: What happened next?

Grim: I hear that Jack got himself a pumpkin and wears it as his new head… Time passed, and so did the story of Jack O'Lantern. It is said he still lives in that old house, untouched by time… trapped by a ever-changing world that does not understand him. Every Halloween night, Jack emerges with a sack full of tricks, and he plays terrible pranks on the people of Endsville… So Camie, that's why people trick on Halloween.

Camie: Nice.

Qin: That is cool.

Stinkor: Stinkor find nothing suspicious. (LOUD FART)

Stonedozer: Everything looks fine to me. Except that stink.

Stinkor: Sorry.

Qin: Yeah.

Me: Well there is a pumpkin grove not far from here.

Xenia: Then lets head over there.

Nico: Not time for the entrance but I got this feeling that it's big.

Astrotrain: (turns into shuttle form) You guys can board do we can explore the place more.

Me: Good idea.

Nico: Awesome.

We climbed on board and he flew and we saw more of the area from above.

Qin: Wow! Look at this view.

Xenia: Amazing!

Iceage: It's quiet so far.

Mouth of Sauron: So far so Good.

Nico: Hmm. Suspicious. Wait.

We saw the Pumpkin Grove. And we saw JACK O LANTERN!

Nico: There's Jack and he brought all the Pumpkins to Life! With the spirits of the undead!

Jack lifts the scythe and slices open a spacial rift in the clouds, unleashing hundreds of demons from the Underworld.

Jack O'Lantern: Allow me to introduce you to my friends!… With the Grim Reaper's scythe at my side, chaos will reign! Be free, spirits of the Underworld! Take these pumpkin for bodies and live again!

Together, we will rule the night and take our revenge on the people of Endsville! Now it's OUR turn to walk the streets while the people of Endsville coward in THEIR homes! The sun will never rise again, and it will be Halloween every night… FOREVER! [laughs manically]

Billy: Now that's what I call Halloween spirit.

Me: BILLY WHAT THE FUCK HAVE YOU DONE!?

Alternate Chrysalis: I don't like the looks of this!

Me: Me neither!

Nico: We got big trouble guys!

Yost X 23: Wait. The spirits are doing something.

Bizarro: Bizarro likes the looks of this!

They went into the pumpkins and then they came to life!

Me: Whoa!

Nico: Uh oh!

Me: I do have a plan before we do the entrance.

Nico: What is it?

Mandy: I think I know what J.D. is going to do.

A giant pumpkin then approached us.

Gravity Man: J.D., that plan's gonna have to wait! We gotta deal with this big guy first!

Me: Trust me guys!

I got to work and set up lots of pranks and then Jack didn't suspect it. I then used Irwin and put him on a whoopee cushion.

Irwin: I'm not scary!?

LOUD FART!

Billy laughed and then covered his mouth. Then Jack bursted out laughing hysterically and then all the pumpkins laughed and then a bucket fell on Irwin's head and then Irwin slipped on a banana peel and then rolled down a hill and a dynamite stick in a beehive exploded and blew it up and bees went into his mouth and he screamed and then got stung all over. The pumpkins were laughing hysterically and they exploded as they were laughing themselves to death! Then Irwin drank nuclear hot sauce milk and fire exploded out of his mouth. He jumped into a pond and got bit by a bunch of electric eels and then got zapped. Numerous pumpkins exploded as they laughed hysterically. Irwin got hit with 3 pies from 3 pie catapults and got electrocuted some more and all the pumpkins all exploded all at once and then the big pumpkin laughed and he exploded with a huge explosion!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He splattered his innards everywhere! All the spirits went back to the Underworld!

Nico: Very genius! He made ALL the pumpkins laugh hysterically with Irwin getting pranked!

Kuroto Dan: Let's not let our guards down. There still might have been some that didn't get sent back.

Zavok: (sees something) Like that three headed pumpkin over there?

Maria: Say what?!

It too was still laughing and then it exploded!

Zavok: Whew.

Me: But man that was awesome.

Nico: It sure was! Awesome job with the pranks and making them laugh themselves to death.

Brittney: Literally!

Qin: Yeah that was genius!

Misty Tredwell: Yeah that was funny!

Condiment King: Yeah it was.

Ravage: (sees something approaching us) You're kidding me! A Cerberus pumpkin as well?!

May: Jack's been busy!

It was the real thing! The Disney version of Cerberus!

Me: That's actually the real thing!

Nico: WHOA! And it's the Disney version!

Eli: Awesome!

Eli went over and gave it a huge steak and he loved it and Eli got on his middle head and pet it and Fluttershy gave him a tummy pat and he loved it.

Nico: Nice job Eli.

Me: That's the last of the pumpkins though. Boy look at this mess. But we're gonna have a lot of pumpkin pies to make.

Camie: We sure are.

Firelord: We're not out of the woods yet!

Approaching us and not laughing was a gorilla pumpkin!

Magma: Someone get rid of it with a pumpkin disc!

Me: A gorilla Pumpkin!? Jeez!

Optimus Primal: Very interesting.

Cerberus blasted it with fire and destroyed it.

Me: Wait look!

We saw THE CERBERUS PUMPKIN! It was a Giant Pumpkin that had 3 heads of 3 different dogs! The head on the left was a German Shepherd, the middle head was an Irish Wolfhound and the right head was a Great Pyrenees!

Nico: WHOA

Eye Guy: Grim, time to call in your Cerberus!

Grim: Say what?!

Whirlin: We haven't seen it in a long time!

Grim: I don't have the whistle!

Me: I do.

I pulled it out and blew it. Then a comet appeared and out of a wall of flames appeared Grim's dog CERBERUS!

Nico: NICE!

Me: Cerberus sic him!

It roared and blasted the Pumpkin Cerberus and destroyed it.

Molly Hale: And Nuju? You, Shotaro, and Philip get a chance to shine today.

Nuju: Sweet!

Qin: This is gonna be awesome!

Laney: Yeah it sure is!

Lana: Yep.

Skull Man: Now two versions of Cerberus are here!

Nico: Yep. And it's cool.

Laney: Awesome.

Me: Now we can find Jack.

Xenia: Yep.

Eli: Okay Cerberus, find Jack.

They sniffed and growled and they were off.

Evil Plug Man: Follow the 3 headed dogs!

Gramma Stuffum: I can't wait to make pumpkin pie!

Me: Me neither!

We went after the Cerberus's.

We found Jack who was still laughing hysterically from all the pranks we did.

Nico: There he is and he is still laughing.

Me: Boy he sure is laughing hard.

Freon: Entrance time!

We went at him.

He was still laughing and then the spirits of Food Buttkicking Comedy appeared and they swirled around him and he was laughing some more and then they converged and then…

POP!

A blast of confetti exploded out and then a SUPER LOUD FART WAS HEARD AND HE LAUGHED EVEN MORE AS KETCHUP, MUSTARD, MAYONNAISE AND HOT SAUCE BLASTED OUT OF THE GROUND AS GEYSERS! Then we came out on top of them.

Nico: That was a food filled entrance.

Jack was still laughing hysterically!

Me: Jeez Jack those pranks were really funny huh?

Jack O Lantern (Billy & Mandy): (LAUGHS) HYSTERICALLY) YEAH! YEAH THEY SURE WERE! (LAUGHS)

Rambling Ghost walked up to Jack and slapped him.

Jack O Lantern (Billy & Mandy): I needed that.

Shotaro: Pay attention when we're fighting you.

Philip: Besides, you probably had plenty to laugh about already/

Leonard: Pigs, get ready to back them up!

Fang! Joker! (Heavy metal guitar riffs to orchestral hit)

Philip turned into W!

Nico: Hold on to Shotaro's body for us.

Qin: Okay.

Nico: Nice.

I took Jack's feather and tickled him all over and he laughed hysterically.

Nico: Boy that is a powerful feather.

Me: It sure is.

Jack O Lantern (Billy & Mandy): That was funny though.

Then Brain Freezer, Electrocutioner, Pyro, Grumblemon, Hsi Wu, Dr. Light, U Foes, Madame Masque, Ranamon, Gentleman Ghost, China White, Vomiting Frog Prince, Yost Pyro, Kung Food, SHS Carange, Roulette, Scirocco Mole, Shaman Apsu, Evil Solar Man, and Uchotan appeared.

Nico: No kidding.

Brain Freezer: We got enough to make pumpkin food!

Maria: No kidding!

Me: And then some!

Electrocutioner: Those pumpkin animals were something else though.

Nico: You're not kidding there!

Jack O Lantern (Billy & Mandy): They were backups in case my main ones got destroyed easily.

Pyro: I don't even want to know what else you came up with!

Me: Me neither. But those were awesome though. Also how did you like those pranks?

Jack O Lantern (Billy & Mandy): They were really funny!

Me: They sure were.

Grumblemon: (to Nico) We heard you dealt with Mizore's mother.

Nico: We sure did.

Hsi Wu: We'll make sure she doesn't try anything.

Me: Great. She still is family to Mizore.

Qin: Yeah.

Then 2 figure came out and they were the SAGUIL BROTHERS from episodes 37 and 38 of Zyuohgers!

---

The Saguil Brothers were sent down to earth by Azald and destroying the city with their Synchrope. Luckly the Zyuohger arrived to the scene to stop them. Unfortunately, the Saguil Brothers forced the team to play a deadly version of Double Dutch which caused Yamato's leg to be injured. Just as they were about to attack, Yamato changes to Zyuoh Whale and finished Saguil A off with the Deep Lock shot which causes Saguil B to retreat. Later, Saguil B and his revived brother attacked the construction site. When the brothers are about to play a deadly version of Double Dutch, Zyuoh The World manage to snap the dream about jumping rope with everyone and transforms to his Crocodile Form and toss them up to the building and Zyuohgers managed to finished Saguil B off with the Zyuoh Shoot which causes the Saguil A to retreat yet again. But Zyuoh The World transforms to his Wolf Form and goes after him and the rest of them followed. While the others were dealing with Saguil A, the Saguil B was grown into a giant which forces three of the Zyuohgers to fight with the ZyuohKing. When he attacked them, ZyuohKing took a massive cube out of the stone wall and attacked him with it which then became Cube Octopus. The Zyuohgers manage to combine with it and finish Saguil B with the ZyuohKing Octopus. Meanwhile, Saguil A was still fighting with the rest of the Zyuohger until Saguil B appeared and attack them from behind which cause them to demorph. As the Zyuohgers were fighting with the brothers, Zyuoh Eagle used his Instinct Awakened and brings Saguil A to the coast. But just as Saguil A was about finish him off, Bud appeared and saved Yamato. Just as he was about to finish Bud off, Bud's King's Credential glows and changes into the Zyuoh Changer Final and Bud transforms into Zyuoh Bird.

As Zyuoh Bird, he managed to finish off Saguil A with the Guide feather slash. Meanwhile, the other Zyuohger were still battling with Saguil B, that is when he realized his brother was defeated which caused him to retreat again. Later, Saguil B and his revived brother attacked the city with their Synchrope. Luckly the 5 Zyuohgers arrived to the scene to stop them. As they were battling, Yamato arrived and transforms into Zyuoh Gorilla and joins the battle and Saguil A was finished off by Zyuoh Gorilla, Zyuoh Lion and Zyuoh Tiger. Just before the Zyuohgers can finish Saguil B off, he used the move called One More Brother Dance and attacked the Zyuohgers. Then the brothers used their jetpack and used their attack to demorph the Zyuohgers. Then Bud appeared to team up with Yamato and they both morphed to Zyuoh Eagle and Zyuoh Bird. They used their Instinct Awakened and battled them up in he sky and finised them off with the Riser Spinning Slash. Later, Saguil A was grown into a giant which forces Zyuohgers to fight with the Wild Tousai Dodeka King. He then used the One More Brother Dance but were finished off by the Wild Tousai Dodeka King.

---

Me: The Saguil Brothers! I remember you two! You were sent to Earth by Azald to destroy the city with your Synchrope.

Saguil 1: That's right.

Saguil 2: Good memory.

William: I remember that you guys can revive each other if one of you is destroyed.

Saguil Brother 1: That's right, yo!

Saguil Brother 2: Think you can destroy us before that happens, yo?

Me: We can sure try. But we'll blow you both up at the same time.

Nico: Yep.

We got the battles underway.

## Earth, Applejack, Apple Bloom, Earth Skylanders, Duel Academy Alumni, Blitzwing and Astrotrain VS Grumblemon - Meeting a gene-slammer for Vylon Omega

Grumblemon was next.

Grumblemon: (to Earth) I heard you guys met a gene-slammer for Vylon Omega. What's her name?

Earth: Her name is Hikari Viper and she is also Crimson Viper's little sister.

Applejack: She is an amazing and deadly fighter and she is amazing.

Apple Bloom: She sure is and her story is awesome too.

---

Hikari Viper: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever. He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Hikari, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Hikari Viper: That's incredible.

Nico: You got that right. So, Hikari, what's the story on why you hate Scoots and Flip with a burning passion, other than the fact that Flip's a mutant ugly cheapskate and Scoots is a bitter old goat who's been trouble.

Hikari Viper: Oh man, this is something I've never forgotten. I found out from some CIA contacts my sister knows that Scoots and Flip were planning to purchase bombs from terrorists in The Middle East and detonate them all over Gotham Royal York and kill everyone, since Flip still wants revenge on you guys for ruining his scams in Michigan and Scoots because she hates everyone. So, I told Lincoln the news and he was furious at that ugly mutant cheapskate and rotten bitter old goat. We found them at Flip's hideout at the ruins of his convenience store and we used our shock gauntlets and knocked the two of them out, and I called the police, who then arrested Flip and hauled him back to jail since he'd escaped and Scoots was sent back to the nuthouse. We were awarded with medals from Mayor Davis and there was a $500,000,000 dollar cash reward for the arrests of Flip and Scoots, which were given to us.

We cheered wildly.

Nico: Wow, now that was some awesome CIA work!

Me: I remembered that day all too well, and I was so proud of what Lincoln and Hikari did to that cheapskate, Flip, and that bitter old goat, Scoots.

Antasma: You fools have ruined everything, if you hadn't gotten in my way, The Mushroom Kingdom would've finally been mine, and now, I will kill you all and have my revenge!

Hikari Raindom: That's never going to happen, Antasma, and now, your days of causing havoc are about to end here and now.

Suddenly, Hikari Raindom's golden yellow eyes turned neon golden yellow and she was surrounded by a golden yellow energy aura with stars, light, light animals, and angels, she unholstered her massive Lyna the Light Charmer-themed greatsword from her back, and as she approached Antasma, she left golden yellow energy, stars, light,

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Hikari Raindom has on a Ring of The Phoenix with golden yellow gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Hikari Raindom has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA CELESTIAL STAR LIGHT CHARMER ANGEL OF DIVINE CELESTIAL LIGHT CHARMER JUSTICE AND DIVINE CELESTIAL LIGHT CHARMER ANGEL LOVE!

We were amazed by Hikari Raindom's Super Angel Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Antasma saw it, the dark bat king fell into a dark rage and fired a blast of dark energy to kill her, but Hikari Raindom fired a powerful golden yellow energy blast with stars, lights, light animals, and angels at Antasma and it exploded with incredible power and sent him flying into a wall and he was also burned, but he's not out yet, and he was now incredibly pissed off.

Nico: Awesome, Hikari Raindom's transformed.

Delgado Dalmatian: And now, it's my turn to transform, and I've had it with you to last an eternity, Antasma.

Suddenly, Delgado Dalmatian's eyes turned neon blue, and he was surrounded by a black and yellow energy aura with lightning bolts, lightning, and Dalmatians as he unholstered his Defender of Camden Town sword from his back, and as he walked towards Antasma, he left black and yellow energy, bolts of lightning, lightning, lightning dragons, and Dalmatians with every step.

Delgado Dalmatian: You're like a massive headache that just won't go away, Antasma, even after I'd kicked your tail last year in Camden Town when we went after you and Hunter DeVil. Well, now I'm going to put an end to you once and for all, and this time, you're never ever coming back.

Suddenly, Delgado Dalmatian was surrounded by a massive vortex of black and yellow energy with lightning bolts and lightning surrounding the vortex and coming down from the Heavens, there's a Dalmatian and lightning dragon running around the vortex, and in the vortex is a yellow phoenix. Then, as the vortex faded, Delgado Dalmatian emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Delgado Dalmatian grew from 6'9" to 7'5" in height, he now has abnormally massive and powerful upper and lower body muscles and eight-pack abs, he has yellow highlights in the bangs of his long midnight black hair going down to his neck, he has neon blue eyes and a black and yellow energy aura with lightning bolts, lightning, lightning dragons, and Dalmatians surrounding him, he has a Dalmatian with a lightning bolt in its paws emblazoned on his forehead, he has on Dalmatian earrings with yellow gems for eyes and holding the Thunder and Eternity Kanjis in its paws, he has on his Crystal Necklace of The Buddha with red gems on the gold lightning bolts and red crystal links and a red Dalmatian-shaped Element of Harmony and on the bottom of The Element of Harmony is a Dalmatian with yellow gems for eyes and holding the Thunder and Eternity Kanjis in its paws for the pendant and he still has on his black choker with yellow tag pendant around his neck, Delgado Dalmatian has on a black tank top with neon yellow phoenix which showed off his eight-pack abs and pecs, long black jeans, black leather knee-high combat boots, and long black trenchcoat with lightning bolts on the coattails and on the back is a yellow dragon and Dalmatian surrounded by lightning bolts on the back. Suddenly, Delgado Dalmatian felt a sharp pain on his now wider and more muscular back, and then, his massive midnight black angel wings with white tips on the black feathers grew larger for his new body, he has on a Ring of The Phoenix with red gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Ring on his left ring finger.

Suddenly, Delgado Dalmatian's Defender of Camden Town sword and all of the other swords he'd gotten began merging together and they're surrounded by a kaleidoscope of black and yellow energy, lightning bolts, lightning, and Dalmatians, and when it emerged, it was transformed into Speed-Star Athletic Lightning Dalmatian Greatsword of Electric Athletic Lightning Justice, it's a brand-new massive greatsword with a Dalmatian etched on the 7'0" massive, wide, double-edged midnight black blade, large Dalmatian heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large Dalmatian heads with yellow gems for eyes and in the open mouths and on the bottom of the Dalmatian heads is a large red gem for the pommel, he has on his new large gold cuff Bracelets of the Champions of The Universe with yellow gems on his wrists, his new large gold Belt of Elemental Bravery with large gold Dalmatian head with red gems for eyes and a large yellow gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. There's a yellow kanji below the Dalmatian and dragon that said, "Delgado Dalmatian, Fastest Pup in Camden Town, Loving Son of Delilah and Doug Dalmatian, Loving Brother of Ninety-Eight Siblings, True Athlete and Talented Sports Star of London, Friend of Many, Humiliator of Cruella DeVil, Destroyer of The Evil Antasma, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Sports, Speed, Lightning Dragons, Dalmatians, and Lightning"

デルガド ダルメシアン、カムデン タウンで最速の子犬、デリラとダグ ダルメシアンの愛情深い息子、98人兄弟の愛情深い兄弟、真のアスリートで才能のあるロンドンのスポーツスター、大勢の友人、クルエラ デビルの屈辱者、邪悪なアンタスマの破壊者、スレイヤー悪、混乱、殺人、冷酷、サディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、スポーツ、スピード、ライトニング ドラゴン、ダルメシアン、ライトニングの達人

Delgado Dalmatian has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA ATHLETIC SUPERCELL LIGHTNINGSTORM DALMATIAN ANGEL OF DIVINE ELECTRIC THUNDERSTORM JUSTICE AND DIVINE ATHLETIC SUPERCELL LIGHTNING HOPE!

We were amazed by Delgado Dalmatian's Super Angel Celestial Eternal Xelnaga transformation, but when Antasma saw it, he went mad with rage, but Delgado fired a powerful black and yellow energy blast with lightning bolts, lightning, lightning dragons, and Dalmatians, and it hit Antasma, and he'd been electrocuted badly, and it pissed him off even more.

Lincoln: Whoa, now Delgado Dalmatian's transformed, that's so awesome, and Hikari, you look beautiful, how do you feel?

Hikari Raindom: (Divine Echoing Cosmic Voice of The Celestial Light Charmer Angel and Divine Celestial Light Charmer Love) I feel incredible, Linky. Now, shall we administer unto this monster his rightful punishment?

Lincoln: (Smiles) With pleasure, Hikari.

Delgado Dalmatian: (Divine Echoing Cosmic Voice of The Draconic Lightning Storm Dalmatian and Divine Supercell Lightning Storm Hope) Your days are done, Antasma!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Hikari Raindom, and Delgado Dalmatian also joined in.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to take over The Mushroom Kingdom are over, Antasma, now it's time for you to die.

Hikari Raindom, Lincoln, and Delgado Dalmatian went after Antasma, and they fired fired extremely powerful blasts of rainbow energy, golden yellow energy, black and yellow energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Dalmatians, and Mermaids at Antasma, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, and they also drew blood.

This was really pissing off Antasma badly, but Hikari Raindom, Lincoln, and Delgado Dalmatian were just getting started. Suddenly, two beams of light descended and a hand-cannon Blaster appeared for Hikari Raindom, it was known as Lyna the Light Charmer's Celestial Firestorm and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's golden yellow with lights on the blaster with a Phoenix, Angel, and Lyna the Light Charmer surrounded by lights etched on the sides, and a golden yellow gem on the top of the blaster, and a hand-cannon Blaster appeared for Delgado Dalmatian, it was known as Athletic Lightningstorm Draconic Dalmatian and it's modelled after Mario's Lightning Shark Blaster, but it's black with lightning bolts on the blaster with a Lightning Dragon, Phoenix, Angel, and Dalmatian surrounded by lightning bolts etched on the side, and a red gem on top of the blaster.

Lincoln also got out his Universal Elemental Thunderbird hand-cannon Blaster as he, Hikari Raindom, and Delgado Dalmatian fired blasts of rainbow energy, golden yellow energy, black and yellow energy, and elemental forces and when they hit Antasma, they exploded with incredible power as they hit him and he was killed. Then, as they holstered their hand-cannon Blasters, Antasma's spirit appeared and Wendy, Lincoln, and Delgado Dalmatian fired three black energy blasts with the Judgement Kanji and they hit Antasma and he was erased by The Black Gates after he was found guilty for his crimes by those he hurt. We cheered wildly for what Hikari Raindom, Lincoln, and Delgado Dalmatian did to Antasma as they holstered their massive greatswords on their backs and power down, and the new bodies, clothes, jewelry, weapons, and massive angel wings of Hikari Raindom and Delgado Dalmatian are permanent.

Delgado Dalmatian: Good riddance, Antasma, and don't you dare come back!

Hikari Raindom: You got that right. And I want to thank you and Delgado for helping me destroy that evil bat, Antasma, Linky.

Lincoln: (Smiles Warmly) You're welcome, Hikari.

Delgado Dalmatian then came back to us, and suddenly, Hikari Raindom wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Hikari Raindom's face, they kissed passionately as Hikari Raindom's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Lyna the Light Charmer flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces behind them and light shining down on them and we cheered wildly. Lincoln and Hikari Raindom came back to us, as the display and Lyna the Light Charmer vanished.

Nico: Wow, now that was an awesome three against one battle, and now, we're finally rid of Antasma for good.

Lincoln: Thanks, Nico.

Delgado Dalmatian: Now, I'm finally rid of Antasma for good. But, you know what this means.

Dylan Dalmatian: The villains we faced off against last year are also going to come back from the dead and they'll also want revenge on us.

Dolly Dalmatian: Which means we'll be ready for them.

Nico: Yeah, and you guys are also going to transform as well. Oh, Lincoln, what Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Nico. Hmm, ooh, how about a Gene-Slammer for Night Wing Sorceress.

Me: Now, that's a good one.

Night Wing Sorceress: Indeed.

Dr. Light: There. No more pumpkin spirits.

Ironclad: Aww. I wanted to punch some more.

X Ray: Let it go, Mike.

Me: But this was awesome.

Madame Masque: Today's been won anyway.

Ranamon: And Endsville is safe once again.

Me: Yes it is.

Gentleman Ghost: And there's still time before Halloween.

Me: Yep.

Mandy: And Billy?

Billy: Yes?

BILLY SCREAMED AS MANDY BEAT HIM UP EXTREMELY FEROCIOUSLY!

POW WHAM SMASH WHOMP BIFF CRASH SMACK BIFF CRACK WHAM!

Nico: OOH! Ouch!

Eli: YIKES!

Nico: Nice.

Starlight Glimmer: (To the viewers) Never mess with the forces of the undead or else.

Qin: Yeah no kidding.

Nico: Yeah but great job today everyone! Lets gather up all these pumpkins and head home.

We did so and went back home and then hit the hay.

THE END

Another awesome fanfic done.

This chapter was based on Billy & Mandy's Jacked Up Halloween and that was a funny one. Wayne Knight did a great job voicing Jack in that one.

Me: I hope this planet is going to be good.

Eli: Oh it is bro. It's going to be awesome and fun.

Camie: It always is.

Laney: Yeah.

Nico: Thanks for coming with me, Sunset.

Sunset Shimmer: No problem Nico. It's going to be awesome helping you out on this.

Twilight Sparkle: Sunset has come a long way ever since we saved her from herself.

Nico: Boy she sure has.

Kurumu: I'll say.

Me: And we're proud of her too.

Sunset Shimmer: (sadly) Nico, even if Grogar hadn't influenced me, I still did fucked up things.

Nico: Sunset it's not your fault. You did all that against your will. Grogar poisoned you with his evil.

Me: Yeah it wasn't your fault Sunset. Besides you also reconciled with your mom and dad and you have them back now.

Starlight Glimmer: It's true Sunset.

Nico: Yeah.

Sunset Shimmer: Yeah but I still feel bad.

Me: Don't be Sunset. You have all sorts of amazing friends now and you completely redeemed yourself. Also you have Lincoln as an awesome future husband along with so many awesome sister wives.

Lincoln: It's true.

Nico: He's right on that.

Carly Atlas: Yeah Sunset.

Nico: I really am proud of you, Sunset

Me: We all are. You purged the darkness in your heart and purified yourself.

Eli: Yeah.

Carly Atlas: And you are a great friend and a great force of good. And you are also a great singer in the Rainbooms.

Sunset Shimmer: Thanks guys. That means so much to me.

Me: Anytime Double S.

Sunset Shimmer: Double S?

Me: My nickname for you. It's your Initials.

Rainbow Dash: Like how he calls me R.D.

Pinkie Pie: And me Double P.

Sunset Shimmer: Oh I get it! I like it.

Qin: Yeah that is awesome.

Me: Yeah it sure is. Also yesterdays mission was funny.

Nico: We took out so many pumpkins.

Me: Boy it sure was.

Eli: And J.D. did a really funny and awesome wave of pranks that made Jack laugh himself silly.

Nico: That was really genius too. We've never seen Jack laugh so hard.

Laney: (LAUGHS) Yeah no kidding! And those pumpkins all laughed till they exploded.

Lana: They sure did!

Camie: Boy that was so funny!

Tsuyu: We never have seen anyone laugh themselves to death before and I thought that old saying dying of laughter was just a myth.

Me: It's very real Tsuyu but it's a very rare form of death. Over the centuries there have been a few instances where people literally died from laughing too hard.

Nico: Wow.

Aylene C.: That is crazy that happens.

Nico: But some of those pumpkins looked bizarre.

Sunset Shimmer: They sure did. And they looked like animals too.

Qin: That was awesome though. I didn't know Jack can do that. Make animals out of pumpkins. Really cool and awesome.

Varie: Boy I agree there. When Juvia has battles with Jack we should see more of those animals. I'm sure he has more than the ones he had with him.

Nico: Good idea Varie! That's an awesome idea.

Xenia: It sure is.

Sunset Shimmer: That is cool and awesome.

Me: Boy we've had 2 terrifying and goofy battles in a row and they were awesome. First we pelted the Flying Dutchman with eggs and then we did all kinds of pranks that made Jack laugh uncontrollably.

Tsuyu: I hope Billy didn't get punished too bad.

Nico: We explained things to him in a way he could understand.

Me: Good.

Tsuyu: Billy may be an idiot but he is funny.

Qin: He sure is. Just like Cheese is an idiot. He is funny too.

Nico: Yep.

Xenia: Yeah.

Nico: Here we are!

We arrived at the planet and it was a rainbow planet and had patches of brown and creamy yellow in it.

Nico: Wow look at this planet.

Xenia: Looks interesting.

We got to landing and we landed on the surface and to our amazement and delight it was a planet made ENTIRELY OUT OF CAKES OF MANY DIFFERENT FLAVORS! Chocolate, Strawberry, Vanilla, Red Velvet, Mint, Rainbow and more! It was a world of cakes as far as the eye can see!

Me: WHOA! A PLANET MADE OF CAKES!

Xenia: OH BOY!

Laney: (DROOLS) IT ALL LOOKS SO DELICIOUS!

Nico: CAKE!

Me: UH OH!

Nico was about to eat the cake when I grabbed him.

Nico: GIMME THE CAKE! IT'S ALL MINE TO EAT! (DROOLS UNCONTROLLABLY) GIMME THE CAKE!

Me: NICO SNAP OUT OF IT!

Eli: Boy he sure likes cake!

Me: Almost as much as cheese and chocolate.

Maria slapped Nico.

SLAP!

Nico: OUCH! Thanks Maria.

Maria: No problem Nico.

Laney ate some red velvet cake and it was tasty and delicious.

Laney: Delicious!

Camie had some mint cake and it was yummy.

Eli: (Eating Vanilla Cake) Mmm! Yummy!

Nico ate Chocolate and cookies and cream cake and he loved it.

Nico: (Eating) MMM! MY FAVORITE CAKES! CHOCOLATE AND COOKIES AND CREAM CAKES!

Qin: That's Nico! Loves his chocolate and cookies and cream cakes.

Laney: So delicious.

Me: And here's my favorite too. Devils Food Cake.

I ate some and man was it chocolatey..

Nico continued eating king cakes.

Me: Boy these cakes are so awesome.

Rainbow Dash: The Rainbow cake is awesome! (Eating it)

Pinkie Pie was eating cake like Pacman and it was funny.

Pinkie Pie: WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA WAKKA!

She was really eating the cakes all over the place!

Sunset Shimmer: Boy that is funny!

Nico: Just like Pac Man!

We laughed!

Me: (LAUGHS) That is awesome.

Laney: Yeah it is!

Qin: (LAUGHS) So cool!

Me: Pinkie loves her cakes. She and the Cakes make amazing desserts and more.

Xenia: They sure do.

Me: Boy who DOESN'T love the desserts at Sugarcube Corner?

Sunny Starscout: Yeah you would have to be a crazy person not to love their desserts.

Nico: That includes ice cream

Me: And don't forget donuts and other desserts.

Nico: Yep

Me: Yep.

Kurumu: Yeah no kidding.

Qin: Yep.

Kurumu: Now we can get down to business. My mother is out for me again. She wants me to marry Tsukune.

Me: Oh great!

Lincoln: I can't believe that your mother also wants you to only marry Tsukune, Kurumu, that's an arranged marriage for her own benefit, and one that causes you misery.

Kurumu: I know, and just like Mizore, I want to choose who I want to be with, it's my choice and mine alone, and she has no right.

Nico: You got that right, but I'm afraid she's way too crazy, Kurumu, so there's only one place where she is heading after the fight.

Me: The Saturn Insane Asylum.

Eli: Yeah.

Lincoln: And just like Mizore's mom, Kurumu's mom isn't getting the Epiales' Eternal Sleepless Nightmare Vengeance Curse. She may not have broken the bond between mother and daughter, but she still needs psychological help.

Carly Atlas: And I'm going to be the one to teach her a big lesson, and just like Mizore's mom, Ageha is also going to get sent to The Saturn Insane Asylum to cool it.

Lincoln: And that'll be after you rough her up.

?: Kurumu, you will marry Tsukune and you have no say in the matter!

Kurumu: Oh boy, she's here.

Kurumu fired a blast of purple energy and forced out a figure, it was her mom, Ageha.

Kurumu: Mom, how many times do I have to tell you, I want to choose who I want to be with, it's my choice and mine alone!

Varie: Ageha, its been a long time.

Ageha: It has been a while Varie. You're looking good.

Varie: Atlantis beauty has its perks. Especially when you have lived for over 10,000 years.

Ageha: Indeed. J.D. is's a pleasure to meet you. I heard so many amazing things about you.

Me: Same to you Ageha.

Kurumu: But mother I'm marrying who I want!

Ageha: I don't care what you want, what you want means nothing to me! When this is over and all your friends are dead, you will marry Tsukune or I will kill you!

Carly Atlas: Okay, that's it, you just earned yourself the ass-kicking of a lifetime!

Me: Big time!

Suddenly, Carly Atlas' orange eyes turned neon orange and she was surrounded by a black and orange energy aura with orange fire, hummingbirds, and darkness, she unholstered her massive Earthbound Immortal Aslla Piscu-themed sword from her back, and as she approached Ageha, she left black and orange energy, orange fire, hummingbirds, and darkness with every step.

(IMPERATRIX MUNDI PLAYS 1:35 TO 2:14)

Carly Atlas: You've always been completely crazy about making every single decision for Kurumu, Ageha, she's not a little kid anymore. But, what you did in trying to make her marry Tsukune when he's clearly with Moka, you've just crossed one line too many, and now, I'm going to show you what happens when you dare to meddle with love for your own selfish needs.

Suddenly, Carly Atlas was surrounded by a massive vortex of black and orange energy with orange fire and darkness surrounding it, there's Earthbound Immortal Aslla Piscu flying around the vortex, and in the vortex is an orange phoenix. Carly Atlas has on a Ring of The Phoenix with orange gem and heart shaped gem embedded in it on her right ring finger and Star Sapphire ring on her left ring finger and wedding ring on her right pinkie finger.

Suddenly, Carly Atlas' massive Earthbound Immortal Aslla Piscu-themed large sword and all the other swords she'd gotten began merging together and they were surrounded by a kaleidoscope of orange energy with darkness, orange fire, and hummingbirds, and when it emerged, it transformed into Earthbound Immortal Aslla Piscu's Dark Hummingbird Greatsword of Orange Fire and Darkness Justice, it's a brand-new large greatsword with Earthbound Immortal Aslla Piscu and the Hummingbird Nazca Line etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black hummingbird heads for the crossguard, large orange gem embedded in the rainguard, longer midnight black handle, four large midnight black hummingbird heads and a large orange gem below the hummingbird heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with orange gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Earthbound Immortal Aslla Piscu's head with orange gems for eyes and a large orange gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The

Carly Atlas has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA DARKNESS ORANGE FIRE EARTHBOUND IMMORTAL HUMMINGBIRD ANGEL OF DIVINE EARTHBOUND IMMORTAL DARK JUSTICE AND DIVINE ORANGE FIRESTORM LOVE!

We were amazed by Carly Atlas' Super Angel Celestial Eternal Xelnaga transformation, but when Ageha saw it, she went insane and fired a blast of darkness to kill her, but Carly Atlas dodged it, and she fired a powerful black and orange energy blast with orange fire, darkness, and hummingbirds at at Ageha and it exploded with incredible power as it hit her, and it really pissed her off.

Carly Atlas: (Divine Echoing Cosmic Voice of The Dark Hummingbird Earthbound Immortal and Divine Orange Fire Justice) **Now, you're really going to get it, Ageha, for trying to meddle with your daughter's choice in love!**

Albedo turned into Negative Whampire.

Nico: Time for this bat to have its wings clipped!

Carly Atlas: The Hummingbird will be much faster than her.

She flew fast and smashed her in her face.

Nico: Yeah, get her, Carly.

Me: If Jack Atlas saw this he would be tooting like a steamwhistle!

Sunset Shimmer (LAUGHS) He sure would!

Me: KIBAL LETS HOWL!

Eli: (SINGING DIVINELY AS EARTH, ROCK, CRYSTAL AND BOULDERS SWIRL AROUND HIM)

I, I will be king

And you, you will be queen

Though nothing, will drive them away

We can beat them, just for one day

We can be heroes, just for one day

And you, you can be mean

And I, I'll drink all the time

'Cause we're lovers, and that is a fact
Yes we're lovers, and that is that
Though nothing, will keep us together
We could steal time, just for one day
We can be heroes, forever and ever
What'd you say?
I, I wish you could swim
Like the dolphins, like dolphins can swim
Though nothing, nothing will keep us together
We can beat them, forever and ever
Oh we can be heroes, just for one day
I, I will be king
And you, you will be queen
Though nothing will drive them away
We can be heroes, just for one day
We can be us, just for one day
I, I can remember (I remember)
Standing, by the wall (by the wall)
And the guns, shot above our heads (over our heads)
And we kissed, as though nothing could fall (nothing could fall)
And the shame, was on the other side
Oh we can beat them, forever and ever

Then we could be heroes, just for one day

We can be heroes

We can be heroes

We can be heroes

Just for one day

We can be heroes

We're nothing, and nothing will help us

Maybe we're lying, then you better not stay

But we could be safer, just for one day

Oh-oh-oh-ohh, oh-oh-oh-ohh, just for one day

I hear your name whispered on the wind

It's a sound that makes me cry

I hear a song blow again and again

Through my mind and I don't know why

I wish I didn't feel so strong about you

Like happiness and love revolve around you

Trying to catch your heart

Is like trying to catch a star

So many people love you, baby

That must be what you are

Waiting for a star to fall

And carry your heart into my arms

That's where you belong

In my arms, baby, yeah

Waiting for a star to fall

And carry your heart into my arms

That's where you belong

In my arms, baby, yeah

I've learn to feel what I cannot see

But with you, I lose that vision

I don't know how to dream your dream

So I'm all caught up in the superstition

I want to reach out and pull you to me

Who says I should let a wild one go free

Trying to catch your heart

Is like trying to catch a star

But I can't love you this much, baby

And love you from this far

Waiting for a star to fall

And carry your heart into my arms

That's where you belong

In my arms, baby, yeah

Waiting for a star to fall

And carry your heart into my arms

That's where you belong

In my arms, baby, yeah

Waiting (however long)

I don't like waiting (I'll wait for you)

It's so hard waiting (don't be too long)

Seems like waiting

Makes me love you even more

Waiting for a star to fall

And carry your heart into my arms

That's where you belong

In my arms, baby, yeah

Waiting for a star to fall

And carry your heart into my arms

That's where you belong

In my arms, baby, yeah

Waiting for a star-

And carry your heart into my arms

That's where you belong

In my arms, baby, yeah

Waiting for a star to fall

And carry your heart into my arms

That's where you belong

In my arms, baby, yeah

She floated and fired waves of light and darkness and smashed her down.

CHOIR]

(Thus saith the Lord, thus saith the Lord

Thus saith the Lord, thus saith the Lord

Thus saith the Lord, thus saith the Lord

Thus saith the Lord, thus saith the Lord)

Since you refuse to free my people

(Since you refuse to free my people)

All through the land of Egypt

I send a pestilence and plague

Into your house, into your bed

Into your streams, into your streets

Into your drink, into your bread

Upon your cattle, on your sheep

Upon your oxen in your field

Into your dreams, into your sleep

Until you break, until you yield

I send the swarm, I send the horde

Thus saith the Lord

[MOSES]

Once I called you brother

Once I thought the chance to make you laugh

Was all I ever wanted

[CHOIR]

I send the thunder from the sky

I send the fire raining down

[MOSES]

And even now I wish that God had chose another

Serving as your foe on His behalf

Is the last thing that I wanted

[CHOIR]

I send a hail of burning ice

On ev'ry field, on ev'ry town

[MOSES]

This was my home

All this pain and devastation

How it tortures me inside

All the innocent who suffer

From your stubbornness and pride

[CHOIR]

I send the locusts on the wind

Such as the world has never seen

On ev'ry leaf, on ev'ry stalk

Until there's nothing left of green

I send my scourge, I send my sword

Thus saith the Lord

[MOSES]

You who I called brother

Why must you call down another blow?

[CHOIR]

I send my scourge, I send my sword

[MOSES]

Let my people go

[CHOIR]

Thus saith the Lord

[MOSES & CHOIR]

Thus saith the Lord

[RAMESES]

You who I called brother

How could you have come to hate me so?

Is this what you wanted?

[CHOIR]

I send the swarm, I send the horde

[RAMESES]

Then let my heart be hardened

And never mind how high the cost may grow

This will still be so:

I will never let your people go

[CHOIR]

Thus saith the Lord

[MOSES]

Thus saith the Lord

[RAMESES]

I will not…

[(MOSES & CHOIR) & RAMESES]

… let your (my) people go!

I fired waves of darkness and they formed into waves of blood, frogs, flies, lice and fleas, pestilence, hail and fire, locusts, boils and sores and darkness and the spirits of the slain firstborn and smashed her down.

Tell everybody, I'm on my way

New friends and new places to see

With blue skies ahead, yes

I'm on my way

And there's nowhere else that I'd rather be

Tell everybody, I'm on my way

And I'm loving every step I take

With the sun beating down, yes

I'm on my way

And I can't keep this smile off my face

'Cause there's nothing like seeing each other again

No matter what the distance between

And the stories that we tell will make you smile

Oh, it really lifts my heart

So tell 'em all I'm on my way

New friends and new places to see

And to sleep under the stars

Who could ask for more

With the moon keeping watch over me

Not the snow, not the rain

Can change my mind

The sun will come out, wait and see

And the feeling of the wind in your face

Can lift your heart

Oh, there's nowhere I would rather be

'Cause I'm on my way now

Well and truly

I'm on my way now

Tell everybody, I'm on my way

And I just can't wait to be there

With blue skies ahead yes

I'm on my way

And nothing but good times to share

So tell everybody, I'm on my way

And I just can't wait to be home

With the sun beating down, yes

I'm on my way

And nothing but good times to show

I'm on my way

Yes, I'm on my way

She floated and fired waves of fire and smashed her down!

Qin: OH YEAH!

Nico: When someone says no, they mean FUCKING NO!

Me: THAT IS RIGHT!

?: You tell them guys!

An INFERNAL FLAME VIXEN CAME!

Me: Whoa! Infernal Flame Vixen! Wow!

Qin: WHEW! HOT!

Infernal Flame Vixen: Sorry guys. I am a hot one.

Nico: Whoa! Shizuka Hououna!

She reverted back and she was a girl with orange hair, orange clothes and had orange fox ears and 9 fox tails Fire Wings and had a blue dragon flame scythe!

Shizuka Hououna: It's great to see you again Nico.

Me: Wow! A Kitsune Fire Angel?

Shizuka Hououna: That's right J.D. I'm half Kitsune and half Fire Angel. Awesome observation.

Me: Thanks.

Shizuka Hououna: I got this.

She fired waves of fire and smashed her down and Carly Atlas went after Ageha, and she fired powerful blasts of black and orange energy, orange fire, darkness, and hummingbirds at Ageha, and they exploded with incredible power as they hit her, and she attacked her with her new massive greatsword and left tears on her outfit. Then, Carly Atlas fired orange energy blasts which transform into a straitjacket and energy chains and restrained Ageha. Carly Atlas powered down and her new body, clothes, weapons, jewelry, and massive light purple angel wings are permanent.

Ageha: You miserable little… ! When I get out of this, I'm gonna… !

Carly Atlas: No, Ageha, you need help, and you're spending time in the Asylum until you've cooled it!

Kurumu beamed her mom to The Saturn Insane Asylum for treatment, but Ageha also got a strict warning: if she's not cured, she's going to get the Epiales' Eternal Sleepless Nightmare Vengeance Curse, and Lincoln's going to be the one to do just that.

Nico: Sorry Ageha but it's for your own good.

Qin: I agree.

Shizuka Hououna: But at least she'll be in the M.O.E.

Maria: Want some cakes?

Shizuka Hououna: I sure do please.

She got some vanilla cake.

Shizuka Hououna: (Eating it) Mmm! This planet is my favorite.

Me: Boy it will be EVERYONE's favorite. Anyone that DOESN'T like cake literally has something wrong with their brains.

Qin: You got that right.

Camie: This is one of my favorite planets we went too next to the cheese, chicken wing, pizza and hot dog and chocolate planets.

Me: Boy those planets are always cool.

Nico: They sure are. And you guys know how much I love cake and cheese and chocolate and chicken wings.

Me: Yep.

Shizuka Hououna: That's Nico. Always loved his chocolate, cheese and chicken wings. Can't get enough of them.

Qin: Yep.

Sunset Shimmer: What's your favorite memory of Nico?

Shizuka Hououna: I have a lot of them but my favorite was when me and Nico were taking a train ride on one of those old fashion 19th century coal burning trains and then it broke down. Me and Nico went over and fixed the problem. Ignition Gaskat was broken and I fixed it with a new one and we were heroes of the train for that.

Nico: Shizuka is a master engineer and knows all about fixing things.

Lana: Awesome! She and I would make great mechanics.

Shizuka Hououna: Yeah we sure would Lana.

Nico and Shizuka hugged.

Nico: I've really missed you Shizuka.

Shizuka Hououna: Me too Nico. Me too.

Me: Hey we should bring some cakes home for everyone.

Maria: Awesome idea J.D.

Nico: Lets do it.

We got some cakes for everyone and went back home.

Back home everyone saw the cakes.

Poromon: Look at all those cakes!

Me: You are gonna flip when you hear where we got them.

Nico: Yeah.

We told them everything and it was awesome and cool.

Lincoln: Wow, we're here in Abbott, New Mexico, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're going to exorcise Dorsey Mansion of the spirits that've haunted inside this place for more than a century.

Me: Oh man, out of all the haunted places in New Mexico, Dorsey Mansion is the most haunted place in New Mexico.

Nico: Yeah, this place is literally a hotbed for paranormal activity.

Lincoln: Wait until you hear the history behind it, and thanks for joining us, Carol.

Carol: You're welcome, Lincoln, and many of us know the history of Dorsey Mansion and the man who built this place.

Lincoln: Yep. In 1878, former US Senator Stephen Dorsey built this bizarre styled mansion: one-half rough cut human log cabin and another half elaborately carved stone castle, and he began leaving his macabre mark on his mansion. But, here's the thing that makes him a rogue in US History: Dorsey paid for the construction through money he acquired through corrupt mail contracts. But in 1897, Dorsey abandoned their mansion and moved to Los Angeles, where Dorsey's wife Helen died in 1897, and Dorsey himself died in 1916.

But fifteen years before his death, in 1901, the Mansion was sold at auction to Solomon Floersheim, one of the creditors.

Me: Yeah, I read about Stephen Dorsey's biography, and what he did to acquire money, that made him a rogue and scoundrel, and he and his eight accomplices were acquitted in trial.

Nico: But, he would be marked for life, Dorsey attempted to become a leader of the Republican party in New Mexico, but his debts and lawsuits thwarted his ambitions, and he was almost destitute by the time he died.

Lincoln: Yep, and for decades, visitors and residents of the mansion have been haunted by sightings of apparitions and ghosts in the mansion, and it's also believed the mansion is haunted by Stephen Dorsey himself. Now, it's up to us to help the spirits cross over and evict Dorsey from his mansion for good.

We arrived in Abbott, New Mexico, and when we entered Dorsey Mansion, we felt the forces of the ghosts here and Lincoln's ghost sense went off. Suddenly, our rainbow energy auras had flared up as we were sucking in all of the negative energy and we were gaining a massive power and energy boost and we were getting stronger and stronger and stronger still.

Lincoln: Whoa, this is a really heavy and dark presence here, I can feel it, and the powerful forces of the mansion aren't going to leave here that easily, but we sucked in and absorbed all of the negative energy that's festered here for over 200 years.

We went outside and Lincoln took to the air, and we followed him. Then, he made a massive green magic circle with Celtic knots and Celtic symbols and runes on the ground which then surrounded The Dorsey Mansion. But, we also felt the powerful forces trying to resist, but Lincoln was ready. He took out his Flute of Ogma, and he began to play a beautiful melody, and all of the spirits were eventually forced out of the building and put into a Celtic knot magic circle to keep them all from escaping, and Lincoln's melody continued to calm and soothe the land, and the spirits crossed over to The Afterlife, and Dorsey Mansion has been exorcised for good and the magic circles disappeared.

Nico: Awesome job, Lincoln.

Lincoln: Thanks, Nico, but we're not done yet. I also got word that Mac and Molly Mange have come back again, and they still want revenge on us.

We gasped.

Lola: Ugh, not those tin can feline gangsters again.

Lincoln: Afraid so, Lola, and they're mega peeved at us.

Nico: Oh, that is it, those tin cans are getting The Black Gates.

Me: Yeah, and this time, they're never ever coming back.

?: HEEEEELLLLP!

Suddenly, Lincoln heard the sound of seven girls screaming for help, along with the sound of sadistic laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the seven girls, but they've been cornered by Mac and Molly Mange, and they're going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the seven girls, but they've been cornered by Mac and Molly Mange, and they're going to kill them.

?: (Girl's voice) Those murderous tin can gangsters, let's get them!

Suddenly, we saw Night Wing Sorceress appear before us.

Night Wing Sorceress: Another me?! But, how?!

Lincoln: You're not seeing double, Night Wing Sorceress, and I recognize that voice from anywhere, I knew it was you, Abigail Nightingale, but we'll talk later, let's put an end to those tin can gangsters from Megakat City once and for all.

We rushed over, and right before Mac and Molly Mange could claim their next victims, Lincoln fired powerful rainbow energy balls and elemental forces at The Metallikats, and that allows the seven girls to get to safety inside a rainbow energy field created by Lincoln to protect them from The Metallikats, and when they saw us, especially Lola, they were extremely enraged.

Molly Mange: You, I'll kill you if it's the last thing I ever do! You've ruined everything!

Lincoln: Zip it, Molly Mange, you and Mac have caused more than enough trouble for all of Megakat City for the last time, and now, you two gangsters are never ever coming back.

Then, Lincoln summoned blades of Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic and with one swing of his massive greatsword, he sent the blades right at The Metallikats, and they were skewered, and they exploded with incredible power, and their spirits were finally sent to The Black Gates forever. We cheered wildly as we holster our weapons and powered down.

Lola: Good riddance, you miserable good for nothing gangsters.

Lincoln: And don't you dare come back.

Nico: When Commander Feral hears of this, he and our friends from Megakat City are going to be glad to hear Mac and Molly Mange are gone for good.

Lincoln: After all the trouble they've caused, I don't blame them. (To Abigail Nightingale) And it's so good to see you again, Abigail Nightingale.

Abigail Nightingale reverted back to normal, and she was a beautiful girl with long flowing light purple hair in a braid, hot pink eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful purple and black angel wings as she reigned in the power of Night Wing Sorceress, and she was dressed in a sleeveless midnight black dress top, sleeveless midnight black midriff top, long midnight black skirt encrusted with jewels and long white sleeveless trenchcoat with darkness, shadows, and dark angels on the coattails and Night Wing Sorceress on the back and holstered on her back is a Night Wing Sorceress-themed large greatsword with Night Wing Sorceress etched on the 7'0" massive, wide, double-edged midnight black blade, large angel heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large angel heads and a large purple gem on the bottom of the angel heads for the pommel.

Abigail Nightingale: You too, Lincoln, it's been a long time.

Lincoln went up to Abigail Nightingale and he hugged her, and Abigail Nightingale is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Abigail Nightingale: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new, you can land an airplane on that more wider and more muscular back, squash a melon with those quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Abigail Nightingale, she's my Guardian Angel from Michigan and my friend from Art Class, and she's a powerful master of the shadows, darkness, and umbrakinesis.

Me: Wow, that's really awesome, and it made sense that she would be Gene-Slammed into Night Wing Sorceress.

Lincoln: Exactly.

Lori: But, there's also something that those who hadn't joined long ago should know, she also hates Lola, Lynn, and Flip with a vengeance, because those three literally did something so horrible and so brutal to Girl Jordan, it'll make Eli explode with rage.

Nico: Oh, I hate to find out what the hell it was that Lola, Lynn, and that mutant cheapskate did to one of Lincoln's future wives.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appear around Abigail Nightingale's neck with light purple gems on the gold thunderbolt links and light purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Abigail Nightingale: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of harem and my many future wives, Abigail.

Abigail Nightingale had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Abigail Nightingale's waist and Abigail Nightingale wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw them, he recognized them immediately. The seven girls are Area, Sunrise Nishisenba, Maple Storm, Raika, Fuka, Vivian Nishiki, and Pepe Ishiwata from Street Fighter.

Lincoln: Oh wow, it's Area, Sunrise Nishisenba, Maple Storm, Raika, Fuka, Vivian Nishiki, and Pepe Ishiwata from Street Fighter.

Nicole: Awesome.

Lincoln: Are you girls okay?

Sunrise Nishisenba: Yes, we're okay, thanks to you.

Then, when Sunrise Nishisenba and the other six girls saw who it was that saved them from The Metallikats, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future

Sunrise Nishisenba: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Sunrise Nishisenba: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Thunderbird Necklaces of Eternal Love appeared on the necks of Area, Sunrise Nishisenba, Maple Storm, Raika, Fuka, Vivian Nishiki, and Pepe Ishiwata with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, We returned home to the World Tree Estate, and the rest of the team heard of what we did in exorcising Dorsey Mansion and helped the spirits cross over, and they were shocked when they found out the villains we went after were Mac and Molly Mange, the Metallikats, who'd returned from the dead to get revenge on us for destroying them again.

But, when Lincoln showed what we all did in pulverizing them and him personally destroying them and sending them to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Abigail Nightingale have a lot of catching up to do, now that she's back in town, and now, we're finally rid of The Metallikats for good, and they're never coming back.

Maria: I can't believe those good-for-nothing gangsters, The Metallikats, came back again.

Lincoln: Should've known they wouldn't stay dead for long, but now, we're rid of them for good.

Me: And we've been keeping tracks of who's broken out of prison or come back from the dead to get revenge on us, along with taking down those who got turned into demons by Angela.

Nico: Yeah, but come Halloween, this'll be Angela's final Halloween.

Lincoln: You got that right, plus, Colleen and Celine are glad their awful mothers and Tiffany Edwards are right where they belong: prison and cursed for eternity.

Eli: Wait, I thought Tiffany Edwards was sentenced to 10 years in the Charon Reform School.

Lincoln: She was, until I got the call that she broke out to get revenge again on Celine, and that was when I headed there with Celine, and after we beat her up, I decided right then to revoke the original sentence of the 10 years in the Charon Reform School she was given and I cursed her with the King Midas' Golden Touch Vengeance Curse, and now, she's never going to be free ever again.

Nico: Scum-sucking bitch, she's a bully and she always will be.

Me: Yeah, a bitch like her doesn't deserve to be free ever again. And now she is a gold statue forever.

---

After we exorcised Dorsey Mansion and finally got rid of The Metallikats and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Abigail Nightingale saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Abigail Nightingale: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever. He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Abigail, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Abigail Nightingale: That's incredible.

Nico: You got that right. So, Abigail, what's the story you have on why you hated Lynn, Lola, and that mutant cheapskate, Flip, with a vengeance, because they did something so horrible to Girl Jordan.

Abigail Nightingale: Oh, you're going to wish you had Flip killed, Nico. One day, I was with Lincoln and Lori was also with us, who was picking us up from Gus' Games and Grub after a day of fun. But, then, we heard a loud scream coming from the east, and we head there. We took shelter in the bushes, and when we looked, Lincoln and Lori saw four familiar figures there: one of them was Girl Jordan, but she was tied up with chains and lead weights to the chains, and even worse, she had slash marks all over her body. But, then, we heard the sounds of cruel and sadistic laughter, and when we saw the three other figures with her, we eventually knew who they were: the first two were Lynn and Lola, but they were now completely driven by evil and insanity, and the third figure was convicted conman, murderer, US traitor, and greedy mutant cheapskate, Flip, and we overheard why they were doing this: Lynn and Lola wanted to see Lincoln fall into despair by killing one of the many girls who had a crush on him and they wanted him to suffer and then, they were going to kill him and every last girl who ever had a crush on him, and they also broke Flip out of jail for that one, and they also threw away the rings Audrey Sauron gave them to control those dark sides. We couldn't stand it, so I fired blasts of darkness at them, and when they saw us, Lynn, Lola, and Flip took sadistic pleasure when they threw Girl Jordan into the waters to finally kill her, and that pissed us all off, as I fired blasts of darkness to blind them, and while Lori and I were beating up Flip, Lynn, and Lola, Lincoln dived into the waters and he broke Girl Jordan's chains and he swam up to the surface with her in his arms. Lynn, Lola, and Flip screamed in pure rage and got out the knives they used on Girl Jordan and tried to kill us, but Lincoln, in his fit of rage, blasted them with energy blasts and not only did he knock the knives out of their hands, but he sent them flying into trees and they were knocked out.

We gasped in pure shock, and Eli was already turning red with rage.

Nico: Oh shit, I can't believe the nerve of those three!

Me: I know, and after Lynn, Lola, and Flip were knocked down and tied up, Lori called the police and I also showed up as well, and when the police saw Flip, they grabbed the cheapskate and threw him in the police wagon, and then, Lori explained everything of what she saw and recorded on her phone, and I was furious at what Lynn, Lola, and Flip did to Girl Jordan, it was so brutal and horrible. I then grabbed Lynn and Lola by their hair and knocked them out using Eli's nanny-goat head bonk method, and Lincoln gave Girl Jordan CPR, and she was going to be okay, and he also healed her injuries that Lynn, Lola, and Flip gave her with those knives. Flip got another Life Sentence for attempted murder and assault resulting in bodily injury, and he was thrown in Solitary Confinement, and as for Lynn and Lola, we told the parents and they were pissed off big time, and so was Lincoln, as he grabbed them by their jersey and dress and he tossed them into cages set up in their rooms, and they also got a very harsh grounding: twenty-five weeks for what they did in trying to kill Girl Jordan to make Lincoln suffer, so they can kill him and every girl who has feelings for him, along with breaking Flip out of jail.

Lori: I also told Luna to call Audrey Sauron, and tell her not to make anymore replacement rings for Lynn and Lola, and she can renew her vengeful vow, that if she ever saw Lynn hurt Lincoln in any way, she would kill her, and she now included Lola. Those two never got replacement rings to get those violent animals under control, and they were shunned by Lincoln during their punishment, and they lost his trust during their punishment.

When Abigail Nightingale and Lori were done with the tale, Eli's face and body were literally nuclear red, his eyes turned blood red with vengeful wrath and rage, and his teeth literally turned into fangs.

Eli: (EXTREMELY PISSED OFF) FLLLLLLLLLLLLLLLIIIIIIIIIIIIIIIIIPPPPPPPPPPPPPP!

Me and Nico: Oh, shit!

Lincoln: Flip's dead meat on a stick!

Eli stormed out and he stormed into Lynn's Table with us following him, and he'd really unleashed all Hell on Flip as he brutally beat up and really mongrelized Flip all over the place, and Flip was really screaming in agonizing pain, and coins and jewels came pouring out of him like crazy like numerous waterfalls.

Eli: YOU REALLY MAKE ME FUCKING SICK, FLIP! YOU TEAMED UP WITH LYNN AND LOLA, WHO BUSTED YOUR FOUR-CHEEKED BUTT OUT OF JAIL, SO YOU COULD KILL GIRL JORDAN, WHO HAPPENS TO BE ONE OF THE MANY GIRLS THAT'S FALLEN IN LOVE WITH LINCOLN, AND ALL FOR WHAT, YOUR PATHETIC DESIRE FOR REVENGE?! IF WE WEREN'T HUMILIATING YOU FOR ALL OF YOUR SINS, I WOULD FUCKING KILL YOU IN A HEARTBEAT!

We were stunned at the verbal rage from Eli.

Varie: HOLY MACKEREL!

Me: Oh man, when Eli gets this mad, you better stay out of his way!

Nico: Yeesh, otherwise, you're going to get caught in the middle of a ferocious storm!

Qin: That will end in brutal pain!

Camie: And it won't be pretty!

Lincoln: Flip's already sealed his doom, so there's no way he's ever going to be saved, he's already been eternally damned. But, I got to stop this before Eli does kill him. (To Eli) Eli, stand down now!

Suddenly, Eli backed away, but he ran up to Lincoln, who braced himself for his wrath. But, instead, he felt Eli hugging him and when he felt tears on his chest, he knew what had to be done: he hugged Eli and soothed him, and we also hugged him.

Lincoln: We understand why you said those words to Flip, and it's no surprise he's a greedy asshole, but he's already getting his just desserts for his stupidity and greed, Eli.

Flip: (In serious pain) I hate all of you, and when I get out of this, I'm gonna… !

But, Flip got cut off as Lincoln slashed off Flip's moustache and ripped off all the hair on his body with wax covered bandages, and he screamed even more in extreme pain.

Lincoln: You don't deserve to even say another word, you butt-muncher, and Eli's right, if we weren't humiliating you for your crimes, we would kill you in a heartbeat. But, you already died once for all of your crimes last year, so we're not going to kill you. But, let me give you this warning: if you ever and I mean ever try to hire any thugs to kidnap and kill those close to me, I'll undo the curses that I put on you and I will kill you myself. (Glaring Intensely) Got that?

Flip: I DON'T CARE, I'LL KILL YOU ALL AND ROB YOU EVERY LAST SUCKER BLIND!

But, Lincoln stomped on his feet hard, and Flip screamed in more pain.

Lincoln: Let's go, guys, it's obvious this moron's not going to learn his lesson ever.

We left Lynn's Table and we headed back home to resume our workouts. We got a shower afterwards, and then, we were on our way to recruit Voltar, Doktor Frogg, Red Menace, and Doomageddon, The League of Super Evil into The Masters of Evil.

Nico: This is going to be awesome recruiting the League of Super Evil into The Masters of Evil.

Lincoln: Yeah, and we'll find some archenemies for them. Plus, I remembered hearing stories of some of the wildest adventures they've gotten themselves into. They've tried to take over the neighborhood of Metrotown and the world ultimately, but their plans usually involve pranks such as gluing a penny to a chair.

Me: And I can guess those plans backfire in the end, right?

Lincoln: You guessed it, J.D. Plus, these guys are perfect members who'll fit right into The Masters of Evil.

Laney: And Lucy will probably get along with Doomageddon.

Lincoln: Same with Lucy and Doktor Frogg, and he, like all of us, can't stand Ophelia Shroud.

?: Did someone call for us.

Just then, we saw Voltar, Doktor Frogg, Red Menace, and Doomageddon arrive.

Lincoln: Just the villains we've been looking for.

Voltar: Wait, we didn't do anything this time. Don't arrest us!

Doktor Frogg: Voltar, they're not here to arrest us, that's Team Loud Phoenix Storm.

Red Menace: This is an honor. So, what brings all of you here?

Nico: It's an honor to meet you all as well, Red Menace, and we're here to recruit you all into The Masters of Evil.

Just then, Vypra appeared, and when Voltar and his companions saw her, they were stunned.

Voltar and Doktor Frogg: (Gasps) It's Vypra.

Vypra: The one and only, boys.

Just then, Doomageddon appeared, and he got along great with Vypra and he was also nice to Lucy.

Lincoln: Heh, I might've guessed Doomageddon is getting along great with Lucy and Vypra.

Vypra: Interdimensional doomhounds are what we call playful and destructive pets to demons, plus, the destruction he's caused was mainly on Voltar, Doktor Frogg, and Red Menace.

Voltar: So, you're not here to…?

Lincoln: Of course not, Voltar. Besides, you guys have gotten into some really wild adventures and really wild schemes.

Doktor Frogg: Mainly from Voltar's schemes. And I heard that little monster, Ophelia Shroud, is now a jailbird.

Lisa Loud: Affirmative. After Nico won the Fry Cook Games last year and he beat Ophelia Shroud who regained her intelligence, Lincoln came over and he'd sucked out and drained her brain and reduced her to a total drool monkey and threw her in a special cell in Maximum Security Solitary Confinement in The Saturn Insane Asylum, and that cell will not allow any dark magic, Dark Orbs, Number Cards, Aparoids, or any other otherworldly force to help her regain her intelligence.

Me: Yep.

Nico: Yeah, we don't need Ophelia Shroud running loose ever again. So, boys, what's say you to our offer?

Voltar: I'm in.

Doktor Frogg: Same here.

Red Menace: Me three.

Doomageddon also agreed as well, and Vypra had them beamed to The Masters of Evil's HQ, and we will also be on the alert for the other supervillains as well.

Later Sissi was walking to the living room and she sat on the sofa and saw Poromon wearing something.

Sissi Delmas: Poromon, what are you wearing?

He had a fake mustache on his face.

Poromon: A Fake Mustache. You like it?

Eli: It's really cute.

Poromon: It sure is.

Xenia: I think it's adorable.

Poromon: Bought it at the novelty store.

Namine: You know that's not a real mustache, right?

Poromon: I know. It's cool though.

Siddi Delmas: I think it's awesome and cute too.

Laney: It sure is.

Camie: Yeah.

Then me and Nico came in and with us was a blond hair girl and she had a black shirt and dark skirt. It was Sissi's penpal from Iceland, Brynja Heringsdötir.

Sissi: (GASP) Brynja!

Brynja: (Icelandic Accent) Sissi!

They hugged!

Sissi: Wow! It's so awesome to have you here.

Brynja: I am honored to be part of the team.

Me: Me and Nico went to Iceland and we had her recruited for you Sissi.

Cybertron Ransack: Hiya! You must be Brynja. Nice to meet-

Poromon: Let me handle this. (speaks Italian to Brynja)

Lynn: Poromon, what are you doing?

Poromon: Speaking Italian.

Lola: Poromon, just because you have a mustache doesn't mean you can speak Italian!

Lori: (To Brynja) We're literally sorry about this!

Brynja: It's all right. I didn't understand it.

Me: He said that his name is Poromon and he is honored to meet you.

Brynja: Oh! Thank you.

Me: No problem.

Nico: Poromon that mustache is really cute.

Poromon: Thanks. Want to dance?

TARANTELLA NAPOLETANA PLAYS!

We danced to that song and it was awesome.

Then our stomachs growled.

Me: Whoa! Every time we dance to that song we always think of pizza.

Chromedome: But first, that mustache is coming off! (takes mustache off)

POP!

Poromon: Okay okay! Geez!

We got to eating more leftover pizza and it was awesome.

Me: (Eating) Mmm! Awesome.

Xenia: Yeah!

Brynja: Oh it sure is.

Sissi: It's really awesome having you with us Brynja.

Brynja: Thanks Sissi.

William: You know, Brynja. A lot has changed for me since Kadic

Brynja: I heard and I'm glad X.A.N.A. Is gone.

Me: So is the world.

When we got finished eating the alarm went off.

Computer: PRIORITY ALERT! PRIORITY ALERT!

Me: Uh oh!

We went to the computer and we saw a massive armada of alien spaceships approaching the planet!

Computer: Nico, everyone, Sensors detect a massive armada of Martian Spaceships headed directly for Earth.

We gasped!

All of us: MARTIANS ARE ALL REAL!?

Nico: NOT GOOD!

Qin: Oh man!

Then The U-Foes, Brain Freezer, Electrocutioner, Pyro, Grumblemon, Hsi Wu, Dr. Light, Madame Masque, Ranamon, Gentleman Ghost, Scirocco Mole, China White, Vomiting Frog Prince, Yost Pyro, Kung Food, SHS Carange, Roulette, Shaman Apsu, Evil Solar Man, and Uchotan appeared.

Vector: Can me, my team, Brain Freezer, Electrocutioner, Pyro, Grumblemon, Hsi Wu, Dr. Light, Madame Masque, Ranamon, and Gentleman Ghost go with you guys?

Scirocco Mole: Me, China White, Vomiting Frog Prince, Yost Pyro, Kung Food, SHS Carange, Roulette, Shaman Apsu, Evil Solar Man, and Uchotan will come too.

Vapor: And is that a fake mustache?

Nico: Yes you guys can. We got big trouble! Martians are coming!

Yost Pyro: Martians!? That's impossible! Martians are not real!

Me: Oh yeah!? Then what are THEY!?

They saw the ships and the ones piloting them were little green men with big ugly heads in helmets!

Yost Pyro: OH MAN! MARTIANS!

Vapor: I DON'T BELIEVE IT! THEY ARE REAL!

Pyro: I thought all those movies we saw were fake!

Xenia: YEAH!

Fred Jones: I don't believe it! I thought the Martians were all just a bunch of fake stories!

Me: So did everyone else! Wait a second. These are the Martians from the movie Mars Attacks!

Nico: Oh I love that movie! That was funny!

Camie: What were these Martians like?

Me: Stupid and crazy.

I went over their history.

---

The Martians, also known as the "Martian Army", are the primary antagonists of Tim Burton's Mars Attacks!. At their first landing in the Nevada Desert, at first they seem peaceful, but they begin to attack Earth's troops shortly after, almost gaining control of Earth.

They were all voiced by Frank Welker.

The Martians first appear broadcasting a massive television message to all of USA, in which the Martian Ambassador says something in their own language. English professor Donald Kessler (Pierce Brosnan) manages to translate their message. Still not understanding the message's translation, they discover that the Martians will land in the Nevada Desert, and organize a big welcome, which is being transmitted to the whole world. However, the meeting goes horribly wrong, and the Martians are proven hostile, killing almost everyone in the area by turning them into skeletons, and kidnapping a news reporter, Natalie Lake (Sarah Jessica Parker).

Still wanting to make a peace offering to the Martians, Kessler and US President James Dale (Jack Nicholson) propose a meeting in the United States Congress with the Martian Ambassador, but once again it ends in disaster, as the whole congress is incinerated into skeletons and Donald is captured. After a failed attempt to assassinate the president, the Leader declares an all-out on Earth and attacks many famous cities throughout the world.

Meanwhile, in Kansas, Richie Norris (Lukas Haas) and his grandmother Florence (Sylvia Sidney) discover the Martians' weakness to high-frequency sounds, in this case, yodels.

Meanwhile, former boxer Byron Williams (Jim Brown) faces the Ambassador in Las Vegas' ruins and beats him to death in a fist fight. Richie manages to broadcast the yodel worldwide, blasting the Martians' brains along the way, including the leader.

---

We were shocked!

Me: Yeah!

Nico: Wait! Their heads explode when they hear Slim Whitman's Indian Love Call from 1952? I got to see this to believe it.

Me: Luckily I do have that song on my Ipod.

Nico: Nice.

Tso Lan: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do ones for Water Dragon, Fire Dragon, Poison Dragon and Water Dragon Tyrant next.

Qin: Cool!

Brynja: This will be interesting to see.

Nico: It's always fun.

Me: Yep.

Yost Pyro: Oh sorry I don't think we met.

Sissi Delmas: This is my penpal Brynja Heringsdötir. She is from Iceland and she went to Kadic with us and helped out.

Nico: Yep.

Yost Pyro: Awesome to meet you Brynja.

Brynja: Same here.

Nico: We got a huge fight on our hands.

Me: Yep. And the best place to destroy the Martians is at the cake planet we were at.

Yost Pyro: A Cake Planet!? Really?

Me: Yep.

China White: We still have time.

Brain Freezer: Gentaro, you and Whenua get a time to shine today.

X Ray: We ARE dealing with matters from space after all

Nico: That's true.

Gentaro: But it's cool that we are gonna get a chance to shine.

Whenua; You got that right.

Me: But lets see here. Computer estimate time to Martians arrival?

Computer: Time is 5 minutes and 15 seconds.

Nico: We got to get moving.

China White: Forget what I said about having enough time!

Nico: Lets go guys!

THE FATE OF THE WORLD HUNG IN THE BALANCE!

WE WERE OFF INTO SPACE!

Brynja was given a space helmet because she doesn't have powers yet. But she will.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than an evil version of Gansley, and he's come back to get revenge on us for destroying him last year. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us today?

Lincoln: You guessed it, Nico, and none of us are going to like this one bit: the dark energy signal we sensed belongs to an evil version of Gansley, and he's come back to get revenge on us for destroying him last year.

We gasped in shock, including Dylan Dalmatian, since he was the one who destroyed Gansley last year.

Dylan Dalmatian: An evil version of Gansley, but how the dog is that…? Wait a second, when Vypra resurrected Gansley and he was recruited into The Masters of Evil, somehow, that evil that he had in him separated from him, and it became a living entity on its own. But, it doesn't change the fact that he's going to die yet again.

Nico: Yeah.

Noir Wendoma: That'll be left to me and Linky, Nico.

Dylan Dalmatian: You two aren't doing this on your own, not without me. Evil Gansley's going to want revenge on me since I was the one who killed him and Sweetie Belle killed Yami Marik last year and we sent them to Oblivion.

Lincoln: We were just about to say that you're also joining in too, Dylan.

Nico: And you weren't kidding when you said that the villains you and your family killed last year are going to return to get revenge, but you guys are more than ready for them. Alright, gang, let's go, we're going into battle against the Martians from Mars Attacks!

Lincoln: This is going to be one epic and funny invasion, and we'll be sure to use the one song that'll make their heads explode. But, once we get done with them, you're next, Evil Gansley.

We were flying through space!

Ty Lee: Nico, which teams have you made?

Nico: Laney's group will include Kara, Cammy White, Chun Li, Sakura Kasugano, and Ingrid (Street Fighter Alpha). Lincoln's group will include Slab, Kurumu, Moka, Yukari, and Ruby Tojo.

Laney: Awesome!

Mindy Chan: Wow Laney you have Chun-Li Sensei with you in your group. I'm impressed.

Laney: Thanks Mindy. And this is gonna be awesome.

Kurumu then shoved Lincoln's face into the volley of her chest.

Kurumu: Oh Linky Poo we're all in the same group!

Moka: That is so awesome too.

Yukari: Yeah it is!

Nico: (LAUGHS) So awesome!

Lincoln: (Muffled) Thanks Kurumu but you're suffocating me with your big breasts!

Qin: (LAUGHS)

Ironclad: Kurumu, you can do that later.

Kurumu: But I want to do it for a little while longer! Besides, I'm sure Fury and the rest of S.H.I.E.L.D. are going to keep the Martians occupied.

Pyro: Okay, SHIELD aren't pushovers.

Yost Pyro: But do you really think they can fight an entire Armada of Martians?

Me: I don't think so. Martians are not to be taken lightly. If you guys watched all those science fiction movies back in the day, it will show you that they wil destroy everything they see. They show no mercy and they have powerful technology and weapons and machines that have weapons that can vaporize anything into dust instantly.

Nico: He's right on that. I've seen how dangerous Martians can be in cartoons, movies and in books. No offense to J'onn but these are not the martians that he knows.

Laney: Yeah these are totally different.

Babs Seed: Let's get going then.

Me: Right!

Nico: Have you guys read that book War Of The Worlds?

Sissi: I have! And I saw the movie too!

Me: Those Martians were ugly!

Qin: Yeah!

Me: I also remember seeing the movies Invaders from Mars, The Angry Red Planet, Devil Girl From Mars, IT! The Terror From Beyond Space, and many more movies about Mars with my dad.

Nico: Yep.

Eli: Yeah those are cool movies.

Nico: Yeah. And those were made before we sent the Viking Spacecrafts to Mars.

Laney: That's true.

Brynja: That is amazing that we're going into battle with Martians.

Nico: It sure is.

Eli: There! Targets at 3:00!

We saw the Armada of ships ahead! There were HUNDREDS OF MILLIONS OF THEM!

Qin: WHOA! This is gonna be big!

Nico: Yep! Entrance time people!

Me: And leave the rest to me. I'll take the battle to the Cake Planet with this.

I pulled out a ring.

Lisa Loud: Ah my prototype dimensional simultaneous transporter ring. Good idea.

Nico: Okay! Lets go!

Hsi Wu: First, let me take some of them out.

SHS Carnage: I'm right behind ya!

Me: Vinyl Scratch I'm going to need your biggest speakers to play the song.

Vinyl Scratch: You got it!

The Martians were getting closer when suddenly the spirits of pumpkins and pizza appeared and they swirled around them and then converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive and powerful huge fiery explosion went off in front of them and a phoenix cry was heard! Then out came the Dimensional Simultaneous Transporter Ring and it went and enveloped all the ships and sucked them into it and then we went through it and we came out and we were at the Cake Planet and all the ships were destroyed! All the martians came out and they were pissed at us!

Nico: NO ONE INVADES EARTH WITHOUT A FIGHT!

Me: From Team Loud Phoenix Storm!

Martian Leader: (Martian Language)

Nico: What?

Me: Hold on.

I activated my translator.

Martian Leader: You will not stop us humans! You will pay for everything you did to our planet!

Eli: What did we do?!

Martian Leader: You made our planet like yours!

Me: The Terraforming of Mars? It was like that when we went there!

Nico: We don't know who did it!

Me: But I do have a good idea who it might be. But we'll worry about that later.

Strut: (to SHS Carnage and Hsi Wu) You two start us off!

SHS Carnage: With pleasure!

They went at the martians and bashed and smashed them all over the place.

Hsi Wu: Take that!

Vinyl Scratch pulled out her speakers and I plugged in my IPod to it and played Slim Whitman's Indian Love Call! It was blaring at full force!

Oo-oo-oo-oo, oo-oo-oo-oo

When I'm calling you

Oo-oo-oo-oo, oo-oo-oo-oo

Will you answer too?

Oo-oo-oo-oo, oo-oo-oo-oo

That means I offer my love to you to be your own

If you refuse me I will be blue, waiting all alone

But if when you hear my love call ringing clear

Oo-oo-oo-oo, oo-oo-oo-oo

And I hear your answering echo so dear

Oo-oo-oo-oo, oo-oo-oo-oo

Then I will know our love will come true

You'll belong to me, I'll belong to you

Then I will know our love will come true

You'll belong to me, I'll belong to you

Then to our surprise and delight and amazement it caused many of the Martians heads to explode and they splattered their green blood and guts all over the insides of their helmets!

Me: WHOA!

Ranamon: Didn't expect that!

Evil Solar Man: Suddenly, we just got extra time.

Nico: At least we know it works! Lets keep it up!

I punched a martian and kicked his blaster out of his hand and grabbed it and fired it and blasted him into dust!

Me: Taste Mars Blaster!

ZAAAAAAPPP! ZAAAAAAAPPPP! ZAAAAAAPPPPP!

I disintegrated numerous Martians.

Me: YEAH! Here Brynja.

I gave it to her.

Brynja: Thanks J.D.!

She fired the blaster and destroyed lots of Martians with it.

Nico: Take that!

Viceroy pulled out a crystal ball.

Viceroy: Madame Leota, while we're kicking Martian butt, can you show us more Ambassador missions?

Leota: And here I thought you wouldn't ask that again.

She showed us images of the heroes of Beyblade Metal Fusion, Kamen Rider Blade, You're Under Arrest, and Kamen Rider Revice.

Nico: Cool!

Xenia: Interesting! (Blasts Martians all over with arrows of energy) Blade and Revice will make awesome additions to the team in the future.

Nico: Yep.

Uchoten: Doesn't anyone have reactions to those images?

Gentleman Ghost: Those will be the Ambassador missions of December.

Apple Bloom: I'm really excited about these! (BLASTS MARTIANS)

Sweetie Belle: Me too!

Cutie Mark Crusaders: (LOUD SCREAMING) CUTIE MARK CRUSADERS AMBASSADOR MISSION GALORE! YAY!

Their screaming blasted numerous Martian Heads apart!

Nico: Whoa! Nice one girls!

Rarity: That was great girls!

Squidward: Are any of you guys familiar with the heroes we just saw?

Touma: I met the Revice Kamen Riders a while back!

Me: I remember that! That was awesome!

Laney: Yeah it was!

Hitoshi: And I remember helping Blade when he came to us.

Me: Wow! That was awesome!

Laney: Yeah it is!

Shaman Apsu: What about the other 2 groups of heroes?

Madame Masque: Anyone familiar with them?

Tyson: I do know the Metal Fusion Heroes!

Nico: Cool cool.

Me: I heard of Natsumi Tsujimoto and Miyuki Kobayakawa from You're Under Arrest. But never met them.

Nico: Wow.

We blasted many martians all over.

Dusk: Time to test out this new Mars blaster!

She fired waves of energy and blasted them all over.

Eustace: Stupid Martians! (Pulls out ugly mask) OOOGA BOOGA BOOGA!

The Martians screamed at the ugly sight of it and they exploded and splattered their blood and guts all over the place! YUCK!

Nico: Nice one Eustace!

Courage: Better them than me!

Eustace: Stupid Dog! OOOGA BOOGA BOOGA!

Courage: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHH

Courage's scream caused some of the Martians heads to explode!

Eustace laughed.

KABLAM!

Francesca and Muriel hit him on the head with rolling pins.

Eustace: OW! What did I do!?

Roulette: You scared Courage to kill some Martians.

Dr. Light: Harsh but effective.

Eustace: Big deal.

Qin: But it worked.

We fired waves of energy and blasted more martians down.

Courage: Try this on! (INHALES DEEPLY) AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHHH

He screamed so loudly and long and it was blowing the martians all apart at a rapid pace! HE WAS REALLY SCREAMING! HE SCREAMED FOR OVER 1 MINUTE AN 27 SECONDS!

Courage fell down in exhaustion!

Francesca picked him up!

Francesca: HOLY MACKEREL! Courage I haven't seen you scream that loudly since the time the villains came at us and tried to kill us.

Courage: (Weakly) I know.

Muriel: Oh my! Courage what big lungs you have!

Qin: That is an understatement!

Maria: Want some water Courage?

Courage: Yes please.

Maria gave him some.

Courage: (Gulping) Ahh! (BELCH) Excuse me.

Nico: That was awesome though Courage.

Carly Atlas: Boy it sure was.

Kung Food: Have some of my food too.

Electrocutioner: You'll need it!

Courage: Thanks.

He had some burgers and fries and root beer and Courage Belched!

Courage: Pardon me!

Qin: No worries. But man that was awesome.

Me: Yep. The Usual battles should be coming up shortly.

Carly Atlas: With my new form, these guys don't stand a chance!

Me: No they sure don't!

Carly Atlas: Now watch this Jack.

Carly transformed into her new SUPER ANGEL CELESTIAL ETERNAL XELNAGA DARKNESS ORANGE FIRE EARTHBOUND IMMORTAL HUMMINGBIRD ANGEL OF DIVINE EARTHBOUND IMMORTAL DARK JUSTICE AND DIVINE ORANGE FIRESTORM LOVE form!

Jack saw this and he then did a Tex Avery Wolf Wild Take and it was funny!

He was doing catcalls, wolf howls and more! It was funny!

Jack Atlas: You are amazing Carly!

Nico: (LAUGHS) SO FUNNY!

Me: Yeah! Told you he would do that!

Qin: Yep.

Carly flew at the Martians and blasted them into dust and blasted them all over with incredible speed!

Me: YEAH!

We were down to the Martian Leader.

Me: And then there was only one.

Then Vypra, Dai Gui, Aqueduct, Evil Seed, Mirror Master, 10,000 Volt Ghost, Ryugu Tamatebacco, General Schwarz, Metal Sonic, Marionette Shadow, Gypsy Moth, Quakemon, Evil Ice Man, Evil Wood Man, Evil Wind Man, Evil Elec Man, Evil Splash Woman, Emperor Z, Yost Domino, and Yost Executioner appeared.

Vypra: You guys have been really busy!

Qin: I think that is a massive understatement.

Aqueduct: But I can't believe that these are all martians! We all thought they were fake!

Nico: So did everyone else.

Vomiting Frog Prince: Someone has to keep the leader occupied!

Electrocutioner: Gentaro, you know what to do!

Gentaro: Right!

N/S Magnet On! (Low-toned dynamic music)

Me: Go get him guys!

Whenua: With pleasure!

Me: One sec guys.

Vypra: Okay.

Then they went to face him.

Vomiting Frog Prince: (VOMITS)

Vypra: At least nearly all the Martians are dealt with.

Dai Gui: It's just the leader that's left.

Aqueduct: And he'll be easy!

Me: Yep it sure will.

Evil Seed: (to Nico) We heard you went to a cake planet.

Nico: Yep we sure did.

Mirror Master: Was it tasty?

Nico: Oh you bet it was.

Me: And that's the planet we're on right now.

A while later he appeared in the city with Aslan (which is actually an impostor that's been created by Jumotsu) during the announcement as he told Lucky not to pester the "king". However the team transformed leaving Jumotsu and a couple of Indavers no other choice but to battle them. During the fight he demonstrate his ability as he launched a couple of sand dolls as it transformed into three Tsuyoindavers (but when they're destroyed they were reduced to piles of sand) and not to mention Kukuruga joined the fight as well. After that Kukuruga open fired on the Kyurangers de-transforming them. But thanks to the teams plan they freed Lucky and found out Jumotsu's weakness which is water. With the schemed foiled both Jumotsu and his sandy creation battled the team while Lucky battled Kukuruga.

As this goes on Jumotsu's sand creation were destroyed and he was sent flying towards Kukuruga. After that he was then defeated by the team's three finisher and they are All Star Crash, Phoenix End and In-Finish Blast.

Jumotsu: That's right. Good memory.

Me: That sand creation ability is amazing and awesome though.

Eli: I'll say!

Jumotsu: I really am sorry about your dad, Lucky. If you want, I can make a sand clone of him for you. I did it before.

Lucky: (smiles) Thanks for the offer. But my dad sacrificed himself so we could have a chance at destroying your old boss. And I'm fine with that.

Jumotsu: Well, let me know if you change your mind.

Lucky: I will.

Nico: Yeah.

---

Evilseed was next.

Evil Seed: (to Mallow) I heard you guys met a gene-slammer for Night Wing Sorceress. What's her name?

Mallow: Her name is Abigail Nightingale and she is a true angel of darkness.

Fluttershy: Her revelation she revealed sent Eli over the edge bad.

Tornado Bolt: You should have seen it! He went completely nuts!

---

Abigail Nightingale: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever. He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Abigail, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Abigail Nightingale: That's incredible.

Nico: You got that right. So, Abigail, what's the story you have on why you hated Lynn, Lola, and that mutant cheapskate, Flip, with a vengeance, because they did something so horrible to Girl Jordan.

Abigail Nightingale: Oh, you're going to wish you had Flip killed, Nico. One day, I was with Lincoln and Lori was also with us, who was picking us up from Gus' Games and Grub after a day of fun. But, then, we heard a loud scream coming from the east, and we head there. We took shelter in the bushes, and when we looked, Lincoln and Lori saw four familiar figures there: one of them was Girl Jordan, but she was tied up with chains and lead weights to the chains, and even worse, she had slash marks all over her body. But, then, we heard the sounds of cruel and sadistic laughter, and when we saw the three other figures with her, we eventually knew who they were: the first two were Lynn and Lola, but they were now completely driven by evil and insanity, and the third figure was convicted conman, murderer, US traitor, and greedy mutant cheapskate, Flip, and we overheard why they were doing this: Lynn and Lola wanted to see Lincoln fall into despair by killing one of the many girls who had a crush on him and they wanted him to suffer and then, they were going to kill him and every last girl who ever had a crush on him, and they also broke Flip out of jail for that one, and they also threw away the rings Audrey Sauron gave them to control those dark sides. We couldn't stand it, so I fired blasts of darkness at them, and when they saw us, Lynn, Lola, and Flip took sadistic pleasure when they threw Girl Jordan into the waters to finally kill her, and that pissed us all off, as I fired blasts of darkness to blind them, and while Lori and I were beating up Flip, Lynn, and Lola, Lincoln dived into the waters and he broke Girl Jordan's chains and he swam up to the surface with her in his arms. Lynn, Lola, and Flip screamed in pure rage and got out the knives they used on Girl Jordan and tried to kill us, but Lincoln, in his fit of rage, blasted them with energy blasts and not only did he knock the knives out of their hands, but he sent them flying into trees and they were knocked out.

We gasped in pure shock, and Eli was already turning red with rage.

Nico: Oh shit, I can't believe the nerve of those three!

Me: I know, and after Lynn, Lola, and Flip were knocked down and tied up, Lori called the police and I also showed up as well, and when the police saw Flip, they grabbed the cheapskate and threw him in the police wagon, and then, Lori explained everything of what she saw and recorded on her phone, and I was furious at what Lynn, Lola, and Flip did to Girl Jordan, it was so brutal and horrible. I then grabbed Lynn and Lola by their hair and knocked them out using Eli's nanny-goat head bonk method, and Lincoln gave Girl Jordan CPR, and she was going to be okay, and he also healed her injuries that Lynn, Lola, and Flip gave her with those knives. Flip got another Life Sentence for attempted murder and assault resulting in bodily injury, and he was thrown in Solitary Confinement, and as for Lynn and Lola, we told the parents and they were pissed off big time, and so was Lincoln, as he grabbed them by their jersey and dress and he tossed them into cages set up in their rooms, and they also got a very harsh grounding: twenty-five weeks for what they did in trying to kill Girl Jordan to make Lincoln suffer, so they can kill him and every girl who has feelings for him, along with breaking Flip out of jail.

Lori: I also told Luna to call Audrey Sauron, and tell her not to make anymore replacement rings for Lynn and Lola, and she can renew her vengeful vow, that if she ever saw Lynn hurt Lincoln in any way, she would kill her, and she now included Lola. Those two never got replacement rings to get those violent animals under control, and they were shunned by Lincoln during their punishment, and they lost his trust during their punishment.

When Abigail Nightingale and Lori were done with the tale, Eli's face and body were literally nuclear red, his eyes turned blood red with vengeful wrath and rage, and his teeth literally turned into fangs.

Eli: (EXTREMELY PISSED OFF) FLLLLLLLLLLLLLLLIIIIIIIIIIIIIIIIIPPPPPPPPPPPPPP!

Me and Nico: Oh, shit!

Lincoln: Flip's dead meat on a stick!

Eli stormed out and he stormed into Lynn's Table with us following him, and he'd really unleashed all Hell on Flip as he brutally beat up and really mongrelized Flip all over the place, and Flip was really screaming in agonizing pain, and coins and jewels came pouring out of him like crazy like numerous waterfalls.

Eli: YOU REALLY MAKE ME FUCKING SICK, FLIP! YOU TEAMED UP WITH LYNN AND LOLA, WHO BUSTED YOUR FOUR-CHEEKED BUTT OUT OF JAIL, SO YOU COULD KILL GIRL JORDAN, WHO HAPPENS TO BE ONE OF THE MANY GIRLS THAT'S FALLEN IN LOVE WITH LINCOLN, AND ALL FOR WHAT, YOUR PATHETIC DESIRE FOR REVENGE?! IF WE WEREN'T HUMILIATING YOU FOR ALL OF YOUR SINS, I WOULD FUCKING KILL YOU IN A HEARTBEAT!

We were stunned at the verbal rage from Eli.

Varie: HOLY MACKEREL!

Me: Oh man, when Eli gets this mad, you better stay out of his way!

Nico: Yeesh, otherwise, you're going to get caught in the middle of a ferocious storm!

Qin: That will end in brutal pain!

Camie: And it won't be pretty!

Lincoln: Flip's already sealed his doom, so there's no way he's ever going to be saved, he's already been eternally damned. But, I got to stop this before Eli does kill him. (To Eli) Eli, stand down now!

Suddenly, Eli backed away, but he ran up to Lincoln, who braced himself for his wrath. But, instead, he felt Eli hugging him and when he felt tears on his chest, he knew what had to be done: he hugged Eli and soothed him, and we also hugged him.

Lincoln: We understand why you said those words to Flip, and it's no surprise he's a greedy asshole, but he's already getting his just desserts for his stupidity and greed, Eli.

Flip: (In serious pain) I hate all of you, and when I get out of this, I'm gonna… !

But, Flip got cut off as Lincoln slashed off Flip's moustache and ripped off all the hair on his body with wax covered bandages, and he screamed even more in extreme pain.

Lincoln: You don't deserve to even say another word, you butt-muncher, and Eli's right, if we weren't humiliating you for your crimes, we would kill you in a heartbeat. But, you already died once for all of your crimes last year, so we're not going to kill you. But, let me give you this warning: if you ever and I mean ever try to hire any thugs to kidnap and kill those close to me, I'll undo the curses that I put on you and I will kill you myself. (Glaring Intensely) Got that?

Flip: I DON'T CARE, I'LL KILL YOU ALL AND ROB YOU EVERY LAST SUCKER BLIND!

But, Lincoln stomped on his feet hard, and Flip screamed in more pain.

Lincoln: Let's go, guys, it's obvious this moron's not going to learn his lesson ever.

FLASHBACK ENDS

Evilseed: HOLY RAFFLESIAS! Eli REALLY went Ballistic! That explains why I found Flip ranting up a storm and he was all really mangled up and beaten up brutally earlier! Man Eli really trashed him!

(Suddenly Getting Extremely Pissed Off) And I meant every word I said about you last year, you've treated everything like it's a business, and your unethical methods have proven just how heartless and cruel you really are, and for what you tried to do in killing Yugi and his friends for your selfish profits and reputations… , YOU'VE CROSSED ONE FORSAKEN LINE TOO MANY, GANSLEY, AND FOR THAT, I'M GOING TO KILL YOU ONCE AND FOR ALL, AND THIS TIME, YOU'RE NEVER EVER COMING BACK FROM THE DEAD!

Nico: Whoa.

Dolly Dalmatian: Jeez, bro, you really went too far with that kind of threat.

Me: It's well-deserved for that evil version of Gansley. But, just in case, we better warn Gansley and the others to take cover, 'cause we knew just how pissed off Dylan and Dawkins got with two of the Big Five members.

Suddenly, two beams of light descended and a hand-cannon Blaster appeared for Noir Wendoma, it was known as Dharc the Dark Charmer's Infernal Darkness Firestorm and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black and purple with darkness on the blaster with a Phoenix, Dark Angel, and Dharc the Dark Charmer surrounded by darkness etched on the sides, and a dark purple gem on the top of the blaster, and a hand-cannon Blaster appeared for Dylan Dalmatian, it was known as Dark Cosmic Horror Darkness Dalmatian and it's modelled after Mario's Lightning Shark Blaster, but it's black with darkness on the blaster with Mh'ithrha, Phoenix, Angel, and Dalmatian surrounded by darkness etched on the side, and a dark crimson red gem on top of the blaster.

Lincoln also got out his Universal Elemental Thunderbird hand-cannon Blaster as he, Noir Wendoma, and Dylan Dalmatian fired blasts of rainbow energy, black and purple energy, black and dark crimson red energy, and elemental forces and when they hit Evil Gansley, they exploded with incredible power as they hit him and he was killed. Then, as they holstered their hand-cannon Blasters, Evil Gansley's spirit appeared and Noir Wendoma, Lincoln, and Dylan Dalmatian fired three black energy blasts with the Judgement Kanji and they hit Evil Gansley and he was erased by The Black Gates after he was found guilty for his crimes by those he hurt. We cheered wildly for what Noir Wendoma, Lincoln, and Dylan Dalmatian did to Evil Gansley as they holstered their massive greatswords on their backs and power down, and the new bodies, clothes, jewelry, weapons, and massive angel wings of Noir Wendoma and Dylan Dalmatian are permanent.

Dylan Dalmatian: Good riddance forever, Evil Gansley, and don't you even dare come back!

Noir Wendoma: You got that right. And I want to thank you and

Dylan for helping me destroy Evil Gansley, Linky.

Lincoln: (Smiles Warmly) You're welcome, Noir.

Dylan Dalmatian then came back to us, and suddenly, Noir Wendoma wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Noir Wendoma's face, they kissed passionately as Noir Wendoma's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Dharc the Dark Charmer flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces behind them and darkness behind them and we cheered wildly. Lincoln and Noir Wendoma came back to us, as the display and Dharc the Dark Charmer vanished.

Nico: Whoo, now that's what I call one awesome three-against-one Eldritch Horror-themed battle, and we're rid of Evil Gansley for good.

Lincoln: Thanks, Nico, and what we saw from Dylan Dalmatian unleashing energy constructs of The Outer Gods and The Great Old Ones, you were definitely right that it was an Eldritch Horror-themed battle.

Dylan Dalmatian: Either way, at least, I'm finally rid of Evil Gansley for good, and he's never coming back.

Nico: You said it.

Me: Yeah. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, J.D., hmm. Ooh, now here's a good one, how about Gene-Slammers for the Legendary Soldiers of Vestroia?

We gasped in shock and awe.

Nico: Whoa, Bakugan-themed Gene-Slammers, I don't know if Team Rocket has ever Gene-Slammed anyone into Bakugan before, but if they did, this'll be something to see tomorrow.

Dan Kuso: Yeah.

Lincoln: Which means, you and your friends are coming with us tomorrow, Dan.

Julie Makimoto: This is going to be so awesome.

10,000 Volt Ghost: These guys sure didn't come in peace.

Me: No they sure didn't.

Ryugu Tamatebacco: But we reduced them to pieces!

Qin: And we gave them the Black Gates.

General Schwarz: Of course we did.

Laney: Yep.

Metal Sonic: I just hope we meet friendly martians in the future.

Marionette Shadow: Does Marvin the Martian count?

Me: Yes he counts. Marvin is cool and awesome.

Qin: Yep.

Nico: Boy this was a battle that would have been a war of the worlds. At least we didn't face the Martians on Earth.

Me: I don't even want to know what would have happened if that took place.

Laney: Me neither.

Xenia: Yeah but that was still funny that the Martians heads explode when Slim Whitman's Indian Love Call played.

Qin: Yep.

Nico: But great job today everyone. We prevented a massive catastrophe from happening.

Vypra: We sure did.

Nico: Yep.

Sailor Mars: And avenged Mars's honor. (To the viewers) Martians have been an iconic feature in movies for years. But never make fun of Mars with it.

Nico: That's for sure.

We went back home and enjoyed the rest of the day and went to sleep.

Me: Yep.

Camie: Remind me who Barodius is?

Me: You would hate this guy with every fiber of your being Camie and he is a Gundalian version of Frieza.

I went over his history.

---

**Barodius**, later known as **Mag Mel** is the main antagonist of *Bakugan: Gundalian Invaders*, and later the main antagonist of the first arc in *Bakugan: Mechtanium Surge* . He is the former Emperor of Gundalia until he betrayed his subjects when he used them as pawns for his obsession for the Sacred Orb as well as killing 4 Gundalians (Gill, Airzel, Stoica and Sid Arkale). His Bakugan partner is Dharak, Later they both get imprisoned into a Dark Reverse Dimension in Bakugan Interspace by Code Eve when they refused to accept defeat and were transformed into her armored forms called Mag Mel and Razenoid. Barodius is the arch-nemesis of Dan Kuso

He was voiced by by Ken Narita in the Japanese version, and by Shawn Meunier in the English version, the latter of whom also voiced Sesshomaru and Dr. Stylish.

*Bakugan: Gundalian Invaders*

Barodius first appeared in Dan Kuso's vision, ordering the rest of the Twelve Orders Bakugan to destroy the Neathian Bakugan. Later, Barodius is seen on Gundalia asking the other Twelve Order members what they found out about the powerful Bakugan on Earth. Hearing about the unknown Bakugan's strength and power, he ordered Gill to make sure they came to their side instead of their enemies', the Neathians. It was then that he sent Sid Arkale and Lena Isis to learn more by visiting (and ultimately brawling) in Bakugan Interspace.

The next day, Barodius spoke to Gill briefly about how the recruitment of human battlers was coming along, and told Dharak that his services are not yet required. He watched the progress of the human recruits with the rest of the Twelve Orders. While Dharak noted that they weren't too bad, Barodius wasn't satisfied, ordering Ren Krawler to gather more brawlers by any means, having become more eager to obtain ultimate power and something he referred to only as "The Element".

Later, Barodius, Gill and Kazarina demanded to know why Ren had failed to bring the Battle Brawlers over to their side. Kazarina mentions a rumor going around that Ren has come to sympathize with their enemies to which Barodius warns Ren that if he finds out he has betrayed him, he will be punished severely. He also appeared in a flashback about Ren's past when Barodius chose him to lead his team to Earth. When Sid returns after failing to defeat Dan Kuso and losing the Element, Barodius was furious and punishes Sid and Rubanoid for their failure. He gave Ren one last chance to set things right, and warned him not to mess it up.

A few days later, Barodius and the rest of the Twelve Orders were furious with Ren's Team for their constant failures and ordered a preemptive strike on the Neathians. He and the other Twelve Orders fought the Battle Brawlers on Neathia in order to get the Sacred Orb. Barodius formed Dharak Colossus and used him to break down the

Neathian's Second Shield. He then met Dan and Drago for the first time and battled against them. In the middle of Dharak and Drago's fight, the Sacred Orb sent Dharak and Barodius, along with all the other Gundalians, back to Gundalia. He wondered what powerful object could send all the Gundalians off of Neathia, and later suspected that the Element was responsible.

In a flashback, when Nurzak comes to visit Barodius and warns him again about why his father refused to possess the power of the Sacred Orb, but he responds by cruelly insulting his late father by calling him a "superstitious old fool" and they should embrace the Sacred Orb and gain the ultimate power for himself. Nurzak secretly gets disgusted by Barodius of always speaking ill of his late father and insulting his memory.

Barodius tortures Kazarina as punishment for letting Mason Brown escape and then failing to get him back, seemingly turning her against him. Gill informs Barodius of Nurzak and Kazarina's rebellion and he managed to stop Nurzak before he could make a peace treaty with Neathia and attempt to overthrow him. They argue over the views of Barodius' father who respected and feared the Sacred Orb's power, as does Nurzak, who offers Barodius one last chance to call off the war on Neathia or face the consequences, but he selfishly refuses, once again calling his father nothing more than a superstitious old fool. Nurzak has finally had enough of Barodius' tyranny and the way he always treated his father and not caring about him at all. However, Nurzak knew Barodius would refuse to stand down and orders Kazarina and the soldiers to capture Barodius, but they refuse. It was then revealed that Barodius sent Kazarina to spy on Nurzak to prevent his betrayal. Barodius battles Nurzak and defeated him with Dharak's AirKor (while killing the soldiers in the process) but he was thought to have killed Nurzak, but he was simply banished to the space in between dimensions. Afterwards, Barodius cruelly laughs at the destruction of his father's portrait.

Barodius reveals to Ren that he was only keeping him around because of the Forbidden Power that Linehaltpossesses. He promised Ren that he would have the life in the sun he always dreamed of after they defeated the Neathians. He then launches a campaign to permanently destroy the renewed Second Shield. He easily defeats Dan and Drago and then pierces a hole in the Second Shield. After ordering Ren to finish Dan and Drago off, by promising to reveal the secrets of Linehalt's Forbidden Power, Ren decides to switch sides and betrays Barodius.

He fights Ren and was winning until he taunted Ren for not being worthy enough to posses a Bakugan as powerful as Linehalt and admitting that he never intended to give them true freedom, causing Linehalt to unleash his Forbidden Power, which briefly takes out Dharak and threatens to destroy the planet. The Sacred Orb then summons it's last line of defence, Dragonoid Colossus, which defeated Linehalt and disappeared in Dan's BakuMeter. After seeing this, Barodius decided to retreat but swore to get his hands on Dragonoid Colossus.

Later back in Gundalia, Barodius sees that Dan is the one in possession of Dragonoid Colossus and ordered Gill and Airzel to separate him from the others so that he could battle him and take it personally. He later tells the hypnotised Jake Vallory that he is going to help him destroy the Battle Brawlers. Barodius later confronts Dan when he stumbles across the throne room.

Barodius challenges Dan for the power of Dragonoid Colossus, saying that Dharak was the only one worthy of possessing it's powers, and called Dan pathetic for putting his friends before himself. They then battled, but despite Drago's new powers, Dharak easily overpowered him. Just as he was about to win, Dan restored Drago's confidence and a brand new ability was unlocked which he used to defeat Barodius. Dan demanded Jake to be returned, to which he complied, but Jake is still under the effect of Gundalian hypnosis and he knocked Dan out. Barodius enjoys Dan's suffering and orders Jake to take Dan and Drago to Kazarina's lab.

In Kazarina's lab, Barodius watches Dharak evolve into Phantom Dharak alongside Kazarina and Gill, although Lumagrowl does attack when he spotted Shun, who does escape. and when Kazarina asked Barodius if he wanted to rename Dharak and he renamed him Phantom Dharak. After Dharak evolves, Barodius says to Kazarina that he is going to Neathia and promotes her as his new second-in-command and leaves her charge of Gundalia while he is gone, much to Gill's jealously and dismay.

When Barodius arrives on Neathia, he uses Phantom Dharak to destroy the 3rd Shield and he was successful. Barodius unleashes his massive army of Gundalian Soldiers and a brainwashed Lena, Jesse Glenn and Zenet Surrow to attack Neathia after Phantom Dharak destroyed the 3rd Shield. Barodius enjoys watching the Neathians suffer and many Castle Knights dying in his onslaught.

However, Dan and the other Battle Brawlers arrive just in time to help the Castle Knights. Dan warns Barodius it's the end for him. Stoica and Airzel arrive to help Barodius, but note the absence of Gill and Kazarina. Stoica reports that Kazarina is still brawling Princess Fabia, and that Gill's ship was damaged by the Brawlers and needs repair. Later after Kazarina's death, Barodius overhears Airzel and Stoica's conversation that Gill really stayed behind to get revenge on Kazarina and killed her out of jealously. Lena, Zenet and Jesse are free from Kazarina's mind control and join the Brawlers and Castle Knights in battling Barodius, Airzel and Stoica. When Dan tells Barodius to surrender as he is outnumbered, he and Dharak are not bothered by this threat and with one attack, they defeat all of the Castle Knights and their Bakugans.

Fabia, Nurzak and Mason return to help, but Barodius easily defeats them and the rest of the Brawlers one by one; leaving only Dan and Drago. Just before entering the castle, Gill arrives to help Barodius in the battlefield, and claims Kazarina was taken down by Fabia in their battle. But Barodius reveals he had been listening to Stoica and Airzel's conversation and knows that Gill killed Kazarina. Barodius and Dharak attack Gill's ship and killed him along with Krakix, Airzel and Strikeflier in cold blood. Next Dharak sacrifices both Stoica and Lythirus to destroy Dragonoid Colossus. When Barodius reaches the castle, he wipes out the Neathian guards and goes to confront Queen Serena personally. In the throne room, when Dan is about to tackle Barodius and stop him from killing Queen Serena, the Sacred Orb teleports them (along with Drago and Dharak) to the space in between dimensions for them to face off in their final battle. The four of them are greeted by Code Eve, who is the Sacred Orb and the source of all Bakugan DNA.

Barodius and Dharak face Dan and Drago in their final battle for control over the Sacred Orb and the fate of the universe. At first, Barodius has the upper hand and plans to kill Dan and Drago while they are down, but Drago regains consciousness and defeats them and Code Eve returns back to Neathia. After Barodius loses his battle against Dan, he refuses to surrender and summons Dharak again to steal the Sacred Orb and take all of it's power for themselves. But they are both seemingly destroyed by an overload of vast energy and power from taking too much from Sacred Orb. Everyone celebrates Barodius' defeat and presumed death and peace is restored to both Neathia and Gundalia. Plus Gundalia is finally free from Barodius' tyrannical rule.

### *Bakugan: Mechtanium Surge*

In *Bakugan: Mechtanium Surge*, it is revealed that Barodius and Dharak are mutated into Mag Mel and Razenoid and imprisoned into the dark reverse dimension of Bakugan Interspace by Code Eve. They are restrained by some webbing that causes them to share their pain. Mag Mel creates Anubias and Sellon and send them to Bakugan Interspace to make generate amounts of Chaos Energy which would make him and Razenoid stronger. he also uses the Tri-Twisters and the Bash Brothers to give him more power. After he is freed from his prison, Mag Mel tries to conquer Gundalia by killing all Gundalians but Dan Shun Raife Paige and Marucho defeat him and his mechtogon Braxion, Smasheon, Rockfist, Deezall, Venexus, and Miserakwith help from Spectra Phantom and Helios. Once they outlived their usefullness Mag Mel kills Sellon and soon after Anubias when he do not need them after they give him the Key and the Gate's powers, and when him and Razenoid resurrect, he send out 96 Dreadeon Titan clones to the five corners of the Earth to destroy it and its destruction will destroy Vestal, Gundalia, Neathia and New Vestroia, (9 Titans Dreadeon in the first wave and 87 in the second wave). Whereas his mechtogan Dreadeon and Dreadeon Titan are killed along with Zenthon and Zenthon Titan, Razenoid is killed once and for all by Drago evolved as Fusion Dragonoid thanks to the gate and the key's power.

Mag Mel's body begins to perish, but not before saying to Dan that he is still doomed, then on Earth all the Chaos Bakugan, Razenoid Clones and Mechtogan Titans disappears as the Dark Moon explodes in a bright light caused by Mag Mel's self-destruction. Everyone else returned confused as shimmering dust falls from the sky. They then believe that Dan and Drago sacrificed themselves but a glowing orb with two magic circles surrounding them diagonally.

When I was done everyone was shocked and horrified!

Luz: What a heartless fiend!

Amity: I can't believe he is that evil!

Me: He is worse than that. He is a monster on steroids and no way in hell will I allow him back in our dimension. But when the time comes he will be getting the Black Gates. I promise you that.

Nico: Ulrich, when are you and Yumi getting married?

Ulrich: Uhh! (Blushes in Embarrassment) I uhh.

Yumi: (Blushes) (In her head) Me and Ulrich married? Oh wow!

Me: (Chuckles) Nico I think it's a little too early to ask that question.

Nico: I know but I'm curious.

Ulrich: We haven't decided yet.

Yumi: Yeah but it would be awesome.

Nico: And you must be happy to see Brynja again.

Ulrich: I sure am. Everyone on the team is. When she went to Kadic with us a lot of people were entranced by her beauty and she quickly took over Sissi's position as the most popular girl in our school.

Me: Boy I can tell.

Eli: Yeah no kidding.

Laney: Yeah I agree there. But she did really awesome on yesterday's mission.

Brynja: (Icelandic Accent) I'm glad I was able to help out.

Me: You did really awesome one your first ever mission Brynja.

Brynja: Thank you J.D.

Me: (Speaking in Icelandic) Vertu velkomin Brynja. Þú stóðst þig alveg frábærlega í þessu. Vel gert. (You're welcome Brynja. You did really awesome on it. Well done.)

Brynja: Thank you! Wow! I didn't know you could speak in Icelandic.

Me: I'm very multi-lingual. I speak in many languages.

Nico: It's true.

Eli: Yep.

Nico: We killed lots of Martians yesterday.

Me: We sure did. We practically destroyed the entire population of Mars.

Lincoln: Yeah. That was one of the goofiest ways to kill martians.

Nico: It sure was.

Laney: Yeah.

Brynja: It sure was. But it was cool and fun.

Camie: Yeah it was!

Nico: But there are bound to be some good Martians out there.

Me: Yeah and there are. J'onn and M'gan.

Qin: Yeah that's true. There's them too.

Camie: Yeah.

Brynja: That's true. I remember.

Laney: Good.

Nico: And now that they've been dealt with, we can freely discuss the heroes that Madame Leota showed us.

Me: Yes we can.

Qin: Yep.

Me: But that was really cool seeing the Revice and Blade Kamen Riders.

Touma: Yeah it sure was. Ikki Igarashi is a really awesome Rider too.

Qin: Yep.

Me: Boy Ikki is going to be in for one helluva shock like everyone else when we tell him about Another Revice.

Ulrich: What about the other 2 teams of heroes?

Me: They both are really cool.

Qin: They sure are.

Xenia: I agree there.

Me: And the Cutie Mark Crusaders are going to learn a lot about Law Enforcement on their mission.

Nico: Yep.

Xenia: And take down lots of dangerous criminals.

Brynja: Yeah that will be awesome.

Maria: Don't forget that other Beyblade team.

Me: Oh I won't. But we're going to have some fun on that too.

Laney: Yep. So will Tahu with Tyson as well.

Nico: Yep.

Lana: I agree there too.

Ulrich: Man these missions are going to be some of the coolest.

Nico: They sure are.

Me: Barodius is up ahead. I sense his evil fucking energy.

Nico: Also, Dharak's huge so Goliath and his team will be here to assist.

Maria: Goliath has a team?

Nico: Hey, I'm not the only one coming up with them.

Me: Good thinking Nico. But this will be awesome to see.

Nico: Yep.

We arrived at a clearing in the mountains.

Me: He's close.

We found Barodius with his back to us.

Barodius: (eerily calm) The rest of the 12 Orders have abandoned me. And so have the Vexos. (turns to us) Because of all of you! Especially you, Kuso! You made a mockery of everything I built!

Dan: Mockery? I think we made what you built more kid friendly.

Me: You deserved it you fuckwad son of a bitch!

Ulrich: And to be fair, you actually did kill your 12 Order buddies the first time.

Barodius: Dustin Keystone was my last chance to kill you fools. And now… I have nothing left! No pride. (starts to snap) No dignity!

Me: Good!

Runo: I hope we go on adventure next year involving the source of what you're saying!

Nico winked to the viewers.

Barodius: NOTHING TO STOP ME FROM DOING THIS! DHARAK, ATTACK!

A Cybertronian Tank fell from the sky and fired at us.

Then an energy blast was fired from nowhere and it hit its blast and exploded!

KRABOOOOOOOOOOOOMMMM!

Goliath and his team consisting of Captain Frightbeard, Marching Milde, Robot Reptar, Kudgel and Malachite came out!

Goliath: You will face us dragon!

Robot Reptar roared!

Dharak turned into jet mode and fired at Goliath.

He dodged the blasts and Malachite flew after him and smashed him into the ground!

Barodius looked at me in fear and shock!

Barodius: What is this form!?

Me: (Divine Echoing Cosmic Elemental Voice of Hope, Friendship, Love and Justice) **I've awakened an unbelievable cosmic power called Xelnaga.**

Barodius: WHAT! I thought Xelnaga was just a myth! It can't be real! IT CAN'T!

Me: **Oh it's really real. And now you are going to experience its power firsthand.**

Barodius roared and then I teleported and kicked him in the face and sent him crashing into a rock and then he exploded out of the ground and went at me and punched and kicked at me with incredible speed and strength and I was dodging all his punches and kicks and then I punched and kicked him more.

Barodius: You will die like Kuso will.

Me: **Like I said. I don't think so. I'm immortal. I will never die. The only one that's going to die here and be sent back to the Warp is you and your death will not be pretty.**

I kicked Barodius in the face with devastating force and sent him crashing through the wall and went after him with incredible speed and then I teleported and kicked him in the back and sent him crashing into the castle floor and fired numerous energy blasts at him and they hit him all over and exploded with incredible power!

KRABBBBBOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOMMMMMM!

Barodius then got up out of the flaming crater.

I went at him some more and kneed him in the face and kicked him in the back of the head and sent him crashing through the mountain again and then Barodius got up and went at me and he threw a punch at me and I dodged it and kicked him in the back and he crashed into another wall and was buried under a bunch of rocks!

He exploded out of the rocks and he was enraged!

Barodius: (ENRAGED SCREAMING) I HATE YOU!

My aura flared up with incredible force and I kicked him in the face!

Kaito: (gets out Drive gear) We're getting in on this too!

Zocks: (gets out Ghost gear) I have feeling that this one is appropriate for today.

Kaito got a Drive sword and Zocks got a Ghost Sword!

Runo: YEAH!

Nico: It's time for some serious action!

Me: **Now we end this!**

We powered up and transformed and went at him at full force! I punched him and kicked him all over and Nico fired energy and fire blasts and Eli struck his sword and ignited the blade and slashed Barodius all over the place with incredible fury and Nunnally and Lola fired blasts of fire and energy and blasted him all over the place with incredible fury.

Qin: You will not like these Winds! WIND STYLE NINJA ART: HERO OF THE DESERT!

Qin floated into the air and she had wind swirled around her as she sang Desert Hero from Dragon Blade 2015 and she fired a massive blast of wind. The wind cut Barodius all over the place and really slashed him all over the place.

Me: **This will be painful! FIRE STYLE: METEOR STORM!**

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

This was getting really explosive!

Sougo: (gets out Zi O II Ridewatch) I got Barodius. Dharak's all yours!

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz: (gets out Geiz Revive Ridewatch) I'm on it!

Sougo became Zi O II while Geiz became Geiz Revive Goretsu.

Nico: NICE!

Geiz went and helped face Dharak!

Dharak turned back into his Bakugan form.

Dharak: That's it! I'm doing this the old fashioned way!

Goliath: Bring it on!

Dragonoid came to help out.

Dragonoid: Dharak you don't have to become like this!

Dharak: How would you know Dragonoid!?

Dragonoid: Because this will only lead to how you were killed before! Do you want to die again!?

Geiz: You really want to end up as Razenoid again?!

Dharak thought about that and what happened to him as Razenoid was horrifying!

Dharak: No I don't!

Dragonoid: Then do the right thing Dharak and abandon Barodius and you can join the Masters of Evil as one of our frenemies.

Geiz: I'm sorry but you also have to return the Cybertronian tech that you have. Even Krakix had to do the same since Lincoln didn't curse him.

Dharak: You're right.

He took it all off and dropped it to the ground and Dharak was back to a dragon form.

Dragonoid: Now there is the Dharak I remember.

Dharak: Thanks Drago.

Goliath: That was awesome though.

Geiz: Think I can be your new partner?

Dharak: Judging by your armor, Pyrus Bakugan could be more your style.

Geiz: Now that's just racist. But yeah you're right.

Dharak: Don't worry I'll think of someone.

Geiz: Okay.

Dragonoid: Now now Dharak no need for judgmental remarks. We'll find someone. But first we got to destroy your former partner.

Dharak: Agreed.

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOMMMM!

Massive fiery explosions were going off as we were tearing Barodius apart.

Sougo: I got a feeling this will work out!

Nico: It always will!

Eli: Especially with this!

Dharak came!

Barodius: Dharak kill them all!

Dharak: As you wish!

He fired waves of darkness and blasted BARODIUS INSTEAD!

Me: Well this is a big turn!

Barodius: DHARAK WHAT THE FUCK DO YOU THINK YOU ARE DOING!?

Dharak: I was shown the error of my ways!

Barodius: YOU CAN'T DO THIS! I AM YOUR MASTER! I CREATED YOU! I OWN YOU!

Nico: You don't own shit!

Dharak: That's right! You didn't create me!

Barodius: I gave you Strength, I gave you power, I gave you purpose and I gave you life!

Dharak: You gave me NOTHING!

Nico fired waves of energy and blasted Barodius all over the place!

Qin fired waves of fire and smashed him down.

Nico: I think we've fooled around with you long enough!

Me: Thats for sure! Consider this a final act of mercy from me. Next time it will be the black gates! (Cups Hands to Side) KAAAAAAA MEEEEEEEEE HAAAAAAAAAA MEEEEEEEEE HAAAAAAAAAAAAAAAAAAAAAAA!

I fired a massive rainbow energy blast and it enveloped Barodius!

Barodius: DAMN YOU J.D. KNUDSON!

He was obliterated in an instant and banished back to the Warp!

Qin: Good riddance.

Nico: Yep.

Me: (Powers Down) Yeah. But he will be back.

Nico: Yep.

But then…

ZOOOOOOMM!

A figure zoomed past us.

Nico: What the?!

ZOOOOM!

Nico's pants were pulled down from a speeding figure!

Me: Whoa! Something has amazing speed!

ZOOOOOMM! ZOOOOMMM! ZOOOOOOMM!

It was running all over the place!

Nico: (pulls pants back up) HEY!

It stopped and it was a black version of Ultimate XLR8! It was ANOTHER ULTIMATE XLR8!

Me: WHOA! Another Ultimate XLR8!

Nico: This is a fast one!

Qin: Wow!

Me: I didn't even see this one move!

Rainbow Dash: No kidding! That was awesome!

Nico: Yeah!

Another Ultimate XLR8: (In a girls voice) I do have amazing speed.

Me: Helena Wheeler! Whoa!

Nico: The Famous Dirtbike Racer! Wow!

Xenia: Wow! That is awesome!

Another Ultimate XLR8: It sure is and it's awesome to see you again J.D. I saw the whole battle and it was awesome.

Me: Glad you liked it.

Albedo turned into Negative Ultimate XLR8

Negative Ultimate XLR8: Did Swartz promise you anything?

Another Ultimate XLR8: Just to be the greatest dirtbike racer ever.

Me: You already are the greatest. You won 4 championships and did lots of amazing events too.

Another Ultimate XLR8: I know and I know that Swartz was lying to me.

Me: Well he's dead now. And given the Black Gates.

Another Ultimate XLR8: Good.

Me: Yep. Sorry we have to fight like this. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: (gets out Reverse Flash's Ridewatch) Time to go fast!

Me: And I feel the need for Speed! (Activates Speed Demon's Ridewatch)

Nico activated Reverse Flash's ridewatch and me and Nico ran fast and punched and smashed her all over the place.

Nico: That was for pulling down my pants!

Qin: WOW! That is fast!

Xenia: Yeah it was!

Camie: Wow! They go so fast I can't see them move!

Ulrich: My turn!

He activated Xiao Fung's Ridewatch and fired waves of wind and smashed down Another Ultimate XLR8!

Me: Now that one blows you away!

Another Ultimate XLR8: That was a good one!

Me: Thanks.

Another Ultimate XLR8: Watch this.

ZOOOOOOOMMM!

She zoomed at us and gave Nico a huge Atomic Wedgie!

SNAP!

Nico: HEY! I CAN'T SEE!

May got Nico's underwear off his head.

Nico: Thanks.

May: No problem Nico.

Maria: Also, your name sounds similar to Helen Wheels.

Another Ultimate XLR8: I do have a similar name huh?

Me: You sure do. Also you became what's called an Evolved Kineceleran. They are from the planet Kinets and they are known for their incredible super speed.

Another Ultimate XLR8: Wow! So that's what I am.

Me: Yep. Also Helen Wheels is Half Kineceleran. She is half Human and Half Kineceleran.

Another Ultimate XLR8: Wow! That is amazing and she can run as fast as me probably.

Me: Well she only runs at 1 tenth of your speed. You can run at 5,000 miles per hour.

Another Ultimate XLR8: Wow! That is amazingly fast!

Nico: It sure is.

May: But we're faster!

Nico: That's right!

?: So are we!

Then out came a POISON DRAGON, FIRE DRAGON, WATER DRAGON and WATER DRAGON TYRANT!

Nico: WHOA!

Me: The Chemical Dragons!

Jaden: Wow!

Poison Dragon: (In a girls Voice) Looks like the fun is starting.

Fire Dragon: (In a girls Voice) It sure is.

Water Dragon: (In a girls Voice) I hope this will be good.

Water Dragon Tyrant: (In 3 Girls Voices) But we're ready for this!

Nico: Naomi Wadjet, Pyra Ra, Jacqueline Tefnut and the Trifa Triplets! Wow!

They reverted back! Naomi was a girl with purple hair, purple eyes and purple clothes and had purple angel wings and had the kanji for poison in the middle of her forehead. Pyra had orange hair, orange eyes, orange and red clothes and had yellow and orange wings and the kanji for flame in the middle of her forehead. Jacqueline had blue hair, blue eyes, blue clothes and blue angel wings and had the kanji for water in the middle of her forehead! The Trifa Triplets each had hair each in 3 different shades of blue and had blue eyes and were wearing blue bikinis and they had 3 styles of blue angel wings.

Mandy Trifa: Awesome to see you again Nico.

Pyra Ra: We got this.

Naomi Wadjet: This will be fun.

Jacqueline Tefnut: We won't be long.

They fired waves of water, poison and fire and smashed down Another Ultimate XLR8 and knocked her down and I caught the ridewatch and purified it and I went over the Helena and she had blue hair and had blue clothes and I picked her up.

Me: Helena?

Helena Wheeler: (Groans) What a headache.

Me: But you're back to normal.

Melanie Trifa: But that was so awesome!

Pyra Ra: It sure was.

Nico: Pull my pants down, will you?!

Nico was grabbed by Eli who held him in place with The Force.

Me: You didn't even see her Nico. Her speed was incredibly fast.

Eli: Besides she was punished more than enough by being turned into Another Alien.

Nico: (Calms down) Oh you're right.

Brynja: But it was good we saved her.

Qin: It sure was.

Ulrich: What's your favorite memory of Nico?

Naomi Wadjet: Well me, Pyra and Jackie went to science class with Nico. I specialize in poisons and work for good money as an executioner for capital punishment.

Pyra Ra: I do too. I specialize in Fire Punishments for Execution.

Jacqueline Tefnut: And I am actually a marine biologist and I like talking to fish and I like talking to mermaids and all animals.

Qin: I remember all that.

Mandy Trifa: Nico and Qin met us in the jungle while searching for a temple.

Melanie Trifa: Yeah we helped them get the treasure.

Nicole: What was the treasure?

Michelle Trifa: It was the Book of Neptune's Song.

Nicole: Wow! That's a really cool one.

Nico: Yep.

Nico hugged them.

Nico: I missed you all.

Jacqueline Tefnut: We missed you too Nico.

Pyra Ra: Yeah we sure did.

Nico: (to Dan) I have a feeling that we're about to meet Bakugan Gene Slammers next.

Dan: Me too. This will be cool.

Laney: Yeah! Lincoln said we would yesterday.

Nico: That's true. But good job here guys. Lets go home.

We went back home to Earth.

* * *

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, The Dynasty Warriors, The Samurai Warriors, TLPS Ms. Tarantula, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, The Bakugan Battle Brawlers, and Ezra Scarlett are heading to McPike Mansion in Alton, Illinois, and not only is Lincoln going to rescue the three girls here, but we're heading to the mansion to see if the spirits are no longer malevolent, but wish to remain here.

Lincoln: Whoa, we're here in Alton, Illinois, and I know what we're going to do here, not only am I going to rescue the three girls here, but we're heading to our next paranormal hotspot: McPike Mansion to see if the spirits are no longer malevolent, but wish to remain here.

Me: Oh man, McPike Mansion is literally the biggest hotspot of paranormal activity here in Alton, but it's also said that the town of

Alton, Illinois is also one of the most frightening places on Earth.

Nico: Yeah, and there's tons of reports of unexplained paranormal activity running rampant here in this small town, and every square inch of this town is literally haunted.

Eli: Yikes!

Lincoln: And there's a lot of dark history in some of the places here in Alton: such as tragic deaths and horrific events, and because of it, there are a lot of ghosts here, but McPike Mansion is one of the most haunted places here in Alton, and it has a pretty scary history and there are a lot of spirits here in this place, and I want to thank you and the Bakugan Battle Brawlers for joining us, Ezra.

Ezra: You're welcome, Lincoln.

Alice Gehabich: Yeah, it's really awesome joining in on your rescues, Lincoln.

Hydranoid: Indeed. So, Lincoln, what's the history of McPike Mansion?

Lincoln: Oh, you're not going to like hearing about this one bit. Construction of the mansion began in 1869, and the owner and inhabitant of the manor at the time was Henry McPike, who also lived here with his wife, Eleanor. Henry McPike served as Mayor of Alton and was a notable local businessman, involved in real estate and box making, and was Librarian of the Alton-Southern Illinois Horticultural Society in the late 1880s, until he died in 1910. Then, in 1925, the mansion was purchased by Paul A. Laichinger, who rented rooms out to others and lived there until his death in 1945, then for decades after, the mansion fell into disrepair and it became derelict, and that's when the hauntings began, as people began reporting seeing many spirits here, and it gained a very negative reputation.

Everyone had chills ran down their spines.

Lincoln: The mansion was purchased years ago by the current owner, Sharyn Luedke, but at the time she bought the house, she didn't know that it was haunted, and a local news crew had a terrifying experience at the mansion a couple of Halloweens ago, and they also said that among the spirits they encountered were the spirits of the original owners, Eleanor and Henry McPike, who still roam the corridors of their former home.

Nico: (Gulps) Now, that's really scary.

Me: Yeah, no one would dare step foot in this place ever.

We arrived at McPike Mansion, but there was no negative energy or dark forces present here. Luna Anderson and Lincoln, along with Great Grandma Harriet, communicated with the spirits here, and as soon as they were done, they turned to us.

Lincoln: We've finished talking with the ghosts, they're no longer malevolent, but they wish to remain here.

Luna Anderson: Especially Henry McPike and Eleanor, since this was their home a century ago.

Great Grandma Harriet: And the spirits here have finally found some peace here in the mansion, but no one will want to step foot in this mansion ever again.

Nico: Yeah, not after all the hauntings that took place here, and what they experienced.

We left McPike Mansion and the ghosts were left in peace.

Lincoln: The ghosts of McPike Mansion can still remain here, but I also put up a spell to protect them and the land from any malevolent forces. But, we're not done yet, I also got word that our old enemy, Nathan Puwalsky, has returned from the dead, and he still wants revenge on Girl Jordan and all of us for helping her.

We gasped.

Nico: Nathan Puwalsky, isn't he that rotten evil jerk who had a nasty reputation as a bad boy who not only flunked Middle School and had to repeat it a couple of times, but who's also a notorious serial killer who killed 12 kids and drank their blood and ate their brains?!

Girl Jordan: The very one and who broke out of prison while awaiting trial for his crimes many years ago, and we also found out that since I was of Irish descent, I got my powers from Ler.

Nico: That's right, I remember J.D. telling me that. Oh man, and I can't believe that bloodthirsty evil jerk, Nathan Puwalsky, is back from the dead.

Lincoln: Looks like he wasn't going to let death get in the way of his desire for revenge on us, and that allowed him to return from the dead. Well, this is the absolute last time we'll ever have to deal with that piece of crap.

Me: Yeah.

Girl Jordan: He's never going to hurt or kill anyone ever again, this'll be his last day in this world.

?: HEEEEELLLLP!

Suddenly, Lincoln heard the sound of three girls screaming for help, along with the sound of sadistic

and malevolent laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the three girls, but they've been cornered by Nathan Puwalsky, and he's going to kill them, along with drinking their blood and eating their brains.

Lincoln: (Gasps) Let's get over there at once, guys, I found the three girls, but they've been cornered by Nathan Puwalsky, and he's going to kill them, along with drinking their blood and eating their brains.

?: (Six girls voices) That bloodthirsty, brain-eating, murderous piece of shit, let's get him!

Suddenly, we saw The Legendary Soldiers of Vestroia, Apollonir, Clayf, Exedra, Frosch, Lars Lion, and Oberus, appear before us.

Dan Kuso: Apollonir, Clayf, Exedra, Frosch, Lars Lion, and Oberus.

Drago (Bakugan): Wait a second, Oberus and Exedra are here with us, so how was this…?

Lincoln: You're not seeing double, Drago, and I'd recognize those voices from anywhere, I knew it was you, Apollonia Apollonir, Ashley Clayf, Lilith Exedra, Beverly Frosch, Alina Lion, and Aethra Oberus, but we'll talk later, let's get that murderous bastard!

We rushed over, and right before Nathan Puwalsky could claim his next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Nathan Puwalsky, and that allows the three girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Nathan Puwalsky, and when he saw us again, he was mondo pissed off.

Nathan Puwalsky: YOU!

Me: Should've known you'd show your ugly mug again, Nathan Puwalsky.

Nico: So, that's Nathan Puwalsky.

Lincoln: Yep, that's him.

Girl Jordan: I see you're still the same murderous bastard you've always been, Nathan Puwalsky.

Nathan Puwalsky: Shut up, bitch! It's all your fault that you killed me, now, I will kill you all and I will drink your blood and eat your brains!

Nico: Get a life, shithead!

Girl Jordan: Or rather, we're ending your miserable life here and now.

Suddenly, something within Girl Jordan's mind had completely snapped as the dark memory of being threatened to be killed by Nathan Puwalsky came back to her infinite-fold, as her eyes turned neon ocean blue and she's surrounded by an ocean blue energy aura with sea dragons, ocean waves, water, sea animals, and snow, she unholstered her massive Ler's Sea Dragon Greatsword of Ocean Justice from her back, and as she approached Nathan

Puwalsky, she left ocean blue energy, ice, sea dragons, ocean waves, water, snow, and sea animals with every step.

Girl Jordan: You really make me fucking sick, Nathan Puwalsky, you just don't even know when to quit, do you?! You killed 12 innocent kids just to slake your endless thirst for blood and you went way too far when you also ate their brains. (Getting Very Extremely Pissed Off) But, on that day when you threatened to kill me and everyone around me just for petty revenge and to slake your thirst for blood and hunger for brains,… , YOU'VE CROSSED ONE FUCKING LINE TOO MANY, YOU FUCKED-UP MURDEROUS PIECE OF SHIT! AND NOW, I WILL DESTROY YOU AND YOUR ENTIRE EXISTENCE IN THE MOST GRUESOME FASHION POSSIBLE, AND I WILL NOT STOP UNTIL I SEE YOU FINALLY LYING DEAD IN A POOL OF YOUR OWN FUCKING BLOOD!

We gasped at the sudden and extremely ferocious anger coming from Girl Jordan.

Nico: (Stunned) Holy Crap!

Me: Oh boy.

Lincoln: Just like what happened with Cletus Kassidy and Carnage, she's about to unleash the full extent of her wrath on Nathan Puwalsky, and she won't stop until he lies dead in a pool of blood and is forever erased from existence for good.

Nico: That shithead fucker's going to get it big time for what he's done. HIT THE DECK! SHE'S GOING TO FUCKING EXPLODE!

We stood our ground, as Girl Jordan let out a scream of insane rage and fury, as the ground shook like crazy, and then, she was surrounded by a massive vortex of ocean blue energy with ocean waves, sea animals, sea dragons, snow, and ice surrounding it, there's a sea dragon swimming around the vortex, and in the vortex is a yellow vortex. Then, as the vortex faded, Girl Jordan emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:35 TO 2:14)

Girl Jordan grew from 7'1" to 7'4" in height, she had the body of a goddess, she has neon blue eyes and a neon blue energy aura with ocean waves, sea dragons, sea animals, snow, and ice surrounding her, she has a sea dragon with the Water Kanji on its tail emblazoned on her forehead, she has ocean blue highlights in the bangs of her long light brown hair, and her massive light brown angel wings with ocean blue tips on the feathers and water dripping from them grew much bigger for her new body, she has on sea dragon earrings with ocean blue gems for eyes and the Water and Eternity Kanjis in its claws and her merged Elemental Thunderbird Necklace of Eternal Love with ocean blue gems on the gold thunderbolt links and ocean blue crystal links and an ocean blue-colored sea dragon Element of Harmony with a golden Thunderbird and a sea dragon with ocean blue gems for eyes and the Water and Eternity Kanji in its claws for the pendant, she has on a yellow sleeveless blouse, sleeveless yellow midriff top with ocean blue phoenix on it, blue skirt with ocean waves, black pants with ocean waves on them, ocean blue leather combat boots, the ocean blue weighted bands with silver phoenixes on her biceps and thighs were now covered with gold metal bands and she now has

Suddenly, Girl Jordan's massive Ler's Sea Dragon Greatsword of Ocean Justice and the swords that she'd gotten in the treasure battles began to merge and was surrounded by a kaleidoscope of ocean blue energy with water, ocean waves, sea dragons, sea creatures, and snow, and when it emerged, it was transformed into Ler's Sea Dragon Greatsword of Celtic Ocean Justice, it's a brand-new massive greatsword with the Celtic God of the Sea, Ler, etched on the 7'0" massive, wide, double-edged ocean blue blade and he was surrounded by a Celtic Knot circle, large ocean blue sea dragon heads for the crossguard, large yellow gem embedded in the rainguard, longer blue handle decorated with ocean blue dragon scales, four sea dragon dragon heads with ocean blue gems in its mouths and a large ocean blue gem below the sea dragon heads for the pommel. Girl Jordan has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA ATHLETIC MAELSTROM ARCTIC SEA DRAGON ANGEL OF DIVINE CELTIC MAELSTROM JUSTICE AND DIVINE OCEANIC CELTIC LOVE!

We were amazed by Girl Jordan's Super Angel Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes. But, when Nathan Puwalsky saw it, the fucker screamed with insane rage and tried to kill her, but Girl Jordan fired a powerful barrage of thousand ocean blue energy blasts with ocean waves, sea dragons, sea animals, snow, and ice surrounding it, and they hit Nathan Puwalsky and sent the fucker flying into a wall, but it really pissed him off now.

Nico: Holy guacamole! Girl Jordan's transformed!

Lincoln did a Tex Avery McWolf wild take, along with making a few catcalls, wolf howls, and more, and it was really hilarious!

Girl Jordan: (Divine Echoing Cosmic Voice of The Celtic Maelstrom Sea Dragon and Divine Oceanic Celtic Love) (Giggles) **Now, now, big, tall, muscular, and handsome, you'll have plenty of time to spend with me later. Right now, we should get down to business.**

Lincoln: (Snaps out of it) Oh, right.

Nico: (Snickers) Yeah, she's right. We still got a shithead blooddrinking cannibalistic bad boy to kill.

Then, Girl Jordan and Lincoln fired powerful blasts of water and sea dragons at Nathan Puwalsky, along with ice and snow, and finally, they fired a massive wave of water and ocean blue energy at Nathan Puwalsky, and it exploded with incredible power as it hit him and he was killed. Then, Nathan Puwalsky's spirit appeared.

Nathan Puwalsky: You miserable shitheads, I don't care how powerful you all have gotten, I will come back again and I will kill every last one of you and drink your blood and eat your brains!

Nico: No, you're done, Nathan, and this time forever.

Girl Jordan and Lincoln drew the Judgement Kanji on Nathan Puwalsky's forehead and he was found guilty by the spirits of the twelve kids he'd killed and ate their brains and drank their blood, and he was erased forever by The Black Gates. We cheered wildly as we holster our weapons and powered down, and Girl Jordan's brand-new body, clothes, weapons, jewelry, and massive angel wings are permanent.

Girl Jordan: Now, it's finally over for Nathan Puwalsky. Thank you for helping me destroy Nathan and this time for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Girl Jordan.

Suddenly, Girl Jordan wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Girl Jordan's face, they kissed passionately as Girl Jordan's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, along with a Sea Dragon behind them surrounded by ocean waves, and we also saw a herd of Buffalo running across the field, and the display of the elemental forces behind them, along with snow falling down around them, and ocean waves crashing behind them, and we cheered for them.

Me: Good riddance to that shithead, and this time forever.

Apollonia Apollonir: You too, Lincoln, it's been a long time.

Aethra Oberus: And it's also good to see you again, Oberus.

Lilith Exedra: Same with you, Exedra.

Exedra: You too, Lilith.

Oberus: And the same with you, Aethra.

We were stunned at the revelation, except for Lincoln, Luna, Lana, Leni, Laney, Lucy, Girl Jordan, and Lincoln's Guardian Angels.

Me: Whoa, so you know these girls?

Oberus: We do, J.D.

Exedra: (Senses four other presences) But, Apollonia and her friends aren't the only ones who have also shown up. It's good to see you all again, Apollonir, Frosch, Lars Lion, and Clayf.

Suddenly, we saw on the left shoulders of Apollonia, Beverly, Alina, and Ashley: Apollonir, the Legendary Pyrus Soldier and Leader of The Legendary Soldiers of Vestroia, Frosch, the Legendary Aquos Soldier and the most tactical of The Legendary Soldiers of Vestroia, Lars Lion, the Legendary Haos Soldier and Wisest of The Legendary Soldiers of Vestroia and Clayf, the Legendary Subterra Soldier and the physically strongest of The Legendary Solders of Vestroia, and they went up to Oberus and Exedra.

Julie Makimoto: You too, Clayf.

Lincoln went up to Apollonia Apollonir, Ashley Clayf, Lilith Exedra, Beverly Frosch, Alina Lion, and Aethra Oberus and he hugged them, and Apollonia Apollonir, Ashley Clayf, Lilith Exedra, Beverly Frosch, Alina Lion, and Aethra Oberus were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you six since you were seventeen, and as you can see, I really grew a lot since then.

Apollonia Apollonir: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new.

Ashley Clayf: Yeah, you can land an airplane on that more wider and more muscular back, squash a melon with those quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know these six girls?

Lincoln: Indeed I do, Nico.

Apollonia Apollonir: Wait, Lincoln, shall we do the introductions?

Lincoln: Of course, Apollonia.

Apollonia Apollonir: Thanks, Lincoln.

The Legendary Bakugan Gene-Slammers line up, and then, they were surrounded by colored energy auras and the elements they represent.

Apollonir: They've been working on how to introduce themselves to the rest of the team, but you, Luna, Laney, Lucy, Lana, Lily, Girl Jordan and the rest of your Guardian Angels knew them, and you also knew about us long ago, Lincoln.

Lincoln: That's right.

Nico: Wait, you guys…?!

Lincoln: Yeah, we also knew about the Bakugan long ago, through

Apollonia and her friends, but I, along with Luna, Laney, Lucy, Lana, Lily, Girl Jordan, and my Guardian Angels, along with Apollonia and her friends swore a pact never to tell anyone about the Bakugan until the time was right, and we had to keep it a secret, especially from the five most untrustworthy members of the family.

Luna: I.E., Lori, Lynn, Lola, Lisa, and Luan, and this was done long before you moved here, J.D., and way before we began meeting the future members of the team.

Nico: Now, that's really awesome, and you guys did awesome in keeping it a secret, especially from Lori, Lynn, Lola, Lisa, and Luan, since they, like you said, Lincoln, were the most untrustworthy of the Louds.

Apollonia Apollonir: That's right, and we have nasty revelations about the five untrustworthy Loud sisters, and how we've always been hated by them, and how we've always hated them.

Me: Now, this I got to hear.

Nico: Same here.

Suddenly, six brand-new Elemental Thunderbird Necklaces of Eternal Love appeared around the necks of Apollonia Apollonir, Ashley Clayf, Lilith Exedra, Beverly Frosch, Alina Lion, and Aethra Oberus with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha along with six new Elemental Thunderbird Chokers of Eternal Love around their necks.

Apollonia Apollonir, Ashley Clayf, Lilith Exedra, Beverly Frosch, Alina Lion, and Aethra Oberus: (Surprised) Lincoln, are these…?

Lincoln: Yep, those are Elemental Thunderbird Necklaces of Eternal Love along with Elemental Thunderbird Chokers of Eternal Love, which means you're part of harem and my many future wives, Apollonia Apollonir, Ashley Clayf, Lilith Exedra, Beverly Frosch, Alina Lion, and Aethra Oberus.

Apollonia Apollonir, Ashley Clayf, Lilith Exedra, Beverly Frosch, Alina Lion, and Aethra Oberus had a smile on their faces and tears in their eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around the girls' waist, and he leans down to their faces and kissed them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the three girls, and when Lincoln saw them, he recognized them immediately. The three girls are Zuo Anji from Bloodivores and Gloria Baker and Vanessa Warfield from Mobile Armored Strike Kommand.

Lincoln: Oh wow, it's Zuo Anji from Bloodivores, and Gloria Baker and Vanessa Warfield from Mobile Armored Strike Kommand.

Nico: Awesome.

Lincoln: Are you girls okay?

Zuo Anji: Yes, we're okay, thanks to you.

Then, when Zuo Anji and the two other girls saw who it was that saved them from Nathan Puwalsky, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Zuo Anji: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made two clones of himself, and he and his two clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Zuo Anji: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Zuo Anji, Gloria Baker, and Vanessa Warfield with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and the rest of the team heard that the spirits of McPike Mansion were no longer malevolent, but they wish to remain there and they've at least found peace, and they were shocked when they found out the villain we went after was our old enemy from the old days, Nathan Puwalsky, who'd come back from the dead wanting revenge on us for what we did in defeating him and getting him sentenced to death.

But, when Lincoln showed Girl Jordan's transforming into her new Super Angel Celestial Eternal Xelnaga form, along with all of us beating the shit out of Nathan Puwalsky, and Lincoln and Girl Jordan killing him and sending him to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Apollonia Apollonir, Ashley Clayf, Lilith Exedra, Beverly Frosch, Alina Lion, and Aethra Oberus have a lot of catching up to do, now that they're back in town, and now, we're finally rid of Nathan Puwalsky, and he's never ever coming back.

Maria: Sheesh, I can't believe Nathan Puwalsky came back, that heartless bloodthirsty cannibalistic animal.

Lincoln: I thought we too were rid of him for good, but he just doesn't know when to quit.

Dan Kuso: But, we all got rid of him for good, and we met the Gene-Slammers for the Legendary Soldiers of Vestroia.

Drago (Bakugan): Along with Oberus and Exedra reuniting with

Apollonir, Clayf, Exedra, Frosch, and Lars Lion.

Skyress: And we also found out that Lincoln, Luna, Laney, Lucy, Lana, Lily, Leni, Girl Jordan, and Lincoln's Guardian Angels knew about the existence of Bakugan long ago.

Tigrerra: But, they eventually swore a pact to keep it a secret, until the time arrived, and they also kept it secret from Lori, Lynn, Lola, Lisa, and Luan.

Runo: Who happen to be the most untrustworthy of the Loud Siblings, and due to what we've heard from Lincoln's other Guardian Angels, there's a reason why Apollonia and her friends made it equally important to keep it a secret from those five.

Nico: And Apollonia and her friends have some awesome revelations on how they've each put Lori, Lynn, Lola, Lisa, and Luan in their place when they tried to cause physical harm and misery to Lincoln, and how they were hated by Lori, Lynn, Lola, Lisa, and Luan, along with the girls hating those five with a burning passion.

May: This we've got to hear.

---

After we checked out McPike Mansion and finally got rid of Nathan Puwalsky and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Apollonia Apollonir, Ashley Clayf, Lilith Exedra, Beverly Frosch, Alina Lion, and Aethra Oberus saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Apollonia Apollonir: Whoa, we were right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever. He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Ashley Clayf: That's incredible, and I already knew just how strong you were long ago ever since we did some wrestling long ago, and I'm so proud of how much stronger you've gotten.

Nico: You got that right. So, Apollonia, girls, what are these nasty revelations you got on Lori, Lynn, Lola, Lisa, and Luan, and how you girls put them in their place, and how they hated you girls and how you girls hate them with a burning passion.

Apollonia Apollonir: Let me go first. One time, Lincoln and I were doing an experiment for Science, but then, Lori, Lynn, Lola, Lisa, and Luan came in, and they had knives in their hands, and that was the sign of that they were going to kill us. But, I fired a powerful blast of fire that burned off Lori's eyebrows off, burned Lynn and Luan's ponytails off, burned and left scorch marks on Lola's dress, and melted Lisa's glasses, and after I told the parents, the five of them got grounded for three weeks and that made them hate me so much, and I hated them with a literal burning passion.

Ashley Clayf: One time, Lincoln and I were doing some wrestling in my backyard, but then, we heard thundering footsteps, and we saw who it was: it was Lynn, and she looked like a really angry bull and she wanted to kill me just for helping Lincoln to get stronger and she saw this act as a threat to her dominance, but every time, I've always triumphed by painfully wrestling her onto the ground and winning every time. We then told Mr. and Mrs. Loud of what that bullheaded moron tried to do to me and Lincoln, and she got grounded for eighteen weeks, and Lynn had to go sleep in the basement after Lucy tossed her out of the room. This made Lynn hate me so much, but I also hated Lynn with a burning passion.

Lilith Exedra: One time, Lincoln and I were with Lucy and The Young Mortician's Club for a meeting, but then, we heard an angry scream in the air and we saw Lola barreling towards us in a fit of rage, and she thought Lincoln broke her tiara, but he was here with us, but Lola wasn't having any of it and she charged in to kill us with her Princess Jeep, but I've had about enough of Lola and her temper tantrum rampages, so I used my powers of darkness to summon horrifying and dark nightmares to terrorize Lola and send her driving back home and screaming to her room. I eventually told Mr. and Mrs. Loud of what Lola tried to do, and she was grounded for two weeks. This made Lola hate me so much, but I also hated Lola with a burning passion.

Beverly Frosch: One time, I was walking through Franklin Avenue, but then, I heard a loud scream coming from The Loud House, and I knew that loud scream was Lincoln, and the very sound of mad laughter I also heard was from Lisa. I had to get in there and rescue Lincoln, but I analyzed the very situation: Lisa had Todd and her robots watching out for me, so I sent a fake message from Lisa to Todd and the robots saying they were free to leave, but when they got to the front door, I was there and I fired blasts of water at them and destroyed them. I also knew Lisa also had Lori, Lynn, Lola, and Luan with her, and they also agreed to help get rid of Lincoln for good, so I set up a "disaster" by drenching Lori and Lola's clothes and made them soggy, ruined Luan's comedy props, and popped Lynn's balls and gave her stinky clothes a huge bath, and it made them scream like banshees, and before they knew it, I knocked them out with a nasty punch to the face and tied them up. Then, I hacked Lisa's system and got into her room, along with disabling her machines, and by the time Lisa rebooted everything, I'd set Lincoln free from the shackles and I punched Lisa hard in the eye, and after telling Mr. and Mrs. Loud of what Lisa was about to do in killing Lincoln, Lisa was grounded for fifteen weeks, and Lori, Lynn, Lola, and Luan got grounded for ten weeks for even helping her. This made Lisa hate me so much, and I also hated her with a burning passion.

Alina Lion: One time, Lincoln and I were heading back to his house after a day of fun at Gus' Games and Grub, but when I touched the front door's doorknob, I got struck with a vision: the whole house was really rigged with traps and harmful pranks Luan had in store for Lincoln, so she can kill him. I told him of what I saw, and he knew Luan was at it again. He was really scared, because Luan rigged the whole house with traps and harmful pranks, but I told him there's a way to beat the traps and pranks: she hadn't rigged the back door, so we got in through the back, and then, we proceeded to disable every last one of Luan's pranks. With her patience worn down completely, Luan came down, but when she saw me and Lincoln with our arms crossed over our chests and we glared at Luan, she was literally busted, and when the rest of the family showed up, she was in big trouble, she was then grounded for nineteen weeks and had to sleep in the basement after Luna kicked her out of the room. This made Luan hate me so much, and I also hated her with a burning passion.

Aethra Oberus: And this one time, Lincoln and I were heading out to Tall Timbers Park for a relaxing day there, but our day came to an end when Lori showed up and tried to kill us, because she's had enough of Lincoln being alive and not miserable and wanting to kill himself. But, I fired a blast of wind at Lori and knocked her flat on her behind, and I scolded her by saying she doesn't have the right to decide that Lincoln should die, and I called her out because of her heartless power-hungry attitude, and when everyone heard it, they were making videos of my brave stand against Lori, and they were calling Lori out for her heartless behavior towards Lincoln. Lori went insane and tried to attack again, but Luna and Leni showed up and not only did they restrain Lori, but Luna knocked her out by hitting her on the head with a baseball bat she stole from Lynn's room, and they tied her up. Mr. and Mrs. Loud saw the video and Lori got grounded for nineteen weeks for what she tried to do. This made Lori hate me so much, and I also hated her with a burning passion.

We cheered wildly.

Nico: Wow, now that's what I call some awesome revelations, and you girls really had some guts to stand up to, even inflict some nasty pain on Lori, Lynn, Lola, Lisa, and Luan.

Me: And that caused them to hate you girls so much for standing up to Lincoln.

Apollonia Apollonir: And we also hated them with a burning passion. But, we made our choice, we weren't going to just let those five get away with doing what they want to Lincoln.

Lincoln: And we were really thankful for what you and the others did in stopping Lori, Lynn, Lola, Lisa, and Luan that many times, Apollonia.

Apollonir: It's because of the love they each have for you, Lincoln, and they know of what you've had to go through dealing with Lori, Lynn, Lola, Lisa, and Luan.

Oberus: That's right, and it's not only Apollonia and her friends, but every last Guardian Angel were willing to put their lives on the line to protect you, and you've always returned the favor by defending them from Lori, Lynn, Lola, Lisa, and Luan, and that's what made you a true hero and defender.

Nico: And that's the truth.

We got a shower afterwards, and then, Lincoln, Sissi Delmas, Brynja Heringsdötir, and Jin are heading to Coral Capers.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with a Thunderbird and lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Sissi Delmas, Brynja Heringsdötir, and Jin were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble. Plus, we'd also found out that Sissi

Delmas, Brynja Heringsdötir, and Jin each had feelings for Lincoln, because he'd saved them from a group of bounty hunter Flip had hired to kidnap and kill them, because he still wanted revenge on us for what we did in ruining his scams. Well, after Lincoln rescued them and the girls told us that Flip hired those thugs to kidnap and kill them to get revenge, Lincoln went down and kicked Flip hard in the crotch and he sent an anvil down on that cheapskate's head.

Sissi Delmas: Wow, so this is Coral Capers.

Lincoln: And it's a perfect place for our first beach date, Sissi. Shall we?

Lincoln, Sissi Delmas, Brynja Heringsdötir, and Jin dived in and they also had a swimming race and had a lot of fun, and they went back to the shore and they had a game of volleyball and Sissi Delmas, Brynja Heringsdötir, and Jin got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to Sissi Delmas, Brynja Heringsdötir, and Jin and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: Hey, Lincoln, how was your date?

Lincoln: It was awesome, Nico, we went to Coral Capers.

Brynja Heringsdötir: (Icelandic Accent) For our first beach date.

We also saw they had Elemental Thunderbird Necklaces of Eternal Love with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha.

Sissi Delmas: And this was due to us harboring feelings for Lincoln, and they came into light when he saved us from those bounty hunters Flip hired to kidnap and kill us. What a moron!

Me: He's really got a death wish with hiring bounty hunters to kidnap and kill girls that we like just for his desire for revenge.

Lincoln: Which is why I'm going to issue a bounty and manhunt for any bounty hunters hired by Flip, and they'll have nowhere to run.

Eli: Yeah, they deserve to rot in prison.

Nico: They're driven only by greed and their hatred for us, sheesh. But, with the bounty you issued on them, they'll have nowhere to run, Lincoln.

Lincoln: I won't be surprised if we run into them on my rescue tomorrow.

Me: Oh yeah, a massive beatdown's in the works tomorrow, and we'll be sure to film it to show that butt-muncher, Flip, what happens when he tries to fuck with us, and all for his greed and desire for revenge.

---

We were watching TV and then the mascots came in and they had distended bellies and they were groaning.

Toad Man: (to the Mascots) You guys don't look too good.

Poliwag: (GROANS) I think that's an understatement.

Manaphy: Yeah!

But then…

LOUD FART!

Poliwag ripped a loud fart!

Me: HOOWEE!

Nico: Oh man! Poliwag have you been eating grapes by the truckload!?

Poliwag: No.

Manaphy: It wasn't grapes!

LOUD FART!

May: (COUGHS) Manaphy!

Brynja: Are they always like this?!

Nico: Not entirely.

Poliwag: We found a trough full of baked beans and ate that.

Liam: What in tarnation!? MY BAKED BEANS FOR MY PIGS!

Carmen: We forgot about that!

We went and found an empty feeding trough.

Me: Whoa! And I thought that I.R. Baboon did this.

Carmen: Yeah we were getting more manure for Liam's farm. We didn't know that the mascots would eat it all.

Me: Oops!

Poliwag: IT HURTS! (LOUD FART)

Manaphy: (CRYING) MAMA!

May: Oh Manaphy.

Nico and May picked up Poliwag and Manaphy and were patting their backs.

BELCH! FART! LOUD BURPING AND FARTING!

Me: HOOWEE!

Eli: I'll open a window.

Eli did so.

Guyhawk: (picks up Horsea and Poromon) I got you two.

Poromon: We're okay. We didn't eat any of the beans.

Horsea: Yeah we weren't hungry.

Guyhawk: Good.

Me: Whatever you do guys don't like a match.

Xenia: Yeah.

Major Dr. Ghastly: Boy the chief's stomach's farts smelled just as horrible.

Qin: No kidding there doctor.

LOUD FARTING AND BURPING!

Manaphy: Man that feels (BELCH!) So good! (LOUD FART!)

G1 Brainstorm: You two okay now?

Poliwag: I think so. (LOUD STOMACH GRUMBLES) UH OH! I THINK I'M GONNA!

Nico: OH NO!

SUPER LOUD EXPLOSIVE FART!

We all groaned in disgust as Poliwag released a massive loud fart of huge size!

Qin: (COUGHS AND GAGS)

Ed: Mmm something smells good!

Eddy: SHUT UP ED!

We put up lots of air fresheners.

Poliwag: Ahh! That is much better!

Brynja: Man you really ate a lot of beans.

Qin: No kidding!

Me: Yeah!

Dust Man: Nico, which teams have you made today?

Nico: Tyler's team will include Kagero, Yamato, Lucky, Tsurugi, and Hiryuu. Casey's team will include Lena Isis, Ryo, Zayto, Juru, and AkaRed.

Lucky: LUCKY! This is gonna be so awesome!

Nico: Yeah it sure is!

Qin: Yep.

Cornelia: Zayto will love this!

Xenia: He sure will.

Me: Yep.

Then Vypra, Dai Gui, Aqueduct, Evil Seed, Mirror Master, 10,000 Volt Ghost, Ryugu Tamatebacco, General Schwarz, Metal Sonic, Marionette Shadow, Gypsy Moth, Quakemon, Evil Ice Man, Evil Wood Man, Evil Wind Man, Evil Elec Man, Evil Splash Woman, Emperor Z, Yost Domino, and Yost Executioner appeared.

Mirror Master: Can me, Vypra, Dai Gui, Aqueduct, Evil Seed, 10,000 Volt Ghost, Ryugu Tamatebacco, General Schwarz, Metal Sonic, and Marionette Shadow go with you guys?

Evil Wind Man: Me, Gypsy Moth, Quakemon, Evil Ice Man, Evil Wood Man, Evil Elec Man, Evil Splash Woman, Emperor Z, Yost Domino, and Yost Executioner will come too.

Nico: Yes you all can come.

Vypra: (Sniffs) Whew! What is that smell!?

Nico: Trust me you don't want to know.

Laney: Yeah.

Leni: It's the Mascots. They ate all of Liam's beans and they were farting.

Me: LENI! He said they shouldn't know!

Leni: Well I thought it was they don't want to know.

Clawful: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do one that is for all the Neos Elemental HERO Monsters next.

Jaden: Sweet!

Alexis: That one will be interesting to see.

Laney: It sure will.

Nico: Yep. But this one will be like Danica Metrois.

Qin: There's one person I know that fits that description and that is Camille Dace. She was given a powerful energy transfusion of the powers of the Neos Elemental HERO monsters because she was dying from a fatal disease and it was the only way to save her life.

Nico: That's right.

Me: Wow! Is that even possible?

Nico: I guess it is. Now here is our next mission. I got a call from Casper earlier today and his abusive uncles are causing problems for him.

Me: Oh man! Not those fuckwad fuckers again!

Nico: I'm afraid so.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than PaniK, and he's come back to get revenge on us for destroying him last year. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us today?

Lincoln: You guessed it, Nico, and none of us are going to like this one bit: the dark energy signal we sensed belongs to PaniK, and he's come back to get revenge on us for destroying him last year.

We gasped in shock, including Dante Dalmatian, since he was the one who destroyed PaniK last year.

Dante Dalmatian: I should've known he'd one day return, but I'm not surprised, PaniK hated me for what I did in killing him last year and sending him to Oblivion. But, I'm not scared of him, I'm going to make sure he never ever comes back, and I've got some Card Fusions in store for him, and he'll be in for a shock when I use his own deck against him, and fuse them with Hermos.

Nico: Oh, this should be really good to see for ourselves. Alright, gang, let's go, we just got word that Stretch, Fatso, and Stinky have come back.

Lincoln: They've hurt and abused Casper for far too long, this time, we're going let them have it, and send them to The Masters of Evil for some even more nasty punishment, and once we get done with those three nasty ghosts, you're next, PaniK.

Camie: Who are Casper's uncles?

Me: Their names are Stretch, Fatso and Stinky and they are really bad douchebags.

I told everyone all about them and they were bad news.

Camie: Those guys are disgusting!

Me: Tell me about it.

Vypra: Let's invite Black Knight Ghost as well.

Quakemon: Good idea.

Black Knight Ghost appeared.

Black Knight Ghost: You called Boss?

Vypra: We sure did.

Nico: Cool. Lets head over to Whipstaff Manor.

We took the elevator and went to Whipstaff Manor.

Luckily we didn't have to go very far.

Acid Storm: Didn't have to go far.

Me: No we sure didn't.

Qin: I hope J.D. gives those foulmouth ghosts the swear storm of a lifetime.

Me: Oh that is exactly what I'm going to do.

Nico: Yep.

We went over to the manor and went in.

Me: Wow this whole mansion is looking good.

Camie: It's a nice place.

Xenia: It sure is.

Brynja: Yeah.

Casper: Hey guys!

Casper came out.

Me: Hey Casper. Long time no see.

Casper: Been a while.

Me: You know how busy we are saving the world.

Aqueduct: How's Wendy?

Evil Wood Man: Is she with you?

Casper: She sure is.

Wendy came.

Wendy (Casper): Hey guys.

Nico: Hiya Wendy.

Camie: Wow! But I thought Casper was a ghost?

Me: He was. But then we brought him back to life.

Casper: Yeah. Let me show you all around.

We got to walking around the house. Casper showed us his room.

Camie: Is this Casper's room?

Me: It sure is.

Glumshanks: This is a nice room.

Casper: Thanks.

Camie: How did Casper die?

Me: Crazy story.

We told them that Casper played in a sled in the snow till it got dark and then he got really sick with Pneumonia and died. His father then invented an awesome machine called the Lazarus to bring him back to life. But he was never able to use it because his father was declared legally insane and they put him in an insane asylum.

When we were done telling the story everyone that hadn't heard it was shocked.

Ryugu Tamatebacco: That's very heartbreaking.

Emperor Z: Any relation to the Lazarus Pit?

Me: No it's a machine. It uses a powerful primordial soup mixture that brings ghosts back to life.

Casper: It's true.

Laney: It's really amazing.

Me: Yeah. It was named after Lazarus, Jesus Christ's best Friend that he resurrected.

Nico: Yep.

Emperor Z: Wow.

Me: Yeah it's really awesome. It's in a laboratory in a cave underneath the house. Unfortunately J.T. McFadden didn't get an opportunity to use the machine since the authorities arrested him and had him committed.

Sword Man: Can we see it?

Casper: Sure.

Me: You guys are in for a surprise.

We went down to the lab where the Lazarus was at and it was a huge room.

Me: Here we are.

Sword Man: Wow! Look at this.

Xenia: Amazing!

Me: Yep. Now here is the fun part.

I blew off some dust on a book and opened it and in it was a panel and I pushed a button and then a machine came out of a pool! It was THE LAZARUS!

Me: There it is. Lazarus.

Nico: WOW!

Camie: Incredible!

Zhuqiaomon: Amazing!

Danica Metrois: That is amazing!

Eli: And this machine can bring the dead back to life?

Me: It sure can.

Marionette Shadow: What should we do with it?

Yost Executioner: Not let it fall into enemy hands.

Me: I was just about to say the same thing. Wait. Ra's do you think that it's possible that this red liquid that powers the machine is made from the same kinds of chemicals that the Lazarus Pits are made with?

Ra's Al Ghul: Yes from the looks of things you might be right about that J.D. Both the Lazarus Pit and this machine definitely use identical chemical solutions.

Nico: Wow!

Galaxy Man: How did Casper's dad get said liquid?!

Me: I think he made it. He was a famous inventor after all.

Galaxy Man: That might be the case.

Nico: Shall we see what this baby can do?

Casper: Sure.

Me: And I got the perfect test subject.

Sidney Poindexter: He means me and I'll do it!

Me: Yep.

Nico: This is gonna be interesting.

Yost Domino: Does it still work?

General Schwarz: Only one way to find out.

I put a beaker of the red liquid in a slot and turned a wheel and it was ready. Then I pulled a lever and it opened the chamber.

Sidney Poindexter: Here we go.

He went in and it closed.

Me: Here we go guys.

I pulled another lever and the machine activated and then out of the chamber in a cloud of steam came SIDNEY POINDEXTER BACK FROM THE DEAD ALIVE AND WELL!

Nico: WHOA!

Me: IT WORKS!

Eli: WOW!

Qin: YEAH!

Me: (Imitating Professor Bradford) IT WORKS! HAHAHAHAHAHAHAHAHAAHA!

Goofy: HAHAHAHAHA HYUCK HYUCK HYUCK HYUCK HYUCK!

Tarantulas: Casper's dad would be so happy.

Nico: He sure would Tarantulas.

Casper: Your machine works dad. It really works.

Sidney Poindexter: Wow! This is amazing!

Me: How do you feel Sidney?

Sidney Poindexter: Man I missed being alive! I have practically 75 years of life to catch up on.

Me: Boy no kidding!

Sidney's stomach growled!

Sidney Poindexter: Boy I'm really hungry.

Me: Lets head to the kitchen.

We did so and went to grab a bite. Sidney was WOLFING DOWN NUMEROUS PLATES FULL OF NOODLES, BURGERS, HOT DOGS AND MORE!

Qin: Whoa he is hungry!

Evil Elec Man: You must be very hungry.

Metal Sonic: Can you blame him?

Moe Howard: I don't blame him at all. He was dead as long as we were.

Curly: 2 years.

BONK!

Curly got bonked in the head by Moe.

Moe Howard: Quiet you chowderhead!

Sidney ate all the plates man was he stuffed!

Shaggy: Like man was he hungry!

Scooby Doo: Reah! He ate as much as we do.

Courage: No kidding there.

Krankenstein: Monster can eat more!

Nico: There will be time for you to eat later Krankenstein.

Me: Casper is Kat here?

Kat Harvey: Hey guys.

Me: Hey Kat. Sorry you missed us coming in.

Kat Harvey: You guys must be here to deal with Casper's uncles again.

Me: Yes that's right. Those dirtbag fuckers are going to get a nasty taste of the James Dean Foulmouth Surprise.

Curly: Oh what's the surprise?

Pinkie Pie: He can't tell you that silly! Then it wouldn't be a surprise.

Me: You'll see.

10,000 Volt Ghost: It's bound to involve profanity.

Evil Splash Woman: Andy, you and Applejack get to shine next.

Andy: AW YEAH!

Applejack: YEEHAW! This will be as fun as a hay ride!

Qin: It sure will!

Dinobot: I hope those stupid ghosts get wasted with full honor.

RD Luna: And dudes, these 6 member teams Nico and Vypra are making are useful for next year's rescues and any future wars.

Me: Good idea!

Nico: That is right.

Qin: I think it's an awesome idea too.

Xenia: Yeah!

Laney: It sure is an awesome idea too.

Evil Seed: But just to clarify, Vypra's in charge of making said teams for the Masters of Evil.

Evil Ice Man: Nico's in charge of the teams for Team Loud Phoenix Storm.

Me: So the leaders jobs. Gotcha.

Vypra: Yep. Awesome.

Nico: Yeah. It's awesome too.

Lola: It sure is.

Xenia: And we saw Goliath's team and it was awesome.

Me: Yep.

Lincoln and Danny's Ghost Sense went off.

Nico: Uh oh.

Danny Phantom: They're here.

RD Lincoln: Entrance time!

We heard maniacal laughter and in the main foyer was STRETCH, FATSO AND STINKY!

Me: There they are. Lets do it.

We went at them.

Stretch: That stupid nephew of ours must be having fun with Kat!

Stinky: Yeah!

Then the spirits of the elemental dangerous creatures came and then they swirled around them and then converged and then…

THUNDERCLAP!

Lightning struck the 3 ghosts and electrocuted them all over and a Thunderbird screech was heard and we came out.

Me: Hello you motherfucking shitfuckers! Nice to see you again!

Fatso: Look! It's the former leader!

Dai Gui: Okay, so J.D.'s not the main star of the team anymore.

Gypsy Moth: We're still teaching you a lesson!

Andy: Big time! (throws baseball at Stinky)

BONK!

He got hit.

Me: What's a matter buttfuckers? Is that all you fuckwads got?

Stretch: Not quite!

Stinky: SMELLOGRAM!

He belched and I blew his stinky breath back into his face and he smelled it and screamed like a little girl!

Me: HA! That the best you got rotten egg fuckers!?

Fatso: Why you!

He went at me and I stepped to the side and he crashed into the wall!

Me: Jerk!

Then Whirlwind, Greiger, Batroc, Titania, Titanium Titan, Carly Atlas, Arbormon, Tri Klops, New Wave, Electropede, Yost Vulture, Sindbad, Phantom (Scooby Doo), Jellax, Goldar, Bui, Fracture, Evil Strike Man, Saleen, and Yost Electro appeared.

Nico: Whirlwind, Greiger, Batroc, Titania, Titanium Titan, Carly Atlas, Arbormon, Tri Klops, New Wave, Electropede, Yost Vulture, Sindbad, Phantom (Scooby Doo), Jellax, Goldar, Bui, Fracture, Evil Strike Man, Saleen, and Yost Electro.

Whirlwind: So, does this mean Casper's dad's getting out of jail.

Maria: In the future, he will.

Greiger: Are you busting him out legally or through a prison break?

Batroc: I'm honestly fine with either.

Me: Uhh I'm afraid not guys. He's dead.

Whirlwind: Oh then forget I said anything.

Maria: Me too. Sorry Casper.

Casper: No worries.

Titania: (to Nico) We heard you fought Barodius.

Nico: We sure did and Barodius never knew he was dealing with us at more a more powerful than ever.

Titanium Titan: Did you like Goliath's group?

Me: We sure did.

Qin: It was really cool!

Nico: Yeah it was!

?: That is awesome though.

A figure came out and it was YAGOGAR GOHOME from episode 37 of LupinRangers VS PatRangers!

---

Yadogar Gohome was attacking the city when one of the cards that were thrown by the Lupinranger. He then summoned the Pordermen and then battle the Lupinrangers and Patrangers. However, when he got corner, Yadogar used the Lupin Collection's ability to attack them in different direction, but the Lupinrangers dodge that attack, but he used his own ability as he sent the Lupinrangers, except Lupin Red, and Patranger back home, because Lupin Red was unaffected so in retaliation, Yadogar used his ability on himself in order to retreat.

Later, he'd appeared at another part of the city, but was then attack by the Patrangers. During the battle, when he's about to send Patren2gou home, Patren1gou takes the attack and he wasn't heading home due to the tent is his home. In fustration, he used the Lupin Collection's ability to attack them however Patren1gou used himself as shield to protect his comrades. After that Noel gained access to Yadogar's safe and got the "Reach to touch/Atteindre pour toucher" piece and Yadogar was then taken out by Patren1gou.

However, Yadogar is then enlarged by Goche Ru Medou only to be destroyed by the Good Cool Kaiser VSX.

---

Nico: Whoa! Yadogar Gohome!

Me: I remember you! You sent the rangers minus Lupin Red back to their homes.

Yadogar Gohome: Yep.

Qin: Awesome!

William: (laughs) Your last name literally says what your powers do!

Yadogar Gohome: (laughs) I know. Even without my collection piece! But they probably won't work on Casper since this is his home.

Nico: Yeah this is his home.

Qin: Yep.

We got the battles underway.

---

Tom Major, Rainbow Dash, Scootaloo, Air Skylanders, W Kamen Riders, Dust Man and Air Man VS Whirlwind - Nico's Rescue and battling Barodius!

---

Whirlwind was first.

Whirlwind: (to Tom) Nico's Rescue involved battling Barodius! And how do you like Goliath's team?

Tom Major: It was really awesome! And it was an amazing test run for him. Goliath, Captain Frightbeard, Marching Milde, Robot Reptar, Kudgel and Malachite are an awesome team together.

Whirlwind: Glad to hear it! Not a bad test run if I do say so myself.

Rainbow Dash: It was awesome! But man Barodius really had it out for J.D. and Dan! He was massively infuriated at them for killing him!

Scootaloo: Yeah he sure was! Barodius unleashed one of the most insane villainous breakdowns ever!

Whirlwind: It was so powerful and insane that it really was intense! He was completely out of his mind!

Phillip: You're not kidding there!

Shotaro: Yeah it was brutal!

Whirlwind: Wow! He was really screwed up! Lets do it!

Captain America, Applejack, Apple Bloom, Earth Skylanders, Wreck It Ralph, Felix, Vanellope, Billy Gilbert and Acid Storm VS Batroc the Leaper - Lincoln's Rescue in McPike Mansion in Alton, Illinois.

---

Batroc the Leaper was next.

Batroc (to Captain America): I heard Lincoln's Rescue was in McPike Mansion in Alton, Illinois. How was it?

Captain America: It was a creepy and awesome place and a really unusual one too.

Applejack: Yeah it was a cool place. Construction of the mansion began in 1869, and the owner and inhabitant of the manor at the time was Henry McPike, who also lived here with his wife, Eleanor. Henry McPike served as Mayor of Alton and was a notable local businessman, involved in real estate and box making, and was Librarian of the Alton-Southern Illinois Horticultural Society in the late 1880s, until he died in 1910. Then, in 1925, the mansion was purchased by Paul A. Laichinger, who rented rooms out to others and lived there until his death in 1945, then for decades after, the mansion fell into disrepair and it became derelict, and that's when the hauntings began, as people began reporting seeing many spirits here, and it gained a very negative reputation. The mansion was purchased years ago by the current owner, Sharyn Luedke, but at the time she bought the house, she didn't know that it was haunted, and a local news crew had a terrifying experience at the mansion a couple of Halloweens ago, and they also said that among the spirits they encountered were the spirits of the original owners, Eleanor and Henry McPike, who still roam the corridors of their former home.

Batroc: (GULP) Scary.

Apple Bloom: Yeah it was and also it was there that we battled Nathan Puwalsky.

Batroc: Wasn't that the psychotic cannibalistic kid that Girl Jordan beat up years ago and got sent to death?

Flashwing: The very same one. Girl Jordan got her powers that day and she beat him up and got him sentenced to death. He was executed for his crimes.

Batroc: Sacre Bleu! That was awful he did all that!

Wreck It Ralph: It sure was!

Vanellope: Yeah no kidding there!

Fix It Felix: That was crazy too!

Batroc: That was crazy! Lets do it!

Captain America summoned Cavalier and merged Hermos with Elemental HERO Clayman and he got a powerful warhammer! It was called THE CLAYMAN WARHAMMER OF EARTHLY MIGHT! They fired waves of energy, earth, rock, crystal, boulders and apples and smashed him down.

Fabia, Princess Celestia, King Solar, Solar Eclipsa, Amber Morning, Light Skylanders, Inspector Gadget, Penny, Brain, Glumshanks and Hunch VS Titania - Meeting the Gene-slammers of The Legendary Soldiers of Vestroia.

---

Titania was next.

Titania: (to Fabia) I heard you guys met the Gene-slammers of The Legendary Soldiers of Vestroia. You especially were probably were happy to meet them.

Fabia: I sure was.

Titania: What are their names?

Fabia: Their names are Apollonia Apollonir, Ashley Clayf, Lilith Exedra, Beverly Frosch, Alina Lion, and Aethra Oberus.

Titania: Wow! They all are for each element. Not hard to figure out who is who and for what.

Princess Celestia: Yeah that is true.

King Solar: You should have heard their story as well.

Solar Eclipsa: Yeah they did all kinds of awesome deeds for Lincoln too.

---

Apollonia Apollonir: Whoa, we were right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever. He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Ashley Clayf: That's incredible, and I already knew just how strong you were long ago ever since we did some wrestling long ago, and I'm so proud of how much stronger you've gotten.

Nico: You got that right. So, Apollonia, girls, what are these nasty revelations you got on Lori, Lynn, Lola, Lisa, and Luan, and how you girls put them in their place, and how they hated you girls and how you girls hate them with a burning passion.

Apollonia Apollonir: Let me go first. One time, Lincoln and I were doing an experiment for Science, but then, Lori, Lynn, Lola, Lisa, and Luan came in, and they had knives in their hands, and that was the sign of that they were going to kill us. But, I fired a powerful blast of fire that burned off Lori's eyebrows off, burned Lynn and Luan's ponytails off, burned and left scorch marks on Lola's dress, and melted Lisa's glasses, and after I told the parents, the five of them got grounded for three weeks and that made them hate me so much, and I hated them with a literal burning passion.

Ashley Clayf: One time, Lincoln and I were doing some wrestling in my backyard, but then, we heard thundering footsteps, and we saw who it was: it was Lynn, and she looked like a really angry bull and she wanted to kill me just for helping Lincoln to get stronger and she saw this act as a threat to her dominance, but every time, I've always triumphed by painfully wrestling her onto the ground and winning every time. We then told Mr. and Mrs. Loud of what that bullheaded moron tried to do to me and Lincoln, and she got grounded for eighteen weeks, and Lynn had to go sleep in the basement after Lucy tossed her out of the room. This made Lynn hate me so much, but I also hated Lynn with a burning passion.

Lilith Exedra: One time, Lincoln and I were with Lucy and The Young Mortician's Club for a meeting, but then, we heard an angry scream in the air and we saw Lola barreling towards us in a fit of rage, and she thought Lincoln broke her tiara, but he was here with us, but Lola wasn't having any of it and she charged in to kill us with her Princess Jeep, but I've had about enough of Lola and her temper tantrum rampages, so I used my powers of darkness to summon horrifying and dark nightmares to terrorize Lola and send her driving back home and screaming to her room. I eventually told Mr. and Mrs. Loud of what Lola tried to do, and she was grounded for two weeks. This made Lola hate me so much, but I also hated Lola with a burning passion.

Beverly Frosch: One time, I was walking through Franklin Avenue, but then, I heard a loud scream coming from The Loud House, and I knew that loud scream was Lincoln, and the very sound of mad laughter I also heard was from Lisa. I had to get in there and rescue Lincoln, but I analyzed the very situation: Lisa had Todd and her robots watching out for me, so I sent a fake message from Lisa to Todd and the robots saying they were free to leave, but when they got to the front door, I was there and I fired blasts of water at them and destroyed them. I also knew Lisa also had Lori, Lynn, Lola, and Luan with her, and they also agreed to help get rid of Lincoln for good, so I set up a "disaster" by drenching Lori and Lola's clothes and made them soggy, ruined Luan's comedy props, and popped Lynn's balls and gave her stinky clothes a huge bath, and it made them scream like banshees, and before they knew it, I knocked them out with a nasty punch to the face and tied them up. Then, I hacked Lisa's system and got into her room, along with disabling her machines, and by the time Lisa rebooted everything, I'd set Lincoln free from the shackles and I punched Lisa hard in the eye, and after telling Mr. and Mrs. Loud of what Lisa was about to do in killing Lincoln, Lisa was grounded for fifteen weeks, and Lori, Lynn, Lola, and Luan got grounded for ten weeks for even helping her. This made Lisa hate me so much, and I also hated her with a burning passion.

Alina Lion: One time, Lincoln and I were heading back to his house after a day of fun at Gus' Games and Grub, but when I touched the front door's doorknob, I got struck with a vision: the whole house was really rigged with traps and harmful pranks Luan had in store for Lincoln, so she can kill him. I told him of what I saw, and he knew Luan was at it again. He was really scared, because Luan rigged the whole house with traps and harmful pranks, but I told him there's a way to beat the traps and pranks: she hadn't rigged the back door, so we got in through the back, and then, we proceeded to disable every last one of Luan's pranks. With her patience worn down completely, Luan came down, but when she saw me and Lincoln with our arms crossed over our chests and we glared at Luan, she was literally busted, and when the rest of the family showed up, she was in big trouble, she was then grounded for nineteen weeks and had to sleep in the basement after Luna kicked her out of the room. This made Luan hate me so much, and I also hated her with a burning passion.

Aethra Oberus: And this one time, Lincoln and I were heading out to Tall Timbers Park for a relaxing day there, but our day came to an end when Lori showed up and tried to kill us, because she's had enough of Lincoln being alive and not miserable and wanting to kill himself. But, I fired a blast of wind at Lori and knocked her flat on her behind, and I scolded her by saying she doesn't have the right to decide that Lincoln should die, and I called her out because of her heartless power-hungry attitude, and when everyone heard it, they were making videos of my brave stand against Lori, and they were calling Lori out for her heartless behavior towards Lincoln. Lori went insane and tried to attack again, but Luna and Leni showed up and not only did they restrain Lori, but Luna knocked her out by hitting her on the head with a baseball bat she stole from Lynn's room, and they tied her up. Mr. and Mrs. Loud saw the video and Lori got grounded for nineteen weeks for what she tried to do. This made Lori hate me so much, and I also hated her with a burning passion.

We cheered wildly.

Nico: Wow, now that's what I call some awesome revelations, and you girls really had some guts to stand up to, even inflict some nasty pain on Lori, Lynn, Lola, Lisa, and Luan.

Me: And that caused them to hate you girls so much for standing up to Lincoln.

Apollonia Apollonir: And we also hated them with a burning passion. But, we made our choice, we weren't going to just let those five get away with doing what they want to Lincoln.

Lincoln: And we were really thankful for what you and the others did in stopping Lori, Lynn, Lola, Lisa, and Luan that many times, Apollonia.

Apollonir: It's because of the love they each have for you, Lincoln, and they know of what you've had to go through dealing with Lori, Lynn, Lola, Lisa, and Luan.

Oberus: That's right, and it's not only Apollonia and her friends, but every last Guardian Angel were willing to put their lives on the line to protect you, and you've always returned the favor by defending them from Lori, Lynn, Lola, Lisa, and Luan, and that's what made you a true hero and defender.

Nico: And that's the truth.

?: I will have my revenge on you for destroying me, Dante Dalmatian!

Dante Dalmatian: (Growls) And right on time is when we expect to hear that voice again. You can come out now, PaniK.

A figure came out, and it was none other than PaniK, and he was still furious at what Dante did in destroying him last year.

Nico: Damn, after what you did in destroying him last year, you've really pissed him off, Dante.

PaniK: You fools have ruined everything, if you hadn't gotten in my way, I would've finally killed Yugi and his friends, and now, I will kill you all and have my revenge!

Kazika Kaziyama: That's never going to happen, and now, your days of causing havoc are about to end here and now.

Suddenly, Kazika Kaziyama's green eyes turned neon green and she was surrounded by a green energy aura with winds, wind creatures, stars, and wind angels, she unholstered her massive Wynn the Wind Charmer-themed greatsword from her back, and as she approached PaniK, she left green energy, winds, wind creatures, stars, and wind angels with every step.

Kazika Kaziyama: PaniK, I will never ever forgive you for the crimes that you committed against Yugi and his friends, you're nothing more than a monster and a dark shadow who's plagued the world of Duel Monsters for the last time, and for that, you will pay for your crimes with your life.

Suddenly, Kazika Kaziyama was surrounded by a massive vortex of green energy with winds and stars surrounding the vortex, there were wind creatures, wind angels, and Wynn the Wind Charmer flying around the vortex, and in the vortex is a green phoenix. Then, as the vortex faded, Kazika Kaziyama emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Kazika Kaziyama grew from 6'5" to 7'4" in height, she has the body of a goddess, she has light green highlights in the bangs of her long flowing green hair, she has neon green eyes, and a green energy aura with winds, wind creatures, stars, and wind angels surrounding her, she has the Wind Kanji in the hands of Wynn the Wind Charmer emblazoned on her forehead, she has on angel earrings with green gems for eyes and holding the Wind and Eternity Kanjis in its hands, she also has Wynn the Wind Charmer with green gems for eyes and holding the Wind and Eternity Kanjis in its hands for for the second pendant on the bottom of her green angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and green gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Kazika Kaziyama has on a green sleeveless blouse, sleeveless green top, green skirt, green pants, green socks, green heeled sneakers, and long sleeveless white trenchcoat with winds, stars, wind creatures, and wind angels on the coattails, and on the back is Wynn the Wind Charmer with darkness surrounding it. Suddenly, Kazika Kaziyama felt a sharp pain on her back, and then, her massive green angel wings with light green tips on the feathers and stars in them grew much bigger for her new body. Kazika Kaziyama has on a Ring of The Phoenix with green gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Kazika Kaziyama's massive Wynn the Wind Charmer-themed large greatsword and all of the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of green energy, winds, wind creatures, and wind angels, and when it emerged, it transformed into Wynn the Wind Charmer's Wind Charmer Greatsword of Wind Charmer Angel Love, it's a brand-new large greatsword with Wynn the Wind Charmer etched on the 7'0" massive, wide, double-edged green blade, large green angel heads for the crossguard, large green gem embedded in the rainguard, longer midnight black handle, four large angel heads and a large green gem below the angel heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Wynn the Wind Charmer's head with green gems for eyes and a green gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a green kanji below Wynn the Wind Charmer that said, "Kazika Kaziyama, Gene-Slammer of Wynn the Wind Charmer, Powerful Master of Wind, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher and Despiser of Hawk and Hank, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Winds, Stars, Wind Creatures, and Wind Angels"

カジヤマ カジカ、ウィン ザ ウィンド チャーマーのジーンスラマー、風の強力なマスター、愛情深い守護天使、リンカーン ラウドの将来の妻、ホークとハンクのスマッシャーと軽蔑者、悪のスレイヤー、混乱した、殺人的で、冷酷で、サディスティックなろくでなし、素晴らしい驚くべき強力な教師の強力な学生であり、風、星、風の生き物、風の天使のマスター

Kazika Kaziyama has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA WIND STAR DARK CHARMER ANGEL OF DIVINE BREEZE WIND CHARMER JUSTICE AND DIVINE BREEZE WIND CHARMER ANGEL LOVE!

We were amazed by Kazika Kaziyama's Super Angel Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when PaniK saw it, he fell into a dark rage and ran at her to kill her, but Kazika Kaziyama fired a powerful green energy blast with stars, winds, wind creatures, and wind angels at PaniK and it exploded with incredible power and sent him flying into a wall, but he's not out yet, and he was now incredibly pissed off.

Nico: Wicked, Kazika Kaziyama's transformed.

Dante Dalmatian: And now, it's my turn to transform, and I've had it with you to last an eternity, PaniK.

Suddenly, something within Dante Dalmatian's mind snapped as memories of PaniK's crimes rushed through his head as his blood red eyes turned neon blood red and he was surrounded by a black and blood red energy aura with darkness, souls of the damned, creatures of the night, vampires, and Dalmatians, he unholsters his Defender of Camden Town sword from his back, and as he approached PaniK, he left black and dark crimson red energy, darkness, souls of the damned, creatures of the night, vampires, and Dalmatians with every step.

Dante Dalmatian: You're like a massive headache that just won't go away, PaniK, even after I kicked your butt. (Suddenly Getting Extremely Pissed Off) And I meant every word that I said about you last year, what you've done to the duelists during the Duelist Kingdom tournament can never be forgiven, and for what you tried to do in killing Yugi and his friends to slake your thirst for blood and chaos… , YOU'VE CROSSED ONE GODFORSAKEN LINE TOO MANY, PANIK, AND FOR THAT, I'M GOING TO KILL YOU ONCE AND FOR ALL, AND THIS TIME, YOU'RE NEVER EVER COMING BACK FROM THE DEAD!

Nico: Whoa!

Dolly Dalmatian: Jeez, I knew Dante was a dark goth Dalmatian, but the threat he just made towards PaniK, that's dark times infinity.

Me: It's well-deserved for all the crimes that PaniK has committed, and now, PaniK has unleashed the full wrath of the undead coming from Dante Dalmatian, and PaniK is about to have his soul damned for all eternity.

Eli: HIT THE DECK! HE'S GOING TO BLOW!

We also ran for cover, as Dante Dalmatian screamed like a mad dog and let out a primal scream of rage, and he was surrounded by a massive vortex of black and blood red energy with darkness surrounding the vortex, there's the souls of the damned, creatures of the night, vampires, and a Dalmatian running around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Dante Dalmatian emerged, but he was changed forever.

Dante Dalmatian grew from 6'9" to 7'5" in height, he now has abnormally massive and powerful upper and lower body muscles and eight-pack abs, he has blood red highlights in the bangs of his long midnight black hair going down to his neck, he has neon blood red eyes and a black and blood red energy aura with darkness, souls of the damned, creatures of the night, vampires, and Dalmatians surrounding him, he has a vampire dragon with the Dark Kanji in its claws emblazoned on his forehead, he has on Dalmatian earrings with blood red gems for eyes and holding the Dark and Eternity Kanjis in its paws, he has on his Crystal Necklace of The Buddha with blood red gems on the black crescent moons and blood red crystal links and a blood red Dalmatian-shaped Element of Harmony and on the bottom of The Element of Harmony is a Dalmatian with blood red gems for eyes and holding the Dark and Eternity Kanjis in its paws for the pendant and he still has on his black spiked choker with vampire bat tag pendant around his neck, Dante Dalmatian has on a black tank top with blood red phoenix which showed off his eight-pack abs and pecs, long black jeans, black leather knee-high combat boots, and long black trenchcoat with souls of the damned, creatures of the night, and vampires on the coattails and on the back is the Castle of the Vampires, a vampire dragon, the souls of the damned, and a Dalmatian surrounded by darkness on the back. Suddenly, Dante Dalmatian felt a sharp pain on his now wider and more muscular back, and then, his massive midnight black angel wings with white tips on the black feathers grew larger for his new body, he has on a Ring of The

Phoenix with blood red gem and heart-shaped gem embedded in it on his right ring finger and Black Lantern Ring on his left ring finger.

Suddenly, Dante Dalmatian's Defender of Camden Town sword and all of the other swords he'd gotten began merging together and they're surrounded by a kaleidoscope of black and blood red energy with souls of the damned, creatures of the night, vampires, and Dalmatians, and when it emerged, it was transformed into Vampire Dalmatian's Damned Soul Undead Horror Greatsword of Vampiric Undead Justice, it's a brand-new large greatsword with a vampire glyph etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black dog heads for the crossguard, large blood red gem embedded in the rainguard, longer midnight black handle, four large midnight black hound heads with dark crimson red gems for eyes and in the open mouths and on the bottom of the heads is a large dark crimson red gem for the pommel, he has on his new large gold cuff Bracelets of the Champions of The Universe with dark crimson red gems on his wrists, his new large gold Belt of Elemental Bravery with a large gold dragon head with blood red gems for eyes and a large blood red gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. There's a blood red kanji below The Castle of the Vampires that said, "Dante Dalmatian, Resident Goth of The Dalmatian Family, Brother of Ninety-Nine Siblings, Loving Son of Delilah and Doug Dalmatian, Dark Hero of Camden Town, Destroyer of PaniK, Member of The Goths of Darkness, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Dark Flames, The Souls of The Damned, and The Creatures of The Night"

ダンテ ダルメシアン、ダルメシアン家の住人ゴス、九十九 人兄弟の兄弟、デリラとダグ ダルメシアンの愛情深い息子、カムデン タウンのダーク ヒーロー、パニックの破壊者、ザ ゴス オブ ダークネスのメンバー、悪のスレイヤー、錯乱した殺人者、冷酷でサディスティックなろくでなし、驚くべき強力な教師の驚くべき強力な生徒、そして闇、暗い炎、ダムドの魂、夜の生き物のマスター

Dante Dalmatian has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA DAMNED SOUL ETERNAL DARKNESS DALMATIAN VAMPIRE ANGEL OF DIVINE BLOOD-DRENCHED VAMPIRIC JUSTICE AND DIVINE ETERNAL DAMNED DARKNESS DEATH!

We were amazed by Dante Dalmatian's Super Angel Celestial Eternal Xelnaga transformation, but when PaniK saw it, he went crazy, but Dante fired a powerful black and blood red energy blast with darkness, souls of the damned, creatures of the night, vampires, and Dalmatians at PaniK, and they exploded with incredible power as they hit him, and he was mega pissed off.

Nico: Holy guacamole, Dante Dalmatian's transformed?!

Lincoln: Yep, and he looks like he's a true dark vampiric angel of undead justice, and Kazika, you look beautiful, how do you feel?

Kazika Kaziyama: (Divine Echoing Cosmic Voice of The Breeze Wind Charmer Angel and Divine Breeze Wind Charmer Love) I feel incredible, Linky. Now, shall we administer unto this monster his rightful punishment?

Lincoln: (Smiles) With pleasure, Kazika.

Dante Dalmatian: (Divine Echoing Cosmic Voice of The Undead Darkness Vampire Dalmatian and Divine Dark Undead Vampire Death) Your days are done, PaniK! Now, you're about to feel the dark wrath of the undead!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Kazika Kaziyama, and Dante Dalmatian also joined in.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of

Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of causing havoc and chaos for Yugi and his friends and the world of Duel Monsters are over, PaniK, now it's time for you to die.

Kazika Kaziyama, Lincoln, and Dante Dalmatian went after PaniK, and they fired extremely powerful blasts of rainbow energy, green energy, black and blood red energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Dalmatians, and Mermaids at PaniK, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, and they also drew blood.

This was really pissing off PaniK badly, but Kazika Kaziyama, Lincoln, and Dante Dalmatian were just getting started, as Dante Dalmatian summoned Dark Chimera and merged it with Hermos, and it transformed into a powerful longsword with black flame surrounding the blade called DARK CHIMERA DARKSWORD, and with every slash, PaniK was badly burned by the pitch black flames. Suddenly, two beams of light descended and a hand-cannon Blaster appeared for Kazika Kaziyama, it was known as Wynn the Wind Charmer's Light Breeze Windstorm and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's green with winds on the blaster with a Phoenix, Wind Angel, and Wynn the Wind Charmer surrounded by winds etched on the sides, and a green gem on the top of the blaster, and a hand-cannon Blaster appeared for Dante Dalmatian, it was known as Vampiric Darkness Dalmatian and it's modelled after Mario's Lightning Shark Blaster, but it's black with darkness on the blaster with a Vampire, Phoenix, Angel, and Dalmatian surrounded by darkness etched on the side, and a blood red gem on top of the blaster.

Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he, Kazika Kaziyama, and Dante Dalmatian fired blasts of rainbow energy, green energy, black and blood red energy, and elemental forces and when they hit PaniK, they exploded with incredible power as they hit him and he was killed. Then, as they holstered their hand-cannon Blasters, PaniK's spirit appeared and Kazika Kaziyama, Lincoln, and Dante Dalmatian fired three black energy blasts with the Judgement Kanji and they hit PaniK and he was erased by The Black Gates after he was found guilty for his crimes by those he hurt. We cheered wildly for what Kazika Kaziyama, Lincoln, and Dante Dalmatian did to PaniK as they holstered their massive greatswords on their backs and power down, and the new bodies, clothes, jewelry, weapons, and massive angel wings of Kazika Kaziyama and Dante Dalmatian are permanent.

Dante Dalmatian: Good riddance forever, PaniK, and don't you even dare come back!

Kazika Kaziyama: You got that right. And I want to thank you and Dante for helping me destroy PaniK, Linky.

Lincoln: (Smiles Warmly) You're welcome, Kazika.

Dante Dalmatian then came back to us, and suddenly, Kazika Kaziyama wrapped her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Kazika Kaziyama's face, they kissed passionately as Kazika Kaziyama's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Wynn the Wind Charmer flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces behind them and light breezes blowing behind them and we cheered wildly. Lincoln and Kazika Kaziyama came back to us, as the display and Wynn the Wind Charmer vanished.

Nico: Whoo, now that's what I call one awesome three-against-one undead-themed battle, and we're rid of PaniK for good.

Lincoln: Thanks, Nico, and what we saw from Dante Dalmatian, he really caused a lot of havoc on PaniK using his own deck against him.

Dante Dalmatian: Either way, at least, I'm finally rid of PaniK for good, and he's never coming back.

Nico: You said it. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Nico, hmm. Ooh, now here's a good one, how about a fusion Gene-Slammer for Red-Eyes Zombie Dragon, Malevolent Mech - Goku En, Paladin of the Cursed Dragon, Gernia, Patrician of Darkness, Royal Keeper, Pyramid Turtle, Master Kyonshee, Spirit Reaper, Getsu Fuhma, Ryu Kokki, Regenerating Mummy, Des Lacooda, Marionette Mite, Plague Wolf, and Zombie Master.

We gasped, including Natasha Hernandez, the Red Eyes Zombie Dragon Gene-Slammer.

Nico: Whoa, a fusion Gene-Slammer for Red-Eyes Zombie Dragon, Malevolent Mech - Goku En, Paladin of the Cursed Dragon, Gernia, Patrician of Darkness, Royal Keeper, Pyramid Turtle, Master Kyonshee, Spirit Reaper, Getsu Fuhma, Ryu Kokki, Regenerating Mummy, Des Lacooda, Marionette Mite, Plague Wolf, and Zombie Master?! (Smirks) Now, this we really got to see.

Me: We met two of them: Rosa Laurence, the 7 Alchemy Beasts Gene-Slammer and Anita Harper, the Gene-Slammer for The Fortune Ladies and Fortune Fairies.

Nico: Yeah, that's right. So, tomorrow, this should really be a good one.

Me: But first this.

We put the three ghosts in the Fenton Thermos.

Carly Atlas: It's off to our prison for you three.

Arbormon: Don't worry. You won't be punished too badly.

We put them in a capsule and beamed it to the M.O.E. Prison.

Tri Klops: And now, we know that the revival machine works.

Me: Yep.

New Wave: So, what do we do with it?

Electropede: Do we bring it with us?

Me: Yep. We put it in our laboratory.

Nico: Good call. Great job today everyone. This was an awesome adventure.

Me: Yes it was.

Casper: Yep. (To the viewers) Don't be jerks like my uncles. Or else.

Me: You got that right.

We later went back home and then enjoyed the rest of the day and went to sleep.

It's going to be a tasty one! And we're going to battle Another Ultimate Four Arms! And we're going to meet a girl that has all the powers of all the Elemental HERO Neos Monsters! Her name is Camille Dace. She is a girl that was given a few days left to live because of a fatal disease and the scientists used a very dangerously risky procedure to cure her: By curing her with infusing the powerful life energy and healing powers of the Elemental HERO Neos Fusion Monsters. As a result she had all the powers of the Elemental HERO Neos monsters and is a very formidable and powerful fighter and warrior. She is Nico's friend from History and Cooking Class and makes all sorts of awesome and delicious foods from all over the world. The match-up scene is for Erica Mizasama, Gene-Slammer of Eria the Water Charmer, and she and Lincoln are going to destroy Ghirahim, and since D.J. Dalmatian's also the one who destroyed Ghirahim last year, he's also joining in the fight as well, and he's also going to explode with rage and transform when he sees him again. For Lincoln's rescue tomorrow, Lincoln and his group are heading down to Čachtice Castle in Čachtice, Slovakia, the home of 16th Century Hungarian Countess Elizabeth Bathory, and where she killed over 600 young girls in order to bathe in their blood, and where she was sentenced to life imprisonment until she eventually died in 1614. And we're in for one spooky surprise: we're going to meet a Gene-Slammer for Red-Eyes Zombie Dragon, Malevolent Mech - Goku En, Paladin of the Cursed Dragon, Gernia, Patrician of Darkness, Royal Keeper, Pyramid Turtle, Master Kyonshee, Spirit Reaper, Getsu Fuhma, Ryu Kokki, Regenerating Mummy, Des Lacooda, Marionette Mite, Plague Wolf, and Zombie Master named Emily Báthory, she's Lincoln's Guardian Angel from Hungary and friend in Science Class, and also good friends with The Young Mortician's Club, but she's also a very powerful Goth Girl and a very powerful Vampire who was born with immense power over the forces of darkness, The Dark Arts, Necromancy, Satanic Black Magic, The Undead, and Blood Magic, and here's something that's bound to be a surprise and shock for all of us: she's the blood descendant of Countess Elizabeth Báthory, the 16th Century Hungarian countess turned serial killer who murdered over 600 young virgins to bathe in their blood, but, Emily is not like her ancestor at all. Emily Báthory hated Lori with a burning passion, but, there is one person whom she despises: one person who's deserving of her hatred: her eldest sister, Evelin Báthory, and unlike Emily, Evelin's just like Elizabeth Báthory in every way, because long before Emily moved to Michigan from Hungary, she had to stop Evelin who's been kidnapping young girls in Hungary to bathe in their blood and slake her sadistic bloodlust and remain young forever. Emily stopped Evelin's bloody games and rescued more girls that Evelin had kidnapped, but Evelin fled, and she swore that she would one day have her revenge on Emily, but she's not the only one who hated Evelin: Adriana Ardelean Dracula, the descendant of Vlad Tepes Dracula, also harbored a burning hatred for Evelin Báthory, and has tried many times to kill her, but Evelin has escaped. Well, now that blood hatred is about to end here and now in Čachtice Castle. Get ready for a really scary adventure as we go to the kingdom of Malaria and we're going to help Igor and his friends from the 2008 movie and we're going to take down the so-called mayor and destroy his weather machine and bring the kingdom back into the light.

See you all tomorrow

Qin: I have a feeling it will be a good one.

Xenia: Same here.

Nico: Yeah me too.

Taylor: As long as we get to kick some butt I'm okay with it.

Me: Awesome.

Nico: Thanks for coming with me, Taylor.

Taylor: No problem Nico. Anything to help out with you guys and have some fun.

Momo: You always have fun with all of us.

Camie: You sure do.

Taylor: Nico, before you say anything, I'm sorry for picking on you guys during the 20 Days of Darkness Bullshit.

Nico: I understand but no that's what we were going to say.

Me: We wanted to ask if you are doing much better now that your mother is back and Pablo and Anderson are being made laughingstocks in our humiliations.

Taylor: Oh. Well yeah those fuckwads had it coming. But yes I'm really happy with everything you guys did for me.

Sunset Shimmer: At least your life is getting back together after I saved you from yourself.

Camie: What do you mean Sunset?

Me: Taylor has a very dark past. It was horrible.

Camie: What happened?

Me: Well it was a nightmare.

I told her everythnig that happened and it was absolute hell for Taylor.

When I was finished everyone was shocked and horrified!

Me: Yeah it was bad.

Nico: Yeah.

Camie: That is awful! Taylor we're so sorry that happened to you!

Eli: No kidding!

Taylor: And to make matters worse, I just had to join Pablo and Anderson in picking on you guys during the 20 Days of Darkness.

Me: It's alright Taylor. But I did break Anderson's arm and smashed out his eye.

FLASHBACK - CHAPTER 1320

We were getting ready for school.

Nico: Been a while since we went to school.

Me: I know. We have been so busy.

Laney: Yeah.

Lola: [annoyed] "Where's Lincoln? We're going to miss the bus."

Lisa: "It is precisely 7:31 AM, which mean Lincoln will misplace his backpack in three, two…"

Lincoln: [looking for his backpack] "Where did I put my backpack?" [finds it] "Never mind, Cliff was napping on it."

Lisa: "Followed by a hasty breakfast."

Rita: "Lincoln! Your burrito and OJ!"

Lincoln: "Give me a second!"

Lisa: "I suggest you move three steps to your right."

[Lana moves three steps to her right, Lincoln runs off with his burrito and OJ, Cliff tries to get into his backpack, but he can't, his OJ and burrito fall but he catches it]

Lincoln: "Yes!"

Lisa: "I suggest you don't get too attached to that burrito."

Lynn: [steals Lincoln's burrito] "Yoink!"

Lincoln: "Wha-? Hey!"

Lynn: "Ha-ha! Snooze, you lose, Stinkin'!"

I swiped the burrito back.

Lynn: HEY!

Me: That's Lincoln's not yours Lynn.

I gave it back to him.

Lisa: "Like clockwork."

Lola: "Lynn, what are you doing?"

Lynn: "Track just started, baby. I'll be getting my sprint on to school for the rest of the season. See you chumps later."

[As Lynn runs off, the bus arrives, and the Louds board the bus.]

Lincoln: "Lookin' good, Ernie! Love the new beaded seat."

[Ernie gives him a thumbs up. He goes to greet his friends]

We got on.

Me: Hey guys. Been a while.

Stella: Sure has. Morning, Lincoln.

Rusty: "What's up?"

Lincoln: "Hey, everybody! Finally Friday, am I right? Or Or should I say, Fri-yay? This girl knows what I'm talking about!"

Girl: [chuckles] "I do! I do know what he's talking about!"

Clyde: "Oh, Lincoln! I always love your early morning shtick!"

[A spring comes loose, sending Lincoln's backpack flying. He catches it]

Me: Oh man!

Nico: This bus needs new seats.

Laney: Yeah I'm trying to get the school board to know about that.

Lincoln: "That's okay. I guess I'll just sit in the back to-yay."

Clyde: "Uh-oh! The sequel!"

[Lincoln sits at the back of the bus and prepares to sip his OJ, when he's suddenly approached by three bullies.]

Anderson: "Um, what do you think you're doing, sixth-grader?"

Lincoln: "Having a little pulp-free OJ. Or should I say, O-yay?"

Clyde: "Oh yeah! Hit 'em with that trilogy!"

Me: (In my head) Uh oh looks like the fucking douchebag bullies rolled in to town.

Taylor: "Ugh, no. He meant why are you sitting in our seat?" [jabs Lincoln]

Lincoln: "Oh, uh, I didn't think this was taken."

Anderson: "Let me explain something to you, little man. See this line? Eighth-graders in the back and babies in the front! Wah-wah-wah!"

Pablo: "Yeah! Wah-wah-wah!"

Taylor: "Dude, he just said that."

[The bullies drop Lincoln]

Laney: HEY! Leave him alone you jerks!

Lincoln: "Well, no problems here. I'll just, uh, get out of your way." [The bus bumps, causing Lincoln to spill his OJ on Anderson] "Whoops, sorry! Let me get that for you!" [rubs the stain] "Hmm, was it clockwise scrubbing or counterclockwise?" [keeps rubbing the stain, but makes it worse. Anderson growls]

Clyde: "Never scrub, always dab!"

Stella: "Lincoln, use this stain-removing pen!" [throws the pen and hits Anderson, leaving a red stain and enraging him more] "Oops, I guess that was a marker."

Zach: "Soak up some of the OJ with the bread from my sandwich!" [throws the sandwich, but it spills on Anderson]

Liam: "Don't worry, Lincoln! Help is on the way!" [throws cow pie on all three bullies, enraging them] "Oh, family secret. Cow manure can get out anything, even the frown on a tipped-over cow!" [lathers the stain with cow pie] "Oh, it was horse manure for stains, cow manure for shingles."

[Anderson grabs Liam, and all of Lincoln's friends cringe.]

Just as he was about to punch him I grabbed his wrist!

Me: How about you pick on someone your own size you fucking asshole!?

I crushed his wrist with my strength and broke it and he screamed in pain and dropped Liam.

Me: Who the hell do you three think you are!?

Nico: Yeah! It was an accident!

Anderson: I don't care! They ruined my shirt and hurt my friends! They will die!

Me: No YOU are the ones who will die! You tried to hurt my friends and that will cost you big time!

Anderson: Then you will die first!

He punched at me and I ducked and punched him in the face and smashed his eye out! He screamed in pain as blood was pouring out of his face and he crashed into the wall of the back of the bus. He was screaming in excruciating pain.

Me: (To Pablo and Taylor) You two better learn from this. (Holds up dagger) Or your fingers will be first.

Nico: Yeah what he said!

My dagger blade shined in the sun as it showed how sharp it was.

They quivered in fear and then they peed their pants.

Lola snagged a photo of it.

Lola: Wait till these get posted on social media!

I smirked deviously.

We later arrived at the school and I took the eighth graders to the principal's office and Laney told the Principal everything and showed footage of the whole incident. The three bullies were expelled and taken to prison. FUCKING LOSERS. Anderson was hospitalized with a damaged eye and a broken wrist and he and his friends were both charged with bullying, attempted 1st degree assault and battery and menacing. They were sentenced to 10 months in Juvenile Detention for their crimes.

FLASHBACK ENDS

Camie: WHOA! Way to sock it to them J.D.!

Misty Tredwell: Wow! You destroyed Anderson's eye! That was

awesome!

Carly Atlas: And nice threat by threatening to chop their fingers off.

Laney: Yeah that was great.

Xenia: It sure was!

Me: Thanks.

Taylor: Those assholes had it coming. But also I found out that someone got my evil father sent to prison and I don't know who.

Me: We'll find out soon.

Nico: Now we know that Casper's dad wasn't crazy.

Me: No he wasn't! His dad's machine machine worked perfectly!

Camie: So in a way we showed he was sane and cleared his name.

Tsuyu: And they had the gall to call him a lunatic when he clearly wasn't.

Me: Lisa did the same thing from what I remember. She cleared a woman that was not crazy and made one of the first ever computers. (Season 27 Episode 8)

Eli: That is really cool!

Qin: Boy it sure is.

Taylor: Yeah I agree there. That is awesome.

Lisa Loud: Indeed. It was one of the first ever computational devices ever created which is very impressive.

Lincoln: It sure is.

Nico: Now we know that Casper's dad wasn't crazy.

Me: No he wasn't! His dad's machine machine worked perfectly!

Camie: So in a way we showed he was sane and cleared his name.

Tsuyu: And they had the gall to call him a lunatic when he clearly wasn't.

Me: Lisa did the same thing from what I remember. She cleared a woman that was not crazy and made one of the first ever computers. (Season 27 Episode 8)

Eli: That is really cool!

Qin: Boy it sure is.

Taylor: Yeah I agree there. That is awesome.

Lisa Loud: Indeed. It was one of the first ever computational devices ever created which is very impressive.

Lincoln: It sure is.

Nico: I think the people that threw Casper's dad in the looney bin were corrupt.

Me: Hmm. That might be the case. Either that or they just were that stupid.

Qin: Yeah that could be it.

Xenia: It's possible.

Nico: Yeah you're right.

Camie: But either way we cleared his name.

Brynja: (Icelandic Accent) We sure did and that is all that counts.

Taylor: And we proved that his dad's machine works perfectly.

Me: Yeah.

Maria: Too bad he's already dead.

Nico: Yeah. But nonetheless we still cleared him.

Maria: We sure did.

Hailey Helios: I agree there too.

Xenia: That's true.

Qin: Yeah I agree too.

Maria: I feel really bad for Casper too.

Carly Atlas: Me too. He died from Pneumonia and then his father was forcefully committed into a nuthouse.

May: Here we are!

We saw that we were at the planet and it was a brown and golden brown planet that looked like a mountain planet.

Qin: Wow! Beautiful.

Brynja: It's amazing seeing planet like this from up here.

Carly Atlas: It sure is.

We went down to the planet and then we landed and saw that it was a world MADE ENTIRELY OUT OF ROASTED AND BAKED CHICKENS! There were piles and piles and piles of them as far as the eyes could see!

Qin: WHOA! A World of Roasted Chickens!

Camie: OH WOW!

Me: (DROOLS)

Nico: CHICKEN!

Nico dove into the piles of chickens and ate so many of them! He was eating them faster than any of us! He turned 300 of them into piles of bones in seconds and he was stuffed instantly.

Me: MAN! He was hungry!

Camie: Wow! No kidding!

I ate one and man was it delicious!

Nico then released a massive monstrous belch! He was bloated!

Nico: (Satisfied) AHH! Stuffed!

Maria: Full already?!

Nico: I ate 300 chickens and I am bloated.

Me: You're not eating for the rest of the day mister.

We laughed!

Camie: (LAUGHS) That is for sure!

Xenia: Yeah!

Twilight Sparkle: But wow! This is amazing!

Varie: Boy it sure is!

Nico burped loudly.

Nico: WHOA! Excuse me.

Qin: Boy you are full.

Xenia: No kidding there.

Laney: Man this is amazing. There are more roasted chickens than everyone on Earth.

Lana: I'll say! (Eats a chicken) But they are really tasty!

Nico: I'll be fine. Just need to wait until I'm not full anymore.

Me: That's not going to be for a while. But the rest of us are hungry.

Maria was eating a chicken.

Maria: (Eating) Man! These are awesome chickens though.

Me: Thank goodness Ginger and her friends and all the chicken villains aren't with us here. They would REALLY freak at this one.

Xenia: That they would.

Cheetor: Boy no kidding there! But these are some really big and awesome chickens though!

Lily: They sure are Cheetor!

Me: I wonder if there are any planets for Thanksgiving foods.

Laney: Now THAT would be awesome.

Camie: Can you imagine if there was a planet for Black Friday Shopping?

Nico: Oh man! Don't get me started on that! It would be bargain-mania!

Maria: I don't even think a planet for shopping even exists!

Me: Well we've seen a bunch of planets made of food so a shopping planet is a massive and incredibly huge possibility.

Eli: He's right on that.

Nico: Yeah.

Qin: Besides we've only explored a tiny fraction of the universe.

Xenia: So it's highly possible.

Cheetor: I agree there.

Maria: Good points.

May ate a chicken.

May: (Eating) But it's good food though.

Eli: (Eating) I'll say! (Senses something) Uh oh. Powerful Another Alien presence coming!

Me: What is it?

Eli: It's coming at us. 5 klicks to the east.

We saw a black figure coming and it came out and it was a BLACK VERSION OF ULTIMATE FOUR ARMS!

Nico: Whoa!

Me: Another Ultimate Fuur Arms!

Nico: A strong one!

Another Ultimate Four Arms: (In a girls voice) Looks like I get to test my strength out.

Me: Bianca Cammenwerner! Wow!

Nico: You know her?

Me: Yep. She's a workout warrior and she also is very strong. She REALLY whipped me into shape. She's like a tougher version of Jillian Michaels.

Eli: Wow! That is tough and cool!

Me: Yep.

Albedo turned into Negative Ultimate Four Arms.

Negative Ultimate Four Arms: Did Swartz promise you anything?

Another Ultimate Four Arms: Just to be a great workout master.

Me: You already are a great workout warrior yourself. But did you whip Swartz into shape?

Another Ultimate Four Arms :(LAUGHS) Yes I whipped him into shape all right. I worked him out so hard until his muscles turned into hard rubber and he was in a lot of pain.

Nico: Nice.

Rainbow Dash: Ooh I like her!

Me: Yeah she is tough and brutal. Bianca is what I call a female Arnold Schwarzenegger. Minus the tough accent and the big muscles. But all attitude in the gym.

Another Ultimate Four Arms: Ain't it the truth.

Me: Yep. Sorry we have to fight like this. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Kaito: (Gets out Bioman gear): Swartz learned the hard way about making a strong Another Omnitrix Alien.

Zocks: (laughs and gets out Dynaman gear):Ain't that the truth!

Me: (LAUGHS) Yeah. Especially if that Another Omnitrix Alien is also a workout warrior like Bianca.

Nico: That's for sure.

Kaito got a Bio Sword and Zocks got Dyna Sword!

Another Ultimate Four Arms: Lets see how strong you are J.D.

Me: All right.

I popped out 6 extra arms and then went at her and punched and pulverized her all over the place with incredible force!

Xenia: WHOA! That was awesome!

Sougo: (gets out Zi O II Ridewatch) You want a workout?

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz: (gets out Geiz Revive Ridewatch) We'll give you a workout!

Sougo became Zi O II while Geiz became Geiz Revive Goretsu.

I knocked her down.

Nico: Nice! (Imitating Arnold Schwarzenegger) I hope you're ready because I'm going to pump (CLAP) You up!

Eli: Oh yeah!

Nico: (Activate's Juggernaut's Ridewatch) Feel the brawn!

He went at Another Ultimate Four Arms and smashed her down with a powerful ramming attack!

Nico: (takes out Yost Rhino's ridewatch) But that's not all!

He charged and smashed down Another Ultimate Four Arms!

Nico: YEAH!

Cheetor: This is gonna be awesome. Cheetor, MAXIMIZE!

He transformed!

And blasted Another Ultimate Four Arms all over the place.

Nico: Oh yeah!

Qin: Take this!

She fired waves of fire and blasted her down.

Taylor: My turn! (Activates Manta Bayarsh's Ridewatch)

She fired a massive blast of energy and it hit Another Ultimate Four Arms and separated her from Bianca! She was a girl that had blue hair and blue work out clothes and had a very powerful and strong physique!

Nico: WHOA!

Me: Nice one Taylor!

Bianca Cammenwerner: Wow! I'm back to normal! But I feel Ultimate Four Arms power!

Nico: WHOA! I didn't expect that!

Me: Me neither! That was awesome Taylor!

Bianca came back to us.

Bianca Cammenwerner: Wow! J.D. you are amazingly strong.

Me: I learned so much.

Nico: But we still have the separate form to deal with.

?: Let me handle that!

A figure came out and it was a girl with rainbow hair and rainbow clothes and she had rainbow angel wings and had a rainbow kanji for Rainbow in the middle of her forehead. It was Camille Dace!

Qin: Camille Dace!

Camille Dace: (Latvian Accent) It's good to see you again Qin and you too Nico.

Danica Metrois: Looks like you're one like me.

Camille Dace: I sure am Danica. I got this. (EYES TURN ORANGE FOR FLARE NEOS) FIRESTORM NEO BLAST!

She fired a massive blast of fire and it hit Another Ultimate Four Arms and incinerated it and I caught the ridewatch and purified it.

Me: Wow! That was easy!

Maria: Yeah it was!

Camille Dace: Yeah but it's awesome to see you again guys.

Nico: Same here.

Taylor: What's your favorite memory of Nico?

Camille Dace: I have a lot of them. But my favorite is when me and Nico were in cooking class and we made an awesome dish for the Prime Minister of France. We made the hardest dish ever for him: Choucroute Garnie à l'Alsacienne (Alsatian Braised Sauerkraut With Mixed Meats and Sausages).

Me: Wow! Very exquisite.

Nicole: Yeah. You would love learning under my sister Mary. She is a great chef too.

Camille Dace: I sure would. (Sees Taylor) Wait a second. Taylor? Is that you?

Taylor: How do you know me?

Camille Dace: Because Taylor, you were just 5 years old when I put your evil father into the chamber of death.

We gasped!

Taylor: It was you? You arrested my dad?

Camille Dace: That's right Taylor. I brought him to the gas chamber.

Nico: Whoa.

Taylor then went and hugged Camille and cried hard!

Taylor: (CRYING HARD) Thank you Camille! Thank you!

Me: Looks like Taylor has a guardian angel too.

Qin: She sure does.

Nico: I really missed you Camille.

Camille Dace: I missed you too Nico.

Qin: But lets bring some chickens home for everyone.

Me: Good idea.

We did so and man did everyone love them.

* * *

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, The Dynasty Warriors, The Samurai Warriors, TLPS Ms. Tarantula, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, and The Bakugan Battle Brawlers are heading to Čachtice Castle in Čachtice, Slovakia, and not only is Lincoln going to rescue the three girls here, but we got word from Adriana Ardelean Dracula an enemy of hers has returned.

Lincoln: Oh man, we're here in Čachtice, Slovakia, it's been years since we've last been here, and I know what we're going to do here, not only am I going to rescue the three girls here, but we're heading to Čachtice Castle, and we got word that an enemy of Adriana Ardelean Dracula's past has returned.

Adriana Ardelean Dracula: (Romanian Accent) Evelin Báthory, one vampire who's escaped me one too many times.

Me: Oh man, I never knew you had a nasty history with her, Adriana.

Nico: Same here, this is something we need to hear before we head in.

Adriana Ardelean Dracula: (Romanian Accent) Of course. It's no surprise that we're here in Čachtice Castle, and that this is the home of Elizabeth Bathory, the 16th Century Hungarian Countess and the serial killer who killed over 600 young girls to bathe in her blood, but she was eventually arrested for her crimes and was sentenced to life imprisonment in her own castle until she died in 1614. But, she had two descendants: one of them is Emily Báthory, she's Lincoln's Guardian Angel from Hungary and friend in Science Class, and is also good friends with The Young Mortician's Club, but she's also a very powerful Goth Girl and a very powerful Vampire who was born with immense power over the forces of darkness, The Dark Arts, Necromancy, Satanic Black Magic, The Undead, and Blood Magic, but she's not like her ancestor.

Me: That's good.

Adriana Ardelean Dracula: (Romanian Accent) But, Emily's older sister, Evelin Báthory, is indeed just like Elizabeth Báthory in every way, and Emily despises her completely. Long before Emily moved to Michigan from Hungary, she and I teamed up to stop Evelin who's been kidnapping and killing young girls in Hungary to bathe in their blood and slake her sadistic bloodlust and remain young forever. We stopped Evelin's bloody games and rescued more girls that Evelin had kidnapped, but Evelin fled, and she swore that she would one day have her revenge on Emily.

We gasped.

Nico: Jeez, so Emily's the black sheep of Elizabeth Báthory's legacy, while Evelin Báthory has really taken on the same role as her ancestor.

Lincoln: Yeah, I remembered Emily telling me of what she and Adriana did in stopping Evelin, so that means if Evelin's here, we'll run into Emily very soon. But, as you saw, Emily's not the only one who really despises Evelin: Adriana also harbored a burning hatred for Evelin Báthory, and has tried many times to kill her, but Evelin has escaped. Well, that blood hatred is about to end here and now.

Emerald Sustrai: Yeah. Plus, this castle's really creepy.

Lucy Loud: And we can still hear the cries of the spirits. Evelin has brought back the same pain and misery that her ancestor's inflicted on her victims over 400 years ago, and until Evelin is finally gone for good, the dead will never be able to rest in peace.

Lincoln: That's exactly what we're going to do here and now, Lucy.

?: HEEEEELLLLP!

Suddenly, Lincoln heard the sound of three girls screaming for help, along with the sound of sadistic laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the three girls, but they've been cornered by Evelin Báthory, and she's going to kill them, along with drinking and bathing in their blood.

Lincoln: (Gasps) Let's get over there at once, guys, I found the three girls, but they've been cornered by Evelin Báthory, and she's going to kill them, along with drinking and bathing in their blood.

?: (Girl's voice) (Hungarian Accent) I've just about had it with my bloodthirsty sister for the last time.

Suddenly, we saw the Duel Monsters, Red-Eyes Zombie Dragon, Malevolent Mech - Goku En, Paladin of the Cursed Dragon, Gernia, Patrician of Darkness, Royal Keeper, Pyramid Turtle, Master Kyonshee, Spirit Reaper, Getsu Fuhma, Ryu Kokki, Regenerating Mummy, Des Lacooda, Marionette Mite, Plague Wolf, and Zombie Master, appear before us.

Nico: Holy crap, that's Red-Eyes Zombie Dragon, Malevolent Mech - Goku En, Paladin of the Cursed Dragon, Gernia, Patrician of Darkness, Royal Keeper, Pyramid Turtle, Master Kyonshee, Spirit Reaper, Getsu Fuhma, Ryu Kokki, Regenerating Mummy, Des Lacooda, Marionette Mite, Plague Wolf, and Zombie Master, but there was only one voice coming from all of them.

Lincoln: Yep, and I'd recognize that Hungarian accent from anywhere, I knew we'd run into you here, Emily Báthory, but we'll talk later, let's put an end to your bloodthirsty sister once and for all.

We rushed over, and right before Evelin Báthory could claim her next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Evelin Báthory, and that allows the three girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Evelin Báthory, and when she saw us, especially

Adriana Ardelean Dracula and Emily Báthory, she was mondo pissed off.

Evelin Báthory: (Hungarian Accent) Adriana Ardelean Dracula and my stupid sister, I should've known you bitches would show up here, and now, I'm going to kill you both, along with Team Loud Phoenix Storm, and I will bathe in your blood!

Lincoln: That's never happening, Evelin, your bloody games are ending here and now!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A

Then, Lincoln turned into black mist, and then, he reappeared right behind Evelin and he put her into a bear hug so she couldn't escape, and as he sank his fangs into her neck, he began drinking every last drop of her blood and he absorbed her body into his body and he also assimilated her powers. Then, as soon as Lincoln was done absorbing the evil vampire into his body, an energy card with the soul of Evelin Bathory inside it appeared in Lincoln's large left hand, and when the Judgement Kanji appeared on her forehead, she was then erased by The Black Gates forever. We cheered wildly as we holster our weapons and powered down.

Adriana Ardelean Dracula: (Romanian Accent) Good riddance for good, Evelin Bathory, and this time, you're never coming back.

Lincoln: That's a definite, Adriana. (To Emily Báthory) And it's so good to see you again, Emily Báthory.

Emily Báthory reverted back to normal, and she was a beautiful girl with long flowing midnight black hair, blood red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings as she reigned in the powers of Red-Eyes Zombie Dragon, Malevolent Mech - Goku En, Paladin of the Cursed Dragon, Gernia, Patrician of Darkness, Royal Keeper, Pyramid Turtle, Master Kyonshee, Spirit Reaper, Getsu Fuhma, Ryu

Emily Báthory: (Hungarian Accent) You too, Lincoln, it's been a long time, and it's also good to see you again, Adriana.

Adriana Ardelean Dracula: (Romanian Accent) You too, Emily.

Lincoln went up to Emily Báthory and he hugged her, and Emily Báthory is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Emily Báthory: (Hungarian Accent) Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new, and you can land an airplane on that more wider and more muscular back, squash a melon with those quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, so that's…?

Lincoln: Yep, Nico, this is Emily Báthory, she's my Guardian Angel from Hungary and friend in Science Class, and she's also good friends with The Young Mortician's Club. She's also a very powerful Goth Girl and a very powerful Vampire who was born with immense power over the forces of darkness, The Dark Arts, Necromancy, Satanic Black Magic, The Undead, and Blood Magic, and as we guessed: she's the blood descendant of Countess Elizabeth Báthory, the 16th Century Hungarian countess and serial killer who murdered over 600 young virgins to bathe in their blood, but, Emily is not like her ancestor at all. Emily Báthory hated Lori with a burning passion, but, there is one person whom she despises, one person who's deserving of her hatred: her eldest sister, Evelin Báthory, who we saw, is just like Elizabeth Báthory in every way.

Nico: Yep, we guessed it. But, it's also awesome that Emily has immense power over the forces of darkness, The Dark Arts, Necromancy, Satanic Black Magic, The Undead, and Blood Magic, and she also knew you're a vampire-werewolf hybrid.

Lincoln: Yep.

Nicole: She and Brittney got along great, and Emily knew a lot of Satanic Black Magic spells, along with Blood Magic, Necromancy, and The Dark Arts.

Lincoln: The kind of power that The Church of Necrom stole and used for destruction, but Emily uses it for good, just like with Fira

Han and her siblings, and as Adriana pointed out, Emily hates Lori for an incident that happened with me long ago.

Nico: And this is something we're going to hear.

Emily Báthory: (Hungarian Accent) Trust me, you're going to love hearing this tale. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood, so that way, you can also gain the same powers as me.

We gasped at her request, including Lincoln.

Lincoln: Emily, are you absolutely sure?

Emily Báthory: (Hungarian Accent) (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky.

Lincoln looked into her eyes and he saw that Emily Báthory is serious, and he smiled as he walks over to her, and as he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we all saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he gained the very same powers as her. He slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Emily Báthory's neck with blood red gems on the gold lightning bolts and blood red crystals links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around her neck.

Emily Báthory: (Hungarian Accent) (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of harem and my many future wives, Emily.

Emily Báthory had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Emily Báthory's waist and she wrapped her arms around

Lincoln's thick muscular neck, and he leaned down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the three girls, and when Lincoln saw them, he recognized them immediately. The three girls are Hijiri Mizuki, Shoki, and Watase Nanako from Outburst Dreamer Boys.

Lincoln: Oh wow, it's Hijiri Mizuki, Shoki, and Watase Nanako from Outburst Dreamer Boys.

Nicole: Awesome.

Lincoln: Are you girls okay?

Hijiri Mizuki: Yes, we're okay, thanks to you.

Then, when Hijiri Mizuki and the other two girls saw who it was that saved them from Evelin Báthory, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-

He had his massive Hinon's Cosmic Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip, his Eater of Sins revolver and Elemental Universal Thunderbird hand-cannon Blaster holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation and embedded Stone of Gelel on the back of his massive left hand, large weighted gold bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive indestructible white angel wings with stars and orange and aurora-colored tips on the large white feathers and eleven massive and long powerful white werewolf tails, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them which were glowing neon orange and they also had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts on the coattails held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large royal blue pants with multicolored lightning bolts on the thighs, and large gold-armored boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and gold armor on the toe area, silver Buffalo head stud earrings with the Thunderbird carved on it and the Element and Eternity Kanjis on the heads, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird carved on it and the Element and Eternity Kanjis on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had nine large multi-colored orbs orbiting around his legs and circling around his feet on the floor are eight golden crosses with angelic runes.

Hijiri Mizuki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made two clones of himself, and he and his two clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Hijiri Mizuki: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hijiri Mizuki, Shoki, and Watase Nanako with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and they were shocked when they found out the villain we went after was Evelin Báthory, the pure evil descendant of Elizabeth Báthory.

But, when Lincoln showed what we did in pulverizing her, along with Adriana Ardelean Dracula and Emily Báthory, the only descendant who's not like Elizabeth Báthory, did in getting some payback on her, and Lincoln ultimately feeding on her and absorbing her into his body and finally sending her evil soul to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Emily Báthory have a lot of catching up to do, now that she's back in town, and we finally freed the spirits of the victims of Elizabeth Báthory and Evelin Báthory from their torment.

Maria: Oh man, I really wish I could've joined in the thrashing of Evelin Báthory.

Nico: Sorry you didn't the chance, Maria.

Lincoln: But, you'll be happy to know we've made sure that Evelin Báthory will never rise from the dead to kill again.

Eli: She was just like her evil ancestor.

Nico: You got that right, and we know how many young girls Elizabeth Báthory had killed during the late 16th and early 17th Centuries.

Lincoln: Killing over 600 young girls in order to bathe in their blood, this constitutes real vampirism, and she's without a doubt one of the earliest and most prolific serial killers in history.

Me: You got that right.

* * *

After our battle in Čachtice Castle and finally got rid of Evelin Báthory for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Emily Báthory saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Emily Báthory: (Hungarian Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever. He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Emily, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Emily Báthory: (Hungarian Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten.

Nico: You got that right. So, Emily, what's the story on why you hated Lori with a burning passion and you said it was from an incident from long ago.

Emily Báthory: (Hungarian Accent) That's something that I've never forgotten. One day, Lincoln and I were outside at Lake Huron, and Lincoln made a cloud of darkness to protect me from the sun's rays, and before any of you ask, I don't have any of the weaknesses of the vampires, just that I don't get a tan like anyone else, I get a nasty sunburn. But, our day was ruined when we heard the loud screech of Lori bellowing from the distance, and when we saw her clear as day, her eyes were red with hatred and insanity, and she had the nerve to blame Lincoln for breaking her phone when she showed us the cracked screen and that he was in her room, and he said he wasn't even in her room at the time, but the bitch was literally insane, and even worse, she got out a knife to stab us with it, and right in front of everyone there. Lincoln and I weren't having it, so we had no choice but to knock some sense into Lori by firing blasts of darkness at her, and I also raised an army of skeletons to really scare Lori bad, and that enabled Lincoln to tie her up in dark energy ropes. We got back home and we told Mr. and Mrs. Loud of what Lori tried to do to us, and that set Luna off who tried to attack her, but we held her off as we went to Lisa's room, and found out that Lynn smacked into Lori's dresser and that caused Lori's phone to drop to the floor and the screen cracked. Luna wanted to attack Lynn for that, but we saw it was an accident and Lynn meant no harm, so she got grounded for two days, but Lori wasn't, she got grounded for five weeks and her allowance was used to get a new phone.

We cheered wildly.

Nico: Looks like Lori made a big mistake messing with you guys that day.

Lincoln: And like Emily said, what Lynn did earlier was an accident, but Luna, knowing Lynn and Lori's previous attempts of trying to kill me, wasn't having any of it. But, we reassured Luna that Lynn was apologetic and she said that it was an accident, and that Lori was already grounded for what she tried to do.

Lily: Which wasn't an easy task, since she never tolerated Lori, Lynn, Lola, Lisa, and Luan's attempts to kill Lincoln, so we had to keep a closer eye on her.

Nico: She is Lincoln's appointed Guardian, and it's her job to protect him, especially from Lori, Lynn, Lola, Lisa, and Luan.

Me: Yep.

We got a shower afterwards, and then, Lincoln and his harem are heading to the mall to get the kids and themselves costumes for Halloween.

Lincoln: Clyde and the others already did their Halloween shopping, now it's our turn.

Masane Amaha: You said it, Linky, this is going to be so awesome.

Lincoln and his harem got started by heading to the costume section, and they got the costumes for themselves and the kids, and they paid for the costumes and came back home. When we saw what they purchased, we were stunned.

Nico: Wow, you guys look like you cleaned out the whole store.

Lincoln: Had to get ourselves ready for Halloween that's coming up. Kids, can you come down here?

Lincoln's kids arrived just in time.

Thunder Sparkle: Hey, Dad. What's in the bags?

Lincoln: We got you guys your Halloween costumes. Here, go ahead and try them on.

Lincoln's kids went upstairs to change into their Halloween costumes, and when they came back right back down, we saw what they were dressed as.

Eli: But those are amazing costumes.

The kids changed out of their Halloween costumes and were back in their original outfits.

---

We arrived at the Gotham Royal York Royal Art Museum.

Esmeralda: Here we are at the Art Museum.

Me: Yep. And this is a really awesome high class art museum.

We went in and the art it had was awesome and amazing

Rarity: Oh my! The artwork is absolutely divine.

Nico: It sure is. These are artworks done by the great masters.

Me: This one is my favorite. Vincent Van Gogh's Starry Night.

Sweetie Belle: I like that one too. It's magnificent.

Eli: It sure is.

Nunnally: That's one of my favorites too.

Kablamica Warrior: (to the mascots) (Minnesota Accent) Please be on your best behavior. We don't want you causing a scene doncha know.

Poromon: Don't worry we will be good.

Poliwag: That's right.

We walked around and saw the Great Mona Lisa.

Me: The Mona Lisa. Made by Leonardo Da Vinci.

Bobby: Beautiful painting.

Me: It sure is.

Nico: Yeah and a big treasure to the world.

Eli: Yep.

We then saw a beautiful painting that was for the Charge of The Light Brigade.

Me: This is one of my favorites here.

Hunter: (German Accent) Ah the Charge of The Light Brigade.

Me: A failed attack during the Crimean War back in 1854.

We then saw a painting of a massive sea battle.

Me: The Four Days Battle. From June 1st thru 4th, 1666 during the Second Anglo-Dutch War the Dutch Navy defeated the English Fleet and took 2,000 of their men prisoner.

Nico: Yep.

Eli: Wow!

Qin: That was intense!

Camie: Yeah. I didn't know this happened back then.

Lola: Me neither.

Varie: Amazing.

Dirt Boss: (to the mascots) Okay, this is the part where you guys start some mischief.

Poromon: No way Dirt Boss. We're being good in here. This is an art museum and everything is priceless.

Poliwag: No way are we doing anything bad in here.

Horsea: Yeah. Even we have limits.

Manaphy: Besides we don't want to hurt anything.

Dirt Boss: Good call there guys.

We then saw a painting for the Hundred Years War.

Me: The Hundred Years War. One of the biggest wars in our history. For 116 years from 1337 to 1453 that war was to decide who would get the Throne of France.

Joan of Arc: And I should know because I was in that war all those years ago.

Marinette: She's right on that. The Hundred Years War was intense back then.

Poromon: Seriously, how misbehaved do you think we are?

Highbrow: Do I need to remind you that you, Poliwag, and Pinkie participated in Buzz's party?

Poromon: Noted but we respect the art museums.

Highbrow: Good.

We saw another painting.

Me: This is one of my favorites. The Attack on Osowiec Fortress.

Nico: Wow! I remember this one being used in some of our techniques.

Me: Yep. Also known as the Attack of The Dead Men. On August 6th, 1915 the German Forces bombed Osowiec Fortress with Chemical Bombs filled with Chlorine Gas and destroyed much of the Russian Army. That very battle brought us into the age of Chemical Weapons.

Qin: Wow!

Xenia: Incredible.

Rarity: What a scary time back then.

Me: Yeah it sure was.

We got lots of inspiration for Rarity and more.

We later went back home.

---

We arrived back home.

Clown Man: Nico, what teams have you made this time?

Nico: Lily's group will consist of Nightshade, Sly Cooper, Bentley, Murray, and Inspector Fox. Lynn's group will include Nightscream, Penelope, Guru, Panda King, and Dimitri LouSteau.

Murray: AW YEAH! The Murray is going to smash some skulls in with a team!

Bentley: This will be awesome!

Sly Cooper: It sure is.

Jessica Cooper: I have a feeling this will be so fun.

Qin: It sure will.

Penelope: You got that right guys!

Guru: (Speaking in Aborigine)

Bentley: Guru said that he is looking forward to doing this with us.

Panda King: (Chinese Accent) And it will most be a great honor for us.

Dimitri LouSteau: It sure will be fun!

Nico: Yep!

Then Whirlwind, Greiger, Batroc, Titania, Titanium Titan, Carly Atlas, Arbormon, Tri Klops, New Wave, Electropede, Yost Vulture, Sindbad, Phantom (Scooby Doo), Jellax, Goldar, Bui, Fracture, Evil Strike Man, Saleen, and Yost Electro Appeared.

Whirlwind: Can me, Greiger, Batroc, Titania, Titanium Titan, Carly Atlas, Arbormon, Tri Klops, New Wave, and Electropede go with you guys?

Yost Vulture: Me, Sindbad, Phantom (Scooby Doo), Jellax, Goldar, Bui, Fracture, Evil Strike Man, Saleen, and the Electro from my world will go too.

Nico: Yes you all can come with You guys will love this mission. We're going to go to the kingdom of Malaria and help out Igor. First we're going to watch the movie.

Carly Atlas: Awesome! I love Igor! He was cool!

Arbormon: I remember you guys meeting him on one of Lincoln's rescues and that was so cool.

Me: Yep. It sure was.

We got to watching the movie Igor from 2008.

---

The Kingdom of Malaria was once a peaceful land of farmers until its environment was devastated by a mysterious storm that never ended and killed all of its plantations, thus driving its inhabitants into poverty. In response to this calamity, Malaria's ruler King Malbert initiates a plan to save the country by having the kingdom's best and most wicked scientists create various doomsday devices and blackmail the rest of the world into paying them by threatening to unleash these devices upon the world. As a result, Malaria becomes a dark country where evil reigns supreme. There is also an annual Evil Science Fair that takes place in an arena known as the Kiliseum, where the inventions fight one another while being broadcast to the rest of the planet. Also, while evil scientistsare treated as celebrities, citizens with hunchbacks are treated as second-class, usually referred to by the derogatory name "Igor", and are often employed as lowly minions for these scientists.

One Igor, however, is a talented inventor and smarter than most of Malaria's scientists who aspires to be an evil scientist himself. Among his inventions are his friends Scamper, a re-animated, immortal and suicidal rabbit, and Brain, an unintelligent robot with a human brain transplanted into a life supportjar. Unfortunately, he must keep his talent a secret out of fear of being sent to the "Igor Recycling Plant", especially from his master, the incompetent Dr. Glickenstein. Meanwhile, another evil scientist named Dr. Schadenfreude becomes immensely popular due to winning several Evil Science Fairs in a row. In truth, he always steals the prize-winner from another scientist before the fair with help of his shape-shifting girlfriend, Jaclyn, and desires to overthrow King Malbert and rule Malaria as its new king.

One day, Glickenstein is visited by his "girlfriend" Heidi (who is actually Jaclyn in disguise attempting to steal his plans), giving Igor aspirations of romance. After throwing out Heidi, Glickenstein ignores Igor's concerns of using better parts for his latest invention, which is a rocket ship that malfunctions and explodes, taking Glickenstein with it. At this same moment, King Malbert arrives to see Glickenstein and demand that he builds an invention that could defeat Schadenfreude, who Malbert fears will replace him as king due to his popularity. Unable to tell the truth of Glickenstein's death and seizing the opportunity, Igor boldly claims that Glickenstein is creating life, which greatly pleases Malbert, who proclaims that such an invention would make its creator the greatest evil scientist of all time. After the king leaves, Igor reveals to Scamper and Brain his project to create a huge and monstrous being from human remains.

With Brain and Scamper's help, he assembles the giant, and adds an "evil bone" that will make it pure evil. It first seems his experiment failed but seconds later, the monster reveals to have come alive and later escapes. They later find the giantess in an orphanage playing with blind orphans. At the same time, Schadenfreude sneaks into Glickenstein's castle to steal his invention, but he not only discovers that Glickenstein is dead, but his Igor had created a living monster, which he believes will be his key to taking the throne.

Igor manages to lead the giant back to the castle with flowers that she likes. There, he discovers that the evil bone he gave her was not activated, making the monster sweet, friendly and gentle despite being hideous. Igor attempts to activate the evil bone by commanding the monster to kill a fly, but she instead catches it and sets it outside. Igor tries to convince the monster that she is evil but fails as the gentle giantess misinterpreted it as "Eva", thinking that's the name he gave her. Igor later attempts to brainwash Eva into becoming evil by bringing her to a brainwashing salon. Brain also decides to get his brain cleaned and to watch TV but breaks the remote to his TV, so he takes the remote from Eva's room and, in an attempt to change the channel, inadvertently changes the monster's

TV channel from a horror movie marathon to a talk show whose topic of the day is the history of acting. She ends up watching the talk show for several hours and upon leaving the salon, she can speak proper English and aspires to be an actress.

Igor then reluctantly takes his creation back to the castle in their car, bemoaning his failures. On the way back to the castle, Schadenfreude chases after Igor in an attempt to steal Eva by using a shrink ray, only to fail and end up shrinking himself. Igor and his friends nearly go over a cliff, but Eva saves them all, showing her appreciation of all life. Brain then brags on about how he changed the channel for Eva's TV, thus admitting that he made her what she is. Upon learning this, Igor attempts to kill Brain with an axe in anger for ruining his monster. When Eva questions this, Scamper sarcastically tells her they're practicing for a play and the monster believes that they're performers. Igor then gets the idea to exhibit Eva at the science fair while lying to her that the fair is an "Annie" audition with a few differences. While helping Eva with the "play", Igor slowly starts to fall for her, who tries to convince him that its always better to be good than evil, no matter how much more successful evil is.

Dr. Schadenfreude takes Igor to his home revealing he knows about Glickenstein's death and Eva, so he offers a compromise, if Igor gives him Eva to overthrow King Malbert he will make Igor Malaria's number one scientist, but Igor refuses forcing Schadenfreude to refute to blackmail. Igor narrowly escapes but is too late to stop Schadenfreude from exposing Igor to the King who sends him to the "Igor Recycling Plant". Schadenfreude tricks Eva into coming with him by having Jaclyn (again disguised as Heidi) pretend to kiss Igor.

At the fair, Schadenfreude manipulates Eva into striking him, activating her evil bone and turning her into a mindless killing machine. He unleashes the monster on the Science Fair where she destroys all the Evil Inventions whilst singing a rendition of "Tomorrow". Brain and Scamper help Igor escape from the plant and learn that Malbert had deliberately killed Malaria's crops with a weather ray that created the storm clouds so he could implement his "Evil Inventions" plan, thereby keeping himself in power. Rushing into the arena, Igor tries to reason with the enraged Eva while Brain and Scamper power down the weather ray. Eva roars furiously at Igor until the sunlight begins to shine once again on Malaria, which permanently deactivates her evil bone and returns her to her sweet and gentle self.

Igor exposes Malbert's lies to the public, telling them they do not need to be evil. The crowd boos at Malbert for his treachery before the damaged weather ray falls and crushes him to death. Dr. Schadenfreude attempts to take power, but Eva humiliates him. The monarchy has been dissolved and Malaria becomes a republic with Igor as the president. Schadenfreude is reduced to a pickle salesman and Jaclyn, who's revealed to be a female Igor, loses her shapeshifting ability and becomes a pretzel saleswoman (while starting a relationship with Schadenfreude's Igor) while the annual science fair becomes an annual musical theatre showcase. Igor reveals his plan to build a dog to Eva, with her remarking that they'll just adopt if it doesn't work out. Igor and Eva live happily together as Malaria becomes a better place.

---

When the movie was done we were amazed and laughing our heads off silly!

Nico: (LAUGHS) That was so funny how Eva danced to Annie's Tomorrow!

New Wave: Good song there!

Batroc: Ahh good song and that brings back lots of memories.

Nico: Yes it does.

Bad Juju: (Voodoo Accent) Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to meet one for some of the Paleozoic monsters next. I hope to meet ones for Paleozoic Dinomischus, Cambroraster, Marrella, Canadia, Olenoides, Anomalocaris, Leanchoilia, Pikaia, Hallucigenia, Opabinia and Eldonia.

Nicole: WOW! Those are all monsters based on Cambrian sea life!

Qin: Wow! Those are interesting.

Nico: They sure are.

Laney: Wow! I never even heard of some of those creatures.

Nicole: They are creatures that lived in the oceans back over 530 million years ago.

Qin: Wow!

Nico: And it's obvious that the next rescue will take place in Paleozoic World.

Xenia: Wow!

Me: Coincidentally, many of those are all Trap Card Monsters. They're trap cards that are also monsters.

Qin: COOL!

Xenia: Wow!

Nico: Yeah. So our target is King Malbert.

Me: Yep.

Camie: And he looks dangerous.

Me: Yeah he sure is.

I went over his history.

---

King Malbert is the main antagonist of the 2008 rendered 3D film, Igor, created by MGM.

He is the greedy, selfish, tyrannical and manipulative king of Malaria and Dr. Glickenstein's boss. He created a weather-control device to keep his own country in total darkness so that he can manipulate his people into becoming evil.

He was voiced by the famous talk show host Jay Leno, who also played the Nega Chin in The Fairly OddParents and Fast Tony in Ice Age 2: The Meltdown. In the video game adaptation of the film, he was voiced by David W. Collins.

The Kingdom of Malaria's environment is devastated by a mysterious storm. King Malbert then blackmails the rest of the world to pay the town not to unleash the various doomsday devices invented by its Evil Scientists. In turn, they are assisted by the hunchbacks, while Malaria's annual Evil Science Fair showcases the scientists' latest weapons. However, Igor (who serves the somewhat tedious-minded scientist named Dr. Glickenstein) is a talented inventor who aspires to be an Evil Scientist himself. Among his inventions are his friends named Scamper and Brain.

When the malfunctioning invention explodes and decimates Dr. Glickenstein, Igor sees his chance. With Brain and Scamper's help, he assembles a huge, monstrous being from human remains. However, when he brings her to life, he discovers that the "Evil Bone" he gave her was not activated, making her kind, sweet, gentle, friendly, thoughtful, demonstrative and feminine. Igor tries to convince her that she is extremely evil, violent and villainous, inadvertently naming her "Eva", while an attempt to brainwash her into becoming evil by bring her to a brainwashing salon where anybody hocked into a machine where your shown monster movies for a couple of hours. Brain also gets the same thing in order to watch TV, but has taken the remote for Eva's room and every time time he tries to change the channel on the television in Eva's room changes.

This turns the television onto the 1982 movie Annie, and when Eva gets out, she can now speak English and has a love for being an actress, so Igor takes her back to the castle to be destroyed in the car. On the way back to the castle, Dr. Schadenfreude and his vain girlfriend named Jaclyn try to steal Eva by using a shrink ray to shrink them all, but he instead get themselves struck. Igor decides to exhibit Eva at the science fair anyway, telling her that the fair is an "Annie" audition.

Igor's nemesis, Dr. Schadenfreude learns of Eva's existence and attempts to steal her, but when that fails, he exposes Igor to King

Malbert, who sends Igor to an "Igor Recycling Plant". Dr. Schadenfreude activates Eva's Evil Bone and unleashes her into the Science Fair, where she destroys all of the Evil Inventions. Scamper and Brain help Igor escape from the recycling plant and they learn that Malbert had deliberately killed Malaria's crops with a weather ray that made storm clouds so that he could implement his "Evil Inventions" plan, thereby keeping himself in power. Rushing into the arena, Igor reasons with Eva to deactivate her Evil Bone and allowing her to regain her extremely sweet and attractive personality, while Scamper and Brain deactivate the weather ray, which immediately falls and crushes Malbert to death.

Dr. Schadenfreude literally attempts to take power, but the citizens revolt upon learning of Malbert's deception. After that, Jaclyn then tries to become the guards new boyfriends, but sees that her voice is cracking, so because of this she tries to get another pill only to see that she is all out. After this, Jaclyn's voice continues to become more cracked, and eventually she transforms into Heidi. The monarchy has been dissolved and Malaria finally becomes a republic, with Igor as president. Dr. Schadenfreude is relegated to a pickle salesman, while the annual Science Fair is now an annual musical theater showcase, and Igor and Eva are planning on making a dog, or adopt one.

When I was done everyone was shocked!

Qin: WHOA MAN!

Xenia: Now King Malbert is definitely getting crowned!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than Ghirahim, and he's come back to get revenge on us for destroying him last year. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln,

Lynn, is someone else coming after us today?

Lincoln: You guessed it, Nico, and none of us are going to like this one bit: the dark energy signal we sensed belongs to Ghirahim, and he's come back to get revenge on us for destroying him last year.

We gasped in shock, including D.J. Dalmatian, since he was the one who destroyed Ghirahim last year.

D.J. Dalmatian: That heartless, good-for-nothing psycho, I should've known he wouldn't stay dead for much longer. If he's back for Round 2, I'm going to make his ears bleed!

Nico: Ooh, now that's what I'm talking about. Luna, you got a spare amplifier for D.J.?

Luna: You got it, dude.

Luna got out a really huge amplifier and got it right in front of D.J. Dalmatian.

Luna: Just plug this bad boy in, and this baby will really start some trouble for Ghirahim.

D.J. Dalmatian: Awesome.

Dylan Dalmatian: Oh my Dog, you're giving him that beast?! Think of all the windows that are going to be shattered if he plugs it in.

Lincoln: Relax, Dylan, I was the one who fixed it, so now, no windows are going to be shattered.

Nico: I've seen Lincoln do a lot of work with cars before, but fixing up music equipment is a first for him, so we'll hear how it sounds. Alright, gang, let's go, we're going to help Igor and his friends take down that so-called Mayor once and for all.

Lincoln: Along with destroying his weather machine and bring The Kingdom of Malaria back into the light, and once we get done with him, you're next, Ghirahim.

Greiger: Let's get going.

Sindbad: I hope what we see won't be too bad.

Me: Me too.

We were off.

---

We were flying over to the Kingdom of Malaria which was located in the Swiss Alps.

Nico: So Malaria is in Europe. Wow.

Nicole: Easy to find and easy to learn about.

Crankcase: Here we are!

We arrived in the Kingdom of Malaria and it was a scary and horrifying place and the storm clouds were scary as lightning struck all over the place and the forests were dark, creepy and scary.

THUNDERCLAP! THUNDERCLAP!

Qin: Whoa!

Laney: WOW! This is horrible!

Xenia: Man this is scary!

Me: But it's fitting for the Halloween season.

Nico: I agree there.

Phantom of Vasquez Castle: My kind of place!

Batroc: Let's not judge too quickly.

Me: Yeah. This place is a Cesspool of evil!

Qin: It sure is!

Me: And they want to make doomsday inventions do they?

Laney: Not on our watch!

Lana: It's creepy here.

Lola: Yeah!

Me: It's hard to imagine that King Malbert is behind all this. The people are going to really hate his guts even more. He is the reason why the whole kingdom became so dirt poor.

Nico: No shit there.

Qin: Yeah. We'll start a trade route with Malaria to make it better than ever and help it out.

Nico: Good idea Qin.

Lincoln: And I see that Malbert rebuilt his weather machine.

Me: Boy he sure did. I thought we made sure it was destroyed for good.

Lincoln: Same here.

Me: Well now we're going to make sure it's never rebuilt.

Nico: Yep. First lets find Igor. I'm sure he has a plan for all this.

Quasimodo: Thank goodness I'm not an Igor.

Me: No you will never be one Quasimodo. You are too good hearted for that.

Quasimodo smiled at me for that remark.

We went to the castle of Igor.

Totally Spies Alice: For the record, Igor is a name, not a title.

Me: I agree. But to Igor it IS his name. And I'm cool with that.

We walked through the scary forests as the storm raged.

Brittney: Boy this is my kind of place.

Qin: It is a gothic paradise. But this is a false paradise.

Brittney: True.

We got to the castle of Igor.

Me: Here it is.

We went in.

Nico: Wow. Scary place.

Me: Wow. Hello? Anyone here?

Igor then came down.

Igor: Hey guys!

Me: Hey Igor!

Igor came and we shook hands.

Igor: Thank goodness you all made it. I take it you saw that Malbert is back and he rebuilt the weather machine.

Me: We sure did.

Xenia: It's horrible that he wants to have the world submit to evil.

Me: Not while we're here.

Jellax: Where are the others?

Titania: Are they here?

Igor: Yes they are.

Eva, Scamper and Brain came.

Scamper: Hey guys!

Brain: Wow! Awesome you're all here!

Eva: Same here. Awesome having you all here.

Me: Awesome to see you guys again.

Scamper: Malbert is back.

Stealth Elf: Yeah we kinda got that.

Nico: We saw the Weather Machine Rebuilt and Malbert must've brainwashed the citizens again.

Laney: Yeah.

Igor: That's right. I'm not going to let him get away with this.

Me: We all won't.

My dark orb radar went off and then it showed that there was a Dark Orb inside the Weather Machine!

Me: There's a Dark Orb in the Weather Machine!

Nico: So that's what's powering it.

Me: Now I can test my theory on if the Black Gates will erase all the Dark Orbs in the Universe with just one Dark Orb.

Nitro Man: Now, let's not get too hasty. Maybe we should test that theory for when Xehanort shows up again. Which probably won't be until the end of next year.

Me: Nitro Man we haven't destroyed any Dark Orbs in a while. We're seriously slacking off on our biggest mission.

Nitro Man: You're right on that one.

Eli: Yeah. And besides we can't let Xehanort ever come back or have any other villain return.

Me: That's right.

Camie: Yeah. But what are the Dark Orbs?

Me: They are the Fragments of Xehanort's evil essence.

Qin: Yeah it's a long story.

Titanium Titan: But we're in agreement on one thing.

Goldar: The Dark Orb has to go.

Me: That's for sure.

Nico: And J.D. is right. We haven't been sticking to our biggest mission. So we need to get to that again.

Me: Right.

Nico: But lets focus on the matter at hand. Igor, we'll gladly help you take down Malbert and destroy his weather machine.

Eli: And the world leaders are going to have one helluva field day hearing about what he is doing.

Igor: And as President of Malaria, he overthrew me and took my position by force and demoted me to Igor again.

We were shocked!

Rubberband Man: Is he also letting in werewolves too?

Igor: No he doesn't have any werewolves. Just the horrible evil inventions that we built in the past to blackmail the world.

Me: The Doomsday invention enterprise is back in business.

Igor: That's right! He lied to everyone and was making the storm clouds to destroy our town.

Me: No way in hell are we going to let him do this again.

Nico: That's for sure. What kind of inventions did he have the evil scientists build?

Igor: Well there's a lot of them.

He showed us blueprints of them:

Robo-Teddy Bear: A black robotic teddy bear with blue eyes and glowing paws.

Plant Dragon: A plant-like dragon with a poisonous green breath.

Blob: A round green bouncy blob.

Electrowatt: A floating electric subject similar to a light bulb.

AMP: An electric worm.

Megawatt: A robotic pink masked subject that looks like a skull with six electric legs.

Robo-Griffin: A flying black robotic griffin with red eyes and propelled motors.

Me: Whoa!

Nico: Horrifying!

Qin: No kidding! But the AMP one looks like Plasma Eel.

Qin pulled out the Duel Monster Card for Plasma Eel and it looked 100% identical to it.

Nico: Wow! Very coincidentally perfect match.

Lisa Loud: I was just about to point that out.

Carly Atlas: No offense, Igor. But you're not really villain material.

Igor: What?! Of course I am!

Bui: Then, fall into a rage while looking at us.

Igor tried snarling while going into a homicidal rage but the looks on our faces showed that we weren't convinced.

Me: See?

Igor: Oh you're right. I am not a villain. I'm a hero.

Me: Yes you are and you saved this entire town from having to go through all this. You overthrew Malbert and exposed him to the world for what he really was: A liar and a maniacal tyrannical fiend.

Qin: That's true and you have a heart of gold and you helped Eva here achieve stardom.

Eva: He's right on that.

Scamper: That's right Igor. And you are a great friend too.

Qin: Yep.

Napalm Man: Wait. He still has to pass one more test. Trying to show negative emotions towards us.

Igor: Okay then. (clears throat) I hate you guys!

Our auras weren't flaring up.

Igor: I guess it takes some time to kick in.

Maria: Nope. They kick in immediately

Me: Yeah and you are full of good. So that doesn't effect us.

Qin: Yeah. Malbert's hatred is what will get us going.

Laney: Yep. And he will rue the day he messed with this village.

Camie: Yes he will.

Lana: Yep.

Igor: Can't you guys blast that entire machine down?

Me: No we have to have a plan. We can't let Malbert know we're here until after the entrance we do.

Igor: Okay.

Arbormon: We should start formulating a plan.

Igor: Way ahead of you. (to Scamper and Brain) Pull the switch!

Brain: I call pulling it!

Scamper: Not a chance, Brian!

Brain: My name's not-

Fracture: (groans) You BOTH can pull the switch!

They did so and they showed us a powerful bomb!

Me: Whoa! What is that?

Igor: This is the Sunlight Nova Bomb. We need to put this in the weather machine and then when it explodes it will destroy all the clouds the machine made and it will also destroy the brainwashing made by Malbert.

Me: Awesome!

Nico: You are a genius Igor!

Matoombo: How did you build this thing?!

Igor: It wasn't easy. I put in a bunch of explosives and mixed them in with Tritium and combined it with heliospheric properties.

Me: Wow! That is awesome!

Matoombo: It sure is! Dr. Octopus would be impressed!

Xenia: He most sure would!

Nathalie Sancoeur: Mayor Andre Bourgeois is a much better mayor.

Me: Yes he is.

Qin: But this is the Kingdom of Malaria and it has a king not a mayor.

Nathalie Sancoeur: Well he still needs to be overthrown.

Me: That's right.

Nico: Now the question is how are we going to this bomb into the weather machine without him noticing?

New Wave: Let's go to where the mayor is right now.

Saleen: Probably where the people here like to gather.

Igor: He's over in the colosseum showing off the inventions to everyone.

Nico: Then while everyone is there we'll use the cover of the shadows to sneak into the weather machine and plant the bomb.

Lincoln: Good idea.

Qin: This kingdom needs to get back into the light.

Xenia: That's right.

Nico: Okay guys, lets do it. J.D. don't detonate the bomb till I give the word.

Me: Yes sir.

Nico: Lets go.

We got the bomb ready and we were off.

Maria: By the way, Onewa, you and Shinnosuke get a chacne to shine today.

Onewa: Oh sweet!

Shinnosuke: Awesome!

Nico: Yeah!

We flew up to the Weather Machine and me and Eli put the bomb in the reactor.

Me: Okay this should be good.

Eli: Okay.

I pressed the button and it was armed.

Me: Armed and ready.

We went back to everyone.

We regrouped.

Me; Armed and ready boss.

Windsweeper: Entrance time!

Nico: Blow it.

Me: (Puts on Sunglasses) Time for this town to rise and shine.

I pressed the button on the remote.

BEEP!

Malbert: With these inventions…

KRABBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The entire weather machine exploded in a massive and incredibly bright flash of fire and light and blew the clouds away and the real sunlight shined in and then it purified the people and made them realize that they were duped! Then the spirits of the Animals of the Elemental Eclipse came and they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above the arena and a phoenix cry was heard and we came out!

Me: King Malbert of Malaria you are hereby dethroned!

Malbert: Team Loud Phoenix Storm!?

Nico: That's right you dark loving fiend! Your reign of terror is over!

Electropede: And just to be sure…

Yost Electro: Me and Electropede are sucking out the remaining electricity from the machine!

Malbert: NO! YOU RUINED EVERYTHING!

Qin: You bet we did! You plagued this town with darkness for far too long!

Camie: That's right! It was YOU that killed the crops and made this entire town dirt poor! You poisoned the people with lies and made them think that they need to be evil to live!

Me: But it doesn't work that way! Evil only leads to death! It's good that always makes you live on!

Igor: That's right Malbert! You tricked everyone! But you will not do so with us! Because Team Loud Phoenix Storm is here to save us!

Malbert was ENRAGED!

Malbert: YOU MONSTER FREAKS! I HATE YOU ALL!

Our auras flared up with incredible force!

Me: Now THAT'S more like it!

Shinnosuke: You're under arrest, Malbert!

Drive Type Formula! (Dramatic music, followed by a Formula One car passing by)

Shinnosuke: HENSHIN!

He transformed and he was in his DRIVE FORM!

Qin: OH YEAH!

Laney: Nice!

Malbert: (to Igor) YOU! THIS IS ALL YOUR FAULT! YOU, THAT WHORE, THAT RABBIT, AND THAT BULKY VENDER LOOKALIKE!

Brain: Bulky Vender?

Kairi: A Bulky Vender is a type of Heartless.

Me: No Malbert! This is all YOUR FAULT! You plunged this entire town into darkness and you made it dirt poor! You made everyone here miserable!

Xenia: YEAH! You are a monster Malbert!

Zhuqiaomon: And now you will pay for your crimes!

Then Chemistro, Bonz, Roxy Rocket, Nergal, Duff Killigan, Ebon, Anti Wanda, Raven Branwen, Rex Goodwin, Dr. Polaris, Black Knight of Merlin, Cyclops (Hercules), Cyborg Rangers, Owl (Stellaluna), Scooby Snax Monster, Ghost of Elias Kingston, Comrade Red, Bassoon Burns, Doc Duodenum, and Evil Aero Man.

Nico: Chemistro, Bonz, Roxy Rocket, Nergal, Duff Killigan, Ebon, Anti Wanda, Raven Branwen, Rex Goodwin, Dr. Polaris, Black Knight of Merlin, Cyclops (Hercules), Cyborg Rangers, Owl (Stellaluna), Scooby Snax Monster, Ghost of Elias Kingston, Comrade Red, Bassoon Burns, Doc Duodenum, and Evil Aero Man.

Me: Glad you guys can make it.

Bonz: We saw the explosion. Are you guys all right?

Me: We're just fine. Just had to clear up some bad weather.

Igor: You guys seriously don't think I'm evil material?

Chemistro: You're more good than evil.

Bonz: In fact, you'd fit more in the Redemption Squad.

Roxy Rocket: Because there's not a mean bone in your body.

Me: That's true Igor. You are fit for the Redemption Squad.

Igor: Thanks guys.

Nergal: (to Nico) We heard you went to another chicken planet.

Nico: We sure did.

Duff Killigan: (Scottish Accent) Did you keep any?

Me: Yep. It was actually a planet where everything was all whole roasted chickens.

Nergal: wow! Sounds like my kind of planet.

Me: Oh it is.

Then a roar was heard and then we saw Galza's personal transport zord the Darkness Megabeast Mecha Smog Jouki!

Nico: WHOA! Darkness Megabeast Mecha Smog Jouki!

Me: I remember that one all too well! That's Galza's personal transport zord, Darkness Megabeast Mecha Smog Jouki!

Yodonna came out.

Yodonna: Sorry, guys. But we weren't able to shrink Jouki down and give him an AI. I hope you still like the battle against him though!

Sylvia Exetor: No worries but it will still be fun.

Qin: Yes it will.

We got the battles underway.

---

Matau, Rainbow Dash, Scootaloo, Air Skylanders, Terrorsaur, Dino Squad, Clown Man and Frost Man VS Chemistro - Nico's rescue on a Roast Chicken Planet and man were they juicy and tasty!

Chemistro was first.

Chemistro: (to Matau) Nico's rescue was on a Roast Chicken Planet. And man, I bet they were juicy and tasty!

Matau: Oh it was and it was a really awesome and amazing planet!

Rainbow Dash: Boy it sure was! There were piles and piles of roasted chickens all over the place as far as the eye can see!

Scootaloo: Boy it sure was amazing!

Whirlwind: Yeah we all thought it was really cool!

Terrorsaur: It was a really amazing planet to see. And it was tasty too.

Max (Dino Squad): Yeah it was really cool!

Chemistro: Wow that is an awesome planet you guys saw. Lets do it!

Emily Báthory: (Hungarian Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever. He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Emily, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Emily Báthory: (Hungarian Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten.

Nico: You got that right. So, Emily, what's the story on why you hated Lori with a burning passion and you said it was from an incident from long ago.

Emily Báthory: (Hungarian Accent) That's something that I've never forgotten. One day, Lincoln and I were outside at Lake Huron, and Lincoln made a cloud of darkness to protect me from the sun's rays, and before any of you ask, I don't have any of the weaknesses of the vampires, just that I don't get a tan like anyone else, I get a nasty sunburn. But, our day was ruined when we heard the loud screech of Lori bellowing from the distance, and when we saw her clear as day, her eyes were red with hatred and insanity, and she had the nerve to blame Lincoln for breaking her phone when she showed us the cracked screen and that he was in her room, and he said he wasn't even in her room at the time, but the bitch was literally insane, and even worse, she got out a knife to stab us with it, and right in front of everyone there. Lincoln and I weren't having it, so we had no choice but to knock some sense into Lori by firing blasts of darkness at her, and I also raised an army of skeletons to really scare Lori bad, and that enabled Lincoln to tie her up in dark energy ropes. We got back home and we told Mr. and Mrs. Loud of what Lori tried to do to us, and that set Luna off who tried to attack her, but we held her off as we went to Lisa's room, and found out that Lynn smacked into Lori's dresser and that caused Lori's phone to drop to the floor and the screen cracked. Luna wanted to attack Lynn for that, but we saw it was an accident and Lynn meant no harm, so she got grounded for two days, but Lori wasn't, she got grounded for five weeks and her allowance was used to get a new phone.

We cheered wildly.

Nico: Looks like Lori made a big mistake messing with you guys that day.

Lincoln: And like Emily said, what Lynn did earlier was an accident, but Luna, knowing Lynn and Lori's previous attempts of trying to kill me, wasn't having any of it. But, we reassured Luna that Lynn was apologetic and she said that it was an accident, and that Lori was already grounded for what she tried to do.

Lily: Which wasn't an easy task, since she never tolerated Lori, Lynn, Lola, Lisa, and Luan's attempts to kill Lincoln, so we had to keep a closer eye on her.

Nico: She is Lincoln's appointed Guardian, and it's her job to protect him, especially from Lori, Lynn, Lola, Lisa, and Luan.

Me: Yep.

D.J. Dalmatian: (Growls) And right on time is when we expect to hear that voice again. You can come out now, Ghirahim.

A figure came out, and it was none other than Ghirahim, and he's still furious at what D.J. Dalmatian did in destroying him last year.

Nico: Damn, after what you did in destroying him last year, you've really pissed him off, D.J.

Ghirahim: You fools have ruined everything, if you hadn't gotten in my way, I would've finally killed Link and his friends, and now, I will kill you all and have my revenge!

Erica Mizasama: That's never going to happen, and now, your days of causing havoc are about to end here and now.

Suddenly, Erica Mizasama's aqua blue eyes turned neon aqua blue and she was surrounded by an aqua blue energy aura with water, ocean waves, sea creatures, stars, and water angels, she unholstered her massive Eria the Water Charmer-themed greatsword from her back, and as she approached Ghirahim, she left aqua blue energy, water, ocean waves, sea creatures, stars, and water angels with every step.

Erica Mizasama: Ghirahim, I will never ever forgive you for the crimes that you committed against Link and his friends, you're nothing more than a monster and a dark shadow who's plagued Hyrule for the last time, and for that, you will pay for your crimes with your life.

Suddenly, Erica Mizasama was surrounded by a massive vortex of aqua blue energy with water and ocean waves and stars surrounding the vortex, there were sea creatures, water angels, and Eria the Water Charmer flying around the vortex, and in the vortex is an aqua blue phoenix. Then, as the vortex faded, Erica Mizasama emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Erica Mizasama grew from 6'5" to 7'4" in height, she has the body of a goddess, she has aqua blue highlights in the bangs of her long flowing dark blue hair, she has neon aqua blue eyes, and an aqua blue energy aura with water, ocean waves, sea creatures, stars, and water angels surrounding her, she has the Water Kanji in the hands of Eria the Water Charmer emblazoned on her forehead, she has on angel earrings with aqua blue gems for eyes and holding the Water and Eternity Kanjis in its hands, she also has Eria the Water Charmer with aqua blue gems for eyes and holding the Water and Eternity Kanjis in its hands for for the second pendant on the bottom of her aqua blue angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with aqua blue crystal links from her merged Crystal Necklace of the Buddha and aqua blue gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Erica Mizasama has on an aqua blue sleeveless blouse, sleeveless dark blue top, dark blue skirt, dark blue pants, aqua blue sneakers, and long sleeveless white trenchcoat with water, ocean waves, stars, sea creatures, and water angels on the coattails, and on the back is Eria the Water Charmer with water waves surrounding it. Suddenly, Erica Mizasama felt a sharp pain on her back, and then, her massive dark blue angel wings with aqua blue tips on the feathers and stars in them grew much bigger for her new body. Erica Mizasama has on a Ring of The Phoenix with aqua blue gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Erica Mizasama's massive Eria the Water Charmer-themed large greatsword and all of the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of aqua blue energy, water, ocean waves, sea creatures, and water angels, and when it emerged, it transformed into Eria the Water Charmer's Maelstrom Charmer Greatsword of Water Charmer Angel Love, it's a brand-new large greatsword with Eria the Water Charmer etched on the 7'0" massive, wide, double-edged dark blue blade, large aqua blue angel heads for the crossguard, large aqua blue gem embedded in the rainguard, longer midnight black handle, four large angel heads and a large aqua blue gem below the angel heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Eria the Water Charmer's head with dark blue gems for eyes and an aqua blue gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Erica Mizasama has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA MAELSTROM STAR WATER CHARMER ANGEL OF DIVINE MAELSTROM WATER CHARMER JUSTICE AND DIVINE MAELSTROM WATER CHARMER ANGEL LOVE!

We were amazed by Erica Mizasama's Super Angel Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Ghirahim saw it, he fell into a dark rage and ran at her to kill her, but Erica Mizasama fired a powerful aqua blue energy blast with stars, water, ocean waves, sea creatures, and water angels at Ghirahim and it exploded with incredible power and sent him flying into a wall, but he's not out yet, and he was now incredibly pissed off.

Nico: Wicked, Erica Mizasama's transformed.

D.J. Dalmatian: And now, it's my turn to transform, and I've had it with you to last an eternity, Ghirahim.

Suddenly, something within D.J. Dalmatian's mind snapped as memories of Ghirahim's crimes rushed through his head as his crimson red eyes turned neon crimson red and he was surrounded by a black and crimson red energy aura with crimson red fire, soundwaves, music notes, and Dalmatians, he unholsters his Defender of Camden Town sword from his back, and as he approached Ghirahim, he left black and crimson red energy, crimson red fire, soundwaves, music notes, and Dalmatians with every step.

D.J. Dalmatian: You're like a massive headache that just won't go away, Ghirahim, even after I kicked your butt. (Suddenly Getting Extremely Pissed Off) And I meant every word that I said about you last year, your crimes against Skyloft, along with your completely crazed desire to resurrect Demise by sacrificing Zelda has gone way too far, but to come back again even after I sent you to Oblivion for every last one of your crimes… , YOU'VE CROSSED ONE GODFORSAKEN LINE TOO MANY, GHIRAHIM, AND FOR THAT, I'M GOING TO KILL YOU ONCE AND FOR ALL, AND THIS TIME, YOU'RE NEVER EVER COMING BACK FROM THE DEAD!

Nico: Whoa!

Dolly Dalmatian: Oh man, D.J.'s now lost his cool, and he's really let his fury out.

Me: It's well-deserved for all the crimes that Ghirahim has committed, and now, he's about to get his eardrums shattered for life for this.

Eli: HIT THE DECK! HE'S GOING TO BLOW!

We also ran for cover, as D.J. Dalmatian screamed like a mad dog and let out a primal scream of rage. And then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of energy and he was surrounded by a massive vortex of black and crimson red energy with crimson red fire, soundwaves, and music notes surrounding the vortex, there's a Dalmatian running around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, D.J. Dalmatian emerged, but he was changed forever.

D.J. Dalmatian grew from 6'9" to 7'5" in height, he now has abnormally massive and powerful upper and lower body muscles and eight-pack abs, he has crimson red highlights in the bangs of his long midnight black hair going down to his neck, he has neon crimson red eyes and a black and crimson red fire, soundwaves, music notes, and Dalmatians surrounding him, he has a Dalmatian with the Sound Kanji in its paws emblazoned on his forehead, he has on Dalmatian earrings with crimson red gems for eyes and holding the Sound and Eternity Kanjis in its paws, he has on his Crystal Necklace of The Buddha with crimson red gems on the gold music notes and crimson red crystal links and a crimson red Dalmatian-shaped Element of Harmony and on the bottom of The

Element of Harmony is a Dalmatian with crimson red gems for eyes and holding the Sound and Eternity Kanjis in its paws for the pendant and he still has on his red choker with music record tag pendant around his neck, D.J. Dalmatian has on a black tank top with crimson red phoenix which showed off his eight-pack abs and pecs, long black jeans, black leather knee-high combat boots, and long black trenchcoat with music notes and soundwaves on the coattails and on the back is a Dalmatian surrounded by music notes and soundwaves on the back. Suddenly, D.J. Dalmatian felt a sharp pain on his now wider and more muscular back, and then, his massive midnight black angel wings with white tips on the black feathers grew larger for his new body, he has on a Ring of The Phoenix with crimson red gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Ring on his left ring finger.

Suddenly, D.J. Dalmatian's Defender of Camden Town sword and all of the other swords he'd gotten began merging together and they're surrounded by a kaleidoscope of black and crimson red energy with crimson red fire, soundwaves, music notes, and Dalmatians, and when it emerged, it was transformed into Musical Dalmatian's Musical Soundwave Greatsword of Musical Crimson Red Fire Justice, it's a brand-new large greatsword with a music note etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black dog heads for the crossguard, large crimson red gem embedded in the rainguard, longer midnight black handle, four large midnight black hound heads with crimson red gems for eyes and in the open mouths and on the bottom of the heads is a large crimson red gem for the pommel, he has on his new large gold cuff Bracelets of the Champions of The Universe with crimson red gems on his wrists, his new large gold Belt of Elemental Bravery with a large gold Dalmatian head with crimson red gems for eyes and a large crimson red gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. There's a crimson red kanji below the Dalmatian that said, "D.J. Dalmatian, Music Maestro of The Dalmatian Family, Brother of Ninety-Nine Siblings, Loving Son of Delilah and Doug Dalmatian, Hero of

Camden Town, Destroyer of Ghirahim, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Music, Crimson Red Fire, and Sound"

D.J. Dalmatian has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA CRIMSON RED FIRESTORM MUSICAL SOUNDWAVE DALMATIAN ANGEL OF DIVINE CRIMSON RED FIRESTORM MUSICAL JUSTICE AND DIVINE MUSICAL SOUNDWAVE HOPE!

We were amazed by D.J. Dalmatian's Super Angel Celestial Eternal Xelnaga transformation, but when Ghirahim saw it, he went crazy, but D.J. got out the amp Luna gave him and when he plugged in his keyboard and played, it unleashed a wave of powerful music which sent him flying, and D.J. also fires a powerful crimson red energy blast with crimson red fire, music notes, soundwaves, and Dalmatians at Ghirahim and it exploded with incredible power as it hit him, and he was mega pissed off.

PERSONA 5: STRIKERS OST - DAREDEVIL

Nico: Holy guacamole, D.J. Dalmatian's transformed!

Lincoln: Yep, and he looks like he's a true Angel of Musical Justice, and Erica, you look beautiful, how do you feel?

Erica Mizasama: (Divine Echoing Cosmic Voice of The Maelstrom Water Charmer Angel and Divine Maelstrom Water Charmer Love) **I feel incredible, Linky. Now, shall we administer unto this monster his rightful punishment?**

Lincoln: (Smiles) With pleasure, Erica.

D.J. Dalmatian: (Divine Echoing Cosmic Voice of The Crimson Red Firestorm Music Dalmatian and Divine Musical Soundwave Fire Hope) **Your days of causing havoc are done, Ghirahim, I hope you're ready to have your eardrums shattered forever!**

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Erica Mizasama, and D.J. Dalmatian also joined in.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of causing havoc and chaos in Hyrule are all over, Ghirahim, and now, it's time for you to die.

Erica Mizasama, Lincoln, and D.J. Dalmatian went after Ghirahim, and they fired extremely powerful blasts of rainbow energy, aqua blue energy, black and crimson red energy, soundwaves, music notes, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Dalmatians, and Mermaids at Ghirahim, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, and they also drew blood.

This was really pissing Ghirahim off as his true nature was finally let loose, but Erica Mizasama, Lincoln, and D.J. Dalmatian were just getting started, as D.J. Dalmatian fired two sound orbs, which were on both sides of his face and facing both of his ears, and they fired two loud soundwaves, which blew Ghirahim's eardrums out of his head, and his ears were bleeding badly, and he covered his ears. Suddenly, two beams of light descended and a hand-cannon Blaster appeared for Erica Mizasama, it was known as Eria the Water Charmer's Sea Maelstrom and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's aqua blue with ocean waves on the blaster with a Phoenix, Water Angel, and Eria the Water Charmer surrounded by water etched on the sides, and an aqua blue gem on the top of the blaster, and a hand-cannon Blaster appeared for D.J. Dalmatian, it was known as Crimson Red Music Firestorm Dalmatian and it's modelled after Mario's Lightning Shark Blaster, but it's crimson red with soundwaves on the blaster with a Phoenix, Angel, and Dalmatian surrounded by music notes etched on the side, and a crimson red gem on top of the blaster.

Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he, Erica Mizasama, and D.J. Dalmatian fired blasts of rainbow energy, aqua blue energy, black and crimson red energy, and elemental forces and when they hit Ghirahim, they exploded with incredible power as they hit him and he was killed. Then, as they holstered their hand-cannon Blasters, Ghirahim's spirit appeared and Erica Mizasama, Lincoln, and D.J. Dalmatian fired three black energy blasts with the Judgement Kanji and they hit Ghirahim and he was erased by The Black Gates after he was found guilty for his crimes by those he hurt. We cheered wildly for what Erica Mizasama, Lincoln, and D.J. Dalmatian did to Ghirahim as they holstered their massive greatswords on their backs and power down, and the new bodies, clothes, jewelry, weapons, and massive angel wings of Erica Mizasama and D.J. Dalmatian are permanent, and D.J. Dalmatian threw up the goats in victory.

D.J. Dalmatian: Good riddance forever, Ghirahim, and don't you dare come back!

Erica Mizasama: You got that right. And I want to thank you and D.J. for helping me destroy Ghirahim, Linky.

Lincoln: (Smiles Warmly) You're welcome, Erica.

D.J. Dalmatian then came back to us, and suddenly, Erica Mizasama wraps her arms around Lincoln's thick muscular neck, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Erica Mizasama's face, they kissed passionately as Erica Mizasama's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Eria the Water Charmer flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces behind them and ocean waves crashing behind them and we cheered wildly. Lincoln and Erica Mizasama came back to us, as the display and Eria the Water Charmer vanished.

Nico: Whoo, now that's what I call one awesome three-against-one musical battle, awesome job, guys.

Lincoln: Thanks, Nico, and D.J. really let that lunatic have it, and it was definitely a repeat of what he did to Ghirahim last year.

D.J. Dalmatian: Either way, I'm just glad that we're rid of Ghirahim for good.

Nico: You said it. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Nico, hmm. Ooh, now here's a good one, how about a Gene-Slammer for Rainbow Overdragon?

We gasped.

Nico: The powerful Duel Monster that's a result of the fusion of the Seven Crystal Beasts?! (Smirks) Now, that's a really powerful one.

Ebon: And so ends Malbert's reign.

Anti Wanda: You said it!

Raven Branwen: Now, we can make sure the remaining inventions are used for good.

Rex Goodwin: And a new king can be elected.

Dr. Polaris: But who can it be?

Me: Who else?

We looked at Igor.

Me: He was made the king and now he will return this village to what it was before Malbert.

Igor: That's right. Thank you guys. Thank you for saving all of us from a dark fate.

Me: It was our pleasure.

Nico: Malbert will be perfect for the Neptune Prison for Traitors.

Qin: Yep.

Igor: (To the viewers) If you want to be a scientist only do it for good and not evil.

Me: You got that right. Good advice.

Nico: Yep. But great job today everyone! WE saved Malaria and freed everyone from Malbert.

Eli: We sure did.

We went back home and enjoyed the rest of the day and went to sleep.

Another awesome chapter done.

Igor from 2008 is one of my favorites and it was so awesome and cool and amazing.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to The Old Bell Inn in Derby, England, where this historical inn has numerous ghost stories and tales from its 350-year history, and it's also the place where Mary Queen of Scots spent her last night before her execution in 1573. Now, Lincoln and his group are going to help the spirits of The Old Bell Inn rest in peace. And we're going to meet a Rainbow Overdragon and Seven Crystal Beasts Fusion Gene-Slammer named Serenity Lexington, she's Lincoln's Guardian Angel from New York and his classmate from Math. When she was eleven, she had only a few days left to live because of a fatal disease and the scientists used a very dangerously risky procedure to cure her: by curing her with infusing the powerful life energy and the healing powers of the Rainbow Overdragon and the Seven Crystal Beasts. Her risky procedure was a success, and as a result, she gains beautiful angel wings and the powers of the Rainbow Overdragon, along with the powers of the seven Crystal Beasts, and she'd become a very powerful and formidable fighter and warrior, and she hates Lisa with a burning passion, because it was revealed that Lisa, who was under the control of that evil, heartless, emotionless Dark Side of hers, was the one responsible for giving Serenity that incurable disease, but when Lincoln found out, he was really furious and when Serenity found out, she ferociously pummeled Lisa, and after he and Serenity told his parents of what Lisa did, Lisa got the stiffest punishment for her heartless deed that almost cost Serenity her life: she was grounded for twenty-eight weeks and had her sent to Aunt Ruth's where she had to eat moldy pudding and do Aunt Ruth's chores. Get ready for an awesome Halloween Adventure as we go and meet Hannah and the Scary Godmother and we're going to teach her bully cousin a lesson he will never forget. We're going to make that bully pay for everything he did.

See you all later.

Felicia Wittebane: Wow! So this is Paleozoic World!

Qin: Yep. This is one of our most amazing zoos we made here.

Me: We made this zoo for all the creatures from over the course of 710 million years. After Isla Nublar exploded due to a massive and huge Volcanic Eruption and sunk into the ocean.

Nico: We sure did.

Laney: Yeah that was intense.

Twilight Sparkle: It still is a really intense and awesome place.

Alexis Rhodes: It's always fun to come here though.

Vinyl Scratch: Yeah it sure is.

Nico: Thanks for coming with me, Alexis.

Alexis Rhodes: Anytime Nico. It'll be so awesome to help you guys out in this rescue even thought I'm always with you guys.

Me: But it's still cool though.

Xenia: It sure is.

Nico: Alexis, are you glad you and Jaden are married after all this time?

Alexis: We haven't been made officially wedded yet. But we will be. Me and Jaden have gotten engaged.

Nico: Oh. Well it will be official soon.

Qin: Yeah it sure will.

Xenia: And it will be awesome to see and look forward to.

Alexis: It sure will.

Me: Yeah.

Nico: (laughs) And to think Jaden didn't know what fiance means!

Alexis: (LAUGHS) That is funny.

Qin: Yeah.

Jaden: But it's cool. I do know what it means now.

Laney: Yep.

Me: I still am very happy for Jaden and Alexis too.

Nico: Same here.

Sunset Shimmer: We all are.

Nico: It's good to finally have Igor on the team.

Me: It sure is and Malaria is now a much better place without Malbert running it.

Qin: That's for sure.

Xenia: Boy he was really causing terror and fear in that place.

Me: And he was going to use evil inventions on the world if they didn't pay up.

Laney: Yeah no kidding! That is extortion on a grand scale.

Alexis: It sure is.

Nico: All the other evil inventions have been destroyed.

Me: Yeah and we rebuilt them and reprogramed them for good.

Qin: We sure did and we destroyed that weather control machine.

Xenia: And the best part is we destroyed another Dark Orb.

Camie: We sure did.

Laney: Good riddance.

Lana: Yeah.

Me: Yep. We need to do that again. We're slacking off on our biggest mission.

Nico: You're not kidding there.

Nico: Igor really is a nice guy.

Me: He sure is.

Lincoln: Yep. He is also a great inventor too. He made that awesome Solar Nova Bomb and he made awesome friends like Brain, Scamper and Eva.

Laney: He sure did. I think it's awesome too.

Lana: They sure are awesome.

Qin: Yep.

Alexis: Scamper and Brain are so funny too.

Aylene C.: Yeah they sure are funny.

Nico: Paleozoic world looks amazing as always.

Rarity: Oh it most always is darlings.

Xenia: Yeah.

Camie: I love coming here. It's always for so much fun and cool excitement.

Himiko: It sure is.

Nico: Almost like Jurassic World.

Me: Yep. Except with creatures that lived during the Paleozoic Era and Cenozoic Era too.

Camie: Yeah.

But then we saw 6 figures approaching.

Me: Uh oh. Vengeance Express 6 at 3:00.

Dark Sarah: "Ed! You give Jimmy his candy back!"

Dark Rolf: "You have made a mockery of Rolf's fungal festivity!"

Dark Jonny: [holding Plank in the air] "Plank's pressing charges, you bully!"

Dark Kevin: "Who's coughing up to fix my bike?"

Dark Rolf: "Rolf wants the doggy doo-doo suit Ed-boy!"

Dark Kevin: "And I get the has-been rock star."

Dark Jimmy: "Oh, I'm gonna give 'em such a pinch!"

Dark Nazz: "Dude, count me in!"

Me: Oh great! Not these six again! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju Armor!

Sougo: You guys aren't laying a finger on the Eds!

Armor Time! (Sword Form standby music) Sword Form! Den-O!

Geiz: (gets out Geiz Revive Ridewatch) We'll give you a workout!

GeizRevive Goretsu! (Flames burning)

Sougo got Den O Armor while Geiz became Geiz Revive Goretsu.

Nico: Time for some buttkicking!

Qin: And it's going to hurt!

Me: Now time to use comedy shenanigans! (Pulls out Wonder Ride Book) (Reads Verse) "While facing the 6 foes out for blood, the brave heroes all faced the Vengeance 6 and the 6 foes were all struck with phonograph records and they shattered upon hitting their heads."

Then six records hit them from out of nowhere and shattered and they really hurt!

SMASH SMASH SMASH SMASH SMASH SMASH!

OUCH! THAT'S GOING TO LEAVE A NASTY MARK!

Albedo turned into Negative Rath.

Negative Rath: LEMME TELL YOU SOMETHIN, VENGEANCE EXPRESS KIDS! NOBODY HURTS THE EDS WHILE RATH IS ON THE JOB!

Me: YEAH YOU TELL THEM!

Nico: YEAH!

Me: Especially when we can do this! (Reads another verse) "And then giant springs blasted out of the ground from underneath the 6 foes and sent them flying into the air."

BOING BOING BOING BOING BOING BOING!

Six huge springs sent them careening into the air and they hit the top of the dome and fell and then crashed onto the springs and got tangled up in them bad!

Qin: NICE!

Nico: OOH! Ouch!

Camie: Nice one!

Nico: (takes out Vengeance Express Kids' Ridewatch) Time for a dose of your own medicine!

Me: Along with this.

Nico activated the Ridewatch and threw a huge car at them and smashed it onto them! OUCH!

Me: (Reads Another Verse) "Then 6 ice cream carts rode in and drove up the walls and smashed onto the 6 foes."

6 Ice Cream Carts rode in and they did what I said.

SMASH SMASH SMASH SMASH SMASH SMASH!

OOOOH! THAT'S GOING TO NOT FEEL GOOD!

Xenia: WHOA MAN!

Me: The Vengeance Express 6 are in pain now they'll have to call you back.

We laughed hysterically!

Alexis: My turn!

She activated Femme Fatale's ridewatch and got a Female Gun and fired waves of energy and blasted them.

Me: NICE! Now for this one. (Reads Another verse) "And then a bunch of skunks came up to the 6 foes and sprayed them all over till they were drenched."

Skunks came and then…

SPRRAAAAAAAYYY!

LIGHTHOUSE FOGHORN!

Nico: WHO STEPPED ON A DUCK!?

Eli: OH GOD THAT STINKS!

Camie: YUCK!

Nico: Anyone got air fresheners?

I put some pine scented air fresheners on our noses.

Me: There.

Nico: That was funny.

Me: Yep. Watch this one. (Reads another Verse) "And then 6 Street Lights fell right on top of the 6 foes heads and electrocuted them inside."

CLANG CLANG CLANG CLANG CLANG CLANG!

ZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPP!

They got hit by 6 street lights and got electrocuted inside them.

Nico: OOH OUCH!

They came out burned and charred!

Me: Watch this. (Reads Another Verse) "And then a giant concrete drainage pipe tube rolled onto the 6 foes and crushed them."

A concrete drainage pipe then rolled onto them.

Nico: Ouch.

Maria: This is very funny!

Me: Yeah it is! Now watch this. (Reads another verse) "And then a semi-truck barreled towards the 6 foes and ran them over, turning them into roadkill!"

Nico: Uh oh.

HONK! HONK!

The Vengeance Express 6 saw it.

Vengeance Express 6: MOMMY!

KRASMASSSSH!

They were flattened like pancakes!

They got up and were really mangled up!

May: Was anyone driving that?

Me: I don't know.

Qin: Well we won't know.

Me: Now comes the silliest part. (Reads another verse) "Then the Foes got REALLY MANGLED UP as they got hit with six trees…"

CRASH CRASH CRASH CRASH CRASH CRASH!

Leni: Good morning trees!

Nico: OUCH!

Me: (Continues Reading) "followed by a huge sandbox with crashed onto them and buried them in sand…"

They got pails and shovels in their hands and then…

CRASH!

A huge sandbox fell onto them and buried them in sand.

Me: (Continues Reading) "Then a stampede of hippos appeared and trampled them…"

They felt the rumble and saw the hippos.

Vengeance Express 6: HIPPOS!

They really smashed them all over!

Me: (Continues Reading) "Then a little storm cloud appeared above them and struck them with lightning…"

THUNDERCLAP!

ZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPPPPP

They got hit by lightning and it hurt bad!

Me: (Continues Reading) "Then 6 houses fell onto them and smashed them into dust."

MEGA KRASMASH!

6 huge houses appeared above them and crashed onto the Vengeance Express 6.

All of us: OOOOH!

The Vengeance Express 6 got up and they were badly mangled, torn up and dizzy and disoriented from nasty concussions, bruises and broken bones! OUCH!

Maria: Now would be a good time for the next Gene Slammer to show up!

Nico: Yep!

?: YOU MEAN US!?

A wave of water rushed in and enveloped the Vengeance Express 6 and put them in a ball of water and in it was a bunch of Cambrian Creatures! They were Paleozoic Dinomischus, Cambroraster, Marrella, Canadia, Olenoides, Anomalocaris, Leanchoilia, Pikaia, Hallucigenia, Opabinia and Eldonia.

Nicole: Whoa! Paleozoic Dinomischus, Cambroraster, Marrella, Canadia, Olenoides, Anomalocaris, Leanchoilia, Pikaia, Hallucigenia, Opabinia and Eldonia.

Nico: Very fitting since we're here.

Paleozoic Dinomischus: (In a girls voice) We got this guys!

Nico: Whoa! The Paleozora Sisters!? Awesome!

They Vengeance Express 6 were mangled up by the girls and smashed all over and then knocked down.

The girls came out and reverted back and they all were girls with green hair in different styles and had Japanese School uniforms on.

Nico: Wow! Penelope, Pamela, Pima, Puma, Penny, Annie, Aylene, Aniya, Alexandria, Allia and Alice.

Penelope Paleozora: That was awesome!

Pamela Paleozora: It's awesome to see you again Nico and you too Qin.

Puma Paleozora: And same to you Dr. Knudson.

Nicole: You too girls.

Me: Dr. Knudson?

Nicole: The Paleozora sisters went to my class in science.

Nico: Wow!

Laney: I love all your matching School Uniforms and your hair colors too.

Annie Paleozora: Thanks Laney.

Alexis: What are your favorite memories of Nico?

Penelope Paleozora: Well we are paleontologists in training and we went to Dr. Nicole's classes on Paleontology. She taught us everything on digging up Dinosaur fossils. She took us to many of the biggest Dinosaur Graveyards in the world.

Puma Paleozora: We went all over. Badlands National Park, Tendaguru, The Gobi Desert, all over.

Alexandria Paleozora: And more. We dug up all sorts of great fossils.

Allia Paleozora: We had lots of good times. But our favorite was when Nico found a new dinosaur in his backyard. It was a Xenoceratops.

Me: A Ceratopsian from 82 million years ago.

Penelope Paleozora: That's right.

Nico: It was a huge find for us.

Alexis: That is so cool.

Nico hugged them.

Nico: I really missed you girls.

Paleozora Sisters: We missed you too Nico.

Me: But this was a goofy rescue.

Qin: Yep.

We later went back home.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, The Dynasty Warriors, The Samurai Warriors, TLPS Ms. Tarantula, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, The Bakugan Battle Brawlers, and Tea Gardner are heading to The Old Bell Inn in Derby, England, and not only is Lincoln going to rescue the ten girls here, but we're going to help the spirits of The Old Bell Inn rest in peace. But, we also got the word that Andross is back, and he still wants revenge on us.

Lincoln: Wow, we're here in Derby, England, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we're going to help the spirits of The Old Bell Inn rest in peace.

Charlotte Birmingham: (British Accent) Oh dear, of all the haunted places in England, The Old Bell Inn in Derby, England, is one of the most haunted places here.

All of Lincoln's Guardian Angels from England also agreed with her, along with the girls Nico knew from England, and the girls I knew from England also agreed.

Nico: This is no doubt one of the most notorious hotspots here in Derby.

Me: And it's also got some history as well.

Lincoln: Haunted history to be exact, and we also got word that Andross is back and he still wants revenge on us. But, we'll worry about him after our visit to The Old Bell Inn, and thanks for joining us, Tea.

Tea: You're welcome, Lincoln. So, what's the history behind The Old Bell Inn?

Chloe Nottingham: (British Accent) Oh, you're not going to like hearing about it. This historical inn has been around for 350 years, and during its long history, this inn has numerous ghost stories and tales, and employees and visitors have reported seeing the ghosts of the Inn's tormented past here.

Catherine Windsor: (British Accent) Plus, this is also the place where my ancestor, Mary Queen of Scots, spent her last night here as a prisoner before she was executed for treason in 1573.

Eli: So, we've basically come here to the very site where your ancestor spent her final night here before she was beheaded.

Catherine Windsor: (British Accent) That's right, Eli.

Lincoln: And it's also said Mary Queen of Scots has returned here, and still haunts the Old Bell Inn, so we're going to make sure she also rests in peace as well.

We entered the Old Bell Inn, and suddenly, Lincoln's Ghost Sense went off as we felt the presences of the spirits that've died here in The Old Bell Inn and still haunt this place.

Lincoln: Whoa, I'm already feeling the presences of the spirits that haunt The Old Bell Inn, and they really want to leave this place.

Nico: Then, let's help them leave The Old Bell Inn, and reunite with their loved ones.

We went outside and Lincoln took to the air, and we followed him. Then, he made a massive green magic circle with Celtic knots and Celtic symbols and runes on the ground which then surrounded The Old Bell Inn. Lincoln took out his Flute of Ogma, and he began to play a beautiful melody, and all of the spirits were allowed to leave the building and put into a Celtic knot magic circle to keep them all safe from harm, and Lincoln's melody continued to calm and soothe the land, and the spirits crossed over to The Afterlife, and after 350 years of hauntings, The Old Bell Inn has been exorcised for good and the magic circles disappeared.

Then, Catherine Windsor wrapped her arms around Lincoln's waist and hugged him: as a gesture of thanks for helping her ancestor cross over to The Afterlife.

Lincoln: We did it, we helped the spirits trapped in The Old Bell Inn rest in peace, but we're not done yet, there's still Andross we got to deal with.

Nico: Yeah, and this time, he's never coming back.

?: HEEEEELLLLP!

Suddenly, Lincoln heard the sound of ten girls screaming for help, along with the sound of sadistic laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the ten girls, but they've been cornered by Andross, and he's

going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the ten girls, but they've been cornered by Andross, and he's going to kill them.

?: (Girl's voice) That power-crazed terror of the Lylat System, let's get him.

Suddenly, we saw the Duel Monster, Rainbow Overdragon, appear before us.

Nico: Wow, that's Rainbow Overdragon, it's really beautiful.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Serenity Lexington, but we'll talk later, let's go put a stop to Andross for good.

We rushed over, and right before Andross could claim his next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Andross, and that allows the ten girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Andross, and when he saw us again, he was extremely pissed off.

Andross: You! You have ruined my plans to conquer the entire Lylat System, and now, I will have my revenge on you!

Lincoln: Forget it, Andross. We're ending your plans to conquer the Lylat System together with your life.

Then, Lincoln used Fox McCloud's Final Smash and he'd sent Andross into space, where the Star Fox squadron came in and fired on Andross, and the resulting explosion killed him and he was sent to The Black Gates when he was found guilty by all those he killed. We cheered wildly as we holstered our weapons and powered

down.

Nicole: Wow, Lincoln, that was so awesome that you used Fox and Falco's Final Smash on Andross.

Lincoln: I figured since we were facing Andross, it'd be perfect to use on him, and now, we'll never have to see him again. (To Serenity Lexington) And it's so good to see you again, Serenity Lexington.

Serenity Lexington reverted back to normal, and she was a beautiful girl with long flowing rainbow hair, pink eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful rainbow angel wings, and she was dressed in a sleeveless dark blue open blouse, sleeveless orange midriff top, purple bridal gloves, red bead necklaces, long yellow skirt with black designs on it, red pants, blue sneakers, and long white sleeveless trenchcoat with rainbows, lights, and crystals on the coattails and Rainbow Overdragon, Ruby Carbuncle, Amber Mammoth, Topaz Tiger, Emerald Tortoise, Cobalt Eagle, Sapphire Pegasus, and Amethyst Cat on the back and holstered on her back is a Rainbow Overdragon-themed large greatsword with Rainbow Overdragon etched on the 7'0" massive, wide, double-edged rainbow blade, large white dragon heads for the crossguard, large rainbow gem embedded in the rainguard, longer midnight black handle, four large white dragon heads and a large rainbow gem on the bottom of the large white dragon heads for the pommel.

Serenity Lexington: You too, Lincoln, it's been a long time.

Lincoln went up to Serenity Lexington and he hugged her, and Serenity Lexington is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, and as you can see, I really grew a lot since then.

Serenity Lexington: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new, and you can land an airplane on that more wider and more muscular back, squash a melon with those quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Me: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Serenity Lexington, she's my Guardian Angel from New York and my classmate in Math.

Nico: Wow, and she has the same rainbow hair and rainbow angel wings as Selene Emperyous, that's really cool.

Lincoln: It sure is, but there's a reason why: when she was eleven, she had only a few days to live due to coming into contact with a fatal disease.

We gasped.

Me: That's awful.

Lincoln: But, the scientists used a dangerously risky procedure to cure: they infused her the powerful life energy and the healing powers of Rainbow Overdragon, Ruby Carbuncle, Amber Mammoth, Topaz Tiger, Emerald Tortoise, Cobalt Eagle, Sapphire Pegasus, and Amethyst Cat. The procedure was a big success, and as a result, she gained massive and beautiful rainbow angel wings, rainbow hair, and the powers of Rainbow Overdragon, along with the powers of Ruby Carbuncle, Amber Mammoth, Topaz Tiger, Emerald Tortoise, Cobalt Eagle, Sapphire Pegasus, and Amethyst

Cat, and she'd become a very powerful and formidable fighter and warrior.

Nico: Just like what happened with Camille Dace, when she was infused with the powerful life energy and healing powers of the Elemental HERO Neos Fusion Monsters, that's so awesome.

Lincoln: Yep, but there's also something else, she hates Lisa with a burning passion.

We gasped.

Nico: Uh oh, and I've got a feeling none of us are going to like hearing it.

Serenity Lexington: You got that right. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood, so that way, you can also gain the same powers as me.

We gasped at her request, including Lincoln.

Lincoln: Serenity, are you absolutely sure?

Serenity Lexington: (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into her eyes and he saw that Serenity Lexington is serious, and he smiled as he walks over to her, and as he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we all saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he gained the very same powers as her. He slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Serenity Lexington's neck with rainbow gems on the gold lightning bolts and rainbow crystals links from her merged Crystal Necklace of The Buddha along with an Elemental

Thunderbird Choker of Eternal Love around her neck.

Serenity Lexington: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of harem and my many future wives, Serenity.

Serenity Lexington had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Serenity Lexington's waist and she wrapped her arms behind Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the ten girls, and when Lincoln saw them, he recognized them immediately. The ten girls are Akane Kikuchi, Shiori Saginomiya, Nozomu Tanaka, Kujou Hisui, Saku Momoi, Kanade Ninomae, Lily Someya, and Minami Yamamoto from Wasteful Days of High School Girls and Ashley and Penny from the Warioware series.

Lincoln: Oh wow, it's Akane Kikuchi, Shiori Saginomiya, Nozomu Tanaka, Kujou Hisui, Saku Momoi, Kanade Ninomae, Lily Someya, and Minami Yamamoto from Wasteful Days of High School Girls and Ashley and Penny from the Warioware series.

Nicole: Awesome.

Lincoln: Are you girls okay?

Akane Kikuchi: Yes, we're okay, thanks to you.

Then, when Akane Kikuchi and the nine other girls saw who it was that saved them from Andross, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Akane Kikuchi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made nine clones of himself, and he and his nine clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Akane Kikuchi: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akane Kikuchi, Shiori Saginomiya, Nozomu Tanaka, Kujou Hisui, Saku Momoi, Kanade Ninomae, Lily Someya, Minami Yamamoto, Ashley, and Penny with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and we told everyone of what we did in exorcising The Old Bell Inn and helping the spirits rest in peace, and they were shocked when they found out the villain we went after was Andross, who'd returned from the dead and he still wanted revenge on us.

But, when Lincoln showed what we did to that monster, along with Lincoln using Fox and Falco's Final Smash on him which sent him to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Serenity Lexington have a lot of catching up to do, now that she's back in town, and we're finally rid of Andross for good.

Maria: Oh man, I can't believe that Andross was back and in Derby, England. He just doesn't know when to quit, does he?

Lincoln: He obviously doesn't, but we made sure this was his last day alive.

Sherlock Hound: (British Accent) However, we also need to be aware that since Halloween's coming, this'll also mean the veil between our world and the next has become quite thin, which means that we'll be facing more villains that all of you have killed years ago.

Me: That's right. On Halloween, the veil between our world and the next will become thin, and that'll allow the spirits to come into our world again.

Nico: Along with the dead spirits of our old enemies, so Halloween is definitely the day to be on high alert.

---

After our exorcism in The Old Bell Inn in Derby, England and we finally got rid of Andross and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Serenity Lexington saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Serenity Lexington: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever. He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Serenity, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Serenity Lexington: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten.

Nico: You got that right. So, Serenity, what's the story on why you hate Lisa with a burning passion?

Serenity Lexington: I'll remember that story for all eternity. You already know from Lincoln that when I was eleven, I'd gotten a fatal disease and it left me with a few days to live and to cure me and save my life, the scientists did an energy transfusion by infusing me with the powerful life energy and the healing powers of the Rainbow Overdragon and the Seven Crystal Beasts. I had my suspicions that it wasn't natural, and I asked for Lincoln's help, we went through some clues, and then, I told him that I drank some sort of liquid that Lisa gave me. We then went upstairs and into her room, and we also played the footage, and we soon found out that Lisa developed a very fatal and incurable disease, and she saw me as a test subject, and we also found out she was also going to use it on Lincoln to kill him.

We gasped.

Nico: Oh my God. Lisa was the one who gave you that incurable disease!

Lincoln: She sure did, and when we finished looking at the footage, I was extremely furious at Lisa for what she did, but when Lisa saw that we saw the footage, she'd called Todd and her robots to kill us, but Serenity fired rainbow energy blasts and crystals at them, and they were scrapped, and then, she pounced on Lisa and ferociously pummeled her. After Serenity was done, we tied Lisa up and we called everyone over and when we showed the video footage of what Lisa did, they were extremely horrified, and I was so furious at Lisa, I wanted to pummel her for what she did, but Luna held me back and I was still furious and angry.

Luna: Yeah, I was holding him back with all my might, and I knew just how crazy strong the dude really is, but he was worn down and he just hugged me and I hugged him back, and when I felt tears, I knew Lisa went way too far.

Lori: She literally did, and after Linky and Serenity told Mom and Dad of what Lisa did, Lisa got the stiffest punishment for her heartless deed that almost cost Serenity her life: she was grounded for twenty-eight weeks and we had her sent to Aunt Ruth's where she had to nothing to eat but moldy pudding and do Aunt Ruth's chores, and Lincoln absolutely refused to even acknowledge Lisa during and even her punishment.

Me: Whoa.

Nico: And I don't blame him for being that pissed off at Lisa, what she did because of being under the control of her evil, heartless, emotionless Dark Side, that was evil times infinity, and it would've got her sent to the nuthouse in the federal prison system forever. So, did Lisa eventually earn Lincoln's forgiveness?

Lincoln: She did, but not without destroying her own laboratory in the process in a fit of depression and rage, and she also had cuts on her arms from the broken glass and her eyes were really red from crying a lot. That was really going too far for her, so I stopped her and after cleaning up the broken glass, I took her to the bathroom and got the cuts on her arms and had them wrapped in bandages. Then, when she said that I didn't deserve a sister like her and that she should've killed herself, that ultimately did it. I hugged her and she hugged me back and I forgave her, and when I told everyone of what Lisa did and why I found her like this, they also forgave her as well.

Luan: And after that incident, we'd signed her up for therapy in case she had any thoughts of suicide yet again, and the same with Lincoln because of the incidents with Lori, Lynn, Lola, Lisa, and I, and in a couple of weeks, they were better, and Serenity eventually forgave Lisa, after we showed her the footage of what happened, and she also knew of what Lincoln went through and that he had signs of anxiety and depression, because of us.

Nico: That's a good thing you did that, Luan. Still, that was a really dark moment Lisa went through, but you were there for her, Lincoln.

Lincoln: I snapped out of my anger after seeing that incident, but, we couldn't take back what had occurred on that day, we can just learn from that mistake and move on. But, those dark shadows of the past would finally be purged when we got rid of our Dark Sides forever.

Me: And you were the one who made it happen with that Dark Side Eternal Purification technique of yours, Linc.

Eli: Yeah.

We got a shower afterwards, and then, Lincoln, his harem, and his kids are heading to Toad's Midway Madness.

Pinkie Pie: Wow, what is this place?

Lincoln: This, Pinkie, is Toad's Midway Madness, an amusement park board hosted by Toad, and he built it because he loves amusement parks and wanted his friends to have fun in it. Here, Toads are everywhere, and are put in charge of the games and shops. Alright, let's have some fun.

Lincoln, his harem, and his kids got started by playing the many games in the park, along with going on rides, and they even went to the shops and got some souvenirs and they also had lunch, and the girls kissed Lincoln, and the kids cheered. Then, they came back home, and we were stunned at the bags they have.

Me: Whoa, that's a lot of stuff you have, where did you guys go?

Lincoln: We went to Toad's Midway Madness.

Nicole: Whoa, the amusement park that Toad runs, that's awesome, and you guys literally cleaned out the whole park.

Twilight Sparkle: (Snickers) We sure did, Nicole.

Nico: Dang. Next time, me and my harem are definitely heading there.

Me: Save some room for me and my harem, Nico.

---

Later we were walking through the middle of the city. With us were the Dino Fury Rangers and it was going to be exciting to have them along.

Nico: (to the Dino Fury Rangers) Thanks for coming, guys.

Zayto: You're welcome Nico. It's going to be awesome helping you all out.

Cornelia: It sure will be awesome.

Xenia: We're happy to have you guys help out.

Izzy: It's awesome too be with you all too.

We arrived at a haunted house.

Me: Whoa man.

Thunderblast: So, this is a haunted house?

Girl Jordan: Yeah it sure is. And this house is right across the street from my house.

We saw that she was right.

Xenia: Whoa scary.

Laney: Yeah. Gives me the creeps.

Camie: Me too.

Aqua: Does it belong to anyone?

Girl Jordan: I don't really remember.

Ed: "Stand back!" [He grabs Jimmy and Sarah] "Protect yourselves!" [Ed stuffs them under his shirt.] "Who knows what evil lurks behind the hallowed walls in the house of the haunted!" [Jimmy screams.]

Jonny: "It's the house of the mad logger who chops down trees and hacks them into coffee tables!" [Jimmy screams.]

Rolf: "Wait! This house is owned by the provoked opera singer, who lures little boys and girls with enchanted arias!"

[Jimmy screams]

Me: Wait I've seen this house before! It was home to one of the city's most notorious criminals. Legends say that the house was where he stashed a massive treasure full of jewels worth trillions of dollars. He lived in this home back in the 1850s.

Nico: Whoa!

Energon Scorponok: Was he ever caught?

Me: Not even close. He eluded capture the entire time and they never got him. His body was never found.

Xenia: Whoa!

Girl Jordan: That's intense.

Zayto: Maybe his treasure is in that house right now.

Me: Legends say it is.

Nico: We'll have to check it out on Halloween. It would be perfect.

Xenia: It sure will.

Camie: Nice!

Fortress Maximus: What do we do with the house in the meantime?

Nico: Save it for a Halloween Adventure.

Zayto: Good idea.

Me: Yep.

We later went back to the estate.

---

Back home we were getting ready for our next mission.

Nico: Now it's time for our next mission and you guys will like this one. We're going to meet Hannah and the Scary Godmother.

Brittney: Ooh! This will be awesome! Hannah is not afraid of anything. But her cousin Jimmy is always trying to scare her.

Laney: Yeah Hannah goes to our school. And her cousin is a really nasty jerk.

Mac: He is like how Terrance used to be.

Me: Well then we'll give him one of the most horrifyingly awesome scares we could ever muster.

Drag Strip: Boss, which teams have you made this time?

Nico: Luna's group will include Shou Ronpo, Billy Cranston, Kimberly Ann Hart, Trini Kwan, and Zach Taylor. Lucy's group will include Renee Ravenclaw, Rocky DeSantis, Adam Park, Kat Hilliard, and Tanya Sloan.

Luna: Rock on dudes!

Shou Ronpo: This is gonan be awesome!

Kimberly Ann Hart: It's going to be an awesome honor.

Zach Taylor: Yeah it is!

Lucy Loud: Wicked.

Renee Ravenclaw: (British accent) This is most going to be awesome for all of us.

Kat Hilliard: (Australian Accent) Looking forward to all this mates.

Me: About time the Zeo and Mighty Morphin Rangers all got included in some of the groups.

Nico: I know.

Then Chemistro, Bonz, Roxy Rocket, Nergal, Duff Killigan, Ebon, Anti Wanda, Raven Branwen, Rex Goodwin, Dr. Polaris, Black Knight of Merlin, Cyclops (Hercules), Cyborg Rangers, Owl (Stellaluna), Scooby Snax Monster, Ghost of Elias Kingston, Comrade Red, Bassoon Burns, Doc Duodenum, and Evil Aero Man appeared.

Chemistro: Can me, Bonz, Roxy Rocket, Nergal, Duff Killigan, Ebon, Anti Wanda, Raven Branwen, Rex Goodwin, and Dr. Polaris go with you guys?

Black Knight of Merlin: Me, Cyclops (Hercules), Cyborg Rangers, Owl (Stellaluna), Scooby Snax Monster, Ghost of Elias Kingston, Comrade Red, Bassoon Burns, Doc Duodenum, and Evil Aero Man shall go as well

Nico: Yes you all can go with us.

Qin: We're going to give Hannah's cousin the biggest ever scare we can muster.

Laney: We're going to meet the Scary Godmother and give Hannah's cousin Jimmy the biggest scare ever.

Bonz: Awesome!

Me: Thanks.

Maria: Yep.

Cross Crow: (Russian Accent) Nico, which Gene Slammer do you think you'll meet next time?

Nico: I'm hoping to do one for Plasma Eel next.

Qin: COOL! And I just mentioned Plasma Eel yesterday.

Nico: Yeah you talked me into that one. It'll be awesome and cool.

Me: It sure will.

Camie: Electrifying.

Pinkie Pie: This one will be amazing!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than Fawful, the deranged servant of Cackletta, and he's come back to get revenge on us for destroying him last year. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us today?

Lincoln: You guessed it, Nico, and none of us are going to like this one bit: the dark energy signal we sensed belongs to Fawful, the deranged servant of Cackletta, and he's come back to get revenge on us for destroying him last year.

We gasped in shock, including The Dimitri Trio, since they were the ones who destroyed Fawful, while Dizzy and Dee-Dee destroyed Cackletta.

Dimitri 1: (British Accent) Oh great, as if dealing with Evil Gansley, Ghirahim, Antasma, and PaniK wasn't bad enough.

Dimitri 2: (British Accent) Now, that nutcase, Fawful, has come back.

Dimitri 3: (British Accent) But, we're not worried about him, we kicked his butt before, we'll do so again.

Honika Honouka: But, this time, he's really going to get burned big time, and he's never ever coming back.

Nico: Ooh, we got a five-against-one match later on today, and Fawful is in big trouble when the time arrives. Alright, gang, let's go, we've got an awesome Halloween adventure planned: we're going to meet Hannah and Scary Godmother.

Lincoln: And teach Hannah's bully cousin, Jimmy, a lesson he'll never forget for scaring his cousin, and once he's been taught a lesson, you're next, Fawful.

Bonz: I'll summon some of my zombies monsters.

Cyclops: (Hercules) That good idea.

Me: Yes it is. We're going to give Jimmy the biggest scare ever.

Laney: A scare so powerful that he will never set foot outside ever.

Xeni:A Yeah.

Lana: This is gonna be good.

Brittney: At least we don't have to go far for this one. The Scary Godmother's house is located on the north side.

Nico: Wow.

Lemon Zest: And Matt? You're going to the Dinotrux world soon.

Matt Olsen: Wow! This is gonna be so awesome!

Will: Yeah it is!

Me: DinoTrux is really cool!

Lana: Boy it sure is! And the Constructicons would love meeting them. They are construction vehicle dinosaurs.

Scrapper: Wow! That is cool!

Scavenger: That's amazing! And you're right we sure would love meeting them too.

Me: Since they are construction vehicle dinosaurs we'll use our

Zoids in that one. We haven't taken them out in a while.

Nico: It sure has been a while.

Cyborg Ranger Leader: (Techno Voice) I wonder what monsters we'll meet.

Roxy Rocket: And it's Musa and Sunny's time to shine today.

Nico: ROCK ON!

Musa: YEAH ROCK ON!

Sunny Bridge: This is gonna really rock!

Brittney: It sure will!

Nico: Lets get a move on.

We were off.

---

We were walking to the home of the Scary Godmother! Dinobot and Rattrap were carrying a trailer full of stuff we got for the biggest scare ever

Rattrap: Man this day just keeps getting better and better!

Dinobot: Yes! There is little I enjoy more than hauling a bunch of really terrifying stuff in a trailer through the city!

Rattrap: Yeah that jerk is going to get it big time for hurting his cousin with fear! And this stuff will be perfect for it.

Dinobot: I know nothing of the sort! Unlike you, I do not waste my time scurrying through sewers!

Rattrap: YEAH? Well a sewer smells better than your breath Bronto Brain!

Dinobot: (Growls) You won't get used to it when I bite your useless head off!

Evil Tarantulas appeared and he had his gun pointed at them.

Evil Tarantulas: DIE MAXIMALS!

Dinobot and Rattrap: SHUT UP!

KRABLAM!

He got punched in the face by both of them! OUCH!

Birds Tweet.

He was unconscious.

Me: Whoa. Nice one. We'll have him taken with us. I got a plan for him.

Nico: Good idea.

We continued on.

Rattrap: So uh, you got a better plan?

Dinobot: Mmm no. But I still dislike the idea of expiring underground. Whenever we do stuff there it makes me feel uneasy. It lacks a… A warriors nobility.

Rattrap: Oh hey no sweat. Because I ain't letting nobody waste you down there. That's a pleasure I'm reserving for myself.

Dinobot: Ooh I appreciate your concern, but let me assure you, being shot in the back by a malodorous mouse would not exactly earn me a seat in Silicon Valhalla.

Rattrap: Aww poor baby!

Me: All right you two that's enough. I know you guys hate each other but we'll worry about that later.

Optimus Primal: I know J.D. But you have to just put up with it. Their squabbling has caused problems before. They'll either need to learn how to work together or they will destroy each other.

Me: Well we'll correct that soon.

Edward: Here we are.

We arrived. It was a scary haunted house.

Me: Wow! Scary place.

Brittney: But it's perfect.

We went into the house.

Brittney: Hello?

Scary Godmother then appeared.

Scary Godmother: Brittney!

Brittney: Hello Scary Godmother.

They hugged.

Owl (Stellaluna): You two know each other?

Nergal: She does look familiar.

Brittney: The Scary Godmother is a friend of mine. The Goths of Darkness all know her too. We helped her deal with Jimmy many times before and also scared him majorly bad.

Scary Godmother: That's right.

Eli: But it's awesome to meet you.

Nico: Same here.

Scary Godmother: It's an honor to meet you all too.

Me: Same here.

Birdbrain: Can we come in?

Scary Godmother: Sure.

We went in and then we met

Hannah Marie - Hannah is scared of monsters, but then she realizes monsters don't eat kids. Hannah's very kind and friendly, and it's implied that she has a crush on Orson, a young male vampire. In the first TV-special, her older cousin, Jimmy, and his friends scare her, but the monsters on the Fright Side help her get back at them in the end. Dresses as a fairy princess. She is voiced by Britt McKillip.

Scary Godmother - A tall, skinny and pretty-looking fairy-witch with long curly red hair, pale green skin, small bat wings on her back, and purple and green leggings. She lives on the Fright Side (a world where scary Halloween monsters live). She befriends a little girl named Hannah Marie, who was scared by her older cousin Jimmy into holding the doorknob to the haunted house Scary Godmother and her "broommates" were in. She also rides a broom and has a pet ghost cat named Boozle. Thompson has acknowledged that the character bears a resemblance to its creator. Her voice was done by Tabitha St. Germain in the TV adaptation.

Mr. Skully Pettibone - One of Scary Godmother's "broommates". He's the skeleton that hides in people's closets to keep their secrets safe, and, as he puts it, just rattle around. Come Halloween, there's nothing Skully likes more than to cut loose and roll the bones at a good party. His characterization in the books, and to a greater extent in the animated specials, is to a large extent that of a stereotypical "female lead's gay best friend," as suggested by his repeatedly coming out of closets. His voice was done by Scott McNeil.

Bug-A-Boo - A huge, round monster with multiple yellow eyes, fur, a pointy tail, horns and a huge mouth with sharp teeth. He is the type of monster that lurks in places like basements, under beds, in closets, and other deep, dark places (and knows what children are scared of, even Jimmy and his friends). Frightened of him at first, Hannah perceived him as the "monster in the basement" that Jimmy told her would eat children lest she feeds him candy. While she does that, Bug-A-Boo tells her that his job is to scare children, not eat them! ("If I went around eatin' all the clients, I'd be out of work!"). They have since become great friends. His voice was done by Garry Chalk.

Harry - A talkative werewolf who wears a blue, lamb-patterned shirt. He hails from Ackerman Forest (a pun on horror honcho Forrest J Ackerman) which is somewhere in the Fright Side. With a hammy, self-absorbed and pitying personality and an insatiable appetite for food (especially candy and snacks), he is a huge nuisance to Scary Godmother and her broommates. Is a big fan of the TV "skelevision" show The Spectral Six. It is notable however that while annoying, Harry is still a full-grown male werewolf possessing razor-sharp claws and fangs, incredible strength, and highly acute lupine senses. It would be unwise to get between Harry and something he wants-especially if it's anything food-related. His voice was done by Garry Chalk.

Count Max - A tall, thin and bald vampire dressed in black. The most famous vampire on the Fright Side, he is the "King of the Night". Usually very old-fashioned, Max feels awkward for being so out of touch with the times. His visual design is suggestive of that of Count Orlok in Murnau's Nosferatu as played by Max Schreck, his vocal characterization of Béla Lugosi impersonators. His voice was done by Scott McNeil.

Ruby - Max's beautiful wife who is also a vampire and the "Queen of the Night". She is more "modern" than her husband, which drives him batty. Has long, black hair and is clad in a satin dress. Her appearance recalls that of 1950s horror show hostess Vampira. Her voice was also done by Tabitha St. Germain in a Russian accent.

Orson - Max & Ruby's preteen son who is a vampire like his parents. He is the "Prince of the Night". Wears modern goth clothing, thin round glasses and has blue dyed hair. In the TV-specials, it's implied but never confirmed that he has a crush on Hannah (and that she may reciprocate his feelings). In the book versions, it's confirmed that Orson does in fact have a crush on Hannah. His voice is done by Richie Warke.

Mr. Skully: Wow! Team Loud Phoenix Storm!

Bug-A-Boo: Wow! It's a true honor.

Me: Same here guys.

Scooby Snax Monster: Hi there, Electric Lizard monster!

Bug-A-Boo: Say what?

Duff Killigan: (Scottish Accent) Lad, you look like a Duel monster.

Qin: He's right.

Qin showed that Electric Lizard and Bug-A-Boo looked very much alike.

Bug-A-Boo: Wow! I didn't know I looked like that one.

Nico: It's amazing.

Darkwing: Got any airheads candy?

Scary Godmother: Sorry I don't.

Candy: I do.

She made Air Heads Candy!

Hannah Marie: Oh wow! That is cool!

Qin: It sure is Hannah.

Me: We're sorry your cousin is being a jerk to you.

Hannah Marie: Yeah every Halloween he is always trying to scare me.

Me: Well it's time we give him a taste of his own medicine.

Ghost of Elias Kingston: I want in on scaring him!

Ebon: Didn't he get scared two times already?

Hannah Marie: Yes he did. But he keeps coming back for more.

Me: Well we are going to give him a scare that is so powerful that he won't come within 1,000 klicks of this house.

Nico: Nice!

Me: And that is a fact!

Zhuqiaomon: Well said.

Xenia: Yep.

Laney: This is gonna be a nightmarish night worth remembering.

Me: Yes it sure will.

Skullcruncher: What about his 3 friends?

Hannah Marie: They changed and are no longer following him.

Me: That's good.

Lola: Yeah it sure is.

Me: Also Hannah, we scared the living daylights out of 2 jerks with the scariest things we can muster.

Hannah Marie: Really?

Me: Oh yeah. We sure did.

Luna Loud: One of the most rockin times ever.

Qin: Oh yeah.

Anti Wanda: It also included a song.

Comrade Red: (Russian Accent) A scary one.

Me: Yep.

Hannah Marie: Cool!

Qin: Yeah it was cool.

Laney: It sure was.

Me: But I promise you that your cousin is in for a really horrible frightfest.

Scary Godmother: Now this is gonna be good.

Pounce: What are the names of his friends again?

Hannah Marie: Their names are Bert, Daryl and Katie.

Bert - A boy and the most imaginative of the three. Dresses as a baseball player wearing a cardboard SUV around his body.

Daryl - Sweet and naïve. Dresses as a piece of candy. Has a crush on Katie.

Katie - She's the most empathic of the three. Has a crush on Daryl, which is revealed when she tells him she'll trade him chocolate bar for a kiss, though also at times it seems she likes Jimmy. Dresses as a black cat. She is voiced by Britt Irvin.

Pounce: Wow!

Me: At least they changed.

Hannah Marie: How are you going to scare Jimmy?

Me: I have a plan.

My plan was to use Evil Tarantulas as bait while he is tied to a pole and Yakumo will cast a genjutsu to make it look like he is Hannah Marie and when he is about to scare the fake Hannah with a monster mask, we will do our entrance and scare the living crap out of him with the scariest horror movie monsters made scarier times 1,000,000!

Nico: OOH! That is brilliant! So that's what you have planned for the evil version of Tarantulas.

Tarantulas: That is a really genius plan there.

Raven Branwen: That's a genius plan.

Bassoon Burns: We just need to make sure he doesn't escape.

Dinobot: Don't worry. Me and the rodent made sure he is unconscious. He'll wake up in the morning tomorrow.

Rattrap: Yeah. Spider Boy there isn't going anywhere.

Me: Nice.

Laney: Cool.

Impact Man: Good. Now, we just need to wait

Eli: I'll keep a watch out for him with the Force.

Nico: Okay.

Me: You'll like the next entrance we do. Kate, I hope this one doesn't scare you too bad.

Kate Lloyd: What is it?

Me: We're going to scare him as one of the monsters that the Thing turned into.

Kate Lloyd: I like it!

Nico: Wow! Awesome idea!

Laney: This is gonna be good.

Rex Goodwin: Are you going to share those M&Ms?

Doctor Duodenum: (In Fart) (Go right ahead)

Rex got some.

Me: Don't give some to Mac.

Hannah Marie: Why?

Me: He has a condition that makes him go crazy when he eats sugar.

Mac: Yeah it's part of a condition I have.

Hannah Marie: Oh.

Me: (Gets an idea) But I do have an idea.

Nico: Uh oh.

Me: Very funny. I was thinking maybe we can put Mac's condition to good use against bad guys.

Nico: Hmm.

Eli then sensed something.

Eli: He's on his way, 10 klicks and closing.

Sunny Flare: Entrance time!

We got everything ready and got in position.

Jimmy came and he saw Hannah tied to a pole.

Jimmy: Well well! Time for a big scare!

He put on a monster mask and went up to her. Just as be approached her, a husky came out.

Jimmy: Aw hey fella.

But then the "Husky" started undergoing a GRUESOME AND HORRIFYING CHANGE! HE GREW INTO A HORRIFYING AND GROSS AND BLOODY MONSTROSITY AND TURNED INTO A TOWERING AND GROSS HORROR! IT ROARED WITH THE ROARS OF MANY CREATURES ALL AT ONCE! AND SCARED THE LIVING CRAP OUT OF JIMMY AND THE MASK CAME OFF! THEN IT SPLIT OPEN AND THEN OUT CAME US!

Nico: NICE!

Jimmy was shaking in really bad fright!

Dr. Polaris: Sorry! Did we scare you?

Evil Aero Man: Well, we're just getting started!

Sunny Bridges: Starting with me! (Throws eggs at Jimmy)

SPLAT SPLAT SPLAT!

Jimmy: YUCK!

Me: You think that's scary?

I then ripped off my own head and blood splattered all over the place!

JIMMY SCREAMED IN FRIGHT!

Eli: OH YEAH!

The Loud Sisters scare Jimmy with everything they throw at him Luan brings Mr. Coconuts to life, Lisa and Lily act rabid, Lori acts like she's been feasting on Rita, Lynn turns on her chainsaw, Lola appears like a corpse, Lana acts as her ghost, Leni walks around blindly under her dress with Geo rolling in his ball with the fake head still on, Laney was stirring a monster filled pot and cackled like a real witch, Varie was in her dark side mermaid form and she terrified Jimmy by snarling with glowing red eyes and hissing and spraying him with water that smelled really horrible, I had my eyes covered by my hair and I start to change. I become a hideously gruesome and horrific monstrosity loaded with blood, guts, body parts, tentacles and more. I was a fusion of every single horrific monster from the movie THE THING! The monsters were from the 1982 and 2011 movies and the 2002 Video Game. Lightning flashed behind the monstrosity and flames from the Netherworld flickered around it and it scared Jimmy so bad that it made him soil their pants 35 times, and everything else from what we used in the maze in 2016 terrifies him.

Lucy: "The crimes you have committed this night shan't go unpunished. You reap what you sow."

[She slashes a rope with her scythe, dumping a bucket of fake blood on him, making him scream]

Jimmy: BLOOD! I'M GOING TO THROW UP!

A tentacle with a scary flesh flower covered in blood and slime appears in front of his face and tentacles come out and slap his face and then Jimmy vomited all over the ground.

But then Bronze Kneecap, El Oso, Cavalier, Count Vertigo, Overdrive, DC Enchantress, Tar Pit, Black Spider, Koragg, Speed Demon, Bond Man, Creepy Lighthouse Keeper, Evil Star Man, Flotsam & Jetsam, Queen Cannabis, Glue Man, Owl (One Night At Humpty's), Nightshade, Evil Snake, and May Kanker appeared.

Bronze Kneecap: (to the Dino Fury Rangers) Didn't expect you guys here today.

Zayto: We figured tagging along before the big day wouldn't hurt.

El Oso: (Spanish Accent) You have a point there.

Cavalier: But why do I get the feeling this won't be the only time before the month ends?

Me: I have that same feeling/

Count Vertigo: (to Nico) We heard you went to Paleozoic world.

Nico: We sure did.

Overdrive: How was it?

Me: It was awesome! We faced the Vengeance Express 6 and I used my Wonder Ride Book to bash them from head to toe with the very tricks played by the Cursed Telephone of Despair.

That historical inn has been around for 350 years, and during its long history, this inn has numerous ghost stories and tales, and employees and visitors have reported seeing the ghosts of the Inn's tormented past here. And it is also the place where Catherine Windsor's ancestor, Mary Queen of Scots, spent her last night here as a prisoner before she was executed for treason in 1573.

---

Count Vertigo: (to Courtney) I heard you guys met a Rainbow Overdragon Gene-slammer. What's her name?

Courtney: Her name is Serenity Lexington and she is a really powerful and amazing force of good and awesome.

Rainbow Dash: She sure is and her rainbow hair is really awesome. But her story is a crazy one.

Scootaloo: Yeah but her hatred with Lisa was incredible.

Count Vertigo: Uh oh. What did that dark side of hers make her do this time?

Scootaloo: It's not a pretty one.

* * *

Serenity Lexington: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever. He's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Serenity, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Serenity Lexington: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten.

Nico: You got that right. So, Serenity, what's the story on why you hate Lisa with a burning passion?

Serenity Lexington: I'll remember that story for all eternity. You already know from Lincoln that when I was eleven, I'd gotten a fatal disease and it left me with a few days to live and to cure me and save my life, the scientists did an energy transfusion by infusing me with the powerful life energy and the healing powers of the Rainbow Overdragon and the Seven Crystal Beasts. I had my suspicions that it wasn't natural, and I asked for Lincoln's help, we went through some clues, and then, I told him that I drank some sort of liquid that Lisa gave me. We then went upstairs and into her room, and we also played the footage, and we soon found out that Lisa developed a very fatal and incurable disease, and she saw me as a test subject, and we also found out she was also going to use it on Lincoln to kill him.

We gasped.

Nico: Oh my God. Lisa was the one who gave you that incurable disease!?

Lincoln: She sure did, and when we finished looking at the footage, I was extremely furious at Lisa for what she did, but when Lisa saw that we saw the footage, she'd called Todd and her robots to kill us, but Serenity fired rainbow energy blasts and crystals at them, and they were scrapped, and then, she pounced on Lisa and ferociously pummeled her. After Serenity was done, we tied Lisa up and we called everyone over and when we showed the video footage of what Lisa did, they were extremely horrified, and I was so furious at Lisa, I wanted to pummel her for what she did, but Luna held me back and I was still furious and angry.

Luna: Yeah, I was holding him back with all my might, and I knew just how crazy strong the dude really is, but he was worn down and he just hugged me and I hugged him back, and when I felt tears, I knew Lisa went way too far.

Lori: She literally did, and after Linky and Serenity told Mom and Dad of what Lisa did, Lisa got the stiffest punishment for her heartless deed that almost cost Serenity her life: she was grounded for twenty-eight weeks and we had her sent to Aunt Ruth's where she had to nothing to eat but moldy pudding and do Aunt Ruth's chores, and Lincoln absolutely refused to even acknowledge Lisa during and even her punishment.

Me: Whoa.

Nico: And I don't blame him for being that pissed off at Lisa, what she did because of being under the control of her evil, heartless, emotionless Dark Side, that was evil times infinity, and it would've got her sent to the nuthouse in the federal prison system forever. So, did Lisa eventually earn Lincoln's forgiveness?

Lincoln: She did, but not without destroying her own laboratory in the process in a fit of depression and rage, and she also had cuts on her arms from the broken glass and her eyes were really red from crying a lot. That was really going too far for her, so I stopped her and after cleaning up the broken glass, I took her to the bathroom and got the cuts on her arms and had them wrapped in bandages. Then, when she said that I didn't deserve a sister like her and that she should've killed herself, that ultimately did it. I hugged her and she hugged me back and I forgave her, and when I told everyone of what Lisa did and why I found her like this, they also forgave her as well.

Luan: And after that incident, we'd signed her up for therapy in case she had any thoughts of suicide yet again, and the same with Lincoln because of the incidents with Lori, Lynn, Lola, Lisa, and I, and in a couple of weeks, they were better, and Serenity eventually forgave Lisa, after we showed her the footage of what happened, and she also knew of what Lincoln went through and that he had signs of anxiety and depression, because of us.

Nico: That's a good thing you did that, Luan. Still, that was a really dark moment Lisa went through, but you were there for her, Lincoln.

Lincoln: I snapped out of my anger after seeing that incident, but, we couldn't take back what had occurred on that day, we can just learn from that mistake and move on. But, those dark shadows of the past would finally be purged when we got rid of our Dark Sides forever.

Me: And you were the one who made it happen with that Dark Side Eternal Purification technique of yours, Linc.

Eli: Yeah.

Ashley Aella: (Flares up Wind Aura) Because Ed accidentally swiped the Kanker's ship in a bottle. Ed has a really nasty sleepwalking problem. He walks in his sleep and eats everything in the middle of the night and eats everything out of people's fridges.

Ken Ashiwara: What did he get hit with because of it?

Brooke Hudson: He got hit in the head with a CD, sent crashing into the ceiling and then tangled up in a spring from his bed, smashed with an ice cream cart, sprayed by a skunk, hit by a lamp post, crushed by a concrete tube, hit by a semi-truck, smashed by a falling tree, hit by a sandbox, trampled by a stampede of hippos, struck by lightning, smashed by his house and blown up by a land mine and mauled by wolves!

Staluk and Clodor scared him all over.

Nico activated The Flying Dutchman's Ridewatch and Jimmy saw the home of the Scary Godmother, which is set on fire, making it look like a monster house. The house makes an evil laugh. JIMMY SCREAMED IN FRIGHT! Suddenly, his nose starts to itch so a yellow tentacle scratches it. Jimmy looks down and it is revealed to be that his legs were that of an octopus. He screams while Nico laughs. Then Jimmy looked at the ground only to see a monster popping out and scaring him. Then Nico gave him a mirror when in the reflection only, a monster eats him. Then a monster pops out from underneath the floor and Jimmy screams in fright. Dimitri 1 Dalmatian: (Growls) (British Accent) And right on time is when we expect to hear that voice again. Don't you know when to quit, Fawful.

A figure came out, and it was none other than Fawful, and he's still furious at what the Dimitri Trio did in destroying him last year.

Nico: Oh man, after what you did in destroying him last year, you've really pissed him off, Dimitris.

Fawful: You fools have ruined everything, if you hadn't gotten in my way, I would've finally killed Mario and his friends and Cackletta would've finally ruled the entire Mushroom Kingdom, and now, I will kill you all and have my revenge!

Honika Honouka: That's never going to happen, and now, your days of causing havoc are about to end here and now.

Suddenly, Honika Honouka's crimson red eyes turned neon crimson red and she was surrounded by an crimson red energy aura with fire, flames, fire creatures, stars, and fire angels, she unholstered her massive Hiita the Fire Charmer-themed greatsword from her back, and as she approached Fawful, she left crimson red energy, fire, flames, fire creatures, stars, and fire angels with every step.

Honika Honouka: Fawful, I will never ever forgive you for the crimes that you've committed against Mario and his friends and in the name of Cackletta, you're nothing more than a monster and a dark shadow who's plagued The Mushroom Kingdom for the last time, and for that, you will pay for your crimes with your life.

Suddenly, Honika Honouka was surrounded by a massive vortex of crimson red energy with fire and flames and stars surrounding the vortex, there were fire creatures, fire angels, and Hiita the Fire Charmer flying around the vortex, and in the vortex is an an orange phoenix. Then, as the vortex faded, Honika Honouka emerged, but

she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Honika Honouka grew from 6'5" to 7'4" in height, she has the body of a goddess, she has orange highlights in the bangs of her long flowing crimson red hair, she has neon crimson red eyes, and a crimson red energy aura with fire, flames, fire creatures, stars, and fire angels surrounding her, she has the Fire Kanji in the hands of Hiita the Fire Charmer emblazoned on her forehead, she has on angel earrings with crimson red gems for eyes and holding the Fire and Eternity Kanjis in its hands, she also has Hiita the Fire Charmer with crimson red gems for eyes and holding the Fire and Eternity Kanjis in its hands for for the second pendant on the bottom of her crimson red angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and aqua blue gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Honika Honouka has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA INFERNO STAR FIRE CHARMER ANGEL OF DIVINE INFERNO FIRESTORM CHARMER JUSTICE AND DIVINE INFERNO FIRE CHARMER ANGEL LOVE!

We were amazed by Honika Honouka's Super Angel Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Fawful saw it, he fell into a dark rage and ran at her to kill her, but Honika Honouka fired a powerful crimson red energy blast with stars, fire, flames, fire creatures, and fire angels at Fawful and it exploded with incredible power and sent him flying into a wall, but he's not out yet, and he was now incredibly pissed off.

Nico: Whoa, Honika Honouka's transformed, nice.

Suddenly, something within The Dimitri Trio's minds snapped as memories of Fawful's crimes rushed through their head as his crimson red eyes turned neon crimson red and they were surrounded by black and red energy aura with fire, earth, molten lava, and Dalmatians, they unholstered their Defender of Camden Town swords from their backs, and as they approached Fawful, they left black and red energy, fire, earth, molten lava, and Dalmatians with every step.

Dimitri 1: (British Accent) You're like a massive headache that just won't go away, Fawful, even after we kicked your butt.

Dimitri 2: (British Accent) You refuse to even learn your lesson even then, and you still refuse to learn now.

Dimitri 3: (British Accent) And now, it's getting annoying.

Dimitri 1: (Suddenly Getting Extremely Pissed Off) (British Accent) And we meant every word that we said about you last year, Fawful, we'll never forgive you for helping Cackletta with trying to take over The Mushroom Kingdom.

Dimitri 2: (Suddenly Getting Extremely Pissed Off) (British Accent) You've caused Mario and Luigi so much grief in the past, along with the rest of The Mushroom Kingdom.

Dimitri 3: (Suddenly Getting Extremely Pissed Off) (British Accent) And for what you just did in coming back from the dead to get revenge… ,

Dimitri Trio: (British Accents) YOU'VE CROSSED ONE GODFORSAKEN LINE TOO MANY, FAWFUL, AND FOR THAT, WE'RE GOING TO KILL YOU ONCE AND FOR ALL, AND THIS TIME, YOU'RE NEVER EVER COMING BACK FROM THE DEAD!

Me: Whoa.

Dolly Dalmatian: Great, as if The Dimitris' wild and destructive antics at home weren't bad before, now that Fawful has come back, those three are going to absolutely wreck the place!

Nico: From what Lincoln told us, those three tend to get extremely wild and destructive, but if this gets rid of Fawful, I say, let 'im have it, Dimitris!

Eli: HIT THE DECK! THEY'RE GOING TO BLOW!

We ran for cover in the Pumpkin Patch, as the Dimitri Trio screamed like mad dogs and let out primal screams of rage and then…

There was a massive explosion and they were surrounded by three massive vortexes of black and neon red energy with fire, earth, and molten lava surrounding the vortex, there are three Dalmatians running around the vortexes, and in the vortexes are orange phoenixes. Then, as the vortex faded, The Dimitri Trio emerged, but they were changed forever.

Dimitri 3's transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA NEON RED FIRE INFERNO VOLCANIC LAVASTORM DALMATIAN ANGEL OF DIVINE NEON RED FIRE LAVASTORM JUSTICE AND DIVINE RED VOLCANO LAVA PEACE!

We were amazed by The Dimitri Trio's Super Angel Celestial Eternal Xelnaga transformations, but when Fawful saw it, he went crazy and tried to attack again, but The Dimitri Trio fired three powerful black and neon red energy blast with fire, earth, molten lava, and Dalmatians at Fawful and the blasts exploded with incredible power as it hit him, and he was mega pissed off.

Nico: Oh man, The Dimitri Trio have transformed.

Lincoln: This is going to get really really messy, and Honika, you look beautiful, how do you feel?

Honika Honouka: (Divine Echoing Cosmic Voice of The Inferno Firestorm Fire Charmer Angel and Divine Inferno Firestorm Fire Charmer Love) **I feel incredible, Linky. Now, shall we administer unto this monster his rightful punishment?**

Lincoln: (Smiles) With pleasure, Honika.

Dimitri 1: (Divine Echoing Cosmic Voice of The Neon Red Firestorm

Volcanic Dalmatian and Divine Neon Red Firestorm Volcanic Honor) **Your days of causing havoc are over, Fawful.**

Dimitri 2: (Divine Echoing Cosmic Voice of The Neon Red Firestorm Volcanic Dalmatian and Divine Neon Red Firestorm Volcanic Justice) **And soon, you'll be nothing more than a forgotten memory.**

Dimitri 3: (Divine Echoing Cosmic Voice of The Neon Red Firestorm Volcanic Dalmatian and Divine Neon Red Firestorm Volcanic Peace) **And the same will go with Cackletta if Dizzy and Dee-Dee ever see her in the future.**

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Honika Honouka, and The Dimitri Trio also joined in.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Your days of causing havoc and chaos in The Mushroom Kingdom are all over, Fawful, and now, it's time for you to die.**

Honika Honouka, Lincoln, and The Dimitri Trio went after Fawful, and they fired extremely powerful blasts of rainbow energy, crimson red energy, black and neon red energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Dalmatians, and Mermaids at Fawful, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, and they also drew blood.

This was really pissing Fawful off, but Honika Honouka, Lincoln, and The Dimitri Trio were just getting started, as The Dimitri Trio fires waves of lava at Fawful, and he was badly burned. Suddenly, three beams of light descended and a hand-cannon Blaster appeared for Honika Honouka, it was known as Hiita the Fire Charmer's Inferno Firestorm and it's modelled after Rabbid Peach's Fuchsia Fury blaster, but it's crimson red with flames on the blaster with a Phoenix, Fire Angel, and Hiita the Fire Charmer surrounded by flames etched on the sides, and a crimson red gem on the top of the blaster, and three hand-cannon Blasters appeared for the Dimitri Trio known as Volcanic Firestorm Dalmatian and they are modelled after Mario's Lightning Shark Blaster, but the blasters are neon red with lava waves on the blaster with a Phoenix, Angel, and Dalmatian surrounded by lava etched on the side, and a neon red gem on top of the blaster.

Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he, Honika Honouka, and The Dimitri Trio fired blasts of rainbow energy, crimson red energy, black and neon red energy, and elemental forces and when they hit Fawful, they exploded with incredible power as they hit him and he was killed. Then, as they holstered their hand-cannon Blasters, Fawful's spirit appeared and Honika Honouka, Lincoln, and The Dimitri Trio fired five black energy blasts with the Judgement Kanji and they hit Fawful and he was erased by The Black Gates after he was found guilty for his crimes by those he hurt. We cheered wildly for what Honika Honouka, Lincoln, and The Dimitri Trio did to Fawful as they holstered their massive greatswords on their backs and power down, and the new bodies, clothes, jewelry, weapons, and massive angel wings of Honika Honouka and The Dimitri Trio are permanent.

Dimitri Trio: (British Accent) Good riddance forever, Fawful, and don't you dare come back!

Honika Honouka: You got that right. And I want to thank you and The Dimitri Trio for helping me destroy Fawful forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Honika.

The Dimitri Trio came back to us, and suddenly, Honika Honouka wrapped her arms behind Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Honika Honouka's face, they kissed passionately as Honika Honouka's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Hiita the Fire Charmer flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces behind them and flames raging behind them and we cheered wildly. Lincoln and Honika Honouka absorbed the flames into their bodies and they came back to us, as the display and Hiita the Fire Charmer vanished.

Nico: Whoo, now that's what I call one awesome five-against-one musical battle, awesome job, guys.

Lincoln: Thanks, Nico, and The Dimitri Trio really let that lunatic have it, and it was definitely a repeat of what he did to Fawful last year.

Dimitri 3: (British Accent) Either way, I'm just glad that we're rid of Ghirahim for good.

Nico: You said it. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: That's a good question, Nico, hmm. Ooh, here's a good one, how about the Gene-Slammers for Hazy Flame Basiltrice, Hazy Flame Cerbereus, Hazy Flame Griffin, Hazy Flame Hydra, Hazy Flame Hyppogrif, Hazy Flame Mantikor, Hazy Flame Peryton, and Hazy Flame Sphynx.

We gasped.

Me: Now, those are some really good ones.

Nico: That's right, and the Hazy Flame monsters are inspired by the mythical Basilisk and Cockatrice of the mythical Bestiary, the Cerberus of Greek mythology, the Griffin of the Heraldry, the Hydra of Greek myth, the Hippogriff of the Bestiary, the Manticore of Persian myth and the Myrmecoleon of the mythical Bestiary, the Peryton of folklore, and the Sphinx of Egyptian myth.

Lincoln: And there are eight girls who we know who would be Gene-Slammed into them: The Hazy Flame Basiltrice is Stella Seraphina, The Hazy Flame Cerbereus is Hestia Seraphina, The Hazy Flame Griffin is Nuria Seraphina, The Hazy Flame Hydra is Helia Seraphina, The Hazy Flame Hyppogrif is Alinta Seraphina, The Hazy Flame Mantikor is Bridget Seraphina, The Hazy Flame Peryton is Eliane Seraphina, and The Hazy Flame Sphynx is Ember Seraphina.

Nicholette Torrington: The Seraphina Sisters, the eight girls from Michigan were born on the same day with really strong and immensely powerful fire powers, along with immortality, mastery over all forms of fire and magic, and each of them has the Basilisk and Cockatrice of the mythical Bestiary, the Cerberus of Greek mythology, the Griffin of the Heraldry, the Hydra of Greek myth, the Hippogriff of the Bestiary, the Manticore of Persian myth and the Myrmecoleon of the mythical Bestiary, the Peryton of folklore, and the Sphinx of Egyptian myth emblazoned on their foreheads. This is going to be one fiery rescue when we meet them tomorrow.

Jimmy was curled up in a ball in a fetal position and he had PTSD from being scared shitless. He was scared REALLY BAD!

Me: Looks like he has what's called NIGHTMARE TRAUMA SHOCK SYNDROME!

We laughed.

Me: Boo!

Jimmy: WAAA!

He went and was hanging from a tree and shivering in fright.

DC Enchantress: Well, Hannah, you won't have to worry about Jimmy anymore.

Tar Pit: I think he knows what happens when you mess with us.

Me: You got that right.

Hannah Marie: Thanks guys. That was awesome scaring!

Me: Boy it sure was! Never underestimate the kinds of scare.

Black Spider: Now, let's celebrate!

Zayto: Me and my team will stay for one more hour. Then, we have to go back to Pine Ridge.

Koragg: So soon?

Amelia Jones: There's no telling if any of Void Queen's goons have attack while we were gone. And we have our own Halloween Celebration anyway.

Speed Demon: That's actually true.

Me: Fair enough. But you guys did a great job with us.

Izzy: Yeah this was so awesome.

Laney: It sure was.

Nico: Yep. Great job today guys. This was so fun.

Hannah Marie: It sure was. (To the viewers) Don't be a jerk on Halloween or you will face the scary wrath of us.

Me: Yep. And it will be your worst nightmare.

We went back to the estate and had some pizza and then went and enjoyed the rest of the day. Zayto and his team went back to Pine Ridge and then we later went to sleep.

THE END

Qin: No we sure haven't.

Me: It has been a while since we went to the Moonlands.

Laney: No kidding. I always love coming here. It's so awesome.

Nici: It sure is.

Lana: Yeah.

Dante Vale: I love it myself. It's awesome.

Eli: It sure is. I think it's awesome going to Arderial or any part of the Moonlands for that matter.

Nico: Thanks for coming with me Dante.

Dante Vale: Anytime Nico. It's going to be awesome helping you out on this rescue.

Me: It sure is.

Nico: Dante, who do you think is your greatest enemy from the Organization? Devoe? Or the Professor?

Dante Vale: Hard to say. They both were really dangerous and posed a tremendous threat to the entire planet. But if I were to take a guess I would say The Professor.

Me: I agree there. DeFou was also dangerous as well. He was a monster.

Nico: Yeah he sure was.

Me: And I killed him. Twice.

Dante Vale: Yeah you sure did J.D.

Laney: Yeah he is pure evil.

Qin: Yeah.

Maria: There's also Rassimov.

Carly Atlas: It's true. The Blood Spiral are just as big a threat as the Organization is.

Laney: And I'm glad J.D. destroyed the entire Organization.

Me: Me too.

Camie: How did you destroy them again?

Me: Fired a Kamehameha Wave at the Professor at Point Blank Range and blew the building they were in to smithereeens.

Nico: That was awesome and cool.

Eli: That is so awesome bro!

Me: And we got introduced to the Spirits and the Titans that day when we finished DeFou the first time.

Dante Vale: You sure did. That was awesome.

Me: It sure was.

Nico: Yesterday was Spooktacular!

Me: Yeah it was! We scared the living shit out of Jimmy.

Xenia: He was scared out of his mind big time!

Camie: Yeah he sure was.

Varie: No kidding!

Nico: Bug A Boo really did look like Electric Lizard.

Me: No doubt on that there.

Airazor: That was really coincidental that he looked the same.

Laney: It sure was.

Aylene C.: But we really had a lot of fun on that too.

Lana: We sure did.

Brittney: That was really fun too.

Me: But it was cool having the Dino Fury Rangers help us too.

Xenia: Yeah that was cool!

Nico: Too bad the Dino Fury Rangers couldn't stay.

Me: I know. But they still have some of the Sporix to clean up. But if we run into any of them on our rescues we'll be ready for them.

Laney: Yep.

Me: Also she hasn't taken a bath in 14 years because she was living on the streets.

Albedo turned into Negative Ultimate Stinkfly.

Negative Ultimate Stinkfly: Did Swartz promise you anything?

Another Ultimate Stinkfly: Just to give me a good home and a bath. I was fed up with living on the streets.

Me: Well we could easily do that for you.

Nico: Yeah we sure can.

Another Ultimate Stinkfly: I knew he was lying to me.

Sunset Shimmer: Time for the rays to shine in! (ACTIVATES MR. SHINE AND MR. BRIGHT'S RIDEWATCH)

(SEND ME AN ANGEL BY REAL LIFE PLAYS)

Sunset Shimmer: (SINGING DIVINELY AS FIRE AND STARS SWIRLED AROUND HER)

Do you believe in heaven above

Do you believe in love

Don't tell a lie don't be false and untrue

It all comes back to you

Open fire!

On my burning heart

I've never been lucky in love

My defences are down

A kiss or a frown

I can't survive on my own

If a girl walks in and carves her name in my heart

I'll turn and run away

Everyday we've all been led astray

It's hard to be lucky in love

It gets in your eyes

It's making you cry

Don't know what to do

Don't know what to do

You're looking for love

Calling heaven above

Send me an angel

Send me an angel

Right now, right now

Empty dreams can only dissapoint

In a room behind your smile

But don't give up,

Don't give up

You can be lucky in love

It gets in your eyes

It's making you cry

Don't know what to do

Don't know what to do

You're looking for love

Calling heaven above

Send me an angel

Send me an angel

Right now, right now.

Boys and girls of every age

Wouldn't you like to see something strange?

Come with us and you will see

This, our town of Halloween

This is Halloween, this is Halloween

Pumpkins scream in the dead of night

This is Halloween, everybody make a scene

Trick or treat 'til the neighbors gonna die of fright

It's our town, everybody scream

In this town of Halloween

I am the one hiding under your bed

Teeth ground sharp and eyes glowing red

I am the one hiding under your stairs

Fingers like snakes and spiders in my hair

This is Halloween, this is Halloween

Halloween, Halloween

Halloween, Halloween

In this town we call home

Everyone hail to the pumpkin song

In this town, don't we love it now?

Everybody's waiting for the next surprise

'Round that corner, man hiding in the trash can

Something's waiting now to pounce and how you'll scream

This is Halloween, red and black, slimy green

Aren't you scared? Well, that's just fine

Say it once, say it twice

Take a chance and roll the dice

Ride with the moon in the dead of night

Everybody scream, everybody scream

In our town of Halloween

I am the clown with the tear-away face

Here in a flash and gone without a trace

I am the who when you call, "Who's there?"

I am the wind blowing through your hair
I am the shadow on the moon at night
Filling your dreams to the brim with fright
This is Halloween, this is Halloween
Halloween, Halloween
'Alloween, 'alloween
'Alloween, 'alloween
Tender lumplings everywhere
Life's no fun without a good scare
That's our job, but we're not mean
In our town of Halloween
In this town, don't we love it now?
Everybody is waiting for the next surprise
Skeleton Jack might catch you in the back
And scream like a banshee
Make you jump out of your skin
This is Halloween, everybody scream
Won't you please make way for a very special guy
Our man Jack is king of the Pumpkin Patch
Everyone hail to the Pumpkin King now
This is Halloween, this is Halloween

(THE MYSTICS DREAM BY LOREENA MCKENNITT PLAYS)

Rarity: (SINGING DIVINELY AS WAVES OF JEWELS AND WATER SWIRLED AROUND HER)

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is calling

All for the love of you

A painting hangs on an ivy wall

Nestled in the emerald moss

The eyes declare a truce of trust

And then it draws me far away

Where deep in the desert twilight

Sand melts in pools of the sky

When darkness lays her crimson cloak

Your lamps will call me home

And so it's there my homage's due

Clutched by the still of the night

And now I feel you move

Every breath is full

So it's there my homage's due

Clutched by the still of the night

Even the distance feels so near

All for the love of you

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is calling

All for the love of you

She danced and fired waves of warer and smashed her down!

(THE HIGHWAYMAN BY LOREENA MCKENNITT PLAYS)

Me: (SINGING DIVINELY AS FIRE SWIRLS AROUND ME)

The wind was a torrent of darkness among the gusty trees

The moon was a ghostly galleon tossed upon the cloudy seas

The road was a ribbon of moonlight over the purple moon

A highwayman came riding

Riding, riding

A highwayman came riding, up to the old inn-door

He'd a french cocked hat on his forehead, a bunch of lace at his chin

A coat of glaring velvet, and breeches of brown doe skin

They fitted with never a wrinkle, his boots were up to the thigh

And he rode with a chill and a twinkle

His pistol butts a twinkle

His rapier hilt a twinkle, under the jeweled sky

And over the cobbles he clattered and clashed in the dark of night

And he tapped with his whip on the shutters, but all was locked and barred

He whistled a tune to the window, and who should be waiting there

But the landlord's black-eyed daughter

Bess, the landlord's daughter

Plaiting a long dark red love-knot into her long black hair

One kiss, my bonny sweetheart, I'm after a prize tonight

But I shall be back with the yellow gold before the morning light

Yet if they press me sharply, and harry me through the day

Then look for me by the moonlight

Watch for me by the moonlight

I'll come to thee by the moonlight, though hell should bar the way

He rose upright in the stirrups, he scarce could reach her hand

She loosened her hair in the casement, her face burnt like a brand

As the black cascade of perfume came tumbling over his breast

And he kissed its waves in the moonlight

Oh, sweet waves in the moonlight!

Then he tugged at his rein in the moonlight, and galloped away to the west

He did not come at the dawning, he did not come at noon

And out of the tawny sunset, before the rise of the moon

When the road was a gypsy's ribbon, looping the purple moon

A red-coat troop came marching

Marching, marching

King George's men came marching, up to the old inn-door

They said no word to the landlord, they drank his ale instead

But they gagged his daughter and bound her to the foot of her narrow bed

Two of them knelt at the casement, with muskets at their side

There was death at every window

Hell at one dark window

For Bess could see, through the casement

The road that he would ride

They had tied her up to attention, with many a sniggering jest

And they bound a musket beside her, with the barrel beneath her breast

Now keep good watch and they kissed her

She heard the dead man say

"Look for me by the moonlight

Watch for me by the moonlight

I'll come to thee by the moonlight, though hell should bar the way"

She twisted her hands behind her, but all the knots held good

She writhed her hands 'til her fingers were wet with sweat or blood!

They stretched and strained in the darkness and the hours crawled on by like years!

'Til, now, on the stroke of midnight

Cold, on the stroke of midnight

The tip of one finger touched it!

The trigger at least was hers

Tlot-tlot! Had they heard it? The horse-hoofs ringing clear

Tlot-tlot, in the distance, were they deaf that they did not hear?

Down the ribbon of moonlight, over the brow of the hill

The highwayman came riding

Riding, riding

The red-coats looked to their priming

She stood up straight and still

Tlot in the frosty silence, tlot, in the echoing night

Nearer he came and nearer, her face was like a light

Her eyes grew wide for a moment, she drew one last deep breath

Her finger moved in the moonlight

Her musket shot her in the moonlight

Shattered her breast in the moonlight and warned him with her death

He turned, he spurred to the west, he did not know she stood

Bowed, with her head o'er the musket, drenched with her own red blood

Not 'til the dawn he heard it, his face grew grey to hear

How Bess, the landlord's daughter

The landlord's black-eyed daughter

Watched for her love in the moonlight, and died in the darkness there

And back, he spurred like a madman, shrieking a curse to the sky

With a white rope smoking behind him and his rapier brandished high

Blood-red were the spurs inthe golden moon, wine-red was his velvet coat

When they shot him down on the highway

Down like a dog on the highway

And he lay in his blood on the highway, with a bunch of lace at his throat

Still of a winter's night, they say, when the wind is in the trees

When the moon is a ghostly galleon, tossed upon the cloudy seas

When the road is a ribbon of moonlight over the purple moon

The highwayman comes riding

Riding, riding

The highwayman comes riding, up to the old inn-door

I danced and fired waves of fire and the Phoenix fired waves of fire and we smashed her down.

In den Abendhimmel steigen

Heute Nacht die Zauberweisen

Wildes Volk und Liliths Art

Lauernd Winde heimlich fahrt

Lasst uns zu den Feuern streifen

Raunend nach den Sternen greifen

Gutes und auch böses Wort
Tragen wir heut' fort und fort
In den Weiden werden unsere Träume klingen
Und die Winde werden unsre Lieder singen
Lasst uns mit den Funken übers Feuer springen
In der Walpurgisnacht!
Hört die Geigen, hört die Geigen
(Hey yo)
Die Feuer sind entfacht!
(Hey yo)
Folgt dem Reigen, folgt dem Reigen
In der Walpurgisnacht
Ungestüm im Spiel der Geigen
Dreht sich unser nächtlich' Reigen
Und wir treten wild und frei
Diesem alten Zauber bei
Einmal nur im großen Kreise
Tanzen wir auf jene Weise
Bis das erste Morgenlicht
Unser Traumgewebe bricht
In den Weiden werden unsere Träume klingen
Und die Winde werden unsre Lieder singen

Lasst uns mit den Funken übers Feuer springen

In der Walpurgisnacht!

Hört die Geigen, hört die Geigen

(EYE OF THE TIGER BY SURVIVOR PLAYS)

Dante Vale: (SINGING DIVINELY AS TIGERS SWIRLED AROUND HIM)

Did my time, took my chances

Went the distance, now I'm back on my feet

Just a man and his will to survive

So many times it happens too fast

You change your passion for glory

Don't lose your grip on the dreams of the past

You must fight just to keep them alive

It's the eye of the tiger

It's the thrill of the fight

Rising up to the challenge of our rival

And the last known survivor

Stalks his prey in the night

And he's watching us all with the eye of the tiger

Face to face, out in the heat

Hanging tough, staying hungry

They stack the odds 'til we take to the street

For the kill with the skill to survive

It's the eye of the tiger

It's the thrill of the fight

Rising up to the challenge of our rival

And the last known survivor

Stalks his prey in the night

And he's watching us all with the eye of the tiger

Rising up straight to the top

Had the guts, got the glory

Went the distance, now I'm not going to stop

Just a man and his will to survive

It's the eye of the tiger

It's the thrill of the fight

Rising up to the challenge of our rival

And the last known survivor

Stalks his prey in the night

And he's watching us all with the eye of the tiger

She danced and fired waves of earth and rock and smashed her down!

Another Ultimate Stinkfly shot goo at us. It hit Magine and drenched her more!

Nico: OH SICK!

Magine: (Enraged) You have got TO BE KIDDING ME!

Me: Geez Valerie, say it don't spray it!

Starlight Glimmer: Now here is my turn. (ACTIVATES THE JASON AND THE ARGONAUTS SKELETON MEN RIDEWATCH)

(TU BY SARAH BRIGHTMAN PLAYS)

Starlight Glimmer: (SINGING DIVINELY IN FRENCH AS BONES AND SKULLS SWIRLED AROUND HER)

Tú, sin más porqué,

Tú que bésame,

Tú me tienes de furriel,

De un roto de tu piel.

Tú, como la cal,

Que húmeda es mortal,

Tú, blanqueas mi razón,

Calando hasta el colchón.

Tú, tú, tú, tú.

Tú, tú, tú, tú.

Tú, tú, tú, montada en mí,

Yo, motura hostil,

Tú, me abrazas con los pies,

why yo lamo el arnés.

Tú, why sin ti yo no.

Tú, why sin ti ya no.

Tú, me has hecho dimitir,

why hoy yo se dice asi:

Tú, tú, tú, tú.

Tú, tú, tú, tú.

Tú, tú, tú.

Tú, tú, tú, tú.

Tú, tú, tú, tú.

Tú, tú, tú, tú.

Tú, tú, tú.

She danced and fired waves of bones and smashed her down!

Nico: Nice one!

Me: YEAH!

Maria: Is the next Gene Slammer close to coming?

Then a blast of lightning was shot at Another Ultimate Stinkfly from out of nowhere and knocked her down and I caught the ridewatch and purified it. I went over to Valerie and she was in really tattered clothes and had blond hair and she smelled horrible!

I picked her up.

Valerie Nicholas: (Groans) What a headache.

Me: But you're all right. Nice shot Lincoln.

Lincoln: That wasn't me!

?: It was from me.

Out came a Plasma Eel!

Nico: WHOA! A Plasma Eel!

Me: Electrifying!

Plasma Eel: (In a girls voice) At least she is back to normal.

Nico: Fillicia Plasmas!

Qin: Wow!

She reverted back and Fillicia waa a girl with blond hair and yellow clothes and yellow eyes and had an aura of intense lightning around

her.

Fillicia Plasmas: That was an awesome battle guys.

Qin: Fillicia!

Fillicia Plasmas: Qin!

They hugged.

Fillicia Plasmas: It's awesome to see you again.

Qin: Same here.

Nico: That was awesome timing.

Dante Vale: What's your favorite memory of Nico?

Fillicia Plasmas: I have a lot of them but my favorite was when me and Nico found a gang of thugs in our school and we beat them all up and I shocked them with 1,000,000,000 volts of electricity and burned them. I have intense lightning powers. We sent those thugs to prison and got the school's highest merit for it. We were heroes for it.

Nico: Yep.

Me: Wow! That was awesome

Eli: I'll say!

Brynja: (Icelandic Accent) That is amazing!

Nico: Yep.

Nico and Fillicia hugged.

Nico: I've really missed you.

Fillicia Plasmas: Me too Nico.

Nico: This was a good rescue.

Me: Yeah it was.

Valerie Nicholas: We got a lot of catching up to do J.D.

Me: We sure do. Lets get you back to the estate and give you new clothes and a bath. You need one bad.

Eli: WHEW! I'll say.

Nico: And a shower.

Magine: AND TO GET THIS SLIME OUT OF MY BODY!

Me: Oh boy.

We went back to the estate and we got Valerie and Magine all cleaned up. Valerie looked like she was better than ever as she had a pink shirt covering ample breasts, blue skirt and blue shorts and had a blue trench coat and had her hair in a ponytail. She had pink sneakers and black socks.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, The Dynasty Warriors, The Samurai Warriors, TLPS Ms. Tarantula, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, The Bakugan Battle Brawlers, and Jack Atlas are heading to the Abbey of Thelema in Cefalù, a city in Sicily, Italy, and not only is Lincoln going to rescue the four girls here, but we're going to cleanse the abbey of the powerful forces forever. But, we also got word that an old enemy of The Justice League, Despero, is here, and he's causing havoc.

Knowing of Despero's mind control powers, Lincoln put up a protective barrier around everyone here.

Lincoln: Whoa, we're here in the city of Cefalù in Sicily, Italy, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're heading to Thelema Abbey and we're going to cleanse the abbey of the powerful forces that've haunted this place for decades.

Me: Oh man, and this place was once the dwelling place of Aleister Crowley and his cult.

Nico: Yeah, and I've read many books on Aleister Crowley, and that he was dubbed The Wickedest Man on Earth, and Thelema Abbey is the site where he'd practiced some of his most bizarre rituals.

Lincoln: Aleister Crowley was the 20th Century's well-known master of the Occult and a dabbler in black magic, and it's left a powerful presence in Thelema Abbey, and after we cleanse the place, we're also going to destroy another old enemy of The Justice League, Despero, who's been sighted here in Sicily, and he's causing havoc, but our powers also make us immune to his mind control. And thanks for joining us, Jack.

Jack Atlas: You're welcome, Lincoln. Before we head to Thelema Abbey, what can you tell us about its history?

Lincoln: Trust me, you're not going to like hearing about it. In 1920, Aleister Crowley moved here to Cefalù, and he built Thelema Abbey to pursue his pursuits in the Occult, and he had quite a following, and it was from here that he and his cult could follow his pursuits in magic, and none of them ever bothered to restrict themselves, since Thelema is a Greek word meaning "Will. But, it tragically ended in 1923 with the death of one of his followers, Raoul Loveday, who was suffering from acute enteric fever due to the ritual consumption of cat's blood. Mussolini was so embarrassed by the ordeal, his government ordered the expulsion of Crowley, and after Crowley's departure, Thelema Abbey was eventually abandoned and local residents whitewashed over Crowley's murals.

Me: But, throughout the decades, the abbey had late night visitors, and they've done rituals there in Thelema Abbey, and it's believed that the powerful forces in the abbey still draw those who knew of Crowley and his ways.

Nico: Yikes, now that's really bone-chilling.

Lincoln: Crowley has no doubt left his mark on the Occult even after his death, and his presence is still felt in the Occult to this day.

We arrived at Thelema Abbey, and when we entered the abbey, and we felt the powerful forces here and Lincoln's ghost sense went off. Suddenly, our rainbow energy auras also flared up as we were sucking in all of the negative energy and we were gaining a massive power and energy boost and we were getting stronger and stronger and stronger still.

Lincoln: Whoa, this is a really heavy and dark presence here, I can feel it, and the powerful forces of the abbey aren't going to leave here that easily, but we've sucked in and absorbed all of the negative energy that's festered here for over nine decades.

We went outside and Lincoln took to the air, and we followed him. Then, he made a massive green magic circle with Celtic knots and Celtic symbols and runes on the ground which then surrounded Thelema Abbey. But, we also felt the powerful forces trying to resist, but Lincoln was ready. He took out his Flute of Ogma, and he began to play a beautiful melody and it began to calm and soothe the land, and Thelema Abbey has been exorcised for good and the magic circles disappeared.

Lincoln: We did it, the powerful forces that've haunted Thelema Abbey for over nine decades have finally been exorcised for good, but we're not done yet, there's still Despero we got to deal with.

Nico: The Justice League is going to be pleased to hear we took down Despero for good.

?: HEEEEELLLLP!

Suddenly, Lincoln heard the sound of four girls screaming for help, along with the sound of sadistic laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Despero, and he's going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the four girls, but they've been cornered by Despero, and he's going to kill them.

?: (Eight girls' voices) That heartless, ruthless tyrant, let's get him!

Suddenly, we saw the Duel Monsters, Hazy Flame Basiltrice, Hazy Flame Cerbereus, Hazy Flame Griffin, Hazy Flame Hydra, Hazy Flame Hyppogrif, Hazy Flame Mantikor, Hazy Flame Peryton, and Hazy Flame Sphynx, appear before us.

Nico: Whoo, that's Hazy Flame Basiltrice, Hazy Flame Cerbereus, Hazy Flame Griffin, Hazy Flame Hydra, Hazy Flame Hyppogrif, Hazy Flame Mantikor, Hazy Flame Peryton, and Hazy Flame Sphynx, and I'm already sweating like crazy.

Lincoln: Us too, and I'd recognize those voices from anywhere, I knew it was you, Stella Seraphina, along with your sisters, Hestia Seraphina, Nuria Seraphina, Helia Seraphina, Alinta Seraphina, Bridget Seraphina, Eliane Seraphina, and Ember Seraphina, but we'll talk later, we've got a ruthless tyrant to kill.

We rushed over, and right before Despero could claim his next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Despero, and that allows the ten girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Despero, and when he saw us, he was enraged.

Despero: So, the legendary Team Loud Phoenix Storm has arrived. This'll make killing The Justice League too easy when I force all of you to do the dirty deed.

Despero used his Third Eye to try and control us, but bad news for him, we weren't affected by his mind control, and this horrified him,, and the rainbow iris of Lincoln's Third Eye fired a laser which hit Despero's Third Eye, crippling his mind control powers and he screamed in pain.

Lincoln: Nice try, Despero, but our powers made us immune to your mind control, and now, it's time to say goodbye forever.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Jack Atlas, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Xelnaga

Then, Lincoln put Despero into a brutal bear hug, so he couldn't escape and as he sank his fangs into Despero's neck, he began sucking out all of his blood, along with absorbing the tyrant into his body and assimilating his powers and abilities. Then, when Lincoln was done drinking Despero's blood and absorbing the tyrant into his body and assimilating his immense powers and abilities, an energy card with Despero's soul inside appeared in Lincoln's large left hand, and when the Judgement Kanji had appeared on Despero's forehead, he was sent to The Black Gates forever. We cheered wildly as we holstered our weapons and powered down.

Stella Seraphina: You too, Lincoln.

Hestia Seraphina, Nuria Seraphina, Helia Seraphina, Alinta Seraphina, Bridget Seraphina, Eliane Seraphina, and Ember Seraphina: Yeah, it's been a long time.

Lincoln made seven clones of himself and they went up to Stella and her sisters and they hugged the Seraphina Sisters, and Stella and her sisters were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much stronger he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their face went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you eight since you were seventeen, and as you can see, I really grew a lot since then.

Stella Seraphina: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new.

Hestia Seraphina: You said it, sis, you can land an airplane on that more wider and more muscular back of his, squash a melon with those really muscular quads and thighs, and also, cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, so those are the Seraphina Sisters.

Lincoln: Yep, that's right, Nico.

Stella Seraphina: Allow us to do the introductions, Lincoln. Hello, I'm Stella Seraphina, I'm the Gene-Slammer of Hazy Flame Basiltrice, I'm Lincoln Guardian Angel from Michigan and classmate in Art, I'm the eldest and leader of the Seraphina Sisters, and I was born with really strong and immensely powerful fire powers, immortality, winged flight, total mastery of all forms of fire magic, and she's easily recognizable because emblazoned on my forehead is the Basilisk and Cockatrice of the mythical Bestiary.

Helia Seraphina: I'm Helia Seraphina, Gene-Slammer of Hazy Flame Hydra, I'm Lincoln's Guardian Angel from Michigan and classmate in Art, I'm the fourth-born of the Seraphina Sisters, and I was born with really strong and immensely powerful fire powers, immortality, winged flight, and total mastery of all forms of fire magic, and I'm easily recognizable because emblazoned on my forehead is the Hydra of Greek myth.

Alinta Seraphina: I'm Alinta Seraphina, Gene-Slammer of Hazy Flame Hyppogrif, I'm Lincoln's Guardian Angel from Michigan and classmate in Art, I'm the fifth-born of the Seraphina Sisters, and I was born with really strong and immensely powerful fire powers, immortality, winged flight, and total mastery of all forms of fire magic, and I'm easily recognizable because emblazoned on my forehead is the Hippogriff of the mythical Bestiary.

Bridget Seraphina: I'm Bridget Seraphina, Gene-Slammer of Hazy Flame Mantikor, I'm Lincoln's Guardian Angel from Michigan and classmate in Art, I'm the sixth-born of the Seraphina Sisters, and I was born with really strong and immensely powerful fire powers, immortality, winged flight, and total mastery of all forms of fire magic, and I'm easily recognizable because emblazoned on my forehead is the Manticore of Persian myth.

Eilane Seraphina: I'm Eilane Seraphina, Gene-Slammer of Hazy Flame Peryton, I'm Lincoln's Guardian Angel from Michigan and classmate in Art, I'm the seventh-born of the Seraphina Sisters, and I was born with really strong and immensely powerful fire powers, immortality, winged flight, and total mastery of all forms of fire magic, and I'm easily recognizable because emblazoned on my forehead is the Peryton of folklore.

Ember Seraphina: And I'm Ember Seraphina, Gene-Slammer of Hazy Flame Sphynx, I'm Lincoln's Guardian Angel from Michigan and classmate in Art, I'm the eighth-born of the Seraphina Sisters, and I was born with really strong and immensely powerful fire powers, immortality, winged flight, and total mastery of all forms of fire magic, and I'm easily recognizable because emblazoned on my forehead is the Sphinx of Egyptian myth.

When they were done, we were amazed.

Me: Wow.

Lincoln: Yep, and like Nicholette said to us yesterday, Stella and her sisters were born on the same day, and they have really strong and immensely powerful fire powers, immortality, winged flight, and total mastery of all forms of fire magic, and they're easily recognizable because of the Basilisk and Cockatrice of the mythical Bestiary, the Cerberus of Greek mythology, the Griffin of the Heraldry, the Hydra of Greek myth, the Hippogriff of the Bestiary, the Manticore of Persian myth, the Peryton of folklore, and the Sphinx of Egyptian myth emblazoned on their foreheads.

Nico: So, that way, we don't get confused to see who's who, that's cool.

Stella Seraphina: And there's one thing we shared in common: we have a very strong love for Lincoln and we don't want to see him harmed.

Hestia Seraphina: Yeah, so we defended him from the usual scum in school and in public: Chandler, Pablo, Anderson, Flip, Scoots, Hawk, and Hank, and we even told off that toupee-wearing grouch, Principal Huggins, for always giving Lincoln a hard time.

Nuria Seraphina: And we also defended Lincoln at The Loud House from the scum who gave Lincoln a hard time and always tried to either humiliate, belittle, or even worse, kill him: Lori, Lynn, Lola, Lisa, and Luan.

Helia Seraphina: Yeah, don't get me started on that, sis, those five have constantly gotten on our nerves because of their control freak cellphone-obsessed cold hearted behavior, superstitious ways and bad manners not to mention lack of hygiene, black-mailing and temper tantrums, cold-hearted emotionless ways, and prank-crazy antics.

Alinta Seraphina: But, when they've tried numerous ways to humiliate, belittle, or kill Lincoln, that's crossing a nasty line, and we've more than once burned them badly.

Bridget Seraphina: But, we've gotten along great with Leni, Luna, Laney, Lucy, Lana, and Lily, since they're the only sisters who've never turned their backs on Lincoln, and broke free from Lori's stupid hive mind manipulation.

Eilane Seraphina: And we've always teamed up with them to really give Lori, Lynn, Lola, Lisa, and Luan a nasty case of payback, Seraphina and Loud style.

Ember Seraphina: And the priceless looks on the faces of those five brats are always worth it, and it's also awesome to see them lose it big time when we've humiliated them.

Nico: (Whistles) Wow, you girls not only did an awesome introduction, but you really did a good job in voicing your disgust towards the five mean sisters in Lincoln's family.

Luna: Yeah, dude, and there's something you should know: Stella and Hestia hate Lori with a blazing passion, Nuria and Helia hate Luan with a blazing passion, Alinta and Bridget hate Lynn with a blazing passion, Eilane hates Lola with a blazing passion, and Ember hates Lisa with a blazing passion.

Me: (Whistles) I hate to find out what Lori, Lynn, Lola, Lisa, and Luan did to earn their fiery wrath.

Stella Seraphina: Trust me, you'll probably be thinking of wishing you had those five paddled until their butts are completely red. (To Lincoln) And Lincoln, there's something we want to give you: we want to give you our blood.

We gasped at her request, including Lincoln.

Lincoln: Stella, are you and your sisters absolutely sure?

Stella Seraphina: (Smiles) More than anything, after all, we're going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of the Seraphina Sisters and he saw they're really serious, and he smiled as he walks over to them, and one by one, he hugged each of the Seraphina Sisters' waists in his abnormally massive and powerful muscular arms, he slowly leaned his head down to their necks, and he slowly bit each of them and he fed on their blood, and we all saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them. He slowly unlatched his fangs from their necks and their necks healed up as the puncture marks sealed up.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared around the necks of Stella Seraphina and her sisters with orange gems on the gold lightning bolts and crimson red crystals links from their merged Crystal Necklaces of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around their necks.

Stella Seraphina: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you and your sisters are part of harem and my many future wives, Stella.

Stella Seraphina, Hestia Seraphina, Nuria Seraphina, Helia Seraphina, Alinta Seraphina, Bridget Seraphina, Eliane Seraphina, and Ember Seraphina had a smile on their faces and tears in their eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Stella Seraphina's waist and she wrapped her arms behind Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and he did the same with the rest of the Seraphina Sisters, and they also passionately kissed, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Nima, Fujimatsu, Hibino Masae, and Nike from Tattoon Master.

Lincoln: Oh wow, it's Nima, Fujimatsu, Hibino Masae, and Nike from Tattoon Master.

Nicole: Awesome.

Lincoln: Are you girls okay?

Nima: Yes, we're okay, thanks to you.

Then, when Nima and the three other girls saw who it was that saved them from Despero, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball

He had his massive Hinon's Cosmic Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip, his Eater of Sins revolver and Elemental Universal Thunderbird hand-cannon Blaster holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation and embedded Stone of Gelel on the back of his massive left hand, large weighted gold bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive indestructible white angel wings with stars and orange and aurora-colored tips on the large white feathers and eleven massive and long powerful white werewolf tails, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them which were glowing neon orange and they also had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts on the coattails held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large royal blue pants with multicolored lightning bolts on the thighs, and large gold-armored boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and gold armor on the toe area, silver Buffalo head stud earrings with the Thunderbird carved on it and the Element and Eternity Kanjis on the heads, large Thunderbird

Nima: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and his three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Nima: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nima, Fujimatsu, Hibino Masae, and Nike with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and we told everyone of what we did in exorcising Thelema Bay, and they were shocked when they found out the villain we went after was Despero, another enemy of the Justice League.

But, when Lincoln showed what we did to that monster, along with Lincoln putting Despero in a brutal bear hug and biting him on the neck and sucking out all his blood and absorbing Despero into his body and assimilating all of his immense powers and abilities and sending his soul to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Stella Seraphina, Hestia Seraphina, Nuria Seraphina, Helia Seraphina, Alinta Seraphina, Bridget Seraphina, Eliane Seraphina, and Ember Seraphina have a lot of catching up to do, now that she's back in town, and now, we're rid of Despero for good.

Superman: I can't believe Despero was sighted in Cefalù, but you guys did an amazing job getting rid of him for good.

Lincoln: He's everything I read about him, and he tried to use his Third Eye and mind control, but that didn't work not only because of our powers, but I also had an anti-mind control field that was protecting us.

Wonder Woman: That was indeed quite clever, and now, he's been stopped for good.

Nicholette Torrington: And Lincoln also went on a feeding frenzy by feeding on Despero's blood and absorbing Despero into his body, and he assimilated Despero's immense powers and abilities.

Lincoln: Plus, if we run into Flip's bounty hunters, I'll put Despero's powers to the test.

Me: Ooh, a hypnotic mind trick on those bounty hunters, this should be interesting to see.

Nico: Yeah, and don't forget, we also assimilated Despero's immense powers and abilities as well, so if those bounty hunters think they're going to get the drop on us, they've got another thing coming, because not only do we listen to news and track down villains, but Flip's a total stupid moron.

Stella Seraphina: I'm surprised you guys haven't killed him.

Lincoln: J.D. did kill him last year, but Flip came back from the dead, and now, instead of killing him again, we're now humiliating him forever, and we've also been hearing some nasty revelations about Flip, and we've been getting fired up and we lashed out at that mutant cheapskate.

Hestia Seraphina: Sheesh, that moron's still completely stupid.

Stella Seraphina: He'll always be completely stupid forever thanks to his greed destroying his mind and making him even more stupider than ever.

Me: Yep.

Nico: I wouldn't be surprised if you girls set his three-cheeked butt on fire, and it'll really be painful to see.

---

After our exorcism in Thelema Abbey and we finally got rid of Despero and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Stella Seraphina and her sisters saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Stella Seraphina: Whoa, we were right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Hestia Seraphina: You said it, sis, he's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Nuria Seraphina: That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, girls, what's the stories on why you hate Lori, Lynn, Lola, Lisa, and Luan with a blazing passion?

Stella Seraphina: Allow me and Hestia to go first. One day, Hestia and I were with Lincoln and we were doing some workouts at our home gym, and we've always made it our mission to help Lincoln get into shape as well. But, our workout day got ruined when we heard the sound of shrieking in the air, and when we saw who it was that made that shriek of pure rage, we were pissed: it was Lori. She got out a knife and tried to stab Lincoln again for no reason other than to slake her thirst for blood again, but Lincoln fired a powerful fire blast at Lori and sent her back, and that really pissed Lori off again and she tried yet again to stab Lincoln, but Hestia and I charged out and we fired two powerful fire blasts at Lori and we burned her eyebrows off and that'd really set her off, but before she could attack again, we pounced on Lori and we brutally pummeled her, and we tied that bitch up with nylon so she couldn't escape. Lincoln called his parents, and Lori got herself grounded for thirteen weeks and we threw her in a cage like the animal she is.

Nuria Seraphina: Alright, now it's my and Helia's turn. One day, Helia and I were with Lincoln and we were heading home from an awesome day ay Gus' Games and Grub, but when we were about to open the door, we suddenly felt that something was amiss, and Lincoln knew what it was: Luan had booby-trapped The Loud House with lethal pranks to kill him and us when we walked in through the front door. We were pissed beyond belief that Luan did this, but

Lincoln told us the back door wasn't booby-trapped, so we went in through there and once inside, we proceeded to disable all of Luan's pranks and traps, and after that, we marched into Luan's room and we were really mad at her, and when she saw we weren't hurt, Luan tried to run, but Lincoln made a ring of fire which surrounded her, and Helia and I proceeded to pummel her and we tied her up. We then told the parents what she did and Luan got grounded for thirteen weeks and we tied her up in a straitjacket and threw her in a cage.

Alinta Seraphina: Now it's my and Bridget's turn. One day, Bridget and I were with Lincoln and we were having a fun time in the park, but then, we heard the sound of thundering footsteps and we also caught the smell of stinky gym socks and gym clothes, and Lincoln knew who that belonged to: it was Lynn, and she tried to attack him saying it was for her "sparring", but we knew that moron wanted to beat Lincoln up again, but Lincoln blocked her punch and sent her flying with a punch to the stomach, and that really set Lynn off, but it also set us both off and we jumped on Lynn and we pummeled her and we tied that animal up, and when we got done with telling everyone what Lynn tried to do, Lynn got her butt grounded for sixteen weeks and we tied her up in a straitjacket and threw her in a cage like the animal she is.

Eliane Seraphina: Now, it's my turn. One day, Lincoln and I were in the kitchen and he was preparing a snack for us. But, then, we heard the sound of an unholy shriek in the air, and we heard the door slam open and we saw who it was: it was Lola and she was on yet another rampage, she tried to kill Lincoln again, but I grabbed Lola by her dress and I proceeded to pulverize her, and after I tied her up, I demanded an answer from her, but all I got was her spitting fire at me, yeesh. Lana came in and she told me that Lola was really furious that Lincoln's not a butler at her tea party when clearly he had plans with me, and when Lola found out, she went ballistic and she attacked Lana and then, she was going to kill Lincoln. I was really peeved at Lola, and after we told the parents, she got her pink-wearing butt grounded for two weeks with no dessert and I threw her in a cage like the animal that she is.

Ember Seraphina: And now, it's my turn. One day, Lincoln and I were heading home from school, but then, we heard the sound of robots being activated, and then, we saw an army of robots come out and they had lasers and weapons out, and that sent everyone running for the hills, and we soon saw who it was that did this: it was Lisa and she was laughing like a madman. Lincoln and I were getting so tired of Lisa's mad scientist rampages again, so we fired blasts of fire and melted the robots into molten metal and then I grabbed Lisa and Lincoln tied her up with nylon, and when we got home and told everyone, Lisa got grounded for ten weeks and Lily changed the password on Lisa's bunker again after she put all of Lisa's lab materials in there.

When the girls were done, we really cheered.

Nico: Wow, when it comes to defending Lincoln from Lori, Lynn, Lola, Lisa, and Luan, you girls don't mess around.

Lincoln: They sure don't, and those actions from Stella and her sisters made Lori, Lynn, Lola, Lisa, and Luan despise and hate them even more, and we saw them trying to form a way to kill them again, but when we found out, we hogtied them up, and when we showed Mom and Dad of what those five tried to do, they all got a fifteen week grounding and we also had them put in a large cage after we put them in straitjackets.

Luna: They had it coming, dude, and what Stella and Hestia did in burning Lori's eyebrows off, that was too hilarious, and they grew back in uneven, and they knew Lori tried to kill Lincoln before along with them, and she had to pay the piper for her misdeed.

Laney: Same with Luan for booby-trapping the house with lethal pranks to kill Lincoln, Nuria, and Helia.

Lucy: Same with Lynn for trying to beat up Lincoln again for her sick amusement.

Lana: Along with Lola for her temper tantrums again.

Lily: And the same went with Lisa for her mad scientist rampages again, but they were gluttons for punishment as they didn't learn their lessons again.

Lynn: Yeah, we were stupid.

Poromon: But, you learned your lessons, otherwise, we'll do what Curly does and bark at you like dogs and send you running to your rooms.

Lynn: We ain't scared of that. Take your best shot!

Poliwag: You asked for it!

Mascots: RUFF! RUFF!

That caused Lori, Lynn, Lola, and Lisa to run for it back to their rooms.

Luan: (As Mr. Coconuts) Hey, who let the bloodhounds loose?

Poromon: (Points to Poliwag) Poliwag did it!

Poliwag: Why you rat!

LOUD CRUNCH!

Lincoln cracked his knuckles and it was so loud, we knew the Mascots and Ed heard it.

Ed and Mascots: (Covers their ears) WHAT A PEST!

Edd: That's disgusting.

Ed and Mascots: MAKE HIM STOP!

We laughed hysterically and we got a shower afterwards, and then, Lincoln, Loona, Jasmine (Pokémon), Lana (Pokemon), Lillie, Mallow, Nessa, Shauna, Chloe Cerise, Kris, and Marnie were heading to Lake Lamode.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Loona, Jasmine (Pokémon), Lana (Pokemon), Lillie, Mallow, Nessa, Shauna, Chloe Cerise, Kris, and Marnie were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble. Plus, we'd also found out that Loona, Jasmine (Pokémon), Lana (Pokemon), Lillie, Mallow, Nessa, Shauna, Chloe Cerise, Kris, and Marnie each had feelings for Lincoln: Loona found out Lincoln was the one who had the cure for Loona's syphilis and he gave it to Sherlock Hound, and he also saved her, Jasmine (Pokémon), Lana (Pokemon), Lillie, Mallow, Nessa, Shauna, Chloe Cerise, Kris, and Marnie from a group of bounty hunters Flip hired to kidnap and kill them, because he still wanted revenge on us for what we did in ruining his scams again. Well, after Lincoln rescued them and the girls told us Flip hired those thugs to kidnap and kill them to get revenge, Blitzo and the I.M.P. gang went down there and unleashed all kinds of hell on him.

Loona: Whoa, so this is Lake Lamode, huh? This is quite a nice place.

Lincoln: Yep, and it's perfect for our date, Loona. Shall we?

Lincoln, Loona, Jasmine (Pokémon), Lana (Pokemon), Lillie, Mallow, Nessa, Shauna, Chloe Cerise, Kris, and Marnie had a swimming race and had a lot of fun, and they went inside an indestructible glass dome and they had a game of volleyball and Loona, Jasmine (Pokémon), Lana (Pokemon), Lillie, Mallow, Nessa, Shauna, Chloe Cerise, Kris, and Marnie got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to Loona, Jasmine (Pokémon), Lana (Pokemon), Lillie, Mallow, Nessa, Shauna, Chloe Cerise, Kris, and Marnie and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: Hey, Lincoln, how was your date?

Lincoln: It was awesome, Nico, we went to Lake Lamode.

Loona: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) And for our first beach date.

We also saw they had Elemental Thunderbird Necklaces of Eternal Love with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha.

Jasmine (Pokémon): And this was due to us harboring feelings for Lincoln, and they came into light when he saved us from those bounty hunters Flip hired to kidnap and kill us. What a moron!

Me: Yeah, he's always been a stupid cheapskate and moron, and we saw what Blitzo and I.M.P. did to him after he found out.

Nico: Yep, it was really bloody and horrific.

Lincoln: Now, I saw why they're known as Hell's top assassins, and those they got marked for death, they won't stop until they get the job done, and it always ends in blood.

Loona: It's a bloody damn job, but it's what we live for.

Me: Nice.

---

Later the mascots and me were all hot and sweaty.

Me: Whew! (Drinks Water) Ahh.

Igor: (to the mascots) You guys oka?

Poromon: We're hot and sweaty!

Me: Well I got back from a spar with Nico. So I'm really sweating.

But yeah our air conditioning system is on the fritz.

Nico: How can that be? How can you guys be so hot? We're 528,000 feet up.

Poromon: We're just really hot!

Poliwag wiped his face with a rag.

Me: Uh that's my sweat rag Poliwag.

Poliwag: EWW!

Then…

SPLAT!

He threw it and it hit me on my face.

Me: Ahh! That feels good.

Aang: You guys need something to cool down.

Me: Whew! I agree. Aang can you blow on my head with some wind?

Aang: Sure thing.

He formed a ball of wind and it blew on me.

Me: Ahh! That feels good.

Poliwag: Hmm. Yeah we do.

Poromon got an idea.

They later went to the department store and came back with a fan.

Trypticon: Whose money was used for that?

Poromon: Mine. We got a job earlier at a hotel to promote people to stay.

Nico: Oh! That makes sense.

Me: But you guys didn't need to get one. We got some fans down in the basement you can use.

Poliwag: Oh. OOPS.

Eli: No worries.

Me: Lets get it set up.

We got it all set up for them and turned it on and it blew on them,

Poromon: Ahh!

Poliwag: Sweet Relief.

Manaphy: That feels awesome.

Cybertron Metroplex: (Scottish Accent) Lads, you 4 have a job?! At your size?!

Poromon: Well we got to work somehow!

Me: Remember that hotel where that kid was hurting Jack Spicer? To help promote them they decided to work there as cute mascots for it.

Nico: Wow that is cool.

Laney: It sure is.

Xenia: I think it's a great way to help out.

Proto Man: Nico, which teams have you made this time?

Nico: Leni's group will include Dustin Brooks, Mermaidman & Barnacle Boy, The Quickster, Captain Magma, and Ms. Appear. Lori's group will include Bisca Mulan, Mr. Krabs, Golden Locks, Crimson Chin, and Catman.

Me: Awesome choices!

SpongeBob: Mermaidman and Barnacle Boy are going to be excited for that.

Me: Same with the I.J.L.S.A.

Qin: Yeah!

Lily: Yeah this is gonna be cool!

Lori: And this is literally going to be fun.

Bisca Mulan: It sure will be awesome.

Then Bronze Kneecap, El Oso, Cavalier, Count Vertigo, Overdrive, DC Enchantress, Tar Pit, Black Spider, Koragg, Speed Demon, Bond Man, Creepy Lighthouse Keeper, Evil Star Man, Flotsam & Jetsam, Queen Cannabis, Glue Man, Owl (One Night At Humpty's), Nightshade, Evil Snake, and May Kanker appeared.

Bronze Kneecap: Can me, El Oso, Cavalier, Count Vertigo, Overdrive, DC Enchantress, Tar Pit, Black Spider, Koragg, and Speed Demon go with you guys?

Bond Man: Me, Creepy Lighthouse Keeper, Evil Star Man, Flotsam & Jetsam, Queen Cannabis, Glue Man, Owl (One Night At Humpty's), Nightshade, Evil Snake, and May Kanker are coming too.

Nico: Yes you all can come with us. Here's our awesome mission. We're going to Salem, Massachusetts to meet Norman Babcock.

Me: From the movie ParaNorman!? AWESOME!

Danny Phantom: Wow! I heard he has the power to talk to ghosts.

Shaggy: ZOINKS! That is scary!

Nico: Yeah I know. But first we're going to watch the movie so we can get a good idea on who our target is.

Laney: Okay.

We got to watching the movie

---

In the small fictional town of Blithe Hollow, Massachusetts, Norman Babcock is an 11-year-old boy who speaks with the dead, including his late grandmother and various ghosts in town. Almost no one believes him and he is isolated emotionally from his family while being looked down upon by his own peers around the school. His best friend, Neil Downe, is an overweight boy who is also bullied, and finds in Norman a kindred spirit. After rehearsing a school play commemorating the town's execution of a witch three centuries ago, the boys are confronted by Norman's estranged and seemingly deranged uncle, Mr. Prenderghast, who tells his nephew that he soon must take up his regular ritual to protect the town. Soon after this encounter, Mr. Prenderghast dies of a heart attack.

During the official performance of the school play, Norman has a nightmarish vision of the town's past in which he is pursued through the woods by townsfolk on a witch hunt, embarrassing himself and leading to a heated argument with his estranged and paranoid father Perry, who later grounds him. His mother Sandra tells him that his father's manner is stern because he is afraid for him. The next day, Norman sees Prenderghast's spirit who tells him that the ritual must be performed with a certain book before sundown that day; then making him "swear" to complete the task, Prenderghast's spirit is set free and crosses over. Norman is at first reluctant to go because he is scared but his grandmother tells him it is all right to be scared as long as he does not let it change who he is. Norman sets off to retrieve the book from Prenderghast's house (having to take it from his corpse).

He then goes to the graves of the five men and two women who were cursed by the witch, but finds that the book is merely a series of fairy tales. Alvin, a school bully who always picks on Norman, arrives and prevents Norman from reading the story before sundown. Norman attempts to continue reading from the book, to no effect. A ghostly storm resembling the witch appears in the air, summoning the cursed dead to arise as zombies, who chase the boys along with Neil, Norman's 17-year-old sister Courtney, and Neil's older brother Mitch, down the hill and into town. Having realized that the witch was not buried in the graveyard, Norman contacts classmate Salma (who tells them to access the Town Hall's archives for the location of the witch's unmarked grave) for help. As the kids make their way to the Town Hall, the zombies are attacked by the citizenry. During the riot, Norman and his companions break into the archives but cannot find the information they need. As the mob moves to attack Town Hall, the witch storm appears over the crowd. Norman climbs the Hall's tower to read the book, in a last-ditch effort to finish the ritual, but the witch strikes the book with lightning, hurling Norman from the tower and deep into the archives.

Unconscious, Norman has a dream where he learns that the witch was Agatha "Aggie" Prenderghast, a little girl of his age and a distant relative, who was also a medium. Norman realizes that Aggie was wrongfully convicted by the town council when they mistook her powers for witchcraft. After awakening, Norman encounters the zombies and recognizes them as the town council who convicted Aggie. The zombies and their leader Judge Hopkins admit that they only wanted to speak with him to ensure that he would take up the ritual, to minimize the damage of the mistake they made so long ago. Norman attempts to help the zombies slip away so they can guide him to Aggie's grave, but is cornered by the mob. Courtney, Mitch, Neil, and Alvin rally to Norman's side and confront the crowd, arguing that their rage, fear, and misunderstanding make them no different from the cursed townsfolk from long ago. Although the mob realizes the error of their ways, the witch unleashes her powers to create greater havoc throughout the town.

Judge Hopkins guides Norman's family to the grave in a forest. Before the grave is reached, Aggie's magical powers separate Norman from the others. Norman finds the grave and interacts with Aggie's vengeful spirit, determined to stop the cataclysmic tantrum she has been having over the years. Though she attempts to push him away, Norman holds his ground, telling her that he understands how she feels as an outcast, that her vengeance has only made her like the ones who wronged her, causing her to remember happier days. Having finally encountered someone who understands her plight and by remembering her caring mother, Aggie is able to find a measure of peace and cross over to the afterlife. The storm dissipates, and she, the zombies and even the Judge all fade away.

The town cleans up and regards Norman as a hero.

In the end, Norman watches a horror film with his family and the ghost of his grandmother, who have grown to accept Norman for who he is.

---

We were amazed and in awe.

Nico: AWESOME!

Me: YEAH IT IS!

Lana: Awesome movie!

Xenia: So our target is Judge Hopkins.

Nico: Yep.

Me: I can't believe his fear would cause him to kill a little girl from 310 years ago!

Xenia: How inhumane can you get!?

Nico: He is totally enthralled in his fear.

Camie: What a monster.

Me: Yeah.

I went over his history.

---

Judge Hopkins is the overarching antagonist of Laika's second full-length animated feature film ParaNorman.

He is a former judge and the leader of a group of zombies who was actually responsible for the entire film's plot events, but he lives in regret for wrongfully sentencing Aggie Prenderghast to her death for the alleged crime of witchcraft in his mortal life.

He was voiced by Bernard Hill.

## Mortal life

Judge Hopkins was one of the original townspeople in Blithe Hollow. In the original settlement, there lived a girl named Agatha "Aggie" Prenderghast, who had the ability to talk to the dead. Having been brought up as Puritans, Hopkins and everyone else was afraid of her, believing that she was practicing witchcraft that she gained by making a deal with the Devil. They took her from her mother and sentenced her to hang. Angry at everyone's intolerance, Aggie unleashes her apparently hidden powers, swearing to make them suffer.

After their deaths, Hopkins and the other Puritans that condemned Aggie realized their mistakes and spent the next 300 years in guilt and regret. Aggie's curse was that they would rise from the dead as zombies and suffer like she suffered. The curse was prolonged because members of Aggie's family would read her fairy tales to keep her spirit asleep.

## As a zombie

Three hundred years later, when Norman Babcock, not understanding the whole story, fails to read the fairy tales to Aggie because he was distracted by a bully named Alvin. Aggie's angry spirit and the zombies began to rise, Alvin and Norman make a run for it, eventually catching up to Norman's sister, Courtney, his best friend, Neil, and Neil's older brother, Mitch. Mitch accidentally runs over one of the zombies and the kids make a hasty drive to get away from them. Judge Hopkins tries to personally climb aboard Mitch's van but Mitch floors it, leaving Hopkins hanging from the back, struggling to reach for Norman.

Hopkins and the other zombies move on into the town, where they are confused and terrified of the modern world around them. The people of Blithe Hollow think they are being attacked, create an angry mob, and try to fight the zombies, even through the storm Aggie personifies herself as causes more damage. Eventually, Norman and his friends look into the town hall, looking for Aggie's records, to no avail. Eventually, Norman is knocked unconscious when Aggie's storm strikes the building.

Norman has a magic-induced flashback of Aggie's trial, he eventually wakes up surrounded by the zombies. The Judge (who apparently is the only one who can talk to Norman) walks up to him, but Norman shouts at him, calling him out for what they did to Aggie. The guilt-ridden Judge admits his fears got the better of them and they do deserve their fate but are trying to make up for what they did, no matter how unforgivable it may be. Hopkins tells Norman the curse is their punishment and he must help the zombies.

Hopkins and the other zombies offer to take Norman to Aggie's grave so he can personally reach out to her, but they are cornered by the angry mob, who threaten to lynch Norman for being "in league" with the zombies, but Norman's friends, who realize how important Norman's goal is, calls them out on it. Norman's family decides to drive him to Aggie's grave, with Hopkins joining in to guide them (leading to a very awkward car drive) and the other zombies stay behind.

Around the end of the film, after Norman reaches out to Aggie and she goes back to sleep, Hopkins and the other zombies begin to crumble to dust and their spirits fade away, this time everyone else could see them as they move on. The Judge disappears in front of Norman's family with a sad and regretful look on his face, though he is grateful towards Norman for ending the curse for good. It's not clear if they go to Heaven or Hell when they moved on. Judging from the fact he and the rest of the zombie regret and show remorse for this misdeeds, they most likely are allowed to rest in peace rather than suffering eternal damnation.

We were shocked!

Qin: What he did is a massive miscarriage of justice!

Nico: No kidding!

Xenia: Yeah!

Princess Rose: Nico, which Gene Slammer do you think you'll meet next time?

Nico: Hmm. How about ones for Terrorking Archfiend, Infernalqueen Archfiend, Desrook Archfiend, Shadowknight Archfiend, Darkbishop Archfiend and Vilepawn Archfiend?

Me: Ooh the chess fiends next. I like it.

Camie: That's an awesome idea.

Xenia: It sure is.

Lola: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than an evil version of Nezbitt, and he's come back to get revenge on us for destroying him last year. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us today?

Lincoln: You guessed it, Nico, and none of us are going to like this one bit: the dark energy signal we sensed belongs to an evil version of Nezbitt, and he's come back to get revenge on us for destroying him last year.

We gasped in shock, including Dawkins Dalmatian since he was the one who destroyed Nezbitt last year, and when he found out, he growled in anger and clenched his paw so hard, his nails punctured his palm and blood came out and the drops hit the floor and they sizzled.

Dawkins Dalmatian: (British Accent) Why, that good-for-nothing… !

Dolly Dalmatian: Uh oh, I haven't forgotten what Dawkins did to Nezbitt last year, and after what he'd heard about Nezbitt, that really did it.

Nico: Yeah, I haven't forgotten the mess he made of Nezbitt last year, sheesh. Alright, gang, let's go, we're heading down to Massachusetts to meet Norman.

Lincoln: And take down Judge Hopkins and help Aggie Prenderghast rest in peace for good, and once we undo this injustice that was committed against her, you're next, Evil Nezbitt.

Dylan Dalmatian: I'd better keep Dawkins under control after we put down Judge Hopkins for what he did in getting Aggie Prenderghast wrongfully sentenced to death, 'cause he's still that riled up about finding out that an evil version of Nezbitt had returned, and now, he's wanting revenge.

Nico: Keep Dawkins restrained until then, Dylan, then, once Judge Hopkins is dealt with, then you can unleash Dawkins.

El Oso: Let's get going!

Creepy Lighthouse Keeper: But let's also stay on guard.

Nico: Agreed. Lets roll!

We were off to Salem.

---

SALEM, MASSACHUSETTS

---

We arrived in Salem, Massachusetts.

Me: Here we are guys.

Shannon: Salem, home of my ancestors.

Nico: Yep.

Eli: I just can't believe that judge would kill a little girl for witchcraft.

Me: Well his fear destroyed his mind. Also Massachusetts was still recovering from the Salem Witch Trials back then so there were still traces of fear and persecution still present back then.

Nico: I know. Makes me sick seeing that happen to Aggie. She did nothing to deserve that!

Camie: You're not kidding Nico.

Jesse Glenn: Fear can turn one's mind into something vile.

Plitheon: Like with the judge.

Me: Ain't that the truth.

Qin: Yeah. Like what happened to Nikki Lemmington's mother.

Nico: Yeah I remember that!

Xenia: That was horrible.

Camie: I heard her mom went bonkers.

Nikki Lemmington: Yeah my mom is too far gone.

Me: Yeah.

Evil Star Man: Think there are any Yokai here?

Cavalier: I hope not.

Nathan Adams: Don't worry if there are we'll get them,

Me: Yep. We'll find them.

Katie Forester: Yeah.

We then got to Norman's house.

Me: There he is.

We went over to him.

Me: Norman? It's awesome to meet you.

Norman Babcock: Wow! Team Loud Phoenix Storm it's an honor to meet you all.

Me: Same here to you.

Count Vertigo: We know that people pick on you.

Flotsam: But you do have a few friends.

Jetsam: Even that Alvin guy.

Me: That's true.

Norman Babcock: I know. I still think I'm a freak.

Me: Norman you are not a freak. You're just a little boy and you were given a great gift.

Nico: That's right.

Tidal Wave: Tidal Wave don't think Norman is a freak.

Eli: Me neither Norman.

Wolverine: We know how you feel Norman. Throughout most of our lives all us Mutants were called freaks. But J.D. and everyone saw through that and made us what we really should be, human beings.

Me: That's right. The X-Men and the mutants were all born with their powers. And we made them feel special by showing everyone that mutants and humans ALL can coexist..Norman you are not a freak at all. You have this amazing power that can see the dead and that is a great gift. You can do great things with it just like we have.

Queen Cannabis: If the X Men can use their powers for good, so can you.

Overdrive: Also, you got any vehicles I can use?

Nico: I did get one.

Nico got out a Flamethrower Tank.

Overdrive: A Flamethrower Tank. Good choice.

Norman Babcock: Oh you guys are right. And I have been using my powers for good. My friends have been having spirits come to me and I've been trying to help them cross over.

Me: That's good. You're making a lot of progress.

Tussle Sprout: Also, Haruto, you and Elyon get to shine today.

Haruto: OH YEAH!

Elyon: Sweet!

Me: This is gonna be good.

Norman Babcock: Then you guys must know that Judge Hopkins is back.

Me: We sure do. And this injustice is not going to stand with what he did 310 years ago.

Nico: That is for sure.

DC Enchantress: As a magic user myself, I can't wait to teach him a lesson.

Glue Man: It's funny 310 is the number of core members that we have.

Me: Yeah but this was what he did to Aggie back in 1712.

Glue Man: That does make sense.

Nico: It's true.

Qin: We're not letting Hopkins get away with this terrible miscarriage of justice.

Me: Because he committed this, I would call it an act of murder.

Eli: Me too.

Norman Babcock: Same here. What he did to Aggie is a huge miscarriage of justice.

Pain Yatta: Also, Norman, want some candy from me? Halloween's tomorrow.

Norman Babcock: You bet I do.

Pain Yatta burped out some candy and he gave it to him.

Me: What did you expect? He is a living piñata.

Norman had some chocolate and it was awesome.

Eustace: Stupid dog! (Gets out ugly mask) OOOGA BOOGA BOOGA!

Courage: AAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHH!

Eustace laughed!

KABONK!

Muriel and Francesca bashed him on the head with a rolling pin.

Eustace: OW! WHAT DID I DO!?

Owl (One Night At Humpty's): Norman, you should call your friends over here.

Tar Pit: We need all the help we can get.

Norman Babcock: Good idea.

He called in Alvin and Neil Downe and his sister Courtney Babcock.

Nico: Awesome meeting you guys.

Alvin: Same here Nico.

Courtney Babcock: Yeah it's an honor.

Neil Downe: It's awesome.

Emerald Sustrai: Where do we find the judge?

Norman Babcock: He's in the graveyard.

Shaggy: ZOINKS! Like not the graveyard!

Scooby Door: Reah!

Nico: Then that's where we need to go.

Shaggy: (COWARDLY WHIMPERING) Like not on your life! NO WAY!

Scooby Doo: REAH! NO WAY!

Nico: Shaggy, Scooby there's no time for you to go chicken!

Shaggy: Then you guys can go! (HE AND SCOOBY START RUNNING) BYE!

Erika grabbed him and Scooby.

Erika Haddock: You two chickens aren't going anywhere!

Shaggy and Scooby started clucking like chickens!

Nico: Lets go guys.

Me: Chickens.

Ed: A chicken J.D.!?

Me: Yeah Shaggy and Scooby are chickens.

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

We were off to the graveyard.

Nightshade: Erica, what's that bracelet on your wrist?

Black Spider: Is it special?

Erika Haddock: Oh you mean my tennis bracelet? I won that at an Arcade before I got gene-slammed. Took over 120,000 tickets to win.

Lincoln: Wow that is amazing Erika.

Nico: Wow! I didn't know you won that Erika.

Erika Haddock: Nice to know that it stayed on me even as a tyrannosaurus rex.

Xenia: That's a nice bracelet.

Circe: What's it made of?

Erika Haddock: Gold and diamonds and sapphires.

Nico: Wow!

Laney: That is beautiful.

Rarity: Oh it's most amazingly beautiful darlings.

Me: It sure is.

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

Evil Snake: Shaggy and Scooby are the chickens this time.

Koragg: Why don't you go hug them?

Erika Haddock: I'm trying not to let him do that. He will crush them.

Koragg: Oh right.

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

Nico: Oh boy.

Norman Babcock: We're here.

We saw that we were at a REALLY SCARY and CREEPY GRAVEYARD!

Qin: Whoa.

Brittney: Any graveyard is perfect for me and the goths.

Beastbox: We do our entrance as soon as the judge shows up.

Me: Right. Or when Danny and Lincoln's Ghost Sense goes off.

Danny and Lincoln's ghost sense went off.

Nico: He's close.

Norman then saw JUDGE HOPKINS.

Norman Babcock: There he is.

I used my powers and made him visible.

Me: Target sighted.

Nico: Lets go.

We went at him.

The spirits of ghosts then swirled around him and then converged and then DARK LIGHTNING STRUCK ALL OVER AND GHOSTS APPEARED AND THEN MOANED AND THEN THEY CONVERGED AND WE CAME OUT!

Me: Judge Hopkins, you are in big trouble!

Nico: What you did was considered a massive miscarriage of justice!

Judge Hopkins: That girl was nothing but trouble!

May Kanker: No, she wasn't!

Speed Demon: She was an innocent girl!

Me: YEAH! She was a normal girl and you took away her life for no fucking reason!

Haruto: And now, you'll pay for her death!

All Dragon, Please!

He went ALL DRAGON!

Me: You are hereby DISBARRED!

Nico: YEAH!

Me: This time we're sentencing you to death! In the 9th Circle of Hell!

Eli: I agree!

Then Beautiful Gorgeous, Red X, Kite Man, Katnappe, Control Freak, Kaos, Mr. Fizz, Dr. Viktor, Technus, Girder, Evil Crash Man, Stink Bug, Allomere, IR Baboon, Thunderhoof, Trident, Virgo Zodiarts, Evil Yamato Man, Evil Magma Man, and Hot Rodney appeared.

Beautiful Gorgeous (to Erica): You never told us you had that bracelet.

Erica Haddock: It completely slipped my mind.

Red X: Well, at least you remember now,

Kite Man: And you showed it to us.

Nico: Yeah.

Katnappe: (to Nico) We heard you went to the Moonlands.

Nico: We sure did.

Control Freak: Find anything interesting there?

Nico: Just battling Another Alien.

Me: We faced Another Ultimate Stinkfly.

Xenia: Yeah it was awesome.

Me: WHEW! But man it was a stinky one. Literally.

Laney: Yeah.

Pumpkin Rapper then came out.

Me: Pumpkin Rapper. Perfect for Halloween.

Pumpkin Rapper: It really is a good time for my turn considering it's Halloween tomorrow!

Me: Yes it is.

Qin: Yep.

We got the usual battles underway.

---

Beautiful Gorgeous was first.

Beautiful Gorgeous: (to Rita) Nico's rescue was in Arderial in The Moonlands. You guys haven't been there in a while.

Rita: I know. It really has been a while since we were there.

Princess Celestia: But it's always really beautiful going to the Moonlands.

Solar Eclipsa: It sure is.

Hunter: (German Accent) Oh mein gott! She smelled worse than a German Sausage gone rotten!

Sunset Shimmer: UGH! It was horrible! J.D. said she hadn't also taken a bath for 14 years. Living on the streets did that to her.

Pipsqueak: (British Accent) Yeah it was awful!

Sunburn: Yeah no kidding there! And I thought the stink boost of the Dino Fury Rangers smelled bad!

Mike Chilton: Yeah no kidding!

Julie Kane: That was awful!

Red X: No kidding! Lets do it!

Hunter summoned Cavalier and merged Hermos with Lorelai the Symphonic Arsenal and it formed into THE LORELAI FLUTE OF MAGIC! They fired waves of magic and fire and smashed him down.

## Wonder Woman, Rainbow Dash, Scootaloo, Air Skylanders, Space Ghost, Jesse Glenn and Snarler VS Kite Man - Lincoln's rescue in the Abbey of Thelema in Cefalù on Sicily

---

Kite Man was next.

Kite Man: (to Wonder Woman) I heard Lincoln's rescue was in the Abbey of Thelema in Cefalù on Sicily. How was it?

Wonder Woman: It was a really strange but interesting place. In 1920, Aleister Crowley moved here to Cefalù, and he built Thelema Abbey to pursue his pursuits in the Occult, and he had quite a following, and it was from here that he and his cult could follow his pursuits in magic, and none of them ever bothered to restrict themselves, since Thelema is a Greek word meaning "Will. But, it tragically ended in 1923 with the death of one of his followers, Raoul Loveday, who was suffering from acute enteric fever due to the ritual consumption of cat's blood. Mussolini was so embarrassed by the ordeal, his government ordered the expulsion of Crowley, and after Crowley's departure, Thelema Abbey was eventually abandoned and local residents whitewashed over Crowley's murals. But, throughout the decades, the abbey had late night visitors, and they've done rituals there in Thelema Abbey, and it's believed that the powerful forces in the abbey still draw those who knew of Crowley and his ways.

Kite Man: Wow! That is amazing!

Rainbow Dash: But it was really creepy.

Scootaloo: It sure was

Whirlwind: No kidding. It's amazing what happened there.

Space Ghost: It sure was scary though to see.

Kite Man: Yeah no kidding. Lets do it!

Wonder Woman summoned Forest Queen Diana and merged Hermos with Amazoness Swords Woman and she got a powerful sword called THE AMAZON SWORD OF HERA! They fired waves of energy, rainbows, wind and lightning and smashed him down.

Starfire, Pinkie Pie, Featherweight, Tech Skylanders, Kiramagers, Skywarp and Thundercracker VS Katnappe - Meeting the Seraphina Sisters who are Hazy Flame Gene-slammers

---

Katnappe was next.

Katnappe: (to Starfire) I heard you guys met the Seraphina Sisters. They're the Hazy Flame Gene-slammers, right?

Starfire: That's right. And their names are Stella, Hestia, Nuria, Helia, Alinta, Bridget, Eliane, and Ember Seraphina and they are 8 girls that all were born on the same day and they look alike but have symbols on their foreheads that look like creatures of myth.

Katnappe: Interesting. At least we can tell who is who with them.

Pinkie Pie: That's right and their stories are all amazing.

Featherweight: They sure are.

---

Stella Seraphina: Whoa, we were right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Hestia Seraphina: You said it, sis, he's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Nuria Seraphina: That's incredible, and we'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, girls, what's the stories on why you hate Lori, Lynn, Lola, Lisa, and Luan with a blazing passion?

Stella Seraphina: Allow me and Hestia to go first. One day, Hestia and I were with Lincoln and we were doing some workouts at our home gym, and we've always made it our mission to help Lincoln get into shape as well. But, our workout day got ruined when we heard the sound of shrieking in the air, and when we saw who it was that made that shriek of pure rage, we were pissed: it was Lori. She got out a knife and tried to stab Lincoln again for no reason other than to slake her thirst for blood again, but Lincoln fired a powerful fire blast at Lori and sent her back, and that really pissed Lori off again and she tried yet again to stab Lincoln, but Hestia and I charged out and we fired two powerful fire blasts at Lori and we burned her eyebrows off and that'd really set her off, but before she could attack again, we pounced on Lori and we brutally pummeled her, and we tied that bitch up with nylon so she couldn't escape.

Lincoln called his parents, and Lori got herself grounded for thirteen weeks and we threw her in a cage like the animal she is.

Nuria Seraphina: Alright, now it's my and Helia's turn. One day, Helia and I were with Lincoln and we were heading home from an awesome day ay Gus' Games and Grub, but when we were about to open the door, we suddenly felt that something was amiss, and Lincoln knew what it was: Luan had booby-trapped The Loud House with lethal pranks to kill him and us when we walked in through the front door. We were pissed beyond belief that Luan did this, but Lincoln told us the back door wasn't booby-trapped, so we went in through there and once inside, we proceeded to disable all of Luan's pranks and traps, and after that, we marched into Luan's room and we were really mad at her, and when she saw we weren't hurt, Luan tried to run, but Lincoln made a ring of fire which surrounded her, and Helia and I proceeded to pummel her and we tied her up. We then told the parents what she did and Luan got grounded for thirteen weeks and we tied her up in a straitjacket and threw her in a cage.

Alinta Seraphina: Now it's my and Bridget's turn. One day, Bridget and I were with Lincoln and we were having a fun time in the park, but then, we heard the sound of thundering footsteps and we also caught the smell of stinky gym socks and gym clothes, and Lincoln knew who that belonged to: it was Lynn, and she tried to attack him saying it was for her "sparring", but we knew that moron wanted to beat Lincoln up again, but Lincoln blocked her punch and sent her flying with a punch to the stomach, and that really set Lynn off, but it also set us both off and we jumped on Lynn and we pummeled her and we tied that animal up, and when we got done with telling everyone what Lynn tried to do, Lynn got her butt grounded for sixteen weeks and we tied her up in a straitjacket and threw her in a cage like the animal she is.

Eliane Seraphina: Now, it's my turn. One day, Lincoln and I were in the kitchen and he was preparing a snack for us. But, then, we heard the sound of an unholy shriek in the air, and we heard the door slam open and we saw who it was: it was Lola and she was on yet another rampage, she tried to kill Lincoln again, but I grabbed Lola by her dress and I proceeded to pulverize her, and after I tied her up, I demanded an answer from her, but all I got was her spitting fire at me, yeesh. Lana came in and she told me that Lola was really furious that Lincoln's not a butler at her tea party when clearly he had plans with me, and when Lola found out, she went ballistic and she attacked Lana and then, she was going to kill Lincoln. I was really peeved at Lola, and after we told the parents, she got her pink-wearing butt grounded for two weeks with no dessert and I threw her in a cage like the animal that she is.

Ember Seraphina: And now, it's my turn. One day, Lincoln and I were heading home from school, but then, we heard the sound of robots being activated, and then, we saw an army of robots come out and they had lasers and weapons out, and that sent everyone running for the hills, and we soon saw who it was that did this: it was Lisa and she was laughing like a madman. Lincoln and I were getting so tired of Lisa's mad scientist rampages again, so we fired blasts of fire and melted the robots into molten metal and then I grabbed Lisa and Lincoln tied her up with nylon, and when we got home and told everyone, Lisa got grounded for ten weeks and Lily changed the password on Lisa's bunker again after she put all of Lisa's lab materials in there.

When the girls were done, we really cheered.

Nico: Wow, when it comes to defending Lincoln from Lori, Lynn, Lola, Lisa, and Luan, you girls don't mess around.

Lincoln: They sure don't, and those actions from Stella and her sisters made Lori, Lynn, Lola, Lisa, and Luan despise and hate them even more, and we saw them trying to form a way to kill them again, but when we found out, we hogtied them up, and when we showed Mom and Dad of what those five tried to do, they all got a fifteen week grounding and we also had them put in a large cage after we put them in straitjackets.

Luna: They had it coming, dude, and what Stella and Hestia did in burning Lori's eyebrows off, that was too hilarious, and they grew back in uneven, and they knew Lori tried to kill Lincoln before along with them, and she had to pay the piper for her misdeed.

Laney: Same with Luan for booby-trapping the house with lethal pranks to kill Lincoln, Nuria, and Helia.

Lucy: Same with Lynn for trying to beat up Lincoln again for her sick amusement.

Lana: Along with Lola for her temper tantrums again.

Lily: And the same went with Lisa for her mad scientist rampages again, but they were gluttons for punishment as they didn't learn their lessons again.

Lynn: Yeah, we were stupid.

Poromon: But, you learned your lessons, otherwise, we'll do what Curly does and bark at you like dogs and send you running to your rooms.

Lynn: We ain't scared of that. Take your best shot!

Poliwag: You asked for it!

Mascots: RUFF! RUFF!

That caused Lori, Lynn, Lola, and Lisa to run for it back to their rooms.

Luan: (As Mr. Coconuts) Hey, who let the bloodhounds loose?

Poromon: (Points to Poliwag) Poliwag did it!

Poliwag: Why you rat!

LOUD CRUNCH!

Lincoln cracked his knuckles and it was so loud, we knew the Mascots and Ed heard it.

Ed and Mascots: (Covers their ears) WHAT A PEST!

Edd: That's disgusting.

Ed and Mascots: MAKE HIM STOP!

FLASHBACK ENDS

Katnappe: WOW! These girls REALLY meant business! Never mess with the Seraphina or you're going to get burned.

Juru: Yeah Big Time!

Katnappe: That is awesome. Lets do it!

Starfire summoned Umbra and merged Hermos with Cosmic Blazar Dragon and it formed into a powerful sword of the stars. It was called THE STARLIGHT BLAZAR SWORD OF THE COSMOS! They fired waves of metal, gears, lightning and energy and stars and smashed her down.

---

Control Freak: (to Nicole) Mascots were hot so they bought a fan. Also, I'm gonna summon an old friend of Fox's next.

He summoned The Red Eye King from Star Fox Adventures!

Nicole: The Red Eye King! Good choice! Also yeah it was hot. Lana is fixing our air conditioning system so the Mascots got a fan to cool themselves off.

Starlight Glimmer: Yeah and we are 528,000 feet up so it should be cooler. I guess our tree keeps us warm by making it just right.

Cozy Glow: Yeah that is strange but cool.

Hex: It sure is.

Edmund: I think it's neat too.

Applejack: I was just about to say the exact same thing.

Apple Bloom: Me too. I think it's cool he can talk to ghosts.

Flashwing: I agree there too.

Dawkins Dalmatian: (Growls) (British Accent) And right on time is when we expect to hear that voice again. You can come out now, Evil Nezbitt.

A figure came out, and it was none other than Evil Nezbitt, and he was still furious at what Dawkins did in destroying him last year.

Nico: Damn, after what you did in destroying him last year, you've really pissed him off, Dawkins.

Evil Nezbitt: You fools have ruined everything, if you hadn't gotten in my way, I would've finally killed Yugi and his friends, along with the Kaiba Brothers, and now, I will kill you all and have my revenge!

Genene Tsuchidoro: That's never going to happen, Evil Nezbitt, and now, your days of causing havoc are about to end here and now.

Suddenly, Genene Tsuchidoro's brown eyes turned neon brown and she was surrounded by a brown energy aura with earth, rocks, earth creatures, stars, and earth angels, she unholstered her massive Aussa the Earth Charmer-themed greatsword from her back, and as she approached Evil Nezbitt, she left brown energy, earth, rocks, earth creatures, stars, and earth angels with every step.

Genene Tsuchidoro: Evil Nezbitt, I will never ever forgive you for the crimes that you committed against Yugi and his friends, you're nothing more than a monster and a dark shadow who's plagued the world of Duel Monsters for the last time, and for that, you will pay for your crimes with your life.

Suddenly, Genene Tsuchidoro was surrounded by a massive vortex of brown energy with earth and rocks and stars surrounding the vortex, there were earth creatures, earth angels, and Aussa the Earth Charmer flying around the vortex, and in the vortex is a brown phoenix. Then, as the vortex faded, Genene Tsuchidoro emerged, but she was changed forever.

Suddenly, Genene Tsuchidoro's massive Aussa the Earth Charmer-themed large greatsword and all of the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of brown energy, earth, rocks, earth creatures, and earth angels, and when it emerged, it transformed into Aussa the Earth Charmer's Firestorm Rockstorm Charmer Greatsword of Earth Charmer Angel Love, it's a brand-new large greatsword with Aussa the Earth Charmer etched on the 7'0" massive, wide, double-edged brown blade, large brown angel heads for the crossguard, large brown gem embedded in the rainguard, longer midnight black handle, four large angel heads and a large brown gem below the angel heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with brown gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Aussa the Earth Charmer's head with brown gems for eyes and a large brown gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Genene Tsuchidoro has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA ROCKSTORM STAR EARTH CHARMER ANGEL OF DIVINE GAIA EARTHSTORM CHARMER JUSTICE AND DIVINE ROCK EARTH CHARMER ANGEL LOVE!

We were amazed by Genene Tsuchidoro's Super Angel Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Evil Nezbitt saw it, he fell into a dark rage and ran at her to kill her, but Genene Tsuchidoro fired a powerful brown energy blast with stars, earth, rocks, earth creatures, and earth angels at Evil Nezbitt and it exploded with incredible power and sent him flying into a wall, but he's not out yet, and he was now incredibly pissed off.

Nico: Whoa, Genene Tsuchidoro's transformed, nice.

Suddenly, Dawkins Dalmatian's rage couldn't be contained any longer and Dylan had no choice, but to let him go, but once he did, something within Dawkins Dalmatian's mind snapped as the memories of Nezbitt's crimes rushed through his head as his dark blue eyes turned neon dark blue and he was surrounded by a black and dark blue energy aura with stars, blue nebulae, molecules, chemicals, and Dalmatians, he unholsters his Defender of Camden Town sword from his back, and as he approached Evil Nezbitt, he left black and dark blue energy, stars, dark blue nebulae, molecules, chemicals, and Dalmatians with every step.

Dawkins Dalmatian: (British Accent) You're like a massive headache that just won't go away, Evil Nezbitt, even after you and Scorpius had bitten the microscopic dust thanks to me and Velma. (Suddenly Getting Extremely Pissed Off) And I meant every word I said about you last year, what you did to Tristan Taylor and Serenity Wheeler has proven just how evil, brutal, and heartless you really are. But, the difference between you and me is that I have emotions, and I love and care about my friends and family, that's something a cold-hearted robot like yourself would never understand, and for you to come back for revenge after refusing to learn… , YOU'VE CROSSED ONE FORSAKEN LINE TOO MANY, NEZBITT, AND FOR THAT, I'M GOING TO KILL YOU ONCE AND FOR ALL, AND THIS TIME, YOU'RE NEVER EVER COMING BACK FROM THE DEAD!

Nico: Whoa.

Dolly Dalmatian: We were right that Dawkins was going to explode like that if that evil version of Nezbitt showed up again, and now, he's really going to maim him!

Me: And since Dylan's already let Dawkins go, now nothing's going to stop him until that evil version of Nezbitt is gone forever.

Eli: HIT THE DECK!

We also ran for cover, as Dawkins Dalmatian screamed like a mad dog and he let out a primal scream of rage, as he was surrounded by a massive vortex of black and dark blue energy with stars, blue nebulae, molecules, and chemicals surrounding the vortex, there's a Dalmatian running around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Dawkins Dalmatian emerged, but he was changed forever.

Suddenly, Dawkins Dalmatian's Defender of Camden Town sword and all of the other swords he'd gotten began merging together and they're surrounded by a kaleidoscope of black and dark blue energy dark blue nebulae, molecules, chemicals, and Dalmatians, and when the sword emerged, it transformed into Inventor Dalmatian's Chemical Cosmic Storm Greatsword of Gadget Chemical Justice, it's a brand-new large greatsword with a Dalmatian etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black hound heads for the crossguard, large dark blue gem embedded in the rainguard, longer midnight black handle, four large midnight black hound heads with dark blue gems for eyes and in the open mouths and on the bottom of the heads is a large dark blue gem for the pommel, he has on his new large gold cuff Bracelets of the Champions of The Universe with dark blue gems on his wrists, his new large gold Belt of Elemental Bravery with a large gold Dalmatian's head with dark blue gems for eyes and a large dark blue gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. Dawkins Dalmatian has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA STELLAR BLUE FIRESTORM CHEMICAL SCIENCE STAR DALMATIAN ANGEL OF DIVINE STELLAR GADGET SCIENCE JUSTICE AND DIVINE BLUE FIRESTORM HOPE!

We were amazed by Dawkins Dalmatian's Super Angel Celestial Eternal Xelnaga transformation, but when Evil Nezbitt saw it, he went mad with rage, but Dawkins Dalmatian fired a powerful black and dark blue energy blast with stars, blue nebulae, molecules, chemicals, and Dalmatians, and it hit Evil Nezbitt and sent him flying into a wall, and it really pissed him off even more.

Nico: Oh man, now Dawkins has transformed.

Lincoln: He's going to rip Evil Nezbitt to shreds and he won't care if he gets stained with blood. And Genene, you look beautiful, how do you feel?

Genene Tsuchidoro: (Divine Echoing Cosmic Voice of The Gaia Earthstorm Earth Charmer Angel and Divine Rock Earth Charmer Love) I feel incredible, Linky. Now, shall we administer unto this monster his rightful punishment, and before Dawkins rips him apart leaving us out of the fun?

Lincoln: (Smiles) With pleasure, Genene.

Dawkins Dalmatian: (Divine Echoing Cosmic Voice of The Dark Blue Star Chemical Genius Dalmatian and Divine Stellar Blue Firestorm Hope) (British Accent) And I heard that loud and clear, Genene, and don't worry, you two aren't going to be left out of the fun.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Genene Tsuchidoro, and Dawkins Dalmatian also joined in.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of causing havoc and chaos for Yugi and his friends and the world of Duel Monsters are over, Evil Nezbitt, now it's time for you to die.

Genene Tsuchidoro, Lincoln, and Dawkins Dalmatian went after Evil Nezbitt, and they fired extremely powerful blasts of rainbow energy, brown energy, black and dark blue energy, chemicals, gadgets, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Dalmatians, and Mermaids at Evil Nezbitt, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him, and they also drew blood.

This was pissing Evil Nezbitt off greatly, but Genene Tsuchidoro, Lincoln, and Dawkins Dalmatian were just getting started, and Dawkins fired a chemical blast at Evil Nezbitt's eyes which burned his eyes and he was blinded, and Dawkins proceeded to maul him horribly, slash at his stomach with claws, bite him hard on the arm drawing blood, and break ever last bone in Evil Nezbitt's body. Suddenly, two beams of of light descended and a hand-cannon Blaster appeared for Genene Tsuchidoro, it was known as Aussa the Earth Charmer's Gaia Earth Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's brown with earth on the blaster with a Phoenix, Earth Angel, and Aussa the Earth Charmer surrounded by darkness etched on the sides, and a brown gem on the top of the blaster, and a hand-cannon Blaster appeared for Dawkins Dalmatian, it was known as Stellar Chemical Firestorm Dalmatian and it's modelled after Mario's Lightning Shark Blaster, but it's cyan blue with dark blue flames on the blaster with a Phoenix, Angel, and Dalmatian surrounded by stars etched on the side, and a cyan blue gem on top of the blaster.

Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he, Genene Tsuchidoro, and Dawkins Dalmatian fired blasts of rainbow energy, brown energy, black and dark blue energy, and elemental forces and when they hit Evil Nezbitt, they exploded with incredible power as they hit him and he was killed. Then, as they holstered their hand-cannon Blasters, Evil Nezbitt's spirit appeared and Genene Tsuchidoro, Lincoln, and Dawkins Dalmatian fired three black energy blasts with the Judgement Kanji and they hit Evil Nezbitt and he was erased by The Black Gates after he was found guilty for his crimes by those he hurt. We cheered wildly for what Genene Tsuchidoro, Lincoln, and Dawkins Dalmatian did to Evil Nezbitt as they holstered their massive greatswords on their backs and power down, and the new bodies, clothes, jewelry, weapons, and massive angel wings of Genene Tsuchidoro and Dawkins Dalmatian are permanent.

Dawkins Dalmatian: (British Accent) Good riddance forever, Evil Nezbitt, and don't you dare come back!

Genene Tsuchidoro: You got that right. And I want to thank you and Dawkins Dalmatian for helping me destroy Evil Nezbitt forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Genene.

Dawkins Dalmatian came back to us, and suddenly, Genene Tsuchidoro wrapped her arms behind Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Genene Tsuchidoro's face, they kissed passionately as Genene Tsuchidoro's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Aussa the Earth Charmer flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces behind them and mountains forming behind them and we cheered wildly. Lincoln and Genene Tsuchidoro came back to us, as the display and Aussa the Earth Charmer vanished.

Nico: Whoo, now that's what I call one awesome three-against-one battle, awesome job, guys.

Lincoln: Thanks, Nico, and Dawkins really let that monster have it, and it was definitely a repeat of what he did to Nezbitt last year, only it was a lot more bloodier.

Dawkins Dalmatian: (British Accent) Either way, I'm just glad that we're rid of Evil Nezbitt for good.

Nico: You said it. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: That's a good question, Nico, hmm. Ooh, here's a good one, how about a Gene-Slammer for Bonz' monster, Pumpking the King of Ghosts.

Gia Moran: Now, that's an awesome one, Lincoln, and perfect since tomorrow's Halloween.

Ruby Rose: Which means tomorrow is Angela's final Halloween.

Lincoln: That's right, Ruby. Come tomorrow night, we have a showdown with the Princess of Hell, Angela Franklin, and this'll be her final Halloween.

Kaos: Now, Aggie can rest in peace.

Mr. Fizz: Of course she can.

Dr. Viktor: She did nothing to deserve this fate.

Me: No she didn't and after 310 years she can rest in peace.

Technus: Now, let's get ready for tomorrow.

Girder: Which is Halloween.

Me: Awesome.

Nico: Can't wait to scare some bad guys.

Eli: Me too.

Laney: Yeah!

Norman Babcock: Thanks for helping us guys.

Me: No problem Norman.

Eli: (To the Viewers) Hope you liked this adventure as much as all of us did and just before Halloween.

Me: I know we all did.

Nico: Yep. Great job today everyone. Now lets get ready for Halloween tomorrow.

We all went back home and enjoyed the rest of the day and went to sleep.

Me: WHEW! So this is the Smoldering Marsh.

Xenia: Wow it's hot too.

Laney: No kidding.

Carly Atlas: Yeah it sure is hot. I like it.

Camie: And it's steamy and humid too.

Misty Tredwell: Yeah no kidding. I like it.

Loud House Dante: I do too. My kind of swamp too.

Nico: Thanks for coming with me, Dante.

Loud House Dante: No problem Nico. It's always fun to go with you.

Brittney: It sure is. And the Goths of Darkness love having you with us too

Me: We all do.

Loud House Dante: I think it's awesome too.

Laney: Same here.

Nico: So, Dante. You ready for Halloween?

Loud House Dante: I am always ready for Halloween.

Brittney: It's the Gothic Subculture's favorite holiday.

Lucy Loud: We always love Halloween.

Persephone: It sure is an awesome holiday.

Camie: Halloween is so fun.

Me: You guys will love my costume.

Laney: I can't wait to see it.

Nico: (to Dante) What about your costume?

Loud House Dante: You'll see what it is soon.

Varie: You'll love my costume. It's going to be fun.

Qin: I can't wait to show you mine.

Me: Yeah. Yesterday's mission was a good one.

Nico: (sadly) Aggie didn't deserve what happened to her.

Me: I know. What happened to her was a terrible miscarriage of justice.

Camie: Yeah that was horrible. She did not deserve that and one mans fear ended up killing her.

Laney: Yeah no kidding. Norman did really good helping her out.

Varie: He sure did.

Lana: Yeah.

Maria: What that judge did is a line we don't cross.

Me: No way no how.

Laney: Yeah.

Eli: He let his own fear and power cloud his mind to beyond the point of no return.

Lana: Yeah no kidding.

Lola: I feel really bad for Aggie. She was accused of something she didn't do and it ended up costing her everything.

Reggie Hjorleifsstræti: (Icelandic Accent) Yeah no kidding. What he did to a sweet little girl is murder on steroids.

Brynja: (Icelandic Accent) I agree there. He should never have been made a judge at all.

Juran: Correct me if I'm wrong. But didn't you guys already send kids to the Black Gates?

Nico: Juran, Aggie is nothing like Heather, Scott, Eva, and Alejandro!

Me: Yeah those guys were monsters. Heather, Scott, Eva and Alejandro all deserved it for all the pain and suffering they caused to so many people.

Juran: You have a point there.

Me: Besides, Aggie did nothing to deserve all that.

Laney: I agree there.

Camie: Aggie was a sweet little girl that did nothing to deserve to die like that. What that Judge did was all out of fear.

Xenia: That is true.

Nico: Dark Leo contacted me earlier. He said he and his team will be here shortly.

Me: Looking forward to seeing what his team is.

But then a gopher popped up out of a burrow.

Gopher (Lion King): Commander J.D.

Me: Yes?

Gopher: (Salutes) Sir! News from the underground. All the criminals that the Mystery Inc. Gang and you have busted over the years have escaped from prison and are here in the Smoldering Marsh. Sir!

Me: Thank you! Dismissed!

Everyone gasped!

Eli: That's cool that you have the Gopher from The Lion King giving you reports.

Me: It sure is. This is gonna be good.

Nico: And yes. The rest of the Dark Turtles are leading said team too.

Me: And talk about perfect timing too.

Nico: Yep.

Qin: Yeah! How can you be so stupid for being fired like that!?

Nico: Yeah!

Alice Dovely: They took everything from me!

Me: You have yourself to blame for that!

Cuthbert Creeps: You still meddled in everything!

Me: Meddling can be a really good thing! Also you know that million dollars you were going after was all in Confederate money right?

Nico: That's right. You did all that haunting for nothing. You got screwed big time.

Eli: That's right. Confederate Money is all worthless.

Camie: That's right.

Cuthbert Creeps: So it was all for nothing. What a shame. We did all that for nothing.

Me: Yeah you did.

Sougo: (gets out Drive Ridewatch) There might be a lot of you.

Armor Time! (Type Speed transformation music) Drive! Drive!

Geiz: (takes out Ixa Ridewatch) But we've been outnumbered before.

Armor Time! (Ixa Knuckle beeping, followed by rock music) Ready! Ixa!

Sougo got DriveArmor while Geiz got IxaArmor!

Nico: YEAH!

Me: And when are you bozos going to learn that CRIME DOESN'T PAY!?

Nico: No it doesn't!

I fired waves of blue fire and smashed them all down!

Nico: (takes out Black Knight Ghost's Ridewatch) This guy was Mystery Inc's first case.

Nico activated it and fired medieval energy and blasted down Wickles.

Me: (Activates Ghost of Captain Cutler's ridewatch) And here is their second case even Captain Cutler was never dead to begin with!

I fired waves of glowing seaweed and water and smashed down Captain Cutler!

Eli: Time for some hypnosis. (ACTIVATES GHOST CLOWN'S RIDEWATCH) (HYPNOTICALLY GLARES AT THE GHOST CLOWN) Look into my eyes of gold and you will do what you are told. You are hated by your friends and that's a fact, you will attack your fellow villains in this act!

Ghost Clown: Yes Master!

He punched and pulverized all the villains all over left and right!

Nico: WHOA! Nice one Eli!

Loud House Dante: My turn! (Activates Devack's Ridewatch)

He fired waves of yellow fire and smashed them down.

Nico: Oh yeah!

Eli: That was cool!

Nico: Now, who busted you guys out anyway?!

C.L. Magnus: As if we'll ever tell you!

Qin: He knows something!

Qin went over and grabbed him and used a technique on him taught by Ino. She dove into his mind and she saw a horrible sight! IT WAS 2015'S SLAPPY AND HE BUSTED THEM OUT TO DISTRACT US!

Qin: (GASP) Oh man! They were all busted out because of Slappy from 2015!

We gasped in shock!

Me: SLAPPY THE DUMMY FROM THE GOOSEBUMPS MOVIE!?

Nico: OH MAN! Now that is one I can handle.

Me: Yeah and after all the pain and suffering he caused to many of us all throughout the years he is tolerable.

Camie: Who is Slappy?

Qin: A monster that has tormented Nico and many others for years.

She went over his history.

---

Slappy the Dummy is the main antagonist of the Sonny Pictures Animation feature films Goosebumps and Goosebumps 2: Haunted Halloween, which are based on the book series of the same name.

He is the leader of the Goosebumps monsters to be accidentally released from one of R. L. Stine's manuscripts, and proceeds to release the other monsters from their books, wreaking widespread havoc on the town as a result of his liberation.

He was voiced by Jack Black who also portrayed R.L. Stine and The Invisible Boy in the first film, Zeke in Ice Age, Slip in The Neverending Story III: Escape from Fantasia, Carl Denham in the 2005 King Kong film, and Bowser in The Super Mario Bros. Movie, Mick Wingert in the sequel, and Avery Lee Jones in promotional media. Puppeteer work was provided by both Jones and Jake McKinney.

Background

In a reimagining of Stine's past, he originated as an outcast, bullied by his peers. To seek solace, Stine imagined a series of monsters and demons to take revenge on his tormentors. Stine's demons ultimately became a reality, as all the monsters he had ever imagined were created, among them Slappy the Dummy. Slappy was Stine's best friend originally, but Stine ultimately realized that the monsters were too dangerous to society and trapped each of them in his manuscripts, where they remained for years. While trapped, Slappy became disillusioned with Stine and grew an intense hatred to the man for his " *betrayal* ". While Slappy was locked away in the manuscript for *Night of the Living Dummy*, he was also somehow locked in Stine's first yet unfinished novel *Haunted Halloween* .

## Release

After the Abominable Snowman of Pasadena emerged from the book, the latch on *Night of the Living Dummy* suddenly unlocked, and Slappy was released from the manuscript. Once Stine returned with teenagers Zach Cooper and Champ and Stine's daughter Hannah, Slappy revealed himself. Upon realizing that Stine intended to return him into the book, Slappy revealing his angry and evil nature promptly stole the other manuscripts, vowing vengeance upon Stine. He released the Lawn Gnomes from their manuscripts as a distraction and then drove off with the other manuscripts. Slappy proceeded to release the other monsters from the manuscripts and set the books alight so that Stine couldn't return them to the books. The released monsters quickly wreaked havoc, destroying a section of the town in the process. Slappy took over the local police station, having his minions freeze the officers into icy blocks.

Zach's aunt Lorraine later arrived at the police station to contact the authorities, but was instead met by Slappy. Lorraine offended Slappy by referring to him as a " *talking dummy* ", prompting Slappy to have her frozen by the aliens. Afterwards, Slappy released the rest of the monsters from the manuscripts and ordered them to find Stine so he couldn't entrap them again as their leader. The monsters lay siege to a nearby high school, where Stine is furiously typing a new story from his typewriter in order to trap the monsters in them. Slappy personally confronts Stine, reminding him that they share a consciousness and that they had once been friends and revealing his betrayal at having been locked away for so many years. When Stine still attempts to complete the story, Slappy breaks Stine's fingers with the typewriter.

## Final Confrontation and First Defeat

After escaping, Stine lured the monsters away from the school by driving a bus down the road. Slappy ordered the monsters to destroy the bus, but upon stopping it, they found that it was filled with dynamite that promptly exploded, temporarily destroying the monsters. This bought Stine and the teenagers some time to an abandoned amusement park, followed by Slappy, who could read Stine's thoughts. Upon arriving at the amusement park, Slappy released the final monster, The Blob, which quickly consumed Stine, but Slappy noticed that Stine didn't had the book. Zach and Hannah fled to the top of a Ferris wheel, pursued by the monsters. Zach managed to finish the book just as the monsters reached them, and promptly opened it, causing a vortex to appear that began to suck all the monsters (except Brent Green, who was a boy turned invisible and thus, not an actual monster) into the book. Slappy, in a final attempt at revenge, grabbed Stine and began strangling him, but Stine kicked him, sending Slappy flying into the vortex, cackling madly until he finally vanished inside. Slappy makes his final vow of revenge, calling out to Stine, " *See you in your dreams!* ".

The reason Slappy was more happy than distraught during his defeat may have been due to the fact that, so long as he remains in the book with the other monsters, he would still live on to the day he is released again. Since Stine cannot destroy the book without risk of freeing Slappy and the other monsters, this may be true.

Slappy's Return

Slappy was eventually released from *Haunted Halloween* in 2 years later when the book was discovered by Sonny Quinn and his friend Sam Carter. Though lifeless at first, Sonny reads the incantation "Karru Marri Odonna Loma Molonu Karrano". When the boys leave the house with Slappy, deciding to keep him, they are encountered by Tommy Madigan, a school bully who takes the book for himself. The now-alive Slappy uses his magic to pull Tommy's pants down, giving Sonny and Sam an opening to escape. Tommy and his cronies chase Sonny and Sam on their bikes until they are knocked over by a hose controlled by Slappy.

At home, Sonny is working on his science project, a miniature version of Nikola Tesla's Wardenclyffe tower that he has trouble operating, when Slappy reveals his sentience to the boys. Fortunately for them, he explains that he wishes to be their brother and gains their trust by using his magic to do fold Sonny's laundry and complete his algebra homework. Slappy secretly modifies

Sonny's model while everyone is asleep.

## Slappy's Betrayal

The next day, Slappy hitches a ride on the backpack of Sonny's sister Sarah and goes to the auditorium, where her boyfriend Tyler is on a ladder hanging ghosts up. Slappy uses his magic to disassemble the ladder as revenge for him cheating on Sarah the previous night, the fall causing Tyler to end up in the hospital. Meanwhile at Sonny's school, Sonny shows off his now-functional project. However, Slappy's modifications causes the tower to blast a hole in the classroom wall.

After the boys admit Slappy's sentience to Sarah, they return home to confront the dummy. Sonny tries to read the words on Slappy's card to make him go back to sleep, but the idea backfires. After the kids' mother Kathy tells Sonny off for the science lab accident and Sarah for failing to keep things under control, Sarah hits Slappy with a baseball bat, knocking him out.

The kids lock Slappy in a suitcase and dump him into a river. However, Slappy somehow escapes and jumps on in front of Sarah's car. In a fit of rage, he exclaims that he just wants to be part of a family while pounding on the windshield of Sarah's car. Slappy is eventually thrown off the car when Sarah slams the breaks. Unfortunately, as Sonny points out, things have only gotten worse.

## Bringing Halloween to Life

While the kids are at home reading about the events at Madison, Delaware, Slappy makes his way to Fred's Pharmacy, intent on making a family of his own in order to bury Halloween alive. Using the "Karru Marri Odonna Loma Molonu Karrano" incantation, Slappy makes to bring several assorted Halloween merchandise to life, including three Ghostly Witches and *Goosebumps* -themed costumes of the Werewolf of Fever Swamp and the Abominable Snowman. Walter, the manager of the pharmacy, catches Slappy in his act only for a Haunted Mask to fly onto his face, turning him into an Igor-esque ogre that immediately becomes Slappy's right-hand monster. Together, the monsters march out of the pharmacy.

Slappy and Walter go to the real-life Wardenclyffe tower, where Slappy says his incantation to reactivate the tower, thus enabling him to bring all the Halloween decorations across Wardenclyffe to come to life. After Walter completes building a wooden chair with metal cuffs, Slappy instructed him to tell the Halloween monsters to retrieve his "mother", Kathy Quinn, and *Haunted Halloween*, which they succeeded in doing. Once Kathy is captured and strapped to the wooden chair, Slappy reveals his sentience to his "mother" before using another incantation to turn her into a human ventriloquist's dummy.

Second Defeat

When the kids arrive at the Tower while wearing Halloween costumes as disguises, Sarah chases after Slappy, who is intent on destroying *Haunted Halloween* while Sonny and Sam turn up the Tower's power to a high level, hoping to overload the system. Cornered by the Giant Balloon Spider, Sarah surrenders the book in exchange for Slappy promising to turn Kathy back to normal. However, Slappy discovers too late that the book Sarah gave him was a decoy made from a copy of Mary Shelly's *Frankenstein* . Sarah then kicks Slappy into the Tower's electric core, shocking him enough to be blasted into the sky, thus turning Kathy back to normal. From there, she uses the book to suck up all the Halloween monsters.

Around Christmas time, Stine adds the now-complete *Haunted Halloween* to his collection of *Goosebumps* manuscripts, which he recovered following the crisis at Madison. However, Slappy suddenly appears before him, revealing that he survived and, during his disappearance, wrote a new *Goosebumps* book starring Stine as the main character that he promptly traps Stine in, finally getting payback after all these years.

When she was done Camie was horrified!

Qin: Yeah.

Dark Leo: (groans) Who else beside him busted you guys out?!

Qin: The warden did. But it was completely unintentional. It was an accident.

Laney: Oops!

Lana: Uh oh!

Dark Don: (to his teammates) You guys have fun with them before the next Gene Slammer shows up.

They agreed and smashed and pulverized and mashed them all over the place with incredible force and fury!

Qin: WOOHOO YEAH!

Nico: Nice job Qin. How did you learn that technique?

Qin: Ino taught it to me. She taught me how to read minds.

Xenia: That was awesome thing.

Me: But I think the villains helped us out and gave us our next mission. Perfect for Halloween.

Nico: Yep. We're going to battle the 2015 Goosebumps monsters. They are perfect candidates for the M.O.E.

Eli: They sure are.

They were really pulverizing them.

Shellshock: This is way too easy!

Plated Sharptooth Roared in agreement.

They really smashed them all over.

Qin: ALL RIGHT!

Maria: I hope the next Gene Slammer's almost here.

Then we heard ghostly wailing and then out came the scary Chess Fiends: Terrorking Archfiend, Infernalqueen Archfiend, Desrook

Archfiend, Shadowknight Archfiend, Darkbishop Archfiend and Vilepawn Archfiend!

Nico: WHOA! Terrorking Archfiend, Infernalqueen Archfiend, Desrook Archfiend, Shadowknight Archfiend, Darkbishop Archfiend and Vilepawn Archfiend!

Terrorking Archfiend: (In a girls voice) That's right Nico.

Infernalqueen Archfiend: (in a girls voice) It's awesome to see you again.

Nico: The Nefaria Sisters! Wow!

They reverted back and they were six girls in black clothes, pitch black angel wings and had black hair and had chess pieces emblazoned in the middle of their foreheads. Their names were Natalia, Nina, Naomi, Natasha, Nikita and Nicole Nefaria.

Natalia Nefaria: We'll face these dirtbags.

Nina Nefaria: Yeah they are going to be haunted by their worst nightmares.

They fired waves of darkness and enveloped the villains in orbs of darkness and put them in a nightmare coma curse and knocked them out and we beamed them back to prison.

Nico: That was awesome!

Brittney: It sure was. And you girls are perfect for the Goths of Darkness.

Natalia Nefaria: Thanks Brittney.

Loud House Dante: What's your favorite memories of Nico?

Nikita Nefaria: We have a lot of them but we like how we cursed a bunch of thugs with their worst nightmares torturing them.

Nina Nefaria: Yeah we showed them.

Naomi Nefaria: They invaded our school and we used our dark magic and cursed them.

Laney: Wow that is amazing.

Nico: It sure is.

Nico hugged them.

Nico: I really missed you girls.

Nefaria Sisters: We missed you too Nico.

Qin: But that is awesome having you all with us.

May: Just in time for Halloween!

Natasha Nefaria: I agree there and Halloween is perfect for all of us goths.

Me: Yep.

We went back home.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, The Dynasty Warriors, The Samurai Warriors, TLPS Ms. Tarantula, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, The Bakugan Battle Brawlers, and Boris are heading to the forests of Hungary, and not only is Lincoln going to rescue the ten girls here, but we got word that William Corvinus, the first and most powerful Werewolf, has returned from the dead and he must be stopped before he goes on another rampage and leaves death and destruction in his wake.

And since the word of William Corvinus' return reached our friends from Underworld, Selene, Eve, David, and Michael Corvin joined us for this fight.

Lincoln: Whoa, we're here in the forests of Hungary, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we got word that William Corvinus, the first and most powerful Werewolf, has returned from the dead and he must be stopped before he goes on another rampage and leaves death and destruction in his wake.

Eli: Selene told me about William Corvinus, he's one of the two sons born to Alexander Corvinus, a Hungarian warlord from the 5th century, and who became the First True Immortal after his body had changed the disease that infected him because of a plague ravaging the village, and years later, he eventually fathered two children who are also immortals.

Me: But, one was bitten by a bat becoming the Blood Leader of The Vampires, and another bitten by a wolf becoming the first and most powerful werewolf.

Nico: If William's here, there's no doubt that Marcus Corvinus isn't far behind.

TLPS Mr. Wolf: And there's no doubt Marcus will be in his Hybrid form, but we'll be ready for him.

Lincoln: That's right, but we'll be rid of the two brothers soon, and I want to thank you, Selene, Eve, David, and Michael for joining us, Boris.

Boris: You're welcome, Lincoln.

Selene (Underworld): This'll be the last time William dares to come back, along with Marcus.

Michael Corvin: He was very strong, and despite not eating anything for centuries, he was still able to fight, and Marcus is also just as dangerous.

Lincoln: That's right, and to make sure this is an even field.

Lincoln let out a growl as lighter brown fur began growing on his abnormally massive and powerful muscular body with tan fur growing on his massive and wide muscular pecs and eight pack abs and wolf muzzle, large brown pointed wolf ears grew on top of his head, his nails grew into claws, his deep sapphire blue eyes turned yellow with slit pupils, and the tips of his eleven massive, long, and powerful white werewolf tails turned into large black wolf heads, and he let out a powerful howl as he transforms into Lincoln the Nocturnal.

Lincoln: (Beastly Voice) There we go, now to find William.

We then travelled through the forests of Hungary, but then, we saw a winged figure in the skies and it landed right in front of us: it was Marcus Corvinus, the blood leader of the Vampires and older twin brother of William Corvinus.

Selene (Underworld): Marcus.

Lincoln: (Beastly Voice) Get out of our way, Marcus, your brother's got to be stopped.

Marcus Corvinus: No, I won't let you hurt my brother!

Lincoln: (Beastly Voice) You still think your brother can be controlled? You saw just for yourself the devastation and destruction William left in his wake before Viktor had him captured and imprisoned for all time, he can't be controlled and all he desires is destruction, and anything Selene did can be laid at the feet of you and your brother. Hundreds of thousands of innocent people have died because of your father's inability to accept that his own two sons have become monsters, and that they in turn create monsters out of the people they've encountered.

Marcus Corvinus: I will make all of you suffer if you dare to lay one hand on my brother, Team Loud Phoenix Storm, and once I kill all of you, you're next, Selene, you and your pet Hybrid.

Lincoln: (Beastly Voice) You are not laying one hand on any of them, Marcus. (ROARS FEROCIOUSLY)

Lincoln roared ferociously and he pounced on Marcus Corvinus and he ripped Marcus' wings clean off with his hands and that caused Marcus to scream in pain. Then, Lincoln grabbed Marcus and put him into a brutal bear hug, so he couldn't escape and as he sank his fangs into Marcus' neck, he began sucking out all of his blood, along with absorbing him into his body and assimilating his powers and abilities. Then, when Lincoln was done drinking Marcus' blood and absorbing him into his body and assimilating his immense powers and abilities, an energy card with Marcus Corvinus' soul appeared in Lincoln's large left hand, and when the Judgement Kanji appeared on Marcus Corvinus' forehead, he was sent to The Black Gates forever.

Selene (Underworld): Eli wasn't kidding when he said you were a vampire-werewolf hybrid, and you kept it a secret for the last six and a half years, Lincoln.

Lincoln: (Beastly Voice) Only my family and friends knew of what Adriana and Rudina did on those two separate occasions to save my life when I got stabbed by Lynn and Lori, Selene, and they also knew of how I'd acquired a lot of powers through blood transfusions or feeding directly on the blood of my Guardian Angels.

Eve: (British Accent) But, you've used those powers responsibly and in defense of those close to you.

Lincoln: (Beastly Voice) Yes, that's right, and now that Marcus is gone for good, now to find William.

?: HEEEEELLLLP!

Suddenly, Lincoln heard the sound of ten girls screaming for help, along with the sound of howling in the air. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the ten girls, but they've been cornered by William Corvinus, and he's going to kill them.

Lincoln: (Beastly Voice) (Gasps) Let's get over there at once, guys, I found the ten girls, but they've been cornered by William Corvinus, and he's going to kill them.

?: (Girl's voice) We must save them at once and stop William Corvinus for good.

Suddenly, we saw the Duel Monster, Pumpking, King of Ghosts, appear before us.

Nico: Whoa, that's Pumpking, King of Ghosts, awesome.

Lincoln: (Beastly Voice) And I'd recognize that voice from anywhere, I knew it was you, Elena Skellington, but we'll have to talk later, we've got a dangerous werewolf to kill.

We rushed over, and right before William Corvinus could claim his next victims, Lincoln fired powerful rainbow energy balls and elemental forces at William Corvinus, and that allows the ten girls to get to safety inside a rainbow energy field created by Lincoln to protect them from William Corvinus, and when he saw us, he roared in pure rage.

Lincoln: (Beastly Voice) Your rampage ends here, William Corvinus, and now, you're about to meet the same fate as your brother.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity

Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Selene (Underworld), Michael Corvin, Eve, David (Underworld), Boris, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Xelnaga Eternity Infinity Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered their massive swords and we transformed, and we went after William Corvinus, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln slashed William Corvinus on the chest with his claws and massive greatsword, and he'd put the feral werewolf into a brutal bear hug, so he couldn't escape and as he sank his fangs into the werewolf's neck, he began sucking out all of his blood, along with absorbing the feral werewolf into his body and assimilating his powers and abilities. Then, when Lincoln was done drinking William Corvinus' blood and absorbing the werewolf into his body and assimilating his powers and abilities, an energy card with William

Corvinus' soul inside appeared in Lincoln's large left hand, and when the Judgement Kanji had appeared on William Corvinus' forehead, he was sent to The Black Gates forever. We cheered wildly as we holstered our weapons and powered down, and Lincoln changed back.

Nico: Whew, now that was a close one.

Lincoln: You're telling me, if we didn't stop the two brothers, they would've continued on to kill many more innocent people, and it'll be a repeat of the horrible events that occurred in hundreds of years ago.

Me: And another Vampire-Werewolf War would start up again, and that's one thing we certainly don't want.

Lincoln: That's right, J.D. (To Elena Skellington) And it's so good to see you again, Elena Skellington.

Elena Skellington reverted back to normal, and she was a beautiful girl with long flowing midnight black hair tied up in a braid, orange eyes, she was tall at 6'5" in height, she had the body of a goddess, she has the Halloween Holiday Door emblazoned on her forehead and she has massive and really scary midnight black skeletal angel wings as she reigned in the power of Pumpking, King of Ghosts, and she's dressed in a sleeveless orange blouse, sleeveless midnight black dress, midnight black bridal gloves, midnight black pants, orange legwarmers, midnight black sneakers, and long white sleeveless trenchcoat with darkness, pumpkins, ghosts, and Halloween creatures on the coattails and Pumpking, King of Ghosts on the back and holstered on her back is a Pumpking, King of Ghosts-themed large greatsword with Pumpking, King of Ghosts etched on the 7'0" massive, wide, double-edged midnight black blade, large orange pumpkins for the crossguard, large orange gem embedded in the rainguard, longer midnight black handle, four large orange pumpkins and a large orange gem on the bottom of the large orange pumpkins for the pommel.

Elena Skellington: You too, Lincoln, it's been a long time.

Lincoln went up to Elena Skellington and he hugged her, and Elena

Skellington is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you eight since you were eleven, and as you can see, I really grew a lot since then.

Elena Skellington: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new, and you can land an airplane on that more wider and more muscular back of his, squash a melon with those really muscular quads and thighs, and also, cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Elena Skellington, she's my Guardian Angel from Michigan and classmate in Science, and in case you were about to ask, the reason why she has the last name Skellington is because she's the cousin of Jack Skellington, The Pumpkin King.

We were amazed and stunned.

Nico: Whoa, she's the cousin of Jack Skellington?! That's really awesome!

Me: We did find out some of Lincoln's Guardian Angels are also the cousins of the Disney heroes and Princesses, so this is really awesome.

Lincoln: Yep, and I found out that she was originally born in Halloween Town, the first human born there, and she was also born with really amazing and powerful Halloween-themed and horror-themed powers and abilities, such as Pumpkin Fire, Darkness, Creating and Summoning Pumpkins, Bats, Skeletons, Ghosts, Bats, Witches, Halloween candy-themed powers, creating potions, and all sorts of other Halloween-themed powers, and she knows all about Halloween from its very beginnings with The Celts.

Eli: Wicked.

Lincoln: And she, like her cousin, also despises Oogie Boogie and she has also kept an eye on Lock, Shock, and Barrel if they're up to something. But, when she was eleven, I found out Jack had Elena moved to Michigan to keep her safe from Oogie Boogie and Lock, Shock, and Barrel, and she'd known about her cousin's adventures with Sora, Donald, Goofy, and all of us.

Me: Wow.

Goofy: Gawrsh, wait until Sora and Donald find out about this.

Nico: They're bound to be in for one wild surprise, and I can guess she also knew of what that ugly sack of bugs… !

Lincoln: She did, and she was extremely angry at Oogie Boogie when she found out from me and she swore if she ever saw that miserable bag of bugs again, she would unleash true bone-chilling horror and unendurable nightmares that would cause the bugs inside him to explode, and she'll do the same thing to Lock, Shock, and Barrel if she ever ran into those little goblins again.

Nico: (Gasps) Holy jumping spiders, she was really furious at Oogie Boogie, along with Lock, Shock, and Barrel.

Lincoln: Given the fact that those three were associated with Oogie Boogie and have instigated chaos in Halloween Town on numerous occasions, I'm not surprised. And Elena's also defended me from the absolute worst of Lori, Lynn, Lola, Lisa, and Luan's wrath, and like her cousin, she really scared them out of their wits and she sent them running back to their rooms screaming in fright and dealing with nightmares for weeks.

Me: Uh oh.

Nico: This is something we're really going to hear when we get back.

Elena Skellington: Trust me, you'll probably be thinking of wishing you had those five paddled until their butts are completely red. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you our blood.

We gasped at her request, including Lincoln.

Lincoln: Elena, are you absolutely sure?

Elena Skellington: (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Elena Skellington and he saw she's really serious, and he smiled as he walked over to her, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and as he fed on their blood, we not only saw Lincoln's rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as Elena, but those massive black skeletal angel wings transformed into massive midnight black angel wings with orange tips on the massive midnight black feathers. He slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklaces of Eternal Love appeared around Elena Skellington's with orange gems on the gold lightning bolts and midnight black crystals links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around her neck.

Elena Skellington: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of harem and my many future wives, Elena.

Elena Skellington had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Elena Skellington's waist and she wrapped her arms behind Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the ten girls, and when Lincoln saw them, he recognized them immediately. The ten girls are Claudia Bruford, Azuzu Komagome, Miyako Muguruma, Sonoka Watarai, Misato Honjou, Nono Kazuura, Haltija Leyli, Lizbet Crown, Mikuri Komachi, and Rusalka Evereska from Warlords of Sigrdrifa.

Lincoln: Oh wow, it's Claudia Bruford, Azuzu Komagome, Miyako Muguruma, Sonoka Watarai, Misato Honjou, Nono Kazuura, Haltija Leyli, Lizbet Crown, Mikuri Komachi, and Rusalka Evereska from Warlords of Sigrdrifa.

Nicole: Awesome.

Lincoln: Are you girls okay?

Claudia Bruford: Yes, we're okay, thanks to you.

Then, when Claudia Bruford and the other nine girls saw who it was that saved them from William Corvinus and Marcus Corvinus, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Claudia Bruford: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made nine clones of himself, and he and the nine clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Claudia Bruford: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Claudia Bruford, Azuzu Komagome, Miyako Muguruma, Sonoka Watarai, Misato Honjou, Nono Kazuura, Haltija Leyli, Lizbet Crown, Mikuri Komachi, and Rusalka Evereska with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and they were shocked when they found out the villain we went after was William Corvinus, the first and most powerful werewolf from the Underworld franchise, along with his brother, Marcus Corvinus, the blood leader of The Vampires, and they were back from the dead wanting revenge on Selene for what she and Michael did in killing them.

But, when Lincoln showed what he did to Marcus Corvinus and William Corvinus in separately putting those two in a brutal bear hug and biting them on the neck and sucking out all of their blood and he also absorbed them into his body and assimilating all of their powers and abilities and sending their souls to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Elena Skellington have a lot of catching up to do, now that she's back in town and she's reunited with Jack Skellington and the residents of Halloween Town.

Maria: Oh man, I can't believe that the two Corvinus brothers were the villains that you guys went after in Hungary, and even worse, they came back from the dead.

Lincoln: They wanted one thing: revenge on Selene and Michael for killing them long ago, and this does prove one thing: Selene's old enemies from long ago are also coming back, but we'll be ready for them.

TLPS Mr. Wolf: Yeah. But, only one person who doesn't know of the treachery of Viktor and Kraven: the second Vampire Elder, Amelia. It's true she believed Viktor, but she didn't know that Viktor had kept his lies a secret and Kraven was the one who kept his secrets and cleaned up his mess, but she, along with the Council members, were eventually assassinated by a team of Lycans sent by Lucian in his attempt to end the age-old conflict that was started by Viktor.

TLPS Mr. Snake: If Kraven or Viktor dares to come back, those two are going to get the life choked out of them for what they've done against Selene and Michael.

Lincoln: That's a definite, Kraven's nothing but a power-hungry coward and a bureaucrat, who'd allied with Lucian to overthrow the Elders and take over.

Selene (Underworld): I've always hated Kraven, and like you said, Lincoln, he's a bureaucrat, not a warrior.

Lori: Which means the stories he told Viktor were to cover his own treachery and save his own skin, he's sick and twisted by his own desire for power. If he shows up, he's getting a UV bullet to his black heart.

Eli: Not before I get through with him.

* * *

After finally getting rid of William Corvinus along with his brother, Marcus Corvinus, and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Elena Skellington saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Elena Skellington: Whoa, we were right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, and he's even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Elena, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Elena Skellington: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, Elena, how did you take on the absolute worst of Lori, Lynn, Lola, Lisa, and Luan's wrath, and like you cousin, really scared them and sent them running back to their rooms screaming in fright and dealing with nightmares for weeks?

Elena Skellington: Now, that's something I've never forgotten. One day, Lincoln and I were doing our preparations for Halloween, and Raven Delg was also with us, since she's the Queen of Halloween, and she's helped out with our Halloween preparations. But, our days of preparations were interrupted by Lori, Lynn, Lola, Lisa, and Luan, who barged in and they were possessed by their Dark Sides, and they had murder on their minds. But, I wasn't going to let them do so, and just like my cousin, I had scared them badly by making a scary face and roaring like a demon and to top it off, they saw snakes coming out of my mouth, and that really scared them so bad, it sent them running for their lives back to their rooms screaming in fright and dealing with nightmares for weeks.

We cheered wildly.

Nico: Whoa, you scared them that badly by making a scary face and roaring like a demon and to top it off, they saw snakes coming out of your mouth?! That was so awesome!

Me: That's proof that you're indeed the cousin of Jack Skellington, alright.

Raven Delg: And when I found out of who her cousin is, I was really stunned with surprise. But, her talents in everything Halloween are indeed legendary like that of Jack Skellington's.

Lincoln: Yep, and our Halloween preparations went off perfectly, while Lori, Lynn, Lola, Lisa, and Luan were forced to miss out on the festivities, because they got grounded again for five weeks and due to the terror Elena inflicted on them when she scared them.

Lana: Yeah, Lola had to miss out on getting candy, but I took Lily with me and we got our candy, but we didn't let Lola or Lisa get any, because of their punishment.

We got a shower afterwards, and while Lincoln was out with Ruby Rose and Rachel Alucard, we were preparing for their big birthday party, and Elena Skellington, Raven Delg, and Autumn Bellamira had decorated the place for Halloween, and we finished our preparations and went into hiding as Lincoln, Ruby Rose, and Rachel Alucard came home and the place was dark.

Ruby Rose: Hey, why is the place dark?

Suddenly, Ruby Rose turned on the lights, and then, a banner came unravelling revealing the words, HAPPY BIRTHDAY RUBY ROSE AND RACHEL ALUCARD, and the pumpkins came alive and ghosts came out of the pumpkins, and the Halloween decorations came out, and so did we.

Everyone: SURPRISE! HAPPY BIRTHDAY, RUBY ROSE AND RACHEL ALUCARD!

Ruby Rose: (Really Surprised) Whoa, you guys did all this?

Rachel Alucard: (Really Surprised) For us?!

Lincoln: (Smiles Warmly) You said it, Happy birthday, girls.

We then proceeded to have our fun by giving Ruby Rose and Rachel Alucard our gifts: Lincoln was first as he gave them new clothes and jewelry, and he made Ruby Rose an awesome red scythe and he also made an amazing sword for Rachel Alucard, and the weapons were Halloween-themed, and we also gave them our gifts as well.

Then, The Masters of Evil came.

Vypra: Happy Birthday, Ruby Rose and Rachel Alucard.

Ruby Rose: Thanks, Vypra, glad you guys made it.

Deker: Lincoln did say that today was not only your birthday, but also, Rachel Alucard's.

Lincoln: Rachel told me that as well, so we really had to work together to make this one awesome party.

Ruby Rose: You got that right, Linky, and this is really awesome, thanks everyone.

Lincoln: But, we're not done yet.

Lynn Sr. brought out an awesome-looking Devil's Food Cake decorated and covered with red frosting, and red frosting roses and black frosting-shaped bats.

Rachel Alucard: Ooh, now that's an amazing looking cake.

Lynn Sr.: Thank your future husband for providing the idea for this amazing cake, and he made a clone to help me with this as well.

Ruby Rose and Rachel Alucard gave Lincoln a kiss on his cheeks as his face turned atomic red and steam whistled out of his ears. This was an awesome birthday we gave the girls, but our day of horrifying fun has only just begun.

At the gym we were getting ready for the dodgeball game with the M.O.E.

Poromon, Manaphy, Poliwag, and Horsea: HAPPY HALLOWEEN, EVERYBODY!

Me: And an awesome Halloween to you too guys.

I was throwing dodgeballs and I hit Dark Spicer!

Dark Spicer: OW! OH YEAH! Here's your warning, Your Ass Is About to be kicked!

Me: Bite my big fat fucking ass!

Bender: WOO! YOU TELL HIM!

Zach: "Man, I hate dodgeball!"

[Zach tries to avoid incoming balls, when Girl Jordan and other classmates are running around.]

Lincoln: [dodging incoming ball] "Me too!"

Clyde: [dodging incoming ball] "It's the worst!"

Liam: "I'd rather milk an ornery cow!"

Rusty: "Chill out, guys! Just like we practiced." [takes a pose] "Snake formation!"

[Zach, Lincoln, Clyde and Liam hide behind Rusty.]

I threw a ball and it hit Vypra!

Nico: YEAH!

Poromon was dressed like a prince warrior, Poliwag was a dragon of jewels, Manaphy was a princess and Horsea was dressed like Misty from Pokemon.

Nico: Those costumes are awesome guys.

Horsea: Thanks.

Misty (Pokemon): I'm honored to have you dress like me.

Horsea: I thought it was cool.

I was jumping all over.

Camie: Wow! J.D. has some really awesome moves!

Tsuyu: Wow! Look at him go!

I was really letting the Masters of Evil have it.

Leni was about to grab Mevya but Kevin Levin stopped her.

Kevin: (sternly) Leni, I know you weren't about to use Mevya as a weapon!

Leni: I wasn't!

Nico: Kevin she was actually going to put a costume on she made him

Kevin Levin: Oh.

Magnet Man: Besides it's Halloweeen. Let him have some fun.

Mevya: Yeah.

Kevin Levin: Okay.

She put on Mevya's costume and it was a clownfish.

Leni: O.M. Gosh! That is totes adorbs.

Vypra: Release the secret weapon.

Me: Here it comes!

Out came the Springfield Elementary Gym coach and the Bombardment King, COACH KRUPT!

Nico: Coach Krupt!

He threw dodgeballs at me and I dodged them all.

Coach Krupt: BOMBARDMENT! BOMBARDMENT!

I dodged them all over the place!

Bisca Mulan: Bombardment this!

She used her rifle and with a magic scope she fired it and it flew as fast as a bullet fired from a gun and then…

KRASMASH!

It smashed into him full force into his face and knocked out some of his teeth!

Qin: NICE!

Laney: YEAH!

Nico: OOH! That's gonna hurt!

Me: At least he didn't Maria this time.

KRABLAM!

IT HIT MARIA SQUARE IN THE FACE!

We gasped!

Me: UH OH!

The ball slowly fell and Maria had GLOWING RED EYES OVERFLOWING WITH HATRED AND FURY!

Maria then went ballistic and threw a massive machine gun volley of balls at Krupt and smashed all the members of the M.O.E. Down! WE WON!

Scrappy: THAT'S GAME! TEAM LOUD PHOENIX STORM WINS!

Everyone cheered wildly!

Vypra: Awesome game guys!

Izzy came out and she had her right arm dressed for Hitch, Left arm for Sunny, Right leg for Zipp and Left leg for Pipp and had her tail like Zipp's and her hair like Sunny and had Pipp's wings. Really creative and Pipp was a queen of
